<p>Page 152</p> <p>1 Dondero - 5-28-2021</p> <p>2 we'll talk about this more later, but the part</p> <p>3 about the subsequent conditions or the</p> <p>4 conditions subsequent, that was the agreement</p> <p>5 that was entered into, did you say the – in</p> <p>6 part – as part of a compensation committee</p> <p>7 meeting?</p> <p>8 A. As part of our compensation process</p> <p>9 in – early in 2019.</p> <p>10 Q. Okay. And when you say "early</p> <p>11 2019," can you – do you recall what month?</p> <p>12 A. In January/February.</p> <p>13 Q. So, it's your testimony that in</p> <p>14 January or February 2019, you and the debtor</p> <p>15 reached the agreement that's referred to in</p> <p>16 paragraph 40 as subsequently amended by your</p> <p>17 amended answer; is that right?</p> <p>18 MS. DEITSCH-PEREZ: Object to the</p> <p>19 form.</p> <p>20 John, I thought you were going to</p> <p>21 agree to call Highland Highland –</p> <p>22 MR. MORRIS: That's fine. That's</p> <p>23 fine.</p> <p>24 (Simultaneous conversation.)</p> <p>25 MS. DEITSCH-PEREZ: – thereafter.</p>	<p>Page 153</p> <p>1 Dondero - 5-28-2021</p> <p>2 MR. MORRIS: That's fine. So, let</p> <p>3 me rephrase the question.</p> <p>4 BY MR. MORRIS:</p> <p>5 Q. I just want to make sure that I have</p> <p>6 this right, Mr. Dondero. It's your</p> <p>7 recollection that in January or February of</p> <p>8 2019, you reached an agreement with Highland</p> <p>9 that's reflected in paragraph 40 as</p> <p>10 subsequently amended to include the phrase</p> <p>11 "conditions subsequent." Do I have that right?</p> <p>12 A. I gave my testimony. I don't know</p> <p>13 if – I don't want to opine on the legal</p> <p>14 document and whether the legal document</p> <p>15 captures it there or somewhere else, but my –</p> <p>16 my recollection regarding pre-bankruptcy and</p> <p>17 post-bankruptcy is as I – as I stated already.</p> <p>18 Q. Let me – let me try this a</p> <p>19 different way.</p> <p>20 We looked at the three promissory</p> <p>21 notes. Were those promissory notes ever</p> <p>22 amended, to the best of your knowledge?</p> <p>23 A. No, not that – I mean, not – not</p> <p>24 in writing.</p> <p>25 Q. Okay.</p>
<p>Page 154</p> <p>1 Dondero - 5-28-2021</p> <p>2 A. They were amended – they were</p> <p>3 amended – they were amended verbally.</p> <p>4 Q. Okay. And did that verbal agreement</p> <p>5 take place in January or February 2019?</p> <p>6 A. Yes.</p> <p>7 Q. Was there any verbal agreement</p> <p>8 related to the notes that occurred other than</p> <p>9 the one you're referring to in January or</p> <p>10 February 2019?</p> <p>11 A. Well, I gave my testimony during</p> <p>12 bankruptcy in 2020, the substance of all</p> <p>13 negotiations never assigned value to the – the</p> <p>14 notes.</p> <p>15 Q. But you never reached an agreement</p> <p>16 with the debtor on – on any settlement that</p> <p>17 would include either payment for or forgiveness</p> <p>18 of the notes; is that fair?</p> <p>19 You never reached an agreement?</p> <p>20 A. Not in writing, but I believe we</p> <p>21 were operating with an understanding that</p> <p>22 the – weren't likely to have value to the</p> <p>23 estate.</p> <p>24 MR. MORRIS: Okay. I move to</p> <p>25 strike, and I'll ask the question again.</p>	<p>Page 155</p> <p>1 Dondero - 5-28-2021</p> <p>2 BY MR. MORRIS:</p> <p>3 Q. Do you have any agreement with the</p> <p>4 debtor – agreement with the debtor with</p> <p>5 respect to any of the three notes?</p> <p>6 MS. DEITSCH-PEREZ: Object to the</p> <p>7 form.</p> <p>8 A. I believe the debtor in bankruptcy</p> <p>9 inherits that subsequent condition agreements</p> <p>10 from the first quarter of 2019; and I believe</p> <p>11 in 2020, the debtor operated and participated</p> <p>12 and acted in a way all negotiations that</p> <p>13 suggested the notes had – were unlikely to</p> <p>14 have any value to the estate.</p> <p>15 MR. MORRIS: Okay. I move to</p> <p>16 strike.</p> <p>17 BY MR. MORRIS:</p> <p>18 Q. And I'd ask you to please listen</p> <p>19 carefully to my question and only answer the</p> <p>20 question that's asked.</p> <p>21 Is there any agreement that pertains</p> <p>22 to the notes other than –</p> <p>23 MS. DEITSCH-PEREZ: Objection,</p> <p>24 asked –</p> <p>25 BY MR. MORRIS:</p>

<p>Page 156</p> <p>1 Dondero - 5-28-2021</p> <p>2 Q. – with –</p> <p>3 A. Yeah, I'm going to stick with my</p> <p>4 same answer that I've given twice.</p> <p>5 Q. I'm actually – I'm actually asking</p> <p>6 a different question; and if you would let me</p> <p>7 finish, this would go a lot more smoothly.</p> <p>8 Is there any agreement, written or</p> <p>9 verbal, between you and the debtor concerning</p> <p>10 the notes other than the verbal agreement that</p> <p>11 you contend was entered into in January and</p> <p>12 February 2019?</p> <p>13 I don't want to know about</p> <p>14 operations or offers or settlement discussions.</p> <p>15 I want to know about agreements: Is there any</p> <p>16 agreement pertaining to the notes other than</p> <p>17 the verbal agreement entered into in January or</p> <p>18 February 2019?</p> <p>19 MS. DEITSCH-PEREZ: Object to the</p> <p>20 form.</p> <p>21 A. Yes.</p> <p>22 BY MR. MORRIS:</p> <p>23 Q. What other agreement exists?</p> <p>24 A. The agreement between, I guess, me</p> <p>25 and to the extent other related parties that</p>	<p>Page 157</p> <p>1 Dondero - 5-28-2021</p> <p>2 had notes with the debtor, beginning in the</p> <p>3 first quarter after the bankruptcy, that the</p> <p>4 notes were unlikely to have any value to the</p> <p>5 estate or have any value in settlement.</p> <p>6 Q. Okay. I don't want to know about</p> <p>7 value. I want to know if there is an agreement</p> <p>8 not to collect.</p> <p>9 So let me try and answer – ask the</p> <p>10 question differently.</p> <p>11 Other than the agreement that you</p> <p>12 assert was entered into in January or</p> <p>13 February 2019, did anybody acting on behalf of</p> <p>14 Highland or the debtor enter into any other</p> <p>15 agreement pursuant to which the debtor agreed</p> <p>16 not to collect on the notes?</p> <p>17 A. I'm – I'm going – same answer:</p> <p>18 Implicitly, yes.</p> <p>19 Q. Okay. Is that – is that implicit</p> <p>20 agreement written down anywhere?</p> <p>21 You know what? I'm going to move</p> <p>22 on, Mr. Dondero, and I look forward to the jury</p> <p>23 trial.</p> <p>24 MR. MORRIS: Can we put up the next</p> <p>25 exhibit, Number 8?</p>
<p>Page 158</p> <p>1 Dondero - 5-28-2021</p> <p>2 (Exhibit 8 introduced.)</p> <p>3 BY MR. MORRIS:</p> <p>4 Q. Did you –</p> <p>5 MR. MORRIS: If we could scroll down</p> <p>6 a little bit.</p> <p>7 BY MR. MORRIS:</p> <p>8 Q. Are you aware that the debtor served</p> <p>9 discovery in connection with this action?</p> <p>10 A. Not specifically.</p> <p>11 Q. Do you see that these are your</p> <p>12 objections and responses to the debtor's</p> <p>13 requests for admission?</p> <p>14 A. Yes.</p> <p>15 Q. Have you ever seen this document</p> <p>16 before?</p> <p>17 And we can scroll down, if you'd</p> <p>18 like.</p> <p>19 MS. DEITSCH-PEREZ: Scroll through</p> <p>20 it, please.</p> <p>21 THE WITNESS: Yeah, let's scroll</p> <p>22 through it.</p> <p>23 (Scrolling.)</p> <p>24 THE WITNESS: Can you keep going,</p> <p>25 please?</p>	<p>Page 159</p> <p>1 Dondero - 5-28-2021</p> <p>2 MR. MORRIS: That's the end.</p> <p>3 THE WITNESS: Okay.</p> <p>4 BY MR. MORRIS:</p> <p>5 Q. Have you ever seen this document</p> <p>6 before, sir?</p> <p>7 A. I'm aware of it – I mean, yes, but</p> <p>8 I don't remember – ask whatever questions you</p> <p>9 want about it, and we'll go from there.</p> <p>10 Q. Did you see this document before –</p> <p>11 before it was sent to my firm on April 28th,</p> <p>12 2021?</p> <p>13 A. I mean, I'm sure I did and – or I'm</p> <p>14 sure I did if I was supposed to approve it, but</p> <p>15 I don't specifically remember.</p> <p>16 Q. And did you, in fact, authorize your</p> <p>17 attorneys to serve this particular document?</p> <p>18 A. I – I believe so.</p> <p>19 MR. MORRIS: Can we just go to the</p> <p>20 very last request for admission, number 14?</p> <p>21 (Scrolling.)</p> <p>22 BY MR. MORRIS:</p> <p>23 Q. You'll see that Request For</p> <p>24 Admission Number 14 asks you to admit that as</p> <p>25 of January 22nd, 2021, you hadn't paid the</p>

<p>Page 160</p> <p>1 Dondero - 5-28-2021</p> <p>2 debtor the outstanding amount.</p> <p>3 Do you see that?</p> <p>4 A. Yes.</p> <p>5 Q. And the definition of an</p> <p>6 "outstanding amount" is the number that's just</p> <p>7 above that.</p> <p>8 And in response, you admitted only</p> <p>9 that you hadn't paid the debtor the amount the</p> <p>10 debtor asserts is due on the notes in the</p> <p>11 amount of approximately \$9 million. Do you see</p> <p>12 that?</p> <p>13 A. Yes.</p> <p>14 Q. Okay. I just want to ask a slightly</p> <p>15 different question: Have you paid any amounts</p> <p>16 to the debtor on account of the notes since</p> <p>17 December 1st, 2020?</p> <p>18 A. I – I don't – I don't know for</p> <p>19 sure, but I don't believe so.</p> <p>20 Q. Okay.</p> <p>21 MR. MORRIS: Can we go to the next</p> <p>22 exhibit, please, Number 9?</p> <p>23 (Exhibit 9 introduced.)</p> <p>24 MR. MORRIS: Okay. And if we can</p> <p>25 scroll down just a little bit.</p>	<p>Page 161</p> <p>1 Dondero - 5-28-2021</p> <p>2 BY MR. MORRIS:</p> <p>3 Q. You'll see that these are the</p> <p>4 "Objections and Answers" that were tendered on</p> <p>5 your behalf in response to the debtor's first</p> <p>6 set of interrogatories.</p> <p>7 Do you see that?</p> <p>8 A. Yes.</p> <p>9 MR. MORRIS: And if we can go to the</p> <p>10 last page.</p> <p>11 MS. DEITSCH-PEREZ: Could you also</p> <p>12 scroll through it so he could –</p> <p>13 MR. MORRIS: Well, I'm happy to do</p> <p>14 it. I'd like to do it my way, please.</p> <p>15 Thank you.</p> <p>16 Can we go to the last page, please?</p> <p>17 (Scrolling.)</p> <p>18 BY MR. MORRIS:</p> <p>19 Q. Is that your signature there, sir?</p> <p>20 A. Yes.</p> <p>21 Q. And did you sign this document in</p> <p>22 front of a notary public?</p> <p>23 A. Yes.</p> <p>24 Q. And did you certify that you had</p> <p>25 read the document and the objections to the</p>
<p>Page 162</p> <p>1 Dondero - 5-28-2021</p> <p>2 interrogatories?</p> <p>3 A. Yes.</p> <p>4 Q. And did you swear that the answers</p> <p>5 were true and correct?</p> <p>6 A. Yes.</p> <p>7 Q. Okay.</p> <p>8 MR. MORRIS: Now let's go back to</p> <p>9 the top of the document.</p> <p>10 BY MR. MORRIS:</p> <p>11 Q. Did you, in fact, read this document</p> <p>12 before you signed the Verification in front of</p> <p>13 a notary?</p> <p>14 A. Yes.</p> <p>15 Q. Okay.</p> <p>16 MR. MORRIS: Go to page 4 of 6,</p> <p>17 please.</p> <p>18 BY MR. MORRIS:</p> <p>19 Q. Just to help you out, do you see</p> <p>20 there's a reference to "Purported Agreement" in</p> <p>21 the first interrogatory, 1(a)?</p> <p>22 A. Uh-huh.</p> <p>23 Q. That's a "yes," sir, is that right?</p> <p>24 A. Yes.</p> <p>25 Q. Okay. The Purported Agreement</p>	<p>Page 163</p> <p>1 Dondero - 5-28-2021</p> <p>2 refers back to the agreement that we were</p> <p>3 looking at in paragraph 40 of the answer – and</p> <p>4 I can just read it again – that says – the</p> <p>5 agreement says, quote, "Plaintiff would not</p> <p>6 collect on the Notes."</p> <p>7 And I asked you three questions in</p> <p>8 the interrogatory. Did this interrogatory</p> <p>9 accurately state, to the best of your</p> <p>10 knowledge, that you, personally, entered into</p> <p>11 the Purported Agreement on behalf of the</p> <p>12 debtor?</p> <p>13 A. Which – which one are you – which</p> <p>14 agreement are you talking about?</p> <p>15 Q. Just the one that we were talking</p> <p>16 about earlier – and I'll just read it again</p> <p>17 for you. We can call it back on the screen, if</p> <p>18 it's helpful – but the agreement that you</p> <p>19 referred to in your answer that, quote,</p> <p>20 "plaintiff would not collect on the notes."</p> <p>21 That's the Purported Agreement.</p> <p>22 And so, I just want you to confirm</p> <p>23 that in your answer to Interrogatory No. 1, you</p> <p>24 stated that it was true and accurate that you</p> <p>25 entered into that agreement on behalf of the</p>

<p>Page 164</p> <p>1 Dondero - 5-28-2021</p> <p>2 debtor.</p> <p>3 Do I have that right?</p> <p>4 A. I'm -- I'm going to say no because I</p> <p>5 think you're using the wrong description of the</p> <p>6 debtor versus Highland prebankruptcy.</p> <p>7 Q. I appreciate that. I apologize.</p> <p>8 Let me rephrase the question. That's a fair</p> <p>9 point.</p> <p>10 Did you enter into the agreement</p> <p>11 referred to in your answer on behalf of</p> <p>12 Highland?</p> <p>13 A. The -- the agreement on behalf of</p> <p>14 Highland prebankruptcy was agreed to by</p> <p>15 majority of the Class A members, which I</p> <p>16 believe at the time was Dugaboy.</p> <p>17 Q. All right. That doesn't say that in</p> <p>18 your answer here, does it?</p> <p>19 A. Again, there was an original, I</p> <p>20 think, answers; and then there were amended</p> <p>21 answers. I think the lawyers did the best they</p> <p>22 could to capture -- but, evidently, the parsing</p> <p>23 between pre-bankruptcy agreements and</p> <p>24 post-bankruptcy agreements was done the best it</p> <p>25 could be by the lawyers but I -- I -- I don't</p>	<p>Page 165</p> <p>1 Dondero - 5-28-2021</p> <p>2 want to comment on the legal.</p> <p>3 Q. I don't want to comment on legal</p> <p>4 stuff, either; but you signed this document,</p> <p>5 you verified this document, and you verified</p> <p>6 that it was true and accurate. Correct?</p> <p>7 A. Yes.</p> <p>8 Q. Okay. And in the first sentence to</p> <p>9 your answer in Interrogatory 1, you wrote, or</p> <p>10 somebody wrote on your behalf, quote: "The</p> <p>11 agreements were entered into on behalf of the</p> <p>12 debtor by James Dondero, subsequent to the time</p> <p>13 each note was executed."</p> <p>14 Is that an accurate statement, or is</p> <p>15 it an inaccurate statement?</p> <p>16 A. Again, it was between me and the</p> <p>17 Class A, the majority of the Class A members.</p> <p>18 It was a Class A -- the Class A members were</p> <p>19 representing Highland, never the debtor,</p> <p>20 because the debtor didn't exist yet.</p> <p>21 But then, again, I don't know if</p> <p>22 this paragraph refers to, again, how we</p> <p>23 operated in bankruptcy, which was the</p> <p>24 assumption that the notes had -- were likely --</p> <p>25 were not likely to have any value for the</p>
<p>Page 166</p> <p>1 Dondero - 5-28-2021</p> <p>2 estate. I don't -- I don't know which this is</p> <p>3 referring to.</p> <p>4 Q. You understand that the definition</p> <p>5 of the "debtor" includes Highland Capital</p> <p>6 Management, L.P.?</p> <p>7 A. I think we started off the depo by</p> <p>8 saying that there was a Highland prior to</p> <p>9 bankruptcy and then there was a Highland in</p> <p>10 bankruptcy and the debtor is Highland in</p> <p>11 bankruptcy.</p> <p>12 Q. Let me just ask you this question,</p> <p>13 sir: Is that first sentence accurate, or is it</p> <p>14 wrong?</p> <p>15 I didn't write it, so -- and you</p> <p>16 swore to it. You're the one who said it was</p> <p>17 true and accurate. So now I'm asking you: Is</p> <p>18 it actually true and accurate?</p> <p>19 A. I'm going to stick with my testimony</p> <p>20 so far. I don't want to opine on that. I</p> <p>21 think it depends -- it's not -- maybe it's not</p> <p>22 perfectly written, but...</p> <p>23 Q. Sir, with all due respect, please</p> <p>24 answer my question: Is the first sentence true</p> <p>25 and correct, as you verified?</p>	<p>Page 167</p> <p>1 Dondero - 5-28-2021</p> <p>2 MS. DEITSCH-PEREZ: He already</p> <p>3 answered your question, John.</p> <p>4 MR. MORRIS: That's fine. You can</p> <p>5 have the objection, asked and answered.</p> <p>6 I'm asking him to answer again.</p> <p>7 BY MR. MORRIS:</p> <p>8 Q. Is that first sentence true and</p> <p>9 correct as you verified it?</p> <p>10 A. "Behalf" probably isn't, like I</p> <p>11 said, the right word. It should be "between"</p> <p>12 the debtor and James Dondero. So that's how I</p> <p>13 would wordsmith that.</p> <p>14 Q. Okay. So this -- this first</p> <p>15 sentence is not true and correct, to the best</p> <p>16 of your knowledge; is that fair?</p> <p>17 A. I -- I don't want to say that other</p> <p>18 than I think it could be stated better.</p> <p>19 Q. Okay. But as stated right now, it</p> <p>20 says that the agreement was entered into on</p> <p>21 behalf of the debtor by James Dondero. Have I</p> <p>22 read that correctly?</p> <p>23 A. Yeah. I mean, that is what it says.</p> <p>24 Again, I feel like I'm interpreting legal</p> <p>25 phraseology here, like "on behalf of the</p>

<p style="text-align: right;">Page 168</p> <p>1 Dondero - 5-28-2021</p> <p>2 debtor." If it was an agreement between the</p> <p>3 debtor and the Class A entered into –</p> <p>4 MS. DEITSCH-PEREZ: Mr. Morris knows</p> <p>5 very well there's another – that there's</p> <p>6 an amendment to this. I don't know why</p> <p>7 he's doing this.</p> <p>8 Mr. Morris –</p> <p>9 (Simultaneous conversation.)</p> <p>10 MR. MORRIS: Please stop. Please</p> <p>11 stop.</p> <p>12 I'm allowed to go through his sworn</p> <p>13 statements. Give me a break. Please stop.</p> <p>14 Don't coach –</p> <p>15 MS. I'm begging you, please stop</p> <p>22 interfering.</p> <p>23 My apologies, Mr. Dondero. Never</p> <p>24 directed at you personally.</p> <p>25 BY MR. MORRIS:</p>	<p style="text-align: right;">Page 169</p> <p>1 Dondero - 5-28-2021</p> <p>2 Q. The second sentence of the answer,</p> <p>3 have you been able to identify any documents</p> <p>4 that reflect or memorialize the agreements?</p> <p>5 A. I mean, I – I – I don't – I don't</p> <p>6 know, but I don't think so.</p> <p>7 Q. Thank you very much.</p> <p>8 MR. Did you authorize it to be filed on</p> <p>6 your behalf?</p> <p>7 A. Yes.</p> <p>8 MR. MORRIS: Can we please go to</p> <p>9 page 6 of 8?</p> <p>10 (Scrolling.)</p> <p>11 MR. Yes.</p> <p>22 Q. Why were those words added?</p> <p>23 MS. DEITSCH-PEREZ: Object to the</p> <p>24 form.</p> <p>25 A. I think to make this document more</p>	<p style="text-align: right;">Page 171</p> <p>1 Dondero - 5-28-2021</p> <p>2 complete and more clarified as things were</p> <p>3 learned and investigated.</p> <p>4 BY MR. DEITSCH-PEREZ: Object to the</p> <p>12 form.</p> <p>13 And I would also just caution the</p> <p>14 witness before he speaks to think – to</p> <p>15 make sure he doesn't disclose</p> <p>16 attorney-client communications.</p> <p>17 A. I'm sorry, could you please repeat</p> <p>18 the question?</p> <p>19 BY MR. MORRIS:</p> <p>20 Q. Sure. Did you, personally, learn or</p> <p>21 discover anything related to this amended</p> <p>22 paragraph 40 after the time that the original</p> <p>23 answer was filed on your behalf?</p> <p>24 MS. DEITSCH-PEREZ: Same objection.</p> <p>25 A. We went through the – the –</p>

<p style="text-align: right;">Page 172</p> <p>1 Dondero - 5-28-2021</p> <p>2 MS. DEITSCH-PEREZ: When you say</p> <p>3 "we," are you talking about you and</p> <p>4 lawyers?</p> <p>5 THE WITNESS: Yes.</p> <p>6 MS. DEITSCH-PEREZ: Don't disclose</p> <p>7 your communications with lawyers.</p> <p>8 BY MR. MORRIS:</p> <p>9 Q. All right. I don't want to know</p> <p>10 anything about your communications with</p> <p>11 lawyers, but I'm going to ask you for facts.</p> <p>12 What facts, if any, did you learn</p> <p>13 after the original answer was filed that relate</p> <p>14 to the words, quote, "upon fulfillment of</p> <p>15 conditions subsequent."</p> <p>16 A. The "conditions subsequent" involved</p> <p>17 in the first quarter of 2019 were always an</p> <p>18 event, but it wasn't captured properly or</p> <p>19 needed to be clarified in the amendment.</p> <p>20 Q. Well, you mentioned that "things</p> <p>21 were learned and investigated" after the answer</p> <p>22 was filed, and I'm just trying to pin down what</p> <p>23 that was?</p> <p>24 A. I – I took it more seriously with</p> <p>25 the lawyers as it – as the notes became more</p>	<p style="text-align: right;">Page 173</p> <p>1 Dondero - 5-28-2021</p> <p>2 of an issue, and it's – I'm very busy over</p> <p>3 here and then spent more time going through the</p> <p>4 details, and this needed to be clarified or</p> <p>5 stated differently.</p> <p>6 Q. Okay. With respect to the agreement</p> <p>7 referred to in paragraph 40, whose idea was it</p> <p>8 to enter into that agreement?</p> <p>9 A. It was – it was mine.</p> <p>10 Q. Okay. And who were – who were the</p> <p>11 majority of Class A holders that you referred</p> <p>12 to earlier?</p> <p>13 A. That was the counterparty</p> <p>14 decision-maker for Highland prior to</p> <p>15 bankruptcy, and like I said, I believe it was</p> <p>16 Dugaboy.</p> <p>17 Q. Can you think of any other member of</p> <p>18 Class A who entered into this agreement on</p> <p>19 behalf of the debtor in the early part of 2019</p> <p>20 other than Dugaboy?</p> <p>21 MS. DEITSCH-PEREZ: Object to the</p> <p>22 form.</p> <p>23 A. I do believe it was necessary.</p> <p>24 Dugaboy alone was the requisite majority. I</p> <p>25 didn't – I don't remember or remember even</p>
<p style="text-align: right;">Page 174</p> <p>1 Dondero - 5-28-2021</p> <p>2 thinking about including anybody else.</p> <p>3 BY MR. MORRIS:</p> <p>4 Q. Okay. And to be clear, Mr. Dondero,</p> <p>5 I'm not – I don't have a view one way or the</p> <p>6 other as to whether you should or shouldn't –</p> <p>7 who you should have contacted.</p> <p>8 I just want to know who – if you</p> <p>9 can identify for me the Class A members who</p> <p>10 acted to approve the agreement that's referred</p> <p>11 to in paragraph 40.</p> <p>12 Is there anybody other than Dugaboy?</p> <p>13 A. Not – not – not – not</p> <p>14 specifically regarding that comp cycle.</p> <p>15 Q. Okay. And who acted on behalf of</p> <p>16 Dugaboy to enter into the agreement that's</p> <p>17 referred to in paragraph 40?</p> <p>18 A. The trustee.</p> <p>19 Q. The trustee of Dugaboy?</p> <p>20 A. Yes.</p> <p>21 Q. And who was the trustee of Dugaboy</p> <p>22 in the January/February 2019 time period that</p> <p>23 entered into this agreement on behalf of the</p> <p>24 debtor?</p> <p>25 A. My sister Nancy.</p>	<p style="text-align: right;">Page 175</p> <p>1 Dondero - 5-28-2021</p> <p>2 Q. Did you and Nancy discuss this</p> <p>3 agreement at all?</p> <p>4 A. This agreement? No.</p> <p>5 Q. Can you describe –</p> <p>6 MS. DEITSCH-PEREZ: What do you mean</p> <p>7 by "this agreement"?</p> <p>8 (Simultaneous conversation.)</p> <p>9 A. Not the one that's on the screen.</p> <p>10 BY MR. MORRIS:</p> <p>11 Q. Yes. That's the only one that I'm</p> <p>12 talking about, so –</p> <p>13 MS. DEITSCH-PEREZ: So you mean –</p> <p>14 MR. MORRIS: Please, please, Deb –</p> <p>15 MS. DEITSCH-PEREZ: John, can you</p> <p>16 please clarify: Are you asking if he</p> <p>17 discussed the answer with Nancy or the –</p> <p>18 MR. MORRIS: I didn't use the word</p> <p>19 "answer." I used the word "agreement," so</p> <p>20 let me –</p> <p>21 MS. DEITSCH-PEREZ: I know, but he</p> <p>22 pointed to the screen.</p> <p>23 (Simultaneous conversation.)</p> <p>24 MR. MORRIS: Are you done?</p> <p>25 MS. DEITSCH-PEREZ: Yes.</p>

<p>Page 176</p> <p>1 Dondero - 5-28-2021</p> <p>2 BY MR. MORRIS:</p> <p>3 Q. Mr. Dondero, can you describe for</p> <p>4 me – withdrawn.</p> <p>5 Did you discuss with your sister</p> <p>6 Nancy, the agreement that's referred to in</p> <p>7 paragraph 40?</p> <p>8 A. The agreement to subsequent</p> <p>9 conditions, yes, absolutely. But this</p> <p>10 agreement that's on the screen, I've never –</p> <p>11 I've never – I've never shown her this</p> <p>12 document or talked to her about it.</p> <p>13 Q. I'm not asking about the document.</p> <p>14 I'm not asking about the document. I'm asking</p> <p>15 about the agreement that's referred to in</p> <p>16 paragraph 40.</p> <p>17 Do you understand that?</p> <p>18 A. Yes. And, yes, we had several</p> <p>19 conversations about it.</p> <p>20 Q. Okay. Can you describe for me</p> <p>21 everything you remember about your discussions</p> <p>22 with Nancy concerning the agreement that's</p> <p>23 referred to in paragraph 40?</p> <p>24 A. That the loans that were in place</p> <p>25 would be forgiven upon a monetization – the</p>	<p>Page 177</p> <p>1 Dondero - 5-28-2021</p> <p>2 favorable monetization of certain large or</p> <p>3 liquid assets on the Highland balance sheet;</p> <p>4 and the three that were focused on was MGM,</p> <p>5 Trussway, and Cornerstone.</p> <p>6 Q. Did she say anything in response?</p> <p>7 A. Just, "How much are we talking</p> <p>8 about?" And I told her it was about 9 million</p> <p>9 in aggregate, and – and I told her that it</p> <p>10 was – that the forgiveness or the compensation</p> <p>11 was compliant regarding any credit covenants or</p> <p>12 Hunter Mountain covenants –</p> <p>13 Q. Do you recall any –</p> <p>14 A. – that – that if it were to be</p> <p>15 forgiven, that additional compensation would be</p> <p>16 compliant or permitted and really not material</p> <p>17 relative to any outstanding credit agreements</p> <p>18 that Highland had or agreements with Hunter</p> <p>19 Mountain.</p> <p>20 Q. Is this something that you discussed</p> <p>21 with her, or is this just information that</p> <p>22 you're giving me?</p> <p>23 A. This is what I discussed – that's</p> <p>24 almost the entirety of the conversation. It</p> <p>25 happened over a couple different conversations,</p>
<p>Page 178</p> <p>1 Dondero - 5-28-2021</p> <p>2 but...</p> <p>3 Q. Did anybody participate in any of</p> <p>4 the conversations you're describing other than</p> <p>5 you and your sister?</p> <p>6 A. I don't believe it was necessary, it</p> <p>7 didn't include anybody else.</p> <p>8 Q. Okay. Again, I'm not here to</p> <p>9 question. I'm just looking for facts,</p> <p>10 Mr. Dondero.</p> <p>11 So nobody participated in any of</p> <p>12 these conversations that you can recall other</p> <p>13 than you and Nancy; is that correct?</p> <p>14 A. Correct, that I – yes, there was</p> <p>15 never a third party involved in our</p> <p>16 conversations. I don't know – I don't think</p> <p>17 she discussed it with anybody else, but I don't</p> <p>18 know.</p> <p>19 Q. Did – was the agreement subject to</p> <p>20 any negotiation? Did she make any</p> <p>21 counterproposal of any kind?</p> <p>22 A. No. No, I – again, I believe both</p> <p>23 of our views at the time was that it was</p> <p>24 immaterial to Highland overall or any other</p> <p>25 agreements.</p>	<p>Page 179</p> <p>1 Dondero - 5-28-2021</p> <p>2 Q. Do you know if she sought any</p> <p>3 independent advice before entering into the</p> <p>4 agreement that you've described?</p> <p>5 A. I don't know.</p> <p>6 Q. Do you recall whether you provided</p> <p>7 her with any documents of any kind in</p> <p>8 connection with the discussions that led to the</p> <p>9 agreement that's referred to in paragraph 40?</p> <p>10 A. I – I have no – I don't – I don't</p> <p>11 believe – no, I don't believe I gave her</p> <p>12 copies of the relevant Hunter Mountain</p> <p>13 limitations, or whatever. I just spoke to her</p> <p>14 about it.</p> <p>15 Q. Okay. I'm just asking – I'm asking</p> <p>16 a broader question: Do you recall giving her</p> <p>17 any documents of any kind in connection with</p> <p>18 the discussions that led to the agreement in</p> <p>19 paragraph 40?</p> <p>20 A. Not – not that I recall. She –</p> <p>21 she may – she may have some, but I don't</p> <p>22 remember.</p> <p>23 Q. Do you know if there were any</p> <p>24 resolutions that were adopted by Highland to</p> <p>25 reflect the agreement that's referred to in</p>

<p>Page 180</p> <p>1 Dondero - 5-28-2021</p> <p>2 paragraph 40?</p> <p>3 A. Resolutions that – no, not that I'm</p> <p>4 aware of.</p> <p>5 Q. Did you give – did you give Nancy a</p> <p>6 copy of the three promissory notes that were</p> <p>7 the subject of the agreement referred to in</p> <p>8 paragraph 40?</p> <p>9 A. No.</p> <p>10 Q. Did she ask to see any documents</p> <p>11 before entering into the agreement that's</p> <p>12 referred to in paragraph 40?</p> <p>13 A. I – I don't remember.</p> <p>14 Q. Did you suggest that she speak with</p> <p>15 anybody prior to the time that she entered into</p> <p>16 the agreement that's referred to in</p> <p>17 paragraph 40?</p> <p>18 MS. DEITSCH-PEREZ: Asked and</p> <p>19 answered.</p> <p>20 A. Yeah. No.</p> <p>21 BY MR. MORRIS:</p> <p>22 Q. Do you know whether she actually</p> <p>23 spoke with anybody concerning the subject</p> <p>24 matter of the agreement that's referred to in</p> <p>25 paragraph 40 prior to the time it was entered</p>	<p>Page 181</p> <p>1 Dondero - 5-28-2021</p> <p>2 into?</p> <p>3 A. I don't know.</p> <p>4 Q. Is there any time period by which</p> <p>5 the subsequent – the conditions subsequent</p> <p>6 have to be fulfilled, or are they open-ended?</p> <p>7 A. I believe it was open-ended.</p> <p>8 Q. Under the agreement that's referred</p> <p>9 to in paragraph 40, did the debtor surrender</p> <p>10 its right to make a demand under the promissory</p> <p>11 notes?</p> <p>12 MS. DEITSCH-PEREZ: And, again, are</p> <p>13 you talking about the debtor as in</p> <p>14 post-bankruptcy or –</p> <p>15 MR. MORRIS: I apologize. Thank</p> <p>16 you. Thank you. Thank you. Thank you.</p> <p>17 Withdrawn.</p> <p>18 BY MR. MORRIS:</p> <p>19 Q. Under the agreement that you reached</p> <p>20 with Nancy that's referred to in paragraph 40,</p> <p>21 was it your understanding that Highland</p> <p>22 surrendered its right to make a demand for</p> <p>23 payment of unpaid principal and interest under</p> <p>24 the notes?</p> <p>25 A. I think essentially, yes.</p>
<p>Page 182</p> <p>1 Dondero - 5-28-2021</p> <p>2 Q. Okay. What did Highland receive in</p> <p>3 return for its agreement to surrender its right</p> <p>4 to make a demand for unpaid principal and</p> <p>5 interest, if anything?</p> <p>6 A. I think with all forgiveness of</p> <p>7 notes, what it gets is it gets focus in terms</p> <p>8 of the monetization and it reduces additional</p> <p>9 compensation that I could have/would have taken</p> <p>10 otherwise, or could have/would have been</p> <p>11 entitled to otherwise.</p> <p>12 So, it's – yeah, I mean, I think</p> <p>13 it's, again, heightened focused for something</p> <p>14 that would be great for the debtor or great for</p> <p>15 Highland at the time and reduces – that form</p> <p>16 of forgiveness becomes compensation when and if</p> <p>17 it occurs, and then it – it theoretically</p> <p>18 reduces other compensation.</p> <p>19 Q. So why not just forgive it at that</p> <p>20 moment?</p> <p>21 Why tie it to "conditions</p> <p>22 subsequent"?</p> <p>23 A. I thought it was more appropriate.</p> <p>24 Q. Did you and Nancy discuss at all</p> <p>25 what the benefit would be to Highland from this</p>	<p>Page 183</p> <p>1 Dondero - 5-28-2021</p> <p>2 arrangement?</p> <p>3 A. The focus – the focus parts for</p> <p>4 sure.</p> <p>5 Q. And without – without the agreement</p> <p>6 that's referred to in paragraph 40, you</p> <p>7 wouldn't have been focused on maximizing the</p> <p>8 enterprises; is that right?</p> <p>9 A. No.</p> <p>10 Q. So – I'm sorry, maybe I missed it.</p> <p>11 When you used the word "focus" –</p> <p>12 let me – when you use the word "focus," what</p> <p>13 do you mean?</p> <p>14 What is the benefit to the debtor?</p> <p>15 MS. DEITSCH-PEREZ: Object to the</p> <p>16 form.</p> <p>17 He said "heightened focus."</p> <p>18 A. Yeah, heightened focused was my</p> <p>19 words, which –</p> <p>20 BY MR. MORRIS:</p> <p>21 Q. Okay.</p> <p>22 A. – you know, means beyond normal</p> <p>23 focus. It means additional effort just like in</p> <p>24 any company or what we do here with other</p> <p>25 employees, for things you really want to get</p>

<p>Page 184</p> <p>1 Dondero - 5-28-2021</p> <p>2 done or focus on, you provide that extra</p> <p>3 incentive.</p> <p>4 Q. Okay. So – so that's the benefit</p> <p>5 to Highland, was that you were going to have a</p> <p>6 heightened focus on maximizing value; is that</p> <p>7 fair?</p> <p>8 MS. DEITSCH-PEREZ: Object to the</p> <p>9 form.</p> <p>10 A. And then also the part 2 of my</p> <p>11 answer, right, which, you know, that</p> <p>12 forgiveness would be compensation which</p> <p>13 would – in any given year, additional</p> <p>14 compensation coming from forgiveness reduces</p> <p>15 other compensation.</p> <p>16 BY MR. MORRIS:</p> <p>17 Q. Was that part of the agreement that</p> <p>18 you reached with Nancy? Was that – was that</p> <p>19 when these notes were forgiven, you would forgo</p> <p>20 an amount equivalent to the outstanding</p> <p>21 principal and unpaid interest?</p> <p>22 MS. DEITSCH-PEREZ: Object to the</p> <p>23 form, misstates his prior testimony.</p> <p>24 A. Yeah. I remember discussing the</p> <p>25 focus part with her. The – I was giving that</p>	<p>Page 185</p> <p>1 Dondero - 5-28-2021</p> <p>2 answer when you were asking me what would be</p> <p>3 the benefit or consideration to Highland and</p> <p>4 then ultimately to debtor. I was giving you</p> <p>5 compensation answer.</p> <p>6 BY MR. MORRIS:</p> <p>7 Q. Okay. So I just – but I do want to</p> <p>8 try to understand from your perspective the</p> <p>9 benefit to the debtor.</p> <p>10 And, one, you told me about the</p> <p>11 heightened focus, and the second –</p> <p>12 A. Right.</p> <p>13 Q. – I think you said, and correct me</p> <p>14 if I'm wrong, that it would relieve the debtor</p> <p>15 of paying some compensation in the future.</p> <p>16 Am I mistaken about that?</p> <p>17 A. Yeah, I mean – I'm sorry. Repeat</p> <p>18 that one more time, please.</p> <p>19 Q. I believe you said that the second</p> <p>20 benefit to Highland from entering into the</p> <p>21 agreement referred to in paragraph 40 is that</p> <p>22 it would relieve them of a future obligation to</p> <p>23 pay compensation in the same amount.</p> <p>24 Do I have that right?</p> <p>25 MS. DEITSCH-PEREZ: Object to the</p>
<p>Page 186</p> <p>1 Dondero - 5-28-2021</p> <p>2 form.</p> <p>3 A. Maybe not exactly "the same amount,"</p> <p>4 but it would – it would – it would reduce</p> <p>5 comp – yes, it would – it would, like, in the</p> <p>6 next cycle, reduce – or when it was realized,</p> <p>7 would likely reduce comp then.</p> <p>8 BY MR. MORRIS:</p> <p>9 Q. Okay. And by what amount would it</p> <p>10 likely reduce comp, then?</p> <p>11 A. I don't know. By significant –</p> <p>12 by – by a significant amount, by something</p> <p>13 similar to the 9 million bucks.</p> <p>14 Q. Okay. So, is there any – I'm just</p> <p>15 trying to understand your perspective.</p> <p>16 One of the benefits from entering</p> <p>17 into the agreement referred to in paragraph 40</p> <p>18 is that upon the realization of the forgiveness</p> <p>19 of the debt, Highland or the debtor, whatever</p> <p>20 the case may be, in the future would be</p> <p>21 relieved from paying you an amount similar to</p> <p>22 the principal amount of the notes?</p> <p>23 Do I have that right?</p> <p>24 A. Yeah, or – or – yeah. I guess the</p> <p>25 reason why I keep going back and forth on the</p>	<p>Page 187</p> <p>1 Dondero - 5-28-2021</p> <p>2 exactness of the answer is that if –</p> <p>3 there's – depending on what the compensation</p> <p>4 target is and whether or not you wanted to grow</p> <p>5 something up or you're looking for a net</p> <p>6 amount, but forgiveness of debt becomes a</p> <p>7 taxable event with no – no additional ability</p> <p>8 to pay taxes. So it's usually not an exact</p> <p>9 offset to future compensation, the way we've</p> <p>10 done it here historically.</p> <p>11 Q. In the agreement that you reached</p> <p>12 with Nancy that's referred to in paragraph 40,</p> <p>13 were there any other – withdrawn.</p> <p>14 In the agreement that you reached</p> <p>15 with Nancy that's referred to in paragraph 40,</p> <p>16 were there any circumstances under which you</p> <p>17 would have been obligated to pay all unpaid</p> <p>18 principal and interest under the notes?</p> <p>19 A. If the illiquid assets weren't – or</p> <p>20 if – if none of the illiquid assets were</p> <p>21 monetized.</p> <p>22 Q. But you were – you were, at the</p> <p>23 time you entered into this oral agreement, in</p> <p>24 control of whether or not to monetize those</p> <p>25 illiquid assets, right?</p>

<p>Page 188</p> <p>1 Dondero - 5-28-2021</p> <p>2 A. And I expected they would be over</p> <p>3 time, yes.</p> <p>4 Q. Okay. So, based on your control of</p> <p>5 the enterprise at the time that you entered</p> <p>6 into the agreement, is there any – did you</p> <p>7 have any – any scenario under which you</p> <p>8 believed you might actually have to pay back</p> <p>9 the unpaid principal and interest due under the</p> <p>10 notes?</p> <p>11 A. If they weren't monetized.</p> <p>12 Q. Okay. Anything else?</p> <p>13 A. Assets weren't monetized, yeah.</p> <p>14 Q. Anything else?</p> <p>15 A. That's – that's my recollection.</p> <p>16 Q. If – if you – have the "conditions</p> <p>17 subsequent" been met yet?</p> <p>18 A. I believe the announcement of the</p> <p>19 MGM sale will meet the conditions precedent</p> <p>20 when it closes four or five months from now.</p> <p>21 Q. Okay. But none of them have been</p> <p>22 met – have the conditions subsequent been met</p> <p>23 as of today?</p> <p>24 A. Have the conditions subsequent been</p> <p>25 met today. I don't have awareness of –</p>	<p>Page 189</p> <p>1 Dondero - 5-28-2021</p> <p>2 despite objecting vehemently, we don't have</p> <p>3 awareness of what the debtor is doing with</p> <p>4 Trussway or Cornerstone. So there's a</p> <p>5 potential that those could have triggered, but</p> <p>6 I don't – I don't have – I don't have</p> <p>7 awareness.</p> <p>8 Q. Okay. Do you know – and forgive</p> <p>9 the question, sir, honestly. But do you</p> <p>10 know –</p> <p>11 A. Sure.</p> <p>12 Q. – whether your estate would be</p> <p>13 liable to pay all of the undue principal –</p> <p>14 unpaid principal and interest if you passed</p> <p>15 before the conditions subsequent were</p> <p>16 satisfied?</p> <p>17 MS. DEITSCH-PEREZ: Object to the</p> <p>18 form.</p> <p>19 A. I – I don't know that answer.</p> <p>20 BY MR. MORRIS:</p> <p>21 Q. That wasn't something that you and</p> <p>22 your sister discussed in January or February of</p> <p>23 2019; is that fair?</p> <p>24 A. I wasn't contemplating that event at</p> <p>25 that point in time.</p>
<p>Page 190</p> <p>1 Dondero - 5-28-2021</p> <p>2 Q. That's why I say "forgive the</p> <p>3 question," sir.</p> <p>4 Did you ever ask anybody to write</p> <p>5 the agreement in paragraph 40 down on paper so</p> <p>6 that it was memorialized somewhere?</p> <p>7 A. No.</p> <p>8 Q. Did you and Nancy –</p> <p>9 (Simultaneous conversation.)</p> <p>10 A. I'm sorry, go ahead.</p> <p>11 BY MR. MORRIS:</p> <p>12 Q. Do you and Nancy communicate by</p> <p>13 email from time to time?</p> <p>14 A. Almost entirely phone. I – from</p> <p>15 time to time, but it's almost entirely phone.</p> <p>16 Q. All right. Let's – let's move on.</p> <p>17 A. Can I clarify something from before?</p> <p>18 Q. Of course.</p> <p>19 A. If the assets were never monetized</p> <p>20 or the – the notes would stay in place and not</p> <p>21 be forgiven.</p> <p>22 If the assets were all monetized</p> <p>23 below cost or what was considered a less</p> <p>24 favorable scenario, then it would be – to</p> <p>25 forgive it, something would have to be</p>	<p>Page 191</p> <p>1 Dondero - 5-28-2021</p> <p>2 monetized above cost, you know; but if they</p> <p>3 were all monetized below cost, that would make</p> <p>4 the note payable.</p> <p>5 Q. I appreciate that.</p> <p>6 MR. MORRIS: Let's go to the next</p> <p>7 document, document Number 11.</p> <p>8 (Exhibit 11 introduced.)</p> <p>9 MR. MORRIS: If we could just scroll</p> <p>10 down, please.</p> <p>11 (Scrolling.)</p> <p>12 BY MR. MORRIS:</p> <p>13 Q. All right. Now, these are your</p> <p>14 objections and responses to the debtor's second</p> <p>15 request for admissions. Do you see that?</p> <p>16 A. Yes.</p> <p>17 MR. MORRIS: And let's scroll down</p> <p>18 to page 4, please.</p> <p>19 (Scrolling.)</p> <p>20 BY MR. MORRIS:</p> <p>21 Q. Okay. Do you recall whether you saw</p> <p>22 this document before it was served and filed on</p> <p>23 your behalf?</p> <p>24 A. Yes. Can we go all the way through,</p> <p>25 just go all the way down?</p>

<p style="text-align: right;">Page 192</p> <p>1 Dondero - 5-28-2021</p> <p>2 Was this notarized, also?</p> <p>3 Q. No, because these are responses to</p> <p>4 requests to admit. You only –</p> <p>5 A. Okay.</p> <p>6 Q. You only notarize responses to</p> <p>7 interrogatories, for whatever reason. So these</p> <p>8 were not. Yeah.</p> <p>9 But I'm just asking you if you have</p> <p>10 a memory of reviewing the requests for</p> <p>11 admission before they were served and filed on</p> <p>12 your behalf?</p> <p>13 A. Yes.</p> <p>14 Q. Okay. And did you authorize your</p> <p>15 lawyers to serve and file this document on your</p> <p>16 behalf?</p> <p>17 A. Yes.</p> <p>18 Q. Okay. Looking at Request For</p> <p>19 Admission Number 1, it asks you to admit that</p> <p>20 in December 2019, you made a payment to the</p> <p>21 debtor, a portion of which was applied to</p> <p>22 reduce principal and/or interest due under one</p> <p>23 or more of the notes.</p> <p>24 Have I read that correctly?</p> <p>25 A. Yes.</p>	<p style="text-align: right;">Page 193</p> <p>1 Dondero - 5-28-2021</p> <p>2 Q. And you've admitted that that</p> <p>3 statement is true and accurate as written,</p> <p>4 right?</p> <p>5 A. Yeah, I believe so. The – yeah, I</p> <p>6 believe so. Let me let you ask the questions.</p> <p>7 Q. Okay. Do you have any reason to</p> <p>8 believe, as you sit here right now – let me</p> <p>9 ask you a different question.</p> <p>10 Do you want to amend your response</p> <p>11 in any way right now?</p> <p>12 A. I – I'm not aware of small amounts</p> <p>13 in terms of, like, interest or principal; and</p> <p>14 then sometimes the tax guys will say periodic</p> <p>15 interest payments are important to – for the</p> <p>16 character of the notes, so sometimes periodic</p> <p>17 interest payments are made. Sometimes I think</p> <p>18 they peck on some of the notes.</p> <p>19 I don't – I don't know or remember,</p> <p>20 but I hope that something like this is correct.</p> <p>21 Sometimes, if there was a need for cash into</p> <p>22 Highland, the easiest way to – for me or a</p> <p>23 different entity to put cash into Highland was</p> <p>24 to reduce a principal amount of a note with the</p> <p>25 thought that we could create new notes or</p>
<p style="text-align: right;">Page 194</p> <p>1 Dondero - 5-28-2021</p> <p>2 increase another note later.</p> <p>3 So how many times or how often</p> <p>4 interest payments were made or if there was</p> <p>5 some small principal payment made at some</p> <p>6 point, I don't know the details; but I'm hoping</p> <p>7 that's accurate.</p> <p>8 Q. Okay. We looked at three notes that</p> <p>9 were signed by you in 2018, correct?</p> <p>10 A. Yes.</p> <p>11 Q. You signed other notes in favor of</p> <p>12 Highland prior to that time, correct?</p> <p>13 A. I believe – yeah. I mean, I</p> <p>14 believe there were numerous notes beyond these.</p> <p>15 Q. Were – were – did you ever sign a</p> <p>16 note in favor of Highland that was forgiven?</p> <p>17 A. I don't – I don't know.</p> <p>18 Q. Do you have any recollection of ever</p> <p>19 paying taxes in connection with a note that was</p> <p>20 subsequently forgiven by Highland?</p> <p>21 A. If there was – if there was a</p> <p>22 forgiveness and it was taxable, I would have</p> <p>23 paid the taxes. We were compliant in that</p> <p>24 regard. I'm a hundred percent comfortable</p> <p>25 we're compliant, but I don't know.</p>	<p style="text-align: right;">Page 195</p> <p>1 Dondero - 5-28-2021</p> <p>2 Q. Okay. And I appreciate – I didn't</p> <p>3 mean to suggest that you weren't compliant,</p> <p>4 sir. I'm just asking you if you can identify</p> <p>5 any note that you made in favor of Highland</p> <p>6 that was ever forgiven.</p> <p>7 MS. DEITSCH-PEREZ: And I'm just</p> <p>8 going to object because, while he's not</p> <p>9 30(b)(6) witness, this is a deposition</p> <p>10 taken in a particular case and he may have</p> <p>11 not looked at the records going back to</p> <p>12 2000, or whatever, that's – since when</p> <p>13 Highland was started.</p> <p>14 MR. MORRIS: I just can't tell you</p> <p>15 how inappropriate that is.</p> <p>16 BY MR. MORRIS:</p> <p>17 Q. Go ahead, Mr. Dondero.</p> <p>18 A. The same answer, I don't know.</p> <p>19 Q. Okay. You did, in fact, pay in full</p> <p>20 all principal and interest due on notes that</p> <p>21 you made in favor of Highland other than the</p> <p>22 three notes at issue in this case, correct?</p> <p>23 MS. DEITSCH-PEREZ: Object to the</p> <p>24 form.</p> <p>25 A. I – I don't know. I would repeat</p>

<p style="text-align: right;">Page 196</p> <p>1 Dondero - 5-28-2021</p> <p>2 the answer I gave a few minutes ago when I kind</p> <p>3 of rambled about cash management.</p> <p>4 BY MR. MORRIS:</p> <p>5 Q. Do you know how many notes you made</p> <p>6 in favor of Highland beyond the three that are</p> <p>7 the subject of this litigation?</p> <p>8 MS. DEITSCH-PEREZ: Object to the</p> <p>9 form.</p> <p>10 A. I – I do not, regarding myself</p> <p>11 personally.</p> <p>12 I am aware that the aggregate amount</p> <p>13 of affiliated notes is approximately 70 or</p> <p>14 \$80 million, including my notes; but that's it.</p> <p>15 I mean, that's all I know.</p> <p>16 BY MR. MORRIS:</p> <p>17 Q. All right. I'm just asking you</p> <p>18 about you, in your individual capacity.</p> <p>19 A. I don't know.</p> <p>20 Q. You don't know –</p> <p>21 (Audio distortion.)</p> <p>22 THE REPORTER: You broke up, sir.</p> <p>23 BY MR. MORRIS:</p> <p>24 Q. You don't know the number of</p> <p>25 notes – (audio distortion) – Highland beyond</p>	<p style="text-align: right;">Page 197</p> <p>1 Dondero - 5-28-2021</p> <p>2 these three, correct?</p> <p>3 A. Correct.</p> <p>4 Q. And you can't recall whether any –</p> <p>5 any notes that you made in favor of Highland</p> <p>6 were ever forgiven, correct?</p> <p>7 A. I – I don't know.</p> <p>8 Q. Okay. So, did you ever object to</p> <p>9 the application of the payment referred to in</p> <p>10 Request For Admission Number 1 to principal</p> <p>11 and/or interest due under one or more of the</p> <p>12 notes?</p> <p>13 Did you ever object to the</p> <p>14 application of the payment in that way?</p> <p>15 MS. DEITSCH-PEREZ: Object to the</p> <p>16 form.</p> <p>17 A. I think the decision on how to</p> <p>18 handle cash needed at Highland was entirely</p> <p>19 made and the application to note principal or</p> <p>20 interest was – was entirely decided by the</p> <p>21 accounting group.</p> <p>22 BY MR. MORRIS:</p> <p>23 Q. But did you know that decision was</p> <p>24 made in or around December 2019?</p> <p>25 A. Not really, no. Not specifically.</p>
<p style="text-align: right;">Page 198</p> <p>1 Dondero - 5-28-2021</p> <p>2 Q. Well, you've admitted to the fact.</p> <p>3 So, when did you learn that in December 2019 a</p> <p>4 payment made on your behalf, at least a portion</p> <p>5 of which was applied to reduce principal and/or</p> <p>6 interest due under one or more of the notes?</p> <p>7 When did you learn that?</p> <p>8 A. I don't know. It would have been as</p> <p>9 part of the process in preparing this document.</p> <p>10 Q. So it's your testimony that somebody</p> <p>11 used your money in December 2019 to reduce</p> <p>12 principal and/or interest due under one or more</p> <p>13 of the notes without your knowledge?</p> <p>14 A. Yeah, without my specific knowledge.</p> <p>15 There was a reason to put money in at that</p> <p>16 point in time, and then how they applied it was</p> <p>17 not my decision –</p> <p>18 Q. Making –</p> <p>19 A. – not –</p> <p>20 Q. Making a payment – you would agree</p> <p>21 that making a payment of principle or interest</p> <p>22 under one or more of the notes conflicts with</p> <p>23 the agreement that you reached with Nancy,</p> <p>24 right?</p> <p>25 MS. DEITSCH-PEREZ: Object to the</p>	<p style="text-align: right;">Page 199</p> <p>1 Dondero - 5-28-2021</p> <p>2 form.</p> <p>3 A. No, that's not true.</p> <p>4 BY MR. MORRIS:</p> <p>5 Q. Well, the conditions subsequent</p> <p>6 hadn't arisen yet; is that fair?</p> <p>7 A. The notes were in '18, correct?</p> <p>8 Q. Yes, sir.</p> <p>9 A. And then, yeah, the subsequent</p> <p>10 condition was in the first quarter of '19.</p> <p>11 Q. Right. And then, in December of</p> <p>12 '19, a payment of principal and/or interest was</p> <p>13 made against one or more of the notes, right?</p> <p>14 A. Yes.</p> <p>15 Q. And I'm just asking you, sir, if</p> <p>16 that's inconsistent with the agreement that you</p> <p>17 reached with Nancy.</p> <p>18 MS. DEITSCH-PEREZ: Object to the</p> <p>19 form.</p> <p>20 A. And I'm saying – I'm saying no. I</p> <p>21 mean, it's –</p> <p>22 BY MR. MORRIS:</p> <p>23 Q. Okay. Since learning of the</p> <p>24 payment, have you tried to identify the person</p> <p>25 who was responsible for applying your money in</p>

<p>Page 200</p> <p>1 Dondero - 5-28-2021</p> <p>2 the way that's described in Request For</p> <p>3 Admission Number 1?</p> <p>4 A. No.</p> <p>5 MR. MORRIS: Can we go down to</p> <p>6 number 4, please?</p> <p>7 BY MR. MORRIS:</p> <p>8 Q. In your amended answer, I think you</p> <p>9 asserted that the – "each note is ambiguous."</p> <p>10 Do I have that right?</p> <p>11 We can go back, if you would like to</p> <p>12 look?</p> <p>13 A. Is this admission number 4? Is that</p> <p>14 where you're pointing to?</p> <p>15 Q. It is, and I'll just read it. It</p> <p>16 refers to paragraph 45 of the amended answer,</p> <p>17 and I'll read it. But I'm happy to go back and</p> <p>18 put it on the screen, if you'd would like.</p> <p>19 But it says simply: "Defendant</p> <p>20 further asserts that each note is ambiguous."</p> <p>21 So request for number 4 asks you to</p> <p>22 admit that before you served that amended</p> <p>23 answer, you had never informed the debtor of</p> <p>24 your belief that any provision of the notes was</p> <p>25 ambiguous.</p>	<p>Page 201</p> <p>1 Dondero - 5-28-2021</p> <p>2 Do you see that?</p> <p>3 A. Yes.</p> <p>4 Q. And you've denied that request for</p> <p>5 admission.</p> <p>6 Do you see that?</p> <p>7 A. Yes.</p> <p>8 Q. So, who did you inform at the debtor</p> <p>9 of your belief that a provision of the notes</p> <p>10 was ambiguous?</p> <p>11 Who did you –</p> <p>12 MS. DEITSCH-PEREZ: Object.</p> <p>13 BY MR. MORRIS:</p> <p>14 Q. Who did you communicate that to?</p> <p>15 MS. DEITSCH-PEREZ: Object to the</p> <p>16 form, no foundation.</p> <p>17 A. I – I – I don't – "I don't know"</p> <p>18 is my answer to pretty much any question you</p> <p>19 could ask there.</p> <p>20 BY MR. MORRIS:</p> <p>21 Q. This is – you're denying the</p> <p>22 request for admission, and that's your right.</p> <p>23 Did you ever inform the debtor of</p> <p>24 your belief that a provision of the notes was</p> <p>25 ambiguous?</p>
<p>Page 202</p> <p>1 Dondero - 5-28-2021</p> <p>2 MS. DEITSCH-PEREZ: Object, no</p> <p>3 foundation.</p> <p>4 A. As – ask the question again,</p> <p>5 please.</p> <p>6 BY MR. MORRIS:</p> <p>7 Q. Did you ever inform the debtor of</p> <p>8 your belief that any provision of the notes was</p> <p>9 ambiguous?</p> <p>10 MS. DEITSCH-PEREZ: Object, no</p> <p>11 foundation.</p> <p>12 A. You know, I don't know what</p> <p>13 conversations were had between lawyers. I – I</p> <p>14 don't know.</p> <p>15 BY MR. MORRIS:</p> <p>16 Q. Okay. So I'm going to ask a</p> <p>17 slightly different question because of your</p> <p>18 answer: Can you tell me whether you or anybody</p> <p>19 acting on your behalf ever informed the debtor</p> <p>20 of your belief that any provision of any of the</p> <p>21 notes was ambiguous?</p> <p>22 MS. DEITSCH-PEREZ: Object, no</p> <p>23 foundation.</p> <p>24 A. I'm going to have to say, yes, I</p> <p>25 believe that statement is true; but I don't</p>	<p>Page 203</p> <p>1 Dondero - 5-28-2021</p> <p>2 have specific knowledge.</p> <p>3 BY MR. MORRIS:</p> <p>4 Q. Do you have any knowledge, can you</p> <p>5 identify any person who informed the debtor of</p> <p>6 your belief?</p> <p>7 A. I don't have specific knowledge. I</p> <p>8 don't – I don't – I don't know.</p> <p>9 Q. Can you tell me when the debtor was</p> <p>10 informed of your belief that any provision of</p> <p>11 the notes was ambiguous?</p> <p>12 MS. DEITSCH-PEREZ: Object, no</p> <p>13 foundation.</p> <p>14 A. I don't know.</p> <p>15 BY MR. MORRIS:</p> <p>16 Q. Can you identify the person who was</p> <p>17 acting on behalf of the debtor who was informed</p> <p>18 by you or anyone acting on your behalf of your</p> <p>19 belief that any provision of the notes was</p> <p>20 ambiguous?</p> <p>21 MS. DEITSCH-PEREZ: Object, no</p> <p>22 foundation.</p> <p>23 A. I don't know.</p> <p>24 BY MR. MORRIS:</p> <p>25 Q. Okay.</p>

<p style="text-align: right;">Page 204</p> <p>1 Dondero - 5-28-2021</p> <p>2 MR. MORRIS: Let's go to the next</p> <p>3 exhibit, please.</p> <p>4 THE WITNESS: Is this a good time</p> <p>5 for a lunch break?</p> <p>6 MR. MORRIS: Yeah. I'm happy to do</p> <p>7 it. I'm trying to move as quickly as I</p> <p>8 can, Mr. Dondero. This is a little bit</p> <p>9 longer than you and I usually sit for, and</p> <p>10 I apologize for that, but I'm happy to take</p> <p>11 as long a break as you – as you need.</p> <p>12 MS. DEITSCH-PEREZ: How long do you</p> <p>13 think you have for the rest of the</p> <p>14 deposition? What's your guess?</p> <p>15 MR. MORRIS: I would say more than</p> <p>16 an hour, less than two.</p> <p>17 MS. DEITSCH-PEREZ: Do you want to</p> <p>18 take a really short –</p> <p>19 THE WITNESS: Can we take a half</p> <p>20 hour, like 12:30 our time, 1:30 East Coast</p> <p>21 time?</p> <p>22 MR. MORRIS: Of course.</p> <p>23 THE WITNESS: Yeah. So, we'll take</p> <p>24 35 minutes, and then we'll get back to it.</p> <p>25 You know –</p>	<p style="text-align: right;">Page 205</p> <p>1 Dondero - 5-28-2021</p> <p>2 THE REPORTER: Are we still on the</p> <p>3 record, please?</p> <p>4 MR. MORRIS: If you have time</p> <p>8 constraints – if you have time</p> <p>9 constraints, Mr. Dondero, I'm prepared to</p> <p>10 keep going. I'll take a shorter break. I</p> <p>11 don't want – you know, I apologize for the</p> <p>12 burden, but these are relevant questions.</p> <p>13 THE WITNESS: Yeah, let's – let's</p> <p>14 do 35 minutes, and we will try and wrap it</p> <p>15 up in – like you're saying, like an hour</p> <p>16 or less than two.</p> <p>17 MR. MORRIS: Yeah.</p> <p>18 THE WITNESS: Yeah. I do need to be</p> <p>19 someplace in the early afternoon.</p> <p>20 MR. MORRIS: I assure you, I'll do</p> <p>21 my best to keep to that time frame.</p> <p>22 THE WITNESS: Okay. Thank you.</p> <p>23 THE REPORTER: And we're off the</p> <p>24 record.</p> <p>25 (Lunch recess held.)</p>
<p style="text-align: right;">Page 206</p> <p>1 Dondero - 5-28-2021</p> <p>2 MR. MORRIS: Can we put up the next</p> <p>3 exhibit, which I believe is Number 12?</p> <p>4 (Exhibit 12 introduced.)</p> <p>5 BY MR. MORRIS:</p> <p>6 Q. Okay. So, Mr. Dondero, these are</p> <p>7 interrogatories, and so I direct you first to</p> <p>8 the last page of the document, the Verification</p> <p>9 page.</p> <p>10 And is that your signature, sir?</p> <p>11 A. Yes.</p> <p>12 Q. Now, this wasn't notarized. Is</p> <p>13 there a reason why you didn't get this</p> <p>14 notarized?</p> <p>15 A. No.</p> <p>16 Q. Okay.</p> <p>17 MR. MORRIS: If we could just scroll</p> <p>18 back up.</p> <p>19 BY MR. MORRIS:</p> <p>20 Q. But is the Verification true –</p> <p>21 MR. MORRIS: If we just go back to</p> <p>22 it.</p> <p>23 BY MR. MORRIS:</p> <p>24 Q. At the time you signed this</p> <p>25 document, had you read the Defendant's</p>	<p style="text-align: right;">Page 207</p> <p>1 Dondero - 5-28-2021</p> <p>2 Objections and Answers to Highland Capital</p> <p>3 Management, L.P.'s Second Set of</p> <p>4 Interrogatories?</p> <p>5 A. Yes.</p> <p>6 Q. And did you believe that the facts</p> <p>7 stated therein were both within your personal</p> <p>8 knowledge and were true and correct?</p> <p>9 A. Yes.</p> <p>10 Q. Okay.</p> <p>11 MR. MORRIS: Can we go to the</p> <p>12 substance of the document on page 4 of 6?</p> <p>13 BY MR. MORRIS:</p> <p>14 Q. Okay. So, in the answer to</p> <p>15 Interrogatory No. 1, you identify the</p> <p>16 conditions subsequent that were the subject of</p> <p>17 the agreement that we've been talking about</p> <p>18 that you and Nancy entered into.</p> <p>19 Do I have that right?</p> <p>20 A. Yes.</p> <p>21 Q. And to the best of your knowledge,</p> <p>22 does the answer that's set forth in response to</p> <p>23 Interrogatory No. 1 fully and accurately set</p> <p>24 forth the conditions subsequent that were the</p> <p>25 subject of the agreement?</p>

<p>Page 208</p> <p>1 Dondero - 5-28-2021</p> <p>2 MS. DEITSCH-PEREZ: Object to the</p> <p>3 form.</p> <p>4 A. Repeat the question, please.</p> <p>5 BY MR. MORRIS:</p> <p>6 Q. Does this answer to Interrogatory</p> <p>7 No. 1 set forth, to the best of your knowledge</p> <p>8 and understanding, the conditions subsequent</p> <p>9 that were part of the agreement that you and</p> <p>10 Nancy entered into in January or February 2019?</p> <p>11 MS. DEITSCH-PEREZ: Object to the</p> <p>12 form.</p> <p>13 A. Yes, large – yes, largely –</p> <p>14 BY MR. MORRIS:</p> <p>15 Q. Okay.</p> <p>16 A. – or yes.</p> <p>17 Q. Is there any aspect of this that you</p> <p>18 believe right now is incorrect?</p> <p>19 A. No.</p> <p>20 Q. Is there any aspect of your</p> <p>21 agreement with Nancy on the conditions</p> <p>22 subsequent that's not described in this answer?</p> <p>23 MS. DEITSCH-PEREZ: Object to the</p> <p>24 form.</p> <p>25 A. My recollection is that that largely</p>	<p>Page 209</p> <p>1 Dondero - 5-28-2021</p> <p>2 captures it.</p> <p>3 BY MR. MORRIS:</p> <p>4 Q. Okay. There's a reference there to,</p> <p>5 quote, "the disposition of the portfolio</p> <p>6 company interests managed and/or owned directly</p> <p>7 or indirectly by Highland and/or its affiliates</p> <p>8 or managed funds."</p> <p>9 Do you see that?</p> <p>10 A. Yes.</p> <p>11 Q. What does that refer to?</p> <p>12 A. Just, you know, MGM is owned in a</p> <p>13 variety of places, Cornerstone is owned in a</p> <p>14 variety of places, and then Trussway is owned</p> <p>15 in a subsidiary of Highland.</p> <p>16 So there – I believe it's to</p> <p>17 capture the fact of the different ownerships or</p> <p>18 controls of those three different investments.</p> <p>19 Q. Are those the only portfolio company</p> <p>20 interests managed and/or directly or indirectly</p> <p>21 by Highland or its affiliates – withdrawn.</p> <p>22 That was bad.</p> <p>23 This answer doesn't refer</p> <p>24 specifically to any particular assets, correct?</p> <p>25 A. It does not.</p>
<p>Page 210</p> <p>1 Dondero - 5-28-2021</p> <p>2 Q. Okay.</p> <p>3 A. Well, yeah. I think what the intent</p> <p>4 was – those three companies I just mentioned</p> <p>5 were always considered portfolio companies.</p> <p>6 There have been a few others over the years,</p> <p>7 but those are – those – I think they're</p> <p>8 trying to capture them that way, but I only</p> <p>9 remember talking to her about those three.</p> <p>10 Q. Are there any other portfolio</p> <p>11 company interests that are managed and/or owned</p> <p>12 directly or indirectly by Highland and/or its</p> <p>13 affiliates or managed funds? Are there any</p> <p>14 other assets?</p> <p>15 MS. DEITSCH-PEREZ: Object to the</p> <p>16 form.</p> <p>17 A. There were some lesser private</p> <p>18 equity investments or companies, yes.</p> <p>19 BY MR. MORRIS:</p> <p>20 Q. Can you identify them?</p> <p>21 A. CCS Medical. I think OmniMax was</p> <p>22 one. Kerri International. Yeah, those –</p> <p>23 those are ones that come to mind.</p> <p>24 Q. Okay. But notwithstanding the</p> <p>25 answer here, to the best of your recollection,</p>	<p>Page 211</p> <p>1 Dondero - 5-28-2021</p> <p>2 the agreement that you had with Nancy pertained</p> <p>3 only to MGM, Cornerstone, and Trussway. Do I</p> <p>4 have that right?</p> <p>5 MS. DEITSCH-PEREZ: Object to the</p> <p>6 form.</p> <p>7 A. The monetization of those three were</p> <p>8 the – were the conditions subsequent, yes.</p> <p>9 BY MR. MORRIS:</p> <p>10 Q. Okay. And there's a reference there</p> <p>11 to being disposed of, quote, on a favorable</p> <p>12 basis.</p> <p>13 Do you see that?</p> <p>14 A. Yes.</p> <p>15 Q. What does that mean?</p> <p>16 A. Above cost or book value.</p> <p>17 Q. How much above cost or book value</p> <p>18 would you have to dispose of MGM, Cornerstone,</p> <p>19 and Trussway in order to trigger the conditions</p> <p>20 subsequent?</p> <p>21 A. There wasn't – there was just</p> <p>22 monetization on a favorable basis. There</p> <p>23 wasn't a specific amount on each individual</p> <p>24 one. It only took one to trigger it.</p> <p>25 Q. Oh. So the sale of any of those</p>

<p>Page 212</p> <p>1 Dondero - 5-28-2021</p> <p>2 three assets would trigger the conditions</p> <p>3 subsequent?</p> <p>4 A. Correct.</p> <p>5 Q. Okay. And who decided whether the</p> <p>6 asset was sold on a favorable basis?</p> <p>7 Who made that decision, under your</p> <p>8 agreement with Nancy?</p> <p>9 A. It was just defined relative to</p> <p>10 cost, so it was just – it was just a</p> <p>11 factual – there's nothing to decide. It would</p> <p>12 just be a factual answer.</p> <p>13 Q. So, I just want to make sure I</p> <p>14 understand.</p> <p>15 Your agreement with Nancy was that</p> <p>16 –</p> <p>17 A. Yes.</p> <p>18 Q. – that – all right. Withdrawn.</p> <p>19 Your agreement with Nancy in January</p> <p>20 or February 2019, was that if any of MGM,</p> <p>21 Cornerstone, or Trussway was sold at cost, the</p> <p>22 debtor would forgive your obligations under the</p> <p>23 three notes.</p> <p>24 Do I have that right?</p> <p>25 MS. DEITSCH-PEREZ: Object to the</p>	<p>Page 213</p> <p>1 Dondero - 5-28-2021</p> <p>2 form.</p> <p>3 A. If any of them were sold above cost,</p> <p>4 it would – monetization would trigger the –</p> <p>5 the three notes – forgiveness of the three</p> <p>6 notes, yes.</p> <p>7 BY MR. MORRIS:</p> <p>8 Q. Okay. And I just want to see if I</p> <p>9 can understand: Did you and Nancy discuss in</p> <p>10 January or February 2019 how much above cost</p> <p>11 the sale would have to be in order for the</p> <p>12 debtor to forgive your obligations under the</p> <p>13 three notes?</p> <p>14 MS. DEITSCH-PEREZ: Object to the</p> <p>15 form.</p> <p>16 A. No. It just had to be above cost,</p> <p>17 not a amount above cost.</p> <p>18 BY MR. MORRIS:</p> <p>19 Q. Okay.</p> <p>20 A. Because just monetizing it – just</p> <p>21 monetizing it and getting liquidity for an</p> <p>22 illiquid investment, even if it was at cost, is</p> <p>23 good. So something above cost is great. And</p> <p>24 those are all big assets, and the notes were</p> <p>25 small.</p>
<p>Page 214</p> <p>1 Dondero - 5-28-2021</p> <p>2 Q. Okay. So, again, I just want to</p> <p>3 really understand your agreement with Nancy.</p> <p>4 Did you and her specifically agree</p> <p>5 in January or February 2019 that if you sold</p> <p>6 either MGM or Cornerstone or Trussway for at</p> <p>7 least \$1 more than cost, then your obligations</p> <p>8 under the three notes would be forgiven?</p> <p>9 MS. DEITSCH-PEREZ: Object to the</p> <p>10 form.</p> <p>11 A. Before I answer that, I just – can</p> <p>12 you repeat so I can get all the subjects and</p> <p>13 participants straight in my head from the</p> <p>14 beginning of that question?</p> <p>15 BY MR. MORRIS:</p> <p>16 Q. Sure. Did you and Nancy agree in</p> <p>17 January or February 2019 that if Highland sold</p> <p>18 either MGM or Cornerstone or Trussway for an</p> <p>19 amount that was equal to at least \$1 more than</p> <p>20 cost, that – that Highland would forgive your</p> <p>21 obligations under the three notes?</p> <p>22 MS. DEITSCH-PEREZ: Object to the</p> <p>23 form.</p> <p>24 A. I believe that is correct.</p> <p>25 BY MR. MORRIS:</p>	<p>Page 215</p> <p>1 Dondero - 5-28-2021</p> <p>2 Q. Thank you very much.</p> <p>3 Was Grant Scott the trustee of the</p> <p>4 Dugaboy trust in January or February 2019?</p> <p>5 A. He was at one point. I don't know</p> <p>6 if he was – I don't know when he was the</p> <p>7 trustee, but he got replaced at a – some point</p> <p>8 in time.</p> <p>9 Q. Do you know if it was before or</p> <p>10 after the petition date?</p> <p>11 A. Before or after the petition date.</p> <p>12 It was before the petition date.</p> <p>13 MR. MORRIS: Okay. I'd ask for the</p> <p>14 production of any documents that show that</p> <p>15 Nancy Dondero was the trustee of the</p> <p>16 Dugaboy trust in January or February 2019.</p> <p>17 MS. DEITSCH-PEREZ: I'll take your</p> <p>18 request under advisement.</p> <p>19 BY MR. MORRIS:</p> <p>20 Q. Now, the last portion of</p> <p>21 Interrogatory No. 1, the answer to it, refers</p> <p>22 to a, quote, "basis wholly outside Dondero's</p> <p>23 control."</p> <p>24 Do you see that?</p> <p>25 A. Uh-huh.</p>

<p>Page 216</p> <p>1 Dondero - 5-28-2021</p> <p>2 Q. Was that part of the agreement that</p> <p>3 you entered into with Nancy in January or</p> <p>4 February 2019?</p> <p>5 A. Yeah. It was probably unnecessary</p> <p>6 complexity, but yes.</p> <p>7 Q. Was there anything that you</p> <p>8 envisioned in January or February 2019 that</p> <p>9 would have caused you to lose control of</p> <p>10 Highland?</p> <p>11 MS. DEITSCH-PEREZ: Object to the</p> <p>12 form.</p> <p>13 A. No, and I wasn't – that wasn't the</p> <p>14 thought process.</p> <p>15 BY MR. MORRIS:</p> <p>16 Q. So what was the thought process?</p> <p>17 Why was that phrase part of – why –</p> <p>18 withdrawn.</p> <p>19 Did you include that – that aspect</p> <p>20 of the conditions subsequent – withdrawn.</p> <p>21 Who decided that one of the</p> <p>22 conditions subsequent would be the disposition</p> <p>23 of the assets that you've described, quote,</p> <p>24 "wholly outside of Dondero's control."</p> <p>25 Whose idea was it to put that into</p>	<p>Page 217</p> <p>1 Dondero - 5-28-2021</p> <p>2 the agreement?</p> <p>3 A. It was – it was mine. And, again,</p> <p>4 it was probably unnecessary complexity, but...</p> <p>5 Q. And why did you want that piece of</p> <p>6 it into the agreement?</p> <p>7 A. MGM ended up being a success story,</p> <p>8 but the value of MGM and the prospects of MGM</p> <p>9 have bounced around considerably over the last</p> <p>10 decade. And we never owned more than 17 or</p> <p>11 18 percent and there was a 32 percent holder,</p> <p>12 and Carl Icahn was involved at different points</p> <p>13 in time. There was definitely a chance that,</p> <p>14 over our objections, it could have been sold at</p> <p>15 a lower price without our support.</p> <p>16 And as far as Cornerstone was</p> <p>17 concerned, there was a half or a majority that</p> <p>18 was in the Restoration Fund that had a whole</p> <p>19 bunch of outside investors in it; and,</p> <p>20 theoretically, that could have been sold</p> <p>21 without our – or against our recommendations.</p> <p>22 So it was really meant to capture</p> <p>23 those two possibilities.</p> <p>24 Q. Did you tell Frank Waterhouse at any</p> <p>25 time about your agreement with Nancy that's</p>
<p>Page 218</p> <p>1 Dondero - 5-28-2021</p> <p>2 subject to the conditions subsequent referred</p> <p>3 to here in Interrogatory No. 1?</p> <p>4 A. I don't know if Frank knew the</p> <p>5 specifics. I think Frank really was aware that</p> <p>6 the loans could and would likely be forgiven</p> <p>7 and – yes. That's all to that answer.</p> <p>8 Q. Did you tell him that?</p> <p>9 A. Yes, and – I mean, partly he knew</p> <p>10 it from the history of Highland, and the</p> <p>11 structure of the notes are structured in a way</p> <p>12 that facilitates forgiveness.</p> <p>13 MR. I – listen, I don't – I don't</p> <p>4 remember talking to him about the specifics,</p> <p>5 but, in general, I – he – he – he was deeply</p> <p>6 involved in the thought process and the</p> <p>7 conclusion that the notes were forgiven or</p> <p>8 going to be for- --</p> <p>9 MR. DEITSCH-PEREZ: Object to the</p> <p>14 form.</p> <p>15 A. Not that I – not that I recall.</p> <p>16 Again, I didn't think there was a reason to,</p> <p>17 initially.</p> <p>18 MR. I don't remember who it was in</p> <p>5 '17.</p> <p>6 BY MR. MORRIS:</p> <p>7 Q. Okay. And it's a fact, is it not,</p> <p>8 that until at least year-end 2018, Highland had</p> <p>9 audited the financial statements prepared for</p> <p>10 itself, right?</p> <p>11 A. I don't know. I wasn't aware they</p> <p>12 stopped.</p> <p>13 Q. Okay. Okay.</p> <p>14 So, I'm putting up on the screen the</p> <p>15 "Consolidated Financial Statements and</p> <p>16 Supplemental Information" for the period</p> <p>17 December 31st, 2017.</p> <p>18 Do you see that?</p> <p>19 A. If you're asking me to agree that it</p> <p>11 was Pricewaterhouse, yes, I agree.</p> <p>12 Q. And do you see that they signed</p> <p>13 their letter on May 18th, 2018? Do you see</p> <p>14 that?</p> <p>15 A. Yeah.</p> <p>16 Q. And do you see, towards the top of</p> <p>17 the page, there's a statement about</p> <p>18 "Management's Responsibility for the</p> <p>19 Consolidated Financial Statements"?</p> <p>20 A. Yes.</p> <p>21 Q. And that's a pretty standard clause</p> <p>22 that auditors include in audited financial</p> <p>23 statements, in your experience; isn't that</p> <p>24 right?</p> <p>25 A. Yes.</p>	<p>Page 223</p> <p>1 Dondero - 5-28-2021</p> <p>2 MR. MORRIS: Can we go to the</p> <p>3 page – the next page, 3471?</p> <p>4 BY MR. MORRIS:</p> <p>5 Q. And that's what's reflected</p> <p>16 on this page; is that correct?</p> <p>17 A. I mean, that's what the heading</p> <p>18 says, yes.</p> <p>19 Q. Okay.</p> <p>20 MR. So, to the best of your</p> <p>9 recollection, Frank Waterhouse has been the</p> <p>10 head of the accounting department on a</p> <p>11 continuous basis from the period approximately</p> <p>12 2015 until the end of 2020; is that right?</p> <p>13 A. <p>Page 226</p> <p>1 Dondero - 5-28-2021</p> <p>2 Q. And to the best of your</p> <p>3 recollection, was that accurate?</p> <p>4 A. Yes.</p> <p>5 Q. Okay. Yes.</p> <p>13 Q. And prior to your execution of the</p> <p>14 demand notes, do you recall that you had made,</p> <p>15 in favor of Highland, certain term notes?</p> <p>16 A. I don't – I don't recall.</p> <p>17 Q. Do you remember having to make</p> <p>18 payments to Highland to satisfy the terms of</p> <p>19 any notes prior to 2018?</p> <p>20 A. I can't recall. I didn't refresh –</p> <p>21 I didn't refresh myself on anything else, on</p> <p>22 any other notes for this deposition.</p> <p>23 Q. Okay. But looking at this</p> <p>24 paragraph, is there anything about it that you</p> <p>25 currently believe is inaccurate or incorrect?</p>	<p>Page 227</p> <p>1 Dondero - 5-28-2021</p> <p>2 MS. I believe so.</p> <p>18 BY MR. MORRIS:</p> <p>19 Q. Okay. And has that been true since</p> <p>20 the time The Dugaboy Investment Trust was</p> <p>21 created?</p> <p>22 MS. The next paragraph refers to</p> <p>3 a Contribution Agreement. Do you see that?</p> <p>4 A. Yes.</p> <p>5 Q. Are you familiar who the affiliated</p> <p>6 trust is that entered into the Contribution</p> <p>7 Agreement?</p> <p>8 A. No. I'm willing to be refreshed,</p> <p>9 but I don't remember.</p> <p>10 Q. Is it the Hunter Mountain Investment</p> <p>11 Trust?</p> <p>12 A. It could be.</p> <p>13 Q. Can you think of any other</p> <p>14 affiliated trust other than Hunter Mountain who</p> <p>15 carried a note receivable in the amount of</p> <p>16 \$63 million due to the partnership?</p> <p>17 A. No.</p> <p>18 Q. Do you directly or indirectly own or</p> <p>19 control the Hunter Mountain Trust?</p> <p>20 A. No.</p> <p>21 Q. Let's go – do you have any interest</p> <p>22 in the Hunter Mountain Trust?</p> <p>23 A. No.</p> <p>24 Q. Directly or indirectly?</p> <p>25 A. No.</p>

<p>Page 232</p> <p>1 Dondero - 5-28-2021</p> <p>2 MR. MORRIS: Can we go to 33510,</p> <p>3 please?</p> <p>4 (Scrolling.)</p> <p>5 BY MR. MORRIS:</p> <p>6 Q. Just to refresh your recollection,</p> <p>7 PricewaterhouseCoopers's letter is dated</p> <p>8 May 18th, 2018.</p> <p>9 And you see there, note 16 refers to</p> <p>10 "Subsequent Events." Do you see that?</p> <p>11 A. Yep.</p> <p>12 Q. So, sometime between January 1st and</p> <p>13 May 18, 2018, which is the report date,</p> <p>14 PricewaterhouseCoopers is disclosing that you</p> <p>15 issued promissory notes in the amount of</p> <p>16 \$11.7 million. Do you see that?</p> <p>17 A. Yes.</p> <p>18 Q. Do you believe that was true and</p> <p>19 accurate at the time? Is that your</p> <p>20 recollection?</p> <p>21 A. Yes.</p> <p>22 Q. Now, of the three notes that we</p> <p>23 looked at, only one of them was issued before</p> <p>24 May 18, 2018. That was the 2 and a half</p> <p>25 million-dollar note.</p>	<p>Page 233</p> <p>1 Dondero - 5-28-2021</p> <p>2 Do you remember that?</p> <p>3 I apologize. Withdrawn.</p> <p>4 That was the 3.825 million-dollar</p> <p>5 note.</p> <p>6 Do you remember that?</p> <p>7 A. Okay. Yes.</p> <p>8 Q. Okay. So, if that note was 3. --</p> <p>9 let's just call it roughly \$3.9 million, does</p> <p>10 that mean that there were \$7.8 million of other</p> <p>11 notes that you made in favor of Highland during</p> <p>12 the first five months of 2018?</p> <p>13 MS. DEITSCH-PEREZ: Object to the</p> <p>14 form.</p> <p>15 A. Yeah, I think you got the wrong --</p> <p>16 well, you're -- I'm not the accounting</p> <p>17 department. I'm not the auditor. My comment</p> <p>18 would be our financial statements have always</p> <p>19 been -- our audited financial statements have</p> <p>20 always been extremely accurate and</p> <p>21 Pricewaterhouse and KPMG literally do a hundred</p> <p>22 percent sampling of all transactions.</p> <p>23 Everything is reflected accurately in the</p> <p>24 financials, and there's no missing note or</p> <p>25 misstated note or unequal amount, or whatever.</p>
<p>Page 234</p> <p>1 Dondero - 5-28-2021</p> <p>2 And I refuse to go in that direction just</p> <p>3 because I don't know the details.</p> <p>4 BY MR. MORRIS:</p> <p>5 Q. I appreciate that, sir, and I didn't</p> <p>6 mean to take you into that direction. I'm just</p> <p>7 asking you if you know what accounts for the</p> <p>8 difference between the \$11.7 million stated and</p> <p>9 the 3.825 million-dollar note that we looked at</p> <p>10 as Exhibit Number 1 that was tendered by you on</p> <p>11 February 2nd, 2018. That's all.</p> <p>12 A. I -- I don't know. I have no -- I</p> <p>13 have no idea.</p> <p>14 Q. Okay. In the course of the audit,</p> <p>15 you personally sign management representation</p> <p>16 letters, right?</p> <p>17 A. Usually at the end.</p> <p>18 Q. Yeah.</p> <p>19 MR. MORRIS: So can we call the next</p> <p>20 exhibit up, please?</p> <p>21 (Exhibit 14 introduced.)</p> <p>22 BY MR. MORRIS:</p> <p>23 Q. And happy to take a look at it. I'm</p> <p>24 going to point you to a couple of things.</p> <p>25 MR. MORRIS: But if we could go to</p>	<p>Page 235</p> <p>1 Dondero - 5-28-2021</p> <p>2 the document, it's page 9 of the document,</p> <p>3 Bates number 33408. All right.</p> <p>4 And scroll up to the prior page,</p> <p>5 please. Just looking for the signatures.</p> <p>6 BY MR. MORRIS:</p> <p>7 Q. All right. Is that your signature</p> <p>8 there, sir?</p> <p>9 A. Yeah.</p> <p>10 Q. And did you sign this management</p> <p>11 representation letter on behalf of Highland in</p> <p>12 your capacity as the Strand Advisors, Inc.,</p> <p>13 general partner on or about May 18th, 2018?</p> <p>14 A. Yeah.</p> <p>15 Q. And Frank Waterhouse, is that -- do</p> <p>16 you know that to be his signature below?</p> <p>17 A. It resembles it, yes.</p> <p>18 Q. Okay. Do you have an understanding</p> <p>19 of why you signed this document?</p> <p>20 A. Despite all their auditing and</p> <p>21 double-checking of all source information,</p> <p>22 they -- they want a validation from management,</p> <p>23 also.</p> <p>24 Q. And is that standard and customary,</p> <p>25 to the best of your experience?</p>

<p>Page 236</p> <p>1 Dondero - 5-28-2021</p> <p>2 A. Yes.</p> <p>3 Q. Okay.</p> <p>4 MR. MORRIS: Can we go back to the</p> <p>5 first page, please?</p> <p>6 (Scrolling.)</p> <p>7 BY MR. MORRIS:</p> <p>8 Q. Do you see in the second paragraph,</p> <p>9 the last sentence, there's a reference to</p> <p>10 "materiality"?</p> <p>11 MR. MORRIS: If you can just scroll</p> <p>12 down a bit.</p> <p>13 BY MR. MORRIS:</p> <p>14 Q. And it says, quote, "Materiality</p> <p>15 used for purposes of these representations is</p> <p>16 \$2,000,000."</p> <p>17 Am I reading that correctly?</p> <p>18 A. Yes.</p> <p>19 Q. And did you understand that Highland</p> <p>20 was to provide to PWC, so that it could prepare</p> <p>21 the audited financial statements with</p> <p>22 information relating to issues and transactions</p> <p>23 that were material, using that definition?</p> <p>24 A. Yes.</p> <p>25 MR. MORRIS: Let's go to the next</p>	<p>Page 237</p> <p>1 Dondero - 5-28-2021</p> <p>2 document.</p> <p>3 (Exhibit 15 introduced.)</p> <p>4 BY MR. MORRIS:</p> <p>5 Q. These are the audited financials for</p> <p>6 the period ending December 31st, 2018.</p> <p>7 MR. MORRIS: And if you could go to</p> <p>8 the third page, the one ending in 33424.</p> <p>9 No, above. Yeah, right there.</p> <p>10 Do you see PricewaterhouseCoopers</p> <p>11 signed the audit letter on June 3rd, 2019?</p> <p>12 A. Yep.</p> <p>13 MR. MORRIS: And if we can scroll up</p> <p>14 to the top of the page, it has the same</p> <p>15 statement concerning "Management's</p> <p>16 Responsibility for the Consolidated</p> <p>17 Financial Statements" that we looked at</p> <p>18 earlier in the 2017 audit, correct?</p> <p>19 A. Yes.</p> <p>20 BY MR. MORRIS:</p> <p>21 Q. Okay. And that's -- looking at it,</p> <p>22 that's customary language that auditors include</p> <p>23 in audited financial statements, correct?</p> <p>24 A. Yep.</p> <p>25 MR. MORRIS: Can we go to the next</p>
<p>Page 238</p> <p>1 Dondero - 5-28-2021</p> <p>2 page, please?</p> <p>3 BY MR. MORRIS:</p> <p>4 Q. Again, you'll see that this is the</p> <p>5 Consolidated Balance Sheet for the period</p> <p>6 ending December 31st, 2018. Do you see that?</p> <p>7 A. Yes.</p> <p>8 Q. And is it accurate that Highland</p> <p>9 continued to carry on its balance sheet as an</p> <p>10 asset all "Notes and Other Amounts Due from</p> <p>11 Affiliates"?</p> <p>12 A. Yes.</p> <p>13 MS. Yup.</p> <p>22 Q. Did you personally tell anybody at</p> <p>23 PWC in connection with the preparation of the</p> <p>24 audited financial statements for 2018 that you</p> <p>25 had entered into the agreement with your sister</p>	<p>Page 239</p> <p>1 Dondero - 5-28-2021</p> <p>2 Nancy in January or February of 2019?</p> <p>3 MS. Do you know if anybody told PWC,</p> <p>8 prior to the completion of the audited</p> <p>9 financial statements for the period ending</p> <p>10 December 31st, 2018, of your agreement with</p> <p>11 Nancy?</p> <p>12 MS. DEITSCH-PEREZ: Object to the</p> <p>12 form.</p> <p>13 A. No.</p> <p>14 MR. MORRIS: Can you please go to</p> <p>15 page 33451?</p> <p>16 (Scrolling.)</p> <p>17 BY MR. MORRIS:</p> <p>18 Q. And we've got the "Notes and Other</p> <p>19 Amounts Due from Affiliates." We had gone</p> <p>20 through all of this before and I'm not going to</p> <p>21 do it again, but I do want to ask you, sir:</p> <p>22 Did you personally approve and authorize each</p> <p>23 of the notes that are reflected in the PWC</p> <p>24 disclosure concerning Notes and Other Amounts</p> <p>25 Due from Affiliates?</p>	<p style="text-align: right;">Page 241</p> <p>1 Dondero - 5-28-2021</p> <p>2 MS. Withdrawn.</p> <p>9 I'll ask a different question.</p> <p>10 And I'm happy to give you the time</p> <p>11 needed to look at the full disclosure, but are</p> <p>12 you aware of any note or other amount due from</p> <p>13 affiliate that you didn't approve and</p> <p>14 authorize?</p> <p>15 A. I'm not aware.</p> <p>16 MR. MORRIS: Okay. If we could just</p> <p>17 focus in on that bottom paragraph relating</p> <p>18 to Mr. Dondero.</p> <p>19 BY MR. MORRIS:</p> <p>20 Q. So there's a reference there to your</p> <p>21 having "issued promissory notes to the</p> <p>22 Partnership in the aggregate amount of</p> <p>23 \$14.9 million" during 2018.</p> <p>24 Do you see that?</p> <p>25 A. Yes.</p>
<p style="text-align: right;">Page 242</p> <p>1 Dondero - 5-28-2021</p> <p>2 Q. That would include the three notes</p> <p>3 at issue in this lawsuit; is that right?</p> <p>4 MS. Let me ask a different question.</p> <p>9 The three -- the three notes at</p> <p>10 issue in this lawsuit were all issued in 2018,</p> <p>11 correct?</p> <p>12 A. Yes.</p> <p>13 Q. Okay. Do you have a recollection as</p> <p>14 to what notes account for the difference</p> <p>15 between the \$8.8 million or so that's at issue</p> <p>16 in this lawsuit and the \$14.9 million</p> <p>17 referenced in this disclosure?</p> <p>18 A. I don't, other than that -- I</p> <p>19 believe the audit is accurate and, you know,</p> <p>20 there could have been principle or interest</p> <p>21 paydowns. I don't know the reason for the</p> <p>22 difference.</p> <p>23 Q. This disclosure, as it pertains to</p> <p>24 you, doesn't mention any oral agreement, does</p> <p>25 it?</p>	<p style="text-align: right;">Page 243</p> <p>1 Dondero - 5-28-2021</p> <p>2 A. No.</p> <p>3 Q. And it doesn't mention any amendment</p> <p>4 to any of the notes, correct?</p> <p>5 A. No.</p> <p>6 Q. It doesn't describe any conditions</p> <p>7 that have been placed on the collectability of</p> <p>8 the notes from you, correct?</p> <p>9 A. No.</p> <p>10 Q. It doesn't state that the notes</p> <p>11 might be forgiven upon some conditions</p> <p>12 subsequent, correct?</p> <p>13 A. No, it does not.</p> <p>14 MR. Yes.</p> <p>25 Q. And the agreement that you reached</p>

<p>Page 244</p> <p>1 Dondero - 5-28-2021</p> <p>2 with Nancy, to the best of your recollection,</p> <p>3 occurred in January or February 2019, correct?</p> <p>4 (Simultaneous conversation.)</p> <p>5 A. Yes –</p> <p>6 MS. DEITSCH-PEREZ: Object to the</p> <p>7 form.</p> <p>8 THE REPORTER: I didn't hear an</p> <p>9 answer.</p> <p>10 A. Repeat the question again, just in</p> <p>11 case.</p> <p>12 BY MR. MORRIS:</p> <p>13 Q. Sure. The agreement that you – the</p> <p>14 agreement that you reached with Nancy on behalf</p> <p>15 of Highland was an agreement that was reached</p> <p>16 in January or February 2019, correct?</p> <p>17 A. Was in – the last was in January or</p> <p>18 February of '19, yes. Yes.</p> <p>19 Q. Okay. So I just want to show you</p> <p>20 the entirety of the "Subsequent Events" because</p> <p>21 they cover the period from December 31st, 2018,</p> <p>22 until the report date of June 3, 2019.</p> <p>23 MR. Is there any reference made to the</p> <p>3 agreement that you reached with Nancy in</p> <p>4 January or February 2019?</p> <p>5 A. No.</p> <p>6 MS. DEITSCH-PEREZ: And I just want</p> <p>7 to object for the record that we asked the</p> <p>8 debtor for all of the Highland financial –</p> <p>9 audited financial statements. We got</p> <p>10 highly redacted ones where the debtor has</p> <p>11 clearly left unredacted only those things</p> <p>12 it wanted to use while denying Mr. Dondero</p> <p>13 the unredacted copies. So we do not have</p> <p>14 here, for him to look at, the unredacted</p> <p>15 Highland audited financial statements.</p> <p>16 MR. MORRIS: But this is the only</p> <p>17 portion of the document – well, I'm not</p> <p>18 going to argue.</p> <p>19 MS. DEITSCH-PEREZ: Yes. You showed</p> <p>20 us what you wanted to show him in an</p> <p>21 unredacted (audio distortion) gave him</p> <p>22 fully redacted copies. I understand that.</p> <p>23 MR. MORRIS: Yeah, and I'll be happy</p> <p>24 to submit a unredacted copy to the Judge</p> <p>25 under seal so that she can see whether or</p>
<p>Page 246</p> <p>1 Dondero - 5-28-2021</p> <p>2 not there's any other aspect of the</p> <p>3 financial statements that –</p> <p>4 MS. DEITSCH-PEREZ: That's fine.</p> <p>5 MR. MORRIS: – pertain to the</p> <p>6 notes.</p> <p>7 Give me a break. Stop.</p> <p>8 MS. DEITSCH-PEREZ: I know.</p> <p>9 Litigation isn't a one-way – one-way</p> <p>10 disco.</p> <p>11 MR. MORRIS: Okay. All right.</p> <p>12 The next document, please.</p> <p>13 THE WITNESS: How are we doing on</p> <p>14 time?</p> <p>15 MR. MORRIS: We're doing pretty</p> <p>16 well. I think we're going to fit within –</p> <p>17 we're not quite an hour back on, but I'm</p> <p>18 confident that we'll fit within the one- to</p> <p>19 two-hour – we'll be done within an hour.</p> <p>20 That's my point.</p> <p>21 THE WITNESS: Okay. I'm going to</p> <p>22 give a hard stop at 2:00. Okay?</p> <p>23 MR. MORRIS: You can do whatever you</p> <p>24 want. If we're not finished, we'll just</p> <p>25 have to figure out a time to come back. So</p>	<p>Page 247</p> <p>1 Dondero - 5-28-2021</p> <p>2 let's get through as much as we can, and</p> <p>3 we'll see where we are.</p> <p>4 BY MR. MORRIS:</p> <p>5 Q. The next document is the management</p> <p>6 representation letter.</p> <p>7 (Exhibit 16 introduced.)</p> <p>8 BY MR. MORRIS:</p> <p>9 Q. And I would just ask you to look at,</p> <p>10 I guess, page 33419 and just confirm for me</p> <p>11 that that's your signature.</p> <p>12 A. Yes.</p> <p>13 Q. Okay. And this contains the same</p> <p>14 representations that you made to PWC that we</p> <p>15 looked at in the earlier management rep letter,</p> <p>16 right?</p> <p>17 A. Yes.</p> <p>18 Q. Okay. Let's look at the next</p> <p>19 document, please.</p> <p>20 (Exhibit 17 introduced.)</p> <p>21 BY MR. MORRIS:</p> <p>22 Q. So PWC issues the audited financials</p> <p>23 in June of 2019, and then Highland files for</p> <p>24 bankruptcy in October.</p> <p>25 Do I have that right?</p>

<p style="text-align: right;">Page 248</p> <p>1 Dondero - 5-28-2021</p> <p>2 A. Yes.</p> <p>3 Q. But you're the only person who</p> <p>11 authorized the filing; is that correct?</p> <p>12 A. Yes.</p> <p>13 Q. MORRIS:</p> <p>8 Q. You can answer.</p> <p>9 A. Yes.</p> <p>10 Q. And you understand that the purpose</p> <p>11 of the disclosures is to give interested</p> <p>12 parties an opportunity to review the financial</p> <p>13 information relating to the debtors, right?</p> <p>14 MS. DEITSCH-PEREZ: Object to the</p> <p>15 form.</p> <p>16 A. Generally.</p> <p>17 BY MR. MORRIS:</p> <p>18 Q. The debtor is supposed to be</p> <p>19 transparent. Is that a statement you would</p> <p>20 agree with?</p> <p>21 A. I'd agree the debtor is supposed to</p> <p>22 be.</p> <p>23 Q. So, are you aware that the debtor</p> <p>24 filed certain schedules in connection with the</p> <p>25 bankruptcy case?</p>
<p style="text-align: right;">Page 250</p> <p>1 Dondero - 5-28-2021</p> <p>2 A. I'm sure they filed many schedules.</p> <p>3 Q. And did you -- did you review the</p> <p>4 debtor's schedules before they were filed?</p> <p>5 A. No.</p> <p>6 Q. All right. So, here is a summary of</p> <p>7 the debtor's assets and liabilities that was</p> <p>8 filed in December -- on December 12th, 2019.</p> <p>9 Do you see the timeline at the top?</p> <p>10 A. Yes.</p> <p>11 Q. And you were still in control of the</p> <p>12 debtor at that time, correct?</p> <p>13 A. Yep.</p> <p>14 Q. And was Mr. Waterhouse responsible</p> <p>15 for preparing the debtor's Summary of Assets</p> <p>16 and Liabilities on behalf of Highland at that</p> <p>17 time?</p> <p>18 A. I -- I don't know whether DSI was in</p> <p>19 control at that point. I don't know.</p> <p>20 Q. Did DSI rely on Mr. Waterhouse and</p> <p>21 the accounting team for the information that</p> <p>22 was used to create the debtor's disclosures?</p> <p>23 MS. DEITSCH-PEREZ: Object to the</p> <p>24 form.</p> <p>25 BY MR. MORRIS:</p>	<p style="text-align: right;">Page 251</p> <p>1 Dondero - 5-28-2021</p> <p>2 Q. Withdrawn.</p> <p>3 To the best of your knowledge, did</p> <p>4 DSI rely on Mr. Waterhouse and the accounting</p> <p>5 team at Highland in order to prepare the</p> <p>6 debtor's schedules and financial disclosures?</p> <p>7 MS. DEITSCH-PEREZ: Object to the</p> <p>8 form.</p> <p>9 A. I don't know.</p> <p>10 BY MR. MORRIS:</p> <p>11 Q. Did you ever discuss with</p> <p>12 Mr. Waterhouse the debtor's financial</p> <p>13 disclosures during the bankruptcy case?</p> <p>14 A. Nope.</p> <p>15 Q. Did you ever look at the Summary of</p> <p>16 Assets and Liabilities that was filed with the</p> <p>17 Court in December 2019?</p> <p>18 A. Nope.</p> <p>19 MR. MORRIS: Turn to the second</p> <p>20 page, please. Let's just go down right --</p> <p>21 right there.</p> <p>22 BY MR. MORRIS:</p> <p>23 Q. Do you see in part 11 -- part 11</p> <p>24 pertains to all other assets and in Item</p> <p>25 Number 71, there's a reference to "Notes</p>

<p>Page 252</p> <p>1 Dondero - 5-28-2021</p> <p>2 Receivable."</p> <p>3 A. Yep.</p> <p>4 Q. And do you see that the Notes</p> <p>5 Receivable are for an aggregate amount of</p> <p>6 approximately \$150 million?</p> <p>7 A. Yep.</p> <p>8 Q. And it refers to Exhibit D. Do you</p> <p>9 see that?</p> <p>10 A. Yes.</p> <p>11 Q. All right.</p> <p>12 MR. MORRIS: Can we turn – go to</p> <p>13 the next page?</p> <p>14 BY MR. MORRIS:</p> <p>15 Q. And exhibit – this page is Exhibit</p> <p>16 D.</p> <p>17 Do you see that?</p> <p>18 A. Yes.</p> <p>19 Q. And this shows an aggregate amount</p> <p>20 of – the face amount of notes to be the same</p> <p>21 \$150.3 million that we just saw, correct?</p> <p>22 MS. DEITSCH-PEREZ: Object to the</p> <p>23 form.</p> <p>24 BY MR. MORRIS:</p> <p>25 Q. We can go back and look, if you</p>	<p>Page 253</p> <p>1 Dondero - 5-28-2021</p> <p>2 want.</p> <p>3 A. It seems to tie.</p> <p>4 Q. Okay. And it was disclosed on the</p> <p>5 docket in the bankruptcy case that you</p> <p>6 personally had made Notes Receivable</p> <p>7 outstanding in the approximate amount of</p> <p>8 \$9.3 million. Do you see that?</p> <p>9 A. Yes.</p> <p>10 Q. Okay.</p> <p>11 MR. MORRIS: Can we just go to the</p> <p>12 top? I want to just show the date.</p> <p>13 BY MR. MORRIS:</p> <p>14 Q. It's December 13. That's the date</p> <p>15 that this disclosure is made. Do you see that?</p> <p>16 A. Yes.</p> <p>17 Q. And there's a footnote there, number</p> <p>18 [1], that says "Doubtful or Uncollectible</p> <p>19 accounts are evaluated at year end." Do you</p> <p>20 see that?</p> <p>21 A. Yes.</p> <p>22 Q. Now, nothing on this document shows</p> <p>23 any of the notes as being doubtful or</p> <p>24 uncollectible, correct?</p> <p>25 A. Correct.</p>
<p>Page 254</p> <p>1 Dondero - 5-28-2021</p> <p>2 Q. Do you know if the debtor's</p> <p>3 schedules were ever amended after</p> <p>4 December 13th, 2019, to reflect "Doubtful or</p> <p>5 Uncollectible" Notes Receivable?</p> <p>6 MS. DEITSCH-PEREZ: Object to the</p> <p>7 form.</p> <p>8 A. Yeah. I believe the Hunter Mountain</p> <p>9 56 was written off.</p> <p>10 BY MR. MORRIS:</p> <p>11 Q. Okay. Anything else?</p> <p>12 MS. DEITSCH-PEREZ: Object to the</p> <p>13 form.</p> <p>14 A. I – I don't know.</p> <p>15 BY MR. MORRIS:</p> <p>16 Q. Okay. Did you ever ask anyone to</p> <p>17 amend the debtor's schedules to reflect any</p> <p>18 Doubtful or Uncollectible receivable that's set</p> <p>19 forth on this page?</p> <p>20 A. I did not.</p> <p>21 Q. Okay.</p> <p>22 MR. MORRIS: La Asia, I'm actually</p> <p>23 going to just skip the next exhibit. And</p> <p>24 if we could go to the one that you and I</p> <p>25 had marked as 19. We'll just mark it as 18</p>	<p>Page 255</p> <p>1 Dondero - 5-28-2021</p> <p>2 for purposes of the deposition.</p> <p>3 MS. DEITSCH-PEREZ: I think that's</p> <p>4 confusing. I don't mind if you just mark</p> <p>5 18 as "omitted." I would want a sheet with</p> <p>6 "18 omitted." That way, your numbering can</p> <p>7 stay the same.</p> <p>8 MR. MORRIS: Okay. That's fine.</p> <p>9 Thank you. So we'll mark 18 as "omitted",</p> <p>10 and this will be 19.</p> <p>11 (Exhibit 19 introduced.)</p> <p>12 BY MR. MORRIS:</p> <p>13 Q. Are you aware of – that the debtor</p> <p>14 filed disclosures called Statements of</p> <p>15 Financial Affairs, often referred to as SoFAs?</p> <p>16 A. I've heard of the form before, yes.</p> <p>17 Q. Did you ever review the debtor's</p> <p>18 SoFAs?</p> <p>19 A. No.</p> <p>20 Q. So, do you know who was responsible</p> <p>21 at Highland for preparing the debtor's SoFAs?</p> <p>22 A. No.</p> <p>23 Q. Would it have been – would –</p> <p>24 whoever it was, would that person have either</p> <p>25 been or reported to Frank Waterhouse, as the</p>

<p style="text-align: right;">Page 256</p> <p>1 Dondero - 5-28-2021</p> <p>2 CFO?</p> <p>3 A. I'm sorry. Can you repeat that one</p> <p>4 more time?</p> <p>5 Q. I appreciate the fact that you</p> <p>6 don't – you can't identify the person who</p> <p>7 prepared the SoFAs; but within the</p> <p>8 organizational structure of Highland during the</p> <p>9 time that you were the CEO, would the person</p> <p>10 have been either Frank Waterhouse or somebody</p> <p>11 who reported to Frank Waterhouse?</p> <p>12 A. Or DSI.</p> <p>13 Q. Okay.</p> <p>14 MR. MORRIS: Can we go to page 2,</p> <p>15 please.</p> <p>16 (Scrolling.)</p> <p>17 BY MR. MORRIS:</p> <p>18 Q. Do you see at number 4 here, there's</p> <p>19 a reference to payments made to insiders within</p> <p>20 a year of the bankruptcy case?</p> <p>21 A. Yup.</p> <p>22 Q. Are you aware – withdrawn.</p> <p>23 Were you aware in December 2019 that</p> <p>24 Highland was going to disclose all payments</p> <p>25 made to insiders within a year of the</p>	<p style="text-align: right;">Page 257</p> <p>1 Dondero - 5-28-2021</p> <p>2 bankruptcy case?</p> <p>3 A. No.</p> <p>4 MR. MORRIS: Let's go to page 19 of</p> <p>5 34, please.</p> <p>6 (Scrolling.)</p> <p>7 MR. MORRIS: If we could, scroll</p> <p>8 down near the bottom.</p> <p>9 BY MR. MORRIS:</p> <p>10 Q. You'll see that there's two entries</p> <p>11 for Highland Capital Management Fund Advisors.</p> <p>12 Do you see that?</p> <p>13 A. Yup.</p> <p>14 Q. And in May 2019, the debtor paid</p> <p>15 Highland Capital Management Fund Advisors the</p> <p>16 aggregate amount of \$7.4 million. Am I reading</p> <p>17 that correctly?</p> <p>18 A. Yes.</p> <p>19 Q. Okay. And those payments were – in</p> <p>20 exchange for those payments, Highland received</p> <p>21 two promissory notes, correct?</p> <p>22 MS. DEITSCH-PEREZ: John, I'm going</p> <p>23 to object. You're straying from the</p> <p>24 subject of this adversary and going into</p> <p>25 another, and I'm really not comfortable</p>
<p style="text-align: right;">Page 258</p> <p>1 Dondero - 5-28-2021</p> <p>2 with that since he's only prepared for</p> <p>3 his – his – for this proceeding and has</p> <p>4 not refreshed himself on anything else.</p> <p>5 So, this is outside of what the scope of</p> <p>6 this deposition ought to be.</p> <p>7 MR. MORRIS: Okay. So you have two</p> <p>8 choices, Deborah: You can either state</p> <p>9 your objection, "beyond the scope," or you</p> <p>10 can direct the witness not to answer.</p> <p>11 Which would you like to do?</p> <p>12 MS. DEITSCH-PEREZ: I am going to</p> <p>13 state my objection that it's beyond the</p> <p>14 scope, but I'm asking you because – as a</p> <p>15 matter of fairness, that you restrain</p> <p>16 yourself and limit your deposition to this</p> <p>17 adversary proceeding –</p> <p>18 MR. MORRIS: Okay. I appreciate –</p> <p>19 MS. DEITSCH-PEREZ: – and not –</p> <p>20 (Simultaneous conversation.)</p> <p>21 MS. DEITSCH-PEREZ: And if the</p> <p>22 witness isn't prepared to answer these</p> <p>23 questions, it's not fair that you proceed</p> <p>24 on them.</p> <p>25 MR. MORRIS: Okay. So I'll just say</p>	<p style="text-align: right;">Page 259</p> <p>1 Dondero - 5-28-2021</p> <p>2 that for a couple of questions to ask the</p> <p>3 former CEO about a 7.4 million-dollar</p> <p>4 payment made to an affiliate that he owns</p> <p>5 or controls, I'm going to ask you to give</p> <p>6 me a little latitude.</p> <p>7 BY MR. MORRIS:</p> <p>8 Q. Mr. Dondero, were those two payments</p> <p>9 backed up by promissory notes in favor of the</p> <p>10 debtor, to the best of your knowledge?</p> <p>11 A. I don't know.</p> <p>12 Q. Okay.</p> <p>13 MR. MORRIS: Let's go to the next</p> <p>14 page, please.</p> <p>15 Can we go towards the middle of the</p> <p>16 page. Right there. That's fine.</p> <p>17 BY MR. MORRIS:</p> <p>18 Q. Do you see your name, James Dondero,</p> <p>19 there?</p> <p>20 A. Yes.</p> <p>21 Q. And you were paid \$3.75 million</p> <p>22 within a year of the bankruptcy, correct?</p> <p>23 A. Yes.</p> <p>24 Q. Who determined that you should –</p> <p>25 who made the decision for Highland to pay you</p>

<p>Page 260</p> <p>1 Dondero - 5-28-2021</p> <p>2 that amount?</p> <p>3 A. Me? I don't know.</p> <p>4 Q. Is there anybody else who had the</p> <p>5 authority to determine your compensation prior</p> <p>6 to the petition date, other than yourself?</p> <p>7 A. Especially – besides myself –</p> <p>8 okay. Let me answer that question first.</p> <p>9 The Class A – majority Class A</p> <p>10 holders can, and then I can.</p> <p>11 Q. Anybody else?</p> <p>12 A. Not that – not that I know.</p> <p>13 Q. In practice, did anybody other than</p> <p>14 you set your compensation?</p> <p>15 A. In practice, yes, sometimes majority</p> <p>16 Class A did.</p> <p>17 Q. And at any time prior to the</p> <p>18 petition date, can you think of an instance</p> <p>19 where the majority of the Class A refused to</p> <p>20 compensate you in the manner in which you</p> <p>21 wanted?</p> <p>22 A. There was – no, because there was</p> <p>23 no reason to because there was plenty of head</p> <p>24 room in all the agreements and compared to</p> <p>25 market levels.</p>	<p>Page 261</p> <p>1 Dondero - 5-28-2021</p> <p>2 MR. Are you aware that, during the</p> <p>7 course of the bankruptcy proceeding, the</p> <p>8 debtor, in addition to the schedules and SoFAs,</p> <p>9 also filed every month a document called the</p> <p>10 "Monthly Operating Report"?</p> <p>11 A. I'm not aware, specifically.</p> <p>12 Q. Did you ever review any of the</p> <p>13 debtor's Monthly Operating Reports?</p> <p>14 A. Not that I can recall.</p> <p>15 Q. Okay.</p> <p>16 MR. MORRIS: We can scroll down a</p> <p>17 bit.</p> <p>18 BY MR. MORRIS:</p> <p>19 Q. You see there's – there's two</p> <p>20 signatures here: One electronic, one</p> <p>21 handwritten, both dated December 2nd. Do you</p> <p>22 see that Brad Sharp has signed as an authorized</p> <p>23 individual as the Chief Restructuring Officer?</p> <p>24 A. Yup.</p> <p>25 Q. Okay. And then below that, there's</p>
<p>Page 262</p> <p>1 Dondero - 5-28-2021</p> <p>2 the electronic signature of Mr. Waterhouse. Do</p> <p>3 you see?</p> <p>4 A. Yes.</p> <p>5 Q. Okay. Were – to the best of your</p> <p>6 knowledge as the CEO at the time, were</p> <p>7 Mr. Sharp and Mr. Waterhouse authorized to sign</p> <p>8 and file Monthly Operating Reports with the</p> <p>9 Court?</p> <p>10 A. Again, it's not my sphere of</p> <p>11 knowledge. It looks like – individually or</p> <p>12 jointly, I – I don't have a comment.</p> <p>13 Q. I'm just asking you, as the CEO, did</p> <p>14 you expect Mr. Waterhouse and Mr. Sharp to take</p> <p>15 care of all financial disclosures required</p> <p>16 under the bankruptcy code?</p> <p>17 A. Yes.</p> <p>18 Q. And did you expect them to do that</p> <p>19 completely, transparently and accurately?</p> <p>20 A. Yes.</p> <p>21 Q. Do you have any reason to believe</p> <p>22 that they failed to do so?</p> <p>23 A. Not that I'm aware.</p> <p>24 MR. MORRIS: Can we go to page 6 of</p> <p>25 11?</p>	<p>Page 263</p> <p>1 Dondero - 5-28-2021</p> <p>2 (Scrolling.)</p> <p>3 BY MR. MORRIS:</p> <p>4 Q. You haven't seen this document</p> <p>5 before; is that right?</p> <p>6 A. I do not believe so.</p> <p>7 Q. Okay. But you see that it was filed</p> <p>8 in late January 2020, but it was signed in</p> <p>9 December, right?</p> <p>10 A. Yeah.</p> <p>11 Q. Okay. And do you see that among the</p> <p>12 assets listed are amounts "Due from</p> <p>13 affiliates"?</p> <p>14 A. Yep.</p> <p>15 Q. And do you have any reason to</p> <p>16 believe that the amounts due from affiliates</p> <p>17 are anything other than the same notes and</p> <p>18 amounts due that we saw in the audited</p> <p>19 financial statements?</p> <p>20 MS. DEITSCH-PEREZ: Object to the</p> <p>21 form.</p> <p>22 A. I don't know.</p> <p>23 BY MR. MORRIS:</p> <p>24 Q. Okay.</p> <p>25 THE WITNESS: I do look at this and</p>

<p>Page 264</p> <p>1 Dondero - 5-28-2021</p> <p>2 get wistful. You guys should be ashamed of</p> <p>3 yourselves, what you've done to this</p> <p>4 company.</p> <p>5 MR. MORRIS: I move to strike.</p> <p>6 Can we take a look at footnote (1),</p> <p>7 please?</p> <p>8 BY MR. MORRIS:</p> <p>9 Q. Do you see that it "Includes various</p> <p>10 notes receivable at carrying value"?</p> <p>11 Do you have any understanding of</p> <p>12 what that –</p> <p>13 MS. DEITSCH-PEREZ: You didn't state</p> <p>14 the whole sentence, John. Please, if</p> <p>15 you're going to point him to things, read</p> <p>16 him the whole sentence.</p> <p>17 BY MR. MORRIS: Let's look at the next</p> <p>23 document, please.</p> <p>24 (Exhibit 21 introduced.)</p> <p>25 MR. MORRIS: All right. So if you</p>	<p>Page 265</p> <p>1 Dondero - 5-28-2021</p> <p>2 could just stop right there.</p> <p>3 BY MR. MORRIS:</p> <p>4 Q. This is the Monthly Operating Report</p> <p>5 for the period ending November 2019. Do you</p> <p>6 see that?</p> <p>7 A. Yes.</p> <p>8 MR. MORRIS: Can we scroll down a</p> <p>9 bit?</p> <p>10 BY MR. MORRIS:</p> <p>11 Q. And that's Mr. Sharp's and</p> <p>12 Mr. Waterhouse's signatures, correct?</p> <p>13 A. Yes.</p> <p>14 Q. Do you see on this version,</p> <p>15 Mr. Sharp is identified as the "Responsible</p> <p>16 Party," but Mr. Waterhouse is identified as the</p> <p>17 "Preparer"?</p> <p>18 A. Yes.</p> <p>19 Q. Do you recall ever telling Mr.</p> <p>20 Waterhouse, in his capacity as the preparer of</p> <p>21 Monthly Operating Reports, that there was</p> <p>22 anything inaccurate in any Monthly Operating</p> <p>23 Report filed by the debtor?</p> <p>24 A. No.</p> <p>25 Q. Do you recall ever telling</p>
<p>Page 266</p> <p>1 Dondero - 5-28-2021</p> <p>2 Mr. Sharp, as the responsible party, that there</p> <p>3 was anything inaccurate in any monthly –</p> <p>4 Monthly Operating Report filed by the debtor?</p> <p>5 A. No.</p> <p>6 MR. MORRIS: Can we go to the next</p> <p>7 page, please?</p> <p>8 (Scrolling.)</p> <p>9 THE WITNESS: I'm going to give the</p> <p>10 12-minute warning here. I can be back at</p> <p>11 4:00, but I'm going to need a couple hours.</p> <p>12 MR. MORRIS: I'm trying to finish</p> <p>13 up, okay?</p> <p>14 THE WITNESS: Okay.</p> <p>15 MR. Again, the debtor reported that the</p> <p>20 amounts due from affiliates were assets of the</p> <p>21 debtor's estate, correct?</p> <p>22 A. Yep.</p> <p>23 Q. Do you – do you have any issue with</p> <p>24 the fact that the debtor reported the notes,</p> <p>25 including your own notes, as assets of the</p>	<p>Page 267</p> <p>1 Dondero - 5-28-2021</p> <p>2 estate?</p> <p>3 MS. DEITSCH-PEREZ: Object to the</p> <p>4 form.</p> <p>5 A. Until they're forgiven, they're bona</p> <p>6 fide notes.</p> <p>7 BY MR. MORRIS:</p> <p>8 Q. And you don't think the "conditions</p> <p>9 subsequent" agreement that you entered into</p> <p>10 with Nancy calls into question whether the</p> <p>11 debtor would ever recover on their notes that</p> <p>12 you issued to them?</p> <p>13 MS. DEITSCH-PEREZ: Object to the</p> <p>14 form.</p> <p>15 A. Again, I don't believe it's material</p> <p>16 or GAAP, is my understanding.</p> <p>17 BY MR. MORRIS:</p> <p>18 Q. Well, almost a third of the debtor's</p> <p>19 assets are notes "Due from affiliates," right?</p> <p>20 A. You have to back out Hunter</p> <p>21 Mountain, and you have to back out – you have</p> <p>22 to back out about 80 million to get to the 70</p> <p>23 million of affiliated notes; and then, from</p> <p>24 there, you have to back out 60 of them to get</p> <p>25 to the 9 million.</p>

<p style="text-align: right;">Page 268</p> <p>1 Dondero - 5-28-2021</p> <p>2 MS. DEITSCH-PEREZ: Mr. Morris,</p> <p>3 please don't make faces at Mr. Dondero.</p> <p>4 BY MR. MORRIS:</p> <p>5 Q. Why – why are we backing out Hunter</p> <p>6 Mountain?</p> <p>7 A. I think the Hunter Mountain – there</p> <p>8 were notes going both ways, but I think the</p> <p>9 Hunter Mountain is out of the estate, I</p> <p>10 believe.</p> <p>11 Q. But Hunter Mountain – the debtor</p> <p>12 held notes that were made by Hunter Mountain in</p> <p>13 the approximate amount of \$60 million, right?</p> <p>14 A. But subsequent to these dates, I</p> <p>15 think – I think they realized it was just a</p> <p>16 cross-transaction. There were dues and</p> <p>17 payables that were essentially equal from</p> <p>18 Hunter Mountain, so I think Hunter Mountain</p> <p>19 came out of that.</p> <p>20 Q. Isn't it – isn't it a fact that</p> <p>21 they wrote them off because they didn't believe</p> <p>22 they were collectible?</p> <p>23 A. Yeah, because the payment on those</p> <p>24 notes depended upon Highland honoring its</p> <p>25 agreements to Hunter Mountain, which Highland</p>	<p style="text-align: right;">Page 269</p> <p>1 Dondero - 5-28-2021</p> <p>2 had no intention of doing. So, there's no</p> <p>3 ability for Hunter Mountain to pay Highland.</p> <p>4 Q. Does Highland – does Hunter</p> <p>5 Mountain today have the ability to pay back any</p> <p>6 of the \$60 million that it – that was</p> <p>7 reflected in the notes?</p> <p>8 MS. DEITSCH-PEREZ: Object.</p> <p>9 A. No, not that I know of but –</p> <p>10 BY MR. MORRIS:</p> <p>11 Q. Okay.</p> <p>12 MS. DEITSCH-PEREZ: And, Mr. Morris,</p> <p>13 once again, I think we're straying from</p> <p>14 this adversary.</p> <p>15 MR. MORRIS: Can we go to page 5 of</p> <p>16 9, please?</p> <p>17 (Scrolling.)</p> <p>18 MR. MORRIS: Above that, I think.</p> <p>19 Next page, 5 of 9. We must be looking at</p> <p>20 the wrong exhibit.</p> <p>21 Is the one that was marked 22? No,</p> <p>22 it's the next – I believe it's the next</p> <p>23 document.</p> <p>24 Let's pull up the next document,</p> <p>25 please.</p>
<p style="text-align: right;">Page 270</p> <p>1 Dondero - 5-28-2021</p> <p>2 (Exhibit 22 introduced.)</p> <p>3 MR. MORRIS: Yeah, that's it.</p> <p>4 Go to page 5, please. Thank you.</p> <p>5 BY MR. MORRIS:</p> <p>6 Q. Do you see that box there? It says</p> <p>7 "Non-Operating Receipts - Other."</p> <p>8 A. Yes.</p> <p>9 Q. Okay. And do you understand that</p> <p>10 that shows that, in December 2019, while you</p> <p>11 were still personally in control of the debtor,</p> <p>12 that certain payments of "principle or</p> <p>13 interest" were made with respect to notes made</p> <p>14 in favor of the debtor?</p> <p>15 A. Yes.</p> <p>16 Q. Okay. And do you understand that</p> <p>17 the one dated December 23rd in the approximate</p> <p>18 amount of \$783,000, that was a payment that was</p> <p>19 made by you?</p> <p>20 MS. DEITSCH-PEREZ: Object to the</p> <p>21 form.</p> <p>22 A. If you say so. I don't have a basis</p> <p>23 for denying it or confirming it.</p> <p>24 BY MR. MORRIS:</p> <p>25 Q. Okay. But it's true, you do recall</p>	<p style="text-align: right;">Page 271</p> <p>1 Dondero - 5-28-2021</p> <p>2 that in December 2019, after the petition date,</p> <p>3 while you were still in control of the debtor,</p> <p>4 that certain payments of principal and interest</p> <p>5 were made on notes that were made in favor of</p> <p>6 the debtor, correct?</p> <p>7 MS. DEITSCH-PEREZ: Asked – asked</p> <p>8 and answered about an hour ago.</p> <p>9 BY MR. MORRIS:</p> <p>10 Q. You can answer, sir.</p> <p>11 A. I believe – I believe so.</p> <p>12 Q. Thank you. Do you recall that in</p> <p>13 connection with its Plan and Disclosure</p> <p>14 Statement, that the debtor prepared a</p> <p>15 Liquidation Analysis?</p> <p>16 A. Yes.</p> <p>17 MR. MORRIS: Can we call the next</p> <p>18 document up on the screen, please?</p> <p>19 (Exhibit 23 introduced.)</p> <p>20 MR. MORRIS: And if we can go to the</p> <p>21 next page.</p> <p>22 BY MR. MORRIS:</p> <p>23 Q. Your lawyers and lawyers acting on</p> <p>24 behalf of entities you own and control or</p> <p>25 otherwise have an interest spent considerable</p>

<p>Page 272</p> <p>1 Dondero - 5-28-2021</p> <p>2 time on the debtor's Liquidation Analysis and</p> <p>3 confirmation.</p> <p>4 Do you remember that?</p> <p>5 A. I can't – I can't agree or disagree</p> <p>6 with that.</p> <p>7 BY MR. MORRIS:</p> <p>8 Q. Okay. Did you personally review the</p> <p>9 debtor's Liquidation Analysis?</p> <p>10 A. Briefly.</p> <p>11 Q. Okay.</p> <p>12 MR. MORRIS: Can we go to the next</p> <p>13 page, please?</p> <p>14 BY MR. MORRIS:</p> <p>15 Q. Do you see that this page contains a</p> <p>16 list of "Assumptions"?</p> <p>17 A. Yes.</p> <p>18 MR. MORRIS: And can we scroll up a</p> <p>19 little further so we can see the date?</p> <p>20 BY MR. MORRIS:</p> <p>21 Q. You'll see that on November 24th,</p> <p>22 2020, the debtor filed a Liquidation Analysis</p> <p>23 that contained, as among the Assumptions,</p> <p>24 quote, "All demand notes are collected in the</p> <p>25 year 2021." Do you see that?</p>	<p>Page 273</p> <p>1 Dondero - 5-28-2021</p> <p>2 A. Yes.</p> <p>3 Q. Did you or anybody acting on your</p> <p>4 behalf ever inform the Court that you believed</p> <p>5 that assumption was unreasonable?</p> <p>6 A. I – I don't know, but I know we've</p> <p>7 been fighting the notes consistently through</p> <p>8 various mechanisms.</p> <p>9 Q. Okay. Did you or anybody acting on</p> <p>10 your behalf ever inform the Court of your</p> <p>11 agreement with Nancy?</p> <p>12 MS. DEITSCH-PEREZ: Object to the</p> <p>13 form.</p> <p>14 A. Not – not that I know of.</p> <p>15 BY MR. MORRIS:</p> <p>16 Q. Did you ever instruct anybody to</p> <p>17 inform the Court that you had an agreement with</p> <p>18 Nancy that rendered Assumption C unreasonable?</p> <p>19 MS. DEITSCH-PEREZ: Object to the</p> <p>20 form.</p> <p>21 A. I did not.</p> <p>22 MR. MORRIS: Let's look at the last</p> <p>23 document, please.</p> <p>24 (Exhibit 24 introduced.)</p> <p>25 BY MR. MORRIS:</p>
<p>Page 274</p> <p>1 Dondero - 5-28-2021</p> <p>2 Q. Do you recall that there came a time</p> <p>3 just prior to the confirmation hearing that the</p> <p>4 debtor amended its Liquidation Analysis?</p> <p>5 A. No. Okay. Yes.</p> <p>6 MR. MORRIS: Okay. And if we could</p> <p>7 go to the next page.</p> <p>8 BY MR. MORRIS:</p> <p>9 Q. You'll see at the bottom right-hand</p> <p>10 corner it's dated January 28th, 2021.</p> <p>11 MR. MORRIS: We wanted page up but</p> <p>12 just – yeah, page up, the assumptions.</p> <p>13 Yeah, right there.</p> <p>14 BY MR. MORRIS:</p> <p>15 Q. You see it's dated January 28, 2021?</p> <p>16 A. Yes.</p> <p>17 Q. Okay. And let's look at Assumption</p> <p>18 C. It's been amended somewhat.</p> <p>19 And it now says, quote: "All demand</p> <p>20 notes are collected in the year 2021; 3 term</p> <p>21 notes defaulted and have been demanded based on</p> <p>22 default provisions; payment estimated in 2021."</p> <p>23 Do you see that?</p> <p>24 A. Yes.</p> <p>25 Q. Did you or anybody on your behalf</p>	<p>Page 275</p> <p>1 Dondero - 5-28-2021</p> <p>2 ever inform the Court that this assumption was</p> <p>3 unreasonable?</p> <p>4 MS. DEITSCH-PEREZ: Object to the</p> <p>5 form.</p> <p>6 A. Yes. Well, Lynn wrote a letter to</p> <p>7 all the counsels, which I think ended up being</p> <p>8 put in the Court record, that the notes were</p> <p>9 all subject to defenses and could not be</p> <p>10 considered unencumbered, I think, if they're</p> <p>11 sold, or whatever. He was – he was – he –</p> <p>12 he realized the attitude towards the notes had</p> <p>13 shifted, and he penned something to everybody</p> <p>14 and to make the notes so that they couldn't be</p> <p>15 sold without notifying people that there were</p> <p>16 good defenses to them.</p> <p>17 BY MR. MORRIS:</p> <p>18 Q. Did you or anybody acting on your</p> <p>19 behalf ever challenge this assumption in</p> <p>20 connection with the debtor's confirmation</p> <p>21 hearing?</p> <p>22 MS. DEITSCH-PEREZ: Object to the</p> <p>23 form, asked and answered.</p> <p>24 A. Yeah. I think Lynn's letter</p> <p>25 objected to that vehemently. It was just</p>

<p>Page 276</p> <p>1 Dondero - 5-28-2021</p> <p>2 ignored.</p> <p>3 BY MR. MORRIS:</p> <p>4 Q. Do you know anything else --</p> <p>5 anything else you're aware of?</p> <p>6 A. I think that's powerful enough.</p> <p>7 Q. That's not my question, sir. My</p> <p>8 question is: Are you aware of any other facts</p> <p>9 that you're relying upon to answer my question</p> <p>10 as to whether or not you or anybody acting on</p> <p>11 your behalf informed the Court that Assumption</p> <p>12 C is unreasonable?</p> <p>13 MS. DEITSCH-PEREZ: Object to the</p> <p>14 form.</p> <p>15 A. Just the Lynn letter. I have no</p> <p>16 other specific awareness.</p> <p>17 MR. MORRIS: Thank you very much. I</p> <p>18 have no further questions. Thank you so</p> <p>19 much, folks. Been a pleasure.</p> <p>20 MS. You understand we're here today for</p> <p>15 your deposition in connection with next week's</p> <p>16 contempt proceeding; is that right?</p> <p>17 A. Yes.</p> <p>18 Q. Okay. We have a few documents to</p> <p>19 put up on the screen today; and as usual, if</p> <p>20 there's anything that you need to see, will you</p> <p>21 let me know that?</p> <p>22 A. Yes.</p> <p>23 Q. All right. I want to start with</p> <p>24 some background.</p> <p>25 MR. MORRIS: Can we please put up</p>
<p style="text-align: right;">Page 290</p> <p>1 Dondero - 6-1-2021</p> <p>2 the first exhibit, the organizational</p> <p>3 chart?</p> <p>4 MR. TAYLOR: John, before we start,</p> <p>5 I just wanted to note that this is going to</p> <p>6 be limited to two hours.</p> <p>7 MR. MORRIS: I'm not sure where you</p> <p>8 get that from, but let's just proceed.</p> <p>9 MR. TAYLOR: You specifically asked</p> <p>10 for two hours of time, and I told you we'd</p> <p>11 give two hours of time, and so we're</p> <p>12 limiting it to two hours.</p> <p>13 MR. MORRIS: You do whatever you</p> <p>14 need to do, Clay.</p> <p>15 (Exhibit 1 introduced.)</p> <p>16 BY MR. MORRIS:</p> <p>17 Q. Mr. Dondero, have you seen this</p> <p>18 document before, sir?</p> <p>19 A. Yes.</p> <p>20 Q. Do you know what it is?</p> <p>21 A. It's the org chart of the DAF and</p> <p>22 CLO HoldCo.</p> <p>23 Q. Do you know why this structure was</p> <p>24 set up the way it was?</p> <p>25 MR. TAYLOR: Objection, form.</p>	<p style="text-align: right;">Page 291</p> <p>1 Dondero - 6-1-2021</p> <p>2 A. Only generally.</p> <p>3 BY MR. MORRIS:</p> <p>4 Q. Can you tell me your general</p> <p>5 understanding of why this structure was set up</p> <p>6 the way it was?</p> <p>7 A. To be compliant for tax purposes.</p> <p>8 Q. Was this structure set up at your</p> <p>9 request?</p> <p>10 MR. TAYLOR: Objection, form.</p> <p>11 A. Set up at my request. No.</p> <p>12 BY MR. MORRIS:</p> <p>13 Q. Who decided to set up this</p> <p>14 structure; do you know?</p> <p>15 A. Mark Patrick.</p> <p>16 Q. And do you know if anybody asked</p> <p>17 Mark Patrick to set up this structure?</p> <p>18 A. The -- he was tasked with setting up</p> <p>19 a charitable entity for Highland at that time,</p> <p>20 for Highland and my -- for Highland and the</p> <p>21 partners to -- to foster charitable giving and</p> <p>22 provide the appropriate tax deductions for</p> <p>23 such.</p> <p>24 Q. And who gave him that task, if you</p> <p>25 know?</p>

<p style="text-align: right;">Page 292</p> <p>1 Dondero - 6-1-2021</p> <p>2 A. I believe I did.</p> <p>3 Q. Okay. So, you tasked Mr. Patrick</p> <p>4 with setting up an organizational structure to</p> <p>5 carry out the charitable giving on behalf of</p> <p>6 Highland Capital Management, L.P., and its</p> <p>7 partners?</p> <p>8 Do I have that right?</p> <p>9 A. Yes.</p> <p>10 Q. Okay. Looking at the top line, do</p> <p>11 you see that there's four foundations that are</p> <p>12 identified as third parties?</p> <p>13 A. Yes.</p> <p>14 Q. Are you familiar with those</p> <p>15 foundations?</p> <p>16 A. Yes.</p> <p>17 Q. And do you serve as an officer or</p> <p>18 director of any of those foundations?</p> <p>19 A. I – I believe I have or I could be</p> <p>20 with regard to Dallas Foundation, but I'm not</p> <p>21 certain.</p> <p>22 Q. Okay. Do you know if you have any</p> <p>23 role with any of the other three foundations</p> <p>24 that are on there?</p> <p>25 A. I do not believe so.</p>	<p style="text-align: right;">Page 293</p> <p>1 Dondero - 6-1-2021</p> <p>2 Q. Okay. Looking at the next row,</p> <p>3 there's four incorporated or there's four</p> <p>4 entities that are identified as supporting</p> <p>5 organizations.</p> <p>6 Do you see that?</p> <p>7 A. Yes.</p> <p>8 Q. Do you have an understanding of what</p> <p>9 a "supporting organization" is?</p> <p>10 A. No, and I don't know the difference</p> <p>11 between that first line and the second line,</p> <p>12 and I don't know if my involvement with Dallas</p> <p>13 Foundation was at the first line or the second</p> <p>14 line.</p> <p>15 Q. Do you know when Mr. Patrick set up</p> <p>16 this structure?</p> <p>17 A. Many years ago at the beginning of</p> <p>18 the – I don't think it's changed over the</p> <p>19 years. As far as I know, the general – or</p> <p>20 this – this structure was put in place at the</p> <p>21 beginning, I believe, sometime in the late</p> <p>22 2000s.</p> <p>23 Q. Do you know what the Donor Advised</p> <p>24 Funds are, the DAF funds?</p> <p>25 MR. SBAITl: I'm going to object to</p>
<p style="text-align: right;">Page 294</p> <p>1 Dondero - 6-1-2021</p> <p>2 the form of the question.</p> <p>3 John, if you could be clear as to</p> <p>4 which line – are you talking about</p> <p>5 charitable DAF HoldCo, or are you talking</p> <p>6 about charitable DAF Fund, L.P.?</p> <p>7 MR. TAYLOR: If you could be as</p> <p>8 specific as possible, and he'll try to</p> <p>9 answer as specifically as possible. I'm</p> <p>10 not sure which box you're talking about.</p> <p>11 MR. MORRIS: All right, Clay. Thank</p> <p>12 you.</p> <p>13 BY MR. MORRIS:</p> <p>14 Q. Mr. Dondero, are you familiar with</p> <p>15 the phrase "DAF"?</p> <p>16 A. Yes.</p> <p>17 Q. Have you used that phrase before?</p> <p>18 A. Yes.</p> <p>19 Q. When you refer to – when you use</p> <p>20 the phrase "DAF," what are you referring to?</p> <p>21 A. It would depend.</p> <p>22 Q. On what?</p> <p>23 A. What the question is.</p> <p>24 Q. What's – do you have an</p> <p>25 understanding of what the Charitable DAF GP,</p>	<p style="text-align: right;">Page 295</p> <p>1 Dondero - 6-1-2021</p> <p>2 LLC, is?</p> <p>3 A. The exact structural differences,</p> <p>4 I – I – I – I don't know.</p> <p>5 Q. So when you use the phrase "DAF,"</p> <p>6 what are you referring to?</p> <p>7 A. In general, when I use the</p> <p>8 expression, it's the – the overall entity, the</p> <p>9 overall pool of capital and/or the overall</p> <p>10 entity that makes the donations from the pool</p> <p>11 of capital.</p> <p>12 Q. And which entity – withdrawn.</p> <p>13 Do you have an understanding as to</p> <p>14 which entity holds the pool of capital?</p> <p>15 A. No. It's – no, I don't know for</p> <p>16 sure.</p> <p>17 Q. Do you know if it's CLO HoldCo,</p> <p>18 Ltd.?</p> <p>19 MR. SBAITl: Objection, asked and</p> <p>20 answered.</p> <p>21 A. I don't know.</p> <p>22 BY MR. MORRIS:</p> <p>23 Q. Do you know if Charitable DAF Fund,</p> <p>24 L.P., holds any assets?</p> <p>25 MR. SBAITl: Objection, relevance,</p>

<p>Page 296</p> <p>1 Dondero - 6-1-2021</p> <p>2 no foundation.</p> <p>3 A. I – I don't know which entities</p> <p>4 hold which of the assets.</p> <p>5 BY MR. MORRIS:</p> <p>6 Q. Did you – did you approve of the</p> <p>7 organizational structure that Mr. Patrick</p> <p>8 created at your request?</p> <p>9 A. Yes.</p> <p>10 MR. TAYLOR: Objection, vague.</p> <p>11 BY MR. MORRIS:</p> <p>12 Q. I'm sorry. Did – did you answer,</p> <p>13 sir?</p> <p>14 A. Yes.</p> <p>15 Q. Okay. Who is Grant Scott?</p> <p>16 A. I understand he was the trustee of</p> <p>17 the DAF for a number of years.</p> <p>18 Q. When you say "he was the trustee of</p> <p>19 the DAF," what are you referring to?</p> <p>20 A. I always refer to him as "trustee,"</p> <p>21 but I see it's labeled here as "managing</p> <p>22 member."</p> <p>23 Q. Do you know how he came to be</p> <p>24 appointed the trustee of the DAF?</p> <p>25 A. I believe it was on my</p>	<p>Page 297</p> <p>1 Dondero - 6-1-2021</p> <p>2 recommendation.</p> <p>3 Q. Who did you make the recommendation</p> <p>4 to?</p> <p>5 A. It would have been Mark Patrick.</p> <p>6 Q. Did Mark Patrick have the authority</p> <p>7 to appoint Mr. Scott as the trustee of the DAF?</p> <p>8 MR. SBAITL: Objection, vague.</p> <p>9 Object to the extent it calls for a legal</p> <p>10 conclusion.</p> <p>11 A. Yeah, I don't know.</p> <p>12 BY MR. MORRIS:</p> <p>13 Q. Well, you've known Mr. Scott since</p> <p>14 high school; isn't that right?</p> <p>15 A. Yes.</p> <p>16 Q. You went to UVA together; isn't that</p> <p>17 right?</p> <p>18 A. Yes.</p> <p>19 Q. You were housemates together in</p> <p>20 college; isn't that right?</p> <p>21 A. Yes.</p> <p>22 Q. He was the best man at your wedding;</p> <p>23 isn't that right?</p> <p>24 A. Yes.</p> <p>25 Q. You picked Mr. Scott to serve as the</p>
<p>Page 298</p> <p>1 Dondero - 6-1-2021</p> <p>2 trustee of the DAF; isn't that right?</p> <p>3 MR. TAYLOR: Objection. That's not</p> <p>4 what he stated.</p> <p>5 A. I – on the original formation, I</p> <p>6 recommended Grant Scott.</p> <p>7 BY MR. MORRIS:</p> <p>8 Q. And you recommended Mr. Scott to</p> <p>9 Mr. Patrick?</p> <p>10 A. That's my recollection, I believe,</p> <p>11 but I don't remember specifically.</p> <p>12 Q. Do you remember if Mr. Patrick held</p> <p>13 any role in any entity on the chart that stands</p> <p>14 before you?</p> <p>15 Withdrawn.</p> <p>16 Do you know if Mr. Patrick held any</p> <p>17 role with any entity prior to January 1st,</p> <p>18 2021?</p> <p>19 MR. SBAITL: Objection, vague.</p> <p>20 A. I don't know.</p> <p>21 BY MR. MORRIS:</p> <p>22 Q. Why did you make the recommendation</p> <p>23 to Mr. Patrick?</p> <p>24 A. Initially? You're saying the</p> <p>25 initial recommendation when it was set up?</p>	<p>Page 299</p> <p>1 Dondero - 6-1-2021</p> <p>2 Q. Correct.</p> <p>3 A. 13, 14, 15 years ago.</p> <p>4 The – it – we thought – I thought</p> <p>5 at the time he would be suitable.</p> <p>6 Q. But why did you select Mr. Patrick</p> <p>7 as the person to whom to make your</p> <p>8 recommendation?</p> <p>9 A. Because he was responsible for</p> <p>10 setting up the overall structure.</p> <p>11 Q. Did he – were you seeking his</p> <p>12 approval when you made the recommendation to</p> <p>13 him?</p> <p>14 A. I – I don't know the roles he was</p> <p>15 playing at the – at that moment, so I – I</p> <p>16 don't know.</p> <p>17 Q. At the time that you recommended</p> <p>18 Mr. Scott to serve as the trustee of the DAF,</p> <p>19 did you have any understanding as to who had</p> <p>20 the authority to actually appoint Mr. Scott?</p> <p>21 A. I did not specifically.</p> <p>22 Q. Did you ever learn who had the power</p> <p>23 to appoint the trustee of the DAF?</p> <p>24 A. I did not.</p> <p>25 Q. As you sit here today, do you have</p>

<p style="text-align: right;">Page 300</p> <p>1 Dondero - 6-1-2021</p> <p>2 any understanding as to who has the power to</p> <p>3 appoint the trustee of the DAF?</p> <p>4 MR. TAYLOR: I'll instruct the</p> <p>5 witness not to answer to the extent it</p> <p>6 would require him to reveal privileged</p> <p>7 communications with counsel.</p> <p>8 MR. MORRIS: I'm not asking him for</p> <p>9 any communications, to be clear.</p> <p>10 MR. TAYLOR: Or anything he heard</p> <p>11 from counsel.</p> <p>12 (Audio distortion.)</p> <p>13 MR. MORRIS: Please don't – Clay,</p> <p>14 you're a very good lawyer, please don't</p> <p>15 coach the witness. He's a very</p> <p>16 sophisticated witness.</p> <p>17 BY MR. MORRIS:</p> <p>18 Q. Do you have any understanding, as</p> <p>19 you sit here today, sir, as to who has the</p> <p>20 authority to appoint the trustee of the DAF?</p> <p>21 A. I know it's complicated. I know it</p> <p>22 has to do with shares. I know it's – I know</p> <p>23 it's multiple levels, but I don't have specific</p> <p>24 knowledge.</p> <p>25 Q. Do you know if Mr. Patrick ever</p>	<p style="text-align: right;">Page 301</p> <p>1 Dondero - 6-1-2021</p> <p>2 considered appointing – withdrawn.</p> <p>3 MR. MORRIS: Could we please put up</p> <p>4 the next exhibit, Patrick File 6,</p> <p>5 Document 1?</p> <p>6 (Exhibit 2 introduced.)</p> <p>7 MR. SBAITI: John, is that document</p> <p>8 you put up a labeled exhibit for the, like</p> <p>9 Exhibit 1 or something, the one you have up</p> <p>10 right here.</p> <p>11 MR. MORRIS: Yeah, that will be</p> <p>12 marked as Exhibit 1, thank you.</p> <p>13 So, now we're going to put up</p> <p>14 Exhibit 2.</p> <p>15 BY MR. MORRIS:</p> <p>16 Q. Do you see that that's the Amended</p> <p>17 and Restated Limited Liability Company</p> <p>18 Agreement of the Charitable DAF GP, LLC?</p> <p>19 A. Yes.</p> <p>20 Q. And do you see that it's dated</p> <p>21 effective as of January 1st, 2012?</p> <p>22 A. Yes.</p> <p>23 Q. So, that's approximately nine plus</p> <p>24 years ago.</p> <p>25 Do I have that right?</p>
<p style="text-align: right;">Page 302</p> <p>1 Dondero - 6-1-2021</p> <p>2 A. Yes.</p> <p>3 Q. Okay.</p> <p>4 MR. MORRIS: Can we go to the last</p> <p>5 page, please?</p> <p>6 BY MR. MORRIS:</p> <p>7 Q. Is that your signature on that page,</p> <p>8 sir?</p> <p>9 A. Yes.</p> <p>10 Q. And do you understand that, pursuant</p> <p>11 to this agreement, Mr. Scott replaced you as</p> <p>12 the managing member of the DAF GP, LLC?</p> <p>13 A. I – I don't have a recollection of</p> <p>14 that.</p> <p>15 Q. Do you remember that you served as</p> <p>16 the managing member of the DAF GP, LLC?</p> <p>17 A. I don't – I don't recall that.</p> <p>18 Q. Now, Mr. Scott is a lawyer, correct?</p> <p>19 A. Yes.</p> <p>20 Q. He's a patent lawyer. Do I have</p> <p>21 that right?</p> <p>22 A. Yes.</p> <p>23 Q. He has no experience or expertise in</p> <p>24 finance, does he, to the best of your</p> <p>25 knowledge?</p>	<p style="text-align: right;">Page 303</p> <p>1 Dondero - 6-1-2021</p> <p>2 A. I would not say he has expertise. I</p> <p>3 wouldn't say he's an expert in it, but I – I'd</p> <p>4 say he's more sophisticated than the average</p> <p>5 layperson.</p> <p>6 Q. Well, at the time that you</p> <p>7 recommended him to Mr. Patrick, did you do so</p> <p>8 because you thought he had valuable experience</p> <p>9 and expertise in finance or investment?</p> <p>10 MR. SBAITI: Objection, assumes</p> <p>11 facts not in evidence before the witness.</p> <p>12 BY MR. MORRIS:</p> <p>13 Q. That wasn't one of the reasons you</p> <p>14 recommended Mr. Scott, is it?</p> <p>15 A. He wasn't going to be the investment</p> <p>16 advisor. DAF had a separate investment</p> <p>17 advisor.</p> <p>18 Q. And who was going to be the</p> <p>19 investment advisor?</p> <p>20 A. Highland.</p> <p>21 Q. And you owned and controlled</p> <p>22 Highland at the time, correct?</p> <p>23 MR. TAYLOR: Objection.</p> <p>24 BY MR. MORRIS:</p> <p>25 Q. Withdrawn.</p>

<p style="text-align: right;">Page 304</p> <p>1 Dondero - 6-1-2021</p> <p>2 You controlled Highland at the time,</p> <p>3 correct?</p> <p>4 A. Yes.</p> <p>5 Q. Did Mr. Scott have any experience or</p> <p>6 expertise running charitable organizations, to</p> <p>7 the best of your knowledge?</p> <p>8 A. No.</p> <p>9 Q. Had he ever, to the best of your</p> <p>10 knowledge, made any decisions concerning</p> <p>11 collateralized loan obligations?</p> <p>12 A. No.</p> <p>13 Q. Can you tell me why you recommended</p> <p>14 to Mr. Patrick that Mr. Scott serve as the</p> <p>15 trustee of DAF?</p> <p>16 MR. TAYLOR: Objection, asked and</p> <p>17 answered.</p> <p>18 A. I – I thought he would be a good</p> <p>19 fit for the position.</p> <p>20 BY MR. MORRIS:</p> <p>21 Q. Why?</p> <p>22 A. It required – I don't – in my</p> <p>23 mind – or I believed it would require a lawyer</p> <p>24 and someone with legal skills, and I thought he</p> <p>25 would be good at the position.</p>	<p style="text-align: right;">Page 305</p> <p>1 Dondero - 6-1-2021</p> <p>2 Q. And you trusted him; is that right?</p> <p>3 A. I – yes.</p> <p>4 Q. And you had a life-long relationship</p> <p>5 with him; isn't that right? Isn't that one of</p> <p>6 the reasons why you recommended him for this</p> <p>7 position?</p> <p>8 A. Yes.</p> <p>9 Q. Do you know whether Mr. Patrick –</p> <p>10 withdrawn.</p> <p>11 Is Mr. – do you believe that</p> <p>12 Mr. Patrick is the person who appointed</p> <p>13 Mr. Scott as your successor as managing member</p> <p>14 in 2012?</p> <p>15 MR. SBAITI: Objection, asked and</p> <p>16 answered, calls for speculation; and object</p> <p>17 to the extent it calls for a legal</p> <p>18 conclusion.</p> <p>19 A. I could – I could repeat the answer</p> <p>20 again.</p> <p>21 I don't know the formal process, but</p> <p>22 I do remember recommending to Mark Patrick that</p> <p>23 Grant would be a good candidate. Now, how –</p> <p>24 what mechanism and how the process works and</p> <p>25 who actually approved that, I – I don't know.</p>
<p style="text-align: right;">Page 306</p> <p>1 Dondero - 6-1-2021</p> <p>2 BY MR. MORRIS:</p> <p>3 Q. Did you recommend anybody else, or</p> <p>4 was Mr. Scott the only person that you</p> <p>5 recommended?</p> <p>6 A. I don't – I don't remember. I</p> <p>7 don't remember. I don't remember recommending</p> <p>8 anybody else or if the process required it. I</p> <p>9 don't remember the process.</p> <p>10 Q. Was anybody involved in the process</p> <p>11 other than you and Mr. Patrick?</p> <p>12 MR. TAYLOR: Objection to the extent</p> <p>13 it calls for speculation.</p> <p>14 BY MR. MORRIS:</p> <p>15 Q. Withdrawn.</p> <p>16 Do you know – do you know if</p> <p>17 anybody was in the process – involved in the</p> <p>18 process other than you and Mr. Patrick?</p> <p>19 A. Again, I don't know the process and</p> <p>20 the mechanism, if there were offshore boards</p> <p>21 involved or if the four underlying charities</p> <p>22 were involved. It was – it was complicated,</p> <p>23 and I delegated the process to Mark Patrick.</p> <p>24 Q. Okay. I'm not asking you to</p> <p>25 speculate. I'm just asking for your knowledge.</p>	<p style="text-align: right;">Page 307</p> <p>1 Dondero - 6-1-2021</p> <p>2 Can you identify any person or</p> <p>3 entity who was involved in the appointment of</p> <p>4 Mr. Scott as your successor as managing member</p> <p>5 of the DAF GP, LLC, other than yourself and</p> <p>6 Mr. Patrick?</p> <p>7 MR. Do you understand that in</p> <p>13 addition to becoming the managing member of the</p> <p>14 Charitable DAF GP, LLC, that Mr. Scott also</p> <p>15 became the sole director of the Charitable DAF</p> <p>16 HoldCo, Ltd., Charitable DAF Fund, L.P., and</p> <p>17 CLO HoldCo, Ltd.?</p> <p>18 MR. Do you know if he ever held the</p> <p>23 directorship of any of those entities?</p> <p>24 MR. SBAITI: Objection, vague.</p> <p>25 A. I – I don't know what his exact</p>

<p style="text-align: right;">Page 308</p> <p>1 Dondero - 6-1-2021</p> <p>2 role is now, but I – I thought I was informed</p> <p>3 that that's – his role now has something to do</p> <p>4 with directorship.</p> <p>5 BY MR. Do you know whether Mr. Scott held</p> <p>11 any position at all with Charitable DAF HoldCo,</p> <p>12 Ltd., at any time?</p> <p>13 A. I don't know.</p> <p>14 Q. Can you identify any person who's</p> <p>15 ever – who you believe had the authority to</p> <p>16 act on behalf of the Charitable DAF HoldCo,</p> <p>17 Ltd., prior to March 1st, 2021?</p> <p>18 MR. How about the Charitable DAF Fund,</p> <p>9 L.P.; can you identify anybody in the world who</p> <p>10 was authorized to act on behalf of that entity</p> <p>11 prior to March 1st, 2021?</p> <p>12 MR. SBAITI: Objection, calls for a</p> <p>13 legal opinion.</p> <p>14 A. I mean, other than Grant Scott, the</p> <p>15 org chart seems to roll up back up to him.</p> <p>16 BY MR. MORRIS:</p> <p>17 Q. Okay. So, you're willing to say</p> <p>18 that Grant Scott acted on behalf of that</p> <p>19 entity?</p> <p>20 Do I have that right?</p> <p>21 MR. TAYLOR: That's not –</p> <p>22 mischaracterizes his statements. He's</p> <p>23 giving you his general –</p> <p>24 MR. MORRIS: Just object to the form</p> <p>25 of the question. Please, no speaking</p>
<p style="text-align: right;">Page 310</p> <p>1 Dondero - 6-1-2021</p> <p>2 objections. It's very simple.</p> <p>3 MR. TAYLOR: So, John, I'm going to</p> <p>4 make my record. If you don't like it, then</p> <p>5 bring it up with the Judge.</p> <p>6 BY MR. MORRIS:</p> <p>7 Q. Mr. Dondero, do you understand that</p> <p>8 Mr. Scott was authorized to act on behalf of</p> <p>9 the Charitable DAF Fund, L.P., prior to</p> <p>10 March 1st, 2021?</p> <p>11 MR. But you can't identify any person,</p> <p>24 do I have that right, you don't know the</p> <p>25 identity of any person who was ever authorized</p>	<p style="text-align: right;">Page 311</p> <p>1 Dondero - 6-1-2021</p> <p>2 to act on behalf of CLO HoldCo, Ltd., prior to</p> <p>3 March 1st, 2021; is that right?</p> <p>4 MR. TAYLOR: Objection, calls for a</p> <p>5 legal conclusion.</p> <p>6 MR. MORRIS: I'm not asking for a</p> <p>7 legal conclusion. I'm asking for</p> <p>8 Mr. Dondero's knowledge of the facts or his</p> <p>9 understanding of the facts.</p> <p>10 MR. TAYLOR: With all due respect,</p> <p>11 it calls for a legal conclusion.</p> <p>12 MR. MORRIS: I cannot wait – I</p> <p>13 cannot wait until next Tuesday. This is</p> <p>14 going to be brilliant.</p> <p>15 BY MR. MORRIS:</p> <p>16 Q. Mr. Dondero, let me try one last</p> <p>17 time.</p> <p>18 Can you identify any person who you</p> <p>19 believed was authorized to act on behalf of CLO</p> <p>20 HoldCo, Ltd., prior to March 1st, 2021?</p> <p>21 A. I need to answer the question this</p> <p>22 way: My knowledge begins and ends with Grant</p> <p>23 as the trustee, or on this org chart, managing</p> <p>24 member; and his control, it looks like it flows</p> <p>25 down through all those entities. Now – or –</p>

<p>Page 312</p> <p>1 Dondero - 6-1-2021</p> <p>2 or ownership, at least, or maybe control or</p> <p>3 agreement.</p> <p>4 Now, what other people or boards or</p> <p>5 trustees or – or entity he had to go through,</p> <p>6 whether US Cayman Guemsey, et cetera, to get</p> <p>7 things done and where the assets were held, I</p> <p>8 do not have specific knowledge and I don't know</p> <p>9 the names of the people or the entities that</p> <p>10 were on those boards or – supervisory or</p> <p>11 holders of shares, or whatever. I wasn't</p> <p>12 specifically involved in the operation of this</p> <p>13 structure.</p> <p>14 Q. Did the Charitable DAF Fund, L.P.,</p> <p>15 and Highland Capital Management, L.P., enter</p> <p>16 into an Amended and Restated Investment</p> <p>17 Advisory Agreement, to the best of your</p> <p>18 knowledge?</p> <p>19 A. There was an Investment Advisory</p> <p>20 Agreement, as far as I knew.</p> <p>21 Q. And what is your understanding of</p> <p>22 the purpose of the Investment Advisory</p> <p>23 Agreement?</p> <p>24 A. Excuse me.</p> <p>25 To provide portfolio management to</p>	<p>Page 313</p> <p>1 Dondero - 6-1-2021</p> <p>2 achieve adequate returns on the portfolio to</p> <p>3 support the charitable giving of the DAF.</p> <p>4 Q. Did Mr. Scott lack the capability to</p> <p>5 provide portfolio management services to the</p> <p>6 Charitable DAF Fund, L.P., to the best of your</p> <p>7 knowledge?</p> <p>8 A. I would not say that.</p> <p>9 Q. So why – why did – withdrawn.</p> <p>10 Was the – did you participate in</p> <p>11 the negotiation – withdrawn.</p> <p>12 Can we please put up the next</p> <p>13 exhibit? We'll call it Exhibit 3.</p> <p>14 (Exhibit 3 introduced.)</p> <p>15 BY MR. MORRIS:</p> <p>16 Q. Do you see this is an Amended and</p> <p>17 Restated Investment Advisory Agreement between</p> <p>18 the Charitable DAF Fund, L.P.; the Charitable</p> <p>19 DAF, GP, LLC; and Highland Capital Management,</p> <p>20 L.P.?</p> <p>21 A. Yes.</p> <p>22 Q. Is this the agreement you were just</p> <p>23 referring to?</p> <p>24 A. Unless there was another amended</p> <p>25 one. I believe there was always one – best</p>
<p>Page 314</p> <p>1 Dondero - 6-1-2021</p> <p>2 practice is to have an investment advisory</p> <p>3 group.</p> <p>4 Q. And do you know who prepared this</p> <p>5 document?</p> <p>6 A. No.</p> <p>7 Q. Do you know if it was the subject of</p> <p>8 any negotiation?</p> <p>9 A. I don't know.</p> <p>10 Q. Do you know if the Charitable DAF</p> <p>11 Fund, L.P., or the Charitable DAF GP, LLC, had</p> <p>12 independent counsel in connection with the</p> <p>13 negotiation and execution of this Amended and</p> <p>14 Restated Investment Advisory Agreement?</p> <p>15 A. I don't know.</p> <p>16 Q. Do you know if the Charitable DAF</p> <p>17 Fund, L.P., or the Charitable DAF GP, LLC, ever</p> <p>18 hired independent counsel prior to the</p> <p>19 commencement of Highland's bankruptcy in</p> <p>20 October 2019?</p> <p>21 A. I don't know.</p> <p>22 Q. Did those entities also enter into a</p> <p>23 Shared Services Agreement with Highland Capital</p> <p>24 Management?</p> <p>25 A. I believe there was a Shared</p>	<p>Page 315</p> <p>1 Dondero - 6-1-2021</p> <p>2 Services Agreement. I don't know which DAF</p> <p>3 entities entered it.</p> <p>4 Q. Before we get to that, pursuant to</p> <p>5 the Investment and Advisory Agreement, did</p> <p>6 Highland Capital Management, L.P., manage the</p> <p>7 assets of the DAF and CLO HoldCo?</p> <p>8 MR. TAYLOR: Objection, vague.</p> <p>9 A. Can you repeat the question again?</p> <p>10 BY MR. MORRIS:</p> <p>11 Q. Sure. Is it your understanding that</p> <p>12 pursuant to this agreement, HCMLP managed the</p> <p>13 assets of the DAF and CLO HoldCo?</p> <p>14 A. This agreement discusses the DAF,</p> <p>15 right?</p> <p>16 This disagreement doesn't discuss</p> <p>17 CLO HoldCo, right?</p> <p>18 Q. Do you know whether HCMLP ever had</p> <p>19 any agreement of any kind with CLO HoldCo</p> <p>20 pursuant to which it managed CLO HoldCo's</p> <p>21 assets?</p> <p>22 A. I don't know for certain.</p> <p>23 Q. Do you have any understanding at all</p> <p>24 as to whether such an agreement existed?</p> <p>25 A. I – I don't know for certain. I'm</p>

<p style="text-align: right;">Page 316</p> <p>1 Dondero - 6-1-2021</p> <p>2 willing to be refreshed.</p> <p>3 Q. Do you know who provides –</p> <p>4 withdrawn.</p> <p>5 Do you know whether anybody provides</p> <p>6 independent – withdrawn.</p> <p>7 Do you know whether anybody has an</p> <p>8 agreement with the Charitable DAF Fund, L.P.,</p> <p>9 or the Charitable DAF GP, LLC, today similar to</p> <p>10 the type that had been previously entered into</p> <p>11 with HCMLP?</p> <p>12 MR. TAYLOR: Objection, vague.</p> <p>13 A. I believe Skygate has a similar –</p> <p>14 similar agreements in place.</p> <p>15 BY MR. MORRIS:</p> <p>16 Q. Is it your understanding that</p> <p>17 Skygate effectively replaced HCMLP as the</p> <p>18 investment advisor to the DAF?</p> <p>19 A. Let me clarify that for a second.</p> <p>20 I believe Skygate has the Shared</p> <p>21 Services Agreement. I don't know whether it's</p> <p>22 Skygate or NexPoint has the Investment Advisory</p> <p>23 Agreement or if it was another entity. I</p> <p>24 don't – I don't know. I – I don't know the</p> <p>25 specifics.</p>	<p style="text-align: right;">Page 317</p> <p>1 Dondero - 6-1-2021</p> <p>2 Q. Okay. While Mr. Scott served – I</p> <p>3 think you said as the trustee of the DAF, can</p> <p>4 you identify any investment decision that HCMLP</p> <p>5 had recommended that Mr. Scott rejected?</p> <p>6 A. No.</p> <p>7 Q. Can you think of any investment that</p> <p>8 Mr. Scott made on behalf of the DAF that didn't</p> <p>9 originate with HCMLP?</p> <p>10 A. He wasn't the investment advisor,</p> <p>11 but, no, I don't – I don't recall.</p> <p>12 Q. Let's just speed this up a bit.</p> <p>13 Do you recall that in October 2019,</p> <p>14 the debtor filed for bankruptcy?</p> <p>15 A. Yes.</p> <p>16 Q. And do you recall that after the</p> <p>17 debtor filed for bankruptcy, CLO HoldCo, Ltd.,</p> <p>18 retained John Kane to act as counsel on its</p> <p>19 behalf?</p> <p>20 A. I – I know he was retained. I</p> <p>21 don't know which entities in particular.</p> <p>22 Q. Do you have any understanding as to</p> <p>23 who Mr. Kane represented?</p> <p>24 A. My understanding was that he</p> <p>25 represented the DAF. Now, whether it included</p>
<p style="text-align: right;">Page 318</p> <p>1 Dondero - 6-1-2021</p> <p>2 all entities, CLO HoldCo, the offshore</p> <p>3 entities, which entities, I – I don't know.</p> <p>4 Q. Do you know if – do you know how</p> <p>5 Mr. Kane came to be retained by the DAF?</p> <p>6 MR. SBAITI: Objection to the extent</p> <p>7 it calls for the DAF's confidential</p> <p>8 privileged information (inaudible.)</p> <p>9 A. I – I don't remember. I know the</p> <p>10 lawyers – I let the legal department or</p> <p>11 lawyers find and identify good – I let them go</p> <p>12 through the process of identifying and vetting</p> <p>13 law firms.</p> <p>14 BY MR. MORRIS:</p> <p>15 Q. And are the lawyers that you're</p> <p>16 referring to in-house counsel at HCMLP?</p> <p>17 A. I – I don't know which lawyers were</p> <p>18 involved.</p> <p>19 Q. Well, you just said that you let the</p> <p>20 lawyers do the vetting. Which lawyers were you</p> <p>21 referring to?</p> <p>22 A. It could have been the HCMLP</p> <p>23 lawyers, it could have been NexPoint lawyers.</p> <p>24 I don't know.</p> <p>25 Q. Could it have been any other lawyers</p>	<p style="text-align: right;">Page 319</p> <p>1 Dondero - 6-1-2021</p> <p>2 besides the HCMLP lawyers and the NexPoint</p> <p>3 lawyers?</p> <p>4 A. I mean – yes. I mean, sometimes we</p> <p>5 get recommendations from outside counsel</p> <p>6 regarding other outside counsel. The</p> <p>7 recommendation could have come from one of the</p> <p>8 other bankruptcy attorneys involved in the</p> <p>9 case. I don't know.</p> <p>10 Q. Do you recall that in October 2020,</p> <p>11 Mr. Scott caused CLO HoldCo to amend its proof</p> <p>12 of claim?</p> <p>13 MR. TAYLOR: Objection, assumes</p> <p>14 facts not before the witness.</p> <p>15 A. Yeah, I don't – I don't know.</p> <p>16 BY MR. MORRIS:</p> <p>17 Q. Let me take it out of the –</p> <p>18 (Simultaneous conversation.)</p> <p>19 BY MR. MORRIS:</p> <p>20 Q. Okay. Let me take it out of the</p> <p>21 time frame.</p> <p>22 Do you recall that there came a</p> <p>23 moment in time when Mr. Scott caused CLO HoldCo</p> <p>24 to amend its proof of claim by reducing the</p> <p>25 value of the claim to zero dollars?</p>

<p>Page 320</p> <p>1 Dondero - 6-1-2021</p> <p>2 A. I – I know there was ultimately a</p> <p>3 settlement agreement. I don't know how that</p> <p>4 manifested itself.</p> <p>5 Q. Okay. So, just to be clear, you</p> <p>6 don't have any memory of CLO HoldCo –</p> <p>7 withdrawn.</p> <p>8 Do you have a memory of CLO HoldCo</p> <p>9 filing its original proof of claim in the</p> <p>10 amount of approximately \$11 million?</p> <p>11 A. I – I don't recall the amount. I</p> <p>12 do remember that the DAF was overbilled by</p> <p>13 Highland and there was a claim. Whether it was</p> <p>14 a POC or an administrative claim or – I don't</p> <p>15 know how that manifested itself in the</p> <p>16 bankruptcy. It's – yeah.</p> <p>17 Q. Okay. And regardless of the form of</p> <p>18 the claim, do you remember that there came a</p> <p>19 point in time when Mr. Scott amended the claim</p> <p>20 to reduce the value to zero?</p> <p>21 A. I – I heard a hundred thousand</p> <p>22 dollars, but it's essentially zero, I guess.</p> <p>23 Q. And did you know that Mr. Scott was</p> <p>24 going to amend the proof of claim in that</p> <p>25 manner prior to the time that he actually did</p>	<p>Page 321</p> <p>1 Dondero - 6-1-2021</p> <p>2 so?</p> <p>3 MR. TAYLOR: Objection to the extent</p> <p>4 it calls for him to invade the</p> <p>5 attorney-client privilege.</p> <p>6 A. I don't – I don't have knowledge of</p> <p>7 what you just said. I – my recollection is</p> <p>8 there was a legitimate overbilling that</p> <p>9 Highland did to multiple parties who have</p> <p>10 pursued multiple – those multiple claims</p> <p>11 against the estate, but I don't have – I don't</p> <p>12 have specific knowledge of why the 11 was</p> <p>13 reduced to zero, but –</p> <p>14 BY MR. MORRIS:</p> <p>15 Q. Did you ever discuss with Mr. Scott</p> <p>16 his decision to reduce the claim to zero?</p> <p>17 A. Not – not before he did it.</p> <p>18 Q. At any time, did you ever discuss</p> <p>19 with Mr. Scott his decision to reduce the claim</p> <p>20 to zero?</p> <p>21 A. I believe afterwards.</p> <p>22 Q. And what do you recall about your</p> <p>23 discussions with Mr. Scott afterwards?</p> <p>24 A. That he had given up bona fide</p> <p>25 claims against the debtor, and I didn't</p>
<p>Page 322</p> <p>1 Dondero - 6-1-2021</p> <p>2 understand why.</p> <p>3 Q. Did he explain to you why he thought</p> <p>4 he was not giving up bona fide claims –</p> <p>5 withdrawn.</p> <p>6 What did he say in response?</p> <p>7 MR. SBAITI: Objection, calls</p> <p>8 for legal –</p> <p>9 (Audio distortion.)</p> <p>10 BY MR. MORRIS:</p> <p>11 Q. If anything?</p> <p>12 A. I don't remember him having an</p> <p>13 explanation.</p> <p>14 Q. Was anybody else – did anybody else</p> <p>15 participate in this discussion?</p> <p>16 A. No.</p> <p>17 Q. Did this discussion occur in a</p> <p>18 singular phone call, or was it in multiple –</p> <p>19 during multiple conversations?</p> <p>20 A. A couple, one or two.</p> <p>21 Q. Do you remember anything about your</p> <p>22 discussions with Mr. Scott concerning his</p> <p>23 decision to amend CLO HoldCo's proof of claim</p> <p>24 by reducing it to zero, other than what you've</p> <p>25 testified to so far?</p>	<p>Page 323</p> <p>1 Dondero - 6-1-2021</p> <p>2 MR. TAYLOR: Objection, vague.</p> <p>3 A. No, but I'm willing – I'm willing</p> <p>4 to be refreshed or answer more questions, but</p> <p>5 those are the only things that come to mind.</p> <p>6 BY MR. MORRIS:</p> <p>7 Q. Okay. So, I think what you've told</p> <p>8 me—and I just want to make sure that I have</p> <p>9 this right—that after the amendment was filed,</p> <p>10 you had several conversations with Mr. Scott in</p> <p>11 which you told him that you believed he had</p> <p>12 given up bona fide claims against the debtor,</p> <p>13 but that you don't recall what, if anything, he</p> <p>14 said in response.</p> <p>15 Have I missed anything?</p> <p>16 A. You used "several." It's – I said</p> <p>17 "a couple."</p> <p>18 Q. Okay.</p> <p>19 A. But otherwise, that's – that's my</p> <p>20 testimony.</p> <p>21 Q. Do you recall that sometime after</p> <p>22 that, CLO HoldCo had filed an objection to the</p> <p>23 proposed HarbourVest Settlement?</p> <p>24 A. Yes.</p> <p>25 Q. And did you subsequently learn that</p>

<p style="text-align: right;">Page 324</p> <p>1 Dondero - 6-1-2021</p> <p>2 CLO HoldCo withdrew its objection to the</p> <p>3 HarbourVest Settlement?</p> <p>4 A. Yes.</p> <p>5 Q. Do you recall if you learned that</p> <p>6 before or after CLO HoldCo withdrew its</p> <p>7 objection – withdrawn.</p> <p>8 That wasn't a good question.</p> <p>9 Did you know, prior to the time that</p> <p>10 CLO HoldCo announced that it was withdrawing</p> <p>11 its objection, that it intended to do so; or</p> <p>12 did you learn about that after – you know, as</p> <p>13 the announcement was being made?</p> <p>14 MR. SBAIT: Objection, compound.</p> <p>15 MR. TAYLOR: Objection, compound.</p> <p>16 BY MR. MORRIS:</p> <p>17 Q. You can answer.</p> <p>18 A. I learned about it at the hearing.</p> <p>19 BY MR. MORRIS:</p> <p>20 Q. Were you surprised?</p> <p>21 A. Yes.</p> <p>22 Q. And why were you surprised?</p> <p>23 A. It was inappropriate.</p> <p>24 Q. Why did you believe it was</p> <p>25 inappropriate?</p>	<p style="text-align: right;">Page 325</p> <p>1 Dondero - 6-1-2021</p> <p>2 A. The night before, Counsel had</p> <p>3 confirmed with other counsel.</p> <p>4 MR. TAYLOR: Instruct the witness</p> <p>5 not to reveal any privileged information.</p> <p>6 THE WITNESS: Okay.</p> <p>7 BY MR. MORRIS:</p> <p>8 Q. Mr. Dondero, you and I have done</p> <p>9 this many, many times. I hope that you</p> <p>10 understand that I'm never, ever asking or</p> <p>11 hoping that you'll mistakenly divulge</p> <p>12 attorney-client communications.</p> <p>13 A. Yeah. Let me rephrase.</p> <p>14 Q. Yeah. So, having said that, you</p> <p>15 said that you believed it was inappropriate;</p> <p>16 and the question is really simple: Why did you</p> <p>17 believe it was inappropriate?</p> <p>18 A. There was legal basis or legal</p> <p>19 interpretation, I believed, in the governing</p> <p>20 partnership agreement justifying the objection;</p> <p>21 and I also believed there were duties under the</p> <p>22 Advisors Act to – for the DAF to continue with</p> <p>23 its – or to argue its objections.</p> <p>24 Q. And after you learned that Mr. Scott</p> <p>25 instructed his attorneys to withdraw CLO</p>
<p style="text-align: right;">Page 326</p> <p>1 Dondero - 6-1-2021</p> <p>2 HoldCo's objection to the HarbourVest</p> <p>3 Settlement, did you have a conversation with</p> <p>4 Mr. Scott about his decision?</p> <p>5 MR. TAYLOR: Objection, assumes</p> <p>6 facts not in evidence.</p> <p>7 A. Yeah, I don't agree with the first</p> <p>8 part of that question, so I need you to</p> <p>9 rephrase it, please.</p> <p>10 BY MR. MORRIS:</p> <p>11 Q. After you – after you learned that</p> <p>12 CLO HoldCo withdrew the objection, did you</p> <p>13 speak with Mr. Scott about that?</p> <p>14 A. Yes.</p> <p>15 Q. Okay. Did you have one conversation</p> <p>16 or more than one conversation with Mr. Scott</p> <p>17 concerning CLO HoldCo's withdrawal of its</p> <p>18 objection to the HarbourVest Settlement?</p> <p>19 A. I – I only recall one.</p> <p>20 Q. Did anybody participate in that</p> <p>21 conversation besides the two of you?</p> <p>22 A. No.</p> <p>23 Q. Did that conversation take place on</p> <p>24 the telephone or in some other form?</p> <p>25 A. I – I don't know.</p>	<p style="text-align: right;">Page 327</p> <p>1 Dondero - 6-1-2021</p> <p>2 Q. Do you know how long after the</p> <p>3 conclusion of the hearing the conversation took</p> <p>4 place? Was it the same day? Was it</p> <p>5 afterwards?</p> <p>6 A. I believe it was the same day or</p> <p>7 shortly thereafter.</p> <p>8 Q. And what do you recall – please</p> <p>9 tell me everything you recall about the</p> <p>10 conversation, everything that you said and</p> <p>11 everything that he said.</p> <p>12 A. The only two points I remember was</p> <p>13 that it was inappropriate for the DAF to change</p> <p>14 direction an hour before the hearing without</p> <p>15 informing anybody else when it was – yeah,</p> <p>16 when it was a reversal of the direction he had</p> <p>17 been going in for weeks and that it was also</p> <p>18 inappropriate to – well, no, that's – that</p> <p>19 was – that was really – that was really it, I</p> <p>20 guess.</p> <p>21 Q. Do you recall what, if anything,</p> <p>22 Mr. Scott said in response?</p> <p>23 MR. SBAIT: Objection calls –</p> <p>24 (inaudible.)</p> <p>25 MR. MORRIS: What's the basis for</p>

<p>Page 328</p> <p>1 Dondero - 6-1-2021</p> <p>2 the objection?</p> <p>3 MR. TAYLOR: Objection, calls for</p> <p>4 hearsay.</p> <p>5 MR. SBAITl: Calls for hearsay.</p> <p>6 BY MR. MORRIS:</p> <p>7 Q. You can answer.</p> <p>8 A. That he had done it based on advice</p> <p>9 of counsel.</p> <p>10 Q. Did you have any reason to doubt</p> <p>11 that?</p> <p>12 A. It – it didn't – it didn't make</p> <p>13 sense that counsel would change their opinion</p> <p>14 between the night before and the morning of the</p> <p>15 hearing, but I guess that – that is a reason</p> <p>16 to doubt it.</p> <p>17 Q. Do you think – do you think</p> <p>18 Mr. Scott acted in good faith when he made the</p> <p>19 decision to withdraw CLO HoldCo's objection to</p> <p>20 the HarbourVest Settlement?</p> <p>21 A. Can you ask that question – ask</p> <p>22 that question again, please?</p> <p>23 Q. Sure. Do you believe that Mr. Scott</p> <p>24 acted in good faith when he made the decision</p> <p>25 to withdraw the CLO HoldCo objection to the</p>	<p>Page 329</p> <p>1 Dondero - 6-1-2021</p> <p>2 HarbourVest Settlement?</p> <p>3 A. I don't believe he operated in the</p> <p>4 best interest of the DAF or CLO HoldCo by</p> <p>5 withdrawing the claims or withdrawing the</p> <p>6 objectives – objections.</p> <p>7 Q. Did you – did the subject of the</p> <p>8 Advisors Act come up during this conversation?</p> <p>9 A. I don't – I don't remember if it</p> <p>10 specifically came up.</p> <p>11 Q. Do you recall if the subject of</p> <p>12 "fiduciary duties" came up in this</p> <p>13 conversation?</p> <p>14 A. Not using those words, but reminding</p> <p>15 him he needed to do what was in the best</p> <p>16 interest of the DAF was definitely part of the</p> <p>17 conversation.</p> <p>18 Q. Earlier you said – and I – if I</p> <p>19 miss – if I don't get this right, please feel</p> <p>20 free to correct me; but I believe you said that</p> <p>21 it was inappropriate for the DAF to change</p> <p>22 direction without informing anybody else.</p> <p>23 Do I have that right?</p> <p>24 A. Yes.</p> <p>25 Q. And who do you believe Mr. Scott</p>
<p>Page 330</p> <p>1 Dondero - 6-1-2021</p> <p>2 needed to inform of his decision?</p> <p>3 A. There was some coordination and</p> <p>4 cooperation among lawyers representing</p> <p>5 different parties and I believe there was some</p> <p>6 obligation – some professional obligation as</p> <p>7 part of that to inform and keep people abreast</p> <p>8 of it.</p> <p>9 Q. And would the lawyers at Bonds</p> <p>10 Ellis, your personal counsel, be among those</p> <p>11 lawyers that you believed he had the</p> <p>12 professional obligation to inform?</p> <p>13 MR. SBAITl: Objection –</p> <p>14 A. I don't know.</p> <p>15 MR. SBAITl: – lacks foundation.</p> <p>16 A. I don't know who was in the</p> <p>17 coordination group.</p> <p>18 BY MR. MORRIS:</p> <p>19 Q. Do you believe that he had an</p> <p>20 obligation to inform you in advance?</p> <p>21 MR. SBAITl: Objection, vague.</p> <p>22 A. I don't know if I would use the word</p> <p>23 "obligation," but, again, as the founder or the</p> <p>24 primary donor and continued donor to the DAF</p> <p>25 and as the investment advisor fighting for</p>	<p>Page 331</p> <p>1 Dondero - 6-1-2021</p> <p>2 above-average returns on a daily basis for the</p> <p>3 fund, significant decisions that affect the</p> <p>4 finances of the fund would be something I would</p> <p>5 expect typically a trustee to discuss with a</p> <p>6 primary donor.</p> <p>7 BY MR. MORRIS:</p> <p>8 Q. And which primary donor are you</p> <p>9 referring to?</p> <p>10 A. Highland, prior to bankruptcy, and</p> <p>11 myself or NexPoint post-bankruptcy.</p> <p>12 Q. Is Dugaboy – The Dugaboy Investment</p> <p>13 Trust a donor to the DAF?</p> <p>14 MR. SBAITl: Objection, relevance.</p> <p>15 A. I – I believe it's been a donor</p> <p>16 over the years. It wasn't the initial donor, I</p> <p>17 don't believe.</p> <p>18 BY MR. MORRIS:</p> <p>19 Q. How about the Get Good Trust? Is</p> <p>20 the Get Good Trust a donor to the DAF?</p> <p>21 MR. SBAITl: Objection, relevance.</p> <p>22 A. I don't know.</p> <p>23 BY MR. MORRIS:</p> <p>24 Q. Do you know if either the Get Good</p> <p>25 Trust or the Dugaboy Trust has any beneficial</p>

<p>Page 332</p> <p>1 Dondero - 6-1-2021</p> <p>2 interest in any of the DAF entities?</p> <p>3 A. It does not – or they do not.</p> <p>4 Q. Do you know if either of the Get</p> <p>5 Good or Dugaboy trusts have an interest in the</p> <p>6 CLO HoldCo, Ltd., entity?</p> <p>7 A. They – they do not. They do not.</p> <p>8 Q. Do you recall that a short while</p> <p>9 later or – or maybe even within the same</p> <p>10 month, the debtor commenced a lawsuit against</p> <p>11 the entities that we've referred to previously</p> <p>12 as the Advisors, the Funds, and CLO HoldCo,</p> <p>13 Ltd.?</p> <p>14 A. Which litigation is that?</p> <p>15 Q. That was the one where the debtor is</p> <p>16 seeking injunctive relief; and there was a</p> <p>17 hearing in late January on the debtor's motion</p> <p>18 for preliminary injunction against the Funds,</p> <p>19 the Advisors, and CLO HoldCo?</p> <p>20 A. There's – there's – which</p> <p>21 specifically?</p> <p>22 Q. Do you remember that there came a</p> <p>23 point in time when – when Mr. Scott, on behalf</p> <p>24 of CLO HoldCo, reached a settlement with the</p> <p>25 debtor that resolved the debtor's claim against</p>	<p>Page 333</p> <p>1 Dondero - 6-1-2021</p> <p>2 CLO HoldCo, Ltd.?</p> <p>3 A. I'm aware there was a settlement</p> <p>4 that resolved most of his – the – most of the</p> <p>5 issues with the debtor.</p> <p>6 Q. Okay. And do you recall how you</p> <p>7 learned about that settlement?</p> <p>8 MR. TAYLOR: Objection to the extent</p> <p>9 it invades any attorney-client privilege.</p> <p>10 A. I learned about it after it was</p> <p>11 done.</p> <p>12 BY MR. MORRIS:</p> <p>13 Q. Okay. And do you have an</p> <p>14 understanding of the basic terms of the</p> <p>15 settlement?</p> <p>16 A. I think that was the hundred</p> <p>17 thousand I spoke of earlier that the – as the</p> <p>18 11 or \$12 million of overbilling that every</p> <p>19 other entity has pursued, you know, for – the</p> <p>20 overbilling was traded for a hundred thousand</p> <p>21 dollars, and the – I think Grant agreed to not</p> <p>22 pursue some historic actions and not pursue</p> <p>23 replacement of HCMLP as manager, regardless of</p> <p>24 whether it was in the best interest of the DAF</p> <p>25 or not.</p>
<p>Page 334</p> <p>1 Dondero - 6-1-2021</p> <p>2 Q. And did you ever have a conversation</p> <p>3 with Mr. Scott about his decision to enter into</p> <p>4 that settlement on behalf of CLO HoldCo, Ltd.?</p> <p>5 A. Yes.</p> <p>6 Q. And did that – did the</p> <p>7 communications take place in one conversation,</p> <p>8 more than one conversation, or in some other</p> <p>9 form?</p> <p>10 A. It was a couple times.</p> <p>11 Q. Do you recall if anybody –</p> <p>12 (Simultaneous conversation.)</p> <p>13 BY MR. MORRIS:</p> <p>14 Q. I'm sorry, were you finished?</p> <p>15 A. It might have been just once, but</p> <p>16 either one or two times.</p> <p>17 Q. Okay. And did anybody participate</p> <p>18 in that conversation other than the two of you?</p> <p>19 A. No.</p> <p>20 Q. Can you recall everything that was</p> <p>21 discussed during that conversation, everything</p> <p>22 that you recall saying in sum or substance and</p> <p>23 everything that you can recall Mr. Scott</p> <p>24 saying?</p> <p>25 A. My message was what I just</p>	<p>Page 335</p> <p>1 Dondero - 6-1-2021</p> <p>2 articulated, that – that the compromise or the</p> <p>3 settlement wasn't in the best interest of the</p> <p>4 DAF, it wasn't in the best interest of the</p> <p>5 investments in the DAF.</p> <p>6 Q. Do you recall how long the</p> <p>7 conversation lasted?</p> <p>8 A. No. It wasn't that long.</p> <p>9 Q. Do you recall that shortly after</p> <p>10 Mr. Scott reached the settlement on behalf of</p> <p>11 CLO HoldCo, that he gave notice of his intent</p> <p>12 to resign from his positions with the DAF</p> <p>13 entities and CLO HoldCo, Ltd.?</p> <p>14 A. Yes.</p> <p>15 Q. And do you recall that there was a</p> <p>16 telephone conversation between and among you</p> <p>17 and Mr. Scott and certain lawyers at around the</p> <p>18 same time?</p> <p>19 A. I don't – I don't remember that</p> <p>20 specifically with the lawyers.</p> <p>21 MR. MORRIS: Can we please put up</p> <p>22 the next exhibit, which I think we're</p> <p>23 marking as Exhibit 4, which is Scott Bates</p> <p>24 No. 11?</p> <p>25 (Exhibit 4 introduced.)</p>

<p>Page 336</p> <p>1 Dondero - 6-1-2021</p> <p>2 BY MR. MORRIS:</p> <p>3 Q. So, I'll represent to you,</p> <p>4 Mr. Dondero, that the hearing at which the CLO</p> <p>5 HoldCo, Ltd., settlement was presented took</p> <p>6 place on January 26th. And so, this is the</p> <p>7 following Sunday.</p> <p>8 And do you see there's a list of</p> <p>9 people who were going to participate in a</p> <p>10 conference call on Sunday, January 31st?</p> <p>11 A. Yes.</p> <p>12 Q. And you and Mr. Scott are among</p> <p>13 those people?</p> <p>14 A. Yes.</p> <p>15 Q. Do you recall if this phone call</p> <p>16 took place?</p> <p>17 A. Yes.</p> <p>18 Q. Do you recall the purpose of the</p> <p>19 phone call?</p> <p>20 A. Yes. It didn't have anything to do</p> <p>21 with his resignation, this phone call.</p> <p>22 Q. So, what was the purpose of this</p> <p>23 call?</p> <p>24 A. Earlier, I stated that to make – to</p> <p>25 pivot the plans or what he was – or to</p>	<p>Page 337</p> <p>1 Dondero - 6-1-2021</p> <p>2 withdraw without telling anybody, to reach</p> <p>3 settlements without telling anybody that had a</p> <p>4 material negative impact on the DAF was</p> <p>5 inappropriate. And I believe the purpose of</p> <p>6 this call was his representation that John Kane</p> <p>7 had, in fact, told everybody, so – but when I</p> <p>8 spoke with everybody else, everybody said he</p> <p>9 hadn't talked to them, and so to figure out –</p> <p>10 to try and figure out what the truth was, we</p> <p>11 had a conference call with everybody.</p> <p>12 Q. Did you figure out what the truth</p> <p>13 was during that conference call?</p> <p>14 MR. TAYLOR: Objection. I'm going</p> <p>15 to have to instruct the client not to</p> <p>16 answer. This was a conversation with</p> <p>17 attorneys that were acting in concert under</p> <p>18 joint-defense agreement, or at least had a</p> <p>19 common interest in litigation at that point</p> <p>20 in time.</p> <p>21 MR. MORRIS: I think it's a little</p> <p>22 late for that.</p> <p>23 BY MR. MORRIS:</p> <p>24 Q. And there's no lawyer for you on</p> <p>25 this call, at least that's identified on this</p>
<p>Page 338</p> <p>1 Dondero - 6-1-2021</p> <p>2 email string, correct?</p> <p>3 MR. TAYLOR: That's incorrect.</p> <p>4 You'll see – note that Judge Lynn's – why</p> <p>5 it was his email, I don't know, but Judge</p> <p>6 Lynn's email address is on there.</p> <p>7 MR. MORRIS: Okay. I think having</p> <p>8 told me the purpose of the call, I think he</p> <p>9 ought to be able to disclose what the</p> <p>10 result of the call was. So I'm going to</p> <p>11 ask my question again.</p> <p>12 BY MR. MORRIS:</p> <p>13 Q. And that is, did you learn the truth</p> <p>14 as to whether or not Mr. Kane had given advance</p> <p>15 notice to any of the lawyers on this email</p> <p>16 string about any of the decisions you're</p> <p>17 referring to?</p> <p>18 MR. TAYLOR: I'm going to renew my</p> <p>19 objection. You can answer the question,</p> <p>20 but I do want to state for the record we</p> <p>21 believe it's inappropriate and if brought</p> <p>22 up in later proceedings, we'll move to</p> <p>23 strike.</p> <p>24 A. None of the lawyers on this email or</p> <p>25 that participated in the call acknowledged any</p>	<p>Page 339</p> <p>1 Dondero - 6-1-2021</p> <p>2 advanced conversations with Kane.</p> <p>3 BY MR. MORRIS:</p> <p>4 Q. Do you remember anything else about</p> <p>5 the phone call that's referred to on this</p> <p>6 exhibit?</p> <p>7 MR. TAYLOR: I'm just going to renew</p> <p>8 my objection.</p> <p>9 A. No.</p> <p>10 BY MR. MORRIS:</p> <p>11 Q. And do you recall that Mr. Scott</p> <p>12 gave notice of his intent to resign on the same</p> <p>13 day?</p> <p>14 A. I – I didn't know it was exactly</p> <p>15 the same day, but I knew it was on or around</p> <p>16 that time.</p> <p>17 Q. Okay.</p> <p>18 MR. MORRIS: Can we pull up the next</p> <p>19 exhibit, please, Exhibit Number 5, which is</p> <p>20 Bates stamped Scott 18 and start at the</p> <p>21 bottom.</p> <p>22 (Exhibit 5 introduced.)</p> <p>23 BY MR. MORRIS:</p> <p>24 Q. Do you recall receiving this email</p> <p>25 from Mr. Scott on January 31st, in the</p>

<p style="text-align: right;">Page 340</p> <p>1 Dondero - 6-1-2021</p> <p>2 afternoon?</p> <p>3 A. Yes.</p> <p>4 Q. Do you know why Mr. Scott gave</p> <p>5 notice of his resignation at that time?</p> <p>6 MR. TAYLOR: Objection, calls for</p> <p>7 speculation.</p> <p>8 A. No. It – you would have to</p> <p>9 answer – I have my own speculation, but you</p> <p>10 would have to ask him.</p> <p>11 BY MR. MORRIS:</p> <p>12 Q. Did you ever have a conversation</p> <p>13 with Mr. Scott where he informed you of the</p> <p>14 reasons for his decision to give notice of his</p> <p>15 resignation?</p> <p>16 MR. TAYLOR: Objection, calls for</p> <p>17 hearsay.</p> <p>18 A. I knew he was suffering from anxiety</p> <p>19 and health issues regarding the challenges and</p> <p>20 the confrontation.</p> <p>21 MR. MORRIS: I move to strike.</p> <p>22 I just want you to listen carefully</p> <p>23 to my question, sir.</p> <p>24 BY MR. MORRIS:</p> <p>25 Q. Did Mr. Scott tell you why he had</p>	<p style="text-align: right;">Page 341</p> <p>1 Dondero - 6-1-2021</p> <p>2 decided to give notice of his intent to resign?</p> <p>3 MR. TAYLOR: Objection, calls for</p> <p>4 hearsay.</p> <p>5 A. He told me he was suffering from</p> <p>6 health and anxiety issues regarding the</p> <p>7 confrontation and the challenges of</p> <p>8 administering the DAF, given the bankruptcy.</p> <p>9 BY MR. MORRIS:</p> <p>10 Q. I'm sorry, did you use the word</p> <p>11 "confrontation"?</p> <p>12 A. Yes.</p> <p>13 Q. Do you have an understanding as to</p> <p>14 what confrontation he was referring to?</p> <p>15 MR. TAYLOR: Objection, calls for</p> <p>16 speculation.</p> <p>17 A. I believe it was the interaction,</p> <p>18 challenges of dealing with your firm.</p> <p>19 BY MR. MORRIS:</p> <p>20 Q. Did you have any advanced notice</p> <p>21 that Mr. Scott would be sending this email to</p> <p>22 you?</p> <p>23 A. Not exactly. But a couple days</p> <p>24 beforehand, he did propose it, that he was</p> <p>25 considering resigning.</p>
<p style="text-align: right;">Page 342</p> <p>1 Dondero - 6-1-2021</p> <p>2 Q. Did you ever ask him to reconsider?</p> <p>3 A. No.</p> <p>4 Q. You'll see in the third paragraph,</p> <p>5 he states, quote: My resignation will not be</p> <p>6 effective until I approve of the</p> <p>7 indemnification provisions and obtain any and</p> <p>8 all necessary releases.</p> <p>9 Do you see that?</p> <p>10 A. Yes.</p> <p>11 Q. Did he ever explain to you why his</p> <p>12 release wouldn't become – his resignation</p> <p>13 wouldn't become effective until those things</p> <p>14 happened?</p> <p>15 MR. TAYLOR: Objection, calls for</p> <p>16 hearsay.</p> <p>17 A. No.</p> <p>18 BY MR. MORRIS:</p> <p>19 Q. Did he ever tell you who he wanted a</p> <p>20 release from?</p> <p>21 MR. TAYLOR: Objection, calls for</p> <p>22 hearsay.</p> <p>23 A. No.</p> <p>24 BY MR. MORRIS:</p> <p>25 Q. Do you know if there is any</p>	<p style="text-align: right;">Page 343</p> <p>1 Dondero - 6-1-2021</p> <p>2 agreement today that relates to the</p> <p>3 indemnification and release provisions cited in</p> <p>4 Mr. Scott's email?</p> <p>5 MR. SBAITI: Objection, calls for a</p> <p>6 legal conclusion, lacks foundation, lacks</p> <p>7 relevance.</p> <p>8 A. There's no new agreement that I'm</p> <p>9 aware of. There's an existing agreement from</p> <p>10 when he was originally put in place.</p> <p>11 BY MR. MORRIS:</p> <p>12 Q. Did you ask for Mr. Scott's</p> <p>13 resignation?</p> <p>14 A. No.</p> <p>15 Q. Did Mr. Scott or anybody acting on</p> <p>16 his behalf ever explain to you or anybody</p> <p>17 acting on your behalf why he wanted the</p> <p>18 indemnification and release provisions?</p> <p>19 MR. TAYLOR: Objection, hearsay.</p> <p>20 A. No.</p> <p>21 BY MR. MORRIS:</p> <p>22 Q. Did you ever say or suggest to</p> <p>23 Mr. Scott that he had breached his fiduciary</p> <p>24 duties to anybody at any time?</p> <p>25 A. I – I don't – I don't remember if</p>

<p style="text-align: right;">Page 344</p> <p>1 Dondero - 6-1-2021</p> <p>2 I spoke to anybody else about it.</p> <p>3 Q. I'm just asking if you ever – if</p> <p>4 you or anybody on your behalf ever told that to</p> <p>5 Mr. Scott or anybody acting on Mr. Scott's</p> <p>6 behalf, like Mr. Kane.</p> <p>7 MR. SBAITI: Objection, compound.</p> <p>8 A. I – I believe I testified already</p> <p>9 that I told him he didn't do what was in the</p> <p>10 best interest of the fund.</p> <p>11 BY MR. MORRIS:</p> <p>12 Q. And did you ever tell him, in sum or</p> <p>13 substance, that you believed he had breached</p> <p>14 his fiduciary duties to anybody in the world by</p> <p>15 not acting in the best interest of the fund?</p> <p>16 MR. SBAITI: Objection, vague.</p> <p>17 A. I don't recall if I had those</p> <p>18 discussions with somebody else. I mean – no,</p> <p>19 that's – I don't – I don't recall if I've had</p> <p>20 those conversations with anybody else.</p> <p>21 BY MR. MORRIS:</p> <p>22 Q. Did you ever threaten to sue</p> <p>23 Mr. Scott?</p> <p>24 A. Did I – no.</p> <p>25 Q. Did you ever tell Mr. Scott that you</p>	<p style="text-align: right;">Page 345</p> <p>1 Dondero - 6-1-2021</p> <p>2 were considering suing him?</p> <p>3 A. I remember telling him he needed to</p> <p>4 do what was in the best interest of the funds.</p> <p>5 That's – that's as far as I remember.</p> <p>6 Q. Did you ever tell Mr. Scott that you</p> <p>7 believed that the fund had claims against him?</p> <p>8 A. I believe anytime you're a trustee</p> <p>9 and you don't do what's in the best interest of</p> <p>10 the funds, you leave yourself open for that,</p> <p>11 potentially.</p> <p>12 Q. I appreciate that that's your</p> <p>13 perspective, but I'm asking you whether you</p> <p>14 ever told Mr. Scott that you believed that the</p> <p>15 fund could assert claims against him.</p> <p>16 A. I don't recall that.</p> <p>17 Q. Do you recall if you ever told</p> <p>18 Mr. Scott that you believed the fund should</p> <p>19 assert claims against him?</p> <p>20 A. No, I don't recall that.</p> <p>21 Q. Okay. Did you ever tell Mr. Scott</p> <p>22 that you believed anybody in the world had</p> <p>23 potential causes of action against him for</p> <p>24 actions or inactions taken on behalf of the DAF</p> <p>25 or CLO HoldCo?</p>
<p style="text-align: right;">Page 346</p> <p>1 Dondero - 6-1-2021</p> <p>2 MR. SBAITI: Objection, vague.</p> <p>3 A. I don't recall that.</p> <p>4 BY MR. MORRIS:</p> <p>5 Q. What did you do after you received</p> <p>6 this email?</p> <p>7 Withdrawn.</p> <p>8 Did you do anything in response to</p> <p>9 receiving this email?</p> <p>10 MR. TAYLOR: For the record, we're</p> <p>11 talking about Exhibit 5?</p> <p>12 MR. MORRIS: Yes, I believe so.</p> <p>13 Is that right, La Asia?</p> <p>14 MR. TAYLOR: For that – sorry, 4.</p> <p>15 MS. CANTY: I'm sorry, John. Repeat</p> <p>16 that.</p> <p>17 MR. MORRIS: Is this document on the</p> <p>18 screen Exhibit 5?</p> <p>19 MS. CANTY: It's going to be</p> <p>20 Exhibit 5, but what we had – we had</p> <p>21 premarked them. So, we skipped one in</p> <p>22 sequence. So, when I upload it, it will be</p> <p>23 5.</p> <p>24 MR. MORRIS: Okay. Thank you.</p> <p>25 MS. CANTY: You're welcome.</p>	<p style="text-align: right;">Page 347</p> <p>1 Dondero - 6-1-2021</p> <p>2 MR. MORRIS: Yes, Clay, we're going</p> <p>3 to – ultimately, this will be marked as</p> <p>4 Exhibit 5.</p> <p>5 MR. TAYLOR: Thank you.</p> <p>6 MR. MORRIS: Yeah.</p> <p>7 BY MR. MORRIS:</p> <p>8 Q. So, the question, Mr. Dondero, is:</p> <p>9 Do you recall doing anything after receiving</p> <p>10 this email?</p> <p>11 MR. TAYLOR: Objection, vague.</p> <p>12 A. I don't remember doing anything with</p> <p>13 it. I – I didn't know what to do with it. I</p> <p>14 didn't know how the DAF structure worked when</p> <p>15 there was a resignation.</p> <p>16 BY MR. MORRIS:</p> <p>17 Q. Did you ask Mr. Scott why he chose</p> <p>18 to send it to you?</p> <p>19 A. No.</p> <p>20 Q. Did you forward it to anybody?</p> <p>21 A. I don't recall.</p> <p>22 Q. Did you notify anybody that you had</p> <p>23 received this?</p> <p>24 A. I – I don't remember.</p> <p>25 MR. MORRIS: Can we scroll up to</p>

<p style="text-align: right;">Page 348</p> <p>1 Dondero - 6-1-2021</p> <p>2 Mr. Dondero's response?</p> <p>3 (Scrolling.)</p> <p>4 BY MR. MORRIS:</p> <p>5 Q. You can see --</p> <p>6 MR. MORRIS: That's perfect right</p> <p>7 there.</p> <p>8 BY MR. MORRIS:</p> <p>9 Q. You can see in the first sentence of</p> <p>10 Mr. Scott's email there's a reference to</p> <p>11 resigning and divesting. Do you see that? I'm</p> <p>12 summarizing.</p> <p>13 A. Yes.</p> <p>14 Q. And you responded, and you requested</p> <p>15 clarification that -- the next morning; is that</p> <p>16 fair?</p> <p>17 That's the first question.</p> <p>18 A. Yes.</p> <p>19 Q. And then you tried to explain to</p> <p>20 Mr. Scott what your view was of the phrase</p> <p>21 "divestment" or "divest."</p> <p>22 Do I have that right?</p> <p>23 A. Yes. Divest has a different meaning</p> <p>24 in investments than it does, I guess, in legal</p> <p>25 structuring; and I just wanted to make sure</p>	<p style="text-align: right;">Page 349</p> <p>1 Dondero - 6-1-2021</p> <p>2 you -- you didn't mean liquidation of the</p> <p>3 assets.</p> <p>4 Q. Okay. That's what I'm getting to.</p> <p>5 MR. MORRIS: So can we scroll up to</p> <p>6 Mr. Scott's response?</p> <p>7 (Scrolling.)</p> <p>8 BY MR. MORRIS:</p> <p>9 Q. And Mr. Scott tried to clarify why</p> <p>10 he -- he used the word "divest." Do you see</p> <p>11 that?</p> <p>12 A. Yes.</p> <p>13 Q. Okay.</p> <p>14 MR. MORRIS: And then if we can</p> <p>15 scroll up to your response.</p> <p>16 (Scrolling.)</p> <p>17 BY MR. MORRIS:</p> <p>18 Q. Do you see your response says: What</p> <p>19 does that mean? Quote, you need to tell me</p> <p>20 ASAP that you have no intent to divest assets.</p> <p>21 Do you see that?</p> <p>22 A. Yes.</p> <p>23 Q. Why did you write that?</p> <p>24 A. It was unpredictable -- some of his</p> <p>25 behavior was unpredictable at this point. I</p>
<p style="text-align: right;">Page 350</p> <p>1 Dondero - 6-1-2021</p> <p>2 just wanted to make sure he wasn't liquidating</p> <p>3 or intending to liquidate the portfolio.</p> <p>4 Q. What interest did you have in making</p> <p>5 sure that Mr. Scott didn't liquidate the</p> <p>6 portfolio?</p> <p>7 A. It could materially damage the value</p> <p>8 of the DAF and its ability to continue its</p> <p>9 mission as a charitable entity.</p> <p>10 Q. Had Mr. Scott ever divested assets</p> <p>11 before?</p> <p>12 MR. TAYLOR: Objection, vague.</p> <p>13 A. Well, by giving up the</p> <p>14 11 million-dollar disclaim against the debtor,</p> <p>15 he divested an 11 million-dollar asset.</p> <p>16 BY MR. MORRIS:</p> <p>17 Q. Anything else?</p> <p>18 A. Not that I can recall.</p> <p>19 Q. When was the last time you</p> <p>20 communicated with Mr. Scott?</p> <p>21 A. I sent him a Happy Birthday text a</p> <p>22 couple days ago.</p> <p>23 Q. And when was the last time you spoke</p> <p>24 with him?</p> <p>25 A. It's been a couple months.</p>	<p style="text-align: right;">Page 351</p> <p>1 Dondero - 6-1-2021</p> <p>2 Q. Is the last time you spoke to him at</p> <p>3 around the time that he gave notice of his</p> <p>4 intent to resign?</p> <p>5 A. No. It was about a month after</p> <p>6 that.</p> <p>7 Q. Mr. Patrick replaced Mr. Scott as</p> <p>8 the managing member of the DAF GP and as the</p> <p>9 director of the affiliated DAF entities and CLO</p> <p>10 HoldCo, correct?</p> <p>11 MR. SBAITL: Objection --</p> <p>12 (Audio distortion.)</p> <p>13 A. Ultimately, yes.</p> <p>14 BY MR. MORRIS:</p> <p>15 Q. Do you know how Mr. Patrick came to</p> <p>16 replace Mr. Scott?</p> <p>17 MR. TAYLOR: Objection to the extent</p> <p>18 it calls for a legal conclusion.</p> <p>19 A. I -- I found out about it after it</p> <p>20 happened, you know, only from things that Mark</p> <p>21 Patrick told me.</p> <p>22 BY MR. MORRIS:</p> <p>23 Q. Did you know that it was going to</p> <p>24 happen before the event occurred, before the</p> <p>25 actual replacement occurred?</p>

<p style="text-align: right;">Page 352</p> <p>1 Dondero - 6-1-2021</p> <p>2 MR. TAYLOR: Objection, relevance.</p> <p>3 A. No.</p> <p>4 BY MR. MORRIS:</p> <p>5 Q. Do you know who – who gave</p> <p>6 Mr. Patrick – withdrawn.</p> <p>7 Do you know anything about the</p> <p>8 circumstances by which Mr. Patrick replaced</p> <p>9 Mr. Scott?</p> <p>10 A. I – only from conversations with</p> <p>11 Mark Patrick after the fact.</p> <p>12 Q. What did Mr. Patrick tell you?</p> <p>13 MR. TAYLOR: Objection, hearsay.</p> <p>14 A. He had struggled to – he had</p> <p>15 struggled to find other candidates or entities.</p> <p>16 He had struggled with D&O insurance around some</p> <p>17 of the alternative candidates.</p> <p>18 And one day, when he was talking to</p> <p>19 Grant Scott, they came to some – I don't know</p> <p>20 who said what to who, but that – why doesn't</p> <p>21 Mark Patrick do it and he has knowledge of the</p> <p>22 structure, he enjoys the charitable giving</p> <p>23 part.</p> <p>24 And unbeknownst to me, they agreed,</p> <p>25 and he sent over the appropriate documentation</p>	<p style="text-align: right;">Page 353</p> <p>1 Dondero - 6-1-2021</p> <p>2 or transfer of shares of voting–again, I don't</p> <p>3 know how it works specifically–and Grant</p> <p>4 signed it, and Mark Patrick became the trustee.</p> <p>5 BY MR. MORRIS:</p> <p>6 Q. So, it's your testimony that, prior</p> <p>7 to the time they signed the documentation</p> <p>8 pursuant to which Patrick replaced Scott, you</p> <p>9 had no knowledge that there were discussions</p> <p>10 underway pursuant to which that would occur?</p> <p>11 A. Correct.</p> <p>12 Q. You mentioned that Mr. Patrick told</p> <p>13 you that they had trouble getting D&O</p> <p>14 insurance.</p> <p>15 Do I have that right?</p> <p>16 A. That was – yeah, that was one of</p> <p>17 the factors with a couple of the candidates.</p> <p>18 Q. And did he tell you who those</p> <p>19 candidates were?</p> <p>20 MR. TAYLOR: Objection, hearsay.</p> <p>21 A. He did at the time. I can't</p> <p>22 remember who they were. One was – one was a</p> <p>23 former Dean Foods executive, I believe; and the</p> <p>24 other was an offshore sole practitioner.</p> <p>25 BY MR. MORRIS:</p>
<p style="text-align: right;">Page 354</p> <p>1 Dondero - 6-1-2021</p> <p>2 Q. Did he tell you what the</p> <p>3 difficulties were in obtaining D&O insurance?</p> <p>4 A. No.</p> <p>5 Q. Did you ask?</p> <p>6 A. No.</p> <p>7 Q. Do you know where Mr. Patrick got</p> <p>8 the authority to – withdrawn.</p> <p>9 Do you know who determined to</p> <p>10 replace Mr. Scott with Mr. Patrick?</p> <p>11 MR. TAYLOR: Objection to the extent</p> <p>12 it calls for a legal conclusion.</p> <p>13 A. As I testified, I believe it was the</p> <p>14 two of them together.</p> <p>15 BY MR. MORRIS:</p> <p>16 Q. And do you have any understanding as</p> <p>17 to what authority they had to designate</p> <p>18 Mr. Scott's successor?</p> <p>19 MR. TAYLOR: Objection, calls for a</p> <p>20 legal conclusion.</p> <p>21 A. I – I believed, between the two of</p> <p>22 them, they knew how the structure worked, and I</p> <p>23 believed between the two of them, they had</p> <p>24 authority – believed they had authority, and</p> <p>25 that's why they effectuated it.</p>	<p style="text-align: right;">Page 355</p> <p>1 Dondero - 6-1-2021</p> <p>2 BY MR. He's been there for quite a while.</p> <p>9 I mean, he was there for quite a while. I</p> <p>10 believe over a decade.</p> <p>11 Q. And what positions did he hold, if</p> <p>12 you recall?</p> <p>13 A. He headed up our tax department. I</p> <p>14 don't remember him having any position other</p> <p>15 than that or before that.</p> <p>16 Q. Is he a lawyer, to the best of your</p> <p>17 knowledge?</p> <p>18 A. He's – he's a tax lawyer, yeah.</p> <p>19 Q. And do you know if he's employed</p> <p>20 today?</p> <p>21 A. I – yes.</p> <p>22 Q. Do you know where he's employed?</p> <p>23 A. Yes.</p> <p>24 Q. Where do you understand Mr. Patrick</p> <p>25 is employed?</p>

<p>Page 356</p> <p>1 Dondero - 6-1-2021</p> <p>2 A. At SkyBridge.</p> <p>3 Q. Do you know where SkyBridge's</p> <p>4 offices are located?</p> <p>5 A. Yes.</p> <p>6 Q. Where are they located?</p> <p>7 A. On McKinney Avenue. I believe it's</p> <p>8 2515.</p> <p>9 Q. Is that the same suite of offices</p> <p>10 where your office is located?</p> <p>11 MR. SBAITl: Objection, vague.</p> <p>12 A. It's not the same floor. We – we</p> <p>13 left, as you know, the Highland offices</p> <p>14 suddenly, and so until we establish permanent</p> <p>15 office locations, they're located there, but I</p> <p>16 expect they will be relocating in the</p> <p>17 not-too-distant future.</p> <p>18 BY MR. Did you have any discussions with</p> <p>20 Mr. Patrick concerning the positions he was</p> <p>21 inheriting from Mr. Scott before he agreed to</p> <p>22 accept them?</p> <p>23 A. No.</p> <p>24 Q. Do you have any written or oral</p> <p>25 agreements with Mr. Patrick of any kind?</p>	<p>Page 357</p> <p>1 Dondero - 6-1-2021</p> <p>2 MR. SBAITl: Objection –</p> <p>3 MR. Do you have any written</p> <p>8 oral agreements of any kind with Mr. Patrick</p> <p>9 pertaining to his role as an authorized</p> <p>10 representative of any of the DAF entities or</p> <p>11 CLO HoldCo, Ltd.?</p> <p>12 MR. Do you know if Mr. Patrick has any</p> <p>16 agreement with any of the DAF entities or CLO</p> <p>17 HoldCo, Ltd., other than those set forth in the</p> <p>18 limited partnership agreement and the Amended</p> <p>19 and Restated Limited Liability Company</p> <p>20 Agreement for the general partnership?</p> <p>21 A. I don't know of any.</p> <p>22 Q. Okay. So, there was almost a</p> <p>23 two-year period between the date that Mr. Scott</p> <p>24 sent his notice to you of his intent to resign</p> <p>25 and Mr. Patrick's replacement of Mr. Scott at</p>

Do I have that right?</p> <p>13 A. Yes.</p> <p>14 Q. Okay. Are you aware that during</p> <p>15 that interim period, Mr. Patrick gave certain</p> <p>16 instructions to Mr. Scott?</p> <p>17 MR. Is that okay?</p> <p>5 A. Sure.</p> <p>6 Q. Okay. Did you ever learn at any</p> <p>7 time during the interim period that Mr. Patrick</p> <p>8 was giving Mr. Scott instructions with respect</p> <p>9 to the duties and responsibilities concerning</p> <p>10 the DAF and CLO HoldCo?</p> <p>11 MR. Did you communicate with</p> <p>16 Mr. Scott at all during the interim period</p> <p>17 other than the birthday text that you</p> <p>18 mentioned?</p> <p>19 MR. SBAITl: Objection, misstates</p> <p>20 testimony.</p> <p>21 A. I don't – I don't recall. I mean,</p> <p>22 I know I've had some conversations with him,</p> <p>23 yeah, about that – I have a house in Aspen</p> <p>24 but – and we had some conversations about</p> <p>25 Aspen and skiing and stuff like that, but I</p>

Did Mr. Patrick inform you of</p> <p>12 any issues that were being raised that needed</p> <p>13 to be addressed with Mr. Scott during the</p> <p>14 interim period?</p> <p>15 A. <p>Page 364</p> <p>1 Dondero - 6-1-2021</p> <p>2 A. Yes.</p> <p>3 Q. You've told me that you expressed to</p> <p>4 Mr. Scott--and I'm, you know,</p> <p>5 paraphrasing--that you expressed to Mr. Scott</p> <p>6 your concerns with respect to his -- certain of</p> <p>7 the decisions that he made during the course of</p> <p>8 the bankruptcy.</p> <p>9 Do I have that right? Is that fair?</p> <p>10 A. Yes.</p> <p>11 Q. Do you know whether anybody else</p> <p>12 besides yourself expressed any concerns to</p> <p>13 Mr. Scott concerning any of the decisions that</p> <p>14 he made during the post-petition period?</p> <p>15 MR. We talked earlier about the</p> <p>4 suggestion -- and again, if I get this wrong,</p> <p>5 just correct me.</p> <p>6 But I think you testified that</p> <p>7 implicit in your conversations with Mr. Scott</p> <p>8 was your belief that he wasn't acting in the</p> <p>9 best interests of the DAF and CLO HoldCo, Ltd.,</p> <p>10 and had breached his fiduciary duties; is that</p> <p>11 fair?</p> <p>12 A. I think I testified that I didn't</p> <p>13 use the word "fiduciary duties" but -- I don't</p> <p>14 recall using those words, but I do recall</p> <p>15 stating that he was making decisions that</p> <p>16 weren't in the best interest of the fund.</p> <p>17 Q. Well, do you believe that Mr. Scott</p> <p>18 owed a fiduciary duty to the three entities</p> <p>19 that have in their name "Charitable DAF"?</p> <p>20 MR. SBAITI: Same objection.</p> <p>21 A. Again, regardless of where the</p> <p>22 assets are held, he has a responsibility, in my</p> <p>23 mind, as the trustee or the managing member, to</p> <p>24 optimize those assets and protect those assets</p> <p>25 and to efficiently, effectively administer</p>	<p>Page 367</p> <p>1 Dondero - 6-1-2021</p> <p>2 expenses.</p> <p>3 BY MR. <p>Page 370</p> <p>1 Dondero - 6-1-2021</p> <p>2 MR. Yeah. I mean, yes, I had</p> <p>10 conversations with attorneys.</p> <p>11 BY MR. MORRIS:</p> <p>12 Q. 2 THE REPORTER: Mr. Sbaiti, do you

3 guys need a copy of this deposition?

4 MR. SBAITI: Yeah, we would just

5 need a PTX of the deposition transcript and

6 soft copies of the exhibits. Are you going

7 to send something to the witness to read

8 and sign? I think you could send it to him

9 either directly or to Mr. Taylor on his

10 behalf.

The time</p> <p>8 on the video monitor is 10:21 a.m.</p> <p>9 Will the court reporter please swear</p> <p>10 in the witness.</p> <p>11 JAMES DONDERO,</p> <p>12 having been first duly sworn, testified as</p> <p>13 follows:</p> <p>14 MR. MORRIS: Deborah, would you like</p> <p>15 to make a statement?</p> <p>16 MS. DEITSCH-PEREZ: I didn't know if</p> <p>17 you wanted appearances first. Sure. This</p> <p>18 is Deborah Deitsch-Perez from Stinson. I'm</p> <p>19 counsel for Mr. Dondero, Nancy Dondero,</p> <p>20 HCRE and HCMS in this deposition.</p> <p>21 I want to apologize for everybody</p> <p>22 that we're starting late. Mr. Dondero was</p> <p>23 under the weather. It is – he has taken</p> <p>24 something, so he should not have to leave</p> <p>25 the deposition, but if at any point he</p>	<p style="text-align: right;">Page 289</p> <p>1 DONDERO - 10/29/21</p> <p>2 looks green to me, I will ask that we stop</p> <p>3 and reconvene when he is not feeling</p> <p>4 nauseous.</p> <p>5 MR. MORRIS: All right. I would</p> <p>6 like to just begin here. We have counsel</p> <p>7 on the line for all of the defendants, we</p> <p>8 have counsel for the plaintiff, and we have</p> <p>9 counsel for the Highland Litigation Trust,</p> <p>10 and I think that that is everybody who</p> <p>11 is – is supposed to be here, so I would</p> <p>12 like to just begin.</p> <p>13 EXAMINATION</p> <p>14 BY MR. MORRIS:</p> <p>15 Q. Mr. Dondero, can you hear me okay?</p> <p>16 A. Yes.</p> <p>17 Q. Okay. And are you feeling well</p> <p>18 enough to begin today's deposition?</p> <p>19 A. Yes.</p> <p>20 Q. Okay. I understand that you are not</p> <p>21 feeling well. And I want you to know that I do</p> <p>22 not want to proceed with this deposition unless</p> <p>23 you believe that you are physically and</p> <p>24 mentally able to participate to the best of</p> <p>25 your ability. Okay? Do you understand that?</p>
<p style="text-align: right;">Page 290</p> <p>1 DONDERO - 10/29/21</p> <p>2 A. Yes.</p> <p>3 Q. So if at any time you don't feel</p> <p>4 like you can continue, I would rather adjourn</p> <p>5 to one day next week to complete the deposition</p> <p>6 rather than forcing you to do something that</p> <p>7 you don't believe you're capable of doing.</p> <p>8 Okay?</p> <p>9 A. Yes. Yes. I did throw up twice</p> <p>10 last night.</p> <p>11 Q. Okay.</p> <p>12 A. I imagine we could go for – let's</p> <p>13 shoot for four hours today, you know, maybe –</p> <p>14 maybe five, I don't know, but if we don't</p> <p>15 finish –</p> <p>16 Q. I don't want to –</p> <p>17 A. – we will do the rest next week.</p> <p>18 Q. Okay. I don't want to put an</p> <p>19 arbitrary time on it. You tell me if you are</p> <p>20 unable to continue. Okay? Is that fair?</p> <p>21 A. Yes. That is my estimate at this</p> <p>22 point.</p> <p>23 Q. Okay. You founded Highland Capital</p> <p>24 Management, L.P.; correct?</p> <p>25 A. Yes.</p>	<p style="text-align: right;">Page 291</p> <p>1 DONDERO - 10/29/21</p> <p>2 Q. And we are going to refer to that</p> <p>3 entity and that entity only today as Highland;</p> <p>4 is that okay?</p> <p>5 A. Yes.</p> <p>6 Q. When did you found – when did you</p> <p>7 create Highland?</p> <p>8 A. '94.</p> <p>9 Q. And did you serve as Highland's</p> <p>10 president from 1994 until on or around January</p> <p>11 9th, 2020?</p> <p>12 A. Yes.</p> <p>13 Q. Did – can you describe in your own</p> <p>14 words what the business of Highland was while</p> <p>15 you were president?</p> <p>16 A. We were largely below investment</p> <p>17 grade, credit strap, and we diversified over</p> <p>18 the years to become more of an alternative</p> <p>19 asset manager in a variety of formats.</p> <p>20 Q. And –</p> <p>21 MS. DEITSCH-PEREZ: I'm sorry, John,</p> <p>22 one sec. This was set up by someone a lot</p> <p>23 shorter than Mr. Dondero. Let me just take</p> <p>24 one minute to adjust it.</p> <p>25 MR. MORRIS: May I proceed, Deborah?</p>

<p>Page 292</p> <p>1 DONDERO - 10/29/21</p> <p>2 MS. DEITSCH-PEREZ: (Nods head.)</p> <p>3 Q. Okay. Mr. Dondero, at its peak,</p> <p>4 what is the – the largest value of assets that</p> <p>5 Highland had under management while you were</p> <p>6 president?</p> <p>7 A. 35 billion.</p> <p>8 Q. And do you recall what year that</p> <p>9 was?</p> <p>10 A. Not exactly.</p> <p>11 Q. Was it before the 2008 financial</p> <p>12 crisis?</p> <p>13 A. Yes.</p> <p>14 Q. Okay. So you were the president of</p> <p>15 Highland for about 25 years; is that right?</p> <p>16 A. Yes, 25, 26, whatever.</p> <p>17 Q. And do you consider yourself to be</p> <p>18 expert in the area of money management?</p> <p>19 A. Yeah, on the things that we focus</p> <p>20 on.</p> <p>21 Q. You are a sophisticated investor;</p> <p>22 right?</p> <p>23 A. Yes. I would believe I'm</p> <p>24 categorized as such.</p> <p>25 Q. And you are a sophisticated money</p>	<p>Page 293</p> <p>1 DONDERO - 10/29/21</p> <p>2 manager; is that fair?</p> <p>3 A. Yes.</p> <p>4 Q. And you manage money on behalf of</p> <p>5 thousands of people; isn't that right?</p> <p>6 A. Yes.</p> <p>7 Q. And as a general matter, you know</p> <p>8 how to read and understand balance sheets,</p> <p>9 don't you?</p> <p>10 A. Yes.</p> <p>11 Q. You have signed promissory –</p> <p>12 promissory notes before, haven't you?</p> <p>13 A. Yes.</p> <p>14 Q. Is it fair to say you have signed</p> <p>15 hundreds of promissory notes during the 25-year</p> <p>16 period that you were the president of Highland?</p> <p>17 A. No.</p> <p>18 Q. Is it fair to say that you signed</p> <p>19 dozens of promissory notes during the time that</p> <p>20 you were president of Highland?</p> <p>21 A. Yeah, dozens is probably fair.</p> <p>22 Q. Okay. And is it fair to say that</p> <p>23 the aggregate principal amount of the</p> <p>24 promissory notes that you signed while you were</p> <p>25 president of Highland likely exceeded</p>
<p>Page 294</p> <p>1 DONDERO - 10/29/21</p> <p>2 \$200 million?</p> <p>3 MS. DEITSCH-PEREZ: Objection to the</p> <p>4 form.</p> <p>5 A. I don't have a basis for knowing</p> <p>6 that.</p> <p>7 Q. You do know that it is more than</p> <p>8 \$100 million, don't you?</p> <p>9 A. No.</p> <p>10 Q. Do you owe today Highland Capital</p> <p>11 Management Services more than \$75 million?</p> <p>12 A. I don't know what the amount is. I</p> <p>13 don't believe it is that much.</p> <p>14 Q. Are the obligations to Highland</p> <p>15 Capital –</p> <p>16 MS. DEITSCH-PEREZ: Hold on. Hold</p> <p>17 on. My connection just disappeared.</p> <p>18 MR. MORRIS: Okay.</p> <p>19 MS. DEITSCH-PEREZ: Okay, I'm back.</p> <p>20 Q. Okay. Did the – did the</p> <p>21 obligations that you have to Highland Capital</p> <p>22 Management Services, are they reflected in</p> <p>23 promissory notes?</p> <p>24 MS. DEITSCH-PEREZ: Could you repeat</p> <p>25 that question?</p>	<p>Page 295</p> <p>1 DONDERO - 10/29/21</p> <p>2 MR. MORRIS: Sure.</p> <p>3 Q. Mr. Dondero, you borrowed money from</p> <p>4 Highland Capital Management Services; correct?</p> <p>5 A. I'm sorry, it sounds like at first</p> <p>6 you were asking me, did Highland Capital</p> <p>7 Services borrow money from Highland. Now</p> <p>8 you're asking me if I borrowed money from</p> <p>9 Services?</p> <p>10 Q. Yeah, let me – let me rephrase the</p> <p>11 question, sir, because if it is not clear, that</p> <p>12 is my fault, and I apologize.</p> <p>13 Did you – have you borrowed money</p> <p>14 from Highland Capital Management Services?</p> <p>15 A. I believe so.</p> <p>16 Q. Okay. Do you know the aggregate</p> <p>17 principal amount that is outstanding today,</p> <p>18 ballpark?</p> <p>19 A. No.</p> <p>20 Q. Are the obligations that you have to</p> <p>21 Highland Capital Management Services reflected</p> <p>22 in promissory notes where you're the maker and</p> <p>23 Highland Capital Management Services is the</p> <p>24 payee?</p> <p>25 A. Please repeat that question.</p>

<p>Page 296</p> <p>1 DONDERO - 10/29/21</p> <p>2 Q. Are you the maker on promissory</p> <p>3 notes in favor of Highland Capital Management</p> <p>4 Services, Inc.?</p> <p>5 A. I don't know. I believe – I</p> <p>6 believe so, or I believe I have in the past,</p> <p>7 but I don't know.</p> <p>8 Q. Do you have any – any estimate as</p> <p>9 to how much money you owe Highland Capital</p> <p>10 Management Services, Inc. today?</p> <p>11 MS. DEITSCH-PEREZ: Asked and</p> <p>12 answered.</p> <p>13 A. No.</p> <p>14 Q. Can you say if it is more or less</p> <p>15 than \$50 million?</p> <p>16 A. I don't know.</p> <p>17 Q. Can you say if it is more or less</p> <p>18 than \$25 million?</p> <p>19 A. I don't know.</p> <p>20 Q. As a general matter, is it fair to</p> <p>21 say that you know how to read and understand</p> <p>22 promissory notes?</p> <p>23 MS. DEITSCH-PEREZ: Object to the</p> <p>24 form.</p> <p>25 A. In general, yes.</p>	<p>Page 297</p> <p>1 DONDERO - 10/29/21</p> <p>2 Q. Okay. When you were in control of</p> <p>3 Highland, you personally decided who was hired</p> <p>4 at that company; is that fair?</p> <p>5 A. Sometimes, in senior positions.</p> <p>6 Q. Okay. Did your duties as president</p> <p>7 of Highland include being familiar with the</p> <p>8 debts and obligations that were owed to</p> <p>9 Highland?</p> <p>10 MS. DEITSCH-PEREZ: Object to the</p> <p>11 form.</p> <p>12 A. I mean, generally.</p> <p>13 Q. Okay. Did you ever do anything to</p> <p>14 familiarize yourself with the debts and</p> <p>15 obligations that were owed to Highland?</p> <p>16 A. Are you referring to the affiliated</p> <p>17 notes or –</p> <p>18 Q. Sure.</p> <p>19 A. – or what – what are –</p> <p>20 Q. I was – I was asking – I</p> <p>21 apologize. I don't mean to step on your words.</p> <p>22 A. No, you just – because I don't</p> <p>23 think Highland had a lot of other obligations</p> <p>24 due from other parties, and the affiliated</p> <p>25 notes in aggregate were always de minimis to</p>
<p>Page 298</p> <p>1 DONDERO - 10/29/21</p> <p>2 Highland than now, at any time.</p> <p>3 Q. It is your – it is your position</p> <p>4 that the affiliate notes to Highland were de</p> <p>5 minimis in amount?</p> <p>6 A. Yes.</p> <p>7 Q. And how do you define de minimus for</p> <p>8 that purpose?</p> <p>9 A. I believe the balance sheet of</p> <p>10 Highland today for the last three years, four</p> <p>11 years, five years has been between 5 and</p> <p>12 \$600 million. I believe the notes have never</p> <p>13 been more than 8 or 10 or 12 percent of that</p> <p>14 number.</p> <p>15 Q. And you believe that 8 or 10 or</p> <p>16 12 percent of Highland's asset base you</p> <p>17 would – you would define as de minimis?</p> <p>18 A. Yes.</p> <p>19 Q. Okay. As – as president of</p> <p>20 Highland, did you ever do anything to</p> <p>21 familiarize yourself with the number and amount</p> <p>22 of affiliate loans that Highland carried on its</p> <p>23 books and records?</p> <p>24 A. Not that I can recall.</p> <p>25 Q. Was there anybody at Highland who</p>	<p>Page 299</p> <p>1 DONDERO - 10/29/21</p> <p>2 was charged with the responsibility of knowing</p> <p>3 the number and amount of affiliate loans that</p> <p>4 Highland carried on its balance sheet?</p> <p>5 A. Sure.</p> <p>6 Q. Can you identify the people who were</p> <p>7 responsible for that?</p> <p>8 A. The people in accounting responsible</p> <p>9 for tracking assets and liabilities in</p> <p>10 preparing all the audited financial statements</p> <p>11 every year and the quarterly unaudited</p> <p>12 financial statements that were prepared and the</p> <p>13 monthly operating reports.</p> <p>14 Q. Can you – can you name any names of</p> <p>15 the people who had the responsibilities that</p> <p>16 you just described?</p> <p>17 A. I think it changed regularly, but it</p> <p>18 would have been people in Frank's group in</p> <p>19 accounting.</p> <p>20 Q. Did Frank have any responsibility</p> <p>21 for knowing and understanding the affiliate</p> <p>22 loans that Highland carried on its balance</p> <p>23 sheet?</p> <p>24 A. Sure. I – as CFO he had to sign</p> <p>25 off on the audited financials and rep letters</p>

<p style="text-align: right;">Page 300</p> <p>1 DONDERO - 10/29/21</p> <p>2 and – yes.</p> <p>3 Q. And can you – can you identify the</p> <p>4 name of any person in the accounting group in,</p> <p>5 let's say, the three years prior to the</p> <p>6 bankruptcy who had responsibility for knowing</p> <p>7 and understanding the scope of affiliate loans</p> <p>8 that Highland carried on its balance sheet?</p> <p>9 A. No, I would just be speculating but</p> <p>10 it would be – the senior people in Frank's</p> <p>11 group would be responsible for the financial</p> <p>12 statements.</p> <p>13 Q. Are you able to name the people, the</p> <p>14 senior people in Frank's group in the couple of</p> <p>15 years prior to the bankruptcy?</p> <p>16 A. Yes, but I don't know – like</p> <p>17 David Klos was a senior person, Cliff Stoops</p> <p>18 was a senior person. There were a couple</p> <p>19 up-and-comers below them, but who did the</p> <p>20 financials – how Frank assigned the work in</p> <p>21 his group, I have no idea.</p> <p>22 Q. Did you ever ask?</p> <p>23 A. No.</p> <p>24 Q. Do you have any knowledge as you sit</p> <p>25 here today who within Frank's group had</p>	<p style="text-align: right;">Page 301</p> <p>1 DONDERO - 10/29/21</p> <p>2 responsibility for knowing and understanding</p> <p>3 the affiliate loans that Highland carried on</p> <p>4 its balance sheets?</p> <p>5 A. No.</p> <p>6 Q. And to the best of your knowledge as</p> <p>7 you sit here today, you never personally did</p> <p>8 anything to know and understand the extent and</p> <p>9 scope of the affiliate loans that Highland</p> <p>10 carried on its balance sheet; is that right?</p> <p>11 A. Correct.</p> <p>12 Q. Okay. You appointed Mr. Waterhouse</p> <p>13 as Highland's CFO; is that right?</p> <p>14 A. I think it was appointed and</p> <p>15 recommended by Patrick Boyce, but I agreed with</p> <p>16 the selection.</p> <p>17 Q. And you –</p> <p>18 A. That – (speaking simultaneously.)</p> <p>19 Q. I apologize, are you done?</p> <p>20 A. I'm just saying that was a long time</p> <p>21 ago, but I don't remember the details exactly.</p> <p>22 Q. But you had the authority and you</p> <p>23 used that authority to appoint Frank as CFO;</p> <p>24 correct?</p> <p>25 MS. DEITSCH-PEREZ: There's a lag in</p>
<p style="text-align: right;">Page 302</p> <p>1 DONDERO - 10/29/21</p> <p>2 the video. I don't know if it matters, but</p> <p>3 for a while Jim was frozen. And I know</p> <p>4 because – since there was voice and no –</p> <p>5 his mouth wasn't moving. So let's just –</p> <p>6 if the videographer sees there is a</p> <p>7 problem, please let us know.</p> <p>8 Q. I –</p> <p>9 A. Yes. I'm sorry, could you just</p> <p>10 repeat the question regarding Frank, please?</p> <p>11 Q. Sure.</p> <p>12 As the president of Highland, did</p> <p>13 you have the authority and did you exercise</p> <p>14 that authority to appoint him as Highland's</p> <p>15 CFO?</p> <p>16 A. Yes.</p> <p>17 Q. Okay. Do you recall when you</p> <p>18 appointed Mr. Waterhouse CFO of Highland?</p> <p>19 A. No.</p> <p>20 Q. Was it more than five years prior to</p> <p>21 the bankruptcy?</p> <p>22 A. Yes.</p> <p>23 Q. As the president – during the time</p> <p>24 that you served as president of Highland, did</p> <p>25 you believe that Mr. Waterhouse fulfilled his</p>	<p style="text-align: right;">Page 303</p> <p>1 DONDERO - 10/29/21</p> <p>2 duties as chief financial officer?</p> <p>3 A. Yes.</p> <p>4 Q. Can you recall anything that</p> <p>5 Mr. Waterhouse did in his capacity as</p> <p>6 Highland's CFO that did not comport with your</p> <p>7 expectations?</p> <p>8 A. I think we will talk about some of</p> <p>9 those today.</p> <p>10 Q. Okay. Do you have any reason to</p> <p>11 believe that Mr. Waterhouse ever breached his</p> <p>12 duties to Highland during the time that you</p> <p>13 served as president?</p> <p>14 COURT REPORTER: We can't hear you</p> <p>15 speaking.</p> <p>16 Q. We haven't heard any portion of your</p> <p>17 answer, Mr. Dondero.</p> <p>18 MR. MORRIS: I don't know if people</p> <p>19 can – can hear, but I cannot hear</p> <p>20 Mr. Dondero.</p> <p>21 COURT REPORTER: I can't either.</p> <p>22 MR. MORRIS: Yeah, Deborah, can you</p> <p>23 speak, please.</p> <p>24 COURT REPORTER: They're on the same</p> <p>25 speaker.</p>

<p style="text-align: right;">Page 304</p> <p>1 DONDERO - 10/29/21</p> <p>2 VIDEOGRAPHER: Do we want to go off</p> <p>3 the record?</p> <p>4 MR. MORRIS: Yes, please.</p> <p>5 VIDEOGRAPHER: Off the record,</p> <p>6 10:41.</p> <p>7 (Recess taken 10:41 a.m. to 10:47 a.m.)</p> <p>8 VIDEOGRAPHER: Back on the record,</p> <p>9 10:47.</p> <p>10 Q. Okay. Let me just ask the question</p> <p>11 again so the record is clean, Mr. Dondero.</p> <p>12 Do you have any reason to believe as</p> <p>13 you sit here right now that Mr. Waterhouse ever</p> <p>14 breached his duties to Highland during the time</p> <p>15 that you served as president?</p> <p>16 MS. DEITSCH-PEREZ: Asked and</p> <p>17 answered.</p> <p>18 A. Yeah, I think I did ask and answer</p> <p>19 that. Again, not intentionally, not</p> <p>20 maliciously. I am – I guess things we're</p> <p>21 going to talk about today are for periods of</p> <p>22 time after I was president, so...</p> <p>23 Q. Right. That is going to be the next</p> <p>24 question that I ask. But to be clear – I just</p> <p>25 want to have a clear record – during the time</p>	<p style="text-align: right;">Page 305</p> <p>1 DONDERO - 10/29/21</p> <p>2 that you were president, do you have any reason</p> <p>3 to believe that Mr. Waterhouse breached his</p> <p>4 duties to Highland?</p> <p>5 MS. DEITSCH-PEREZ: Asked and</p> <p>6 answered. This is the third time.</p> <p>7 A. No.</p> <p>8 MR. MORRIS: It is actually not.</p> <p>9 Q. But thank you, Mr. Dondero. I</p> <p>10 appreciate that.</p> <p>11 After you ceased to be president of</p> <p>12 Highland, do you have any reason to believe</p> <p>13 that Mr. Waterhouse breached his duties to</p> <p>14 Highland?</p> <p>15 A. Breached his duties to – I don't –</p> <p>16 I don't know if it is – I don't want to – I</p> <p>17 don't want to make a judgment overall. When we</p> <p>18 talk about the notes we can make conclusions</p> <p>19 then.</p> <p>20 Q. All right. But you're not able to</p> <p>21 tell me in response to my question whether you</p> <p>22 believe today that Mr. Waterhouse breached his</p> <p>23 duties to Highland after the time that you</p> <p>24 served as president?</p> <p>25 MS. DEITSCH-PEREZ: Object to the</p>
<p style="text-align: right;">Page 306</p> <p>1 DONDERO - 10/29/21</p> <p>2 form of the question.</p> <p>3 A. I don't want to comment off the top</p> <p>4 of my head, but I've highlighted that we will</p> <p>5 discuss it around the note issue.</p> <p>6 Q. Okay. You are familiar with an</p> <p>7 entity called Highland Capital Management Fund</p> <p>8 Advisors, L.P.; is that correct?</p> <p>9 A. Yes.</p> <p>10 Q. And we're going to refer to that</p> <p>11 entity as HCMFA. Is that okay?</p> <p>12 A. Yes.</p> <p>13 Q. Do you know who owns HCMFA?</p> <p>14 A. I believe it is myself and</p> <p>15 Mark Okada.</p> <p>16 Q. Okay. And do you have an</p> <p>17 understanding as to – as to the percentage of</p> <p>18 each of your interests, ownership interests in</p> <p>19 HCMFA?</p> <p>20 A. No, and I don't know the entities.</p> <p>21 I don't know if I own it directly or through</p> <p>22 Dugaboy. And I do believe Okada tends to use</p> <p>23 his trusts, but I don't know the percentages</p> <p>24 either.</p> <p>25 Q. Do you own a – do you own a</p>	<p style="text-align: right;">Page 307</p> <p>1 DONDERO - 10/29/21</p> <p>2 major- – withdrawn.</p> <p>3 Do you directly or indirectly own a</p> <p>4 majority of the ownership interests in HCMFA?</p> <p>5 A. I believe so.</p> <p>6 Q. Okay. And do you control HCMFA?</p> <p>7 A. Yes.</p> <p>8 Q. And do you know when HCMFA was</p> <p>9 created?</p> <p>10 A. No, I do not.</p> <p>11 Q. Do you know if it was before or</p> <p>12 after 2010?</p> <p>13 A. I don't know.</p> <p>14 Q. Have you controlled HCMFA since the</p> <p>15 time it was created?</p> <p>16 A. I believe so, but I don't know for</p> <p>17 sure.</p> <p>18 Q. Can you think of any period of time</p> <p>19 when you didn't control HCMFA?</p> <p>20 A. I don't know. I don't remember the</p> <p>21 ownership structure prior and I don't remember</p> <p>22 when it started, so I don't know.</p> <p>23 Q. Okay. I'm asking about control and</p> <p>24 not ownership.</p> <p>25 Can you think of any period of time</p>

<p>Page 308</p> <p>1 DONDERO - 10/29/21</p> <p>2 when you did not control HCMFA?</p> <p>3 A. I don't know.</p> <p>4 Q. Okay. Can you tell me what the</p> <p>5 nature of HCMFA's business is?</p> <p>6 A. It largely housed our mutual funds.</p> <p>7 Q. What does it mean to house mutual</p> <p>8 funds?</p> <p>9 A. It managed – it managed the mutual</p> <p>10 funds from a portfolio asset side and captured</p> <p>11 the management fees as the advisor or sub</p> <p>12 advisor – I can't remember the structure. I</p> <p>13 can't remember if it was the advisor and</p> <p>14 Highland was the sub advisor or vice versa, but</p> <p>15 in general, a good portion, or most of the</p> <p>16 portfolio team that managed the mutual funds</p> <p>17 was employed at HCMFA.</p> <p>18 Q. Do you have a title with HCMFA</p> <p>19 today?</p> <p>20 A. I don't know.</p> <p>21 Q. Do you know who the president of</p> <p>22 HCMFA is?</p> <p>23 A. I would believe – I would – I</p> <p>24 would think I am, but I don't know.</p> <p>25 Q. Do you know of any title that you</p>	<p>Page 309</p> <p>1 DONDERO - 10/29/21</p> <p>2 have at HCMFA today?</p> <p>3 A. I know I'm the portfolio manager on</p> <p>4 a bunch of the funds, one of usually two or</p> <p>5 three portfolio managers, and I believe I'm the</p> <p>6 president, but I don't know beyond that.</p> <p>7 Q. Okay. Did Frank Waterhouse serve as</p> <p>8 treasurer of HCMFA at any point in time?</p> <p>9 A. I don't know. I don't know. I</p> <p>10 just – I don't know. I don't remember.</p> <p>11 MR. MORRIS: Can I ask my – my</p> <p>12 colleague to please put up a document that</p> <p>13 was premarked as Exhibit 35 to see if I can</p> <p>14 refresh your recollection.</p> <p>15 MS. DEITSCH-PEREZ: Is that in the</p> <p>16 book that you sent over?</p> <p>17 MR. MORRIS: No. She will post it</p> <p>18 and she will put it in the chat room.</p> <p>19 Q. Are you able to see that,</p> <p>20 Mr. Dondero?</p> <p>21 A. Yes.</p> <p>22 Q. Can you see that this is an</p> <p>23 incumbency certificate?</p> <p>24 A. Yes.</p> <p>25 Q. Do you know what an incumbency</p>
<p>Page 310</p> <p>1 DONDERO - 10/29/21</p> <p>2 certificate is?</p> <p>3 A. I'm reading it here for a second. I</p> <p>4 guess it is an officer statement or signature</p> <p>5 authority, or some combination thereof.</p> <p>6 Q. Is that your signature at the bottom</p> <p>7 of this document?</p> <p>8 A. Yes.</p> <p>9 Q. And do you see that this is an</p> <p>10 incumbency certificate for HCMFA that you</p> <p>11 signed effective as of April 11th, 2019?</p> <p>12 A. Yes.</p> <p>13 Q. Do you see that Frank Waterhouse is</p> <p>14 identified as the treasurer of HCMFA as of that</p> <p>15 date?</p> <p>16 A. Yes.</p> <p>17 Q. Does that refresh your recollection</p> <p>18 that Mr. Waterhouse served as the treasurer of</p> <p>19 HCMFA?</p> <p>20 A. It seems to be an authoritative</p> <p>21 document, but I didn't have a recollection.</p> <p>22 Q. Do you know of anybody else who has</p> <p>23 ever served as the treasurer of HCMFA other</p> <p>24 than Mr. Waterhouse?</p> <p>25 A. I don't recall.</p>	<p>Page 311</p> <p>1 DONDERO - 10/29/21</p> <p>2 Q. Did you, in your capacity as the</p> <p>3 person who was in control of HCMFA, appoint</p> <p>4 Mr. Waterhouse as the treasurer of that entity?</p> <p>5 MS. DEITSCH-PEREZ: Object to the</p> <p>6 form.</p> <p>7 A. It appears to me that that's what</p> <p>8 this incumbency certificate does, but...</p> <p>9 Q. Is it fair to say that you knew for</p> <p>10 at least a few years prior to the petition date</p> <p>11 that Mr. Waterhouse was simultaneously serving</p> <p>12 as Highland's CFO and HCMFA's treasurer?</p> <p>13 A. No. I mean, like I said, I don't</p> <p>14 remember, and a lot of the officers had</p> <p>15 multiple roles and multiple entities. I mean,</p> <p>16 it is not surprising, but I didn't have any</p> <p>17 recollection.</p> <p>18 Q. Are you aware that Mr. Waterhouse</p> <p>19 served in any capacity in the Highland universe</p> <p>20 of companies other than as CFO of Highland</p> <p>21 Capital Management, L.P.?</p> <p>22 A. I would – I would assume he would</p> <p>23 have a position like this in multiple other</p> <p>24 entities, but I don't know which ones or what</p> <p>25 titles he would have off the top of my head.</p>

<p style="text-align: right;">Page 312</p> <p>1 DONDERO - 10/29/21</p> <p>2 Q. Is it fair to say, though, that he</p> <p>3 wouldn't have obtained any of those titles</p> <p>4 without your knowledge and approval?</p> <p>5 A. It is – it is fair to say he was –</p> <p>6 he had – the lawyers or whoever worked on</p> <p>7 general corporate structuring, Frank was a</p> <p>8 senior officer in good standing, so they would</p> <p>9 have used him as appropriate in different</p> <p>10 things.</p> <p>11 So to that extent, I guess I approve</p> <p>12 it, but I sign hundreds of things like this.</p> <p>13 Would – you know, would I have been</p> <p>14 specifically aware or remember – remember it</p> <p>15 is a very low likelihood.</p> <p>16 Q. Is there any position that</p> <p>17 Mr. Waterhouse has ever held that you learned</p> <p>18 about and you objected to on the grounds that</p> <p>19 you hadn't approved it?</p> <p>20 A. No, not that I recall.</p> <p>21 Q. Okay. Do you know if Mr. Waterhouse</p> <p>22 held any positions with any of the retail</p> <p>23 funds?</p> <p>24 A. I don't know.</p> <p>25 Q. He may have, you just don't recall;</p>	<p style="text-align: right;">Page 313</p> <p>1 DONDERO - 10/29/21</p> <p>2 is that right?</p> <p>3 A. That is correct.</p> <p>4 Q. And you can't identify any title</p> <p>5 that Mr. Waterhouse held during the time that</p> <p>6 you served as Highland's president other than</p> <p>7 CFO of Highland. Do I have that right?</p> <p>8 A. No, I don't think that is fair.</p> <p>9 Q. Okay.</p> <p>10 A. I mean – I mean, he was CFO, but he</p> <p>11 was other things before he was CFO. And as we</p> <p>12 were just saying, he's – he's treasurer on</p> <p>13 this incumbency certificate, but I think he</p> <p>14 might have been on other incumbency</p> <p>15 certificates, so I think your – your summary</p> <p>16 was too narrow.</p> <p>17 Q. Okay. Can you identify any position</p> <p>18 that Mr. Waterhouse held at the same time that</p> <p>19 he is CFO of Highland other than treasurer of</p> <p>20 HCMFA as reflected on this document?</p> <p>21 A. I can't recall, but I imagine there</p> <p>22 to be others.</p> <p>23 Q. And to the extent there are others,</p> <p>24 is it fair to say that you knew at the time</p> <p>25 that Mr. Waterhouse was serving in more than</p>
<p style="text-align: right;">Page 314</p> <p>1 DONDERO - 10/29/21</p> <p>2 one role?</p> <p>3 A. Yes.</p> <p>4 Q. Okay. And in his capacity as CFO of</p> <p>5 Highland, did he report directly to you?</p> <p>6 A. Yes.</p> <p>7 Q. In his capacity as treasurer of</p> <p>8 HCMFA, did he report directly to you?</p> <p>9 A. Yeah, it appears that, yes, that is</p> <p>10 how it was structured.</p> <p>11 Q. Can you think of any position that</p> <p>12 Mr. Waterhouse ever held in the Highland family</p> <p>13 of companies where he didn't report directly to</p> <p>14 you?</p> <p>15 A. I can't – I can't think of any.</p> <p>16 Q. Is Mr. Waterhouse the treasurer of</p> <p>17 HCMFA today?</p> <p>18 A. I don't know. I'm not aware of any</p> <p>19 changes, nor did I orchestrate any changes, but</p> <p>20 I don't know for sure.</p> <p>21 Q. Can you identify any position that</p> <p>22 Mr. Waterhouse holds with any former affiliated</p> <p>23 company of Highland today?</p> <p>24 A. Again, I'm not aware of any changes,</p> <p>25 nor did I orchestrate or precipitate any</p>	<p style="text-align: right;">Page 315</p> <p>1 DONDERO - 10/29/21</p> <p>2 changes. With the formation of Skyview, I</p> <p>3 don't know if there was changes. I'm not</p> <p>4 aware.</p> <p>5 Q. Have you considered firing</p> <p>6 Mr. Waterhouse from any of the positions that</p> <p>7 he holds with any of the companies that were</p> <p>8 formerly affiliated with Highland?</p> <p>9 A. No.</p> <p>10 Q. As the president of HCMFA –</p> <p>11 withdrawn.</p> <p>12 As the person who was in control of</p> <p>13 HCMFA, did you have any responsibility for</p> <p>14 being familiar with HCMFA's debts and</p> <p>15 obligations?</p> <p>16 MS. DEITSCH-PEREZ: Object to the</p> <p>17 form.</p> <p>18 A. I don't know.</p> <p>19 Q. Did you ever do anything in your</p> <p>20 capacity as the person in control of HCMFA to</p> <p>21 familiarize yourself with HCMFA's debts and</p> <p>22 obligations?</p> <p>23 A. Not during – I mean, not prior to</p> <p>24 bankruptcy.</p> <p>25 Q. So before the bankruptcy, you didn't</p>

<p style="text-align: right;">Page 316</p> <p>1 DONDERO - 10/29/21</p> <p>2 take any steps to familiarize yourself with</p> <p>3 HCMFA's debts and obligations. Do I have that</p> <p>4 right?</p> <p>5 A. Correct, not specifically.</p> <p>6 Q. Okay. Who was responsible for</p> <p>7 knowing and understanding the scope and extent</p> <p>8 of HCMFA's debts and obligations?</p> <p>9 A. That would have fallen on Frank and</p> <p>10 his group.</p> <p>11 Q. Okay. Do you have an understanding</p> <p>12 as to who was authorized to incur obligations</p> <p>13 on behalf of HCMFA?</p> <p>14 A. I mean, beyond – beyond due course,</p> <p>15 I struggle to see why it would be anybody other</p> <p>16 than me, but I don't know.</p> <p>17 Q. Do you know if Mr. Waterhouse was</p> <p>18 authorized as the treasurer of HCMFA to incur</p> <p>19 obligations on its behalf?</p> <p>20 A. He wasn't the senior operating or</p> <p>21 executive positions there. So the answer is</p> <p>22 no, beyond, you know – beyond the normal</p> <p>23 course of operating expenses or whatever, but</p> <p>24 it would – he would never be the person on</p> <p>25 anything of significance.</p>	<p style="text-align: right;">Page 317</p> <p>1 DONDERO - 10/29/21</p> <p>2 Q. How do you define "significance"?</p> <p>3 A. Like waiving fees on a mutual fund,</p> <p>4 purchasing another mutual fund, yeah, things</p> <p>5 like that.</p> <p>6 Q. Was there any document or policy</p> <p>7 that you are aware of that specifically</p> <p>8 identifies the scope of Mr. Waterhouse's</p> <p>9 authority as the treasurer of HCMFA?</p> <p>10 A. No.</p> <p>11 Q. Is there anything that you are aware</p> <p>12 of that specifically limits Mr. Waterhouse's</p> <p>13 authority other than what might be in your</p> <p>14 head?</p> <p>15 A. No, I would – I would say what is</p> <p>16 in my head is – would be typical industry</p> <p>17 practice. You wouldn't – you wouldn't have</p> <p>18 executive vice presidents or ownership defined</p> <p>19 if you were going to delegate everything to an</p> <p>20 employee three levels down, you know.</p> <p>21 MS. DEITSCH-PEREZ: Okay. John,</p> <p>22 I've had a request from Davor to take a</p> <p>23 quick restroom break, so –</p> <p>24 MR. MORRIS: You know, I really –</p> <p>25 Davor, I'm happy to accommodate, but at</p>
<p style="text-align: right;">Page 318</p> <p>1 DONDERO - 10/29/21</p> <p>2 some point we have got to be able to get</p> <p>3 more than 10 minutes of testimony in a row.</p> <p>4 So let's take a short break.</p> <p>5 MS. DEITSCH-PEREZ: Thank you.</p> <p>6 VIDEOGRAPHER: Going off the record.</p> <p>7 The time is 11:08.</p> <p>8 (Recess taken 11:08 a.m. to 11:16 a.m.)</p> <p>9 VIDEOGRAPHER: Back on the record,</p> <p>10 11:16.</p> <p>11 Q. Mr. Dondero, did you communicate</p> <p>12 with anybody on the break about the substance</p> <p>13 of your testimony?</p> <p>14 A. No.</p> <p>15 Q. As treasurer of HCMFA, did</p> <p>16 Mr. Waterhouse's responsibilities include being</p> <p>17 familiar with HCMFA's debts and obligations?</p> <p>18 A. Yes.</p> <p>19 Q. Do you have any reason to believe as</p> <p>20 you sit here today that Mr. Waterhouse failed</p> <p>21 to fulfill his responsibilities as treasurer of</p> <p>22 HCMFA and familiarize himself with their debts</p> <p>23 and responsibilities?</p> <p>24 MS. DEITSCH-PEREZ: Object to the</p> <p>25 form.</p>	<p style="text-align: right;">Page 319</p> <p>1 DONDERO - 10/29/21</p> <p>2 A. I don't know.</p> <p>3 Q. I appreciate that you don't know,</p> <p>4 but do you have any reason as you sit here</p> <p>5 today to believe that he failed to fulfill that</p> <p>6 particular responsibility?</p> <p>7 A. I don't know.</p> <p>8 Q. Okay. Are you an authorized</p> <p>9 signatory on HCMFA's bank accounts?</p> <p>10 A. I don't know.</p> <p>11 Q. Do you know who the authorized</p> <p>12 signatories are on HCMFA's bank accounts?</p> <p>13 A. No.</p> <p>14 Q. Do you know whether anybody now</p> <p>15 employed or previously employed by Highland was</p> <p>16 an authorized signatory with respect to any of</p> <p>17 HCMFA's bank accounts?</p> <p>18 A. I don't know.</p> <p>19 Q. Do you know whether Mr. Waterhouse</p> <p>20 was an authorized signatory on any of HCMFA's</p> <p>21 bank accounts?</p> <p>22 A. I don't know how he had – had it</p> <p>23 set up. There would have been, I imagine,</p> <p>24 checks and balances. We run, as far as I know,</p> <p>25 a compliant accounting group, you know, with</p>

<p>Page 320</p> <p>1 DONDERO - 10/29/21</p> <p>2 the right audit controls, et cetera. So I</p> <p>3 would imagine there would have been somebody</p> <p>4 preparing it and multiple signatures or</p> <p>5 multiple sign-offs on wires, but I have no</p> <p>6 awareness of this. I mean, I would believe</p> <p>7 that it was done compliantly and correctly, but</p> <p>8 I don't have any specific awareness.</p> <p>9 Q. Okay. Do you know Lauren Thedford?</p> <p>10 A. Yes.</p> <p>11 Q. And was Ms. Thedford an employee of</p> <p>12 Highland at one time?</p> <p>13 A. Yes.</p> <p>14 Q. Do you recall what position she held</p> <p>15 at any particular point in time?</p> <p>16 A. I believe she held several different</p> <p>17 positions over the years, but I remember most</p> <p>18 as a corporate attorney working on document –</p> <p>19 documents when we – we do new funds or amend</p> <p>20 old funds.</p> <p>21 Q. Okay. Do you recall whether she</p> <p>22 served as an officer of HCMFA?</p> <p>23 A. Wasn't her name on the incumbency</p> <p>24 certificate we had up earlier?</p> <p>25 Q. It was. We can put it back up if</p>	<p>Page 321</p> <p>1 DONDERO - 10/29/21</p> <p>2 you want to look at that.</p> <p>3 A. No, but I think that is – that is</p> <p>4 the answer, but that is my only awareness.</p> <p>5 Q. Okay. Do you have – do you have –</p> <p>6 do you know whether she was ever appointed to</p> <p>7 any position within the Highland corporate</p> <p>8 family other than as an attorney with Highland</p> <p>9 and as the secretary of HCMFA?</p> <p>10 A. I don't know.</p> <p>11 Q. Other than Ms. Waterhouse –</p> <p>12 withdrawn.</p> <p>13 Other than Mr. Waterhouse and</p> <p>14 Ms. Thedford, can you identify any current or</p> <p>15 former employee of Highland that ever served as</p> <p>16 an officer of HCMFA?</p> <p>17 A. I don't know.</p> <p>18 Q. Okay. Can you identify any current</p> <p>19 or former employee of Highland who was</p> <p>20 simultaneously also an employee of HCMFA?</p> <p>21 MS. DEITSCH-PEREZ: Object to the</p> <p>22 form.</p> <p>23 A. You mean somebody who was a dual</p> <p>24 employee?</p> <p>25 Q. Yeah, who was actually – yeah, to</p>
<p>Page 322</p> <p>1 DONDERO - 10/29/21</p> <p>2 be clear, who was actually employed by both,</p> <p>3 who received, you know, income from both.</p> <p>4 A. I don't know regarding income, but</p> <p>5 some of that historic portfolio managers like</p> <p>6 Michael Gregory or Jonathan Lamensdorf, they</p> <p>7 did work for HCMFA primarily, but they also did</p> <p>8 other things for Highland. I don't know how</p> <p>9 their compensation or their bonuses were split.</p> <p>10 I just – I wouldn't have awareness of that.</p> <p>11 Q. Let's move on to NexPoint. You're</p> <p>12 familiar with an entity called NexPoint</p> <p>13 Advisors, L.P.; correct?</p> <p>14 A. Yes.</p> <p>15 Q. We will refer to that as NexPoint,</p> <p>16 okay?</p> <p>17 A. Sure.</p> <p>18 Q. Do you know who owns NexPoint?</p> <p>19 A. Directly or indirectly, I believe I</p> <p>20 do.</p> <p>21 Q. Okay. And do you control NexPoint?</p> <p>22 A. Yes.</p> <p>23 Q. And do you know when NexPoint was</p> <p>24 created?</p> <p>25 A. More than five years ago, but I</p>	<p>Page 323</p> <p>1 DONDERO - 10/29/21</p> <p>2 don't remember when.</p> <p>3 Q. Can you tell me generally the nature</p> <p>4 of NexPoint's business?</p> <p>5 A. It is generally real estate related.</p> <p>6 Q. Have you controlled NexPoint</p> <p>7 throughout its corporate existence, to the best</p> <p>8 of your knowledge?</p> <p>9 A. Yes.</p> <p>10 Q. Do you have a title with NexPoint</p> <p>11 today?</p> <p>12 A. I believe I'm president, but I don't</p> <p>13 know for sure.</p> <p>14 Q. Did you appoint Mr. Waterhouse to</p> <p>15 serve as treasurer of NexPoint?</p> <p>16 A. I don't know.</p> <p>17 MR. MORRIS: Please put up Exhibit</p> <p>18 37.</p> <p>19 Q. This is another incumbency</p> <p>20 certificate, sir?</p> <p>21 A. Yes.</p> <p>22 Q. And do you see, is that your</p> <p>23 signature at the bottom?</p> <p>24 A. Looks like it, yes.</p> <p>25 Q. And does that refresh your</p>

<p>Page 324</p> <p>1 DONDERO - 10/29/21</p> <p>2 recollection that you personally identified</p> <p>3 Mr. Waterhouse as the treasurer of NexPoint</p> <p>4 Advisors, L.P. effective as of April 11th,</p> <p>5 2019?</p> <p>6 A. No, I mean, not – no.</p> <p>7 Q. Do you have any reason to doubt that</p> <p>8 Mr. Waterhouse served as the treasurer of</p> <p>9 NexPoint Advisors prior to the petition date?</p> <p>10 A. No, I don't have a reason to</p> <p>11 disagree with it. I just didn't have an</p> <p>12 awareness. And when you asked me earlier, the</p> <p>13 thing that was running through my mind is that</p> <p>14 it could have been, you know, Brian Mitts who</p> <p>15 has a strong accounting background at NexPoint.</p> <p>16 I just wasn't – I didn't know, based on</p> <p>17 recollection, who was treasurer.</p> <p>18 Q. Okay. Were you aware that – but</p> <p>19 you were aware, were you not, that</p> <p>20 Mr. Waterhouse wore multiple hats?</p> <p>21 MS. DEITSCH-PEREZ: Objection to</p> <p>22 form.</p> <p>23 Q. Withdrawn.</p> <p>24 You were aware, were you not, sir,</p> <p>25 that during the time that you served as</p>	<p>Page 325</p> <p>1 DONDERO - 10/29/21</p> <p>2 president of Highland, that Mr. Waterhouse</p> <p>3 served in capacities with respect to affiliated</p> <p>4 companies?</p> <p>5 A. I was aware that multiple senior</p> <p>6 executives had multiple titles at multiple</p> <p>7 different entities, but I didn't have specific</p> <p>8 awareness whatsoever on entities that Frank was</p> <p>9 or was not involved in.</p> <p>10 Q. Okay. But to the extent that he</p> <p>11 held a title with one of the affiliated</p> <p>12 companies, those affiliated companies would</p> <p>13 have been managed or controlled by you;</p> <p>14 correct?</p> <p>15 A. Generally.</p> <p>16 Q. You can't think of any title that he</p> <p>17 held with an affiliated company that wasn't</p> <p>18 managed by you, can you?</p> <p>19 A. No, not off the top of my head.</p> <p>20 Q. And you knew and intended prior to</p> <p>21 the petition date to have Mr. Waterhouse serve</p> <p>22 in multiple roles; is that fair?</p> <p>23 A. Yes.</p> <p>24 Q. Have you ever considered firing</p> <p>25 Mr. Waterhouse from his position as treasurer</p>
<p>Page 326</p> <p>1 DONDERO - 10/29/21</p> <p>2 of NexPoint Advisors?</p> <p>3 A. No.</p> <p>4 Q. Okay. As the president of NexPoint</p> <p>5 Advisors, do you believe that you had a</p> <p>6 responsibility to familiarize yourself with</p> <p>7 NexPoint's debts and obligations?</p> <p>8 MS. DEITSCH-PEREZ: Object to the</p> <p>9 form.</p> <p>10 A. Just generally.</p> <p>11 Q. Okay. Did you do anything to</p> <p>12 generally inform yourself of NexPoint's debts</p> <p>13 and obligations?</p> <p>14 A. Not – not specifically that I can</p> <p>15 recall.</p> <p>16 Q. Can you recall doing anything to</p> <p>17 familiarize yourself with NexPoint's debts and</p> <p>18 obligations at any time?</p> <p>19 MS. DEITSCH-PEREZ: Object to the</p> <p>20 form.</p> <p>21 A. Not that I recall.</p> <p>22 Q. Did you ever look at NexPoint's</p> <p>23 balance sheet?</p> <p>24 A. Not – not that I – not that I</p> <p>25 recall.</p>	<p>Page 327</p> <p>1 DONDERO - 10/29/21</p> <p>2 Q. Do you know whether NexPoint's</p> <p>3 balance sheet reflected obligations that it</p> <p>4 carried as liabilities that were due and owing</p> <p>5 to Highland?</p> <p>6 A. I was aware generally of the notes,</p> <p>7 but I didn't study the NexPoint balance sheet.</p> <p>8 Q. Do you believe that Mr. Waterhouse</p> <p>9 had any responsibility as NexPoint's treasurer</p> <p>10 to familiarize himself with NexPoint's debts</p> <p>11 and obligations?</p> <p>12 A. Yeah. I mean, the role is different</p> <p>13 and the burden is different, and Frank and his</p> <p>14 team orchestrated all the audits and compliance</p> <p>15 statements and regulatory stuff for all of the</p> <p>16 funds managed by NexPoint.</p> <p>17 Q. Well, you personally were</p> <p>18 responsible for Highland's audited financial</p> <p>19 statements, weren't you?</p> <p>20 MS. DEITSCH-PEREZ: Objection, form.</p> <p>21 A. No. I mean, "responsible" is not</p> <p>22 the right word. I mean, we – I have to – as</p> <p>23 the senior most executive, I have to – to</p> <p>24 sign – sign statements regarding completeness</p> <p>25 and no known frauds and those kinds of things,</p>

<p style="text-align: right;">Page 328</p> <p>1 DONDERO - 10/29/21</p> <p>2 but I am in no way involved in the preparation.</p> <p>3 Q. We will talk about that in a bit.</p> <p>4 Do you have any reason to believe</p> <p>5 today that Mr. Waterhouse failed to fulfill his</p> <p>6 responsibilities as treasurer of NexPoint to</p> <p>7 familiarize himself with NexPoint's debts and</p> <p>8 obligations?</p> <p>9 A. I don't know.</p> <p>10 Q. You can't identify any particular</p> <p>11 reason that you might have for concluding that</p> <p>12 Mr. Waterhouse failed to fulfill his duties as</p> <p>13 treasurer of NexPoint to familiarize himself</p> <p>14 with NexPoint's duties and respons – duties</p> <p>15 and obligations; correct?</p> <p>16 A. Yes, I don't know.</p> <p>17 Q. Okay. Do you know who the</p> <p>18 authorized signatories are on NexPoint's bank</p> <p>19 accounts?</p> <p>20 A. No.</p> <p>21 Q. Do you know if you're an authorized</p> <p>22 signatory on NexPoint's bank accounts?</p> <p>23 A. I don't know.</p> <p>24 Q. Do you know if Mr. Waterhouse is an</p> <p>25 authorized signatory on NexPoint's bank</p>	<p style="text-align: right;">Page 329</p> <p>1 DONDERO - 10/29/21</p> <p>2 accounts?</p> <p>3 A. I don't know.</p> <p>4 Q. Do you know whether there is any</p> <p>5 current or former employee of Highland who did</p> <p>6 not hold an officer position at NexPoint who</p> <p>7 would have been an authorized signatory on</p> <p>8 NexPoint's bank accounts?</p> <p>9 MS. DEITSCH-PEREZ: Object to the</p> <p>10 form.</p> <p>11 A. I don't know.</p> <p>12 Q. Can you identify any current or</p> <p>13 former employee of Highland who served as an</p> <p>14 officer of NexPoint at any time other than</p> <p>15 Ms. Thedford and Mr. Waterhouse?</p> <p>16 A. I don't know.</p> <p>17 Q. Okay. Let's go to HCMS. Are you</p> <p>18 familiar with an entity called Highland Capital</p> <p>19 Management Services, Inc.?</p> <p>20 A. Generally, yes.</p> <p>21 Q. And can we refer to that as HCMS?</p> <p>22 A. Yes.</p> <p>23 Q. Do you have a direct or indirect</p> <p>24 ownership interest in HCMS?</p> <p>25 A. I believe so.</p>
<p style="text-align: right;">Page 330</p> <p>1 DONDERO - 10/29/21</p> <p>2 Q. And do you own a majority of the</p> <p>3 interest directly or indirectly in HCMS?</p> <p>4 A. I believe so.</p> <p>5 Q. Do you control HCMS?</p> <p>6 A. I believe so.</p> <p>7 Q. Have you – has there ever been a</p> <p>8 period of time in HCMS's corporate existence</p> <p>9 where you did not control that entity?</p> <p>10 A. Not that I'm aware of.</p> <p>11 Q. Do you recall when HCMS was created?</p> <p>12 A. More than five years ago, but I</p> <p>13 don't remember when.</p> <p>14 Q. Do you have an understanding of the</p> <p>15 nature of HCMS's business?</p> <p>16 A. It manages some assets, and it was</p> <p>17 trying to create track records that then could</p> <p>18 be marketed.</p> <p>19 Q. What does it mean to create a track</p> <p>20 record that could be marketed?</p> <p>21 A. You execute investments and</p> <p>22 investment strategy that you can refine and</p> <p>23 articulate and show good results to potential</p> <p>24 third-party investors as – as evidence that</p> <p>25 you can do it. And then that track record is</p>	<p style="text-align: right;">Page 331</p> <p>1 DONDERO - 10/29/21</p> <p>2 something the investors are willing to take a</p> <p>3 chance on and then give you separate account</p> <p>4 money along those lines.</p> <p>5 Q. Do you have a title with HCMS today?</p> <p>6 A. I don't know.</p> <p>7 Q. But you do control the entity; is</p> <p>8 that fair?</p> <p>9 MS. DEITSCH-PEREZ: Object to the</p> <p>10 form, asked and answered.</p> <p>11 A. I believe so.</p> <p>12 Q. Okay. Do you know whether</p> <p>13 Mr. Waterhouse has ever served as an officer of</p> <p>14 HCMS?</p> <p>15 A. I have no idea.</p> <p>16 Q. Can you identify any person in the</p> <p>17 world who has ever served as an officer of</p> <p>18 HCMS?</p> <p>19 A. I don't know what the incumbency</p> <p>20 certificate would look like for services, but</p> <p>21 I'm willing to be refreshed.</p> <p>22 Q. Do you know if anybody ever served</p> <p>23 as the chief – withdrawn.</p> <p>24 Did HCMF ever have anybody serve in</p> <p>25 the capacity of chief financial officer?</p>

<p>Page 332</p> <p>1 DONDERO - 10/29/21</p> <p>2 A. The subject of that question was</p> <p>3 HCMF. Is that what you meant to say, or did</p> <p>4 you mean Services?</p> <p>5 Q. No, I apologize. Thank you for the</p> <p>6 clarification. I did mean HCMS, so let me try</p> <p>7 again.</p> <p>8 Has anybody ever served in the</p> <p>9 capacity of chief financial officer of HCMS?</p> <p>10 A. HCMF.</p> <p>11 MS. DEITSCH-PEREZ: S.</p> <p>12 A. Not –</p> <p>13 Q. S.</p> <p>14 A. Not of Services – not that –</p> <p>15 again, I don't know. I'm willing to be</p> <p>16 refreshed, but I – I have no awareness.</p> <p>17 Q. Okay. As president – as the person</p> <p>18 in control of HCMS, do you believe you had any</p> <p>19 responsibility to familiarize yourself with</p> <p>20 that entity's debts and obligations?</p> <p>21 A. Again, just generally, to the extent</p> <p>22 that they were material or an issue or</p> <p>23 whatever, but no more than generally.</p> <p>24 Q. Can you describe anything you ever</p> <p>25 did to generally familiarize yourself with</p>	<p>Page 333</p> <p>1 DONDERO - 10/29/21</p> <p>2 HCMS's debts and obligations?</p> <p>3 A. I guess my answer, which would apply</p> <p>4 to all of these entities, is awareness to know</p> <p>5 that the amounts were de minimis relative to</p> <p>6 the value of the entity, and the debt service</p> <p>7 costs or issues were very de minimis relative</p> <p>8 to the entities, but beyond that, I didn't</p> <p>9 study them.</p> <p>10 Q. Well, did – did HCMFA have</p> <p>11 obligations to HCMLP that you would</p> <p>12 characterize as di minimis from HCMFA's</p> <p>13 perspective?</p> <p>14 A. Yeah, or just – it never had</p> <p>15 obligations that were more than de minimis.</p> <p>16 Q. As – as the person in control of</p> <p>17 HCMFA, did you ever have any concern that HCMFA</p> <p>18 would not be able to satisfy its obligations to</p> <p>19 HCMLP if – if a demand was made?</p> <p>20 A. No.</p> <p>21 Q. Okay. Was anybody charged with the</p> <p>22 responsibility of familiarizing themselves with</p> <p>23 HCMS's debts and obligations?</p> <p>24 A. Again, to differentiate or separate</p> <p>25 myself from the treasury function or from what</p>
<p>Page 334</p> <p>1 DONDERO - 10/29/21</p> <p>2 Frank and his group were doing.</p> <p>3 From my perspective, I had to be</p> <p>4 aware about it – aware of any obligations or</p> <p>5 notes or debt service costs, et cetera, but to</p> <p>6 the extent that I was aware and knew that it</p> <p>7 was de minimis, I didn't spend any time</p> <p>8 focusing on it, studying it, calculating it</p> <p>9 exactly, or anything like that.</p> <p>10 Having said that, we are highly</p> <p>11 compliant. We do – we did audits every year</p> <p>12 with reputable accounting firms that were</p> <p>13 complete and in depth. And any obligations</p> <p>14 and/or assets, de minimis or not, in my view,</p> <p>15 would nonetheless have to be reflected or</p> <p>16 captured accurately and prepared for the</p> <p>17 auditors in supplying, you know, detail or</p> <p>18 source documents or whatever, whatever they do</p> <p>19 in accounting as part of the audit function.</p> <p>20 And all that would have done – been</p> <p>21 done exactly and expertly, as far as I know,</p> <p>22 and it would have been done by Frank and his</p> <p>23 group.</p> <p>24 Q. Okay.</p> <p>25 A. That is – I'm trying to give a</p>	<p>Page 335</p> <p>1 DONDERO - 10/29/21</p> <p>2 complete answer regarding a myriad of ways</p> <p>3 you've asked me kind of the same structural</p> <p>4 questions.</p> <p>5 Q. I am, and just to be clear, I'm</p> <p>6 asking kind of the same structural questions</p> <p>7 with respect to each of the entities at issue.</p> <p>8 I think you picked up on that. I hope you</p> <p>9 don't think I'm being repetitive.</p> <p>10 You mentioned Frank and his group in</p> <p>11 the context of HCMS. Did I hear that</p> <p>12 correctly?</p> <p>13 A. Yes.</p> <p>14 Q. Okay. HCMS did not have a shared</p> <p>15 services agreement with Highland; correct?</p> <p>16 MS. DEITSCH-PEREZ: You mean a</p> <p>17 written shared services agreement, John?</p> <p>18 Q. Do you understand the question, sir?</p> <p>19 A. Yeah. My answer would be the</p> <p>20 advisors like NexPoint and HFAM that had to</p> <p>21 have by law and regulatory statute have to have</p> <p>22 formal sub advisors and shared services</p> <p>23 agreements had formal shared services</p> <p>24 agreement.</p> <p>25 Entities that didn't need to have</p>

<p style="text-align: right;">Page 336</p> <p>1 DONDERO - 10/29/21</p> <p>2 formal written shared services agreements were</p> <p>3 often serviced similarly or – or exactly the</p> <p>4 same as those entities, but without a written</p> <p>5 agreement, but with a verbal shared services</p> <p>6 agreement providing, again, all the same</p> <p>7 similar services.</p> <p>8 And the entities that didn't have a</p> <p>9 written shared services agreement weren't</p> <p>10 getting shared services or support from any</p> <p>11 other entities other than Highland doing the</p> <p>12 same thing for them that it did for the mutual</p> <p>13 funds.</p> <p>14 Q. Okay. Can you tell me who entered</p> <p>15 into an oral shared services agreement between</p> <p>16 Highland and HCMS?</p> <p>17 A. Boy, I can imagine way back in the</p> <p>18 day it would have been myself and Frank, but he</p> <p>19 and his group understood and knew that they</p> <p>20 were doing it for all the new entities that</p> <p>21 came along, and I can't imagine it was even</p> <p>22 talked about much over the years.</p> <p>23 Q. Did – did HCMFA and NexPoint pay</p> <p>24 money to Highland under the shared services</p> <p>25 agreement until let's just say late 2020?</p>	<p style="text-align: right;">Page 337</p> <p>1 DONDERO - 10/29/21</p> <p>2 A. Yeah, yes, and early into '21, I</p> <p>3 believe also.</p> <p>4 Q. Okay. As – as part of the oral</p> <p>5 agreement that you referenced, was there – was</p> <p>6 there ever an agreement that HCMS would pay any</p> <p>7 money to Highland in exchange for the services</p> <p>8 that Highland provided to it?</p> <p>9 A. I do not believe there was a</p> <p>10 financial remuneration aspect of it.</p> <p>11 Q. Okay. And do you recall during your</p> <p>12 time as president of Highland whether Highland</p> <p>13 ever received payment from HCMS for services</p> <p>14 rendered?</p> <p>15 MS. DEITSCH-PEREZ: And are we just</p> <p>16 talking about money?</p> <p>17 MR. MORRIS: Correct.</p> <p>18 A. Yeah, I don't – I don't recall</p> <p>19 moneys being – well, you know what, let me –</p> <p>20 let me clarify that a little bit.</p> <p>21 If there were any direct costs that</p> <p>22 Highland would have incurred like getting the</p> <p>23 audits done, you know, like if Price Waterhouse</p> <p>24 said, okay, give us the details on, you know,</p> <p>25 all the different entities that roll up into</p>
<p style="text-align: right;">Page 338</p> <p>1 DONDERO - 10/29/21</p> <p>2 the Highland entity.</p> <p>3 And then – and they prepared</p> <p>4 statements or did work for services, Frank and</p> <p>5 his group would have passed through those costs</p> <p>6 and expected services and/or Dugaboy or any of</p> <p>7 the other entities to pay for direct</p> <p>8 out-of-pocket costs. But it wouldn't have paid</p> <p>9 a supplemental fee or profit or anything to</p> <p>10 Highland.</p> <p>11 Q. Okay. To the best of your</p> <p>12 recollection, during the time that you were</p> <p>13 president of Highland, did Highland ever</p> <p>14 receive anything of value from HCMS on account</p> <p>15 of services other than the reimbursement of</p> <p>16 out-of-pocket expenses?</p> <p>17 A. Yeah, I'm going to go back to my</p> <p>18 comment in terms of building track record. And</p> <p>19 I would use – yeah, we had done it several</p> <p>20 times in the past and it had worked</p> <p>21 effectively. And that is – you know, yeah, I</p> <p>22 mean, the – the track record in CLO paper was</p> <p>23 what was used to track – (inaudible) – as an</p> <p>24 investor.</p> <p>25 And so, you know, to the extent that</p>	<p style="text-align: right;">Page 339</p> <p>1 DONDERO - 10/29/21</p> <p>2 the DAF wasn't paying a fee, along the way, to</p> <p>3 Highland for shared services, Highland got the</p> <p>4 benefit of the track record that was being</p> <p>5 built at the DAF to then market to third</p> <p>6 parties, which then created a revenue stream</p> <p>7 for Highland down the road.</p> <p>8 And I would say that was the same</p> <p>9 intent on Services.</p> <p>10 Q. Is there anything – anything else</p> <p>11 of value that you believe HCMS provided to</p> <p>12 Highland in exchange for the services that</p> <p>13 Highland rendered?</p> <p>14 A. That would be primarily it. I would</p> <p>15 say there is probably times where Services</p> <p>16 provided liquidity for Highland or helped on</p> <p>17 investments that Highland was involved in, but</p> <p>18 I would have to refresh myself on exactly what.</p> <p>19 Q. Is it fair to say that HCMF – HCMS</p> <p>20 never provided a revenue stream to Highland</p> <p>21 similar to the revenue stream that was provided</p> <p>22 by HCMFA and NexPoint under the shared services</p> <p>23 agreements?</p> <p>24 A. That is correct.</p> <p>25 Q. Okay. Did anybody at HCMF –</p>

<p>Page 340</p> <p>1 DONDERO - 10/29/21</p> <p>2 withdrawn.</p> <p>3 Did anybody at HCMS ever have the</p> <p>4 responsibility for familiarizing themselves</p> <p>5 with HCMS' debts and obligations?</p> <p>6 MS. DEITSCH-PEREZ: Object to the</p> <p>7 form.</p> <p>8 A. Frank and his team, as part of</p> <p>9 preparing the audited financials for all the</p> <p>10 entities, would have definitively been aware of</p> <p>11 all of them. Who else on the services</p> <p>12 incumbency certificate or – would be aware or</p> <p>13 have knowledge, I don't know.</p> <p>14 Q. Okay. And when you refer to "Frank</p> <p>15 and his team," are any of them acting as an</p> <p>16 officer or employee of HCMS in what you are</p> <p>17 thinking about?</p> <p>18 A. I – I don't know. I don't know.</p> <p>19 Did – we haven't – have we looked at the</p> <p>20 incumbency certificate for services?</p> <p>21 Q. No.</p> <p>22 A. I don't know. I don't know off the</p> <p>23 top of my head.</p> <p>24 Q. Okay. Let's just finish this up.</p> <p>25 Can you identify any current or</p>	<p>Page 341</p> <p>1 DONDERO - 10/29/21</p> <p>2 former Highland employee who served as an</p> <p>3 officer of HCMS at any time?</p> <p>4 A. No, I would need to be refreshed.</p> <p>5 Q. Okay. Can you identify –</p> <p>6 withdrawn. Let's go to the last one, HCRE.</p> <p>7 Are you familiar with an entity</p> <p>8 called HCRE Partners, LLC?</p> <p>9 A. Yes.</p> <p>10 Q. And is that entity now known as</p> <p>11 NexPoint Real Estate Partners, LLC?</p> <p>12 A. You know what, I do believe it had a</p> <p>13 name change. I don't know if that is the name</p> <p>14 change, but that would make sense.</p> <p>15 Q. Okay. Can we just refer to that</p> <p>16 entity as HCRE?</p> <p>17 A. That is fine.</p> <p>18 Q. Okay. Do you have any direct or</p> <p>19 indirect ownership interest in HCRE?</p> <p>20 A. Yes.</p> <p>21 Q. And is it a majority interest to the</p> <p>22 best of your knowledge?</p> <p>23 A. Yes.</p> <p>24 Q. Do you control HCRE?</p> <p>25 A. Yes.</p>
<p>Page 342</p> <p>1 DONDERO - 10/29/21</p> <p>2 Q. Have you controlled HCRE throughout</p> <p>3 its corporate existence?</p> <p>4 A. Yes.</p> <p>5 Q. Can you tell me what the nature of</p> <p>6 HCRE's business is?</p> <p>7 A. It makes real estate investments.</p> <p>8 Q. Do you have a title with that</p> <p>9 entity?</p> <p>10 A. I don't know, but I'm willing to be</p> <p>11 refreshed. And I assume its incumbency</p> <p>12 certificate looks similar to the ones that you</p> <p>13 have put up.</p> <p>14 Q. Can you identify for me today</p> <p>15 anybody who has ever served as an officer of</p> <p>16 HCRE at any time?</p> <p>17 A. I would rather be refreshed. I</p> <p>18 would imagine myself and Matt McGraner are two</p> <p>19 of those people, but I don't know for sure.</p> <p>20 Q. Okay. Without the incumbency</p> <p>21 certificates or other documentation, you are</p> <p>22 not able to give me any names other than Mr. –</p> <p>23 other than you and Mr. McGraner; is that fair?</p> <p>24 A. That's correct.</p> <p>25 Q. Okay. Do you know whether anybody</p>	<p>Page 343</p> <p>1 DONDERO - 10/29/21</p> <p>2 has ever been given the responsibility –</p> <p>3 withdrawn.</p> <p>4 Do you know whether anybody has ever</p> <p>5 had the responsibility for familiarizing</p> <p>6 themselves with the debts and obligations of</p> <p>7 HCRE?</p> <p>8 A. It would be the same answer as given</p> <p>9 on the other entities. It would be the</p> <p>10 treasurer, which is probably Frank. And if not</p> <p>11 the treasurer it would be Frank in his role and</p> <p>12 his team of putting together the complete and</p> <p>13 accurate financials of HCRE.</p> <p>14 Q. Other than putting together the</p> <p>15 complete and accurate financials of HCRE, did</p> <p>16 Frank and his team have any other</p> <p>17 responsibility with respect to understanding</p> <p>18 the debts and obligations of HCRE?</p> <p>19 MS. DEITSCH-PEREZ: Objection, form.</p> <p>20 A. Again, just the general overlay</p> <p>21 being that they were de minimis and – de</p> <p>22 minimus, and the service obligations were de</p> <p>23 minimus relative to the value or operating</p> <p>24 income of the enterprise.</p> <p>25 In other words, had they been more</p>

<p style="text-align: right;">Page 344</p> <p>1 DONDERO - 10/29/21</p> <p>2 material or material, they would have had more</p> <p>3 focus. But they didn't deserve more focus.</p> <p>4 Q. And so is it fair to say that you</p> <p>5 didn't do anything to familiarize yourself with</p> <p>6 HCRE's debts and obligations?</p> <p>7 MS. DEITSCH-PEREZ: Object to the</p> <p>8 form.</p> <p>9 A. Not on a regular detailed basis, you</p> <p>10 know, just a general awareness.</p> <p>11 Q. Did you ever take any steps to</p> <p>12 review the affiliate loans and obligations that</p> <p>13 were due between and among Highland and its</p> <p>14 affiliated companies?</p> <p>15 A. Again, just generally.</p> <p>16 Q. What did you do?</p> <p>17 A. Like I said, I had a general</p> <p>18 awareness of them.</p> <p>19 Q. And did you receive from time to</p> <p>20 time lists or information that specifically</p> <p>21 described the amounts that were due and owing</p> <p>22 from the affiliates to Highland?</p> <p>23 A. Yeah, from time to time the amounts,</p> <p>24 yes.</p> <p>25 Q. Let's just quickly go to the</p>	<p style="text-align: right;">Page 345</p> <p>1 DONDERO - 10/29/21</p> <p>2 30(b)(6) notices if we can.</p> <p>3 MR. MORRIS: Can we put up a</p> <p>4 document that has been marked as</p> <p>5 Exhibit 47.</p> <p>6 (Exhibit 47 marked.)</p> <p>7 Q. Do you understand, Mr. Dondero, that</p> <p>8 you are here today in your individual capacity</p> <p>9 and in your capacity as what is called a</p> <p>10 30(b)(6) witness for certain entities?</p> <p>11 A. Yes, a little bit to my chagrin.</p> <p>12 And I don't think you will see me again as a</p> <p>13 30(b)(6) witness, but yes.</p> <p>14 Q. All right. Well, it wasn't my</p> <p>15 choice, so let's just go through it quickly.</p> <p>16 Have you seen this document before,</p> <p>17 sir?</p> <p>18 A. Yes.</p> <p>19 Q. And do you understand that you are</p> <p>20 here today in your capacity as NexPoint's</p> <p>21 corporate representative?</p> <p>22 A. Yes.</p> <p>23 Q. And do you understand that your</p> <p>24 answers today in your capacity as NexPoint's</p> <p>25 corporate representative will be binding on</p>
<p style="text-align: right;">Page 346</p> <p>1 DONDERO - 10/29/21</p> <p>2 NexPoint?</p> <p>3 MS. DEITSCH-PEREZ: As qualified by</p> <p>4 the objections that we made.</p> <p>5 MR. MORRIS: Sure.</p> <p>6 A. I will do the best I can.</p> <p>7 Q. Thank you so much.</p> <p>8 MR. MORRIS: Can we go to the next</p> <p>9 page, please. The last page. The topics.</p> <p>10 Q. Okay. Have you seen these topics</p> <p>11 before, sir?</p> <p>12 A. Yes.</p> <p>13 Q. Okay. Do you see that we asked for</p> <p>14 somebody to testify as to NexPoint's answer?</p> <p>15 A. Yes.</p> <p>16 Q. Okay. Are you aware that</p> <p>17 NexPoint – are you aware that NexPoint filed</p> <p>18 an answer to Highland's amended complaint?</p> <p>19 A. Yes.</p> <p>20 Q. And did you review NexPoint's answer</p> <p>21 at any time before today's deposition?</p> <p>22 A. It was in the binder, I believe,</p> <p>23 that you guys sent over.</p> <p>24 Q. I think that's right. Are you</p> <p>25 prepared to answer questions today about</p>	<p style="text-align: right;">Page 347</p> <p>1 DONDERO - 10/29/21</p> <p>2 NexPoint's answer?</p> <p>3 MS. DEITSCH-PEREZ: Again, subject</p> <p>4 to our objection, but...</p> <p>5 A. Yeah, to the best I can.</p> <p>6 Q. Okay. The next topic concerns</p> <p>7 affirmative defenses.</p> <p>8 Do you see that?</p> <p>9 A. Yes.</p> <p>10 Q. Do you have an understanding of what</p> <p>11 an affirmative defense is?</p> <p>12 A. Yes.</p> <p>13 Q. What is your understanding of an</p> <p>14 affirmative defense?</p> <p>15 A. I think it is those – phrase that</p> <p>16 you see in most of our answers, the</p> <p>17 justification, estoppel, waiver, and then –</p> <p>18 and then there is some specific answers beyond</p> <p>19 that, I guess.</p> <p>20 Q. Okay. Are you prepared –</p> <p>21 MS. DEITSCH-PEREZ: John, I take it</p> <p>22 you will show him. He doesn't have to have</p> <p>23 them memorized.</p> <p>24 MR. MORRIS: No, of course not.</p> <p>25 MS. DEITSCH-PEREZ: So if you are</p>

<p style="text-align: right;">Page 348</p> <p>1 DONDERO - 10/29/21</p> <p>2 going to ask him, you will put it in front</p> <p>3 of him?</p> <p>4 MR. MORRIS: Of course.</p> <p>5 MS. DEITSCH-PEREZ: Thank you.</p> <p>6 Q. Are you prepared to testify today to</p> <p>7 the circumstances, communications, documents,</p> <p>8 and facts concerning NexPoint's affirmative</p> <p>9 defenses?</p> <p>10 A. Yeah, to the best that I can.</p> <p>11 Q. Okay. Do you see Topic 3 concerns</p> <p>12 the demand notes?</p> <p>13 A. Yes.</p> <p>14 Q. Okay. Are you prepared to testify</p> <p>15 about the demand notes, including with respect</p> <p>16 to the specific issues identified in that</p> <p>17 topic?</p> <p>18 MS. DEITSCH-PEREZ: Again, subject</p> <p>19 to the objections, particularly I think</p> <p>20 with respect to use of the proceeds.</p> <p>21 Q. We will get to that.</p> <p>22 Are you prepared to testify?</p> <p>23 A. I hope so.</p> <p>24 Q. And – and I know that there is an</p> <p>25 objection there, but just a simple yes or no,</p>	<p style="text-align: right;">Page 349</p> <p>1 DONDERO - 10/29/21</p> <p>2 are you – do you have knowledge of the – of</p> <p>3 NexPoint's use of the proceeds of the note?</p> <p>4 A. Not specifically.</p> <p>5 Q. All right. Maybe I will refresh</p> <p>6 your recollection later.</p> <p>7 And then the last topic is discovery</p> <p>8 requests.</p> <p>9 Do you see that?</p> <p>10 A. Yes.</p> <p>11 Q. Are you prepared to testify today on</p> <p>12 NexPoint's behalf concerning Highland's</p> <p>13 discovery requests?</p> <p>14 A. To the best of my knowledge.</p> <p>15 Q. Okay. Did you do anything to</p> <p>16 prepare for today's deposition?</p> <p>17 A. I met with Deborah.</p> <p>18 Q. When did you do that?</p> <p>19 A. A couple of days ago for a couple of</p> <p>20 hours, and a few days before that for a couple</p> <p>21 of hours.</p> <p>22 Q. How many times –</p> <p>23 MS. DEITSCH-PEREZ: Are you also</p> <p>24 asking about calls?</p> <p>25 MR. MORRIS: I appreciate that.</p>
<p style="text-align: right;">Page 350</p> <p>1 DONDERO - 10/29/21</p> <p>2 A. Yeah. There were a couple of phone</p> <p>3 calls too.</p> <p>4 Q. How many times did you communicate</p> <p>5 with Deborah in preparation for today's</p> <p>6 deposition?</p> <p>7 A. A half dozen, maybe, you know.</p> <p>8 Q. How many times –</p> <p>9 A. You know, in-person and phone calls,</p> <p>10 but...</p> <p>11 Q. How many times did you meet with her</p> <p>12 in-person?</p> <p>13 A. Two, maybe three.</p> <p>14 Q. And can you just tell me an estimate</p> <p>15 of the total time spent preparing for this</p> <p>16 deposition, inclusive of both the meetings and</p> <p>17 the phone calls?</p> <p>18 A. I don't know. Does it matter? I</p> <p>19 mean, I don't know. I don't know, four hours,</p> <p>20 four hours.</p> <p>21 Q. Okay. Did anybody participate in</p> <p>22 these meetings or phone calls other than your</p> <p>23 lawyers?</p> <p>24 A. No.</p> <p>25 Q. Did any lawyers participate in any</p>	<p style="text-align: right;">Page 351</p> <p>1 DONDERO - 10/29/21</p> <p>2 of these meetings or phone calls who didn't</p> <p>3 represent you in your individual capacity?</p> <p>4 A. No. It was just – it was just</p> <p>5 Deborah and I.</p> <p>6 Q. Okay. Have you had a chance to</p> <p>7 review the transcript of Mr. Waterhouse's</p> <p>8 deposition?</p> <p>9 A. No. I haven't seen it yet.</p> <p>10 Q. You haven't seen any portion of that</p> <p>11 deposition?</p> <p>12 A. No.</p> <p>13 Q. Are you aware of anything that</p> <p>14 Mr. Waterhouse testified to in his deposition?</p> <p>15 A. No.</p> <p>16 Q. You have no knowledge of anything</p> <p>17 that Mr. Waterhouse said last week in his</p> <p>18 deposition; do I have that right?</p> <p>19 A. That's correct.</p> <p>20 Q. Okay. Do you have any knowledge as</p> <p>21 to anything your sister said in her deposition?</p> <p>22 A. No, other than she is glad it is</p> <p>23 over.</p> <p>24 Q. I hope – I hope – I hope she</p> <p>25 thinks at least I was respectful.</p>

<p style="text-align: right;">Page 352</p> <p>1 DONDERO - 10/29/21</p> <p>2 Did – did you ever see her</p> <p>3 transcript – the transcript from her</p> <p>4 deposition?</p> <p>5 A. No.</p> <p>6 Q. How about Mr. Seery, did you see the</p> <p>7 transcript from Mr. Seery's deposition?</p> <p>8 A. I didn't even know that Seery was</p> <p>9 deposed, so the answer is no.</p> <p>10 Q. Okay. Are you aware that Dave Klos</p> <p>11 was deposed?</p> <p>12 A. You know what, I think I had</p> <p>13 awareness of that, but I haven't seen that</p> <p>14 deposition.</p> <p>15 Q. Do you know anything about anything</p> <p>16 that he testified to the other day?</p> <p>17 A. Nope.</p> <p>18 Q. How about Kristin – Kristin</p> <p>19 Hendrix, are you aware that she was deposed?</p> <p>20 A. I think I heard that she was also.</p> <p>21 Q. Do you know anything about anything</p> <p>22 that she testified to?</p> <p>23 A. No.</p> <p>24 Q. Did you look at any documents to</p> <p>25 refresh your recollection in advance of this</p>	<p style="text-align: right;">Page 353</p> <p>1 DONDERO - 10/29/21</p> <p>2 deposition other than the stack that I provided</p> <p>3 and the deposition notices?</p> <p>4 A. I mean just – no, just a listing of</p> <p>5 the notes, but that is it.</p> <p>6 Q. Did you see any emails at all in</p> <p>7 connection with your preparation for today's</p> <p>8 deposition?</p> <p>9 A. No, not a single email.</p> <p>10 MR. MORRIS: Okay. Let's put up</p> <p>11 Exhibit 48, please.</p> <p>12 (Exhibit 48 marked.)</p> <p>13 Q. And I think you will see that this</p> <p>14 is the 30(b)(6) notice for HCMS. If we can go</p> <p>15 to the next page. And it is really the same –</p> <p>16 I will represent to you that the topics for</p> <p>17 HCMS are the same as the topics for NexPoint.</p> <p>18 Have you seen HCMS's 30(b)(6) notice</p> <p>19 that is up on the screen right now?</p> <p>20 A. Yes.</p> <p>21 Q. And if we took the time – if I took</p> <p>22 the time to ask you the same questions about</p> <p>23 your ability to answer on behalf of HCMS –</p> <p>24 HCMS with respect to the topics identified</p> <p>25 there and subject to your counsel's objections,</p>
<p style="text-align: right;">Page 354</p> <p>1 DONDERO - 10/29/21</p> <p>2 would you be able to do so?</p> <p>3 A. Yes.</p> <p>4 MR. MORRIS: Let's put up Exhibit</p> <p>5 49, please.</p> <p>6 (Exhibit 49 marked.)</p> <p>7 Q. And this is the 30(b)(6) notice for</p> <p>8 HCRE. You're here today to testify on behalf</p> <p>9 of HCRE as its corporate representative. Do</p> <p>10 you understand that?</p> <p>11 A. Yes.</p> <p>12 Q. And did you review the list of</p> <p>13 topics that we included in our 30(b)(6) notice</p> <p>14 for HCRE?</p> <p>15 A. Yes.</p> <p>16 Q. And subject to your counsel's</p> <p>17 objections, are you prepared to testify to the</p> <p>18 topics that are listed on the page that is up</p> <p>19 on the screen?</p> <p>20 A. Yes.</p> <p>21 MR. MORRIS: Okay. Can we please</p> <p>22 put up Exhibit 31.</p> <p>23 (Exhibit 31 marked.)</p> <p>24 Q. Mr. Dondero, we're putting up on the</p> <p>25 screen now your answer to the – to Highland's</p>	<p style="text-align: right;">Page 355</p> <p>1 DONDERO - 10/29/21</p> <p>2 amended complaint.</p> <p>3 MS. DEITSCH-PEREZ: Is that in the</p> <p>4 notebook?</p> <p>5 MR. MORRIS: No, no. This is one</p> <p>6 that we had – we had –</p> <p>7 MS. DEITSCH-PEREZ: All right. Hang</p> <p>8 on.</p> <p>9 MR. MORRIS: That's okay. That is</p> <p>10 why we're putting it up on the screen, and</p> <p>11 we will put it in the chat room. It is</p> <p>12 already in there, actually.</p> <p>13 MS. DEITSCH-PEREZ: Yeah, I think we</p> <p>14 have it here. Hold on. I think Nancy</p> <p>15 walked off with the duplicate of this, so</p> <p>16 if you need it, I will hand it to you.</p> <p>17 Q. Mr. Dondero, while we wait to see if</p> <p>18 your counsel has a hard copy, do you recall</p> <p>19 reviewing your answer to the plaintiff's</p> <p>20 amended complaint before it was filed?</p> <p>21 A. I don't know if I was involved at</p> <p>22 that juncture.</p> <p>23 Q. All right. So just to refresh your</p> <p>24 recollection, this is a document that was filed</p> <p>25 with the Court at the beginning of September.</p>

<p>Page 356</p> <p>1 DONDERO - 10/29/21</p> <p>2 If you recall, Highland filed an original</p> <p>3 complaint, and after you amended your answer</p> <p>4 late in August pursuant to an agreement,</p> <p>5 Highland filed amended complaints against</p> <p>6 certain of the obligors in the notes</p> <p>7 litigation.</p> <p>8 Does that refresh your recollection</p> <p>9 that this document was prepared in early</p> <p>10 September?</p> <p>11 A. Okay.</p> <p>12 Q. Okay.</p> <p>13 A. I don't have specific memory.</p> <p>14 Q. Okay. So as always, Mr. Dondero, we</p> <p>15 have done this many times before, if there is</p> <p>16 anything in the document that you think that</p> <p>17 you need to see because it is a little bit of a</p> <p>18 lengthy document, will you let me know that?</p> <p>19 A. Sure.</p> <p>20 MS. DEITSCH-PEREZ: Yeah. And we</p> <p>21 have a copy if you need to stop and take a</p> <p>22 look. We did get a hard copy. We have a</p> <p>23 hard copy here.</p> <p>24 Q. Okay.</p> <p>25 A. All right.</p>	<p>Page 357</p> <p>1 DONDERO - 10/29/21</p> <p>2 Q. So – so let me ask the question</p> <p>3 again then: Do you recall, with that</p> <p>4 background, having reviewed and approved the</p> <p>5 filing of this document at the beginning of</p> <p>6 September 2021?</p> <p>7 A. Generally.</p> <p>8 Q. Okay. As you sit here today, are</p> <p>9 you aware of anything in this document that is</p> <p>10 inaccurate?</p> <p>11 A. Not that I'm aware of.</p> <p>12 Q. Okay. Are you aware of anything in</p> <p>13 the document that you believe should be</p> <p>14 modified or amended to make it more complete or</p> <p>15 more accurate?</p> <p>16 A. Not as of this moment.</p> <p>17 Q. Okay. Can we please go to Paragraph</p> <p>18 83. Okay. Right there.</p> <p>19 So do you see that on – on page 13</p> <p>20 of the exhibit, we have in Paragraphs 82</p> <p>21 through 91 what are called your affirmative</p> <p>22 defenses?</p> <p>23 A. Yes.</p> <p>24 Q. All right. I'm going to skip the</p> <p>25 one in 82 for the moment, but focusing on 83.</p>
<p>Page 358</p> <p>1 DONDERO - 10/29/21</p> <p>2 Can you just read that to yourself and tell me</p> <p>3 when you have done that?</p> <p>4 A. Yes.</p> <p>5 Q. Are you aware of any facts that</p> <p>6 concern this particular affirmative defense?</p> <p>7 A. Which notes are these again?</p> <p>8 Q. These would be your personal notes.</p> <p>9 A. The – personal notes. I'm trying</p> <p>10 to remember. No, I – well, if you read the</p> <p>11 question one more time.</p> <p>12 Q. Sure. Just so – so to make sure</p> <p>13 that you understand, because I'm not here to</p> <p>14 trick you, this is your answer to Highland's</p> <p>15 complaint against you where Highland is trying</p> <p>16 to recover on the notes that you signed.</p> <p>17 Do you understand that?</p> <p>18 A. Right.</p> <p>19 Q. Okay. So in Paragraph 83 you have</p> <p>20 asserted an affirmative defense that the</p> <p>21 plaintiff's claims are barred in whole or in</p> <p>22 part due to waiver.</p> <p>23 Do you see that?</p> <p>24 A. Yes.</p> <p>25 Q. Do you have any facts that you can</p>	<p>Page 359</p> <p>1 DONDERO - 10/29/21</p> <p>2 share with me that concern that particular</p> <p>3 affirmative defense?</p> <p>4 MS. DEITSCH-PEREZ: And, again, just</p> <p>5 in this particular answer.</p> <p>6 MR. MORRIS: That is all I'm asking</p> <p>7 about.</p> <p>8 Q. We're going to go through the answer</p> <p>9 for each one of them. So just one at a time.</p> <p>10 We're only talking about your – your notes.</p> <p>11 A. No, not the moment.</p> <p>12 Q. Let's go to Paragraph 84.</p> <p>13 Do you see Paragraph 84 states,</p> <p>14 among other things, that plaintiff's claims are</p> <p>15 barred, in whole or in part, due to estoppel?</p> <p>16 A. Yes.</p> <p>17 Q. Can you share with me any facts that</p> <p>18 you are aware of that concern that particular</p> <p>19 affirmative defense?</p> <p>20 A. No.</p> <p>21 Q. Okay. I'm going to skip over 85</p> <p>22 because I've gotten that answer elsewhere. If</p> <p>23 we can go to 86, do you see that Paragraph 86</p> <p>24 asserts as an affirmative defense, among other</p> <p>25 things, that, quote: Plaintiff's claims may be</p>

<p>Page 360</p> <p>1 DONDERO - 10/29/21</p> <p>2 barred, in whole or in part, due to failure of</p> <p>3 consideration, closed quote?</p> <p>4 A. Right, I see that.</p> <p>5 Q. Do you – do you – do you</p> <p>6 acknowledge that Highland transferred to you an</p> <p>7 amount of money equal to the principal amount</p> <p>8 on each of the notes that are at issue?</p> <p>9 A. I believe – yes.</p> <p>10 Q. Okay. I appreciate that.</p> <p>11 Do you have any facts that would</p> <p>12 support the affirmative defense that is set</p> <p>13 forth in Paragraph 86?</p> <p>14 A. No.</p> <p>15 Q. Okay. And then, finally,</p> <p>16 Paragraph 88 asserts, among other things, that</p> <p>17 the fraudulent transfer claim should be barred,</p> <p>18 in whole or in part, because the alleged</p> <p>19 fraudulent transfer – and I'm summarizing</p> <p>20 here – was taken in good faith and for</p> <p>21 reasonably equivalent value.</p> <p>22 Do you see that?</p> <p>23 A. Yes.</p> <p>24 Q. Okay. Do you have any facts that</p> <p>25 concern that particular affirmative defense?</p>	<p>Page 361</p> <p>1 DONDERO - 10/29/21</p> <p>2 A. Let me read that one more time.</p> <p>3 Q. Take your time.</p> <p>4 A. I think that one is – I'm trying –</p> <p>5 I'm trying to remember if that one – if the</p> <p>6 partner defense is on alternative comp that</p> <p>7 could have been taken or forgiveness that was</p> <p>8 in lieu of other comp – I'm trying to remember</p> <p>9 if that falls under this category. I think it</p> <p>10 does.</p> <p>11 Q. Okay. Is there anything else that</p> <p>12 you can – any other facts that you can think</p> <p>13 of that concern the affirmative defense in</p> <p>14 Paragraph 88?</p> <p>15 A. I mean, the – yes. Okay. To the</p> <p>16 extent that the – in lieu of additional comp</p> <p>17 falls under there, so does the incentives to –</p> <p>18 the incentive to me to help monetize illiquid</p> <p>19 investments better faster.</p> <p>20 Q. And does that relate to the three</p> <p>21 portfolio companies that are the subject of the</p> <p>22 oral agreement between you and your sister or</p> <p>23 to something else?</p> <p>24 A. It is –</p> <p>25 MS. DEITSCH-PEREZ: Objection, form.</p>
<p>Page 362</p> <p>1 DONDERO - 10/29/21</p> <p>2 A. – regarding that, yeah.</p> <p>3 Q. It is the same thing. Do I have</p> <p>4 that right?</p> <p>5 A. Yes.</p> <p>6 Q. Okay. Thank you very much.</p> <p>7 Is there anything else you can share</p> <p>8 with me about the facts that concern the</p> <p>9 affirmative defense in Paragraph 88?</p> <p>10 A. I think that is – that is – that</p> <p>11 is it.</p> <p>12 Q. Okay. Can we change now to</p> <p>13 Exhibit 16, which you should have in your pile,</p> <p>14 which is the answer that was filed by the HCMS</p> <p>15 to Highland's amended complaint.</p> <p>16 (Exhibit 16 marked.)</p> <p>17 A. Which number is this?</p> <p>18 Q. It is number 16.</p> <p>19 A. 16 in the binder?</p> <p>20 Q. It should be, yeah.</p> <p>21 A. Yes. Okay. I got it.</p> <p>22 Q. Okay. And is the first page titled</p> <p>23 Defendant, Highland Capital Management</p> <p>24 Services, Inc.'s Answer to Amended Complaint?</p> <p>25 A. Yes.</p>	<p>Page 363</p> <p>1 DONDERO - 10/29/21</p> <p>2 Q. Okay. So these questions I'm asking</p> <p>3 in your capacity as HCMS' 30(b)(6) witness.</p> <p>4 Okay?</p> <p>5 A. Okay.</p> <p>6 Q. And you recall that one of the</p> <p>7 topics under the deposition notice was HCMS'</p> <p>8 answer; right?</p> <p>9 Are you prepared to answer questions</p> <p>10 about this document?</p> <p>11 A. Yep, to the best I can.</p> <p>12 Q. Okay. Have you seen it before?</p> <p>13 A. Yes.</p> <p>14 Q. And do you know whether HCMS</p> <p>15 authorized this Stinson firm to file this</p> <p>16 document on its behalf at the beginning of</p> <p>17 2021?</p> <p>18 A. Yes.</p> <p>19 Q. Did you personally have any role in</p> <p>20 reviewing and preparing this document?</p> <p>21 A. I mean, just generally that the</p> <p>22 transition of former Judge Lynn passing and</p> <p>23 Bonds Ellis not being able to handle</p> <p>24 complexity – maybe I shouldn't say it like</p> <p>25 that – or handle this aspect of the case</p>

<p>Page 364</p> <p>1 DONDERO - 10/29/21</p> <p>2 and/or – I think it was – yeah, just</p> <p>3 whatever. He moved to Stinson from – I think</p> <p>4 maybe it started at Bonds Ellis and then maybe</p> <p>5 it went to Wick Phillips and then it went to</p> <p>6 Stinson, but, you know, there was a migration</p> <p>7 of these notes in general.</p> <p>8 Q. Was there a particular person who</p> <p>9 was charged with the responsibility of</p> <p>10 approving and authorizing the filing of this</p> <p>11 document on behalf of HCMS?</p> <p>12 A. Like I said, I think generally that</p> <p>13 was myself.</p> <p>14 Q. Okay. Are you aware of anything in</p> <p>15 this document today that is inaccurate in any</p> <p>16 way?</p> <p>17 A. Not specifically.</p> <p>18 Q. Are you aware of anything generally</p> <p>19 in this document that is inaccurate in any way?</p> <p>20 A. Not at the moment.</p> <p>21 Q. Are you aware of anything in this</p> <p>22 document that you believe should be modified or</p> <p>23 amended to make it more complete or more</p> <p>24 accurate?</p> <p>25 A. Not yet.</p>	<p>Page 365</p> <p>1 DONDERO - 10/29/21</p> <p>2 Q. Let's go to Paragraph 40 – 94,</p> <p>3 please.</p> <p>4 MS. DEITSCH-PEREZ: We may be</p> <p>5 imperfect creatures as lawyers.</p> <p>6 A. Yes.</p> <p>7 Q. Okay.</p> <p>8 A. Yes.</p> <p>9 Q. Okay. I was just going to say, do</p> <p>10 you see from Paragraphs 94 through 102 HCMS has</p> <p>11 set forth its affirmative defenses?</p> <p>12 A. Yes.</p> <p>13 Q. Okay. Let's – let's start with the</p> <p>14 first one.</p> <p>15 Do you see in Paragraph 94 HCMS</p> <p>16 asserts that, quote: Plaintiff's claims are</p> <p>17 barred, in whole or in part, by the doctrine of</p> <p>18 justification and/or repudiation?</p> <p>19 A. Yes.</p> <p>20 Q. Are you aware of any facts that</p> <p>21 concern that particular defense?</p> <p>22 A. I believe this – they were material</p> <p>23 prepayments of the loan. I believe that is –</p> <p>24 those are the – they were material and</p> <p>25 numerous prepayments of the loan, which I think</p>
<p>Page 366</p> <p>1 DONDERO - 10/29/21</p> <p>2 was – that is incorporated into that defense.</p> <p>3 Q. Okay. We will talk about the – the</p> <p>4 details of that in a moment, but are there any</p> <p>5 other kind of broad statements that you can</p> <p>6 give me that identify facts related to this</p> <p>7 particular affirmative defense?</p> <p>8 MS. DEITSCH-PEREZ: Object to the</p> <p>9 form.</p> <p>10 A. That is all I have at the moment.</p> <p>11 Q. Okay. Do you know whether any</p> <p>12 document that HCMS ever filed with the</p> <p>13 bankruptcy court ever asserted, as in a</p> <p>14 defense, that they didn't have to pay because</p> <p>15 they had prepaid any obligations that were due</p> <p>16 and owing?</p> <p>17 MS. DEITSCH-PEREZ: Object to the</p> <p>18 form.</p> <p>19 A. I don't have awareness.</p> <p>20 Q. And this document doesn't – doesn't</p> <p>21 use the word "prepayment" anywhere, does it?</p> <p>22 MS. DEITSCH-PEREZ: Object to the</p> <p>23 form.</p> <p>24 A. I don't know.</p> <p>25 Q. Do you know of anything that HCMS</p>	<p>Page 367</p> <p>1 DONDERO - 10/29/21</p> <p>2 ever did before this week to put Highland on</p> <p>3 notice that it contended that it didn't have to</p> <p>4 pay its obligations under the notes because of</p> <p>5 a prepayment defense?</p> <p>6 MS. DEITSCH-PEREZ: Object to the</p> <p>7 form.</p> <p>8 A. We have no records. I'm not sure we</p> <p>9 would have ever been in a position to – to do</p> <p>10 that. The – you know, we were relying on</p> <p>11 shared services from Highland, and Highland had</p> <p>12 all the records regarding the amounts and</p> <p>13 prepayments, et cetera.</p> <p>14 Q. When did you learn that HCMS had</p> <p>15 made a prepayment to Highland?</p> <p>16 A. I don't know, but I – I imagine –</p> <p>17 I imagine it was – if you are asking why it</p> <p>18 wasn't mentioned earlier but then mentioned</p> <p>19 later, it is because somewhere in that time</p> <p>20 period we became aware.</p> <p>21 Q. So you didn't – you didn't have</p> <p>22 knowledge of the prepayment until the debtor</p> <p>23 produced documents. Do I have that right?</p> <p>24 Withdrawn.</p> <p>25 How did you learn that HCMS made a</p>

<p>Page 368</p> <p>1 DONDERO - 10/29/21</p> <p>2 prepayment?</p> <p>3 A. I don't know. I just know that we</p> <p>4 became aware of that being a material fact</p> <p>5 somewhere along the line.</p> <p>6 Q. Do you remember when you learned</p> <p>7 that material fact?</p> <p>8 A. No.</p> <p>9 Q. Do you have any facts that you can</p> <p>10 share with me concerning the prepayment?</p> <p>11 A. Eventually there was a spreadsheet</p> <p>12 that summarized it, but I don't – I don't</p> <p>13 know – I don't know when that occurred.</p> <p>14 Q. Does – does this defense of</p> <p>15 prepayment apply to demand notes or a term</p> <p>16 note?</p> <p>17 A. I would – I would – I would say,</p> <p>18 you know, primarily a term note, but – yeah, I</p> <p>19 think primarily the term note because I think</p> <p>20 that was the one that was declared to be in</p> <p>21 default of share, you know, whatever, so I</p> <p>22 think it was regarding the term note.</p> <p>23 Q. Do you recall – do you have any</p> <p>24 knowledge as to when the prepayment was made?</p> <p>25 A. I believe there were numerous and</p>	<p>Page 369</p> <p>1 DONDERO - 10/29/21</p> <p>2 material prepayments, but I don't know exactly</p> <p>3 when they were made.</p> <p>4 Q. Do you know what year they were</p> <p>5 made?</p> <p>6 A. No, but – no, but – no, I don't.</p> <p>7 MS. DEITSCH-PEREZ: If you want,</p> <p>8 John, if you would like for him to give you</p> <p>9 dates, he could probably dig up the</p> <p>10 spreadsheet and give you dates, but you</p> <p>11 have it also.</p> <p>12 MR. MORRIS: Thank you. Okay. I</p> <p>13 think we're doing just fine here.</p> <p>14 Q. Do you know if there were any</p> <p>15 prepayments made by HCMS in 2018?</p> <p>16 A. I don't know the specifics off the</p> <p>17 top of my head.</p> <p>18 Q. Do you know if HCMS made any</p> <p>19 prepayments in 2019?</p> <p>20 A. I don't know the specifics off the</p> <p>21 top of my head.</p> <p>22 Q. Are you aware that under the term</p> <p>23 note, HCMS was required to pay annual</p> <p>24 installment payments at the end of each year?</p> <p>25 MS. DEITSCH-PEREZ: Object to the</p>
<p>Page 370</p> <p>1 DONDERO - 10/29/21</p> <p>2 form.</p> <p>3 A. I wouldn't say it like that.</p> <p>4 Q. We will look – we will look at the</p> <p>5 documents in a few minutes.</p> <p>6 Are you aware of any facts that</p> <p>7 support the justification or repudiation</p> <p>8 defense in Paragraph 94 other than what you</p> <p>9 have testified to so far?</p> <p>10 A. I think it is largely the prepayment</p> <p>11 aspect of it that is captured there.</p> <p>12 Q. Okay. And – and – all right. I</p> <p>13 will leave it at that.</p> <p>14 Let's go to Paragraph 95. Do you</p> <p>15 see the affirmative defense in 95 is that,</p> <p>16 quote, plaintiff's claims are barred in whole</p> <p>17 or in part by the doctrine of estoppel.</p> <p>18 Do you see that?</p> <p>19 A. Yes.</p> <p>20 Q. Do you have any facts as the</p> <p>21 30(b)(6) witness of HCMS that concern that</p> <p>22 particular affirmative defense?</p> <p>23 A. You know, I think for both 95 and</p> <p>24 96, the way I understand it is that was</p> <p>25 reliance on Highland's and Highland's screw-up,</p>	<p>Page 371</p> <p>1 DONDERO - 10/29/21</p> <p>2 to the extent that there was a screw-up, on the</p> <p>3 term loans.</p> <p>4 Q. What screw-up are you referring to?</p> <p>5 A. Well, we didn't have accountants or</p> <p>6 employees at Services, you know, and Services</p> <p>7 was relying on Highland and shared services to</p> <p>8 stay in compliance or to – on the various</p> <p>9 loans.</p> <p>10 Q. Did you ever personally instruct</p> <p>11 anybody in December of 2020 to make a payment</p> <p>12 on behalf of HCMS under the term note?</p> <p>13 A. To make – I'm sorry, is this –</p> <p>14 what was the timeframe again?</p> <p>15 Q. December 2020 – let's just say</p> <p>16 anytime in 2020. Did you, in your capacity as</p> <p>17 the person in control of HCMS, ever direct or</p> <p>18 authorize any person in the world to make a</p> <p>19 payment from HCMS to Highland in satisfaction</p> <p>20 of the obligation that was due under the term</p> <p>21 note at the end of the year?</p> <p>22 A. Not that – not that I recall.</p> <p>23 Q. Okay. Do you know whether anybody</p> <p>24 acting on behalf of HCMS ever instructed or</p> <p>25 authorized Highland to make a payment on</p>

<p style="text-align: right;">Page 372</p> <p>1 DONDERO - 10/29/21</p> <p>2 account of HCMS's term note to Highland?</p> <p>3 A. Well, again, and maybe I didn't say</p> <p>4 it clearly enough. I think there was a</p> <p>5 reliance in the due course aspect, especially</p> <p>6 on small amounts, and it would have been done</p> <p>7 by Highland personnel on behalf of Services.</p> <p>8 MR. MORRIS: Okay. Move to strike.</p> <p>9 Q. And I'm going to ask you,</p> <p>10 Mr. Dondero, to be patient with me and to</p> <p>11 listen carefully to my question.</p> <p>12 Are you aware of anybody acting on</p> <p>13 behalf of HCMS, whoever instructed Highland to</p> <p>14 make a payment in satisfaction of any payment</p> <p>15 that was due at the year-end of 2020 under the</p> <p>16 term note?</p> <p>17 A. Not specifically, but I'm saying I</p> <p>18 don't think it needed to be made specifically.</p> <p>19 Q. Okay. So you are not aware of any</p> <p>20 instruction that was ever given to Highland by</p> <p>21 HCMS to make the payment; is that fair? You</p> <p>22 relied on the course of dealing?</p> <p>23 A. Right. I relied on ordinary course.</p> <p>24 I don't believe there was a specific – I'm not</p> <p>25 aware of a specific request.</p>	<p style="text-align: right;">Page 373</p> <p>1 DONDERO - 10/29/21</p> <p>2 Q. Okay. And you were aware that the</p> <p>3 payment was due at the end of the year; isn't</p> <p>4 that right?</p> <p>5 MS. DEITSCH-PEREZ: Object to the</p> <p>6 form.</p> <p>7 A. Not – not specifically. There</p> <p>8 is – to be bona fide notes, there is – I know</p> <p>9 there is – there is tax structuring and things</p> <p>10 that the auditors want to see in terms of – of</p> <p>11 regular payment that everything just doesn't</p> <p>12 accrue indefinitely, but what those roles are</p> <p>13 and when and if it needs to be paid and whether</p> <p>14 it was by the end of the year or not.</p> <p>15 I'm generally not specifically</p> <p>16 knowledgeable of or involved in, and nor do I</p> <p>17 have an awareness that was it or could it have</p> <p>18 been satisfied by other payments throughout the</p> <p>19 year. I'm not – I'm not the person for that</p> <p>20 knowledge.</p> <p>21 Q. Now, do you recall in December of</p> <p>22 2020 there was some tension between you and</p> <p>23 Mr. Seery?</p> <p>24 A. Tension between me and Mr. Seery. I</p> <p>25 would say there was tension between Mr. Seery</p>
<p style="text-align: right;">Page 374</p> <p>1 DONDERO - 10/29/21</p> <p>2 and everybody. He was trying to steal the</p> <p>3 estate, you know, so yes.</p> <p>4 MR. MORRIS: I move to strike.</p> <p>5 Q. You were asked to resign from</p> <p>6 Highland in late September of 2020; correct?</p> <p>7 A. Yes.</p> <p>8 Q. And you did resign as of October</p> <p>9 9th, 2020; correct?</p> <p>10 A. Yes.</p> <p>11 Q. And do you recall that in early</p> <p>12 December, Highland sought a temporary</p> <p>13 restraining order against you?</p> <p>14 A. Yes.</p> <p>15 Q. And do you recall that Highland</p> <p>16 obtained a temporary restraining order against</p> <p>17 you in early December?</p> <p>18 A. Yes.</p> <p>19 Q. Okay. Do you recall that the</p> <p>20 advisors that you controlled filed a motion</p> <p>21 against the debtor in mid December 2020?</p> <p>22 A. Yes.</p> <p>23 Q. Okay. And do you recall that that</p> <p>24 motion was curved by the Court in the middle of</p> <p>25 December?</p>	<p style="text-align: right;">Page 375</p> <p>1 DONDERO - 10/29/21</p> <p>2 A. Yes, roughly.</p> <p>3 Q. And do you recall that at the end of</p> <p>4 November, Highland had given notice of</p> <p>5 termination of the shared services agreements</p> <p>6 with the advisors?</p> <p>7 A. I believe they did that multiple</p> <p>8 times or extended it multiple times. I can't</p> <p>9 remember if that was – if it was done then or</p> <p>10 not.</p> <p>11 Q. Okay. And it is your testimony that</p> <p>12 notwithstanding those facts and circumstances,</p> <p>13 you relied on Highland to make the payment that</p> <p>14 HCMS owed at the end of the year?</p> <p>15 A. Yes, absolutely. We were still</p> <p>16 deluded in terms of thinking that Seery was</p> <p>17 working to resolve the estate, not to steal the</p> <p>18 estate.</p> <p>19 MR. MORRIS: I move to strike.</p> <p>20 Q. Do you have any other facts and</p> <p>21 circumstances that relate to the affirmative</p> <p>22 defenses in Paragraphs 95 and 96?</p> <p>23 A. I mean, not at the moment, not that</p> <p>24 I want to volunteer. When you ask more</p> <p>25 questions about the specifics, I guess we will</p>

<p>Page 376</p> <p>1 DONDERO - 10/29/21</p> <p>2 get to some of it.</p> <p>3 Q. Well, I'm asking you questions now.</p> <p>4 You are the 30(b)(6) witness. This is one of</p> <p>5 the topics that you were supposed to be</p> <p>6 prepared to answer questions about, and I would</p> <p>7 just like to know everything that you have in</p> <p>8 your head as to facts that relate to these two</p> <p>9 affirmative defenses.</p> <p>10 MS. DEITSCH-PEREZ: Object to the</p> <p>11 form.</p> <p>12 Q. Because if I don't ask the right</p> <p>13 question later, you know, we can't do that;</p> <p>14 right?</p> <p>15 So do you have any other facts that</p> <p>16 you are aware of that relate to these two</p> <p>17 particular affirmative defenses?</p> <p>18 MS. DEITSCH-PEREZ: John, the fact</p> <p>19 that it's a 30(b)(6) deposition doesn't</p> <p>20 absolve you of the necessity to ask</p> <p>21 questions.</p> <p>22 MR. MORRIS: I asked the question.</p> <p>23 Q. Can I please have an answer?</p> <p>24 A. Again, the notes in general are de</p> <p>25 minimis relative to asset values of Highland or</p>	<p>Page 377</p> <p>1 DONDERO - 10/29/21</p> <p>2 the counterparties. So the annual obligations</p> <p>3 are even more de minimis or a million bucks or</p> <p>4 less than a million bucks.</p> <p>5 There was never an intent, nor would</p> <p>6 there be a logical intent to – from my</p> <p>7 perspective or any of the entities that had</p> <p>8 notice to Highland to be in default. And it is</p> <p>9 not logical that they would do that for any</p> <p>10 purpose.</p> <p>11 And the facts around the curing</p> <p>12 quickly of the notes and getting the curing</p> <p>13 amounts from Highland and making the payments</p> <p>14 and Highland accepting them as they're defining</p> <p>15 what it took to cure it, I think, are all, you</p> <p>16 know, the key facts that make any, you know,</p> <p>17 acceleration argument, you know, ridiculous.</p> <p>18 Q. Okay. Anything else?</p> <p>19 A. That's it at this point.</p> <p>20 MR. MORRIS: Okay. Let's go to</p> <p>21 Exhibit 17, please.</p> <p>22 (Exhibit 17 marked.)</p> <p>23 Q. This is HCRE's answer. Do you see</p> <p>24 that, sir?</p> <p>25 A. Yes.</p>
<p>Page 378</p> <p>1 DONDERO - 10/29/21</p> <p>2 Q. And I'm going to ask these questions</p> <p>3 in your capacity as the 30(b)(6) representative</p> <p>4 of HCRE. Do you understand that?</p> <p>5 A. Yes.</p> <p>6 Q. Have you seen this document before?</p> <p>7 A. Yes.</p> <p>8 Q. Are you aware of anything in this</p> <p>9 document that is inaccurate today?</p> <p>10 A. I mean, I think 96 we put in there</p> <p>11 similar to the other affirmative defenses in</p> <p>12 case there was a prepayment. But, again, we</p> <p>13 have been so blocked from getting information</p> <p>14 and detail we didn't know it at the time</p> <p>15 regarding, you know, prepayments.</p> <p>16 So I don't think the prepayment</p> <p>17 defense works for 96. So that would be my</p> <p>18 clarification of an inaccuracy.</p> <p>19 Q. Why do you believe that the</p> <p>20 prepayment defense doesn't work in Paragraph 96</p> <p>21 for HCRE?</p> <p>22 A. Because I don't think there were any</p> <p>23 prepayments.</p> <p>24 Q. All right. I appreciate that.</p> <p>25 A. We didn't – we didn't know it at</p>	<p>Page 379</p> <p>1 DONDERO - 10/29/21</p> <p>2 the time –</p> <p>3 Q. Okay.</p> <p>4 A. – we put this together.</p> <p>5 Q. Is there any other aspect of this</p> <p>6 document that you believe is inaccurate today?</p> <p>7 A. Not as far as I know.</p> <p>8 Q. Is there anything in this document</p> <p>9 that you believe should be modified or amended</p> <p>10 to make it more accurate or more complete?</p> <p>11 MS. DEITSCH-PEREZ: Object to the</p> <p>12 form.</p> <p>13 A. Not yet.</p> <p>14 Q. Okay. Looking at Paragraph 96, I</p> <p>15 believe you just testified that,</p> <p>16 notwithstanding the assertion of the defense</p> <p>17 therein, you are not aware of any facts</p> <p>18 concerning the prepayment defense that you</p> <p>19 described earlier for HCMS.</p> <p>20 Do I have that right?</p> <p>21 A. Yes.</p> <p>22 Q. Okay. Do you have any facts at all</p> <p>23 that relate to the affirmative defense in</p> <p>24 Paragraph 96?</p> <p>25 A. I don't believe so at this moment.</p>

<p style="text-align: right;">Page 380</p> <p>1 DONDERO - 10/29/21</p> <p>2 Q. Okay. How about Paragraphs 97 and</p> <p>3 98? Do you have any facts that relate to those</p> <p>4 affirmative defenses?</p> <p>5 A. It would be the same answer as on</p> <p>6 the last one.</p> <p>7 Q. Okay. I appreciate that. And so –</p> <p>8 but we don't have to go over it again. I will</p> <p>9 just leave it at that.</p> <p>10 Let's go to Exhibit 15, please.</p> <p>11 (Exhibit 15 marked.)</p> <p>12 MR. MORRIS: This is the next –</p> <p>13 MS. DEITSCH-PEREZ: Hey, John.</p> <p>14 John, can we take a – like a very quick</p> <p>15 restroom break?</p> <p>16 MR. MORRIS: You know, if we could</p> <p>17 just get through this document, which</p> <p>18 shouldn't take long, then perhaps we can</p> <p>19 take a short half-hour lunch break.</p> <p>20 MS. DEITSCH-PEREZ: Well, we can</p> <p>21 take a short half-hour lunch break after we</p> <p>22 get through this, but I just need to run to</p> <p>23 the restroom.</p> <p>24 MR. MORRIS: Okay.</p> <p>25 MS. DEITSCH-PEREZ: So you can leave</p>	<p style="text-align: right;">Page 381</p> <p>1 DONDERO - 10/29/21</p> <p>2 the screen on if you want so that we can</p> <p>3 get back fast.</p> <p>4 MR. MORRIS: My pleasure, Deborah.</p> <p>5 No problem.</p> <p>6 MS. DEITSCH-PEREZ: Thank you.</p> <p>7 VIDEOGRAPHER: Off the record,</p> <p>8 12:40.</p> <p>9 (Recess taken 12:40 p.m. to 12:51 p.m.)</p> <p>10 Q. Before we go on to this document,</p> <p>11 sir, did HCRE have a shared services agreement</p> <p>12 with Highland?</p> <p>13 VIDEOGRAPHER: We're back on the</p> <p>14 record.</p> <p>15 MR. MORRIS: Oh, do I need to read</p> <p>16 the question again?</p> <p>17 COURT REPORTER: No, I've got it.</p> <p>18 A. I – I don't believe it is a formal</p> <p>19 written one. I think it is just a verbal one.</p> <p>20 Q. And who is the verbal agreement</p> <p>21 between?</p> <p>22 A. It was between Highland and HCRE.</p> <p>23 Now it is between NexPoint and HCRE.</p> <p>24 Q. And who entered into the agreement</p> <p>25 between Highland and HCRE?</p>
<p style="text-align: right;">Page 382</p> <p>1 DONDERO - 10/29/21</p> <p>2 A. I would give the same answer I gave</p> <p>3 before where it was just – it was just</p> <p>4 understood that we supported all the related</p> <p>5 entities or entrepreneurial efforts and it was,</p> <p>6 you know, modest amounts of work.</p> <p>7 There wasn't specific financial</p> <p>8 remuneration, but – and NexPoint is a good</p> <p>9 example, too. There was a significant track</p> <p>10 record gulf that was able to be used to raise</p> <p>11 other money.</p> <p>12 Q. I'm just asking you who entered into</p> <p>13 the agreement between Highland and – and HCRE</p> <p>14 for the provision of services by Highland?</p> <p>15 MS. DEITSCH-PEREZ: Asked and</p> <p>16 answered.</p> <p>17 A. Yeah, again, same answer as before.</p> <p>18 I don't think anybody specifically, formally</p> <p>19 did it.</p> <p>20 Q. Okay. Is it – are the terms of the</p> <p>21 agreement written down anywhere?</p> <p>22 A. No, like I said, it is just</p> <p>23 understood the accounting department and tax</p> <p>24 department would handle the accounting and tax</p> <p>25 for all entities.</p>	<p style="text-align: right;">Page 383</p> <p>1 DONDERO - 10/29/21</p> <p>2 Q. Did the legal department also</p> <p>3 provide services to HCRE?</p> <p>4 A. It would depend on the specific</p> <p>5 entity. In the case of HCRE I think they used</p> <p>6 the – the two lawyers that worked at NexPoint.</p> <p>7 I don't think they used the legal</p> <p>8 staff per se. I think they – the shared</p> <p>9 services that they relied on were accounting</p> <p>10 and tax primarily.</p> <p>11 Q. Did Mark Patrick do work for HCRE</p> <p>12 while he was employed by Highland?</p> <p>13 A. Boy, I don't know. I imagine</p> <p>14 probably tax-related stuff.</p> <p>15 Q. Did HCRE ever pay Highland anything</p> <p>16 for the services that it received?</p> <p>17 MS. DEITSCH-PEREZ: Are you talking</p> <p>18 about cash or –</p> <p>19 MR. MORRIS: Please, please, please.</p> <p>20 – I'm trying to be really patient,</p> <p>21 Deborah, but please no speaking objections.</p> <p>22 Mr. Dondero is a very sophisticated man.</p> <p>23 We have done this many times</p> <p>24 together. He will ask me if he doesn't</p> <p>25 understand the question. And if you would</p>

<p>Page 384</p> <p>1 DONDERO - 10/29/21</p> <p>2 like to object, by all means. I don't have</p> <p>3 a problem with that. I don't.</p> <p>4 MS. DEITSCH-PEREZ: But I asked –</p> <p>5 (speaking simultaneously.)</p> <p>6 Q. Mr. Dondero – Mr. Dondero –</p> <p>7 Mr. Dondero, did HCRE ever pay anything to</p> <p>8 Highland for services rendered?</p> <p>9 MS. DEITSCH-PEREZ: Asked and</p> <p>10 answered.</p> <p>11 A. Yeah, that is what I was going to</p> <p>12 say. Same answer. You know, not – not a</p> <p>13 formal cash remuneration, but, you know, a –</p> <p>14 which wouldn't have been much anyway. But –</p> <p>15 but more in terms of track record and presence</p> <p>16 in the market that then Highland or NexPoint</p> <p>17 could use to further its business.</p> <p>18 Q. Are you saying that – that all of</p> <p>19 the entities were working kind of as a unified</p> <p>20 unit and got synergistic benefits from the work</p> <p>21 that it did?</p> <p>22 MS. DEITSCH-PEREZ: Object to the</p> <p>23 form.</p> <p>24 A. I don't want to over generalize and</p> <p>25 say yes to that, but – but there were</p>	<p>Page 385</p> <p>1 DONDERO - 10/29/21</p> <p>2 definitely – you know, when I use the DAF</p> <p>3 example, you know, we would have never got the</p> <p>4 Harvard vest as an investor if it wasn't for</p> <p>5 the track record that the DAF had in CLO</p> <p>6 equity.</p> <p>7 I think there is business that</p> <p>8 NexPoint got in the real estate space</p> <p>9 benefiting from the HCRE performance. So I do</p> <p>10 believe there was specific definable benefit</p> <p>11 gained for the modest amount of cost of</p> <p>12 services provided.</p> <p>13 Q. And you –</p> <p>14 A. There wasn't specific remuneration.</p> <p>15 Q. And you controlled all of these</p> <p>16 entities; right?</p> <p>17 MS. DEITSCH-PEREZ: Object to the</p> <p>18 form.</p> <p>19 A. Well, the DAF is independent and</p> <p>20 separate, but the – the HCRE-type entity, yes.</p> <p>21 Q. And did you decide that HCRE and</p> <p>22 HCMS and the DAF wouldn't be required to pay</p> <p>23 for services rendered to Highland?</p> <p>24 MS. DEITSCH-PEREZ: Object to the</p> <p>25 form.</p>
<p>Page 386</p> <p>1 DONDERO - 10/29/21</p> <p>2 A. My recollection on the services and</p> <p>3 the HCRE is that the dollar value of the</p> <p>4 services provided was – was small and nominal.</p> <p>5 With regard to the DAF, it was more</p> <p>6 complicated. There is rules – there is</p> <p>7 charging rules in terms of fees and then there</p> <p>8 is also – I wasn't the one that decided that.</p> <p>9 And there are other issues there other than</p> <p>10 just the value for services argument.</p> <p>11 And so I don't – the short answer</p> <p>12 is, I don't know and I'm not involved in that,</p> <p>13 and I don't understand why sometimes there is</p> <p>14 one and sometimes there isn't one. Even to</p> <p>15 this day I don't know the answer to that.</p> <p>16 Q. Did – did – did you decide on</p> <p>17 behalf of Highland that Highland would provide</p> <p>18 services to DAF without receiving a stream of</p> <p>19 income in return?</p> <p>20 MS. DEITSCH-PEREZ: John, I think</p> <p>21 we're really far outside of either any of</p> <p>22 the 30(b)(6)s or the permissible topics for</p> <p>23 Mr. Dondero's personal deposition.</p> <p>24 So could you move on?</p> <p>25 MR. MORRIS: Okay. I will after I</p>	<p>Page 387</p> <p>1 DONDERO - 10/29/21</p> <p>2 get an answer to this question.</p> <p>3 A. Can you repeat the question?</p> <p>4 Q. Sure.</p> <p>5 Did you make the decision on behalf</p> <p>6 of Highland to provide services to the DAF</p> <p>7 without receiving a stream of income in return?</p> <p>8 MS. DEITSCH-PEREZ: Same objection.</p> <p>9 A. Yeah, I think I answered it with my</p> <p>10 rambling a few minutes ago, but the short</p> <p>11 answer is no.</p> <p>12 Q. Who made that decision? Who made</p> <p>13 that decision?</p> <p>14 MS. DEITSCH-PEREZ: Was that Mike's</p> <p>15 dog or yours?</p> <p>16 MR. MORRIS: That was my dog. I</p> <p>17 apologize.</p> <p>18 MS. DEITSCH-PEREZ: Okay.</p> <p>19 Q. Who made that decision, sir?</p> <p>20 A. I wasn't sure –</p> <p>21 MS. DEITSCH-PEREZ: Again – again,</p> <p>22 John, this is well beyond the scope of the</p> <p>23 30(b)(6)s or even anything permissible for</p> <p>24 Mr. Dondero's personal. And, in fact, you</p> <p>25 said last time that is it, that was my last</p>

<p>Page 388</p> <p>1 DONDERO - 10/29/21</p> <p>2 question. So...</p> <p>3 MR. MORRIS: That is – that is</p> <p>4 because I thought that he would say as the</p> <p>5 control person at the enterprise that he</p> <p>6 made the decision, but he said that he</p> <p>7 didn't.</p> <p>8 So I'm just asking one follow-up</p> <p>9 question. I just want to know – Deborah,</p> <p>10 please.</p> <p>11 Q. I just want to know who made the</p> <p>12 decision on behalf of Highland to render</p> <p>13 services to the DAF without receiving a stream</p> <p>14 of income in return.</p> <p>15 MS. DEITSCH-PEREZ: Object to the</p> <p>16 form of the question for all of the reasons</p> <p>17 I stated before.</p> <p>18 A. And I don't know the answer.</p> <p>19 Q. Okay. So looking back at the</p> <p>20 document on the screen, we're going to ask –</p> <p>21 I'm going to ask these questions in your</p> <p>22 capacity as NexPoint's 30(b)(6) representative,</p> <p>23 okay?</p> <p>24 A. Sure.</p> <p>25 Q. And do you understand that the</p>	<p>Page 389</p> <p>1 DONDERO - 10/29/21</p> <p>2 document on the screen is NexPoint's answer to</p> <p>3 Highland's amended complaint?</p> <p>4 A. Yes.</p> <p>5 Q. Did you review this document before?</p> <p>6 A. Just generally.</p> <p>7 Q. And did you authorize the filing of</p> <p>8 this document on behalf of NexPoint?</p> <p>9 A. Yes, yes.</p> <p>10 Q. Are you aware of anything in this</p> <p>11 document today that you believe to be</p> <p>12 inaccurate?</p> <p>13 A. I think the – on the affirmative</p> <p>14 defenses on the – do you remember on the prior</p> <p>15 one we had the – I think it was called</p> <p>16 justification as the first one, but there</p> <p>17 wasn't a prepay in that one?</p> <p>18 Q. Correct.</p> <p>19 A. I think this one there were prepay,</p> <p>20 but the justification defense is missing from</p> <p>21 the front here. And I think that is – I think</p> <p>22 if that were to continue – I think that is</p> <p>23 partly due to different law firms and what was</p> <p>24 known at the time, et cetera, but I would say</p> <p>25 that is – that is the – that is the one thing</p>
<p>Page 390</p> <p>1 DONDERO - 10/29/21</p> <p>2 that jumps out at me between the two.</p> <p>3 MR. MORRIS: Okay. Can we go to</p> <p>4 Paragraph 80, and let's see if we can see</p> <p>5 what Mr. Dondero is talking about.</p> <p>6 Q. Okay. So I'm just going to focus on</p> <p>7 the first three paragraphs, 80, 81, and 82, and</p> <p>8 ask you whether – whether you are aware of any</p> <p>9 facts that concern the affirmative defenses set</p> <p>10 forth in those paragraphs. And I think they're</p> <p>11 related, and that is why I'm asking you to do</p> <p>12 it all together, but we can do it one at a</p> <p>13 time, whatever you are comfortable with.</p> <p>14 MS. DEITSCH-PEREZ: Object to the</p> <p>15 form. I mean, other than the facts in</p> <p>16 those paragraphs?</p> <p>17 MR. MORRIS: You are doing it again,</p> <p>18 Deborah.</p> <p>19 MS. DEITSCH-PEREZ: It –</p> <p>20 MR. MORRIS: Please, please.</p> <p>21 MS. DEITSCH-PEREZ: John, when you</p> <p>22 ask questions – I understand Mr. Dondero</p> <p>23 is sophisticated, but he's also not a</p> <p>24 lawyer, and when you ask questions that are</p> <p>25 misleading, I'm going to interject</p>	<p>Page 391</p> <p>1 DONDERO - 10/29/21</p> <p>2 something.</p> <p>3 MR. MORRIS: It is completely</p> <p>4 improper. He doesn't need to be a lawyer.</p> <p>5 He's a 30(b)(6) witness, and I'm asking</p> <p>6 such a simple question, what facts do you</p> <p>7 have that support the affirmative defense.</p> <p>8 A. Okay. Is it okay if I repeat some</p> <p>9 of them from the prior one?</p> <p>10 Q. Sure. Whatever you are comfortable</p> <p>11 with.</p> <p>12 A. The – to the extent that – to the</p> <p>13 extent that the notes were prepaid – prepaid</p> <p>14 significantly, it is a real question on whether</p> <p>15 or not there could have been a breach at the</p> <p>16 end of the year, even if there wasn't a payment</p> <p>17 at the end of the year.</p> <p>18 There is no logical reason, nor</p> <p>19 would I have ever authorized or suggested no</p> <p>20 payment to put us on – in default due to a de</p> <p>21 minimis amount of money, like a few hundred</p> <p>22 thousand dollars, even if I was highly annoyed</p> <p>23 with Seery, even if we knew that Seery and</p> <p>24 Highland had overcharged NexPoint by whatever</p> <p>25 it was, 14, 16 million bucks, I would not have</p>

<p>Page 392</p> <p>1 DONDERO - 10/29/21</p> <p>2 let a small amount cause a – cause a breach.</p> <p>3 You know, the – how would I – how</p> <p>4 would I add to that now. The overpayment on</p> <p>5 the \$14 million, holding back additional shared</p> <p>6 services amount, made an inordinate amount of</p> <p>7 sense.</p> <p>8 There was supposed to be at that</p> <p>9 time – there was another netting from Seery in</p> <p>10 terms of wanting to be fair and reasonable, you</p> <p>11 know, with employees and with the transition of</p> <p>12 the estate, et cetera, and everything was going</p> <p>13 to get trued up.</p> <p>14 So I do believe there was an</p> <p>15 expectation of a netting, et cetera, but</p> <p>16 overall, Highland should have paid it. It</p> <p>17 shouldn't have let it breach the cause, but at</p> <p>18 least when I found out about it and they knew I</p> <p>19 was annoyed. And I told them I didn't want it</p> <p>20 to be in default, they gave me the numbers and</p> <p>21 the amounts to cure it in their mind, and they</p> <p>22 accepted it.</p> <p>23 Now, I think they should have gone</p> <p>24 back and incorporated prepaids and said that no</p> <p>25 amounts were due because of the prepaids, et</p>	<p>Page 393</p> <p>1 DONDERO - 10/29/21</p> <p>2 cetera, but the calculation that they came up</p> <p>3 to get it in compliance in good standing was a</p> <p>4 million 4. And just like we relied on them to</p> <p>5 pay it and keep us out of default, we relied on</p> <p>6 them to set the amount to cure.</p> <p>7 But I guess I would make the</p> <p>8 argument that it shouldn't have been, but</p> <p>9 again, I didn't want to mince – I didn't want</p> <p>10 to on small dollars make an argument that could</p> <p>11 get us in bigger trouble – bigger trouble. So</p> <p>12 it was easier to – to pay the million bucks</p> <p>13 than it was to argue that it wasn't due.</p> <p>14 Q. Did you at any time in your capacity</p> <p>15 as the person in control of NexPoint instruct</p> <p>16 anybody at Highland to make the payment that</p> <p>17 was due at the end of 2020?</p> <p>18 A. Not specifically to pay it or not</p> <p>19 specifically not to pay it. It was something,</p> <p>20 again, small and de minimis that I expected to</p> <p>21 be done in due course.</p> <p>22 MR. MORRIS: I move to strike.</p> <p>23 Q. It's a very simple question.</p> <p>24 Did you personally take any steps to</p> <p>25 ensure that NexPoint made the payment that was</p>
<p>Page 394</p> <p>1 DONDERO - 10/29/21</p> <p>2 due at the end of 2020?</p> <p>3 MS. DEITSCH-PEREZ: Asked and</p> <p>4 answered.</p> <p>5 A. Yes, I would like to repeat my same</p> <p>6 answer.</p> <p>7 Q. Did you tell anybody to make the</p> <p>8 payment on behalf of NexPoint at the end of</p> <p>9 2020?</p> <p>10 MS. DEITSCH-PEREZ: Asked and</p> <p>11 answered.</p> <p>12 A. I would like to give the same answer</p> <p>13 that you – you – you struck.</p> <p>14 Q. Can you just say yes or no, sir, did</p> <p>15 you tell anybody to make the payment at the end</p> <p>16 of 2020 on behalf of NexPoint?</p> <p>17 MS. DEITSCH-PEREZ: Asked and</p> <p>18 answered.</p> <p>19 A. I don't want to give anything beyond</p> <p>20 the answer that I gave.</p> <p>21 Q. Okay.</p> <p>22 A. I get myself in trouble because I</p> <p>23 paraphrase. I don't want to answer yes – I</p> <p>24 don't think yes or no would be an appropriate</p> <p>25 answer. I want to stay with the answer that I</p>	<p>Page 395</p> <p>1 DONDERO - 10/29/21</p> <p>2 gave.</p> <p>3 Q. Okay. I'm going to say the word</p> <p>4 "Yankees," and every time I say the word</p> <p>5 "Yankees" today, everybody should know that</p> <p>6 that is the question that I'm going to bring to</p> <p>7 the Court on a motion to compel, okay?</p> <p>8 It's a very simple question. It's a</p> <p>9 very simple question. I will ask one more</p> <p>10 time, and if you don't want to answer, that is</p> <p>11 fine.</p> <p>12 MS. DEITSCH-PEREZ: What –</p> <p>13 Q. Mr. Dondero – Mr. Dondero, in</p> <p>14 December of 2020, did you give anybody any</p> <p>15 instructions at Highland to make sure that</p> <p>16 NexPoint made the payment that was due at the</p> <p>17 end of the year?</p> <p>18 MS. DEITSCH-PEREZ: Asked and</p> <p>19 answered.</p> <p>20 A. I think that means I'm supposed to</p> <p>21 stick with the answer that I gave.</p> <p>22 MS. DEITSCH-PEREZ: You're on mute,</p> <p>23 John. John, you're on mute. John, you're</p> <p>24 on mute. John, we can't hear you.</p> <p>25 THE WITNESS: I do like it better</p>

<p>Page 396</p> <p>1 DONDERO - 10/29/21</p> <p>2 when he yells at me on mute.</p> <p>3 MS. DEITSCH-PEREZ: John, we can't</p> <p>4 hear you.</p> <p>5 COURT REPORTER: We can't hear you,</p> <p>6 John.</p> <p>7 MR. MORRIS: You can't hear me?</p> <p>8 COURT REPORTER: Now we can.</p> <p>9 MS. DEITSCH-PEREZ: Now we can hear</p> <p>10 you, but we couldn't hear you. It looks</p> <p>11 like you were yelling, but we couldn't hear</p> <p>12 you.</p> <p>13 A. I do like it better when you yell at</p> <p>14 me on mute.</p> <p>15 Q. I try not to yell at you, and I hope</p> <p>16 that you haven't perceived this -- we do have a</p> <p>17 videotape this time. So to the extent that</p> <p>18 anybody perceives your comment as suggesting</p> <p>19 that I have yelled at you, I would invite them</p> <p>20 to look at the video.</p> <p>21 MS. DEITSCH-PEREZ: Well, we said we</p> <p>22 couldn't hear you, but your animation</p> <p>23 looked like that.</p> <p>24 Q. Sir, can you identify any person in</p> <p>25 the world acting on behalf of NexPoint who</p>	<p>Page 397</p> <p>1 DONDERO - 10/29/21</p> <p>2 instructed Highland to make the payment that</p> <p>3 was due on the NexPoint term note in December</p> <p>4 of 2020?</p> <p>5 MS. DEITSCH-PEREZ: John, that is</p> <p>6 the fifth or sixth time.</p> <p>7 MR. MORRIS: It is a completely</p> <p>8 different question. Please.</p> <p>9 MS. DEITSCH-PEREZ: Could you read</p> <p>10 it back, if I was mistaken. So read it</p> <p>11 back.</p> <p>12 (Record read.)</p> <p>13 A. NexPoint did not have the accounting</p> <p>14 staff or the systems or the records or the</p> <p>15 knowledge to have any person in the world at</p> <p>16 NexPoint to give that instruction.</p> <p>17 So the long answer -- the short</p> <p>18 answer is no, but the long answer is we had</p> <p>19 been kept away from our books and records. I</p> <p>20 think we largely still don't have them, and</p> <p>21 there would -- I am not aware of anybody who --</p> <p>22 anybody in the world at NexPoint who made that</p> <p>23 request.</p> <p>24 Q. Frank Waterhouse was the treasurer</p> <p>25 of NexPoint in December of 2020; is that</p>
<p>Page 398</p> <p>1 DONDERO - 10/29/21</p> <p>2 correct?</p> <p>3 A. I think he was very much viewing his</p> <p>4 responsibilities as Highland related and as an</p> <p>5 employee of Highland. But yes, based on that</p> <p>6 incumbency certificate, but that is your --</p> <p>7 your question to ask Frank if he was taking</p> <p>8 that seriously, but NexPoint was relying on</p> <p>9 Highland.</p> <p>10 Q. Do you have any other facts that you</p> <p>11 are aware of that relate to the affirmative</p> <p>12 defenses set forth in Paragraphs 81 through 82?</p> <p>13 A. I think I -- I think I've said them</p> <p>14 all.</p> <p>15 MR. MORRIS: Okay. It is 2:13</p> <p>16 Eastern time. Let's just take a short</p> <p>17 half-hour lunch break, and let's return at</p> <p>18 2:45, or 1:45 Central.</p> <p>19 VIDEOGRAPHER: Off the record, 1:13.</p> <p>20 (Recess taken 1:13 p.m. to 1:48 p.m.)</p> <p>21 VIDEOGRAPHER: Back on the record,</p> <p>22 1:48.</p> <p>23 Q. Mr. Dondero, are you comfortable?</p> <p>24 A. Yes.</p> <p>25 Q. And are you able to proceed?</p>	<p>Page 399</p> <p>1 DONDERO - 10/29/21</p> <p>2 A. Yes.</p> <p>3 Q. Okay. Did you speak with anybody</p> <p>4 during the break about the substance of this</p> <p>5 deposition?</p> <p>6 A. No.</p> <p>7 Q. You entered into certain oral</p> <p>8 agreements with your sister concerning some of</p> <p>9 the notes at issue in these lawsuits.</p> <p>10 Do I have that right?</p> <p>11 MS. DEITSCH-PEREZ: Object to the</p> <p>12 form.</p> <p>13 A. Can you rephrase or repeat, please?</p> <p>14 Q. Sure.</p> <p>15 You entered into certain oral</p> <p>16 agreements with your sister concerning certain</p> <p>17 of the notes at issue in these lawsuits.</p> <p>18 Do I have that right?</p> <p>19 MS. DEITSCH-PEREZ: Object --</p> <p>20 A. Yes.</p> <p>21 MS. DEITSCH-PEREZ: Object to the</p> <p>22 form. And I'm going to object -- object</p> <p>23 every time because it just -- just so it is</p> <p>24 on the record because you are saying "your</p> <p>25 sister" without giving her -- her capacity.</p>

<p>Page 400</p> <p>1 DONDERO - 10/29/21</p> <p>2 A. Okay.</p> <p>3 MS. DEITSCH-PEREZ: But I don't want</p> <p>4 to disrupt the deposition, so I'm just</p> <p>5 telling you why I'm doing it and he can</p> <p>6 continue to answer thereafter. That is why</p> <p>7 I'm doing it.</p> <p>8 Q. Okay. Can we – can we agree,</p> <p>9 Mr. Dondero, when I refer to your sister in the</p> <p>10 context of oral agreements that she was</p> <p>11 entering into those agreements with you as a</p> <p>12 representative of Dugaboy – as Dugaboy</p> <p>13 trustee, as representative for a majority of</p> <p>14 the class A interest holders of Highland?</p> <p>15 A. Yeah. How about just to make it</p> <p>16 simple let's just call it the Dugaboy trustee,</p> <p>17 and everybody will know that it is my sister</p> <p>18 and everybody will know that it is the majority</p> <p>19 of the class A unit holders.</p> <p>20 Q. Okay. Okay. I appreciate that and</p> <p>21 I will do just that.</p> <p>22 You entered into certain oral</p> <p>23 agreements with the Dugaboy trustee concerning</p> <p>24 certain of the notes at issue in these</p> <p>25 lawsuits; is that right?</p>	<p>Page 401</p> <p>1 DONDERO - 10/29/21</p> <p>2 A. Yes.</p> <p>3 Q. Okay. Let's discuss the purpose of</p> <p>4 those oral agreements.</p> <p>5 MR. MORRIS: Can we put back up on</p> <p>6 the screen Mr. Dondero's answer.</p> <p>7 Q. And while we're doing that,</p> <p>8 Mr. Dondero, can you confirm that your sister</p> <p>9 is the only trustee of the Dugaboy Investment</p> <p>10 Trust?</p> <p>11 MS. DEITSCH-PEREZ: Object to the</p> <p>12 form.</p> <p>13 A. For what period of time are we</p> <p>14 talking about?</p> <p>15 Q. During the period of time at which</p> <p>16 you entered into the oral agreements with the</p> <p>17 Dugaboy trustee.</p> <p>18 MS. DEITSCH-PEREZ: Object to the</p> <p>19 form.</p> <p>20 A. Yeah, I believe she has been the</p> <p>21 trustee since 2015 and remains so today. I</p> <p>22 don't have an awareness of – I don't have an</p> <p>23 awareness of another functional trustee.</p> <p>24 So some of these – sometimes</p> <p>25 complex trusts have other layers that are</p>
<p>Page 402</p> <p>1 DONDERO - 10/29/21</p> <p>2 called trustees but they're not trustees per</p> <p>3 se. But I think I'm over thinking it. But I'm</p> <p>4 not aware of anybody I've interacted with,</p> <p>5 other than her, as trustee with regard to the</p> <p>6 notes.</p> <p>7 Q. Okay. So up on the screen we</p> <p>8 have – no, that is the wrong document.</p> <p>9 MR. MORRIS: We need Exhibit 31,</p> <p>10 please.</p> <p>11 Yeah, there you go. That one.</p> <p>12 Perfect. Okay.</p> <p>13 MS. DEITSCH-PEREZ: 31 is not – oh,</p> <p>14 is that the '03 answer?</p> <p>15 MR. MORRIS: Correct, that is</p> <p>16 Mr. Dondero's answer.</p> <p>17 Q. Do you see that, sir, on the screen?</p> <p>18 MS. DEITSCH-PEREZ: Hang on. I'm</p> <p>19 going to get it again.</p> <p>20 Okay. If you want a hard copy, I</p> <p>21 have one here but he's got it up.</p> <p>22 Q. Do you see on the screen,</p> <p>23 Mr. Dondero, marked as Exhibit 31 is your</p> <p>24 answer to Highland's amended complaint?</p> <p>25 A. Yes.</p>	<p>Page 403</p> <p>1 DONDERO - 10/29/21</p> <p>2 Q. Okay.</p> <p>3 MR. MORRIS: Can we go to</p> <p>4 Paragraph 82, please.</p> <p>5 Q. Is it your understanding that</p> <p>6 Paragraph 82 describes, among other things, in</p> <p>7 general terms your oral agreements with –</p> <p>8 between you and the Dugaboy trustee?</p> <p>9 A. Yes.</p> <p>10 Q. Is it your position that the oral</p> <p>11 agreements that you entered into with your</p> <p>12 sister – withdrawn.</p> <p>13 Is it your contention that the oral</p> <p>14 agreements you entered into with the Dugaboy</p> <p>15 trustee applied to each of the notes that were</p> <p>16 executed by NexPoint and that are the subject</p> <p>17 of Highland's lawsuit against NexPoint?</p> <p>18 A. Yes.</p> <p>19 Q. Is it your contention that the oral</p> <p>20 agreements that were entered into with the</p> <p>21 Dugaboy trustee apply to the notes executed by</p> <p>22 HCMS that are the subject of Highland's lawsuit</p> <p>23 against HCMS?</p> <p>24 A. Yes.</p> <p>25 Q. Is it your contention that the oral</p>

<p>Page 404</p> <p>1 DONDERO - 10/29/21</p> <p>2 agreements between you and the Dugaboy trustee</p> <p>3 apply to the notes that were executed by HCRE</p> <p>4 that are the subject of the lawsuit that</p> <p>5 Highland has commenced against HCRE?</p> <p>6 A. Yes.</p> <p>7 Q. Okay. Do I understand correctly</p> <p>8 that your oral agreements with your sister do</p> <p>9 not apply to the notes that were executed on</p> <p>10 behalf of HCMFA that are the subject of the</p> <p>11 lawsuit that Highland commenced against HCMFA?</p> <p>12 A. Correct.</p> <p>13 Q. Okay. I appreciate that.</p> <p>14 Do you see in this paragraph towards</p> <p>15 the middle it says, quote: The purpose of this</p> <p>16 agreement was to provide compensation to</p> <p>17 defendant, James Dondero, who was otherwise</p> <p>18 underpaid, compared to reasonable compensation</p> <p>19 levels in the industry through the use of</p> <p>20 forgivable loans, a practice that was standard</p> <p>21 at HCMLP in the industry.</p> <p>22 Have I read that correctly?</p> <p>23 A. Yes.</p> <p>24 Q. Is that the purpose of the agreement</p> <p>25 that you entered into with your sister –</p>	<p>Page 405</p> <p>1 DONDERO - 10/29/21</p> <p>2 withdrawn.</p> <p>3 Is that the purpose of the agreement</p> <p>4 that you entered into with the Dugaboy trustee</p> <p>5 concerning the notes at issue in the lawsuits</p> <p>6 that were commenced against you personally?</p> <p>7 Withdrawn. That was a bad question.</p> <p>8 Does that purpose apply only to the</p> <p>9 notes that you executed or does it apply to the</p> <p>10 corporate notes as well?</p> <p>11 MS. DEITSCH-PEREZ: Object to the</p> <p>12 form.</p> <p>13 Other than HCMFA?</p> <p>14 MR. MORRIS: Correct. I think we've</p> <p>15 established the scope of the agreements.</p> <p>16 A. To give a complete answer, from my</p> <p>17 perspective it is about 50 million of notes</p> <p>18 between – current balance between NexPoint,</p> <p>19 Services, myself, and HCRE.</p> <p>20 Q. And HCMS; right?</p> <p>21 A. Yes, Services, Highland Capital</p> <p>22 Management, yes.</p> <p>23 Q. Okay. So I just want to know, that</p> <p>24 sentence there concerning the purpose was</p> <p>25 omitted from the answers of NexPoint, HCMS,</p>
<p>Page 406</p> <p>1 DONDERO - 10/29/21</p> <p>2 HCRE.</p> <p>3 And I'm happy to walk you through to</p> <p>4 show you. And I just want to know in your</p> <p>5 capacity as a 30(b)(6) witness for those</p> <p>6 entities, if you know why that statement of</p> <p>7 purpose was omitted.</p> <p>8 A. Well, we talked about it earlier. I</p> <p>9 think there is some cleanup. There has been</p> <p>10 multiple lawyers involved. We didn't know</p> <p>11 which loans were prepaid, which loans weren't.</p> <p>12 But, you know, I don't know why it was omitted</p> <p>13 but it applies to all of them.</p> <p>14 MS. DEITSCH-PEREZ: I think that is</p> <p>15 the first time that I've noticed that. So,</p> <p>16 John, I'm going to take a mea culpa. I</p> <p>17 think that is a cut-and-paste error.</p> <p>18 MR. MORRIS: All right. Well, I</p> <p>19 will – I will just point out that the</p> <p>20 affirmative defense concerning the oral</p> <p>21 agreements is the exact same in all four</p> <p>22 answers, except for the omission of the</p> <p>23 statement of purpose for the three</p> <p>24 corporate entities.</p> <p>25 Q. And so, Mr. Dondero, is it fair to</p>	<p>Page 407</p> <p>1 DONDERO - 10/29/21</p> <p>2 say that you don't know why that statement of</p> <p>3 purpose was omitted from the corporate</p> <p>4 entities' answers?</p> <p>5 A. Yeah, I don't know why it is omitted</p> <p>6 or why the complaints aren't consistent with</p> <p>7 that regard.</p> <p>8 Q. Okay. But it is your – it is your</p> <p>9 position as the purpose – as one of the people</p> <p>10 who entered into this oral agreement that the</p> <p>11 purpose for the – for the condition subsequent</p> <p>12 agreement is the same as for the corporate</p> <p>13 entities as it is for you, as stated in this</p> <p>14 paragraph; is that right?</p> <p>15 A. Yes.</p> <p>16 Q. Okay. We talked a little bit about</p> <p>17 the NexPoint term note.</p> <p>18 Do you remember that?</p> <p>19 A. Yes.</p> <p>20 Q. And do you recall that in its</p> <p>21 original form the NexPoint term note was for a</p> <p>22 principal amount of approximately \$30 million?</p> <p>23 A. Yes.</p> <p>24 Q. And do you recall that the NexPoint</p> <p>25 term note was a rollover of the outstanding</p>

<p>Page 408</p> <p>1 DONDERO - 10/29/21</p> <p>2 principal and interest then due on certain</p> <p>3 promissory notes that had previously been given</p> <p>4 by NexPoint to Highland?</p> <p>5 A. Yes.</p> <p>6 Q. Okay.</p> <p>7 MR. MORRIS: Can we put up, please,</p> <p>8 Exhibit Number 2, which I believe is the</p> <p>9 complaint against NexPoint.</p> <p>10 (Exhibit 2 marked.)</p> <p>11 MR. MORRIS: And if we can go to</p> <p>12 Exhibit Number 1 of Deposition Exhibit</p> <p>13 Number 2.</p> <p>14 Q. Okay. And do you see – I'm sorry,</p> <p>15 sir, do you see that Exhibit Number 1 to the</p> <p>16 complaint is a promissory note dated May 31st,</p> <p>17 2017 in the approximate amount of</p> <p>18 \$30.75 million?</p> <p>19 A. Yes.</p> <p>20 Q. Okay. And is that your signature on</p> <p>21 page 2?</p> <p>22 A. Looks like it.</p> <p>23 Q. Okay. And did you sign this note on</p> <p>24 behalf of NexPoint on or around May 31st, 2017?</p> <p>25 A. I assume so.</p>	<p>Page 409</p> <p>1 DONDERO - 10/29/21</p> <p>2 Q. Do you know if you read the note</p> <p>3 before you signed it?</p> <p>4 A. Not likely.</p> <p>5 Q. Do you recall whether there was</p> <p>6 anything about the note that you didn't</p> <p>7 understand before you signed it on behalf of</p> <p>8 NexPoint?</p> <p>9 MS. DEITSCH-PEREZ: Object to the</p> <p>10 form.</p> <p>11 A. Yeah, I'm not – I doubt I read it,</p> <p>12 so I don't remember objecting to anything.</p> <p>13 Q. Okay. Looking at Paragraph 2.1, am</p> <p>14 I characterizing that section fairly when I say</p> <p>15 that the borrower was required to make an</p> <p>16 annual installment payment at the end of each</p> <p>17 calendar year?</p> <p>18 MS. DEITSCH-PEREZ: Object to the</p> <p>19 form.</p> <p>20 A. I see that paragraph, yes.</p> <p>21 Q. Okay. And did you understand when</p> <p>22 you signed it that an annual installment</p> <p>23 payment would be due at the end of each year by</p> <p>24 NexPoint?</p> <p>25 MS. DEITSCH-PEREZ: Object to the</p>
<p>Page 410</p> <p>1 DONDERO - 10/29/21</p> <p>2 form.</p> <p>3 A. I never read it that closely.</p> <p>4 Q. So as the control person of</p> <p>5 NexPoint, is it fair to say then that you don't</p> <p>6 recall having an understanding when you signed</p> <p>7 this note that NexPoint would be required to</p> <p>8 make annual payments at the end of each year?</p> <p>9 MS. DEITSCH-PEREZ: Object to the</p> <p>10 form.</p> <p>11 A. I didn't have knowledge of the</p> <p>12 specifics, and again, I would describe those</p> <p>13 specifics as de minimis.</p> <p>14 Q. Okay. Do you see – do you have any</p> <p>15 idea who drafted this note?</p> <p>16 A. It would have come from accounting.</p> <p>17 I think they have boilerplate – I don't know</p> <p>18 if they work with legal at all. I have no</p> <p>19 idea, but it would have come through</p> <p>20 accounting.</p> <p>21 Q. Do you recall that all three of the</p> <p>22 term notes at issue were signed on the same</p> <p>23 day, May 31st, 2017?</p> <p>24 A. That doesn't surprise me. I think</p> <p>25 there was an accounting reason, if I remember</p>	<p>Page 411</p> <p>1 DONDERO - 10/29/21</p> <p>2 correctly. I think it had something to do with</p> <p>3 either the audit or the financials or if we had</p> <p>4 a credit facility at the time. I think that is</p> <p>5 probably why, but I don't remember exactly.</p> <p>6 Q. Do you have any other recollection</p> <p>7 as to why all three notes were executed at the</p> <p>8 end of May 2017?</p> <p>9 A. Again, I believe they're – the –</p> <p>10 aggregating or solidifying them into one</p> <p>11 defined note I think was required by the</p> <p>12 auditors or the – the accounting department as</p> <p>13 best practices. I don't think – it wasn't a</p> <p>14 regulatory reason and it wasn't a compliance</p> <p>15 reason. I believe it was just an accounting or</p> <p>16 an audit reason.</p> <p>17 Q. Did you ever make sure on behalf of</p> <p>18 NexPoint that the terms of the promissory note</p> <p>19 were fair and reasonable?</p> <p>20 MS. DEITSCH-PEREZ: Object to the</p> <p>21 form.</p> <p>22 A. Yeah, I don't remember ever</p> <p>23 negotiating or reading it that closely. And</p> <p>24 again, I think the view from all concerned is</p> <p>25 that it was relatively de minimis from the</p>

<p>Page 412</p> <p>1 DONDERO - 10/29/21</p> <p>2 balance sheet at Highland then or now and/or de</p> <p>3 minimis relevant to NexPoint's value.</p> <p>4 Q. It is a \$30 million note. Do I have</p> <p>5 that right?</p> <p>6 A. Yes.</p> <p>7 Q. Okay. And it was material enough to</p> <p>8 be included in Highland's financial statements;</p> <p>9 is that correct?</p> <p>10 A. Anything material or not as part of</p> <p>11 doing proper audited financials needs to be</p> <p>12 properly included.</p> <p>13 Q. Okay. And you know, because you</p> <p>14 signed the management representation letter,</p> <p>15 that this note was specifically disclosed to</p> <p>16 PwC and included in both Highland's and</p> <p>17 NexPoint's audited financial statements;</p> <p>18 correct?</p> <p>19 A. I would – I would have been shocked</p> <p>20 if it wasn't, if it is an asset and a liability</p> <p>21 respectively of the companies.</p> <p>22 Q. Okay. Do you see the section on</p> <p>23 acceleration upon default, Paragraph 4?</p> <p>24 A. Yes.</p> <p>25 Q. Have you ever seen that section</p>	<p>Page 413</p> <p>1 DONDERO - 10/29/21</p> <p>2 before?</p> <p>3 A. No.</p> <p>4 Q. Do you think a prudent executive</p> <p>5 signing a \$30 million note should take the time</p> <p>6 to read the terms and conditions of the note?</p> <p>7 A. Not necessarily.</p> <p>8 Q. Under what circumstances do you</p> <p>9 think that an executive shouldn't take the time</p> <p>10 to read the terms and conditions of a</p> <p>11 \$30 million promissory note?</p> <p>12 A. When it is between affiliates,</p> <p>13 between friendly affiliates with no even</p> <p>14 inkling that bankruptcy or the parties could be</p> <p>15 at odds create a note, when it is a soft note</p> <p>16 with limited collateral and limited other</p> <p>17 protections. And then the servicing or value</p> <p>18 of the note is de minimis relative to the</p> <p>19 balance sheets of each entity I think is a good</p> <p>20 reason or logical reason for the executives on</p> <p>21 both sides not to spend much time focusing on</p> <p>22 it.</p> <p>23 Q. All right. So you thought it was</p> <p>24 reasonable not to read this particular note for</p> <p>25 the reasons you just gave.</p>
<p>Page 414</p> <p>1 DONDERO - 10/29/21</p> <p>2 Do I have that right?</p> <p>3 A. Right.</p> <p>4 MR. MORRIS: Okay. Can we go to the</p> <p>5 next page, please.</p> <p>6 Q. Do you see Paragraph 5? There is a</p> <p>7 paragraph entitled Waiver.</p> <p>8 A. Yes.</p> <p>9 Q. And I will read it out loud: Maker</p> <p>10 hereby waives grace, demand, presentment for</p> <p>11 payment, notice of non-payment, protest, notice</p> <p>12 of protest, notice of intent to accelerate,</p> <p>13 notice of acceleration, and all other notices</p> <p>14 of any kind hereunder.</p> <p>15 Have I read that correctly?</p> <p>16 A. Yes.</p> <p>17 Q. Do you know that that paragraph is</p> <p>18 included in every single note that you signed</p> <p>19 that is part of the litigation that we're here</p> <p>20 to talk about today?</p> <p>21 A. You have to – you have to define</p> <p>22 when. You know, like today I know that it</p> <p>23 is – it is in those notes.</p> <p>24 At the end of '20, Seery and DSI</p> <p>25 were withholding all notes, all information,</p>	<p>Page 415</p> <p>1 DONDERO - 10/29/21</p> <p>2 anything regarding the company from any of the</p> <p>3 other subsidiaries, and Frank was administering</p> <p>4 the notes on behalf of both the related parties</p> <p>5 and Highland.</p> <p>6 So at the time – at the time I</p> <p>7 would have – I would have never known that at</p> <p>8 the end of 2020. And it is crazy to think I</p> <p>9 would have remembered a clause in a soft note</p> <p>10 from three years earlier.</p> <p>11 Q. Okay. Is it fair to say that – do</p> <p>12 you understand today that that provision is</p> <p>13 included in every note that you signed?</p> <p>14 MS. DEITSCH-PEREZ: Object to the</p> <p>15 form.</p> <p>16 A. You're saying it, so I believe you.</p> <p>17 I'm not asking you to go show me all the other</p> <p>18 notes, but –</p> <p>19 Q. Thank you.</p> <p>20 A. – I'm assuming it is in all the</p> <p>21 other notes. I will take your word for it.</p> <p>22 Q. And is it fair to say that at the</p> <p>23 time you signed these notes you didn't take the</p> <p>24 time to read that particular provision?</p> <p>25 MS. DEITSCH-PEREZ: Object to the</p>

<p>Page 416</p> <p>1 DONDERO - 10/29/21</p> <p>2 form.</p> <p>3 A. That is correct. A lot of it is</p> <p>4 boilerplate. And, again, treasury or</p> <p>5 accounting would have put in what was necessary</p> <p>6 for regulatory, tax, audit purposes. Maybe the</p> <p>7 auditors put that in. I have no idea.</p> <p>8 But the content and the bullet</p> <p>9 points here, the nine paragraphs on a soft note</p> <p>10 would have been put in by other people and</p> <p>11 administered by other people other than me.</p> <p>12 Q. What is a soft note?</p> <p>13 A. You know, like a secured – I mean,</p> <p>14 a note that isn't a hard note, like a note that</p> <p>15 isn't secured, deed in lieu, UCC filed,</p> <p>16 guaranteed, you know, performance and bad boy</p> <p>17 clauses and all of that other stuff.</p> <p>18 A soft note is an unsecured loan</p> <p>19 that has basic terms to it, but it is likely</p> <p>20 subject to renegotiation over time.</p> <p>21 Q. Were any of the notes that you</p> <p>22 signed subject to negotiation?</p> <p>23 A. Well, I'm saying by definition that</p> <p>24 is what a soft note is.</p> <p>25 Q. One that – that is not subject to</p>	<p>Page 417</p> <p>1 DONDERO - 10/29/21</p> <p>2 the negotiation – to negotiations?</p> <p>3 A. No, one that is over time subject to</p> <p>4 negotiation or modification.</p> <p>5 Q. Okay.</p> <p>6 A. Because there is – there is</p> <p>7 limited – there is limited, team collateral,</p> <p>8 guarantee, bad boy features in – in a soft</p> <p>9 note.</p> <p>10 Q. Okay. Perhaps my question wasn't</p> <p>11 clear.</p> <p>12 Did the notes that you signed – did</p> <p>13 you negotiate them with anybody, the terms of</p> <p>14 each note?</p> <p>15 A. No.</p> <p>16 Q. Okay. Did you personally decide on</p> <p>17 the terms of each note?</p> <p>18 A. No. Again, they were two highly</p> <p>19 solvent, highly well-capitalized subsidiaries,</p> <p>20 and the amount of the notes was de minimis and</p> <p>21 friendly, and they were soft notes administered</p> <p>22 by a centralized treasury shared services</p> <p>23 department.</p> <p>24</p> <p>25 They were the ones deciding what it</p>
<p>Page 418</p> <p>1 DONDERO - 10/29/21</p> <p>2 took to be compliant from an accounting</p> <p>3 regulatory-wise standpoint, but wasn't – they</p> <p>4 were trying to come up with a balance note,</p> <p>5 which I think this is, such that it wouldn't</p> <p>6 have to be negotiated or haggled by any of the</p> <p>7 parties.</p> <p>8 And there is no evidence of any of</p> <p>9 the notes ever being haggled or ever being</p> <p>10 negotiated.</p> <p>11 Q. Okay. I appreciate that.</p> <p>12 At the time you signed each of the</p> <p>13 notes on behalf of the obligors, did the</p> <p>14 obligors have an intention at the time you put</p> <p>15 your signature on the page of repaying the</p> <p>16 notes in accordance with their terms?</p> <p>17 A. Yes. They're all – soft note</p> <p>18 doesn't mean it's not a bona fide note. They</p> <p>19 were all intended to be bona fide notes, and</p> <p>20 they all are bona fide notes that were intended</p> <p>21 to be paid and for the – virtually most part,</p> <p>22 were always paid or prepaid and, you know, paid</p> <p>23 in accordance.</p> <p>24 Q. Do you see to the right there is a</p> <p>25 list of prior notes?</p>	<p>Page 419</p> <p>1 DONDERO - 10/29/21</p> <p>2 A. Yes.</p> <p>3 Q. And is it your understanding that</p> <p>4 this note substituted and superseded the</p> <p>5 promissory notes that are listed on Exhibit A</p> <p>6 on the page there?</p> <p>7 A. Yeah. I mean, effectively pay those</p> <p>8 off and reestablish an aggregate note.</p> <p>9 Q. Right. And Exhibit A actually set</p> <p>10 forth the outstanding principal and interest</p> <p>11 that NexPoint owed Highland under the prior</p> <p>12 notes as defined there as of May 31st, 2017;</p> <p>13 right?</p> <p>14 A. Yeah, that is what it looks like.</p> <p>15 Q. Okay. And – and so the initial</p> <p>16 principal amount of the prior notes was what is</p> <p>17 stated there, approximately \$27.675 million?</p> <p>18 A. Right.</p> <p>19 Q. Okay. You wouldn't have signed this</p> <p>20 note on behalf of NexPoint if you didn't</p> <p>21 believe at the time you signed it that NexPoint</p> <p>22 owed Highland that amount of money; correct?</p> <p>23 A. Yeah, it is a bona fide note,</p> <p>24 consistent with my testimony.</p> <p>25 Q. Okay. Do you know why NexPoint</p>

<p style="text-align: right;">Page 420</p> <p>1 DONDERO - 10/29/21</p> <p>2 borrowed the money from Highland at the times</p> <p>3 and in the amounts listed on Exhibit A?</p> <p>4 A. No.</p> <p>5 Q. Did you authorize NexPoint to borrow</p> <p>6 the money that is reflected in the prior note</p> <p>7 set forth on Exhibit A?</p> <p>8 A. I don't know. Probably some of</p> <p>9 them, yes.</p> <p>10 Q. Okay. And you have no recollection</p> <p>11 at all as to why NexPoint borrowed over</p> <p>12 \$27 million from Highland in the 12-month</p> <p>13 period from August 2014 to July 2015?</p> <p>14 A. Not without being refreshed.</p> <p>15 Q. Okay. Do you have any knowledge as</p> <p>16 to what NexPoint did with the proceeds from</p> <p>17 these loans?</p> <p>18 A. Not without being refreshed.</p> <p>19 Q. Okay. And you contend that this</p> <p>20 note is subject to – subject to one of your</p> <p>21 oral agreements with the Dugaboy trustee;</p> <p>22 correct?</p> <p>23 A. Yes.</p> <p>24 Q. Who decided to include this</p> <p>25 particular note in your agreement with the</p>	<p style="text-align: right;">Page 421</p> <p>1 DONDERO - 10/29/21</p> <p>2 Dugaboy trustee?</p> <p>3 A. Me, myself.</p> <p>4 Q. Okay. What was the purpose of</p> <p>5 including this note in your agreement with the</p> <p>6 Dugaboy trustee?</p> <p>7 Was it to provide you with a</p> <p>8 compensation?</p> <p>9 A. Yeah. I mean, in fact, I think it</p> <p>10 was articulated in that big paragraph</p> <p>11 reasonably well that my cash compensation, I</p> <p>12 believe through any lens, people would look at</p> <p>13 it as de minimis from the standpoint of</p> <p>14 Highland as asset manager.</p> <p>15 I don't think it was more than a</p> <p>16 couple million bucks in a year and it went</p> <p>17 down, I think, in the '15 through '20 period.</p> <p>18 So I think it is common in private</p> <p>19 companies to loan money that is bona fide debt</p> <p>20 and then forgive it at different times to</p> <p>21 manage compensation and incentives to managers</p> <p>22 of private companies.</p> <p>23 This is a – we're in – we each</p> <p>24 have experts talking about it, but I think this</p> <p>25 is, you know, typical.</p>
<p style="text-align: right;">Page 422</p> <p>1 DONDERO - 10/29/21</p> <p>2 Q. Can you identify any moment in the</p> <p>3 25 or 26 year history that you were president</p> <p>4 of Highland where Highland forgave an</p> <p>5 intercompany loan for the purpose of providing</p> <p>6 compensation to you or any other employee</p> <p>7 except for the agreements that are described in</p> <p>8 Paragraph 82 of your answer?</p> <p>9 A. Boy, I know we have masked it. I</p> <p>10 don't know if we – it sounds like we may not</p> <p>11 have sent it to you, but we have done it for a</p> <p>12 dozen employees over the years in – in fairly</p> <p>13 significant amount –</p> <p>14 Q. I'm going to interrupt you, sir,</p> <p>15 because it's not responsive to my question. I</p> <p>16 apologize for that. I'm just focusing on</p> <p>17 intercompany loans.</p> <p>18 Can you identify any loan in the 25</p> <p>19 or 26 years that you were president, an</p> <p>20 intercompany loan where – where Highland was</p> <p>21 the payee that was forgiven for purposes of</p> <p>22 giving you or any employee compensation, other</p> <p>23 than – other than the agreements that you</p> <p>24 struck with the Dugaboy trustee?</p> <p>25 A. It is an odd question because I'm</p>	<p style="text-align: right;">Page 423</p> <p>1 DONDERO - 10/29/21</p> <p>2 the only one at the compensation level with the</p> <p>3 interrelated entities who could possibly get</p> <p>4 intercompany loans forgiven as part of the</p> <p>5 comp, but it –</p> <p>6 Q. Okay. So let me ask a cleaner –</p> <p>7 let me ask a cleaner question. I appreciate</p> <p>8 that clarification.</p> <p>9 Other than the agreements described</p> <p>10 in Paragraph 82, can you think of any other</p> <p>11 intercompany loan that was ever forgiven while</p> <p>12 you were president of Highland for the purpose</p> <p>13 of giving you compensation?</p> <p>14 A. I don't – I don't know.</p> <p>15 Q. This is an important issue; right?</p> <p>16 The notion of a prior practice. It is your</p> <p>17 contention that there was a prior practice at</p> <p>18 Highland – hold on one second. I apologize.</p> <p>19 Sorry about that. Somebody almost</p> <p>20 dropped an air conditioner out the window.</p> <p>21 MS. DEITSCH-PEREZ: That would not</p> <p>22 be good.</p> <p>23 MR. MORRIS: No.</p> <p>24 Q. All right. Apologies.</p> <p>25 MR. MORRIS: May I have the last</p>

<p style="text-align: right;">Page 424</p> <p>1 DONDERO - 10/29/21</p> <p>2 question read back?</p> <p>3 (Record read.)</p> <p>4 Q. I'm going to start all over here.</p> <p>5 Mr. Dondero, do you contend that</p> <p>6 there was a practice at Highland of forgiving</p> <p>7 loans; is that correct?</p> <p>8 A. Yes.</p> <p>9 Q. And do you recall that we talked</p> <p>10 about that issue back in May?</p> <p>11 A. Yes.</p> <p>12 Q. Okay. And since -- since that time</p> <p>13 have you made any effort to gather any</p> <p>14 information that would demonstrate that there</p> <p>15 was a prior practice at Highland of forgiving</p> <p>16 loans?</p> <p>17 A. Yes.</p> <p>18 Q. And what efforts have you made?</p> <p>19 A. Like I said, we amassed a list, and</p> <p>20 not insignificant list and not insignificant</p> <p>21 amounts, proportionate to the people's</p> <p>22 compensation where it was a practice.</p> <p>23 You know, for some people for</p> <p>24 relocation, for some people for bonuses, for</p> <p>25 house purposes, for senior executives, senior</p>	<p style="text-align: right;">Page 425</p> <p>1 DONDERO - 10/29/21</p> <p>2 executives at the bank and board members at the</p> <p>3 bank in the seven-figure kind of numbers that</p> <p>4 were then subsequently forgiven.</p> <p>5 It is -- I know we amassed more than</p> <p>6 a dozen examples that were significant and</p> <p>7 material.</p> <p>8 MR. MORRIS: Deborah, I apologize.</p> <p>9 It is certainly possible I missed it, but I</p> <p>10 don't recall seeing any list or any</p> <p>11 documents of any kind that Mr. Dondero has</p> <p>12 described.</p> <p>13 Have they been produced?</p> <p>14 MS. DEITSCH-PEREZ: I think so. I</p> <p>15 will double-check, but I believe that</p> <p>16 they're listed --</p> <p>17 MR. MORRIS: I know there is a list</p> <p>18 of -- I apologize. I know there is a list</p> <p>19 of names in one of the discovery responses.</p> <p>20 But other than the list of names in the</p> <p>21 discovery response, I don't recall</p> <p>22 receiving any documents at all.</p> <p>23 MS. DEITSCH-PEREZ: No. And I think</p> <p>24 we asked you for the documents because we</p> <p>25 don't have access to the documents on</p>
<p style="text-align: right;">Page 426</p> <p>1 DONDERO - 10/29/21</p> <p>2 Highland's server. The only thing I can</p> <p>3 think of that we might owe you is there</p> <p>4 might be a few additional names to list in</p> <p>5 the interrogatory, and I will check whether</p> <p>6 that has been done.</p> <p>7 MR. MORRIS: Okay.</p> <p>8 Q. Mr. Dondero, you sign management</p> <p>9 representation letters in connection with</p> <p>10 Highland's audit each year; is that right?</p> <p>11 A. Yes.</p> <p>12 Q. Do you understand that you have an</p> <p>13 obligation when you sign the management</p> <p>14 representation to disclose to the auditor all</p> <p>15 agreements with affiliated entities and people</p> <p>16 that are deemed to be material?</p> <p>17 MS. DEITSCH-PEREZ: Object to the</p> <p>18 form.</p> <p>19 A. Generally, yes.</p> <p>20 Q. Okay. And is it your understanding</p> <p>21 that at least since 2008 Highland has disclosed</p> <p>22 to its auditors all agreements with affiliates</p> <p>23 that are material, as defined in the management</p> <p>24 representation letter?</p> <p>25 A. Yes.</p>	<p style="text-align: right;">Page 427</p> <p>1 DONDERO - 10/29/21</p> <p>2 Q. And would that include any</p> <p>3 agreements to forgive loans that were deemed to</p> <p>4 be material amounts?</p> <p>5 A. No, because it is contingent in long</p> <p>6 term and speculative.</p> <p>7 Q. But at some point if it is forgiven</p> <p>8 would that be -- would that be an event that</p> <p>9 would be disclosed to the auditor?</p> <p>10 A. Sure.</p> <p>11 Q. Okay. So is it fair to say that all</p> <p>12 loans that were deemed to be material to the</p> <p>13 extent they were forgiven were disclosed to the</p> <p>14 auditors?</p> <p>15 A. Yes.</p> <p>16 Q. Okay.</p> <p>17 A. But, yeah, the only caveat I would</p> <p>18 put on it is we have such limited information</p> <p>19 regarding Cornerstone and Trust Life, which is</p> <p>20 part of my agreement with the Dugaboy trustee</p> <p>21 or with the majority of class A holders.</p> <p>22 They could have been sold in</p> <p>23 secrecy, without disclosure to us, such that</p> <p>24 the notes are all forgiven at this point, but</p> <p>25 we -- we -- we may never know.</p>

<p style="text-align: right;">Page 428</p> <p>1 DONDERO - 10/29/21</p> <p>2 Q. So you can't rely on anything that</p> <p>3 you don't know; is that fair?</p> <p>4 A. Yeah.</p> <p>5 MS. DEITSCH-PEREZ: Objection to</p> <p>6 form.</p> <p>7 A. Yeah, we can't rely on things we</p> <p>8 don't know and we can't rely on the debtor to</p> <p>9 be honorable.</p> <p>10 Q. Well, the debtor has produced to</p> <p>11 you, sir, every single audited financial</p> <p>12 statement without redaction since 2008. Are</p> <p>13 you aware of that?</p> <p>14 A. That is actually news to me because</p> <p>15 we were asking for them a couple of months ago.</p> <p>16 That must be – that must be a new production.</p> <p>17 Q. No. Actually, it was produced to</p> <p>18 you way back in July. You are not aware of</p> <p>19 that?</p> <p>20 A. No, I'm looking –</p> <p>21 MS. DEITSCH-PEREZ: Hang on.</p> <p>22 A. I'm looking at Deborah. She'll –</p> <p>23 MS. DEITSCH-PEREZ: I will get the</p> <p>24 date.</p> <p>25 A. Yeah. I would love to see them.</p>	<p style="text-align: right;">Page 429</p> <p>1 DONDERO - 10/29/21</p> <p>2 Q. So then – so then it – so is it</p> <p>3 fair to say, sir, that when you are describing</p> <p>4 this practice of forgiveness of loans, you are</p> <p>5 doing so without having reviewed any of the</p> <p>6 audited financial statements that Highland</p> <p>7 provided to your attorneys going back to 2008?</p> <p>8 MS. DEITSCH-PEREZ: Object to the</p> <p>9 form.</p> <p>10 A. What I'm saying, I guess, is that we</p> <p>11 haven't treated the loans as forgiven yet</p> <p>12 because if the condition precedent has been</p> <p>13 satisfied, we're not aware of it yet.</p> <p>14 Now, if there is something in those</p> <p>15 financial statements that will show that the</p> <p>16 condition precedent is satisfied, then we have</p> <p>17 a decision to make about the – or figure out</p> <p>18 what the mechanism is for forgiving the loans.</p> <p>19 Q. Are you saying that there are loans</p> <p>20 out there subject to forgiveness where the</p> <p>21 maker is somebody other than you or an entity</p> <p>22 that you control?</p> <p>23 A. No, I'm just – I'm talking about</p> <p>24 the 50 million of loans that we've been talking</p> <p>25 about.</p>
<p style="text-align: right;">Page 430</p> <p>1 DONDERO - 10/29/21</p> <p>2 Q. Okay. So – so I just want to go</p> <p>3 back and focus on your assertion that there was</p> <p>4 this practice of loan forgiveness. I think you</p> <p>5 have agreed with me that any loan that was</p> <p>6 forgiven in a material amount would be</p> <p>7 contained within the Highland audited financial</p> <p>8 statements; right?</p> <p>9 A. I believe they – material or not,</p> <p>10 they were all included in the Highland</p> <p>11 financials. Now, they might not have been</p> <p>12 specifically footnoted, you know.</p> <p>13 Like in other words, if we gave</p> <p>14 somebody half a million bucks to relocate and</p> <p>15 then forgave the loan, it might just be mixed</p> <p>16 with all other compensation in the line item.</p> <p>17 It might not have been listed separately</p> <p>18 because it would have been small relative to</p> <p>19 the overall financial statement.</p> <p>20 Q. But you're just speculating right</p> <p>21 now because, in fact, you haven't read the</p> <p>22 audited financial statements for the purpose of</p> <p>23 seeing whether or not there were loan – loans</p> <p>24 that were forgiven and disclosed; right?</p> <p>25 MS. DEITSCH-PEREZ: Object to the</p>	<p style="text-align: right;">Page 431</p> <p>1 DONDERO - 10/29/21</p> <p>2 form.</p> <p>3 A. Well, what I'm saying, just to be</p> <p>4 clear, is I haven't looked at the presentation</p> <p>5 of forgiven loans in the historic financials</p> <p>6 because I was unaware that we had gotten</p> <p>7 historic financials, but I am testifying that</p> <p>8 we had amassed at least a dozen, 15 material</p> <p>9 examples of material loan forgiveness amounts</p> <p>10 to different executives.</p> <p>11 Q. All right. Do you have any</p> <p>12 documentation to support your assertion of the</p> <p>13 practice of forgiving loans at Highland?</p> <p>14 A. Again, we have very, very little</p> <p>15 access to anything, and we didn't take anything</p> <p>16 with us that we weren't supposed to take, so we</p> <p>17 don't have any of that documentation.</p> <p>18 At NexBank, one of the sister</p> <p>19 companies that we still have full control over</p> <p>20 our records, we could show seven-figure-plus</p> <p>21 loans to senior management and the entire board</p> <p>22 of directors and forgiveness thereof as an</p> <p>23 example, but that – that is the only</p> <p>24 documentation that we would be able to present</p> <p>25 without having access to the records that you</p>

<p>Page 432</p> <p>1 DONDERO - 10/29/21</p> <p>2 guys are keeping from us.</p> <p>3 MR. MORRIS: I move to strike the</p> <p>4 last comment, and I take offense to it,</p> <p>5 sir. We're not withholding anything, okay.</p> <p>6 Q. Would the NexBank audited financial</p> <p>7 statements include a disclosure of the loans</p> <p>8 that you are describing?</p> <p>9 A. Yes.</p> <p>10 Q. Okay. So is it fair to say that if</p> <p>11 Highland forgave loans, it would be disclosed</p> <p>12 in its audited financial statements?</p> <p>13 MS. DEITSCH-PEREZ: Object, asked</p> <p>14 and answered.</p> <p>15 A. Well, just to be clear, these loans</p> <p>16 like the one up on the sheet, those were</p> <p>17 included in Highland's financials, those loans,</p> <p>18 just like the NexBank loans, when they were</p> <p>19 made to senior executives were included. But</p> <p>20 there wasn't a -- at NexBank there wasn't any</p> <p>21 kind of disclosure that said, these might be</p> <p>22 forgiven, or these are the terms that they</p> <p>23 would be forgiven under, just like there was no</p> <p>24 disclosure in the Highland financials that</p> <p>25 these are the terms that it might be forgiven</p>	<p>Page 433</p> <p>1 DONDERO - 10/29/21</p> <p>2 under, et cetera, et cetera.</p> <p>3 Q. It's certainly disclosed in the</p> <p>4 financials when it was forgiven. Will you --</p> <p>5 will you concede that point?</p> <p>6 A. Yes, sure.</p> <p>7 Q. Okay. Let's move on.</p> <p>8 Let's go to HCMS. Are you familiar</p> <p>9 with the notes at issue in the lawsuit that was</p> <p>10 commenced by Highland against HCMS?</p> <p>11 MS. DEITSCH-PEREZ: S or --</p> <p>12 A. S as in Services. Yes.</p> <p>13 MR. MORRIS: Okay. Can we please</p> <p>14 put up Exhibit 3.</p> <p>15 (Exhibit 3 marked.)</p> <p>16 MS. DEITSCH-PEREZ: Is that in the</p> <p>17 binder that you sent?</p> <p>18 MR. MORRIS: Yes, as Exhibit 3.</p> <p>19 MS. DEITSCH-PEREZ: Okay.</p> <p>20 MR. MORRIS: And if we could go to</p> <p>21 the Exhibits 1 through 4, okay.</p> <p>22 Q. Sir, we've put up on the screen</p> <p>23 Exhibit 1 to Exhibit 3, which is the complaint</p> <p>24 against HCMS. Do you see Exhibit 1 up on your</p> <p>25 screen?</p>
<p>Page 434</p> <p>1 DONDERO - 10/29/21</p> <p>2 A. Yeah. This is the \$150,000</p> <p>3 promissory note; is that what that is?</p> <p>4 Q. Yes, sir.</p> <p>5 A. Okay. As long as I can see it on</p> <p>6 the screen, I don't need to find it in hard</p> <p>7 copy, do I?</p> <p>8 MS. DEITSCH-PEREZ: Yeah.</p> <p>9 MR. MORRIS: Can you scroll to the</p> <p>10 second page, P.J.</p> <p>11 Q. Is that your signature, sir?</p> <p>12 A. Close.</p> <p>13 Q. Are you aware that your signature is</p> <p>14 affixed to a \$150,000 promissory note that was</p> <p>15 made by HCMS to Highland Capital Management?</p> <p>16 A. Like I said --</p> <p>17 MS. DEITSCH-PEREZ: Objection, form.</p> <p>18 A. Like I said, it's close. I don't</p> <p>19 know if that is mine, but it's close.</p> <p>20 Q. Do you have any reason to believe</p> <p>21 that either you or somebody you authorized</p> <p>22 didn't sign this particular promissory note?</p> <p>23 A. Not specifically.</p> <p>24 MR. MORRIS: Okay. Can we go to the</p> <p>25 first page, please.</p>	<p>Page 435</p> <p>1 DONDERO - 10/29/21</p> <p>2 Q. Did HCMS receive a loan from</p> <p>3 Highland in the amount of \$150,000 on March</p> <p>4 28th, 2018?</p> <p>5 A. I assume so.</p> <p>6 Q. Okay. You wouldn't have either</p> <p>7 signed or allowed your signature to be affixed</p> <p>8 to this document if you didn't understand that</p> <p>9 HCMS had received from Highland \$150,000;</p> <p>10 correct?</p> <p>11 A. This is one of the many things I</p> <p>12 would have signed on a given day.</p> <p>13 Q. Okay. And -- and are you aware that</p> <p>14 this note was given to Highland's auditors?</p> <p>15 A. It could. I'm not aware</p> <p>16 specifically, but it should be.</p> <p>17 Q. Okay. Do you have any recollection</p> <p>18 as to why HCMS obtained this loan from</p> <p>19 Highland?</p> <p>20 A. Unless it says it on these two</p> <p>21 pages, I have no idea.</p> <p>22 Q. Okay. Do you have any recollection</p> <p>23 as to what HCMS did with the proceeds of this</p> <p>24 loan?</p> <p>25 A. No.</p>

<p>Page 436</p> <p>1 DONDERO - 10/29/21</p> <p>2 Q. Okay. Let's just flip through the</p> <p>3 Exhibits 2, 3, and 4, if we could.</p> <p>4 Looking at Exhibit 2, is that your</p> <p>5 signature on Exhibit 2, sir?</p> <p>6 A. Again, it is close.</p> <p>7 Q. Okay. And do you have any reason to</p> <p>8 believe that that is either not your signature</p> <p>9 or that you did not authorize somebody to sign</p> <p>10 this on behalf of HCMS in June of 2018?</p> <p>11 A. No.</p> <p>12 Q. Okay.</p> <p>13 MR. MORRIS: Can we go to Exhibit 3,</p> <p>14 please, and if we can go to the signature</p> <p>15 line.</p> <p>16 Q. Do you see that that is Frank</p> <p>17 Waterhouse?</p> <p>18 A. Yes.</p> <p>19 MR. MORRIS: Okay. And can we go to</p> <p>20 the page before that, the first page.</p> <p>21 Q. Frank Waterhouse was the treasurer</p> <p>22 of HCMS in May 2019; correct?</p> <p>23 A. That is what it said right on that</p> <p>24 thing we saw earlier; right?</p> <p>25 Q. Incumbency certificate.</p>	<p>Page 437</p> <p>1 DONDERO - 10/29/21</p> <p>2 A. Yes.</p> <p>3 Q. Do you recall that HCMS borrowed</p> <p>4 \$400,000 from Highland in or around May 2019?</p> <p>5 A. Not specifically.</p> <p>6 Q. Do you have any reason to believe</p> <p>7 that it didn't?</p> <p>8 A. I have no knowledge – I have no</p> <p>9 knowledge of what it was used for and whether</p> <p>10 it did or didn't.</p> <p>11 MR. MORRIS: Okay. Let's go to the</p> <p>12 next exhibit, please.</p> <p>13 Q. Do you see Frank Waterhouse signed</p> <p>14 here on behalf of the maker, HCMS Services?</p> <p>15 A. Yes.</p> <p>16 Q. Okay. Are you aware that HCMS</p> <p>17 borrowed \$150,000 from Highland in June 2019?</p> <p>18 A. No.</p> <p>19 Q. Okay. Do you have –</p> <p>20 A. I'm not aware and –</p> <p>21 Q. Do you have –</p> <p>22 A. I didn't – I'm sorry, go ahead. I</p> <p>23 was just saying, looking at Frank's signature,</p> <p>24 you know, we're switching from me signing to</p> <p>25 Frank signing. And I guess we're saying Frank</p>
<p>Page 438</p> <p>1 DONDERO - 10/29/21</p> <p>2 is an authorized signatory, although if you</p> <p>3 look at Frank's, it looks like an automated</p> <p>4 signature versus, you know, an actual</p> <p>5 signature, but I assume you went over this with</p> <p>6 him, but I don't have specific knowledge of</p> <p>7 these at all.</p> <p>8 Q. And do you know that Mr. Waterhouse</p> <p>9 from time to time used an electronic signature?</p> <p>10 MS. DEITSCH-PEREZ: Object to the</p> <p>11 form.</p> <p>12 A. I believe he did.</p> <p>13 Q. And you saw – you have seen his</p> <p>14 electronic signature on other documents; is</p> <p>15 that right?</p> <p>16 A. Yes.</p> <p>17 Q. So it doesn't surprise you to see</p> <p>18 his electronic signature on a note; correct?</p> <p>19 A. Yeah. Yeah, okay. Yeah, I don't</p> <p>20 know. But whether or not he did it or somebody</p> <p>21 else did it or – we're just getting a little</p> <p>22 far afoot from me signing it; right? That is</p> <p>23 all.</p> <p>24 Q. Right.</p> <p>25 A. To – Frank – Frank may have signed</p>	<p>Page 439</p> <p>1 DONDERO - 10/29/21</p> <p>2 it. He may have done it electronically or</p> <p>3 somebody may have done it electronically for</p> <p>4 him. Those are just different answers than me</p> <p>5 signing it; right?</p> <p>6 Q. Okay. And – and that is fair.</p> <p>7 Are you aware that on December 3rd,</p> <p>8 2020, Highland made a demand upon HCMS for</p> <p>9 payment under these four notes that we have</p> <p>10 just looked at?</p> <p>11 A. I knew there was a demand on the</p> <p>12 NexPoint one. Can you refresh me on this one?</p> <p>13 Q. Sure.</p> <p>14 MR. MORRIS: Can we go to the next</p> <p>15 exhibit in Exhibit 3. Exhibit 5.</p> <p>16 Q. You will see that there is a letter</p> <p>17 dated December 3rd, 2020, from Mr. Seery to</p> <p>18 HCMS?</p> <p>19 A. Yep.</p> <p>20 Q. And do you see that it was sent to</p> <p>21 the attention of Mr. Waterhouse?</p> <p>22 Do you see that, sir?</p> <p>23 A. Yes, yep.</p> <p>24 Q. And, again, Mr. Waterhouse at that</p> <p>25 time was the treasurer of HCMS to the best of</p>

<p>Page 440</p> <p>1 DONDERO - 10/29/21</p> <p>2 your recollection; correct?</p> <p>3 A. He primarily was the CFO of</p> <p>4 Highland. But, yes, I mean, I do see that.</p> <p>5 Q. Okay. And did you learn on or</p> <p>6 around December 3rd that Highland had made</p> <p>7 demand upon HCMS for payment of all outstanding</p> <p>8 principal and interest due under the four</p> <p>9 demand notes that are listed on the page there?</p> <p>10 A. Yes, yep.</p> <p>11 Q. So you knew that at the time; right?</p> <p>12 A. Well, more importantly I knew they</p> <p>13 were all subject to the same forgiveness</p> <p>14 provisions as the other note.</p> <p>15 Q. Okay. So I move to strike.</p> <p>16 You knew in December 3rd, 2020, that</p> <p>17 Highland made demand; correct?</p> <p>18 A. Yes.</p> <p>19 Q. Okay. And do you see that Highland</p> <p>20 gave HCMS an eight-day grace period or until</p> <p>21 December 11th, 2020, to make payment?</p> <p>22 A. Yes.</p> <p>23 Q. Under the demand note do you have</p> <p>24 any understanding that Highland was required to</p> <p>25 give any grace period at all?</p>	<p>Page 441</p> <p>1 DONDERO - 10/29/21</p> <p>2 A. I don't know.</p> <p>3 MS. DEITSCH-PEREZ: Object to the</p> <p>4 form.</p> <p>5 Q. Do you know whether HCMS ever</p> <p>6 responded to this demand letter prior to the</p> <p>7 commencement of litigation?</p> <p>8 A. I don't know.</p> <p>9 Q. Prior to the commencement of</p> <p>10 litigation, did you discuss with anyone whether</p> <p>11 HCMS should respond to Highland's demand</p> <p>12 letter?</p> <p>13 A. Did I discuss with anyone? No, I</p> <p>14 don't remember – I don't remember talking</p> <p>15 about this with Frank at all where –</p> <p>16 MS. DEITSCH-PEREZ: And I'm just</p> <p>17 going to stop you to make sure you don't</p> <p>18 blurt out any privileged communications, if</p> <p>19 there are any.</p> <p>20 We object to the disclosure. But</p> <p>21 with that caveat, go ahead.</p> <p>22 A. I'm sorry, repeat the question</p> <p>23 again. Let me try and keep it simple here.</p> <p>24 Q. Sure. It may be my fault.</p> <p>25 Mr. Dondero, you testified that you</p>
<p>Page 442</p> <p>1 DONDERO - 10/29/21</p> <p>2 were aware that Highland made a demand for</p> <p>3 payment on these four notes; correct?</p> <p>4 A. Yes.</p> <p>5 Q. Okay. Did you have any</p> <p>6 non-privileged communications at any time after</p> <p>7 Highland sent this letter about whether and how</p> <p>8 HCMS should respond?</p> <p>9 A. You know, let me just – let me</p> <p>10 adjust the prior answer for a second.</p> <p>11 I'm aware that this letter was sent.</p> <p>12 I'm not sure I knew contemporaneously or when I</p> <p>13 knew the letter was sent. I can't – I have no</p> <p>14 recollection of receiving it at the time.</p> <p>15 And to answer your question, I can't</p> <p>16 recollect talking to Frank or anybody else</p> <p>17 about it at the time. I'm not sure I knew</p> <p>18 about it at the time. But I have – I don't</p> <p>19 have any recollection of discussing it with</p> <p>20 anybody at or around the time.</p> <p>21 Q. Did you ever instruct anybody at any</p> <p>22 time to respond to this letter, whenever it is</p> <p>23 you learned about it?</p> <p>24 A. No.</p> <p>25 Q. Do you know if anyone acting on</p>	<p>Page 443</p> <p>1 DONDERO - 10/29/21</p> <p>2 behalf of HCMS ever informed Highland of HCMS'</p> <p>3 defenses to the – to the demand letter prior</p> <p>4 to the commencement of litigation?</p> <p>5 A. Yeah, Frank would be the person to</p> <p>6 ask there. I don't know.</p> <p>7 Q. I'm just asking you. Prior to the</p> <p>8 commencement of litigation, did you ever</p> <p>9 instruct anyone to inform Highland that the</p> <p>10 HCMS notes were subject to oral agreements with</p> <p>11 the Dugaboy trustee?</p> <p>12 A. I believe former Judge Lynn sent a</p> <p>13 letter in that regard. But other than that, I</p> <p>14 don't remember talking to anybody – I don't</p> <p>15 remember talking to the debtor about it per se.</p> <p>16 Q. It is your recollection that</p> <p>17 Judge Lynn sent a letter to Highland before the</p> <p>18 commencement of litigation, putting Highland on</p> <p>19 notice that the HCMS notes were the subject of</p> <p>20 oral agreements between you and the Dugaboy</p> <p>21 trust.</p> <p>22 Do I have that right?</p> <p>23 A. Yeah, that they were part of</p> <p>24 forgiveness or compensation or something. He</p> <p>25 sent a letter in that regard.</p>

<p style="text-align: right;">Page 444</p> <p>1 DONDERO - 10/29/21</p> <p>2 Q. And was this part of a settlement</p> <p>3 discussion or was this in response to this</p> <p>4 demand letter?</p> <p>5 A. I don't know.</p> <p>6 Q. Have you produced that letter in</p> <p>7 discovery?</p> <p>8 MS. DEITSCH-PEREZ: I'm aware that</p> <p>9 you have the letter. I don't know if it</p> <p>10 was attached to something, but I know you</p> <p>11 have it.</p> <p>12 MR. MORRIS: Because you produced it</p> <p>13 in discovery or because Mr. Dondero is</p> <p>14 testifying that his recollection was that</p> <p>15 Mr. Dondero sent this letter to the debtor?</p> <p>16 MS. DEITSCH-PEREZ: The – the</p> <p>17 letter has either been produced or was</p> <p>18 attached to something or was used in a</p> <p>19 deposition, but I am aware that you have</p> <p>20 it. If you need it to be Bates stamped, we</p> <p>21 could do that.</p> <p>22 MR. MORRIS: I definitely need it to</p> <p>23 be Bates stamped, I do, because I'm not</p> <p>24 aware of this particular letter. But I</p> <p>25 appreciate that.</p>	<p style="text-align: right;">Page 445</p> <p>1 DONDERO - 10/29/21</p> <p>2 MR. RUKAVINA: This is Davor.</p> <p>3 Couple things, John – and I apologize for</p> <p>4 interjecting. I have not made an</p> <p>5 appearance yet today. Deborah has been</p> <p>6 objecting for everyone.</p> <p>7 Thomas Berghman will take over</p> <p>8 around 3:00 o'clock. Is that okay with</p> <p>9 you, John?</p> <p>10 He is probably just going to sit</p> <p>11 here and not object.</p> <p>12 MR. MORRIS: I will miss you and I</p> <p>13 hope you have safe travels.</p> <p>14 MR. RUKAVINA: Okay. Thank you very</p> <p>15 much.</p> <p>16 And, second, I think that the letter</p> <p>17 that is being referred to is the email</p> <p>18 letter, so I have produced it to you.</p> <p>19 With that, thank you everyone.</p> <p>20 MR. MORRIS: Okay. Take care.</p> <p>21 Q. Did anyone – did you ever instruct</p> <p>22 anyone in December 2020 to make the payments</p> <p>23 that Highland demanded under the HCMS notes?</p> <p>24 MS. DEITSCH-PEREZ: The demand notes</p> <p>25 that are listed here on the Exhibit 5?</p>
<p style="text-align: right;">Page 446</p> <p>1 DONDERO - 10/29/21</p> <p>2 MR. MORRIS: Yes.</p> <p>3 A. Yes, not that I recall.</p> <p>4 Q. Did you ever instruct anyone in</p> <p>5 December 2020 not to make the payments that</p> <p>6 Highland demanded that are listed in this</p> <p>7 exhibit?</p> <p>8 A. No.</p> <p>9 Q. Do you know why HCMS did not make</p> <p>10 the payments that Highland demanded under the</p> <p>11 notes?</p> <p>12 A. Again, beyond compensation</p> <p>13 forgiveness argument, no.</p> <p>14 MR. MORRIS: Okay. Let's go to the</p> <p>15 next exhibit, 6.</p> <p>16 (Exhibit 6 marked.)</p> <p>17 Q. And this is another one of the term</p> <p>18 notes; right?</p> <p>19 A. Yes.</p> <p>20 MR. MORRIS: And can we just go to</p> <p>21 the signature line, please.</p> <p>22 Q. Is that your signature, sir?</p> <p>23 A. That looks more like it.</p> <p>24 Q. And do you – are you willing to</p> <p>25 agree that you signed this promissory note in</p>	<p style="text-align: right;">Page 447</p> <p>1 DONDERO - 10/29/21</p> <p>2 favor of Highland on May 31st, 2017?</p> <p>3 A. Yes.</p> <p>4 Q. And is it fair to say you didn't</p> <p>5 read this note before you signed it?</p> <p>6 A. Correct. No reason to, really.</p> <p>7 Q. Okay. So it is fair to say that</p> <p>8 there is not a provision of this note that you</p> <p>9 didn't understand before you signed it;</p> <p>10 correct?</p> <p>11 MS. DEITSCH-PEREZ: Object to the</p> <p>12 form.</p> <p>13 A. That I didn't review it, so</p> <p>14 therefore I didn't have an opinion one way or</p> <p>15 the other.</p> <p>16 Q. Okay. This note substituted and</p> <p>17 superseded for the promissory notes that are</p> <p>18 set forth on Exhibit A to this document;</p> <p>19 correct?</p> <p>20 A. Yes.</p> <p>21 Q. So just like NexPoint and HCMS, HCRE</p> <p>22 also consolidated their outstanding demand</p> <p>23 notes into one term notes at the end of</p> <p>24 May 2017; right?</p> <p>25 A. Yep.</p>

<p style="text-align: right;">Page 448</p> <p>1 DONDERO - 10/29/21</p> <p>2 Q. Okay. Let's go to HCRE, if we can</p> <p>3 take this down and put up Exhibit 4.</p> <p>4 Actually, before we go to that, do</p> <p>5 you have any recollection as to why HCRE</p> <p>6 borrowed money from Highland in the amounts</p> <p>7 equal to the prior notes as set forth to the</p> <p>8 exhibit to the term note?</p> <p>9 A. Nope.</p> <p>10 Q. Do you have any recollection at all</p> <p>11 as to what HCRE did with the proceeds of the</p> <p>12 loans that it obtained from Highland?</p> <p>13 A. No.</p> <p>14 Q. This is Exhibit 4, so this is the</p> <p>15 complaint – this is actually the complaint</p> <p>16 against HCRE.</p> <p>17 MR. MORRIS: Can we go to Exhibit 6,</p> <p>18 please.</p> <p>19 MS. DEITSCH-PEREZ: Exhibit 6 of</p> <p>20 Exhibit 4?</p> <p>21 MR. MORRIS: No, I apologize. That</p> <p>22 was my mistake. Yes, Exhibit 6 to Exhibit</p> <p>23 4.</p> <p>24 MS. DEITSCH-PEREZ: Okay. If you</p> <p>25 want the hard copy, it is in a booklet.</p>	<p style="text-align: right;">Page 449</p> <p>1 DONDERO - 10/29/21</p> <p>2 Otherwise, she is pulling it up.</p> <p>3 Q. So this is the last of the three</p> <p>4 term notes. Do you see that?</p> <p>5 A. Yes.</p> <p>6 Q. Also signed on May 31st, 2017;</p> <p>7 correct?</p> <p>8 A. Yes.</p> <p>9 Q. And if we could look at the</p> <p>10 signature line, is that your signature, sir?</p> <p>11 A. Yes.</p> <p>12 Q. And did you sign this note on behalf</p> <p>13 of HCRE on or about May 31st, 2017?</p> <p>14 A. Yes.</p> <p>15 Q. Did you read this note before you</p> <p>16 signed it?</p> <p>17 A. No.</p> <p>18 Q. And since you didn't read it, is it</p> <p>19 fair to say that there wasn't a provision of</p> <p>20 this agreement that you didn't understand at</p> <p>21 the time that you signed it?</p> <p>22 MS. DEITSCH-PEREZ: Object to the</p> <p>23 form.</p> <p>24 A. There is – there wasn't a</p> <p>25 provisions I did or didn't understand because I</p>
<p style="text-align: right;">Page 450</p> <p>1 DONDERO - 10/29/21</p> <p>2 didn't review it.</p> <p>3 Q. Okay. This note substituted and</p> <p>4 superseded for the promissory notes that are</p> <p>5 listed on Exhibit A on the right side of the</p> <p>6 page; correct?</p> <p>7 A. Yes.</p> <p>8 Q. And Exhibit A set forth the</p> <p>9 outstanding principal and interest that HCRE</p> <p>10 owed to Highland under the prior notes as of</p> <p>11 May 31st, 2017; correct?</p> <p>12 A. Uh-huh.</p> <p>13 Q. That is a yes, sir; correct?</p> <p>14 A. Yes.</p> <p>15 Q. Okay. Do you know why HCRE borrowed</p> <p>16 the money from Highland at the times and – and</p> <p>17 in the amounts set forth on Exhibit A to the</p> <p>18 promissory note?</p> <p>19 A. No.</p> <p>20 Q. Do you have any recollection as to</p> <p>21 what HCRE did with the proceeds of the loans</p> <p>22 that they had obtained from Highland between</p> <p>23 January 2014 and April 2015?</p> <p>24 A. No.</p> <p>25 Q. Can we call the three term notes</p>	<p style="text-align: right;">Page 451</p> <p>1 DONDERO - 10/29/21</p> <p>2 that were signed by NexPoint, HCRE, and HCMS on</p> <p>3 May 31st, 2017 collectively as the term notes?</p> <p>4 A. Yes.</p> <p>5 Q. Okay. You had the authority to sign</p> <p>6 each of the term notes on behalf of each of the</p> <p>7 respective makers; correct?</p> <p>8 A. Yes.</p> <p>9 Q. Each of the term notes was for a</p> <p>10 30-year term; correct?</p> <p>11 A. I believe so.</p> <p>12 Q. Okay. Who decided to give each note</p> <p>13 a 30-year term, if you know?</p> <p>14 A. The auditors, the accountants, not</p> <p>15 me.</p> <p>16 Q. But you knew that each of the notes</p> <p>17 was for a 30-year term; is that fair?</p> <p>18 A. Yes, I guess, yes.</p> <p>19 Q. Notes were unsecured; right?</p> <p>20 A. Yes.</p> <p>21 Q. And the notes were not the product</p> <p>22 of any negotiations; correct?</p> <p>23 A. Correct.</p> <p>24 Q. Is it fair to say that none of the</p> <p>25 makers of the term notes ever sought financing</p>

<p>Page 452</p> <p>1 DONDERO - 10/29/21</p> <p>2 from a third party as an alternative to the</p> <p>3 Highland notes?</p> <p>4 A. That's correct.</p> <p>5 Q. Okay. You don't have any reason to</p> <p>6 believe that an unrelated third party would</p> <p>7 have loaned money to NexPoint, HCRE, and HCMS</p> <p>8 on the terms set forth in each of the term</p> <p>9 notes, do you?</p> <p>10 MS. DEITSCH-PEREZ: Object to the</p> <p>11 form.</p> <p>12 A. I – it is not fair to draw that</p> <p>13 conclusion. You know, particularly NexPoint</p> <p>14 has borrowed a lot of money at much lower rates</p> <p>15 at or around 2017 and later, and to this day.</p> <p>16 Q. So then why –</p> <p>17 A. The same thing with HCRE.</p> <p>18 Q. So then why would HCRE and NexPoint</p> <p>19 enter into these loans rather than obtaining</p> <p>20 loans at lower interest rates if they were</p> <p>21 available?</p> <p>22 A. These are soft loans, again, so</p> <p>23 they're – especially affiliate soft loans to</p> <p>24 other creditors are viewed almost as equity or</p> <p>25 subordinated to senior secured mortgages or</p>	<p>Page 453</p> <p>1 DONDERO - 10/29/21</p> <p>2 other financings that NexPoint and HCRE did.</p> <p>3 So I would say that is – that is the reason.</p> <p>4 Q. Are you saying that Highland today</p> <p>5 really has equity interests in NexPoint, HCRE,</p> <p>6 and HCMS?</p> <p>7 MS. DEITSCH-PEREZ: Object to the</p> <p>8 form.</p> <p>9 A. Yeah, no, I didn't say that. I'm</p> <p>10 saying it has subordinated debt interest, but</p> <p>11 they are soft notes, so they're viewed as</p> <p>12 deeply subordinated equity-ish, so to speak, as</p> <p>13 far as the senior secured debtholders are</p> <p>14 concerned.</p> <p>15 Q. Well, that would be true of any</p> <p>16 senior secured debt relative to unsecured debt;</p> <p>17 isn't that right?</p> <p>18 A. Yes, but again, these are</p> <p>19 particularly soft notes, you know.</p> <p>20 Q. Okay. At the time you signed these</p> <p>21 notes, were you aware that each of the term</p> <p>22 notes required payment of an annual installment</p> <p>23 on December 31st of each year?</p> <p>24 MS. DEITSCH-PEREZ: Object to the</p> <p>25 form.</p>
<p>Page 454</p> <p>1 DONDERO - 10/29/21</p> <p>2 A. I knew there was more required</p> <p>3 periodic payments than historically, and that</p> <p>4 was part of – partly driven by the – the</p> <p>5 auditors, I believe.</p> <p>6 THE WITNESS: You know what, can</p> <p>7 we – can we take a break for like five or</p> <p>8 10 minutes, and then, you know, at most –</p> <p>9 at most I've got another hour in me today,</p> <p>10 and then so we could just work on when it</p> <p>11 fits on everybody else's calendar if we</p> <p>12 can't wrap up in an hour, okay?</p> <p>13 MR. MORRIS: No problem,</p> <p>14 Mr. Dondero. So the time now is what –</p> <p>15 what time do we have?</p> <p>16 VIDEOGRAPHER: Off the record, 2:56.</p> <p>17 (Recess taken 2:56 p.m. to 3:19 p.m.)</p> <p>18 VIDEOGRAPHER: Back on the record,</p> <p>19 3:19.</p> <p>20 Q. Are you ready to proceed, sir?</p> <p>21 A. Yes.</p> <p>22 Q. Okay. Did you speak with anybody</p> <p>23 during the break about the substance of this</p> <p>24 deposition?</p> <p>25 A. No.</p>	<p>Page 455</p> <p>1 DONDERO - 10/29/21</p> <p>2 Q. So we were just looking at the third</p> <p>3 in the series of term notes, and if we can go</p> <p>4 to the – I apologize, the first page of this</p> <p>5 one, just to refresh your recollection after</p> <p>6 the break that this is the term note that was</p> <p>7 executed by you on behalf of HCRE Partners on</p> <p>8 May 31st, 2017.</p> <p>9 Do you see that?</p> <p>10 A. Yes.</p> <p>11 Q. Okay. And I looked at Paragraph 5</p> <p>12 before, but I just want to make sure, you're</p> <p>13 telling me that you didn't read this before you</p> <p>14 signed it, do I have that right, Paragraph 5?</p> <p>15 A. Yes.</p> <p>16 Q. And so you are unaware – when did</p> <p>17 you first – when did you first become aware of</p> <p>18 the provision that is set forth in Paragraph 5?</p> <p>19 MS. DEITSCH-PEREZ: Object to the</p> <p>20 form.</p> <p>21 A. I don't know.</p> <p>22 Q. Okay. Was it before or after the</p> <p>23 commencement of the litigation?</p> <p>24 A. I don't know.</p> <p>25 Q. Okay. NexPoint didn't make the</p>

<p>Page 456</p> <p>1 DONDERO - 10/29/21</p> <p>2 installment payment that was due at the end of</p> <p>3 2020; correct?</p> <p>4 MS. DEITSCH-PEREZ: Object to – are</p> <p>5 you still talking – have you left HCRE?</p> <p>6 MR. MORRIS: No. I said what I</p> <p>7 meant to. So we can take down the exhibit</p> <p>8 if that's the part that is confusing you.</p> <p>9 I appreciate that.</p> <p>10 MS. DEITSCH-PEREZ: Okay.</p> <p>11 Q. Okay. NexPoint didn't make the</p> <p>12 installment payment that was due at the end of</p> <p>13 2020; correct?</p> <p>14 MS. DEITSCH-PEREZ: Object to the</p> <p>15 form.</p> <p>16 A. Yeah. I mean, I think maybe the</p> <p>17 right way to describe it is Highland or –</p> <p>18 yeah, Highland or Frank Waterhouse on behalf of</p> <p>19 NexPoint didn't make the payment.</p> <p>20 Q. Okay. And HCRE didn't make the</p> <p>21 installment payment that was due at the end of</p> <p>22 2020; correct?</p> <p>23 A. I don't – I guess – okay, if they</p> <p>24 missed it too, I – I did not have specific</p> <p>25 awareness to that, I guess, but if you are</p>	<p>Page 457</p> <p>1 DONDERO - 10/29/21</p> <p>2 suing under it, I guess they did.</p> <p>3 Q. Right. And HCMS didn't make the</p> <p>4 payment that was due at the end of the year, to</p> <p>5 the best of your knowledge; correct?</p> <p>6 MS. DEITSCH-PEREZ: Object to the</p> <p>7 form.</p> <p>8 A. Yeah. I mean, what I'd just</p> <p>9 separate in my notes here is the HCMFA was just</p> <p>10 not – it wasn't a bona fide note, I guess,</p> <p>11 is – that is – which I guess is a</p> <p>12 different – a different conversation.</p> <p>13 Q. Yeah. Do you understand that the</p> <p>14 question was about HCMS? Let me restate the</p> <p>15 question.</p> <p>16 MS. DEITSCH-PEREZ: Yes.</p> <p>17 Q. HCMS –</p> <p>18 A. Oh, I'm sorry.</p> <p>19 MS. DEITSCH-PEREZ: John, I'm sorry,</p> <p>20 it is really hard on the video to</p> <p>21 distinguish between HCMF and HCMS, so if</p> <p>22 you could just –</p> <p>23 A. How about just say Services for</p> <p>24 Highland Capital Management Services, just</p> <p>25 say – instead of S, just say Services.</p>
<p>Page 458</p> <p>1 DONDERO - 10/29/21</p> <p>2 Q. Sure. All right. So from now on, I</p> <p>3 will try and use the word "Services" and you</p> <p>4 will know that that means Highland Management</p> <p>5 Services, Inc.; is that fair?</p> <p>6 A. Yes, okay.</p> <p>7 Q. Okay. So Services didn't make the</p> <p>8 installment payment that was due at year-end;</p> <p>9 correct?</p> <p>10 A. Yes.</p> <p>11 Q. Okay. And I just want to make sure</p> <p>12 that I have this right. Is it – is it the</p> <p>13 corporate obligors' – those three corporate</p> <p>14 obligors' contention that one of the reasons</p> <p>15 they didn't make the payments at the end of the</p> <p>16 year is that they were relying on Highland to</p> <p>17 make the payment for them?</p> <p>18 A. Absolutely.</p> <p>19 Q. Okay.</p> <p>20 A. It was due course de minimis, and</p> <p>21 those entities didn't have a single employee or</p> <p>22 capable financial person other than the people</p> <p>23 at Highland that were doing the shared services</p> <p>24 for them.</p> <p>25 Q. NexPoint didn't have any employees</p>	<p>Page 459</p> <p>1 DONDERO - 10/29/21</p> <p>2 in December 2020. Is that your testimony?</p> <p>3 A. I was thinking about HCRE and</p> <p>4 Services had zero employees. NexPoint had</p> <p>5 employees but none that were involved in basic</p> <p>6 accounting functions.</p> <p>7 Q. Okay. And – and there are people,</p> <p>8 including yourself, who were officers or</p> <p>9 employees of NexPoint in December 2020;</p> <p>10 correct?</p> <p>11 A. Yes.</p> <p>12 Q. And HCRE had officers in December</p> <p>13 2020, including you; correct?</p> <p>14 A. Yes. Officers, yes.</p> <p>15 Q. And Services had officers in</p> <p>16 December 2020, including you; correct?</p> <p>17 A. Yes.</p> <p>18 Q. Okay. I think in summary form, to</p> <p>19 be fair, I think we have identified one of the</p> <p>20 defenses for these three corporate obligors.</p> <p>21 Two of them have the defense of</p> <p>22 prepayment; right?</p> <p>23 A. Yes.</p> <p>24 Q. And one of them is NexPoint,</p> <p>25 NexPoint has the defense of prepayment.</p>

<p>Page 460</p> <p>1 DONDERO - 10/29/21</p> <p>2 Do you have that -- do I have that</p> <p>3 right?</p> <p>4 A. Yes.</p> <p>5 Q. Which of the other two, remind me?</p> <p>6 A. Services.</p> <p>7 Q. Okay. So NexPoint and Services have</p> <p>8 the defense of prepayment. Are there any other</p> <p>9 reasons that you know of that these three</p> <p>10 corporate obligors didn't make the annual</p> <p>11 installment payment that was due at the end of</p> <p>12 the year?</p> <p>13 MS. DEITSCH-PEREZ: Object to the</p> <p>14 form.</p> <p>15 A. Again, they -- they should have been</p> <p>16 in regular course. Those payments -- using the</p> <p>17 word "payment" is almost like an overstatement</p> <p>18 of the significance or the amount. If the</p> <p>19 amounts were small in all cases, they should</p> <p>20 have been made or they should have been paid,</p> <p>21 even in the context of contention and even in</p> <p>22 the context of the larger amounts of money that</p> <p>23 Highland owed us.</p> <p>24 Q. I'm just -- I'm just asking a pretty</p> <p>25 simple question, sir. I don't mean to be</p>	<p>Page 461</p> <p>1 DONDERO - 10/29/21</p> <p>2 contentious with you. We have identified one</p> <p>3 defense that these corporate obligors contends</p> <p>4 exists; and that is, Highland was supposed to</p> <p>5 make the payment. Fair?</p> <p>6 A. Yes.</p> <p>7 Q. And then we have identified a second</p> <p>8 defense for NexPoint and HCMS, and that is</p> <p>9 their defense that they prepaid.</p> <p>10 Do I have that generally right?</p> <p>11 A. Yes.</p> <p>12 Q. Can you describe for me any other</p> <p>13 defenses that these three corporate obligors</p> <p>14 have for not making the payment that was due at</p> <p>15 the end of the year?</p> <p>16 MS. DEITSCH-PEREZ: Object to the</p> <p>17 form.</p> <p>18 A. I'm thinking. Not at the moment.</p> <p>19 Q. Okay. Did you instruct anyone in</p> <p>20 December of 2020 to make the installment</p> <p>21 payments that were due on December 31st under</p> <p>22 these three term notes?</p> <p>23 MS. DEITSCH-PEREZ: Object to the</p> <p>24 form, asked and answered.</p> <p>25 A. No.</p>
<p>Page 462</p> <p>1 DONDERO - 10/29/21</p> <p>2 Q. Okay. Did you take any steps to</p> <p>3 confirm that Highland would make the payments</p> <p>4 that were due under these three term notes at</p> <p>5 the end of the year?</p> <p>6 MS. DEITSCH-PEREZ: Object to the</p> <p>7 form.</p> <p>8 A. No. I testified already the first I</p> <p>9 heard about it was a week or two later. And I</p> <p>10 called up Frank and confirmed with him to make</p> <p>11 sure they got paid and make sure they were back</p> <p>12 in compliance.</p> <p>13 Q. Okay.</p> <p>14 MR. MORRIS: I move to strike</p> <p>15 everything after the word "no."</p> <p>16 Q. Do you know whether anybody on</p> <p>17 behalf of any of the three corporate obligors</p> <p>18 under the term notes ever directed Highland to</p> <p>19 make the payments under them at the end of the</p> <p>20 year?</p> <p>21 MS. DEITSCH-PEREZ: Object to the</p> <p>22 form.</p> <p>23 A. Not before the end of the year, no.</p> <p>24 Q. Okay. And you know whether</p> <p>25 anybody acting on behalf of any of the three</p>	<p>Page 463</p> <p>1 DONDERO - 10/29/21</p> <p>2 corporate obligors under the term notes ever</p> <p>3 took any steps in December 2020 to make sure</p> <p>4 that Highland would, in fact, make the payments</p> <p>5 that were due at year-end?</p> <p>6 MS. DEITSCH-PEREZ: Object to the</p> <p>7 form.</p> <p>8 A. No, there was a reliance on</p> <p>9 Highland.</p> <p>10 Q. Okay. Is it your testimony that</p> <p>11 Highland was authorized to make the payments</p> <p>12 under the notes at year-end without being</p> <p>13 directed by a representative of the three</p> <p>14 corporate obligors?</p> <p>15 A. Yes. It is my contention that that</p> <p>16 is how it worked in prior years also.</p> <p>17 Q. And so you believe that nobody on</p> <p>18 behalf of any of the corporate obligors ever</p> <p>19 authorized or directed Highland to make the</p> <p>20 payments but that Highland did it without --</p> <p>21 without direction?</p> <p>22 MS. DEITSCH-PEREZ: Object to the</p> <p>23 form.</p> <p>24 A. Yes, typically. And in 2017 or</p> <p>25 2018, 2019, for sure.</p>

<p>Page 464</p> <p>1 DONDERO - 10/29/21</p> <p>2 Q. Okay. We have looked at one – at</p> <p>3 one December 3rd letter. I mean, do you</p> <p>4 remember that you also received a number of</p> <p>5 letters on December 3rd demanding payment on</p> <p>6 certain promissory notes?</p> <p>7 A. No.</p> <p>8 Q. All right.</p> <p>9 MR. MORRIS: Can we call up</p> <p>10 Exhibit 2, please. No, I apologize. Not</p> <p>11 Exhibit 2, Exhibit 4.</p> <p>12 (Exhibit 4 marked.)</p> <p>13 MS. DEITSCH-PEREZ: Exhibit 4 in the</p> <p>14 notebook?</p> <p>15 MR. MORRIS: Yes, ma'am.</p> <p>16 Okay. And now let's – let's go to</p> <p>17 the exhibits. Exhibit 2, Exhibit 3,</p> <p>18 Exhibit 4, Exhibit 5.</p> <p>19 Q. Do you see, sir, that this is a</p> <p>20 letter addressed to you on behalf of HCRE</p> <p>21 Partners that is also dated December 3rd, 2020?</p> <p>22 A. Yes.</p> <p>23 Q. Does that refresh your recollection</p> <p>24 that you also received notices, demand notices</p> <p>25 on or around December 3rd, 2020, with respect</p>	<p>Page 465</p> <p>1 DONDERO - 10/29/21</p> <p>2 to notes that were held by Highland?</p> <p>3 A. No.</p> <p>4 Q. Do you recall this letter at all?</p> <p>5 A. No, if I – if I had, I would have</p> <p>6 made the forgiveness argument or I would have</p> <p>7 told someone to make the forgiveness argument,</p> <p>8 but I don't remember this at all.</p> <p>9 Q. Okay. Is it fair to say that</p> <p>10 neither you nor anyone acting on behalf of</p> <p>11 yourself, HCMS, or HCRE ever responded to any</p> <p>12 of the demand letters at the beginning of</p> <p>13 December 2020?</p> <p>14 MS. DEITSCH-PEREZ: Object to the</p> <p>15 form.</p> <p>16 A. Yes, I don't – I don't know.</p> <p>17 Q. You don't have any knowledge of</p> <p>18 that; is that fair?</p> <p>19 MS. DEITSCH-PEREZ: Object to the</p> <p>20 form.</p> <p>21 A. I don't know.</p> <p>22 Q. And you don't have any knowledge of</p> <p>23 anybody responding to any demand letter that</p> <p>24 was sent to HCMFA; correct?</p> <p>25 MS. DEITSCH-PEREZ: Object to the</p>
<p>Page 466</p> <p>1 DONDERO - 10/29/21</p> <p>2 form.</p> <p>3 A. HCMFA or Services?</p> <p>4 Q. HCMFA?</p> <p>5 A. I – I don't know. I don't have any</p> <p>6 knowledge.</p> <p>7 MR. MORRIS: Can we put up</p> <p>8 Exhibit 1, please.</p> <p>9 (Exhibit 1 marked.)</p> <p>10 MR. MORRIS: We probably want to go</p> <p>11 to Exhibit 3 of that document.</p> <p>12 Q. This one was sent to Mr. Waterhouse.</p> <p>13 Do you see that?</p> <p>14 A. Yes.</p> <p>15 Q. Okay. And did you become aware on</p> <p>16 or around December 3rd, 2020, that Highland</p> <p>17 made demand under the two notes listed in this</p> <p>18 letter?</p> <p>19 A. Yes. Why would this one go to</p> <p>20 Frank Waterhouse?</p> <p>21 Q. Was he the treasurer – was he the</p> <p>22 treasurer of Highland Capital Management Fund</p> <p>23 Advisors at the time?</p> <p>24 A. Right.</p> <p>25 Q. So does it make sense that the payee</p>	<p>Page 467</p> <p>1 DONDERO - 10/29/21</p> <p>2 on a note might send a demand letter to the</p> <p>3 treasurer of the maker of the note?</p> <p>4 MS. DEITSCH-PEREZ: Object to form.</p> <p>5 A. I'm just saying they could have sent</p> <p>6 the NexPoint letter or the Services letter to</p> <p>7 him also; right?</p> <p>8 Q. I don't – I think the NexPoint is</p> <p>9 only a term note; right? So there is no demand</p> <p>10 letter.</p> <p>11 A. No, I know that. But whatever –</p> <p>12 whatever the other one we were just looking at,</p> <p>13 the Services one could have gone to him, too.</p> <p>14 Anyway, whatever. It doesn't</p> <p>15 matter. But, no, I don't have a specific</p> <p>16 recollection of this, if that was your</p> <p>17 question.</p> <p>18 Q. You don't have – you don't have any</p> <p>19 recollection of Highland making demand under</p> <p>20 promissory notes that were issued by you and</p> <p>21 certain of your affiliates in early December</p> <p>22 2020. You don't remember that at all?</p> <p>23 A. There was a lot going on then. And,</p> <p>24 again, it wasn't something that we either</p> <p>25 thought was legitimate based on forgiveness or</p>

<p>Page 468</p> <p>1 DONDERO - 10/29/21</p> <p>2 other issues or it wasn't things that we</p> <p>3 thought were legitimate as part of the overall</p> <p>4 settlement.</p> <p>5 You've got to remember we didn't</p> <p>6 realize Seery betrayed the estate at this</p> <p>7 point. We thought we were moving towards, you</p> <p>8 know, resolution or a pot plan.</p> <p>9 Q. Okay.</p> <p>10 MR. MORRIS: I move to strike.</p> <p>11 Q. And please listen carefully to my</p> <p>12 question.</p> <p>13 Did you have any knowledge in early</p> <p>14 December 2020 that Highland made demand for</p> <p>15 payment under demand notes that were issued by</p> <p>16 you and certain of your affiliates?</p> <p>17 A. Same answer.</p> <p>18 Q. Were you aware or you were not</p> <p>19 aware?</p> <p>20 A. Well, no specific knowledge for the</p> <p>21 reasons articulated in the answer that you –</p> <p>22 you moved to strike.</p> <p>23 Q. Okay. So – so you had – you had</p> <p>24 no particularized knowledge of the demands in</p> <p>25 December 2020; correct?</p>	<p>Page 469</p> <p>1 DONDERO - 10/29/21</p> <p>2 A. Right.</p> <p>3 Q. Okay. And so it is fair to say that</p> <p>4 you never directed anybody to respond to these</p> <p>5 demands because you didn't have knowledge of</p> <p>6 them; correct?</p> <p>7 A. Right.</p> <p>8 Q. Okay. Do you know whether anybody</p> <p>9 responded on behalf – on your behalf or any of</p> <p>10 the corporate obligors' behalf to any of the</p> <p>11 demand letters that were – that you now know</p> <p>12 were sent in early December 2020?</p> <p>13 A. Well, yes. I mean, I know</p> <p>14 eventually. I don't know when, but I don't</p> <p>15 think anybody believes these – these HVIN</p> <p>16 notes are legitimate notes.</p> <p>17 I know the response was more around</p> <p>18 it being payments for the TerreStar regulatory</p> <p>19 obligations for all the things that Highland</p> <p>20 had mucked up in the TerreStar situation.</p> <p>21 Q. While you were president of that</p> <p>22 entity; right?</p> <p>23 A. Yes.</p> <p>24 Q. Okay. And – and</p> <p>25 PricewaterhouseCoopers certainly doesn't think</p>
<p>Page 470</p> <p>1 DONDERO - 10/29/21</p> <p>2 these are frivolous obligations, does it?</p> <p>3 MS. DEITSCH-PEREZ: Object to the</p> <p>4 form.</p> <p>5 A. PricewaterhouseCoopers doesn't –</p> <p>6 Q. PricewaterhouseCoopers specifically</p> <p>7 included a disclosure of all of these</p> <p>8 promissory notes in the audited financial</p> <p>9 statements; correct?</p> <p>10 MS. DEITSCH-PEREZ: Object to the</p> <p>11 form.</p> <p>12 A. I mean, as they should have with the</p> <p>13 information they had at the time, but I think</p> <p>14 what has come out since then is that they – it</p> <p>15 was moneys that moved from Highland to HFAM for</p> <p>16 things that were caused by Highland and people,</p> <p>17 not me, not even Frank, I think, but other</p> <p>18 people assumed it was a note and made notes out</p> <p>19 of it. And that is what PricewaterhouseCoopers</p> <p>20 put into the financials, but I think what</p> <p>21 everybody acknowledges is that they were</p> <p>22 never – they were never notes.</p> <p>23 Q. Is there a document that you have</p> <p>24 ever seen in your life that supports what you</p> <p>25 just said?</p>	<p>Page 471</p> <p>1 DONDERO - 10/29/21</p> <p>2 MS. DEITSCH-PEREZ: Object to the</p> <p>3 form.</p> <p>4 A. Yes.</p> <p>5 Q. Can you identify that document for</p> <p>6 me?</p> <p>7 A. Yeah. It is a – it is a settlement</p> <p>8 with the SEC in terms of what they said the</p> <p>9 breaches were, and why they were finding HFAM,</p> <p>10 the rationale that they had in the regulatory</p> <p>11 breaches and in the settlement, and all of the</p> <p>12 breaches in the settlement were things that</p> <p>13 Highland did, not that HFAM did.</p> <p>14 It was all valuation, it was all –</p> <p>15 it was all services that HFAM had contracted</p> <p>16 with Highland that were performed deficiently</p> <p>17 in the eyes of the SEC.</p> <p>18 Q. Okay. We will – we will get to</p> <p>19 that in more detail, but I just would like to</p> <p>20 know if you believe that any correspondence to</p> <p>21 the SEC specifically stated that Highland</p> <p>22 Capital Management, L.P. and not Highland</p> <p>23 Capital Management Fund Advisors, L.P. was</p> <p>24 responsible for the TerreStar valuation error.</p> <p>25 A. The SEC would not have parsed</p>

<p>Page 472</p> <p>1 DONDERO - 10/29/21</p> <p>2 between the different players in the entities.</p> <p>3 They would have said what they thought the</p> <p>4 breaches were overall in their letter, and what</p> <p>5 would govern the split is the shared services</p> <p>6 agreement and where were the employees that</p> <p>7 performed the activities that they cited.</p> <p>8 Q. Okay. We will get to that at a</p> <p>9 later time.</p> <p>10 All right. Let's go back to the</p> <p>11 oral agreements that you entered into with the</p> <p>12 Dugaboy trustee.</p> <p>13 MR. MORRIS: And let's start by</p> <p>14 putting back up Exhibit 31, Paragraph 82.</p> <p>15 MS. JEFFRIES: I'm sorry, can you</p> <p>16 repeat that?</p> <p>17 MR. MORRIS: Yes. Exhibit 31,</p> <p>18 Paragraph 82, yes.</p> <p>19 Q. And, again, Mr. Dondero, I think you</p> <p>20 have testified already that you believe</p> <p>21 Paragraph 82 generally describes the oral</p> <p>22 agreement that you entered into with the</p> <p>23 Dugaboy trustee with respect to the promissory</p> <p>24 notes that we've described; right?</p> <p>25 A. Yes.</p>	<p>Page 473</p> <p>1 DONDERO - 10/29/21</p> <p>2 Q. And – and it is – and that</p> <p>3 includes the promissory notes that you signed</p> <p>4 that Highland is suing on as well as the</p> <p>5 promissory notes that HCRE, HCMS, and NexPoint</p> <p>6 signed that Highland is suing on; correct?</p> <p>7 A. Yes.</p> <p>8 Q. Okay. Do you contend that the oral</p> <p>9 agreements that you entered into with the</p> <p>10 Dugaboy trustee modified the parties' rights</p> <p>11 under the original promissory notes?</p> <p>12 MS. DEITSCH-PEREZ: Object to the</p> <p>13 form.</p> <p>14 A. Modify, boy, sounds like a legal</p> <p>15 term. It said conditions by which they could</p> <p>16 be forgiven.</p> <p>17 Q. And there were no such conditions in</p> <p>18 the original notes; right?</p> <p>19 A. That is correct.</p> <p>20 Q. Okay. So I'm just asking you from</p> <p>21 your perspective whether the oral agreements</p> <p>22 that you entered into with the Dugaboy trustee</p> <p>23 were intended to modify the parties' rights and</p> <p>24 obligations under the original promissory</p> <p>25 notes.</p>
<p>Page 474</p> <p>1 DONDERO - 10/29/21</p> <p>2 MS. DEITSCH-PEREZ: Object to the</p> <p>3 form.</p> <p>4 A. It was meant to condition the</p> <p>5 forgiveness.</p> <p>6 Q. Did it change –</p> <p>7 A. I would like to use those words</p> <p>8 versus modified the agreement.</p> <p>9 Q. Did it – did it alter the parties'</p> <p>10 rights and obligations?</p> <p>11 MS. DEITSCH-PEREZ: Object to the</p> <p>12 form.</p> <p>13 Q. I'm not trying to play a game with</p> <p>14 you. I just –</p> <p>15 MS. DEITSCH-PEREZ: That is exactly</p> <p>16 what you are doing. Why don't you just ask</p> <p>17 him –</p> <p>18 MR. MORRIS: Please stop talking.</p> <p>19 Please stop talking.</p> <p>20 Q. Mr. Dondero, is it fair to say that</p> <p>21 the promissory notes that are the subject of</p> <p>22 your oral agreements with the Dugaboy –</p> <p>23 Dugaboy trustee set forth the parties' rights</p> <p>24 and obligations thereunder, both the maker and</p> <p>25 the payee?</p>	<p>Page 475</p> <p>1 DONDERO - 10/29/21</p> <p>2 MS. DEITSCH-PEREZ: Can you read</p> <p>3 that back again.</p> <p>4 Q. Is it fair to say that the original</p> <p>5 promissory notes that are the subject of the</p> <p>6 oral agreements between you and the Dugaboy –</p> <p>7 withdrawn.</p> <p>8 Is it fair to say that the original</p> <p>9 promissory notes that Highland is suing under</p> <p>10 set forth the maker and the payees' rights and</p> <p>11 obligations under those notes?</p> <p>12 MS. DEITSCH-PEREZ: Object to the</p> <p>13 form. Object to the form.</p> <p>14 A. Yeah, I – again, I want to – I</p> <p>15 want to avoid using the term "modification" or</p> <p>16 implying modification because, again, the notes</p> <p>17 are soft, and they really just talk about a</p> <p>18 rate and/or payment or amortizations, but</p> <p>19 they're soft notes. Something in the agreement</p> <p>20 that lays out the conditions for forgiveness</p> <p>21 aren't necessarily a modification of the note,</p> <p>22 and I'd like that to be –</p> <p>23 Q. Let me –</p> <p>24 A. – my testimony.</p> <p>25 Q. Let me ask it this way: Under each</p>

<p style="text-align: right;">Page 476</p> <p>1 DONDERO - 10/29/21</p> <p>2 of the demand notes, Highland as the payee had</p> <p>3 the unfettered right to demand payment at any</p> <p>4 time; correct? Did you understand that?</p> <p>5 MS. DEITSCH-PEREZ: At the time that</p> <p>6 the notes were first signed?</p> <p>7 MR. MORRIS: Yes, ma'am.</p> <p>8 A. Yeah. I mean, at the -- at the time</p> <p>9 that they were first put in place, but by the</p> <p>10 time the demand was made, they had already been</p> <p>11 subject to the conditions present or the</p> <p>12 conditions for forgiveness.</p> <p>13 Q. Okay. So this is exactly what I'm</p> <p>14 trying to get at. At the time the notes were</p> <p>15 signed, Highland had the right to make demand</p> <p>16 for payment at any time; correct?</p> <p>17 A. Yes.</p> <p>18 Q. And when you entered into the oral</p> <p>19 agreements with the Dugaboy trustee, Highland's</p> <p>20 right to make a demand -- pick your word,</p> <p>21 modified, altered, amended, changed -- it</p> <p>22 was -- your oral agreement had an impact on</p> <p>23 Highland's rights under the promissory notes;</p> <p>24 correct?</p> <p>25 MS. DEITSCH-PEREZ: Object to form</p>	<p style="text-align: right;">Page 477</p> <p>1 DONDERO - 10/29/21</p> <p>2 of the question.</p> <p>3 Q. You can answer.</p> <p>4 A. The conditions subsequent -- the</p> <p>5 condition precedent -- precedence for</p> <p>6 forgiveness changed the ability for the demand</p> <p>7 notes to be demanded.</p> <p>8 Q. Okay. And -- and each of the oral</p> <p>9 agreements that you entered into with the</p> <p>10 Dugaboy trustee was related to the loans that</p> <p>11 were reflected in the promissory notes;</p> <p>12 correct?</p> <p>13 A. Well, it was related to the</p> <p>14 promissory notes themselves.</p> <p>15 Q. Correct. And the promissory notes</p> <p>16 reflect notes that were made from the payee to</p> <p>17 the maker; correct?</p> <p>18 A. Yeah. Most of them were roll-ups</p> <p>19 from prior.</p> <p>20 Q. No. Those are the term notes. I'm</p> <p>21 only talking about the demand notes.</p> <p>22 A. Okay.</p> <p>23 Q. Okay. So with respect to the demand</p> <p>24 notes, the oral agreements that you entered</p> <p>25 into with the Dugaboy trustee related to the</p>
<p style="text-align: right;">Page 478</p> <p>1 DONDERO - 10/29/21</p> <p>2 loans that were the subject of the promissory</p> <p>3 notes; correct?</p> <p>4 A. Yeah, I -- I -- I am just not</p> <p>5 understanding the nuance enough to answer that</p> <p>6 question.</p> <p>7 Q. Did the oral agreements relate to</p> <p>8 the loans that were the subject of the</p> <p>9 promissory notes?</p> <p>10 A. The oral agreements affected the</p> <p>11 term loans and the demand notes.</p> <p>12 Q. Okay.</p> <p>13 A. Does that answer your question?</p> <p>14 Q. And so -- and so is it fair to say</p> <p>15 that the oral agreements related to -- to</p> <p>16 the -- to the -- to the loans that were the</p> <p>17 subject of the notes?</p> <p>18 A. I don't know.</p> <p>19 Q. Okay.</p> <p>20 A. I'm not -- I'm not sure what you are</p> <p>21 asking, but I don't know the answer.</p> <p>22 Q. Okay. It is your --</p> <p>23 MS. DEITSCH-PEREZ: John, just</p> <p>24 how -- I just think the witness is lagging</p> <p>25 a little. So how much longer do you think</p>	<p style="text-align: right;">Page 479</p> <p>1 DONDERO - 10/29/21</p> <p>2 you have?</p> <p>3 MR. MORRIS: Oh, I've got probably</p> <p>4 four hours, so I don't expect to finish</p> <p>5 today. If Mr. Dondero -- if Mr. Dondero</p> <p>6 wants to stop --</p> <p>7 Q. Are you unable to continue right</p> <p>8 now, Mr. Dondero?</p> <p>9 A. Well, if we have four more hours, I</p> <p>10 would rather do it a day next -- next week, one</p> <p>11 afternoon.</p> <p>12 MR. MORRIS: Okay. Can we check our</p> <p>13 calendars before we go off the record?</p> <p>14 We have a deposition on Tuesday.</p> <p>15 I'm not available on Monday. I can make</p> <p>16 myself free on Wednesday, Thursday, or</p> <p>17 Friday. And I think that we should expect,</p> <p>18 you know, a substantial period of time,</p> <p>19 perhaps as long as a full day.</p> <p>20 I mean, with all due respect --</p> <p>21 MS. DEITSCH-PEREZ: How do you have</p> <p>22 a full day? You have already gone -- you</p> <p>23 have already gone more than half a day.</p> <p>24 MR. MORRIS: Yeah. And just -- just</p> <p>25 to be clear -- and I'm happy, you know,</p>

<p>Page 480</p> <p>1 DONDERO - 10/29/21</p> <p>2 to – to discuss this with you offline, but</p> <p>3 I didn't decide that Mr. Dondero would</p> <p>4 appear in his personal capacity and on</p> <p>5 behalf of three separate 30(b)(6)</p> <p>6 witnesses.</p> <p>7 If you had given me a different</p> <p>8 witness for each, I would have a total of</p> <p>9 28 hours. I don't expect to use anything</p> <p>10 remotely close to that time, but I am</p> <p>11 examining four witnesses here and I</p> <p>12 would – I would appreciate –</p> <p>13 MS. DEITSCH-PEREZ: But we also –</p> <p>14 MR. MORRIS: I would appreciate it.</p> <p>15 And, look, you can stop me at any time. If</p> <p>16 I haven't finished asking the questions</p> <p>17 that I believe I'm entitled to, I will, you</p> <p>18 know, take it to the judge. I'm just</p> <p>19 putting you on notice. I have – I'm on</p> <p>20 page 27 of a 57-page outline, so...</p> <p>21 MS. DEITSCH-PEREZ: Oh, geez.</p> <p>22 MR. MORRIS: Yeah, so I do have a</p> <p>23 fair amount more to cover. Okay?</p> <p>24 MS. DEITSCH-PEREZ: All right.</p> <p>25 MR. MORRIS: So Wednesday, Thursday,</p>	<p>Page 481</p> <p>1 DONDERO - 10/29/21</p> <p>2 or Friday, Mr. Dondero, I will make myself</p> <p>3 available at your convenience.</p> <p>4 THE WITNESS: I have all day board</p> <p>5 meetings on Wednesday.</p> <p>6 MR. MORRIS: Okay.</p> <p>7 THE WITNESS: I could do Thursday</p> <p>8 afternoon or I can do Friday afternoon.</p> <p>9 Hold on.</p> <p>10 MS. DEITSCH-PEREZ: Let me put this</p> <p>11 on mute and we will look at our calendars.</p> <p>12 MR. MORRIS: Thank you.</p> <p>13 VIDEOGRAPHER: Do you want to stay</p> <p>14 on the record?</p> <p>15 MR. MORRIS: Yes, please.</p> <p>16 THE WITNESS: Hello. All right. I</p> <p>17 can do Thursday afternoon for four hours.</p> <p>18 And if we need more time than that we can</p> <p>19 either do Friday afternoon or sometime</p> <p>20 the – the week after that, but I have – I</p> <p>21 have got –</p> <p>22 MR. MORRIS: Thank you very much.</p> <p>23 What time on Thursday works for you,</p> <p>24 sir?</p> <p>25 THE WITNESS: How about 1:00 o'clock</p>

I'm a certified</p> <p>4 legal videographer in association with</p> <p>5 TSG Reporting, Inc.</p> <p>6 Due to the severity of COVID-19 and</p> <p>7 following the practice of social</p> <p>8 distancing, I will not be in the same room</p> <p>9 with the witness; instead, I will record</p> <p>10 this video deposition remotely.</p> <p>11 The reporter, Suzanne Stotz, also</p> <p>12 will not be in the same room and will swear</p> <p>13 the witness remotely.</p> <p>14 Do all parties stipulate to the</p> <p>15 validity of video recording and remote</p> <p>16 swearing and that it will be admissible in</p> <p>17 the courtroom as if it had been taken</p> <p>18 following Rule 30 of the Federal Rules of</p> <p>19 Civil Procedures and the state's rules</p> <p>20 where this case is pending?</p> <p>21 MR. MORRIS: Yes.</p> <p>22 If anybody objects to that, please</p> <p>23 speak up.</p> <p>24 Nobody has spoken up. So everybody</p> <p>25 is deemed to have accepted that.</p>	<p style="text-align: right;">Page 9</p> <p>1 JAMES DONDERO</p> <p>2 THE VIDEOGRAPHER: Thank you.</p> <p>3 This is the start of Media Number 1,</p> <p>4 Volume II [sic] of the video-recorded</p> <p>5 deposition of James Dondero in the matter</p> <p>6 of In Re: Highland Capital Management,</p> <p>7 L.P., in the United States Bankruptcy Court</p> <p>8 for the Northern District of Texas.</p> <p>9 This deposition is being held</p> <p>10 remotely on November 4, 2021, at</p> <p>11 approximately 1:17 p.m.</p> <p>12 Counsel, please introduce</p> <p>13 yourselves.</p> <p>14 MR. MORRIS: Everybody is – is on</p> <p>15 here. I don't – we can't take the time to</p> <p>16 do that. I'm familiar with everybody on</p> <p>17 here. Everybody's appeared in this action</p> <p>18 before, and I'd like to proceed.</p> <p>19 THE VIDEOGRAPHER: All right. The</p> <p>20 appearances will be on the stenographic</p> <p>21 record.</p> <p>22 Will the court reporter please</p> <p>23 reswear the witness.</p> <p>24 THE COURT REPORTER: Could you raise</p> <p>25 your hand.</p>

<p>Page 10</p> <p>1 JAMES DONDERO</p> <p>2 THE WITNESS: (Complies with</p> <p>3 request.)</p> <p>4 JAMES DONDERO,</p> <p>5 having first been duly sworn, was examined and</p> <p>6 testified as follows:</p> <p>7 MS. DEITSCH-PEREZ: I only have one</p> <p>8 questions. Who's Robert Loigman?</p> <p>9 MR. LOIGMAN: I already stated for</p> <p>10 the record. I'm with Quinn Emanuel. I'm</p> <p>11 Debbie Newman's partner.</p> <p>12 MS. DEITSCH-PEREZ: Okay. Thank</p> <p>13 you.</p> <p>14 MR. MORRIS: Can we please put up on</p> <p>15 the screen the document that's been marked</p> <p>16 Exhibit 31.</p> <p>17 MS. CANTY: (Complies with request.)</p> <p>18 EXAMINATION</p> <p>19 BY MR. MORRIS:</p> <p>20 Q. Mr. Dondero, do you understand that</p> <p>21 this is a continuation of your deposition from</p> <p>22 Friday?</p> <p>23 A. Yes.</p> <p>24 Q. Have you spoken with anybody about</p> <p>25 your testimony since we concluded the</p>	<p>Page 11</p> <p>1 JAMES DONDERO</p> <p>2 deposition on Friday?</p> <p>3 A. No.</p> <p>4 Q. Nobody in the world?</p> <p>5 A. Just my attorney.</p> <p>6 Q. And did you speak with your attorney</p> <p>7 about the substance of the deposition on</p> <p>8 Friday? Just –</p> <p>9 MS. DEITSCH-PEREZ: I'm going to</p> <p>10 direct – I'm going to direct him not to</p> <p>11 answer.</p> <p>12 BY MR. MORRIS:</p> <p>13 Q. Okay. I'm just asking you a</p> <p>14 yes-or-no question. I'm not asking for the</p> <p>15 substance of any communications.</p> <p>16 MS. DEITSCH-PEREZ: Well, you're –</p> <p>17 one, I'd have to talk to him to see what he</p> <p>18 thinks "substance" means.</p> <p>19 And to the extent that's</p> <p>20 substantive, you're actually getting at the</p> <p>21 content potentially of a discussion. So</p> <p>22 I'm going to direct him not to answer.</p> <p>23 BY MR. MORRIS:</p> <p>24 Q. Are you going to follow your</p> <p>25 counsel's advice?</p>
<p>Page 12</p> <p>1 JAMES DONDERO</p> <p>2 A. Yes.</p> <p>3 Q. How much time did you spend speaking</p> <p>4 with your attorney since the conclusion of the</p> <p>5 last deposition?</p> <p>6 A. 30 minutes, 40 minutes.</p> <p>7 Q. Are you aware that Alan Johnson</p> <p>8 testified in this case the other day?</p> <p>9 A. I don't know who Alan Johnson is.</p> <p>10 Uh, no.</p> <p>11 Q. Okay. Is it fair to say that you</p> <p>12 have no knowledge of Mr. Johnson's testimony?</p> <p>13 A. I have no knowledge of Mr. Johnson's</p> <p>14 testimony.</p> <p>15 Q. Are you aware that an expert was</p> <p>16 examined by me earlier in the week in</p> <p>17 connection with this case?</p> <p>18 A. I'm aware there's an expert. I'm</p> <p>19 not – I'm not aware that you've examined,</p> <p>20 deposed, or whatever you did with him.</p> <p>21 Q. Okay. When did you speak with your</p> <p>22 counsel for 30 minutes about – following last</p> <p>23 Friday's examination?</p> <p>24 A. About 40 minutes ago.</p> <p>25 Q. Okay.</p>	<p>Page 13</p> <p>1 JAMES DONDERO</p> <p>2 MR. MORRIS: Can we go to</p> <p>3 paragraph 82 of this document –</p> <p>4 Q. – Mr. Dondero, do you see that this</p> <p>5 is your answer to the Plaintiff's Amended</p> <p>6 Complaint.</p> <p>7 A. Yes.</p> <p>8 Q. And we looked at this the other day;</p> <p>9 do you remember that?</p> <p>10 A. Yes.</p> <p>11 MR. MORRIS: Can we can go to page–</p> <p>12 paragraph 82, please.</p> <p>13 MS. CANTY: (Complies with request.)</p> <p>14 BY MR. MORRIS:</p> <p>15 Q. And I just want to table set to make</p> <p>16 sure we're on the same page.</p> <p>17 Paragraph 82 describes the</p> <p>18 agreements that you entered into with Dugaboy</p> <p>19 consuming the forgiveness of certain Promissory</p> <p>20 Notes subject to conditions subsequent.</p> <p>21 Is that a fair overarching overview</p> <p>22 of the nature of the agreements?</p> <p>23 A. Yes.</p> <p>24 Q. Okay. And for the rest of the</p> <p>25 deposition today, when I use the phrase</p>

<p>Page 14</p> <p>1 JAMES DONDERO</p> <p>2 "agreements," I'm going to mean the agreements</p> <p>3 that are referred to in paragraph 82; is that</p> <p>4 fair?</p> <p>5 A. Yes, generally. If I have any</p> <p>6 questions, I'll – I'll ask.</p> <p>7 Q. Thank you very much.</p> <p>8 The agreements covered each of the</p> <p>9 notes that are the subject of the lawsuits that</p> <p>10 Highland commenced against you, HCRE Services,</p> <p>11 and NexPoint; is that right?</p> <p>12 A. The – yes.</p> <p>13 Q. What are you looking at?</p> <p>14 A. Just this note sheet that covers all</p> <p>15 the notes.</p> <p>16 Q. Oh.</p> <p>17 MR. MORRIS: Deborah, I would demand</p> <p>18 that that sheet be produced immediately.</p> <p>19 MS. DEITSCH-PEREZ: Okay.</p> <p>20 MR. MORRIS: Okay. And I would ask</p> <p>21 him to put it away.</p> <p>22 MS. DEITSCH-PEREZ: No. He's a</p> <p>23 30(b)(6) witness. He's entitled to have a</p> <p>24 list of the notes. He sure he is.</p> <p>25 MR. MORRIS: I'm telling you now –</p>	<p>Page 15</p> <p>1 JAMES DONDERO</p> <p>2 MS. DEITSCH-PEREZ: I'm sorry to say</p> <p>3 to you.</p> <p>4 MR. MORRIS: I object. That is – I</p> <p>5 have never in my life seen a witness –</p> <p>6 MS. DEITSCH-PEREZ: I have had</p> <p>7 30(b)(6) witnesses with whole notebooks of</p> <p>8 information.</p> <p>9 MR. MORRIS: Okay. So let's just</p> <p>10 make sure the record is clear.</p> <p>11 BY MR. MORRIS:</p> <p>12 Q. Please describe for me what's on</p> <p>13 that page.</p> <p>14 A. It's a listing of the Notes payable</p> <p>15 to Highland, what their original term and</p> <p>16 amount was, what the term is, and what the loan</p> <p>17 date was.</p> <p>18 Q. Okay. I'm going to ask the –</p> <p>19 MS. DEITSCH-PEREZ: No. I'm going</p> <p>20 to take a picture, and I'm going to send it</p> <p>21 to you, okay?</p> <p>22 MR. MORRIS: Okay. And what we're</p> <p>23 going to do right now is ask him to put it</p> <p>24 away, and I'm going to ask him questions</p> <p>25 solely in his capacity as an individual,</p>
<p>Page 16</p> <p>1 JAMES DONDERO</p> <p>2 okay?</p> <p>3 Please put it away.</p> <p>4 THE WITNESS: Isn't that what this</p> <p>5 deposition is, right? This deposition –</p> <p>6 MS. DEITSCH-PEREZ: Well, this</p> <p>7 deposition is both.</p> <p>8 We're going to take a break for a</p> <p>9 second. Let me think about that, but</p> <p>10 I'll –</p> <p>11 MR. MORRIS: I object. I really</p> <p>12 object. I really object. I'm glad that</p> <p>13 this is all on the record. I object.</p> <p>14 My request is that he put it away</p> <p>15 and answer questions in his capacity as an</p> <p>16 individual.</p> <p>17 I don't know why we need to take a</p> <p>18 break.</p> <p>19 MS. DEITSCH-PEREZ: Well, because</p> <p>20 I'm going to go take a picture of it and</p> <p>21 send it to you.</p> <p>22 MR. MORRIS: I don't want you to do</p> <p>23 that, though.</p> <p>24 MS. DEITSCH-PEREZ: Why don't you</p> <p>25 want – okay.</p>	<p>Page 17</p> <p>1 JAMES DONDERO</p> <p>2 MR. MORRIS: We can do that – we</p> <p>3 can do that when I ask him questions as a</p> <p>4 30(b)(6) witness.</p> <p>5 By the way, it's still</p> <p>6 inappropriate, but –</p> <p>7 MS. DEITSCH-PEREZ: No, it's not</p> <p>8 John.</p> <p>9 MR. MORRIS: Okay.</p> <p>10 MS. DEITSCH-PEREZ: It's just not.</p> <p>11 You can say it as much as you want. It</p> <p>12 doesn't make it inappropriate.</p> <p>13 And I am going to – I want to think</p> <p>14 for a minute about whether or not your</p> <p>15 request to have him not have it in front of</p> <p>16 him in his individual capacity is</p> <p>17 appropriate. And I'm not going to make a</p> <p>18 snap decision. I'm going to talk to my</p> <p>19 colleagues, and we'll be back on the record</p> <p>20 in a couple of minutes.</p> <p>21 MR. MORRIS: I object, but I can't</p> <p>22 stop you.</p> <p>23 MS. DEITSCH-PEREZ: Okay.</p> <p>24 THE VIDEOGRAPHER: Would you like to</p> <p>25 go off the video record, Counsel?</p>

<p style="text-align: right;">Page 18</p> <p>1 JAMES DONDERO</p> <p>2 MR. MORRIS: No, no, not at all.</p> <p>3 THE VIDEOGRAPHER: Okay.</p> <p>4 MR. MORRIS: And just keep the --</p> <p>5 keep the record going.</p> <p>6 THE VIDEOGRAPHER: Yep, will do.</p> <p>7 MR. MORRIS: And we're not off the</p> <p>8 record?</p> <p>9 THE VIDEOGRAPHER: Correct.</p> <p>10 THE COURT REPORTER: Correct.</p> <p>11 MS. DEITSCH-PEREZ: Okay. We're</p> <p>12 back on the record.</p> <p>13 THE VIDEOGRAPHER: We remained on</p> <p>14 the record.</p> <p>15 MS. DEITSCH-PEREZ: Okay. And this</p> <p>16 part -- this -- at this point Mr. Morris</p> <p>17 only taking Mr. Dondero's deposition in his</p> <p>18 personal capacity, not as a 30(b)(6)</p> <p>19 witness.</p> <p>20 If you want to resume taking his</p> <p>21 deposition as a 30(b)(6) witness, let me</p> <p>22 know; and I will tell him to get his list</p> <p>23 of notes.</p> <p>24 MR. MORRIS: So he doesn't have it</p> <p>25 in front of him right now?</p>	<p style="text-align: right;">Page 19</p> <p>1 JAMES DONDERO</p> <p>2 THE WITNESS: Correct.</p> <p>3 MS. DEITSCH-PEREZ: Correct, he does</p> <p>4 not.</p> <p>5 MR. MORRIS: Okay. I'm going to</p> <p>6 proceed; and I would ask, Deborah, that</p> <p>7 somebody from your office send that to me</p> <p>8 as soon as possible. I'm sure it's on an</p> <p>9 e-mail somewhere and all they have to do is</p> <p>10 hit send.</p> <p>11 BY MR. MORRIS:</p> <p>12 Q. Mr. Dondero, let's continue.</p> <p>13 So you don't have that document in</p> <p>14 front of you right now?</p> <p>15 A. Correct.</p> <p>16 Q. Okay. How many agreements did you</p> <p>17 enter into with Dugaboy?</p> <p>18 MS. DEITSCH-PEREZ: You mean with</p> <p>19 the Dugaboy trustee?</p> <p>20 We had an agreement that you were</p> <p>21 going to refer to these as the agreements</p> <p>22 with the Dugaboy trustee. So let's stay</p> <p>23 consistent.</p> <p>24 BY MR. MORRIS:</p> <p>25 Q. Mr. Dondero, how many agreements did</p>
<p style="text-align: right;">Page 20</p> <p>1 JAMES DONDERO</p> <p>2 you enter into with Dugaboy trustee concerning</p> <p>3 Promissory Notes?</p> <p>4 A. Is your question -- is your</p> <p>5 questions how many Notes were entered into?</p> <p>6 Q. No. How many separate agreements</p> <p>7 did you enter into?</p> <p>8 A. The 2017, '18, and '19 agreements.</p> <p>9 Q. Okay. I didn't ask you what</p> <p>10 agreements. I asked how many agreements you</p> <p>11 entered into with the Dugaboy trustee.</p> <p>12 MS. DEITSCH-PEREZ: Asked and</p> <p>13 answered.</p> <p>14 THE WITNESS: Three major ones.</p> <p>15 BY MR. MORRIS:</p> <p>16 Q. Are there any minor ones?</p> <p>17 A. Not that I can recall right now.</p> <p>18 Q. Okay. When did you enter into your</p> <p>19 first major agreement with the Dugaboy trustee?</p> <p>20 A. At the end of '17.</p> <p>21 Q. Meaning December 2017 or early 2018?</p> <p>22 A. Yes.</p> <p>23 Q. What Promissory Notes are the</p> <p>24 subject of the first major agreement that you</p> <p>25 entered into with the Dugaboy trust- -- with</p>	<p style="text-align: right;">Page 21</p> <p>1 JAMES DONDERO</p> <p>2 the Dugaboy trustee?</p> <p>3 A. I don't remember which ones</p> <p>4 specifically. I remember the amount was more</p> <p>5 substantial than subsequent years.</p> <p>6 Q. Do you know how many Promissory</p> <p>7 Notes were the subject of your first major</p> <p>8 agreement with the Dugaboy trustee?</p> <p>9 A. No.</p> <p>10 Q. Can you identify the maker of any</p> <p>11 Note that's subject to the first major</p> <p>12 agreement with the Dugaboy trustee?</p> <p>13 A. Not without my list or details.</p> <p>14 Q. Can you identify the principal</p> <p>15 amount of any Promissory Note that was subject</p> <p>16 to the first agreement that you entered into</p> <p>17 with the Dugaboy trustee?</p> <p>18 A. I know they were -- I know the gross</p> <p>19 amount. I know they were some of the term</p> <p>20 loans, but I don't know the specifics.</p> <p>21 Q. Can you tell me the aggregate</p> <p>22 amount -- withdrawn.</p> <p>23 Can you tell me the aggregate</p> <p>24 principal amount of the Notes that are the</p> <p>25 subject of your first agreement with the</p>

<p>Page 22</p> <p>1 JAMES DONDERO</p> <p>2 Dugaboy trustee?</p> <p>3 A. I – I believe it was 30 – 30 some</p> <p>4 odd million, 30 – I can't remember the</p> <p>5 principal and interest, but it's only 30 – 34,</p> <p>6 35, 36. It was in that range.</p> <p>7 Q. Did your first agreement with the –</p> <p>8 withdrawn.</p> <p>9 Can you identify the date of any of</p> <p>10 the Promissory Notes that are the subject of</p> <p>11 your first agreement with the Dugaboy trustee?</p> <p>12 A. No.</p> <p>13 Q. Can you tell me the year that any of</p> <p>14 the Promissory Notes that are the subject of</p> <p>15 the – withdrawn.</p> <p>16 Can you tell me the year that any of</p> <p>17 the Promissory Notes were entered into that are</p> <p>18 the subject of your first agreement with the</p> <p>19 Dugaboy trustee?</p> <p>20 MS. DEITSCH-PEREZ: Asked and</p> <p>21 answered.</p> <p>22 THE WITNESS: No, not off the top of</p> <p>23 my head.</p> <p>24 BY MR. MORRIS:</p> <p>25 Q. When did you – did – when did you</p>	<p>Page 23</p> <p>1 JAMES DONDERO</p> <p>2 enter into the second agreement with the</p> <p>3 Dugaboy trustee?</p> <p>4 Was that in December of 2018 or</p> <p>5 early 2019?</p> <p>6 A. Yes.</p> <p>7 Q. How many Notes are subject to your</p> <p>8 second agreement with the Dugaboy trustee?</p> <p>9 A. Less than the first, but I don't</p> <p>10 know how many.</p> <p>11 Q. You don't know the number of Notes</p> <p>12 that are the subject of your second agreement</p> <p>13 with the Dugaboy trustee; is that right?</p> <p>14 A. Correct.</p> <p>15 Q. Can you identify the maker of any</p> <p>16 Notes that are the subject of your second</p> <p>17 agreement with the Dugaboy trustee?</p> <p>18 A. No, I – I – no, I don't remember.</p> <p>19 Q. Okay. So as you sit here right now,</p> <p>20 you can't identify the maker of any of the</p> <p>21 Notes that are the subject of the second</p> <p>22 agreement with the Dugaboy trustee; is that</p> <p>23 right?</p> <p>24 A. Well, it would be one of the three</p> <p>25 parties or four parties here, me or NexPoint or</p>
<p>Page 24</p> <p>1 JAMES DONDERO</p> <p>2 whatever; but I don't remember –</p> <p>3 Q. Okay.</p> <p>4 A. – off the top of my head.</p> <p>5 Q. Off the top of your head, can you</p> <p>6 tell me the original principal amount of any</p> <p>7 Note that's subject to your second agreement</p> <p>8 with the Dugaboy trustee?</p> <p>9 A. No. I just – no.</p> <p>10 Q. Can you identify the date on which</p> <p>11 any of the Promissory Notes were executed that</p> <p>12 were the subject of your second agreement with</p> <p>13 the Dugaboy trustee?</p> <p>14 A. No.</p> <p>15 Q. Can you tell me the aggregate</p> <p>16 principal amount of the Notes that are the</p> <p>17 subject of your second agreement with the</p> <p>18 Dugaboy trustee?</p> <p>19 A. Yes. A fraction of the prior year.</p> <p>20 Less than ten million.</p> <p>21 Q. Can you be anymore precise than</p> <p>22 that?</p> <p>23 A. Approximately ten million, I think.</p> <p>24 Just under.</p> <p>25 Q. Okay. Did you enter into your third</p>	<p>Page 25</p> <p>1 JAMES DONDERO</p> <p>2 agreement with the Dugaboy trustee in December</p> <p>3 2019 or early 2020?</p> <p>4 A. Yes.</p> <p>5 Q. That's after the petition date; do I</p> <p>6 have that right?</p> <p>7 A. I – yes.</p> <p>8 Q. Did you do it before or after</p> <p>9 January 9, 2020?</p> <p>10 A. Before, I believe.</p> <p>11 Q. So while you were still in control</p> <p>12 of Highland but after the petition date, you</p> <p>13 entered into your third agreement with the</p> <p>14 Dugaboy trustee concerning Promissory Notes.</p> <p>15 Do I have that right?</p> <p>16 A. Yes.</p> <p>17 Q. Did you ever inform the bankruptcy</p> <p>18 court of this agreement?</p> <p>19 A. No.</p> <p>20 Q. Did you ever inform the independent</p> <p>21 directors of this agreement that you entered</p> <p>22 into after the petition date?</p> <p>23 A. No.</p> <p>24 Q. Can you tell me which notes are the</p> <p>25 subject of your third agreement with the</p>

<p>Page 26</p> <p>1 JAMES DONDERO</p> <p>2 Dugaboy trustee?</p> <p>3 A. No.</p> <p>4 Q. Can you identify the maker on any</p> <p>5 Note that's the subject of your agreement that</p> <p>6 you entered into after the petition date with</p> <p>7 the Dugaboy trustee?</p> <p>8 A. Not off the top of my head.</p> <p>9 MS. DEITSCH-PEREZ: I mean, John, if</p> <p>10 you would let him look at his list, he</p> <p>11 could tell you.</p> <p>12 But if you insist on making this a</p> <p>13 memory test of 18 or so different things or</p> <p>14 however many there are, 13, 14, then this</p> <p>15 is – it's your deposition. But if you</p> <p>16 want more specific details, he could look</p> <p>17 at the list.</p> <p>18 MR. MORRIS: Okay. That's not even</p> <p>19 an objection let alone a speaking</p> <p>20 objection.</p> <p>21 It is my deposition –</p> <p>22 MS. DEITSCH-PEREZ: No.</p> <p>23 MR. MORRIS: It is my deposition,</p> <p>24 and I would appreciate your not making</p> <p>25 gratuitous comments.</p>	<p>Page 27</p> <p>1 JAMES DONDERO</p> <p>2 BY MR. MORRIS:</p> <p>3 Q. Mr. Dondero, can you tell me the</p> <p>4 aggregate value of the Notes that are the</p> <p>5 subject of the third agreement that you entered</p> <p>6 into with the Dugaboy trustee after the</p> <p>7 petition date?</p> <p>8 A. I believe it was about a million</p> <p>9 bucks.</p> <p>10 Q. And who were the makers of the Notes</p> <p>11 that are the subject of the agreement with the</p> <p>12 Dugaboy trustee that you entered into after the</p> <p>13 petition date?</p> <p>14 A. I don't know.</p> <p>15 Q. Without the sheet that you looked at</p> <p>16 earlier, you have no ability to tell me which</p> <p>17 notes were the subject of which agreement that</p> <p>18 you entered into with the Dugaboy trustee,</p> <p>19 correct?</p> <p>20 MS. DEITSCH-PEREZ: Object to the</p> <p>21 form.</p> <p>22 THE WITNESS: If I'm not certain off</p> <p>23 the top of my head I can remember</p> <p>24 accurately, I don't want to speculate.</p> <p>25</p>
<p>Page 28</p> <p>1 JAMES DONDERO</p> <p>2 BY MR. MORRIS:</p> <p>3 Q. All right. I don't want you to</p> <p>4 speculate either. So I'm going to ask you just</p> <p>5 broad follow-up questions.</p> <p>6 Can you identify any Promissory Note</p> <p>7 that is the subject of any specific agreement</p> <p>8 that you ever entered into with the Dugaboy</p> <p>9 trustee without looking at the list?</p> <p>10 MS. DEITSCH-PEREZ: Object to the</p> <p>11 form. He's already done that to some</p> <p>12 degree.</p> <p>13 THE WITNESS: I believe it covered</p> <p>14 virtually all of them. So I don't remember</p> <p>15 which ones specifically in each year.</p> <p>16 Generally, it was, I believe, the</p> <p>17 ones incurred in that year; but I don't</p> <p>18 remember which entities. But again, the</p> <p>19 ultimate result being that the term loans,</p> <p>20 the demand notes, the things incurred, the</p> <p>21 things outstanding were part of the</p> <p>22 agreement.</p> <p>23 BY MR. MORRIS:</p> <p>24 Q. Sir, you never wrote down a list of</p> <p>25 the notes that are the subject of the</p>	<p>Page 29</p> <p>1 JAMES DONDERO</p> <p>2 agreements, correct?</p> <p>3 A. Correct.</p> <p>4 Q. You never asked anybody to make a</p> <p>5 list of the notes that were the subject of each</p> <p>6 of the agreements, correct?</p> <p>7 A. Correct.</p> <p>8 Q. You're not aware of any document</p> <p>9 that was created prior to the commencement of</p> <p>10 these lawsuits that identifies the Notes that</p> <p>11 are the subject of the agreements, correct?</p> <p>12 A. Correct.</p> <p>13 Q. Other than the Promissory Notes that</p> <p>14 are the subject of this lawsuit – withdrawn.</p> <p>15 Other than the Promissory Notes that</p> <p>16 are the subject of these lawsuits, are you</p> <p>17 aware of any other doc- – Promissory Notes</p> <p>18 that are the subject of an agreement with the</p> <p>19 Dugaboy trustee?</p> <p>20 A. I believe there are from time to</p> <p>21 time, yes. But I – I don't know off the top</p> <p>22 of my head.</p> <p>23 Q. Can you identify the maker of any</p> <p>24 Promissory Note that is the subject of any</p> <p>25 agreement with the Dugaboy trustee other than</p>

<p>Page 30</p> <p>1 JAMES DONDERO</p> <p>2 the Promissory Notes that are the subject of</p> <p>3 the pending lawsuits?</p> <p>4 A. Not specifically, but I believe</p> <p>5 there are.</p> <p>6 Q. Okay. Can you identify the</p> <p>7 principal amount of any Promissory Note that is</p> <p>8 the subject of an agreement with the Dugaboy</p> <p>9 trustee that is not part of the pending</p> <p>10 lawsuits?</p> <p>11 A. Not specifically.</p> <p>12 Q. Can you tell me the year in which</p> <p>13 any Promissory Note was ever executed that is</p> <p>14 the subject of any agreement with the Dugaboy</p> <p>15 trustee other than the Promissory Notes that</p> <p>16 are the subject of the pending lawsuits?</p> <p>17 A. I believe there were several, and I</p> <p>18 believe there were numerous ones over the</p> <p>19 years.</p> <p>20 Q. Okay. And -- and are those</p> <p>21 Promissory Notes subject to one of the three</p> <p>22 agreements that we've identified or subject to</p> <p>23 some other agreement with the Dugaboy trustee?</p> <p>24 A. Well, they weren't to these related</p> <p>25 entities. I -- I don't know what the</p>	<p>Page 31</p> <p>1 JAMES DONDERO</p> <p>2 agreements were specifically subject to.</p> <p>3 Q. Are you the person who entered into</p> <p>4 the agreement with the Dugaboy trustee</p> <p>5 concerning the notes that you are describing</p> <p>6 right now?</p> <p>7 A. Yes, I guess.</p> <p>8 Q. As the person who entered into the</p> <p>9 agreement with the Dugaboy trustee concerning</p> <p>10 Notes that are not the subject of the pending</p> <p>11 litigation, can you identify anything about</p> <p>12 those Notes, whether it's the maker, the date,</p> <p>13 the principal amount, anything at all?</p> <p>14 A. Not off the top of my head.</p> <p>15 Q. Okay. What would -- what would you</p> <p>16 have to look at to know? The chart or</p> <p>17 something else?</p> <p>18 A. No, not this -- not this chart.</p> <p>19 This only has to do with what we thought this</p> <p>20 deposition was going to be about.</p> <p>21 It would be the financials of</p> <p>22 Dugaboy; and then from there, the detail</p> <p>23 regarding any Notes that it has.</p> <p>24 Q. Did you enter into an agreement with</p> <p>25 the Dugaboy trustee to forgive a Promissory</p>
<p>Page 32</p> <p>1 JAMES DONDERO</p> <p>2 Note where Dugaboy is the maker and Highland is</p> <p>3 the payee?</p> <p>4 A. Dugaboy -- can you repeat that</p> <p>5 question one more time?</p> <p>6 Q. Sure. Did you enter into an</p> <p>7 agreement with the Dugaboy trustee relating to</p> <p>8 any Promissory Note where Dugaboy is the maker?</p> <p>9 A. No, I don't believe so.</p> <p>10 Q. Okay. So you don't have any</p> <p>11 recollection of ever entering into an agreement</p> <p>12 with the Dugaboy trustee concerning the</p> <p>13 potential forgiveness of any Note that was made</p> <p>14 by Dugaboy, correct?</p> <p>15 A. I -- I do not believe so.</p> <p>16 Q. Okay. And is there a -- is there a</p> <p>17 document that we could look at that would</p> <p>18 refresh your recollection?</p> <p>19 A. Not beyond the financials of Dugaboy</p> <p>20 and any relevant Note detail.</p> <p>21 Q. And would -- is it -- is it your</p> <p>22 testimony that an agreement with Dugaboy would</p> <p>23 be reflected in the Dugaboy financial</p> <p>24 statements?</p> <p>25 A. No, but the Notes would be.</p>	<p>Page 33</p> <p>1 JAMES DONDERO</p> <p>2 Q. Well, the Dugaboy Notes are</p> <p>3 reflected in Highland's financial statements.</p> <p>4 Do you want me to get that?</p> <p>5 A. No. I didn't think that was -- I</p> <p>6 didn't think that was the question you were</p> <p>7 asking me.</p> <p>8 Q. I apologize. Maybe it was my fault.</p> <p>9 What would we have to look at in</p> <p>10 order to refresh your recollection as to</p> <p>11 whether or not you entered into an agreement</p> <p>12 with the Dugaboy trustee concerning the</p> <p>13 potential forgiveness of any Note made by</p> <p>14 Dugaboy?</p> <p>15 A. Other than the ones we're talking</p> <p>16 about today, right?</p> <p>17 Q. We're not talking about -- there's</p> <p>18 no Promissory Note where Dugaboy is the maker</p> <p>19 that is the subject of any of the pending</p> <p>20 lawsuits, correct?</p> <p>21 A. Correct.</p> <p>22 Q. So I'm asking you to identify if you</p> <p>23 can any Promissory Note that is the subject of</p> <p>24 any agreement you have ever entered into with</p> <p>25 the Dugaboy trustee that is not the subject of</p>

<p>Page 34</p> <p>1 JAMES DONDERO</p> <p>2 one of the pending lawsuits.</p> <p>3 Do you understand that that's what</p> <p>4 I'm trying to get at?</p> <p>5 MS. DEITSCH-PEREZ: Asked and</p> <p>6 answered.</p> <p>7 THE WITNESS: Yes.</p> <p>8 BY MR. MORRIS:</p> <p>9 Q. Okay. Can you identify any such</p> <p>10 Promissory Note?</p> <p>11 A. No, not specifically as I sit here</p> <p>12 today.</p> <p>13 Q. Okay. Other than the promissory –</p> <p>14 withdrawn.</p> <p>15 Are you familiar with the term</p> <p>16 "majority interest" as used in the Highland</p> <p>17 Limited Partnership Agreement?</p> <p>18 A. Yes.</p> <p>19 Q. Okay. Other than the Promissory</p> <p>20 Notes that are the subject of the pending</p> <p>21 lawsuits, are you aware of any other Promissory</p> <p>22 Notes that are the subject of any agreement</p> <p>23 with the majority interest?</p> <p>24 MS. DEITSCH-PEREZ: Object to the</p> <p>25 form. Asked and answered.</p>	<p>Page 35</p> <p>1 JAMES DONDERO</p> <p>2 THE WITNESS: The majority interest</p> <p>3 is controlled by the 75 percent. It's</p> <p>4 controlled by Dugaboy. But the majority</p> <p>5 interest isn't an entity in and of itself,</p> <p>6 right?</p> <p>7 BY MR. MORRIS:</p> <p>8 Q. Okay. Has Dugaboy held the majority</p> <p>9 interest since the time that Highland was</p> <p>10 created?</p> <p>11 A. No.</p> <p>12 Q. Okay. So – so then I'm going to</p> <p>13 ask my question again.</p> <p>14 Are you aware of any agreement</p> <p>15 concerning any Promissory Note that is the</p> <p>16 subject – withdrawn.</p> <p>17 Are you aware of any agreement with</p> <p>18 the majority interest that concerns any</p> <p>19 Promissory Note where Highland is the payee</p> <p>20 other than the Notes that are the subject of</p> <p>21 the pending lawsuit?</p> <p>22 MS. DEITSCH-PEREZ: Asked and</p> <p>23 answered.</p> <p>24 THE WITNESS: Not specifically as I</p> <p>25 sit here today, but I do believe there have</p>
<p>Page 36</p> <p>1 JAMES DONDERO</p> <p>2 been numerous notes other than to these</p> <p>3 entities today where Dugaboy was the maker</p> <p>4 or recipient or whatever.</p> <p>5 BY MR. MORRIS:</p> <p>6 Q. So you do believe that Dugaboy was</p> <p>7 the maker of a Promissory Note that's subject</p> <p>8 to an agreement with the majority interest?</p> <p>9 MS. DEITSCH-PEREZ: Object to the</p> <p>10 form.</p> <p>11 THE WITNESS: What I'm saying is I</p> <p>12 believe Dugaboy had other – made other</p> <p>13 Notes and received other Notes from other</p> <p>14 entities other than Highland.</p> <p>15 BY MR. MORRIS:</p> <p>16 Q. Does that have anything to do with</p> <p>17 Highland?</p> <p>18 Maybe I wasn't clear. I'm using the</p> <p>19 phrase "majority interest" as that phrase – I</p> <p>20 thought we had – I thought we had an</p> <p>21 understanding – as that phrase is used in the</p> <p>22 Highland Limited Partnership Agreement, right?</p> <p>23 A. I thought it was a definition term</p> <p>24 in the Highland, L.P.</p> <p>25 Q. It is, and I just – I'd like to</p>	<p>Page 37</p> <p>1 JAMES DONDERO</p> <p>2 move on if I can, but I just want some clarity</p> <p>3 here.</p> <p>4 Is there any agreement between</p> <p>5 Dugaboy and the majority interest concerning</p> <p>6 any Promissory Note where Dugaboy is the maker?</p> <p>7 MS. DEITSCH-PEREZ: Object to the</p> <p>8 form.</p> <p>9 THE WITNESS: I – I don't know what</p> <p>10 you're getting at. I have a tried to</p> <p>11 answer it the best I can several different</p> <p>12 ways.</p> <p>13 But try it one more time, and I'll</p> <p>14 try and answer it just specifically yes or</p> <p>15 no.</p> <p>16 BY MR. MORRIS:</p> <p>17 Q. Okay. Is Dugaboy the maker on any</p> <p>18 Promissory Note where Highland is the payee?</p> <p>19 A. I don't believe so at this point.</p> <p>20 Q. Was Dugaboy ever the maker on a Note</p> <p>21 where Highland was the payee to the best of</p> <p>22 your knowledge?</p> <p>23 A. I don't – I just don't know what</p> <p>24 the actual accounting was or could have or</p> <p>25 should have been. But if it prepays a Note,</p>

<p>Page 38</p> <p>1 JAMES DONDERO</p> <p>2 instead of prepaying a Note, it could have left</p> <p>3 it in an existing Note outstanding and then</p> <p>4 issued a separate Note, right, instead of</p> <p>5 prepaying, right?</p> <p>6 So I don't know in the -- in the pas</p> <p>7 past or how exactly they handled prepays</p> <p>8 consistently over time. But at the moment, I</p> <p>9 don't believe there's a loan going from Dugaboy</p> <p>10 to Highland.</p> <p>11 But I do believe over the years,</p> <p>12 there were numerous loans from Dugaboy to other</p> <p>13 entities other than the ones we're talking</p> <p>14 about today.</p> <p>15 MS. DEITSCH-PEREZ: Okay. John,</p> <p>16 we've gone way far afield of the topics for</p> <p>17 this deposition or anything that you ought</p> <p>18 to be even asking this individual witness</p> <p>19 about given what these litigations are.</p> <p>20 Could we move on, please?</p> <p>21 MR. MORRIS: No. Other than --</p> <p>22 MS. DEITSCH-PEREZ: You're spending</p> <p>23 time on things other than the --</p> <p>24 MR. MORRIS: Please stop talking.</p> <p>25 MS. DEITSCH-PEREZ: -- action.</p>	<p>Page 39</p> <p>1 JAMES DONDERO</p> <p>2 MR. MORRIS: Please stop talking.</p> <p>3 BY MR. MORRIS:</p> <p>4 Q. Other than the Promissory Notes that</p> <p>5 are the subject of the lawsuits, are you aware</p> <p>6 of any other Promissory Notes that are the</p> <p>7 subject of any agreement that the Dugaboy</p> <p>8 trustee ever entered into as a representative</p> <p>9 of the majority of Class A shareholders?</p> <p>10 MS. DEITSCH-PEREZ: Asked and</p> <p>11 answered. I think we've answered after the</p> <p>12 sixth time.</p> <p>13 THE WITNESS: Not as I sit here</p> <p>14 today.</p> <p>15 BY MR. MORRIS:</p> <p>16 Q. In paragraph 82 in about the fifth</p> <p>17 line down, there's a statement that, quote,</p> <p>18 "Nancy Dondero is representative for a majority</p> <p>19 of the Class A holders of plaintiff, agree that</p> <p>20 plaintiff would forgive the Notes."</p> <p>21 Do you see that?</p> <p>22 A. Yes.</p> <p>23 Q. The word "plaintiff" as used in your</p> <p>24 answer refers to Highland Capital Management,</p> <p>25 L.P., correct?</p>
<p>Page 40</p> <p>1 JAMES DONDERO</p> <p>2 A. I -- no -- or wait. Hold on a</p> <p>3 second.</p> <p>4 Yes. I guess, yes.</p> <p>5 Q. Okay. At the time you entered into</p> <p>6 the agreements, did you understand that</p> <p>7 Dugaboy, as a majority -- as a representative</p> <p>8 of a majority of the Class A shareholders of</p> <p>9 the plaintiff was the entity that entered into</p> <p>10 the agreement on behalf of Highland?</p> <p>11 A. Yes.</p> <p>12 Q. And your sister Nancy is the trustee</p> <p>13 of Dugaboy today, correct?</p> <p>14 A. Yes.</p> <p>15 Q. And Nancy was the trustee of Dugaboy</p> <p>16 at the time you entered into each of the</p> <p>17 agreements, correct?</p> <p>18 A. Yes.</p> <p>19 Q. And you knew that at the time you</p> <p>20 entered each of the agreements, correct?</p> <p>21 A. Yes.</p> <p>22 Q. You knew she was acting on behalf of</p> <p>23 Dugaboy, correct?</p> <p>24 A. Yes.</p> <p>25 Q. Your understanding at that time that</p>	<p>Page 41</p> <p>1 JAMES DONDERO</p> <p>2 you entered into each of the agreements with</p> <p>3 the Dugaboy trustee was that Dugaboy held the</p> <p>4 majority of Highland's Class A interest,</p> <p>5 correct?</p> <p>6 A. Yes.</p> <p>7 Q. And that's exactly why you contacted</p> <p>8 Nancy to discuss the topics that ultimately led</p> <p>9 to the agreements, correct?</p> <p>10 A. Yes.</p> <p>11 Q. You specifically called Nancy</p> <p>12 because you wanted her to cause Dugaboy to</p> <p>13 enter into the agreements with you on behalf of</p> <p>14 Highland, correct?</p> <p>15 A. Yes.</p> <p>16 Q. And just as you wanted, Nancy, in</p> <p>17 fact, caused Dugaboy, as a representative of a</p> <p>18 majority of the Class A shareholders of</p> <p>19 plaintiff, to enter into each of the</p> <p>20 agreements, correct?</p> <p>21 A. Yes.</p> <p>22 Q. Would you agree with me that the</p> <p>23 Promissory Notes that are the subject of the</p> <p>24 agreements were the debtor's property?</p> <p>25 A. I think I've stated numerous times</p>

<p style="text-align: right;">Page 42</p> <p>1 JAMES DONDERO</p> <p>2 due to them as that they would ultimately be</p> <p>3 compensation; but to be a bona fide Note and to</p> <p>4 have bona fide deferral at the time that they</p> <p>5 were issued, they were the debtor's property.</p> <p>6 And I guess they remained such until satisfied</p> <p>7 or until the condition as present – the</p> <p>8 condition subsequent is either triggered or</p> <p>9 impossible to be triggered.</p> <p>10 Q. Okay. Is it fair to say that the</p> <p>11 Promissory Notes that are the subject of the</p> <p>12 agreements were assets of the debtor at the</p> <p>13 time you entered into the agreements?</p> <p>14 A. Yes.</p> <p>15 Q. At the time you entered into the</p> <p>16 agreements, you understood that Dugaboy was</p> <p>17 exercising control over the debtor's property,</p> <p>18 correct?</p> <p>19 MS. DEITSCH-PEREZ: Object to the</p> <p>20 form.</p> <p>21 MR. MORRIS: Withdrawn.</p> <p>22 BY MR. MORRIS:</p> <p>23 Q. At the time you entered into the</p> <p>24 agreements, you understood that the Dugaboy</p> <p>25 trustee was going to exercise control over the</p>	<p style="text-align: right;">Page 43</p> <p>1 JAMES DONDERO</p> <p>2 debtor's property, correct?</p> <p>3 MS. DEITSCH-PEREZ: Object. Object</p> <p>4 to the form.</p> <p>5 THE WITNESS: Exercise control? I</p> <p>6 understood the trustee had the ability to</p> <p>7 grant the, whatever you want to call them,</p> <p>8 conditions subsequent.</p> <p>9 BY MR. MORRIS:</p> <p>10 Q. On that –</p> <p>11 A. Yes.</p> <p>12 Q. And that was – by entering into the</p> <p>13 agreement, would you agree with me, that the</p> <p>14 Dugaboy trustee exercised control over the</p> <p>15 Promissory Notes?</p> <p>16 MS. DEITSCH-PEREZ: Object to the</p> <p>17 form.</p> <p>18 THE WITNESS: They – The trustee</p> <p>19 exercised the rights given to it as a</p> <p>20 majority of Class A holders.</p> <p>21 BY MR. MORRIS:</p> <p>22 Q. Okay. And is it your understanding</p> <p>23 that as part of the right, it altered the</p> <p>24 characteristics of the Promissory Notes?</p> <p>25 MS. DEITSCH-PEREZ: Object to the</p>
<p style="text-align: right;">Page 44</p> <p>1 JAMES DONDERO</p> <p>2 form.</p> <p>3 THE WITNESS: I just want to – I</p> <p>4 believe my testimony, I granted the</p> <p>5 conditions subsequent is my interpretation.</p> <p>6 BY MR. MORRIS:</p> <p>7 Q. Right. And so that's fine. But</p> <p>8 that's – that's the thing that happened, but</p> <p>9 I'm just asking you what the impact of that</p> <p>10 was.</p> <p>11 When the Dugaboy trustee entered</p> <p>12 into the agreement, the result was that the</p> <p>13 terms and conditions of the Promissory Note</p> <p>14 were altered, correct?</p> <p>15 MS. DEITSCH-PEREZ: Object to the</p> <p>16 form.</p> <p>17 THE WITNESS: I don't want to – I</p> <p>18 want to say I don't know to that next week.</p> <p>19 BY MR. MORRIS:</p> <p>20 Q. You can't – okay. You can't tell</p> <p>21 me if your agreement with the Dugaboy trustee</p> <p>22 altered the terms and conditions of the</p> <p>23 Promissory Notes that were subject to the</p> <p>24 agreement; you can't tell me that?</p> <p>25 MS. DEITSCH-PEREZ: Object to the</p>	<p style="text-align: right;">Page 45</p> <p>1 JAMES DONDERO</p> <p>2 form.</p> <p>3 THE WITNESS: Yeah. I – again, it</p> <p>4 sounds like you're trying to take me</p> <p>5 towards legal terms of changing terms or</p> <p>6 modification in a Note or whatever; and</p> <p>7 I – I'm not – I don't have an opinion or</p> <p>8 the expert to comment on that.</p> <p>9 I can just say I knew she had the</p> <p>10 ability to create conditions subsequent.</p> <p>11 BY MR. MORRIS:</p> <p>12 Q. Okay. So let's take, for example,</p> <p>13 the Notes that you signed.</p> <p>14 Those were demand notes, right?</p> <p>15 A. Yes.</p> <p>16 Q. Okay. And after you entered into</p> <p>17 the agreement with the Dugaboy trustee, instead</p> <p>18 of it being a demand note, it was now a demand</p> <p>19 note subject to conditions subsequent, correct?</p> <p>20 MS. DEITSCH-PEREZ: Object to the</p> <p>21 form.</p> <p>22 THE WITNESS: Yeah, that ultimately</p> <p>23 they couldn't be demanded until conditions</p> <p>24 subsequent were met or unable to be met.</p> <p>25</p>

<p>Page 46</p> <p>1 JAMES DONDERO</p> <p>2 BY MR. MORRIS:</p> <p>3 Q. Okay. So can you agree with me that</p> <p>4 that -- that that was a change in the term of</p> <p>5 the Note?</p> <p>6 MS. DEITSCH-PEREZ: Object to the</p> <p>7 form.</p> <p>8 THE WITNESS: Yeah. See, that's the</p> <p>9 part I don't want to comment on. I just</p> <p>10 want to say I don't know.</p> <p>11 BY MR. MORRIS:</p> <p>12 Q. Okay. Wasn't that the purpose of</p> <p>13 entering into the agreements was to change the</p> <p>14 terms of the each of the Promissory Notes?</p> <p>15 Wasn't that your intent?</p> <p>16 MS. DEITSCH-PEREZ: Object to the</p> <p>17 form.</p> <p>18 THE WITNESS: I'd say the intent was</p> <p>19 to find and make compensation appropriate</p> <p>20 for industry standards and Highland in</p> <p>21 particular.</p> <p>22 BY MR. MORRIS:</p> <p>23 Q. And did you believe that the Notes</p> <p>24 as originally drafted and signed by you or the</p> <p>25 representatives of the makers didn't take that</p>	<p>Page 47</p> <p>1 JAMES DONDERO</p> <p>2 into account?</p> <p>3 A. I went through this already last</p> <p>4 time, but the Notes were intentionally loose</p> <p>5 and, I think, anticipated the ability to adjust</p> <p>6 the subsequent conditions or other things.</p> <p>7 Q. Now, you told me that each of the</p> <p>8 agreements was entered into between December of</p> <p>9 one year or -- actually, withdrawn.</p> <p>10 If we look at paragraph 82, it says</p> <p>11 that each of the agreements was made, quote,</p> <p>12 "sometime between the December of the year in</p> <p>13 which each note was made and February of the</p> <p>14 following year."</p> <p>15 Do I have that right?</p> <p>16 A. Yes.</p> <p>17 Q. Can you identify with any greater</p> <p>18 specificity when you entered into the first</p> <p>19 agreement with the Dugaboy trustee referenced</p> <p>20 in paragraph 82?</p> <p>21 A. No.</p> <p>22 Q. It's sometime within that 90-day</p> <p>23 period; does that sound right to you?</p> <p>24 A. I believe it was closer to the</p> <p>25 holidays around the turn of the year, but I</p>
<p>Page 48</p> <p>1 JAMES DONDERO</p> <p>2 don't have specific recollection.</p> <p>3 Q. Is that answer the same for all</p> <p>4 three agreements or only for the first</p> <p>5 agreement?</p> <p>6 A. That would be the same for all</p> <p>7 three.</p> <p>8 Q. So then why -- why does paragraph 82</p> <p>9 refer to sometime between December of the year</p> <p>10 in which each note was made and February of the</p> <p>11 following year if your best recollection is</p> <p>12 that it happened around the holidays?</p> <p>13 A. I don't know.</p> <p>14 Q. All right. But as you sit here</p> <p>15 right now, is it your testimony that you</p> <p>16 believe each of the agreements was signed --</p> <p>17 was more likely signed in December rather than</p> <p>18 January or February?</p> <p>19 MS. DEITSCH-PEREZ: Object to the</p> <p>20 form.</p> <p>21 THE WITNESS: I think signed is a --</p> <p>22 I'm not -- I'm not testifying that signed,</p> <p>23 I guess.</p> <p>24 BY MR. MORRIS:</p> <p>25 Q. I apologize. Maybe that was my</p>	<p>Page 49</p> <p>1 JAMES DONDERO</p> <p>2 mistake.</p> <p>3 Is it your testimony that each --</p> <p>4 that you entered each of the agreements with</p> <p>5 the Dugaboy trustee in December rather than</p> <p>6 January or February of the years indicated?</p> <p>7 A. That's the best of my recollection,</p> <p>8 but there may have been one year that was</p> <p>9 towards the wider end of the interval. I can't</p> <p>10 remember with more specificity.</p> <p>11 Q. Okay. Do you know of anything that</p> <p>12 memorialized the date on which you entered into</p> <p>13 any of the agreements?</p> <p>14 A. No, other than -- no, other than --</p> <p>15 no, other than, you know, other than travel</p> <p>16 schedule or phone logs or whatever.</p> <p>17 Q. All right. During the discussion</p> <p>18 that led to the agreements, did you ever</p> <p>19 provide any information to Nancy or to Dugaboy</p> <p>20 concerning your compensation?</p> <p>21 A. Just -- just verbal. I mean, she</p> <p>22 knew it was low, and she knew we had reinvested</p> <p>23 most everything we made back in the company</p> <p>24 over the years. And that was the -- that was,</p> <p>25 I think, understanding by all involved; and it</p>

<p>Page 50</p> <p>1 JAMES DONDERO</p> <p>2 should be obvious to anybody who's looked at</p> <p>3 the numbers even in hindsight.</p> <p>4 MR. MORRIS: Okay. I move to</p> <p>5 strike.</p> <p>6 BY MR. MORRIS:</p> <p>7 Q. And please listen carefully to my</p> <p>8 question.</p> <p>9 During the discussions that led to</p> <p>10 each of the agreements, did you ever provide</p> <p>11 any information to your sister or Dugaboy</p> <p>12 concerning your compensation?</p> <p>13 MS. DEITSCH-PEREZ: Asked and</p> <p>14 answered.</p> <p>15 THE WITNESS: Not specifically.</p> <p>16 BY MR. MORRIS:</p> <p>17 Q. Did you provide any general</p> <p>18 information to your sister or to Dugaboy prior</p> <p>19 to the entry of any of the three agreements</p> <p>20 that you entered into with the Dugaboy trustee?</p> <p>21 A. I would repeat the answer that was</p> <p>22 struck two questions ago.</p> <p>23 Q. That's the information that you gave</p> <p>24 to her?</p> <p>25 A. Yeah. It was -- again, it was</p>	<p>Page 51</p> <p>1 JAMES DONDERO</p> <p>2 verbal, and it was -- but an understanding but</p> <p>3 a clear and obvious understanding.</p> <p>4 Q. I want to know exactly what</p> <p>5 information you gave to your sister and to</p> <p>6 Dugaboy before entering into any of the three</p> <p>7 agreements with the Dugaboy trustee?</p> <p>8 A. Most of what I had made over the</p> <p>9 years was rolled back into the business to</p> <p>10 propel growth and initiatives. And that my</p> <p>11 actual compensation was very modest based on</p> <p>12 industry standards and relevant</p> <p>13 responsibilities at Highland.</p> <p>14 Q. Did you tell her anything else?</p> <p>15 Withdrawn.</p> <p>16 Did you tell your -- Nancy or</p> <p>17 Dugaboy anything else beyond what you've now</p> <p>18 testified to?</p> <p>19 A. You know, I think some of what I</p> <p>20 testified to earlier, that forgiveness of the</p> <p>21 Notes would be a modest increase in that</p> <p>22 compensation but still not be in the ZIP code</p> <p>23 of fair and appropriate compensation and that</p> <p>24 the value of the Notes in aggregate were de</p> <p>25 minimis relative to Highland and de minimis</p>
<p>Page 52</p> <p>1 JAMES DONDERO</p> <p>2 relative to Dugaboy.</p> <p>3 Q. Did you tell her anything else?</p> <p>4 A. Anything else would have fallen into</p> <p>5 the buckets I just described, but I can't</p> <p>6 remember specifically as I sit here today.</p> <p>7 Q. Did you ever tell your sister or</p> <p>8 Dugaboy that your salary was less than a</p> <p>9 million dollars?</p> <p>10 A. I --</p> <p>11 MS. DEITSCH-PEREZ: I mean, just</p> <p>12 from Highland?</p> <p>13 THE WITNESS: Repeat the question</p> <p>14 again for me, please.</p> <p>15 BY MR. MORRIS:</p> <p>16 Q. Did you ever tell your sister that</p> <p>17 your salary was less than a million dollars a</p> <p>18 year?</p> <p>19 A. I know my sister was aware that it</p> <p>20 was very low, and it kind of decreased over</p> <p>21 time, and I think it was paid by different</p> <p>22 entities.</p> <p>23 Whether it was a million or</p> <p>24 2 million, I can't remember exactly what I</p> <p>25 would have told her; but it would have been in</p>	<p>Page 53</p> <p>1 JAMES DONDERO</p> <p>2 that ZIP code to paint the proper picture that</p> <p>3 the cash compensation for somebody in my role</p> <p>4 was well below industry standards.</p> <p>5 Q. Do you recall anything else that you</p> <p>6 shared with your sister concerning your</p> <p>7 compensation that you haven't testified to?</p> <p>8 A. Like I said, it would generally fall</p> <p>9 into those buckets as I sit here today.</p> <p>10 Q. Did your sister or Dugaboy ask you</p> <p>11 any questions about your compensation before</p> <p>12 entering into the three agreements that you</p> <p>13 entered into with the Dugaboy trustee?</p> <p>14 A. And, again, it would fall into the</p> <p>15 buckets I just described.</p> <p>16 Q. Can you -- can you recall any</p> <p>17 question that your sister or Dugaboy asked of</p> <p>18 you concerning your compensation before</p> <p>19 entering into the agreements?</p> <p>20 MS. DEITSCH-PEREZ: Asked answered.</p> <p>21 THE WITNESS: Again, I -- it would</p> <p>22 fall into the buckets I just described.</p> <p>23 BY MR. MORRIS:</p> <p>24 Q. Did you provide any documents to</p> <p>25 your sister or to Dugaboy concerning your</p>

<p>Page 54</p> <p>1 JAMES DONDERO</p> <p>2 compensation before entering into the</p> <p>3 agreements?</p> <p>4 A. No, not that I can recall.</p> <p>5 Q. Did your sister or Dugaboy ask you</p> <p>6 for any documents before entering into – into</p> <p>7 any of the agreements?</p> <p>8 A. I do not – I do not believe so.</p> <p>9 Q. Do you recall that in the ordinary</p> <p>10 course of business, Highland prepared a</p> <p>11 document called a Compensation and Benefits</p> <p>12 Statement for each of its employees?</p> <p>13 A. Yes.</p> <p>14 Q. And was that prepared by the Human</p> <p>15 Resources Group?</p> <p>16 A. Yes.</p> <p>17 Q. And was Mark Collins the head of the</p> <p>18 Human Resources Group?</p> <p>19 A. No.</p> <p>20 Q. Who was the head of the Human</p> <p>21 Resources Group?</p> <p>22 A. Brian Collins.</p> <p>23 Q. I apologize to Mr. Collins. Thank</p> <p>24 you for the correction.</p> <p>25 And Mr. Collins and his team were</p>	<p>Page 55</p> <p>1 JAMES DONDERO</p> <p>2 responsible for preparing the annual</p> <p>3 Compensation and Benefits Statements for</p> <p>4 Highland's employees, correct?</p> <p>5 A. Yes.</p> <p>6 Q. And did you instruct them to do</p> <p>7 that?</p> <p>8 A. Not specifically.</p> <p>9 Q. Okay.</p> <p>10 A. They do it every year. They do it</p> <p>11 every year as a matter of course, so I guess no</p> <p>12 is the answer.</p> <p>13 Q. Okay. So in the ordinary course of</p> <p>14 business, Mr. Collins and his team would</p> <p>15 prepare Compensation and Benefits Statements</p> <p>16 for each of Highland's employees on an annual</p> <p>17 basis, right?</p> <p>18 A. Yes.</p> <p>19 Q. Okay.</p> <p>20 MR. MORRIS: Can we please put up</p> <p>21 Exhibit 68.</p> <p>22 MS. CANTY: (Complies with request.)</p> <p>23</p> <p>24</p> <p>25</p>
<p>Page 56</p> <p>1 JAMES DONDERO</p> <p>2 (Whereupon, Exhibit 68, James</p> <p>3 Dondero Compensation and Benefits</p> <p>4 Statement, Bates stamped D-CNL003585,</p> <p>5 marked for identification, as of this</p> <p>6 date.)</p> <p>7 BY MR. MORRIS:</p> <p>8 Q. Do you see the document that's been</p> <p>9 premarked as Exhibit 68 that's up on the</p> <p>10 screen, sir?</p> <p>11 A. Yup.</p> <p>12 Q. And does this appear to be the form</p> <p>13 of annual Compensation and Benefits Statement</p> <p>14 that Mr. Collins and his team prepared on an</p> <p>15 annual basis for Highland's employees?</p> <p>16 A. This looks like the format, yes.</p> <p>17 Q. Okay. And the Compensation and</p> <p>18 Benefits Statement was intended to set forth</p> <p>19 the types and the amounts of compensation each</p> <p>20 employee received each year, correct?</p> <p>21 A. Yes, generally.</p> <p>22 Q. Okay. Did you ever disclose any</p> <p>23 information on this page to Nancy or to</p> <p>24 Dugaboy?</p> <p>25 A. Honestly, I don't think I've ever</p>	<p>Page 57</p> <p>1 JAMES DONDERO</p> <p>2 seen my award letters before.</p> <p>3 Q. Okay. So you never – so then it's</p> <p>4 a fair to say you never showed this letter to</p> <p>5 your sister or to Dugaboy, correct?</p> <p>6 A. Correct.</p> <p>7 Q. Okay. Did you ever disclose to</p> <p>8 Nancy or to Dugaboy the salary that's reflected</p> <p>9 on this document?</p> <p>10 A. I can't remember specifically beyond</p> <p>11 what I've already testified.</p> <p>12 Q. Did you ever describe for Nancy or</p> <p>13 for Dugaboy the 2016 deferred compensation</p> <p>14 award that's reflected on this document?</p> <p>15 A. No. I – by the way, I think that's</p> <p>16 only 20 percent vested a year. I think that's</p> <p>17 a gross amount. But no, I never – I never</p> <p>18 discussed that with her.</p> <p>19 Q. Okay. Do you see in the</p> <p>20 compensation award refers to 50,000 restricted</p> <p>21 stock units of NXRT relating to your 2016</p> <p>22 performance?</p> <p>23 A. Yes.</p> <p>24 Q. What is NXRT?</p> <p>25 A. That's the REIT that Highland used</p>

<p>Page 58</p> <p>1 JAMES DONDERO</p> <p>2 to own million shares of that series hold at 20</p> <p>3 that now trade at 70.</p> <p>4 Q. And is NexPoint REIT affiliated with</p> <p>5 NexPoint Advisors, L.P.?</p> <p>6 A. Yes.</p> <p>7 Q. And do you have an understanding of</p> <p>8 the nature of the relationship?</p> <p>9 A. Yes.</p> <p>10 Q. And what's -- what's your</p> <p>11 understanding of the nature of the relationship</p> <p>12 between NexPoint REIT and NexPoint Advisors,</p> <p>13 L.P.?</p> <p>14 A. It's the external manager of the</p> <p>15 REIT.</p> <p>16 Q. Okay. Did you ever tell Nancy or</p> <p>17 Dugaboy that you had received these restricted</p> <p>18 stock units in 2016?</p> <p>19 A. No. But again, the vested amount</p> <p>20 would have probably been about \$250,000 worth</p> <p>21 at that moment.</p> <p>22 Q. And did it vest over a couple of</p> <p>23 years?</p> <p>24 A. The first couple of years is vested</p> <p>25 over five years. I think now it vests over six</p>	<p>Page 59</p> <p>1 JAMES DONDERO</p> <p>2 or seven years. I don't remember whether the</p> <p>3 2016 award was five years, six years, or seven</p> <p>4 years.</p> <p>5 Q. Okay. We talked earlier about an</p> <p>6 expert that's been retained on your behalf.</p> <p>7 Do you remember that?</p> <p>8 A. Yes.</p> <p>9 Q. Do you recall if you or anybody</p> <p>10 acting on your behalf ever disclosed to that</p> <p>11 expert the restricted stock units reflected on</p> <p>12 this document?</p> <p>13 MS. DEITSCH-PEREZ: Object to the</p> <p>14 form.</p> <p>15 THE WITNESS: I don't know.</p> <p>16 MR. MORRIS: Let's put up</p> <p>17 Exhibit 50, please.</p> <p>18 MS. CANTY: (Complies with request.)</p> <p>19 (Whereupon, Exhibit 50, James</p> <p>20 Dondero Compensation and Benefits</p> <p>21 Statement, Bates stamped D-CNL003587,</p> <p>22 marked for identification, as of this</p> <p>23 date.)</p> <p>24 BY MR. MORRIS:</p> <p>25 Q. Do you see this is your benefits</p>
<p>Page 60</p> <p>1 JAMES DONDERO</p> <p>2 statement for 2017?</p> <p>3 A. Yes.</p> <p>4 Q. Did you ever disclose any of the</p> <p>5 information on this page to Nancy or to</p> <p>6 Dugaboy?</p> <p>7 A. No.</p> <p>8 Q. Did you ever disclose to Nancy or to</p> <p>9 Dugaboy that your base salary in 2017 was.</p> <p>10 2,500,024?</p> <p>11 MS. DEITSCH-PEREZ: Object to the</p> <p>12 form.</p> <p>13 THE WITNESS: Not specifically, no,</p> <p>14 other than the buckets we talked about</p> <p>15 earlier.</p> <p>16 Like I said earlier, I'm not sure if</p> <p>17 I have ever seen these before. But I also</p> <p>18 -- until it's verified, I don't want to --</p> <p>19 everybody to assume that the base salary</p> <p>20 came a hundred percent from Highland or if</p> <p>21 it was also from some other entity.</p> <p>22 Because for the purposes of this letter,</p> <p>23 Brian Collins wouldn't have -- we have</p> <p>24 numerous or several employees that are dual</p> <p>25 employees. And whether their base salary</p>	<p>Page 61</p> <p>1 JAMES DONDERO</p> <p>2 came from one or multiple entities, he</p> <p>3 wouldn't have differentiated in that line.</p> <p>4 So I don't know whether that amount,</p> <p>5 that 2.5 million came from Highland or a</p> <p>6 combination of Highland/NexPoint or some</p> <p>7 other entities. I don't know.</p> <p>8 BY MR. MORRIS:</p> <p>9 Q. And who made the decision as to how</p> <p>10 to allocate the base salary?</p> <p>11 A. I don't know. I -- I mean, I don't</p> <p>12 know how it was split. But my recollection of</p> <p>13 my Highland base salary is that it was</p> <p>14 diminishing over time.</p> <p>15 Q. And -- and as the president of</p> <p>16 Highland and as the president of NexPoint, did</p> <p>17 you have any say as to how your salary was</p> <p>18 allocated between those two entities?</p> <p>19 A. Not that I recall.</p> <p>20 Q. Do you have any idea the basis on</p> <p>21 which your salary was allocated between those</p> <p>22 two entities?</p> <p>23 A. No.</p> <p>24 Q. Do you think -- do -- do you have</p> <p>25 any understanding that it was allocated based</p>

<p>Page 62</p> <p>1 JAMES DONDERO</p> <p>2 on the amount of time you spent working for</p> <p>3 each of those entities?</p> <p>4 A. I have no idea.</p> <p>5 Q. If your salary was \$500,000 from</p> <p>6 Highland in 2017 and \$2 million to NexPoint,</p> <p>7 can you – can you think of any reason why it</p> <p>8 would be allocated in that way?</p> <p>9 MS. DEITSCH-PEREZ: Object to the</p> <p>10 form.</p> <p>11 THE WITNESS: Cash, cash</p> <p>12 availability. I – I don't know.</p> <p>13 BY MR. MORRIS:</p> <p>14 Q. Okay. Did you devote your full time</p> <p>15 and attention to Highland Capital Management,</p> <p>16 L.P.?</p> <p>17 A. I spread my time as appropriate</p> <p>18 across a variety of entities.</p> <p>19 Q. Can you identify for me the entities</p> <p>20 that you spread your time across?</p> <p>21 A. Highland, NexPoint, HCMFA, HCRE.</p> <p>22 Q. How about Highland Management</p> <p>23 Services, Inc.?</p> <p>24 A. Yes.</p> <p>25 Q. Are there any others?</p>	<p>Page 63</p> <p>1 JAMES DONDERO</p> <p>2 A. Yes.</p> <p>3 Q. Can you identify any other companies</p> <p>4 to which you devoted your time and attention?</p> <p>5 A. Not off the top of my head. I'm</p> <p>6 willing to be refreshed. But over the years</p> <p>7 there's been multiple initiatives at Highland</p> <p>8 that have come and gone and private equity</p> <p>9 companies that have come and gone and other</p> <p>10 initiatives that have come and gone.</p> <p>11 Q. Do you see the reference to the</p> <p>12 65,772 restricted stock units of the NexPoint</p> <p>13 REIT there on this document?</p> <p>14 A. Yes.</p> <p>15 Q. And was that, to the best of your</p> <p>16 recollection, the award that you were granted</p> <p>17 in connection with your 2017 performance?</p> <p>18 A. It would have been for – it would</p> <p>19 have been the prior awards at – it would have</p> <p>20 been for the prior years' awards at NFLP. And</p> <p>21 it would have been – it would have been the</p> <p>22 same five- or seven-year vesting schedule.</p> <p>23 MR. MORRIS: Now I'm looking at my</p> <p>24 phone, and I don't see, Deborah, any e-mail</p> <p>25 from your firm.</p>
<p>Page 64</p> <p>1 JAMES DONDERO</p> <p>2 MS. DEITSCH-PEREZ: Yeah. On a</p> <p>3 break, I'll take a picture of it and send</p> <p>4 it to you.</p> <p>5 Do you want a break now?</p> <p>6 MR. MORRIS: I really – I really</p> <p>7 don't. And I don't know why I can't get an</p> <p>8 e-mail copy rather than a photograph. It's</p> <p>9 not going to be – it's not going to be</p> <p>10 easy to read, and you know that?</p> <p>11 MS. DEITSCH-PEREZ: It'll be</p> <p>12 perfectly fine. If you can't, let me know;</p> <p>13 and then I'll take the time to try and find</p> <p>14 it. But the fastest way to get it to you</p> <p>15 is to take a picture of it.</p> <p>16 BY MR. MORRIS:</p> <p>17 Q. Mr. Dondero, did you ever tell Nancy</p> <p>18 or Dugaboy that you had received the restricted</p> <p>19 stock units from the NexPoint REIT as reflected</p> <p>20 on this page?</p> <p>21 A. You're – you're saying the</p> <p>22 \$1.55-million number that was really 200,000</p> <p>23 vested or 300,000 vested?</p> <p>24 Q. No. I'm not talking about the</p> <p>25 value. I'm just talking about the restricted</p>	<p>Page 65</p> <p>1 JAMES DONDERO</p> <p>2 units.</p> <p>3 Did you ever tell them – let's keep</p> <p>4 it – let's keep it simple, and let's make it</p> <p>5 really broad.</p> <p>6 Did you ever tell Nancy or Dugaboy</p> <p>7 that you received restricted stock units as</p> <p>8 part of your compensation?</p> <p>9 A. I – I don't remember.</p> <p>10 Q. Okay. Did you ever – because this</p> <p>11 will speed it up.</p> <p>12 Did you ever tell your expert that</p> <p>13 you received restricted stock units as part of</p> <p>14 your compensation?</p> <p>15 MS. DEITSCH-PEREZ: Object to the</p> <p>16 form.</p> <p>17 THE WITNESS: I don't – I don't</p> <p>18 remember.</p> <p>19 BY MR. MORRIS:</p> <p>20 Q. Did you ever direct anyone acting on</p> <p>21 your behalf to share with your expert that you</p> <p>22 had received restricted stock units as a form</p> <p>23 of compensation?</p> <p>24 MS. <p>Page 66</p> <p>1 JAMES DONDERO</p> <p>2 THE WITNESS: I not – I wasn't</p> <p>3 involved.</p> <p>4 MR. MORRIS: All right. You know,</p> <p>5 what, Deborah, let's take a break; and why</p> <p>6 don't you send me that document.</p> <p>7 It is now 3:28. Let's come back at</p> <p>8 3:40 Eastern, and let's please be on time</p> <p>9 because I'd like to try to finish this</p> <p>10 today. Thank you.</p> <p>11 THE VIDEOGRAPHER: Off the record at</p> <p>12 2:28.</p> <p>13 (Whereupon, a break was taken.)</p> <p>14 THE VIDEOGRAPHER: We are back on</p> <p>15 the record. The time is 2:43.</p> <p>16 MR. MORRIS: I received from counsel</p> <p>17 a photograph in text message form of the</p> <p>18 document that Mr. Dondero was referring to</p> <p>19 at the beginning of the deposition.</p> <p>20 I'm going to ask for that production</p> <p>21 – for the production of that document with</p> <p>22 a Bates number by the end of the day, and I</p> <p>23 hope that could be accommodated.</p> <p>24 MS. DEITSCH-PEREZ: I'm not sure –</p> <p>25 John, I'm not sure it will be by the end of</p>	<p>Page 67</p> <p>1 JAMES DONDERO</p> <p>2 the day because I don't know when the</p> <p>3 people who do the Bates stamping leave.</p> <p>4 But if it's not today, it will be tomorrow.</p> <p>5 MR. MORRIS: All right. It's 2:44</p> <p>6 in the afternoon your time. I hope that</p> <p>7 your firm has the capability of Bates</p> <p>8 stamping and producing one page before the</p> <p>9 close of business.</p> <p>10 MS. DEITSCH-PEREZ: Okay. But I'm</p> <p>11 not going to get – John, what difference</p> <p>12 does it make whether it's tonight or</p> <p>13 tomorrow?</p> <p>14 MR. MORRIS: You know what, I really</p> <p>15 want to use it in the deposition now, but I</p> <p>16 can't do that because – because you're not</p> <p>17 able – because you – because apparently,</p> <p>18 you can't even promise to do it by the end</p> <p>19 of the day.</p> <p>20 BY MR. MORRIS:</p> <p>21 Q. Mr. Dondero –</p> <p>22 MS. DEITSCH-PEREZ: Could you –</p> <p>23 could you use it –</p> <p>24 MR. MORRIS: I'd like to –</p> <p>25 MS. DEITSCH-PEREZ: – if I sent it</p>
<p>Page 68</p> <p>1 JAMES DONDERO</p> <p>2 to you by e-mail instead.</p> <p>3 MR. MORRIS: I'd like to proceed.</p> <p>4 You can e-mail it to me. I mean, I</p> <p>5 asked you to do that an hour ago.</p> <p>6 MS. DEITSCH-PEREZ: Well, the</p> <p>7 easiest way to do it is to send a picture</p> <p>8 is to text it; but if you give me a minute,</p> <p>9 I'll figure out how to send it by e-mail.</p> <p>10 Give me a second. Let's see.</p> <p>11 It just takes a second because it</p> <p>12 goes into my personal e-mail first if it's</p> <p>13 from my iPhone. Okay.</p> <p>14 MR. MORRIS: Can we proceed?</p> <p>15 MS. DEITSCH-PEREZ: Yeah. Give me a</p> <p>16 minute and you'll have it.</p> <p>17 Okay. You should have it in your</p> <p>18 e-mail now, John.</p> <p>19 MR. MORRIS: Thank you. All right.</p> <p>20 I'll let you know when it arrives.</p> <p>21 BY MR. MORRIS:</p> <p>22 Q. Mr. Dondero, the questions now are</p> <p>23 going to be both in your individual capacity</p> <p>24 and in your capacity as the 30(b)(6) witness.</p> <p>25 Do you understand that?</p>	<p>Page 69</p> <p>1 JAMES DONDERO</p> <p>2 A. Okay.</p> <p>3 Q. Okay.</p> <p>4 A. It's either – it's either/or; it's</p> <p>5 not one?</p> <p>6 Q. No.</p> <p>7 A. Okay.</p> <p>8 Q. You contend that the Notes are</p> <p>9 subject to the – withdrawn.</p> <p>10 You contend that the Notes that are</p> <p>11 the subject of the agreements would be forgiven</p> <p>12 upon the fulfillment of certain conditions</p> <p>13 present, right?</p> <p>14 A. Right.</p> <p>15 MS. DEITSCH-PEREZ: Object to the</p> <p>16 form. He said "subsequent."</p> <p>17 MR. MORRIS: I apologize. Let me</p> <p>18 restate the question.</p> <p>19 BY MR. MORRIS:</p> <p>20 Q. You contend that the Notes subject</p> <p>21 to the agreement should be forgiven or would be</p> <p>22 forgiven upon the fulfillment of certain</p> <p>23 conditions subsequent, correct?</p> <p>24 A. Yes.</p> <p>25 Q. And to the best of your knowledge,</p>

<p style="text-align: right;">Page 70</p> <p>1 JAMES DONDERO</p> <p>2 none of those conditions have occurred as of</p> <p>3 today, correct?</p> <p>4 A. To the best of my knowledge, yes.</p> <p>5 Q. Okay. You're not aware of any facts</p> <p>6 showing that any of the conditions subsequent</p> <p>7 have been satisfied, fair?</p> <p>8 A. I – yeah. I wouldn't know. You</p> <p>9 would probably know. I don't know.</p> <p>10 Q. I'm only asking for your knowledge.</p> <p>11 One of the conditions subsequent was</p> <p>12 that the Notes would be forgiven if you caused</p> <p>13 Highland to sell its interest in one of three</p> <p>14 portfolio companies above cost, right?</p> <p>15 MS. DEITSCH-PEREZ: Object to the</p> <p>16 form.</p> <p>17 THE WITNESS: I – yeah. I don't</p> <p>18 know if the noun is me or Highland, but</p> <p>19 yeah.</p> <p>20 BY MR. MORRIS:</p> <p>21 Q. Okay. The portfolio companies at</p> <p>22 issue were MGM, Comerstone, and Trustway,</p> <p>23 correct?</p> <p>24 A. Yes.</p> <p>25 Q. And prior to the petition date, you</p>	<p style="text-align: right;">Page 71</p> <p>1 JAMES DONDERO</p> <p>2 had the authority to sell any of those</p> <p>3 portfolio companies at any time without having</p> <p>4 to obtain approval from anyone, correct?</p> <p>5 MS. DEITSCH-PEREZ: Object to the</p> <p>6 form.</p> <p>7 THE WITNESS: Yeah. No, I can't</p> <p>8 agree with that statement.</p> <p>9 BY MR. MORRIS:</p> <p>10 Q. Why not?</p> <p>11 Who's approval did you have to get</p> <p>12 before you could sell any of those portfolio</p> <p>13 companies?</p> <p>14 A. MGM, I was one board member and I</p> <p>15 think an aggregate. When I was running</p> <p>16 Highland, we spoke for 18 percent of the</p> <p>17 equity. So I couldn't force the overall sale</p> <p>18 of the company unilaterally.</p> <p>19 There was also a shareholder's</p> <p>20 agreement in place that restricted myself and</p> <p>21 Anchorage and a couple of the large holders</p> <p>22 from selling their shares without a disclosure</p> <p>23 and approval process. That is one example.</p> <p>24 With regard to Trustway, I believe I</p> <p>25 was largely unfettered.</p>
<p style="text-align: right;">Page 72</p> <p>1 JAMES DONDERO</p> <p>2 With regard to Comerstone, a</p> <p>3 majority of it – or not a majority, but a</p> <p>4 significant minority, I think, was owned by</p> <p>5 both Restoration and the Old Redeemer Fund.</p> <p>6 Q. All right. Well, let me ask you</p> <p>7 this: The conditions subsequent that are</p> <p>8 embedded in the agreements, did that relate to</p> <p>9 just Highland's interests in the portfolio</p> <p>10 companies, or did it relate to interests held</p> <p>11 by anybody else?</p> <p>12 A. It referred to a monetization in</p> <p>13 creating liquidity around Highland's interests</p> <p>14 that were large and illiquid portions of</p> <p>15 Highland's balance sheet.</p> <p>16 Q. Okay. So let me ask the question</p> <p>17 again.</p> <p>18 Prior to the petition date, did you</p> <p>19 have the authority to sell Highland's interests</p> <p>20 in any of the portfolio companies without</p> <p>21 having to obtain the authority of anybody else?</p> <p>22 MS. DEITSCH-PEREZ: Object to the</p> <p>23 form. Asked and answered.</p> <p>24 THE WITNESS: Sub- – subject to my</p> <p>25 prior answer, I could speak for Highland</p>	<p style="text-align: right;">Page 73</p> <p>1 JAMES DONDERO</p> <p>2 prior to the bankruptcy.</p> <p>3 BY MR. MORRIS:</p> <p>4 Q. Okay. Before entering into the</p> <p>5 agreements, did you or anybody acting on your</p> <p>6 behalf analyze the likelihood that any of the</p> <p>7 conditions subsequent would occur?</p> <p>8 A. Likelihood? Analyze? My</p> <p>9 description of them, which was my understanding</p> <p>10 of them, but my description of the assets to my</p> <p>11 sister was – to the trustee of Dugaboy was</p> <p>12 that we held them for a long time. We were</p> <p>13 working towards monetization, but there wasn't</p> <p>14 anything imminent regarding any of them in 2017</p> <p>15 or '18.</p> <p>16 Q. Well, but the actual sale is just</p> <p>17 one part of the condition subsequent, correct?</p> <p>18 The other part is that it's got to</p> <p>19 be sold above cost; is that correct?</p> <p>20 A. That is right.</p> <p>21 Q. Okay. So at the time you entered</p> <p>22 into each of your – each of the three</p> <p>23 agreements, had you done any analysis to</p> <p>24 determine whether or not any – whether</p> <p>25 Highland's interests in any of the portfolio</p>

<p>Page 74</p> <p>1 JAMES DONDERO</p> <p>2 companies exceeded its cost?</p> <p>3 A. No, but I – yes. No, I did not.</p> <p>4 Q. Did you have any understanding at</p> <p>5 all as to how the value of Highland's interests</p> <p>6 in MGM compared to its costs at the time you</p> <p>7 entered into each of these three agreements?</p> <p>8 A. No. I mean, my understanding was I</p> <p>9 knew they were substantially higher, but I</p> <p>10 didn't know how much higher.</p> <p>11 Q. Okay. So is it fair to say that the</p> <p>12 time – at the time you entered into each of</p> <p>13 these agreements, you knew and understood that</p> <p>14 the value of Highland's interests in MGM was</p> <p>15 substantially higher than its costs?</p> <p>16 A. For MGM, yes.</p> <p>17 Q. Okay. Did you have an understanding</p> <p>18 of the relationship between value and costs</p> <p>19 concerning Cornerstone at the time you entered</p> <p>20 into these agreements?</p> <p>21 A. My understanding it was moderately</p> <p>22 higher, and Trustway was between substantially</p> <p>23 and moderately and higher, I believe.</p> <p>24 Q. Okay. So is it fair to say that at</p> <p>25 the time you entered into each of these</p>	<p>Page 75</p> <p>1 JAMES DONDERO</p> <p>2 agreements, you believed that the value of</p> <p>3 Highland's interests in each of the portfolio</p> <p>4 companies exceeded its costs in varying</p> <p>5 degrees?</p> <p>6 A. Varying degrees. As a matter of</p> <p>7 fact, I would adjust. Cornerstone and</p> <p>8 Trustway, I believe, were moderately higher</p> <p>9 than their embedded costs or implied costs.</p> <p>10 That was my understanding.</p> <p>11 MGM was somewhat substantially. But</p> <p>12 all of them with a fair amount of volatility</p> <p>13 and a fair amount of illiquidity.</p> <p>14 Q. Did you ever give your sister or</p> <p>15 Dugaboy any information concerning how the</p> <p>16 value of Highland's interests in any of the</p> <p>17 portfolio companies compared to Highland's</p> <p>18 costs before entering into the agreements?</p> <p>19 A. Not that I recall.</p> <p>20 Q. Do you have any reason to believe</p> <p>21 that your sister or Dugaboy had any</p> <p>22 understanding as to the likelihood that the</p> <p>23 conditions subsequent would be satisfied at the</p> <p>24 time the Dugaboy trustee entered into the three</p> <p>25 agreements with you?</p>
<p>Page 76</p> <p>1 JAMES DONDERO</p> <p>2 MS. DEITSCH-PEREZ: Object to the</p> <p>3 form.</p> <p>4 THE WITNESS: I – I remember saying</p> <p>5 it would take a few years at minimum; but</p> <p>6 other than expressing time, I don't believe</p> <p>7 I expressed value versus cost or the</p> <p>8 questions you were asking me previously.</p> <p>9 BY MR. MORRIS:</p> <p>10 Q. Okay. You never showed Nancy or</p> <p>11 Dugaboy any of the Promissory Notes prior to</p> <p>12 entering into any of the agreements, correct?</p> <p>13 A. Not that I recall.</p> <p>14 Q. And you never sent copies of the</p> <p>15 Promissory Notes to Nancy or Dugaboy before</p> <p>16 entering into any of these agreements, correct?</p> <p>17 A. Not that I recall.</p> <p>18 MS. DEITSCH-PEREZ: Object to the</p> <p>19 form.</p> <p>20 John, you've asked these at the last</p> <p>21 deposition and actually also at the first</p> <p>22 day of the deposition.</p> <p>23 MR. MORRIS: Thank you. He's here</p> <p>24 now in his 30(b)(6) capacity. So please</p> <p>25 just stop.</p>	<p>Page 77</p> <p>1 JAMES DONDERO</p> <p>2 You can object to the form of the</p> <p>3 question. I really don't appreciate it.</p> <p>4 You should follow the very professional job</p> <p>5 that your colleague, Michael Aigen, did the</p> <p>6 other day.</p> <p>7 BY MR. MORRIS:</p> <p>8 Q. Neither Nancy or Dugaboy has ever</p> <p>9 asked to see copies of any of the Promissory</p> <p>10 Notes before entering into any of the</p> <p>11 agreements, correct?</p> <p>12 MS. DEITSCH-PEREZ: Object to the</p> <p>13 form.</p> <p>14 THE WITNESS: I don't know.</p> <p>15 BY MR. MORRIS:</p> <p>16 Q. Do you have any reason to believe</p> <p>17 that Nancy or Dugaboy ever saw a copy of any of</p> <p>18 the Promissory Notes at issue before entering</p> <p>19 into the agreements?</p> <p>20 A. I don't know.</p> <p>21 Q. During your discussions with Nancy</p> <p>22 and Dugaboy, did you identify the Promissory</p> <p>23 Notes that were going to be the subject of each</p> <p>24 agreement?</p> <p>25 MS. DEITSCH-PEREZ: Object to the</p>

<p>Page 78</p> <p>1 JAMES DONDERO</p> <p>2 form.</p> <p>3 You know, we made an agreement that</p> <p>4 you were going to refer to Nancy as the</p> <p>5 Dugaboy trustee. Please stick to it.</p> <p>6 Otherwise, I'm going to have to object each</p> <p>7 time, and I'd rather not.</p> <p>8 MR. MORRIS: I have no problem with</p> <p>9 your objecting to the form of the question.</p> <p>10 It's the speaking that I really do object</p> <p>11 to. And I don't know why you can't control</p> <p>12 yourself.</p> <p>13 MS. DEITSCH-PEREZ: Because I</p> <p>14 hope that –</p> <p>15 MR. MORRIS: Please stop. Please</p> <p>16 stop.</p> <p>17 MS. DEITSCH-PEREZ: – by telling</p> <p>18 you this, you will listen.</p> <p>19 MR. MORRIS: Okay. Your discussion</p> <p>20 and your inability to control yourself is</p> <p>21 going to cause this deposition to go longer</p> <p>22 than it needs to, okay?</p> <p>23 MS. DEITSCH-PEREZ: No. It's your</p> <p>24 repeating questions that's going to do</p> <p>25 that.</p>	<p>Page 79</p> <p>1 JAMES DONDERO</p> <p>2 MR. MORRIS: You let me know when</p> <p>3 you're done.</p> <p>4 MS. DEITSCH-PEREZ: I'm done.</p> <p>5 BY MR. MORRIS:</p> <p>6 Q. Mr. Dondero, during your discussions</p> <p>7 with the Dugaboy trustee, did you identify the</p> <p>8 Promissory Notes that were going to be the</p> <p>9 subject of each agreement?</p> <p>10 MS. DEITSCH-PEREZ: Object to the</p> <p>11 form.</p> <p>12 THE WITNESS: No, not that I recall.</p> <p>13 BY MR. MORRIS:</p> <p>14 Q. Do you recall – during your</p> <p>15 discussions with the Dugaboy trustee, did you</p> <p>16 identify the maker of any of the Notes that</p> <p>17 were the subject of any of the agreements?</p> <p>18 A. You mean Highland as the maker; is</p> <p>19 that what you're saying?</p> <p>20 Q. No. I'm just asking if during your</p> <p>21 discussions with the Dugaboy trustee, you ever</p> <p>22 disclosed the name of the maker of any of the</p> <p>23 Notes that were subject to the agreements?</p> <p>24 A. She – she knew they were Notes due</p> <p>25 to Highland from various entities. So I don't</p>
<p>Page 80</p> <p>1 JAMES DONDERO</p> <p>2 know what your question is. Did I identify</p> <p>3 specifically that they were Notes due to</p> <p>4 Highland? I guess the answer to that is yes,</p> <p>5 but I don't know what you're asking me.</p> <p>6 Q. I'm sorry, sir. I'll take the</p> <p>7 responsibility for that.</p> <p>8 I'm asking you if you identified who</p> <p>9 the maker of the Notes were, not who the payee</p> <p>10 was.</p> <p>11 MS. DEITSCH-PEREZ: You mean the</p> <p>12 borrowers, John?</p> <p>13 THE WITNESS: See, I don't want to</p> <p>14 get stuck in my underwear on maker/borrower</p> <p>15 nomenclature.</p> <p>16 She was aware that they were notes</p> <p>17 due to Highland from a variety of entities.</p> <p>18 BY MR. MORRIS:</p> <p>19 Q. Okay. Did you identify any of those</p> <p>20 entities?</p> <p>21 A. I – yeah. She knew that some were</p> <p>22 Dugaboy, some were NexPoint for sure, and some</p> <p>23 were other entities.</p> <p>24 Q. So – so there were notes where</p> <p>25 Dugaboy owed the money or was the obligor or</p>	<p>Page 81</p> <p>1 JAMES DONDERO</p> <p>2 was the borrower or was the maker that are</p> <p>3 subject to agreements that you entered into</p> <p>4 with the Dugaboy trustee?</p> <p>5 A. No. Wait. The Dugaboy – the</p> <p>6 Dugaboy Notes weren't subject to the</p> <p>7 forgiveness. It was the other notes that were</p> <p>8 subject to forgiveness.</p> <p>9 Q. So it's really kind of a simple</p> <p>10 question, and I'm not trying to trick you.</p> <p>11 If you think back to the</p> <p>12 conversations that you had with the Dugaboy</p> <p>13 trustee, did you identify the entity of – did</p> <p>14 you identify who the borrowers were under the</p> <p>15 Notes that were going to be subject to the</p> <p>16 agreements?</p> <p>17 A. She knew they were entities – she</p> <p>18 knew there were other related entities. She</p> <p>19 knew NexPoint for sure. She knew Services.</p> <p>20 I can't sit here as I remember – as</p> <p>21 I sit here today and remember whether or not I</p> <p>22 specifically identified HCRE or not, you know;</p> <p>23 but she knew they were related entities.</p> <p>24 Q. All of the revisions of the</p> <p>25 agreement are set forth in paragraph 82; is</p>

<p>Page 82</p> <p>1 JAMES DONDERO</p> <p>2 that right?</p> <p>3 We could put it back up on the</p> <p>4 screen if you'd like.</p> <p>5 MR. MORRIS: In fact, why don't we</p> <p>6 do that.</p> <p>7 MS. CANTY: I'm sorry, John. 51 –</p> <p>8 I mean, 50?</p> <p>9 MR. MORRIS: I think it's</p> <p>10 Exhibit 31, paragraph 82.</p> <p>11 MS. CANTY: Oh, okay, 82. I've got</p> <p>12 you.</p> <p>13 MR. MORRIS: Thank you.</p> <p>14 BY MR. MORRIS:</p> <p>15 Q. Does – Mr. Dondero, other than</p> <p>16 specifying who the portfolio companies were,</p> <p>17 does paragraph 82 set forth all of the material</p> <p>18 terms of each of the agreements?</p> <p>19 A. I think it sets forth the conditions</p> <p>20 subsequent.</p> <p>21 Q. Is there any aspect of your</p> <p>22 agreement – withdrawn.</p> <p>23 Is there any aspect of your</p> <p>24 agreements with the Dugaboy trustees that's not</p> <p>25 described in this paragraph?</p>	<p>Page 83</p> <p>1 JAMES DONDERO</p> <p>2 A. I don't know if it's captured in</p> <p>3 there, but there was definitely a conversation,</p> <p>4 discussion that if something like MGM was</p> <p>5 sold – Anchorage is the largest holder almost</p> <p>6 a majority in and of themselves. And if it was</p> <p>7 bought or taken out at a price that we couldn't</p> <p>8 control or couldn't agree with and it was lower</p> <p>9 than cost or – you know, Cornerstone, again,</p> <p>10 had multiple funds between our ownership and</p> <p>11 control that if – if things were sold</p> <p>12 beyond – without my support but sold below</p> <p>13 cost – and I'm not sure that's captured in</p> <p>14 that paragraph, but I think that was part of</p> <p>15 the understanding, also.</p> <p>16 Q. Is there any other part of the</p> <p>17 understanding that's not set forth in</p> <p>18 paragraph 82, Mr. Dondero?</p> <p>19 A. Not that I can think of at this –</p> <p>20 let me read it one more time, please.</p> <p>21 Q. Take your time.</p> <p>22 A. I believe that generally covers it.</p> <p>23 Q. Was any provision of the agreements</p> <p>24 the subject of negotiation?</p> <p>25 MS. DEITSCH-PEREZ: Object to the</p>
<p>Page 84</p> <p>1 JAMES DONDERO</p> <p>2 form.</p> <p>3 THE WITNESS: I don't believe it was</p> <p>4 materially adjusted by any negotiation. It</p> <p>5 was just clarified based on discussion is</p> <p>6 how I would describe it.</p> <p>7 BY MR. MORRIS:</p> <p>8 Q. Is there any provision in the</p> <p>9 agreements that was included at your sis- – at</p> <p>10 the Dugaboy trustee's request?</p> <p>11 A. Like I said, there was discussion</p> <p>12 and clarification. Not specifically that I</p> <p>13 recall.</p> <p>14 Q. Okay. Did the Dugaboy trustee</p> <p>15 refuse to include any provision in the</p> <p>16 agreement that you had proposed?</p> <p>17 A. Not that I recall.</p> <p>18 Q. Can you identify any provision of</p> <p>19 the agreements that were the subject of a</p> <p>20 counterproposal that the Dugaboy trustee made?</p> <p>21 A. I remember clarification discussion</p> <p>22 around, you know, three companies versus two or</p> <p>23 one. I remember clarification of monetization</p> <p>24 being turned to cash versus illiquid.</p> <p>25 Yeah. I mean, I remember</p>	<p>Page 85</p> <p>1 JAMES DONDERO</p> <p>2 discussion – I remember clarification</p> <p>3 discussions like that, but I don't remember –</p> <p>4 it was a long time ago. I don't remember the</p> <p>5 details of anything specific like that.</p> <p>6 It wasn't – it wasn't a</p> <p>7 contentious, nor should it have been a</p> <p>8 contentious negotiation.</p> <p>9 Q. How long did – do you recall how</p> <p>10 long each of the conversations lasted that led</p> <p>11 to the entry of each of the three agreements?</p> <p>12 A. I remember the first one being</p> <p>13 longer than the second two, and then I remember</p> <p>14 it being spread out periods of time. So I</p> <p>15 can't – I can't – I can't put an exact</p> <p>16 estimate on it.</p> <p>17 Q. Okay. I'm going to shift gears.</p> <p>18 MR. MORRIS: We can take that down</p> <p>19 now, please.</p> <p>20 MS. CANTY: (Complies with request.)</p> <p>21 BY MR. MORRIS:</p> <p>22 Q. Do you know of any written agreement</p> <p>23 pursuant to which HCRE provided services to</p> <p>24 Highland at any time?</p> <p>25 MS. DEITSCH-PEREZ: Object to the</p>

<p>Page 86</p> <p>1 JAMES DONDERO</p> <p>2 form. Asked and answered.</p> <p>3 THE WITNESS: HCRE provided</p> <p>4 preferred services to. Well, the</p> <p>5 participants there in HCRE are, my –</p> <p>6 myself and McGraner. And, you know, we</p> <p>7 both provided significant other services to</p> <p>8 Highland.</p> <p>9 BY MR. MORRIS:</p> <p>10 Q. Okay. Is that in writing? Is there</p> <p>11 a written agreement?</p> <p>12 That was my question.</p> <p>13 Is there a written agreement</p> <p>14 pursuant to which HCRE ever provided services</p> <p>15 to Highland?</p> <p>16 A. I don't believe so.</p> <p>17 Q. Did HCRE ever provide services to</p> <p>18 Highland?</p> <p>19 A. I would incorporate my last two</p> <p>20 answers. Not under a written agreement, but I</p> <p>21 believe myself and McGraner provided a lot of</p> <p>22 services.</p> <p>23 Q. And what services did you and Mr.</p> <p>24 McGraner provide to Highland?</p> <p>25 A. I'd say anything real estate related</p>	<p>Page 87</p> <p>1 JAMES DONDERO</p> <p>2 on the Highland platform McGraner would have</p> <p>3 input into.</p> <p>4 And then I think my – my portfolio</p> <p>5 management, leadership role in Highland over</p> <p>6 time is well documented.</p> <p>7 Q. And how did you know if you were</p> <p>8 providing services in your capacity as the</p> <p>9 president of Highland or in your capacity as an</p> <p>10 officer or owner of the HCRE at the time you</p> <p>11 provided the services?</p> <p>12 A. Never – never really thought about</p> <p>13 parsing it that way.</p> <p>14 Q. I appreciate that.</p> <p>15 Do you know whether Highland Capital</p> <p>16 Management Services ever provided services to</p> <p>17 Highland?</p> <p>18 A. Yeah.</p> <p>19 MS. DEITSCH-PEREZ: Object to the</p> <p>20 form. Asked and answered.</p> <p>21 THE WITNESS: Yeah. I would – not</p> <p>22 in writing. I believe the services owners</p> <p>23 isn't myself and McGraner. I think it was</p> <p>24 myself and Okada.</p> <p>25 And I would say our portfolio and</p>
<p>Page 88</p> <p>1 JAMES DONDERO</p> <p>2 leadership contributions to Highland are</p> <p>3 well documented.</p> <p>4 BY MR. MORRIS:</p> <p>5 Q. And my question didn't have anything</p> <p>6 to do with any particular person. It's just</p> <p>7 simply whether Highland Capital Management</p> <p>8 Services ever provided any services to Highland</p> <p>9 Capital Management, L.P.</p> <p>10 MS. DEITSCH-PEREZ: Object to the</p> <p>11 form.</p> <p>12 THE WITNESS: The entities that</p> <p>13 you're describing or you're asking</p> <p>14 questions about don't have employees'</p> <p>15 services in HCRE. They have ownership</p> <p>16 individuals that I've described.</p> <p>17 So I've tried the best I can to</p> <p>18 answer your question and what the ownership</p> <p>19 may have done for Highland.</p> <p>20 But since there's no employee base</p> <p>21 at either of those two companies, those</p> <p>22 companies could not have directly provided</p> <p>23 service to Highland other than, the last</p> <p>24 thing I would bring up is the track-record</p> <p>25 concept, you know, in terms of the</p>	<p>Page 89</p> <p>1 JAMES DONDERO</p> <p>2 performance of whatever assets are in some</p> <p>3 of those start-up entities ends up being a</p> <p>4 useful track record that then Highland can</p> <p>5 market.</p> <p>6 BY MR. MORRIS:</p> <p>7 Q. Okay. How about NexPoint, did</p> <p>8 NexPoint ever provide services to Highland</p> <p>9 Capital Management, L.P.?</p> <p>10 A. Yes. The real estate – yes. I</p> <p>11 mean, can I just say yes or –</p> <p>12 Q. You could. That would be really</p> <p>13 helpful.</p> <p>14 A. Okay. There we go.</p> <p>15 Q. Can you describe the circumstances</p> <p>16 for me?</p> <p>17 MS. DEITSCH-PEREZ: Finally, some</p> <p>18 accord between the witness and the</p> <p>19 questioner.</p> <p>20 BY MR. MORRIS:</p> <p>21 Q. Can you describe the services for</p> <p>22 me?</p> <p>23 A. NexPoint has a couple of attorneys</p> <p>24 that are real estate experts. We have a lot of</p> <p>25 different attorneys, or we did at Highland.</p>

<p>Page 90</p> <p>1 JAMES DONDERO</p> <p>2 But prior to the bankruptcy, none of the</p> <p>3 Highland attorneys were experienced in real</p> <p>4 estate.</p> <p>5 So anything that required</p> <p>6 transaction help on the Highland platform</p> <p>7 regarding real estate, the NexPoint real estate</p> <p>8 attorneys would help with.</p> <p>9 Q. Okay. Anything else?</p> <p>10 A. I'm sure there are others. That's</p> <p>11 all I can think of off the top of my head. I</p> <p>12 just wanted to give you an example.</p> <p>13 Q. I appreciate that.</p> <p>14 You're aware that Highland has sued</p> <p>15 HCMFA to collect on two notes that were signed</p> <p>16 by Frank Waterhouse in 2019 in the aggregate</p> <p>17 amount of \$7.4 million; is that right?</p> <p>18 A. Yes.</p> <p>19 Q. Okay. And we actually went through</p> <p>20 this the other day, so I don't want to belabor</p> <p>21 it if I don't have.</p> <p>22 But do you recall that we saw the</p> <p>23 incumbency certificate which identified</p> <p>24 Mr. Waterhouse as the treasurer of HCMFA as of</p> <p>25 April 2019?</p>	<p>Page 91</p> <p>1 JAMES DONDERO</p> <p>2 A. Yes.</p> <p>3 Q. Okay. And do you recall that you</p> <p>4 signed that incumbency certify in your capacity</p> <p>5 as president of HCMFA?</p> <p>6 MS. DEITSCH-PEREZ: Object to the</p> <p>7 form.</p> <p>8 THE WITNESS: Yes.</p> <p>9 BY MR. MORRIS:</p> <p>10 Q. I want to talk about the first of</p> <p>11 the two Notes, the \$2.4 million Note.</p> <p>12 Do you recall that in early May</p> <p>13 2019, Highland transferred \$2.4 million to</p> <p>14 HCMFA?</p> <p>15 A. I don't remember a lot of specifics,</p> <p>16 but I know there were two Notes as you're</p> <p>17 describing.</p> <p>18 Q. Okay. And there was -- and one of</p> <p>19 them -- did you authorize the \$2.4-million</p> <p>20 payment?</p> <p>21 A. Yes.</p> <p>22 Q. And why did you authorize Highland</p> <p>23 to transfer \$2.4 million to HCMFA in early May</p> <p>24 2019?</p> <p>25 A. My answer's the same for both --</p>
<p>Page 92</p> <p>1 JAMES DONDERO</p> <p>2 both Notes. Essentially, it's regarding the</p> <p>3 terrace start issue that we had with the</p> <p>4 Fort Worth SEC.</p> <p>5 Q. Did you give anyone instructions</p> <p>6 concerning the transfer of the \$2.4 million?</p> <p>7 A. I instructed them to make the</p> <p>8 transfer, or I was involved in the -- involved</p> <p>9 in approving the transfer.</p> <p>10 Q. And who did you instruct to make the</p> <p>11 transfer of \$2.4 million?</p> <p>12 A. Yeah. It would have been Frank.</p> <p>13 Q. Do you have a recollection of</p> <p>14 instructing Frank to transfer \$2.4 million?</p> <p>15 A. Yeah. Generally, yes.</p> <p>16 Q. Do you have a recollection of what</p> <p>17 instructions you gave him?</p> <p>18 A. It was well-known. It was a very</p> <p>19 disruptive -- the whole thing was very</p> <p>20 disruptive at Highland and HCMFA. Everybody</p> <p>21 was aware of it. The settlement, the</p> <p>22 negotiations around the settlement, the</p> <p>23 give-and-take, the amounts changed over time.</p> <p>24 Everybody was aware of it in senior</p> <p>25 management, including myself. And putting the</p>	<p>Page 93</p> <p>1 JAMES DONDERO</p> <p>2 money into HCMFA to settle it was something I</p> <p>3 was aware of and authorized and a critical</p> <p>4 piece of putting that issue to bed.</p> <p>5 Q. Okay. I'm just asking you if you</p> <p>6 recall what instructions you gave to</p> <p>7 Mr. Waterhouse concerning the transfer if you</p> <p>8 recall?</p> <p>9 A. No. I mean, like I said, I</p> <p>10 authorized the movement of the money.</p> <p>11 Q. Okay. Were you aware at that time</p> <p>12 that the transfer of the \$2.4 million from</p> <p>13 Highland to HCMFA was booked as a loan on both</p> <p>14 Highland and HCMFA's books and records?</p> <p>15 A. I was not aware at the time.</p> <p>16 Q. Okay.</p> <p>17 MR. MORRIS: Can we put up</p> <p>18 Exhibit 53 please.</p> <p>19 THE VIDEOGRAPHER: Counsel, I will</p> <p>20 need a media break in about five minutes.</p> <p>21 MR. MORRIS: Thank you very much.</p> <p>22 Why don't we take that right now before I</p> <p>23 begin my examination on this document. How</p> <p>24 long do you need?</p> <p>25 THE VIDEOGRAPHER: It will just be a</p>

<p style="text-align: right;">Page 94</p> <p>1 JAMES DONDERO</p> <p>2 minute, but this is the end of Media Number</p> <p>3 1.</p> <p>4 MR. MORRIS: Okay.</p> <p>5 THE VIDEOGRAPHER: We are off the</p> <p>6 record at 3:21.</p> <p>7 MR. MORRIS: We are off the record,</p> <p>8 but don't go anywhere.</p> <p>9 MS. DEITSCH-PEREZ: What?</p> <p>10 MR. MORRIS: We're not taking a</p> <p>11 break.</p> <p>12 THE VIDEOGRAPHER: Yep. This will</p> <p>13 just take a minute. Please stand by.</p> <p>14 MR. MORRIS: Thank you.</p> <p>15 THE VIDEOGRAPHER: All right.</p> <p>16 Suzanne, are you good to go?</p> <p>17 THE COURT REPORTER: I'm good.</p> <p>18 THE VIDEOGRAPHER: This is the</p> <p>19 beginning of Media Number 2, Volume II</p> <p>20 [sic] in the deposition of James Dondero.</p> <p>21 We are back on the record at 3:22.</p> <p>22 MR. MORRIS: All right. Can we</p> <p>23 please put up Exhibit 53.</p> <p>24 MS. CANTY: Yeah. Just one second.</p> <p>25 My computer went haywire. Give me one</p>	<p style="text-align: right;">Page 95</p> <p>1 JAMES DONDERO</p> <p>2 minute.</p> <p>3 (Whereupon, Exhibit 53, E-mail</p> <p>4 correspondence, Bates stamped D-CNL003768</p> <p>5 through D-CNL003770, marked for</p> <p>6 identification, as of this date.)</p> <p>7 BY MR. MORRIS:</p> <p>8 Q. Okay. So Mr. Dondero, do you see</p> <p>9 what's on the screen here?</p> <p>10 Mr. Dondero?</p> <p>11 MR. MORRIS: Deborah?</p> <p>12 Apparently Mr. Dondero has left the</p> <p>13 seat.</p> <p>14 THE VIDEOGRAPHER: Would you like to</p> <p>15 go off record?</p> <p>16 MR. MORRIS: No.</p> <p>17 THE VIDEOGRAPHER: Okay. We'll stay</p> <p>18 on the record.</p> <p>19 MR. MORRIS: The video is still</p> <p>20 rolling, right, sir?</p> <p>21 THE VIDEOGRAPHER: Yes, it is.</p> <p>22 MR. MORRIS: Thank you.</p> <p>23 Hi, Michael. If you're – if you're</p> <p>24 able, can you reach out to your partner?</p> <p>25 MR. AIGEN: I had texted her. I</p>
<p style="text-align: right;">Page 96</p> <p>1 JAMES DONDERO</p> <p>2 will try to call her, too; but I did text</p> <p>3 her a couple of minutes ago. I will try to</p> <p>4 reach out again. Hold on.</p> <p>5 MS. DEITSCH-PEREZ: I'm back. I'm</p> <p>6 lucky in that the ladies room is directly</p> <p>7 across from the conference room.</p> <p>8 Mr. Dondero's down at the other end</p> <p>9 of the floor, so he will be back shortly.</p> <p>10 And I just saw your note, John. The</p> <p>11 – the videographer said he needed a break;</p> <p>12 and you said, okay, then let's take our</p> <p>13 break now. So we took a restroom break.</p> <p>14 MR. MORRIS: I think everybody on</p> <p>15 the phone – and there's a transcript of it</p> <p>16 – knows that I specifically said, how long</p> <p>17 do you need. He said one minute, and I</p> <p>18 said don't go anywhere.</p> <p>19 This is your time, not mine.</p> <p>20 MS. DEITSCH-PEREZ: Prior to that,</p> <p>21 you said, let's take the break now.</p> <p>22 MR. MORRIS: Yeah, to allow him to</p> <p>23 change the tape. I'm not going to question</p> <p>24 anybody on the call, but I'm 100 percent</p> <p>25 certain that they would all tell you – and</p>	<p style="text-align: right;">Page 97</p> <p>1 JAMES DONDERO</p> <p>2 the record will reflect, I specifically</p> <p>3 said do not leave.</p> <p>4 MS. DEITSCH-PEREZ: Okay.</p> <p>5 Mr. Dondero is back.</p> <p>6 You have to turn – turn the video</p> <p>7 on.</p> <p>8 THE WITNESS: I'm back.</p> <p>9 BY MR. MORRIS:</p> <p>10 Q. All right. Do you see on the screen</p> <p>11 there's a document that's been marked as</p> <p>12 Exhibit 53?</p> <p>13 A. Yup.</p> <p>14 Q. Do you see there's an e-mail string</p> <p>15 dated May 2, 2019?</p> <p>16 A. Yes.</p> <p>17 Q. And do you see that Mr. Waterhouse</p> <p>18 has – if you look at the second to the top,</p> <p>19 Mr. Waterhouse's e-mail is forwarding a</p> <p>20 spreadsheet to David Klos and Kristin Hendrix</p> <p>21 that he described as, quote, "The support for</p> <p>22 the payment to GAF by HCMFA?"</p> <p>23 A. Yes.</p> <p>24 Q. What's GAF?</p> <p>25 A. That's the fund itself that owned</p>

<p>Page 98</p> <p>1 JAMES DONDERO</p> <p>2 the TerreStar investment. The SEC wanted, I</p> <p>3 believe, some payment to go to them; but they</p> <p>4 all, meaning the SEC, and the SEC wanted some</p> <p>5 payment to go to the fund itself for the</p> <p>6 benefit of the investors.</p> <p>7 Q. Okay.</p> <p>8 MR. MORRIS: Can we can to the chart</p> <p>9 that's attached.</p> <p>10 MS. CANTY: (Complies with request.)</p> <p>11 BY MR. MORRIS:</p> <p>12 Q. Have you ever seen this chart</p> <p>13 before, sir?</p> <p>14 A. I don't believe so specifically, but</p> <p>15 I understand what it is.</p> <p>16 Q. And is it your understanding, based</p> <p>17 on this chart, that the loss to the fund was</p> <p>18 \$6,068,851?</p> <p>19 MS. DEITSCH-PEREZ: Object to the</p> <p>20 form.</p> <p>21 THE WITNESS: Yes.</p> <p>22 BY MR. MORRIS:</p> <p>23 Q. And there's -- there's a column</p> <p>24 there that's lost to fund.</p> <p>25 Do you see that?</p>	<p>Page 99</p> <p>1 JAMES DONDERO</p> <p>2 A. Yes.</p> <p>3 Q. And is it -- is it consistent with</p> <p>4 your recollection that the estimated loss of</p> <p>5 the fund or to the fund was approximately</p> <p>6 \$6 million?</p> <p>7 A. Yes. There is approximately --</p> <p>8 there's some other small numbers moving around,</p> <p>9 but yes.</p> <p>10 Q. Okay. And do you recall that HCMFA</p> <p>11 informed the SEC that HCMFA would make the fund</p> <p>12 whole by paying it an amount of money equal to</p> <p>13 the loss?</p> <p>14 A. Yes.</p> <p>15 Q. And, in fact, HCMFA paid the fund</p> <p>16 approximately \$6 million in connection with the</p> <p>17 losses sustained as a result of the NAV error,</p> <p>18 correct?</p> <p>19 A. I don't know details like that.</p> <p>20 Q. So you're not -- you're not aware of</p> <p>21 the fact that HCMFA paid to the fund</p> <p>22 approximately \$6 million in May of 2019?</p> <p>23 A. Approximately six or approximately</p> <p>24 seven. I -- I don't know. Whatever the</p> <p>25 agreement was with the SEC to be paid to them</p>
<p>Page 100</p> <p>1 JAMES DONDERO</p> <p>2 or to the fund or whatever, I -- I have all</p> <p>3 faith and confidence we complied with; but I</p> <p>4 don't -- I don't know the exact numbers. I'm</p> <p>5 not aware of the exact numbers.</p> <p>6 Q. Do you understand that this analysis</p> <p>7 shows how HCMFA was going to finance the</p> <p>8 payment to the fund as a result of the NAV</p> <p>9 error?</p> <p>10 MS. DEITSCH-PEREZ: Object to the</p> <p>11 form.</p> <p>12 THE WITNESS: I'm sorry. Could you</p> <p>13 repeat that question again?</p> <p>14 BY MR. MORRIS:</p> <p>15 Q. Sure. Do you understand that</p> <p>16 this -- that this chart here sets forth the</p> <p>17 manner in which HCMFA is going to fund the</p> <p>18 payment that it was making to GAF on account of</p> <p>19 the NAV error?</p> <p>20 A. I would call it more of a</p> <p>21 calculation on where the amounts are coming</p> <p>22 from. It doesn't appear to me that this is a</p> <p>23 funding statement.</p> <p>24 Q. Okay. I appreciate that.</p> <p>25 So -- so your interpretation of this</p>	<p>Page 101</p> <p>1 JAMES DONDERO</p> <p>2 is that this shows the sources of money that</p> <p>3 were going to be used to make the payment; is</p> <p>4 that fair?</p> <p>5 MS. DEITSCH-PEREZ: Objection to the</p> <p>6 form.</p> <p>7 THE WITNESS: Yeah. I think it's a</p> <p>8 reconciliation between the insurance, some</p> <p>9 forgiveness of fees, and then additional</p> <p>10 monies that are necessary.</p> <p>11 BY MR. MORRIS:</p> <p>12 Q. Okay. And --</p> <p>13 A. Yeah. Go ahead.</p> <p>14 Q. Did HCMFA file an insurance claim in</p> <p>15 connection with the NAV error?</p> <p>16 A. I believe they did get -- I believe</p> <p>17 they did, and I believe they did get paid some</p> <p>18 insurance.</p> <p>19 Q. And -- and if we look at the totals</p> <p>20 column in the right, did HCMFA receive, to the</p> <p>21 best of your recollection, approximately</p> <p>22 \$5 million from insurance?</p> <p>23 A. Yes. I think we should work -- I</p> <p>24 think we should work from that column --</p> <p>25 Q. Okay. So let's --</p>

<p>Page 102</p> <p>1 JAMES DONDERO</p> <p>2 A. -- versus the other column, yeah.</p> <p>3 Q. I apologize, Mr. Dondero.</p> <p>4 So if we look at the last column,</p> <p>5 the total, does that comport with your</p> <p>6 recollection that HCMFA paid GAF approximately</p> <p>7 \$7.44 million in May of 2019 on account of the</p> <p>8 NAV error?</p> <p>9 A. I think it's more than that, and I</p> <p>10 think it's also the 375 below that.</p> <p>11 Q. Okay.</p> <p>12 A. And then I -- yeah, definitely those</p> <p>13 two numbers in aggregate. I don't know if it's</p> <p>14 any others.</p> <p>15 Q. Okay. And did, to the best of your</p> <p>16 recollection, HCMFA make an insurance claim on</p> <p>17 which it received almost \$5 million as a source</p> <p>18 of funding for the payment that was due to GAF?</p> <p>19 A. Yes.</p> <p>20 Q. Are you familiar with that insurance</p> <p>21 claim?</p> <p>22 A. No.</p> <p>23 Q. Do you know if the insurance claim</p> <p>24 made any mention of Highland?</p> <p>25 A. I have no idea. I have no idea.</p>	<p>Page 103</p> <p>1 JAMES DONDERO</p> <p>2 Q. Okay. So as a -- as a matter of</p> <p>3 rough math, would you agree with me that the</p> <p>4 insurance procedures funded approximately</p> <p>5 5 million of the \$7.8 million that was the</p> <p>6 total loss?</p> <p>7 MS. DEITSCH-PEREZ: Object to the</p> <p>8 form.</p> <p>9 THE WITNESS: This was the amount</p> <p>10 due to the investors. I -- I -- my rough</p> <p>11 recollection is there was another amount</p> <p>12 that was due the SEC, but I don't remember</p> <p>13 specifically.</p> <p>14 BY MR. MORRIS:</p> <p>15 Q. Okay. And do you see in the middle</p> <p>16 of the page, there's a total additional payment</p> <p>17 from advisor of approximately \$2.4 million?</p> <p>18 A. Yes.</p> <p>19 Q. And is it your understanding that</p> <p>20 that is the amount that HCMFA had to come out</p> <p>21 of pocket in order to fully fund the GAF</p> <p>22 payment?</p> <p>23 A. Yes, but it's clear to me also that</p> <p>24 there's a forgiveness of management fees, also.</p> <p>25 Q. Okay. But is two point -- but is</p>
<p>Page 104</p> <p>1 JAMES DONDERO</p> <p>2 \$2.4 million the amount of money that HCMFA</p> <p>3 needed in order to fully fund the payment to</p> <p>4 GAF?</p> <p>5 A. And I don't want to mince small</p> <p>6 numbers; but to the extent that they gave up</p> <p>7 their management fees also, like that 1939 or</p> <p>8 the 39 above that -- and I don't know what that</p> <p>9 47 is above that -- those are management fees</p> <p>10 that would have paid salaries and expenses at</p> <p>11 HCMFA also.</p> <p>12 So to the extent they gave up those</p> <p>13 items as part of the settlement, then HCMFA</p> <p>14 would have needed more money than even the 2.4</p> <p>15 that came from Highland.</p> <p>16 Q. Do you know if HCMFA ever informed</p> <p>17 the SEC that Highland was responsible for the</p> <p>18 NAV error?</p> <p>19 A. I -- I don't know. We wouldn't have</p> <p>20 hidden it if they would have asked. My</p> <p>21 experience with the SEC is they identify the</p> <p>22 advisor; and who the advisor picks for vendors</p> <p>23 the advisor's responsible for.</p> <p>24 MR. MORRIS: I move to strike</p> <p>25 everything after "I don't know."</p>	<p>Page 105</p> <p>1 JAMES DONDERO</p> <p>2 BY MR. MORRIS:</p> <p>3 Q. Did you ever direct anyone to inform</p> <p>4 the SEC that Highland was responsible for the</p> <p>5 NAV error?</p> <p>6 A. No, not that I recall.</p> <p>7 Q. Do you know if anybody acting on</p> <p>8 behalf of HCMFA ever informed the SEC that</p> <p>9 Highland was responsible for the NAV error?</p> <p>10 A. I don't know.</p> <p>11 Q. Do you know if HCMFA ever informed</p> <p>12 GAF that Highland was responsible for the NAV</p> <p>13 error?</p> <p>14 A. Yes.</p> <p>15 Q. And is that reflected in writing</p> <p>16 anywhere?</p> <p>17 A. Yes. Numerous places.</p> <p>18 Q. And what writing would that be</p> <p>19 reflected in?</p> <p>20 A. The board minutes. There were</p> <p>21 conversations every board meeting for over a</p> <p>22 year. The retail board represents GAF. They</p> <p>23 were well aware of the subadvisory agreements,</p> <p>24 and they were well aware that all the staff</p> <p>25 regarding valuation were housed at Highland;</p>

<p>Page 106</p> <p>1 JAMES DONDERO</p> <p>2 all the valuation activities were performed by</p> <p>3 Highland. And GAF and HCMFA relied on</p> <p>4 Highland, and it was a material part of board</p> <p>5 conversations for over a year.</p> <p>6 MR. MORRIS: Okay. I move to</p> <p>7 strike.</p> <p>8 BY MR. MORRIS:</p> <p>9 Q. I'm asking you just about writings,</p> <p>10 sir.</p> <p>11 Can you identify –</p> <p>12 A. No, no, no. I'm not – I'm not</p> <p>13 going to – I'm not going to allow that strike,</p> <p>14 or I'm not answering anymore questions.</p> <p>15 Q. Well, the judge will be the</p> <p>16 determiner of that. So I'd like you to answer</p> <p>17 my question.</p> <p>18 Is there any – I don't want to know</p> <p>19 about board meetings.</p> <p>20 Is there anything in writing that</p> <p>21 HCMFA provided to GAF that specifically stated</p> <p>22 that Highland and not HCMFA was responsible for</p> <p>23 the NAV error?</p> <p>24 MS. DEITSCH-PEREZ: Asked and</p> <p>25 answered.</p>	<p>Page 107</p> <p>1 JAMES DONDERO</p> <p>2 THE WITNESS: Yes. Numerous board</p> <p>3 minutes.</p> <p>4 BY MR. MORRIS:</p> <p>5 Q. Okay. And have those board minutes</p> <p>6 been produced in this litigation?</p> <p>7 A. I don't know.</p> <p>8 Q. Okay.</p> <p>9 MR. MORRIS: Let's go to the next</p> <p>10 exhibit, 54.</p> <p>11 MS. CANTY: (Complies with request.)</p> <p>12 (Whereupon, Exhibit 54, E-mail</p> <p>13 correspondence, Bates stamped D-CNL003777</p> <p>14 through D-CNL003779, marked for</p> <p>15 identification, as of this date.)</p> <p>16 BY MR. MORRIS:</p> <p>17 Q. Do you see that on the same day, at</p> <p>18 the bottom, Mr. Klos sent an e-mail to the</p> <p>19 Corporate Accounting Group?</p> <p>20 A. Yes.</p> <p>21 Q. And do you see that he instructed</p> <p>22 the Corporate Accounting Group to transfer</p> <p>23 \$2.4 million from HCMFA to HCMFA?</p> <p>24 A. Yes.</p> <p>25 Q. And do you see that he specifically</p>
<p>Page 108</p> <p>1 JAMES DONDERO</p> <p>2 informed the Corporate Accounting Group that</p> <p>3 this transaction was a, quote, "New inter</p> <p>4 co-loan?</p> <p>5 A. Yes.</p> <p>6 Q. Do you see that he asked</p> <p>7 Christian – Kristin or Hayley to prepare a</p> <p>8 Promissory Note for discussion?</p> <p>9 A. Yes.</p> <p>10 Q. Okay. Are you aware in May 2019,</p> <p>11 Frank Waterhouse was included in the e-mail</p> <p>12 string identified as Corporate Accounting?</p> <p>13 A. I do not have that awareness.</p> <p>14 Q. Okay. Do you see at the top</p> <p>15 Ms. Hendrix – Ms. Hendrix's response to</p> <p>16 Mr. Klos's e-mail and attaches a copy of a</p> <p>17 Promissory Note?</p> <p>18 A. Yes.</p> <p>19 Q. Okay.</p> <p>20 MR. MORRIS: Can we just go to the</p> <p>21 attachment, please.</p> <p>22 MS. CANTY: (Complies with request.)</p> <p>23 BY MR. MORRIS:</p> <p>24 Q. Do you see that that is a Promissory</p> <p>25 Note dated May 2, 2019, in the amount of</p>	<p>Page 109</p> <p>1 JAMES DONDERO</p> <p>2 \$2.4 million that where the maker is Highland</p> <p>3 Capital Management Fund Advisors, L.P.?</p> <p>4 A. Yeah.</p> <p>5 Q. Have you ever seen this before?</p> <p>6 A. I think in our last deposition.</p> <p>7 Q. Okay. Do you recall when you saw it</p> <p>8 for the first time?</p> <p>9 A. Our last deposition.</p> <p>10 Q. Do you recall when you learned about</p> <p>11 the existence of this document for the first</p> <p>12 time?</p> <p>13 A. I believe somehow regarding the</p> <p>14 litigation.</p> <p>15 Q. Okay. So you have no knowledge of</p> <p>16 this Promissory Note until after the litigation</p> <p>17 was commenced; do I have that right?</p> <p>18 A. Correct.</p> <p>19 Q. So you're not aware of Highland</p> <p>20 having made a demand for payment on this</p> <p>21 Promissory Note in December of 2020?</p> <p>22 A. Not that I recall.</p> <p>23 Q. Okay. Putting aside the question of</p> <p>24 the Promissory Note, do you recall when you</p> <p>25 first learned that the \$2.4 million that you</p>

<p>Page 110</p> <p>1 JAMES DONDERO</p> <p>2 instructed to be paid to HCMFA by Highland in</p> <p>3 May of 2019, do you recall when you first</p> <p>4 learned that that was booked as a loan?</p> <p>5 A. I believe just generally as part of</p> <p>6 this litigation, not before then.</p> <p>7 Q. Are you aware that the Corporate</p> <p>8 Accounting Group created a daily list of wire</p> <p>9 transfers that were being made on behalf of</p> <p>10 Highland and its affiliates?</p> <p>11 A. Not – no, not specifically.</p> <p>12 Q. Okay. So since you did not know</p> <p>13 that the \$2.4 million transfer had been booked</p> <p>14 as a loan, is it fair to say that you never</p> <p>15 told anybody prior to the commencement of this</p> <p>16 litigation that the transaction should not have</p> <p>17 been booked as a loan?</p> <p>18 A. I had no conversations either way</p> <p>19 prior to this litigation regarding the booking</p> <p>20 of the 2.4 million.</p> <p>21 Q. Did you ever take any steps to try</p> <p>22 to determine how Highland and HCMFA accounted</p> <p>23 for the \$2.4 million that you instructed to be</p> <p>24 transferred from Highland to HCMFA in early</p> <p>25 May 2019?</p>	<p>Page 111</p> <p>1 JAMES DONDERO</p> <p>2 A. No.</p> <p>3 Q. Did you rely on Mr. Waterhouse to</p> <p>4 oversee that?</p> <p>5 A. Yes.</p> <p>6 Q. Okay. And you did so because he</p> <p>7 held not only the CFO title at Highland, but he</p> <p>8 also held the treasurer title at HCMFA,</p> <p>9 correct?</p> <p>10 MS. DEITSCH-PEREZ: Object to the</p> <p>11 form.</p> <p>12 THE WITNESS: I relied on him</p> <p>13 because generally the accounting function</p> <p>14 across the organization reported up through</p> <p>15 him.</p> <p>16 BY MR. MORRIS:</p> <p>17 Q. Let's talk about the \$5 million</p> <p>18 Note.</p> <p>19 Do you recall that in early</p> <p>20 May 2019, in fact, the next day, May 3rd,</p> <p>21 Highland transferred \$5 million to HCMFA?</p> <p>22 A. I – I don't recall specifically.</p> <p>23 Q. Do you recall authorizing the</p> <p>24 transfer of \$5 million from Highland to HCMFA</p> <p>25 in early May 2019?</p>
<p>Page 112</p> <p>1 JAMES DONDERO</p> <p>2 A. Yes, generally.</p> <p>3 Q. Okay. Why did you authorize</p> <p>4 Highland to transfer \$5 million to HCMFA in</p> <p>5 early 2019?</p> <p>6 A. It was part of the overall</p> <p>7 resolution of the TerreStar situation.</p> <p>8 Q. Do you recall that HCMFA paid</p> <p>9 something called a consent fee equal to</p> <p>10 \$5 million in early May 2019?</p> <p>11 A. Well, like I said, I don't recall</p> <p>12 the exact amounts or the exact amounts net of</p> <p>13 insurance; but my recollection it was to</p> <p>14 resolve that.</p> <p>15 Q. Do you know – do you know – did –</p> <p>16 let's real simple.</p> <p>17 Did – did HCMFA pay a consent fee</p> <p>18 in May of 2019?</p> <p>19 A. I – I don't recall.</p> <p>20 Q. Do you know what a consent fee is?</p> <p>21 A. Yes.</p> <p>22 Q. What's a consent fee?</p> <p>23 A. It's a – a fee to encourage</p> <p>24 shareholder vote on something or shareholder</p> <p>25 restitution on something, typically.</p>	<p>Page 113</p> <p>1 JAMES DONDERO</p> <p>2 Q. And did – do you recall if HCMFA</p> <p>3 ever paid a consent fee in the year 2019?</p> <p>4 A. I don't recall.</p> <p>5 Q. Would Highland be responsible at all</p> <p>6 if HCMFA paid a consent fee?</p> <p>7 MS. DEITSCH-PEREZ: Object to the</p> <p>8 form.</p> <p>9 THE WITNESS: It could be. I</p> <p>10 don't – I don't know or remember the</p> <p>11 circumstances.</p> <p>12 BY MR. MORRIS:</p> <p>13 Q. Is the payment of a consent fee a</p> <p>14 voluntary decision by – by HCMFA? Is that</p> <p>15 something that –</p> <p>16 MS. DEITSCH-PEREZ: Object to the</p> <p>17 form.</p> <p>18 MR. MORRIS: Is that – withdrawn.</p> <p>19 That's fair.</p> <p>20 BY MR. MORRIS:</p> <p>21 Q. Is the payment of a consent fee</p> <p>22 required, or is that something that one can</p> <p>23 exercise discretion in whether or not to make?</p> <p>24 MS. DEITSCH-PEREZ: Object to the</p> <p>25 form.</p>

<p>Page 114</p> <p>1 JAMES DONDERO</p> <p>2 THE WITNESS: My answer would be it</p> <p>3 depends.</p> <p>4 BY MR. MORRIS:</p> <p>5 Q. Do you recall whether Highland –</p> <p>6 withdrawn.</p> <p>7 Do you recall whether HCMFA was</p> <p>8 required to make – to make a – to pay a</p> <p>9 consent fee at any time in 2019?</p> <p>10 A. I don't recall.</p> <p>11 Q. Do you recall ever believing that</p> <p>12 HCMFA paid a consent fee because of something</p> <p>13 that – because of a mistake that Highland</p> <p>14 made?</p> <p>15 A. It could be. I don't know.</p> <p>16 Q. I'm just asking if you had a</p> <p>17 recollection?</p> <p>18 A. I don't have a recollection.</p> <p>19 Q. Okay.</p> <p>20 MR. MORRIS: To the videographer, I</p> <p>21 think Mr. Dondero's screen has frozen.</p> <p>22 MS. DEITSCH-PEREZ: John, your</p> <p>23 screen is frozen, too.</p> <p>24 MR. MORRIS: I'm –</p> <p>25 MS. Do you agree?</p> <p>5 MR. MORRIS: Yeah, but please don't</p> <p>6 leave.</p> <p>7 MS. DEITSCH-PEREZ: Yes, we agree.</p> <p>8 THE VIDEOGRAPHER: All right. Off</p> <p>9 the record at 3:53.</p> <p>10 (Discussion held off the record.)</p> <p>11 THE VIDEOGRAPHER: We are back on</p> <p>12 the record at 3:54.</p> <p>13 BY MR. MORRIS:</p> <p>14 Q. Okay. Can we put up – no. Before</p> <p>15 we do that, Mr. Dondero, can you hear me?</p> <p>16 We can't hear you. Are you on mute?</p> <p>17 Are you on mute? Can you speak?</p> <p>18 You're yelling at me now. Stop</p> <p>19 yelling at me.</p> <p>20 THE VIDEOGRAPHER: I'm seeing is</p> <p>21 that Mr. Dondero is on mute.</p> <p>22 (Interruption.)</p> <p>23 THE VIDEOGRAPHER: We've got – do</p> <p>24 you want to go off video record?</p> <p>25 MR. <p>Page 116</p> <p>1 JAMES DONDERO</p> <p>2 Can somebody help Mr. Dondero and</p> <p>3 get his audio feed fixed?</p> <p>4 Thank you, sir.</p> <p>5 MS. DEITSCH-PEREZ: Does this make a</p> <p>6 difference?</p> <p>7 MR. MORRIS: It sure does.</p> <p>8 THE WITNESS: Hello, hello.</p> <p>9 THE MORRIS: Thank you. All right.</p> <p>10 Let's try and – let's try and finish this</p> <p>11 up.</p> <p>12 BY MR. MORRIS:</p> <p>13 Q. Are you ready, sir?</p> <p>14 A. Yes.</p> <p>15 Q. Were you aware in May 2019 that the</p> <p>16 \$5-million transfer from Highland to HCMFA was</p> <p>17 booked as a loan?</p> <p>18 A. No.</p> <p>19 MR. MORRIS: Can we put up</p> <p>20 Exhibit 56, please.</p> <p>21 MS. CANTY: (Complies with request.)</p> <p>22 (Whereupon, Exhibit 56, E-mail</p> <p>23 correspondence, Bates stamped D-CNL003763,</p> <p>24 marked for identification, as of this</p> <p>25 date.)</p>	<p>Page 117</p> <p>1 JAMES DONDERO</p> <p>2 BY MR. MORRIS:</p> <p>3 Q. All right. Do you see that this is</p> <p>4 an e-mail from Ms. Hendrix to the Corporate</p> <p>5 Accounting Group on May 3, 2019?</p> <p>6 Do you see that, sir?</p> <p>7 A. Yes.</p> <p>8 Q. And do you see that Ms. Hendrix told</p> <p>9 corporate accounting to transfer \$5 million as</p> <p>10 a, quote, "new loan," close quote?</p> <p>11 A. Yes.</p> <p>12 Q. And did you see Ms. Hendrix also</p> <p>13 said that she would, quote, "paper the loan,"</p> <p>14 close quote?</p> <p>15 A. Yes.</p> <p>16 Q. Okay. You're aware that from time</p> <p>17 to time, members of the Corporate Accounting</p> <p>18 Group used a template for a Promissory Note</p> <p>19 that had been previously prepared by counsel,</p> <p>20 correct?</p> <p>21 MS. DEITSCH-PEREZ: Object to the</p> <p>22 form.</p> <p>23 THE WITNESS: I – yeah. I'm aware</p> <p>24 they have a loan template, yes.</p> <p>25</p>

<p>Page 118</p> <p>1 JAMES DONDERO</p> <p>2 BY MR. MORRIS:</p> <p>3 Q. Okay. Do you see there's a</p> <p>4 parenthetical in the first sentence that says,</p> <p>5 "(4.4M should be coming in from Jim soon)"?</p> <p>6 A. Yes.</p> <p>7 Q. Do you know what that refers to?</p> <p>8 A. My – my educated – boy. My</p> <p>9 educated speculation is that Highland didn't</p> <p>10 have enough cash, so I probably put four into</p> <p>11 Highland for Highland to send to HCMFA. That's</p> <p>12 my educated guess; but otherwise, I don't know</p> <p>13 specifically.</p> <p>14 Q. And do you recall that you had taken</p> <p>15 out a loan from Highland earlier in the year,</p> <p>16 and this payment was credited against the</p> <p>17 principal and interest then due on that Note?</p> <p>18 A. I don't have specific awareness.</p> <p>19 That would make sense.</p> <p>20 Q. Okay.</p> <p>21 A. Versus – versus creating a new loan</p> <p>22 or something.</p> <p>23 Q. Okay.</p> <p>24 MR. MORRIS: Let's go to Exhibit 57,</p> <p>25 please.</p>	<p>Page 119</p> <p>1 JAMES DONDERO</p> <p>2 MS. CANTY: (Complies with request.)</p> <p>3 (Whereupon, Exhibit 57, Promissory</p> <p>4 Note, Bates stamped D-CNL003764 through</p> <p>5 D-CNL003765, marked for identification, as</p> <p>6 of this date.)</p> <p>7 BY MR. MORRIS:</p> <p>8 Q. In fact, were you aware, sir, that</p> <p>9 in May 2019, you paid Highland exactly</p> <p>10 \$7.5 million?</p> <p>11 A. Not specifically, but it makes sense</p> <p>12 given the context we're discussing.</p> <p>13 Q. Okay. So the context that we're</p> <p>14 discussing was HCMFA needed \$7.5 million.</p> <p>15 Highland didn't have it. So that seven – you</p> <p>16 paid \$7.5 million to Highland, which was</p> <p>17 applied against your outstanding note. And</p> <p>18 then Highland transferred that money to HCMFA.</p> <p>19 Does that sound right to you?</p> <p>20 A. Generally, yes.</p> <p>21 Q. Okay. So now if we look at this</p> <p>22 note that's on the screen, do you see this is a</p> <p>23 Promissory Note for \$5 million dated May 3,</p> <p>24 2019?</p> <p>25 A. Yes.</p>
<p>Page 120</p> <p>1 JAMES DONDERO</p> <p>2 Q. And did you see this for the first</p> <p>3 time when I showed it to you late last week?</p> <p>4 A. Yes.</p> <p>5 Q. And did you learn about the loan</p> <p>6 from Highland to HCMFA for the first time after</p> <p>7 the litigation was commenced?</p> <p>8 A. That's the first time I remember.</p> <p>9 Q. And did you learn that Highland and</p> <p>10 HCMFA had booked the \$5-million transfer in May</p> <p>11 of 2019 as a loan for the first time after the</p> <p>12 litigation was commenced?</p> <p>13 A. That is my recollection.</p> <p>14 Q. Okay. We talked at your first</p> <p>15 deposition in May about Highland's audited</p> <p>16 financial statements.</p> <p>17 I don't know if you have a</p> <p>18 recollection of that. Do you?</p> <p>19 A. Just generally, yes.</p> <p>20 Q. Okay. I just want to focus on these</p> <p>21 two notes.</p> <p>22 For this portion of the deposition,</p> <p>23 we are questioning you in your individual</p> <p>24 capacity, and you're only focused on these two</p> <p>25 notes from HCMFA to Highland, okay?</p>	<p>Page 121</p> <p>1 JAMES DONDERO</p> <p>2 A. Okay.</p> <p>3 Q. Okay. When did you first learn that</p> <p>4 these notes were carried as assets on</p> <p>5 Highland's balance sheet?</p> <p>6 A. Like I said, I – my recollection is</p> <p>7 that as part of the bankruptcy and part of the</p> <p>8 litigation.</p> <p>9 Q. And so did you learn of it as part</p> <p>10 of the bankruptcy before the litigation was</p> <p>11 commenced, or did you learn that these notes</p> <p>12 were carried as assets after – only after the</p> <p>13 litigation was commenced?</p> <p>14 A. I believe only after. Especially,</p> <p>15 the specificity with regard to the notes, only</p> <p>16 after the litigation was commenced.</p> <p>17 Q. Okay. When did you learn for the</p> <p>18 first time that these notes were carried as</p> <p>19 liabilities on HCMFA's balance sheet?</p> <p>20 Withdrawn. No foundation.</p> <p>21 Are you aware that these notes have</p> <p>22 been carried as liabilities on HCMFA's balance</p> <p>23 sheet?</p> <p>24 A. I wasn't – I wasn't – I wasn't</p> <p>25 aware prior to the litigation.</p>

<p>Page 122</p> <p>1 JAMES DONDERO</p> <p>2 Q. Okay. Did you learn after the</p> <p>3 litigation that these notes had been carried as</p> <p>4 liabilities on HCMFA's balance sheets?</p> <p>5 A. Yes.</p> <p>6 Q. Okay. Did you ever review</p> <p>7 Highland's audited financial statements?</p> <p>8 A. Not with any specificity.</p> <p>9 Q. Are you aware that Highland gave</p> <p>10 these Promissory Notes to PWC as part of the</p> <p>11 audit process?</p> <p>12 A. I would assume they did, but I don't</p> <p>13 have specific awareness.</p> <p>14 Q. Okay. And why do you assume that</p> <p>15 they did?</p> <p>16 A. As part of complete financials to</p> <p>17 the extent that they were made by Kristin or</p> <p>18 whoever, properly or improperly. Once they</p> <p>19 existed, they would have been part of a</p> <p>20 complete audit.</p> <p>21 Q. Are you aware that these two</p> <p>22 Promissory Notes were disclosed in Highland's</p> <p>23 audited financial statements for the period</p> <p>24 ending December 31, 2018, as subsequent events?</p> <p>25 A. No.</p>	<p>Page 123</p> <p>1 JAMES DONDERO</p> <p>2 Q. Okay.</p> <p>3 MR. MORRIS: Can we put up</p> <p>4 Exhibit 34, please.</p> <p>5 MS. MORRIS:</p> <p>22 Q. And do you see that</p> <p>23 PricewaterhouseCoopers signed off on the audit</p> <p>24 on June 3, 2019?</p> <p>25 A. Yes.</p>
<p>Page 124</p> <p>1 JAMES DONDERO</p> <p>2 Q. Okay.</p> <p>3 MR. MORRIS: Can we go to page 252</p> <p>4 of the document? It's got to be – let's</p> <p>5 see the Bates.</p> <p>6 MS. CANTY: (Complies with request.)</p> <p>7 MR. MORRIS: Yeah. Right there.</p> <p>8 Okay. Scroll just to the page before so we</p> <p>9 can see the heading.</p> <p>10 MS. Do you see that this is the</p> <p>13 section of the audited financials entitled</p> <p>14 "Subsequent Events"?</p> <p>15 A. Yes.</p> <p>16 Q. And is it your understanding that</p> <p>17 the auditors include in subsequent events</p> <p>18 material transactions THAT occur between the</p> <p>19 end of the fiscal period in which had audit has</p> <p>20 been conducted and the date that the auditors</p> <p>21 sign off?</p> <p>22 A. Yes.</p> <p>23 Q. Okay. So if you look at page 39,</p> <p>24 the next to the last paragraph, do you see, it</p> <p>25 says, quote, "Over the course of 2019 through</p>	<p>Page 125</p> <p>1 JAMES DONDERO</p> <p>2 the report date, HCMFA issued Promissory Notes</p> <p>3 to the partnership in the aggregate amount of</p> <p>4 \$7.4 million?</p> <p>5 A. Are you aware that Highland</p> <p>16 employees were responsible for drafting the</p> <p>17 audit report?</p> <p>18 A. Responsible for drafting the audit</p> <p>19 report? I don't know if that's a fair</p> <p>20 statement.</p> <p>21 I think they provide the detail; but</p> <p>22 my understanding, the audit report is a work</p> <p>23 product of the accounting firm. That's my</p> <p>24 understanding.</p> <p>25 Q. Was there a group within Highland</p>

<p>Page 126</p> <p>1 JAMES DONDERO</p> <p>2 that was responsible for working with the</p> <p>3 auditors in the preparation of the audit</p> <p>4 reports?</p> <p>5 A. Yeah, yes.</p> <p>6 Q. Do you know what group that was?</p> <p>7 A. I believe there's a financial</p> <p>8 reporting group that reports to Frank that</p> <p>9 handles this interaction.</p> <p>10 Q. Are you familiar – are you aware of</p> <p>11 what role Mr. Waterhouse plays, if any, in</p> <p>12 connection with Highland's annual audit, at</p> <p>13 least during the time that you were serving as</p> <p>14 president?</p> <p>15 A. I think he – he coordinates – I</p> <p>16 think he has to sign off on many aspects of it,</p> <p>17 you know, as a C suite executive. So he's</p> <p>18 responsible for, you know, completeness,</p> <p>19 integrity, et cetera.</p> <p>20 And there's a certain amount of</p> <p>21 reliance that PWC puts on it; but my</p> <p>22 understanding is audits for the last bunch of</p> <p>23 years has been pretty much a hundred percent</p> <p>24 sampling and verification.</p> <p>25 Q. High- –</p>	<p>Page 127</p> <p>1 JAMES DONDERO</p> <p>2 A. – PWC.</p> <p>3 Q. I apologize, sir.</p> <p>4 Highland was the sole source of</p> <p>5 information that's contained in its audit</p> <p>6 reports, right, to the best of your knowledge?</p> <p>7 A. No. No. When I – the last thing I</p> <p>8 said a minute ago about I believe it was a</p> <p>9 hundred percent sampling and verification, I</p> <p>10 think the audit firm ties back to vendors,</p> <p>11 credit agreements, source documents, et cetera.</p> <p>12 Highland is not the only source of</p> <p>13 this information.</p> <p>14 Q. You were also responsible for the</p> <p>15 audit report; is that fair?</p> <p>16 A. Yes.</p> <p>17 Q. And that's because you signed a</p> <p>18 management representation letter, correct?</p> <p>19 A. Yes.</p> <p>20 Q. And do you have an understanding of</p> <p>21 what management a representation letter is?</p> <p>22 MS. DEITSCH-PEREZ: Object to the</p> <p>23 form. I think you've asked this in each</p> <p>24 day of the deposition.</p> <p>25 MR. MORRIS: Okay. Just trying to</p>
<p>Page 128</p> <p>1 JAMES DONDERO</p> <p>2 get some background here.</p> <p>3 THE WITNESS: Yes, I have a general</p> <p>4 understanding. They very from accounting</p> <p>5 firm to accounting firm, and they very</p> <p>6 depending upon the type of audit. But I</p> <p>7 have a general understanding of them, yes.</p> <p>8 BY MR. MORRIS:</p> <p>9 Q. Okay. And you're – are you aware</p> <p>10 that HCMFA had its financial statements audited</p> <p>11 by PWC as well?</p> <p>12 A. Yes.</p> <p>13 Q. Are you aware that HCMFA disclosed</p> <p>14 the May 2019 Notes in its own audited financial</p> <p>15 statements?</p> <p>16 A. I assume so.</p> <p>17 Q. Have you ever –</p> <p>18 A. I don't have specific – I don't</p> <p>19 have specific awareness, but it's not reported</p> <p>20 here but not on HCMFA; so I assume they are,</p> <p>21 yes.</p> <p>22 Q. Okay. And do you sign Management</p> <p>23 Representation Letters for HCMFA's audit as you</p> <p>24 do for Highland?</p> <p>25 A. I believe so.</p>	<p>Page 129</p> <p>1 JAMES DONDERO</p> <p>2 Q. Have you ever told anyone that</p> <p>3 HCMFA's audited financial statements for the</p> <p>4 period ending December 31, 2018, inaccurately</p> <p>5 described the \$7.4 million transferred from</p> <p>6 Highland to HCMFA as loans?</p> <p>7 MS. DEITSCH-PEREZ: Object to the</p> <p>8 form.</p> <p>9 THE WITNESS: No, I have not; but I</p> <p>10 haven't been involved in any of the audit</p> <p>11 functions for quite some time.</p> <p>12 I don't think I was involved or</p> <p>13 signed Management Representation Letters</p> <p>14 for any period covered by this.</p> <p>15 BY MR. MORRIS:</p> <p>16 Q. Okay. Let's switch gears.</p> <p>17 The advisors have annual contracts</p> <p>18 to manage certain retail funds, correct?</p> <p>19 A. Yes.</p> <p>20 Q. And the retail funds have a board</p> <p>21 that decides whether to renew the contracts</p> <p>22 with the advisors, correct?</p> <p>23 A. Yes.</p> <p>24 Q. And in connection with the annual</p> <p>25 renewal, the advisors provide information to</p>

<p>Page 130</p> <p>1 JAMES DONDERO</p> <p>2 the retail board, correct?</p> <p>3 A. Yes.</p> <p>4 Q. And you've participated in meetings</p> <p>5 with the retail board concerning the renewal</p> <p>6 process, correct?</p> <p>7 A. Sometimes.</p> <p>8 Q. Okay. Do you recall that in late</p> <p>9 2020, the advisors provided a written memo to</p> <p>10 the retail board in connection with the annual</p> <p>11 15-C review process?</p> <p>12 A. No.</p> <p>13 Q. Okay.</p> <p>14 MR. MORRIS: Can we put up</p> <p>15 Exhibit 59, please.</p> <p>16 MS. CANTY: (Complies with request.)</p> <p>17 (Whereupon, Exhibit 59, Memorandum,</p> <p>18 dated October 23, 2020, Bates stamped</p> <p>19 HCMFAS 000025 through HCMFAS 000031, marked</p> <p>20 for identification, as of this date.)</p> <p>21 BY MR. MORRIS:</p> <p>22 Q. Do you see that this is a memo dated</p> <p>23 October 23, 2020?</p> <p>24 A. Yes.</p> <p>25 Q. Is it fair to describe this memo as</p>	<p>Page 131</p> <p>1 JAMES DONDERO</p> <p>2 a memo from the advisors to the retail boards</p> <p>3 concerning a supplemental 15-C information</p> <p>4 request?</p> <p>5 A. Yes.</p> <p>6 Q. Okay. As always, Mr. Dondero, you</p> <p>7 can view any portion of this document. But if</p> <p>8 we could just scroll down a little bit, I just</p> <p>9 want to know --</p> <p>10 MS. DEITSCH-PEREZ: Do we have a</p> <p>11 copy of this document? Is it in your book?</p> <p>12 MR. MORRIS: No.</p> <p>13 MS. DEITSCH-PEREZ: Okay. Well,</p> <p>14 then he can't actually look at it. He's</p> <p>15 looking at what's on the screen.</p> <p>16 MR. MORRIS: Please.</p> <p>17 BY MR. MORRIS:</p> <p>18 Q. Mr. Dondero, do you understand what</p> <p>19 I meant?</p> <p>20 Will you let me know if there's any</p> <p>21 portion of the document you want to see?</p> <p>22 A. Sure. Can you -- can you just keep</p> <p>23 scrolling and let me see the next page?</p> <p>24 Q. Thank you, sir.</p> <p>25 MS. CANTY: (Complies with request.)</p>
<p>Page 132</p> <p>1 JAMES DONDERO</p> <p>2 THE WITNESS: Just stop there for a</p> <p>3 second.</p> <p>4 MS. CANTY: (Complies with request.)</p> <p>5 THE WITNESS: Okay. Keep going.</p> <p>6 MS. CANTY: (Complies with request.)</p> <p>7 BY MR. MORRIS:</p> <p>8 Q. Just -- I'm going to ask you</p> <p>9 questions about Section 2 just so you know, but</p> <p>10 you're welcome to view any portion of this</p> <p>11 document as you believe necessary.</p> <p>12 MS. CANTY: I also put it in the</p> <p>13 chat, John.</p> <p>14 MR. MORRIS: Thank you.</p> <p>15 THE WITNESS: I see it.</p> <p>16 BY MR. MORRIS:</p> <p>17 Q. Okay. So --</p> <p>18 A. Can you go -- let's keep going.</p> <p>19 Just I'll quickly read the whole thing.</p> <p>20 Q. No problem.</p> <p>21 A. That's it. Okay. Got it. All</p> <p>22 right.</p> <p>23 Q. Okay. So now that you've seen the</p> <p>24 substance of the memo, do you recall if you saw</p> <p>25 it before today?</p>	<p>Page 133</p> <p>1 JAMES DONDERO</p> <p>2 A. I've never seen it before today.</p> <p>3 Q. Okay. So do you know who's</p> <p>4 responsible for preparing a memo of this type</p> <p>5 on behalf of the advisors?</p> <p>6 A. Let's go back to the front and see</p> <p>7 who it's from.</p> <p>8 Q. Sure.</p> <p>9 MS. CANTY: (Complies with request.)</p> <p>10 BY MR. MORRIS:</p> <p>11 Q. Is that --</p> <p>12 A. Yeah. Now, I -- given what it is,</p> <p>13 it's something that, I'm sure, comes out of</p> <p>14 legal and compliance.</p> <p>15 Q. And does -- do the advisors have --</p> <p>16 withdrawn.</p> <p>17 Did the advisors have their own</p> <p>18 legal and compliance officers as of October 23,</p> <p>19 2020?</p> <p>20 A. No.</p> <p>21 Q. Did they have any -- did anybody</p> <p>22 serve as the advisors' general counsel as of</p> <p>23 October 23, 2020?</p> <p>24 A. My belief and recollection is the</p> <p>25 Shared Services Agreements provided the legal</p>

<p>Page 134</p> <p>1 JAMES DONDERO</p> <p>2 and accounting support for all the funds listed</p> <p>3 in the "to" section here.</p> <p>4 As I said earlier, NexPoint has a</p> <p>5 couple accountants – I mean – I'm sorry – a</p> <p>6 couple lawyers who do real estate transactions</p> <p>7 stuff. Their – their title – their title</p> <p>8 meaning DC's counsel, DC Sauter, who's the most</p> <p>9 senior attorney there, it might be general</p> <p>10 counsel; but he only does real estate</p> <p>11 transactions.</p> <p>12 The legal dependents of NexPoint and</p> <p>13 HCMFA was on the Shared Services Agreement and</p> <p>14 the Highland attorneys that performed those</p> <p>15 Shared Services Agreements.</p> <p>16 Q. Okay. Did anybody acting on behalf</p> <p>17 of the advisors review and approve this memo</p> <p>18 before it was sent to the retail funds?</p> <p>19 A. I don't know.</p> <p>20 Q. Is it your practice as the president</p> <p>21 of the advisors to have memos sent to the</p> <p>22 retail board without anybody reviewing and</p> <p>23 approving the memos on behalf of the advisors?</p> <p>24 MS. DEITSCH-PEREZ: Object to the</p> <p>25 form.</p>	<p>Page 135</p> <p>1 JAMES DONDERO</p> <p>2 THE WITNESS: I'm not aware of what</p> <p>3 standard practice was or wasn't; but again,</p> <p>4 the infrastructure for something like this</p> <p>5 would have been only at Highland.</p> <p>6 HCMFA only had portfolio managers</p> <p>7 and analysts as employees, and NexPoint</p> <p>8 pretty much only had portfolio managers and</p> <p>9 analysts as employees.</p> <p>10 The staff functions were at</p> <p>11 Highland, and Highland serviced the funds</p> <p>12 via a Shared Services Agreement that was</p> <p>13 still in place as of the date of this memo.</p> <p>14 MR. MORRIS: Okay. Can we go down</p> <p>15 to Section 2, please.</p> <p>16 MS. CANTY: (Complies with request.)</p> <p>17 BY MR. MORRIS:</p> <p>18 Q. Looking at Section 2, do you see</p> <p>19 that there's a question as to whether there are</p> <p>20 any material amounts currently payable or due</p> <p>21 in the future EG notes to –</p> <p>22 A. Yes.</p> <p>23 Q. – the Highland by HCMFA or</p> <p>24 NexPoint?</p> <p>25 A. Yes.</p>
<p>Page 136</p> <p>1 JAMES DONDERO</p> <p>2 Q. Okay. In the 53 or 54 weeks since</p> <p>3 this memo as was sent, do you know if it has</p> <p>4 been amended or modified in any way?</p> <p>5 A. I believe there was similar memos</p> <p>6 like this for this year's annual – for the</p> <p>7 2021 renewal, but I do not have – I've not</p> <p>8 seen those either; and I don't know how this</p> <p>9 answer would have changed.</p> <p>10 Q. Okay. But at least as of</p> <p>11 October 23, 2020, this is the response that the</p> <p>12 advisors gave to the retail board in response</p> <p>13 to Question Number 2, right?</p> <p>14 MS. DEITSCH-PEREZ: Object to the</p> <p>15 form.</p> <p>16 THE WITNESS: As far – as far as I</p> <p>17 know, having seen it here for the first</p> <p>18 time and not knowing whether this was the</p> <p>19 final or if there were subsequent letters</p> <p>20 and not knowing what the 2021 letter looks</p> <p>21 like, on its surface that appears so; but I</p> <p>22 have no awareness.</p> <p>23 BY MR. MORRIS:</p> <p>24 Q. Okay. And just I'll represent to</p> <p>25 you, Mr. Dondero, that I obtained this letter</p>	<p>Page 137</p> <p>1 JAMES DONDERO</p> <p>2 from counsel to the advisors in response to my</p> <p>3 specific request for the October 2020, 15-C</p> <p>4 response. So that's how – that's how I got it</p> <p>5 just so you know.</p> <p>6 A. Okay.</p> <p>7 Q. So – so were you aware in October</p> <p>8 of 2020 that NexPoint informed the retail board</p> <p>9 that as of June 30, 2020, it owed Highland and</p> <p>10 its affiliates approximately \$23.7 million?</p> <p>11 MS. DEITSCH-PEREZ: Object to the</p> <p>12 form.</p> <p>13 THE WITNESS: I was not aware.</p> <p>14 BY MR. MORRIS:</p> <p>15 Q. Does that amount comport with your</p> <p>16 recollection as to what was outstanding on the</p> <p>17 May 31, 2017, note that NexPoint gave to</p> <p>18 Highland?</p> <p>19 A. I don't have awareness.</p> <p>20 Q. Okay. Did NexPoint – do you know</p> <p>21 if NexPoint ever informed the retail board that</p> <p>22 any – any portion of that \$23.7 million was</p> <p>23 subject to any of the agreements that you</p> <p>24 entered into with the Dugaboy trustee?</p> <p>25 A. I – I don't know.</p>

<p>Page 138</p> <p>1 JAMES DONDERO</p> <p>2 Q. Did you ever instruct anybody on</p> <p>3 behalf of NexPoint to advise the retail board</p> <p>4 of the existence of the agreements?</p> <p>5 A. No, I do not believe so.</p> <p>6 Q. Do you know if anybody acting on</p> <p>7 behalf of NexPoint has ever informed the retail</p> <p>8 board that NexPoint's outstanding obligation</p> <p>9 was subject to the agreements that you entered</p> <p>10 into with the Dugaboy trustee?</p> <p>11 A. No.</p> <p>12 Q. Did you ever inform the retail</p> <p>13 boards that any portion of this \$23 million was</p> <p>14 subject to offset?</p> <p>15 A. You know what, I – let me answer</p> <p>16 that and let me also adjust the last five no</p> <p>17 answers I just rattled off.</p> <p>18 I'm thinking in the context of the</p> <p>19 time period of the date of this letter, which</p> <p>20 is October of 2020.</p> <p>21 Again, there would have been similar</p> <p>22 letters and disclosures like this and</p> <p>23 additional questions, initial requests for</p> <p>24 renewal, and then subsequent questions,</p> <p>25 probably multiple subsequent questions, given</p>	<p>Page 139</p> <p>1 JAMES DONDERO</p> <p>2 everything that's going on with the Highland</p> <p>3 bankruptcy in 2021.</p> <p>4 And I'm not aware of what those</p> <p>5 letters contain. I haven't seen those letters</p> <p>6 either, but those letters may include quite a</p> <p>7 bit of disclosure regarding the questions that</p> <p>8 you're asking me; but I don't know. But I</p> <p>9 didn't specifically instruct anybody to tell</p> <p>10 the board. I also didn't instruct anybody</p> <p>11 specifically to not tell the board.</p> <p>12 So I don't know what was told to the</p> <p>13 board for the period after October 2020.</p> <p>14 Q. Okay. I appreciate that, and I can</p> <p>15 only ask you what you know, right?</p> <p>16 And so what may or may not be in any</p> <p>17 other report is kind of irrelevant here because</p> <p>18 you haven't seen those reports, right?</p> <p>19 A. Correct.</p> <p>20 Q. Okay. And so you have no basis of</p> <p>21 knowing one way or the other whether any report</p> <p>22 delivered to the retail board after October</p> <p>23 2020 – 2020 contains anything about the</p> <p>24 agreements that you entered into with the</p> <p>25 Dugaboy trustee, correct?</p>
<p>Page 140</p> <p>1 JAMES DONDERO</p> <p>2 A. Right. I just want to be clear that</p> <p>3 my answer's saying I did not specifically</p> <p>4 instruct somebody to tell them. It doesn't</p> <p>5 mean they don't know or someone else didn't</p> <p>6 tell them.</p> <p>7 Q. Okay.</p> <p>8 A. So that's – that's a clarification</p> <p>9 I want to make.</p> <p>10 Q. Okay. No problem.</p> <p>11 And then – and then do you see that</p> <p>12 there's a report to the retail board that HCMFA</p> <p>13 had approximately \$12.3 million outstanding to</p> <p>14 Highland as of June 30, 2020?</p> <p>15 A. Yes.</p> <p>16 Q. Okay. So just the same type of</p> <p>17 questions.</p> <p>18 Do you have any knowledge as to how</p> <p>19 that number was calculated?</p> <p>20 A. No.</p> <p>21 Q. Do you know if it includes the</p> <p>22 \$7.4 million, which is the aggregate principal</p> <p>23 amount of the two notes that HCMFA issued to</p> <p>24 Highland in May of 2019?</p> <p>25 A. I don't specifically, but given</p>	<p>Page 141</p> <p>1 JAMES DONDERO</p> <p>2 everything we have gone over in the last – I</p> <p>3 don't know. Probably.</p> <p>4 Q. Okay. Do you know whether anybody</p> <p>5 has informed the retail board on behalf of</p> <p>6 HCMFA that that \$12.3 million was overstated by</p> <p>7 \$7.4 million?</p> <p>8 A. I – I don't know.</p> <p>9 Q. Okay. Do you know whether – do you</p> <p>10 know whether anybody acting behalf of HCMFA</p> <p>11 ever told the retail boards that the</p> <p>12 \$12.3 million was subject to offset of any</p> <p>13 kind?</p> <p>14 A. I don't know, but I can't imagine</p> <p>15 the October 21 letter didn't address some of</p> <p>16 those issues because those issues I'm not sure</p> <p>17 were known at this point in time.</p> <p>18 Q. Okay. If – and we can look at</p> <p>19 paragraph 1 if it helps.</p> <p>20 But my question is whether you're</p> <p>21 aware of anybody on behalf of HCMFA ever</p> <p>22 informing the retail board in 2020 that HCMFA</p> <p>23 had claims against Highland?</p> <p>24 MS. DEITSCH-PEREZ: Object to the</p> <p>25 form.</p>

<p>Page 142</p> <p>1 JAMES DONDERO</p> <p>2 THE WITNESS: I don't know.</p> <p>3 BY MR. MORRIS:</p> <p>4 Q. Do you know whether anybody acting</p> <p>5 on behalf of either the advisors informed the</p> <p>6 retail board at any time in the year 2020 that</p> <p>7 either advisor had claims against Highland?</p> <p>8 MS. DEITSCH-PEREZ: Object to the</p> <p>9 form.</p> <p>10 THE WITNESS: I don't know.</p> <p>11 MR. MORRIS: Okay. We can take that</p> <p>12 down, please.</p> <p>13 MS. CANTY: (Complies with request.)</p> <p>14 BY MR. MORRIS:</p> <p>15 Q. Are you aware that the Court</p> <p>16 confirmed the Debtor's Fifth Amended Complaint</p> <p>17 of Reorganization in February of 2021?</p> <p>18 A. Generally.</p> <p>19 Q. And do you recall that objections to</p> <p>20 the confirmation of the plan were filed by you</p> <p>21 and each of the advisors, among others?</p> <p>22 A. Yes.</p> <p>23 Q. And do you recall that these</p> <p>24 actions, these lawsuits to collect on the</p> <p>25 notes, they were commenced before the</p>	<p>Page 143</p> <p>1 JAMES DONDERO</p> <p>2 confirmation hearing, right?</p> <p>3 A. I – I don't – I don't know.</p> <p>4 Q. All right. I'll represent to you</p> <p>5 that the lawsuits were commenced on or about</p> <p>6 January 22, and the confirmation hearing took</p> <p>7 place, I think, on February 2 and February 3,</p> <p>8 2021.</p> <p>9 Does that refresh your recollection</p> <p>10 at all that the lawsuits were known to you at</p> <p>11 the time of confirmation?</p> <p>12 MS. DEITSCH-PEREZ: Object to the</p> <p>13 form.</p> <p>14 THE WITNESS: Not specifically. I</p> <p>15 mean, given the details you just explained,</p> <p>16 I guess generally.</p> <p>17 BY MR. MORRIS:</p> <p>18 Q. Okay. I'd like to refer to you</p> <p>19 NexPoint and HCMFA and HCRE and Services</p> <p>20 collectively as the defendants for the next set</p> <p>21 of questions, okay?</p> <p>22 A. Okay.</p> <p>23 Q. And these questions are in your</p> <p>24 capacity as an individual and in your 30(b)(6)</p> <p>25 capacity, okay?</p>
<p>Page 144</p> <p>1 JAMES DONDERO</p> <p>2 Is that okay, sir?</p> <p>3 A. I'll do the best I can. If I – if</p> <p>4 I need clarity or caveats, I'll throw them out</p> <p>5 there.</p> <p>6 Q. Okay. Now, I do understand you're</p> <p>7 not a 30(b)(6) witness for HCMFA today. So</p> <p>8 let's make that clear.</p> <p>9 MS. DEITSCH-PEREZ: Thank you.</p> <p>10 BY MR. MORRIS:</p> <p>11 Q. As to HCMFA, you're just here in</p> <p>12 your individual capacity as the control person,</p> <p>13 okay?</p> <p>14 Prior to confirmation, do you know</p> <p>15 whether anyone acting on behalf of any of the</p> <p>16 defendants ever disclosed to the bankruptcy</p> <p>17 court the terms or the existence of your</p> <p>18 agreement – agreements with the Dugaboy</p> <p>19 trustee?</p> <p>20 A. I guess generally, I've testified to</p> <p>21 this already. There were numerous</p> <p>22 conversations with Seery, and I know Lynn had</p> <p>23 conversations.</p> <p>24 Q. Sir, I apologize, but I'm going to</p> <p>25 interrupt because I know you're tired; and I</p>	<p>Page 145</p> <p>1 JAMES DONDERO</p> <p>2 want to get this done. But my question had to</p> <p>3 do with the disclosure to the bankruptcy court,</p> <p>4 okay? Let me just try again.</p> <p>5 Are you aware, sir, whether any of</p> <p>6 the defendants disclosed to the bankruptcy</p> <p>7 court prior to confirmation the existence of</p> <p>8 the agreements that you entered into with the</p> <p>9 Dugaboy trustee?</p> <p>10 MS. DEITSCH-PEREZ: Object to the</p> <p>11 form and to interrupting the witness.</p> <p>12 THE WITNESS: I'll say yes.</p> <p>13 BY MR. MORRIS:</p> <p>14 Q. Okay. Did you do that?</p> <p>15 A. Yes.</p> <p>16 Q. And did you do that as part of your</p> <p>17 testimony in the hearing, or did you do it</p> <p>18 through the filing of a pleading?</p> <p>19 MS. DEITSCH-PEREZ: Object to the</p> <p>20 form.</p> <p>21 THE WITNESS: I don't – I don't</p> <p>22 know about pleadings or filings. I – I</p> <p>23 don't know.</p> <p>24 BY MR. MORRIS:</p> <p>25 Q. Do you recall what you told the</p>

<p>Page 146</p> <p>1 JAMES DONDERO</p> <p>2 bankruptcy court about the agreements that you</p> <p>3 entered into with the Dugaboy trustee?</p> <p>4 A. No. I'm not – yes. No. I'm</p> <p>5 not – no, I don't. I don't want to – I don't</p> <p>6 want to start talking and have you strike it or</p> <p>7 object. So I'll just answer specifically until</p> <p>8 you get to the question.</p> <p>9 Q. Yeah. So – so again, I'm not</p> <p>10 trying to trick you.</p> <p>11 Can you recall when you told the</p> <p>12 bankruptcy court that you had entered into will</p> <p>13 the agreements with the Dugaboy trustee?</p> <p>14 A. No.</p> <p>15 Q. Can you remember the subject matter</p> <p>16 of any hearing at which you informed the</p> <p>17 bankruptcy court about the existence of the</p> <p>18 agreements that you entered into with the</p> <p>19 Dugaboy trustee?</p> <p>20 A. I don't know where or how this works</p> <p>21 legally. But every written proposal we put</p> <p>22 forward as a solution and as a plot plan,</p> <p>23 always had a zero on all the affiliated notes</p> <p>24 as being a zero in something that was</p> <p>25 ultimately likely to be compensation.</p>	<p>Page 147</p> <p>1 JAMES DONDERO</p> <p>2 All of those settlement proposals,</p> <p>3 some were done formally through Seery; some</p> <p>4 were done indirectly; some of it were – some</p> <p>5 of them were done to the independent board;</p> <p>6 some of them were done directly to Clemente.</p> <p>7 But all of those documented the expectation</p> <p>8 that the notes were compensation.</p> <p>9 Q. Do you believe that any of the</p> <p>10 documents that you just described were ever</p> <p>11 presented to the bankruptcy court?</p> <p>12 A. Yes.</p> <p>13 Q. Okay. When and in what context were</p> <p>14 those documents delivered to the bankruptcy</p> <p>15 court?</p> <p>16 A. I believed that the independent</p> <p>17 board and Seery were representatives of the</p> <p>18 bankruptcy court in that regard.</p> <p>19 So I think within a month, two</p> <p>20 months of the filing, there were proposals made</p> <p>21 to creditors directly and the independent</p> <p>22 board; and then subsequently, once Seery became</p> <p>23 president, to him.</p> <p>24 And then when Seery proved</p> <p>25 ineffective regarding settlements, there were</p>
<p>Page 148</p> <p>1 JAMES DONDERO</p> <p>2 reach outs – reaches out to creditors directly</p> <p>3 again and – to Clemente and the committee; but</p> <p>4 I think the committee already sold all their</p> <p>5 stuff by that point.</p> <p>6 I mean, I – listen, I – but I</p> <p>7 consider those reach-outs and characterizations</p> <p>8 of the notes as not part of settlement under</p> <p>9 the estate and that is likely to be</p> <p>10 compensation notifying the Court generally.</p> <p>11 Q. Okay. Are you aware of any notice</p> <p>12 that was ever given to Judge Jernigan about the</p> <p>13 existence of any of the agreements that you</p> <p>14 entered into with the Dugaboy trustee?</p> <p>15 A. I – I don't know.</p> <p>16 Q. Okay. You're not aware of any as</p> <p>17 you sit here right now; is that fair?</p> <p>18 A. Yes. I'm not aware if any of my</p> <p>19 reach-outs to the people that I described ever</p> <p>20 made it to Jernigan. I don't know.</p> <p>21 Q. Okay.</p> <p>22 A. I know she asked for updates on the</p> <p>23 plot plan. I know she asked for whatever, but</p> <p>24 I don't know what specificity any of the people</p> <p>25 I described presented them to her. So I don't</p>	<p>Page 149</p> <p>1 JAMES DONDERO</p> <p>2 know.</p> <p>3 Q. And I appreciate what you've said</p> <p>4 about the proposals that you've made. But my</p> <p>5 next question's very specific.</p> <p>6 Prior to the commencement of</p> <p>7 litigation, did you or anybody acting on your</p> <p>8 behalf ever tell Jim Seery or Matt Clemente of</p> <p>9 your agreements with the Dugaboy trustee?</p> <p>10 A. I – I don't know specifically.</p> <p>11 Q. Thank you very much.</p> <p>12 THE COURT REPORTER: I'm sorry.</p> <p>13 When you get to a good point, could we just</p> <p>14 take a quick break?</p> <p>15 MR. MORRIS: Yeah. Why don't we do</p> <p>16 that, and I hope to try to wrap up. So</p> <p>17 it's 5:37. I mean, I'm going to need</p> <p>18 probably, you know, another half hour or an</p> <p>19 hour; but I want to try to finish. It's</p> <p>20 5:38.</p> <p>21 I'm fine with if we just come back</p> <p>22 at 4:45 Central Time, seven minutes.</p> <p>23 THE VIDEOGRAPHER: All right. We're</p> <p>24 off record at 4:38.</p> <p>25 (Whereupon, a break was taken.)</p>

<p>Page 150</p> <p>1 JAMES DONDERO</p> <p>2 THE VIDEOGRAPHER: This is the</p> <p>3 beginning of Media Number 3 in the</p> <p>4 deposition of James Dondero. We are back</p> <p>5 on the record. The time is 4:45.</p> <p>6 BY MR. MORRIS:</p> <p>7 Q. Just to finish up on the topic we</p> <p>8 were on when we took the break, Mr. Dondero.</p> <p>9 Prior to confirmation, do you know</p> <p>10 which of the defendants ever informed the</p> <p>11 bankruptcy court that any of the Promissory</p> <p>12 Notes that are the subject of the lawsuits were</p> <p>13 unenforceable for any reason?</p> <p>14 And when I use the phrase</p> <p>15 "bankruptcy court" here – you know what, let</p> <p>16 me ask a different question.</p> <p>17 Prior to confirmation, do you know</p> <p>18 if anybody acting on behalf of the defendants</p> <p>19 ever disclosed to Judge Jemigan that any of</p> <p>20 the Promissory Notes subject to the lawsuits</p> <p>21 were unenforceable for any reason?</p> <p>22 MS. DEITSCH-PEREZ: Object to the</p> <p>23 form.</p> <p>24 THE WITNESS: I don't know.</p> <p>25</p>	<p>Page 151</p> <p>1 JAMES DONDERO</p> <p>2 BY MR. MORRIS:</p> <p>3 Q. Prior to confirmation, did you</p> <p>4 direct anybody to inform Judge Jemigan that</p> <p>5 any of the Promissory Notes were unenforceable</p> <p>6 for any reason?</p> <p>7 A. I don't know.</p> <p>8 Q. Okay. I want to direct your</p> <p>9 attention to December 2020.</p> <p>10 Do you recall if you had a</p> <p>11 conversation with Frank Waterhouse concerning</p> <p>12 payments that were due to Highland by any of</p> <p>13 the companies that you directly or indirectly</p> <p>14 own or control?</p> <p>15 A. I'm trying to think. Generally, we</p> <p>16 overpaid on shared services, so – by a</p> <p>17 significant amount, I believe 14, 15 million</p> <p>18 bucks. And then there was a supposed to be an</p> <p>19 overall transition settlement true-up regarding</p> <p>20 the employees, the office space, you know,</p> <p>21 whatever.</p> <p>22 So the – yeah, that's – that's the</p> <p>23 – that's my general recollection.</p> <p>24 Q. But did you give Mr. Waterhouse any</p> <p>25 instructions as to whether to pay or not pay</p>
<p>Page 152</p> <p>1 JAMES DONDERO</p> <p>2 any amounts that were due and owing to Highland</p> <p>3 under any agreement between Highland and any</p> <p>4 affiliate?</p> <p>5 MS. DEITSCH-PEREZ: Object to the</p> <p>6 form.</p> <p>7 Are you asking about the Notes or</p> <p>8 the Shared Services Agreements?</p> <p>9 MR. MORRIS: I'm asking about – I'm</p> <p>10 asking very broadly any payments.</p> <p>11 THE WITNESS: I do remember having</p> <p>12 conversations not to pay any more shared</p> <p>13 services.</p> <p>14 And I hope there weren't anymore</p> <p>15 payments on shared services. There –</p> <p>16 There was never a specific to not pay the</p> <p>17 notes.</p> <p>18 BY MR. MORRIS:</p> <p>19 Q. So your recollection is that you</p> <p>20 instructed Mr. Waterhouse not to make any</p> <p>21 further payments under the shared services, and</p> <p>22 that's the instruction you gave?</p> <p>23 A. Yes.</p> <p>24 Q. Did you ever tell anybody in</p> <p>25 December of 2020 about your conversation with</p>	<p>Page 153</p> <p>1 JAMES DONDERO</p> <p>2 Mr. Waterhouse?</p> <p>3 A. Not that I recall.</p> <p>4 Q. Do you recall telling anybody other</p> <p>5 than Mr. Waterhouse in December 2020 that no</p> <p>6 payment should be made to Highland under the</p> <p>7 Shared Services Agreement?</p> <p>8 A. I do believe there was a team – I</p> <p>9 can't remember – I know Dustin Norris is on</p> <p>10 that team. He was aware. He was aware. And</p> <p>11 as a matter of fact, I think – yeah. He – I</p> <p>12 know he was aware for sure.</p> <p>13 Q. Anybody else?</p> <p>14 A. There were other people on that</p> <p>15 team, but I can't remember who was on that team</p> <p>16 or who was in the room at any time.</p> <p>17 Q. Is there anything in writing that</p> <p>18 you recall that reflects the instruction that</p> <p>19 you gave to Mr. Waterhouse in December 2020</p> <p>20 that we're talking about?</p> <p>21 A. I believe the back-and-forth and the</p> <p>22 true-up with Seery on the multiple of things</p> <p>23 that I was just discussing, you know, right to</p> <p>24 transition of people, it included no more</p> <p>25 shared services being paid and a credit for</p>

<p>Page 154</p> <p>1 JAMES DONDERO</p> <p>2 overpayment on shared services. And those –</p> <p>3 those spreadsheets went back and forth, and</p> <p>4 Seery has copies of them also.</p> <p>5 Q. Are you aware of any payments being</p> <p>6 made by the advisors to Highland after</p> <p>7 November 30, 2020?</p> <p>8 A. Hopefully not on shared services. I</p> <p>9 believe there were payments on principal and</p> <p>10 interest on notes.</p> <p>11 Q. Were any of those payments that you</p> <p>12 have in mind made before the end of calendar</p> <p>13 year 2020 – withdrawn.</p> <p>14 Were any of those payments that you</p> <p>15 have in mind made in December 2020?</p> <p>16 A. I don't know. I don't know which</p> <p>17 ones were paid and kept current. I don't know</p> <p>18 which ones were cured. I don't – I don't</p> <p>19 remember which ones were which.</p> <p>20 Q. Are you aware of any note that was</p> <p>21 tendered by one of Highland's affiliates on</p> <p>22 which payment was made in December 2020?</p> <p>23 A. I don't know. I don't know when –</p> <p>24 I don't know which ones were kept current. I</p> <p>25 don't know which ones were cured in December.</p>	<p>Page 155</p> <p>1 JAMES DONDERO</p> <p>2 I don't know which ones were cured in January</p> <p>3 or February. I don't know.</p> <p>4 Q. Is it your testimony that you</p> <p>5 believe that one or more of Highland affiliates</p> <p>6 made a payment in December 2020 to cure – as a</p> <p>7 cure payment?</p> <p>8 MS. DEITSCH-PEREZ: Object to the</p> <p>9 form.</p> <p>10 BY MR. MORRIS:</p> <p>11 Q. I just – I'm sorry. I –</p> <p>12 A. I – I – okay.</p> <p>13 Q. Yeah. I just want to try to get</p> <p>14 this as clearly as I can. Did you –</p> <p>15 A. I believe –</p> <p>16 Q. Go ahead, sir.</p> <p>17 A. No. I'll let you go. It's better</p> <p>18 if you ask me.</p> <p>19 Q. Okay. Did you direct anybody to</p> <p>20 make any payment in December 2020 to Highland</p> <p>21 on behalf of any affiliate that you owned or</p> <p>22 controlled?</p> <p>23 A. I believe all notes are outstanding</p> <p>24 and current and in good standing. I don't know</p> <p>25 when they were cured.</p>
<p>Page 156</p> <p>1 JAMES DONDERO</p> <p>2 Q. Are you just talking about the term</p> <p>3 notes here or the demand notes as well?</p> <p>4 A. All of the above. All of the notes</p> <p>5 as far as I know.</p> <p>6 Q. Are you aware that in December 2020,</p> <p>7 Highland made a demand for payment under all of</p> <p>8 the demand notes?</p> <p>9 A. And I believe they're all current as</p> <p>10 far as interest and principal amortization. I</p> <p>11 believe they've all been cured.</p> <p>12 Q. Okay. Can you identify any payment</p> <p>13 that was made in December 2020 to Highland on</p> <p>14 behalf of yourself or any entity that you</p> <p>15 directly or indirectly own or control?</p> <p>16 A. I wouldn't have been involved in –</p> <p>17 I wouldn't have been involved in normal course</p> <p>18 payments. I know there were – I know for sure</p> <p>19 there were cure payments in January. I don't</p> <p>20 know if there were in December.</p> <p>21 Q. Okay. And that's – we'll get to</p> <p>22 January. I'm just trying to finish up</p> <p>23 December.</p> <p>24 Are you aware of any payments made</p> <p>25 in December 2020 –</p>	<p>Page 157</p> <p>1 JAMES DONDERO</p> <p>2 MS. DEITSCH-PEREZ: Object to the</p> <p>3 form.</p> <p>4 BY MR. MORRIS:</p> <p>5 Q. – by you – by you or any entity</p> <p>6 directly or indirectly owned or control by you</p> <p>7 to Highland?</p> <p>8 A. I don't have awareness.</p> <p>9 Q. Do you recall that early in 2021,</p> <p>10 Highland gave notice of default on the three</p> <p>11 term notes?</p> <p>12 A. I'm aware in – that January – yes,</p> <p>13 I guess I am aware that Highland declared them</p> <p>14 in default in January, yes.</p> <p>15 Q. And you're aware that in addition to</p> <p>16 declaring them in default, they gave notice of</p> <p>17 acceleration?</p> <p>18 A. I'm not aware of acceleration. I'm</p> <p>19 aware of, I guess, default I had heard.</p> <p>20 Q. Did you ever see the</p> <p>21 notice-of-default letters that Highland sent to</p> <p>22 NexPoint HCRE and services?</p> <p>23 A. I don't believe I've seen all of</p> <p>24 them. I think I've seen one on demand notes.</p> <p>25 I don't think I've – I don't remember seeing</p>

<p>Page 158</p> <p>1 JAMES DONDERO</p> <p>2 any on term loans.</p> <p>3 Q. All right. So as you sit here right</p> <p>4 now, you don't have a recollection of having</p> <p>5 seen the default notices that were sent by</p> <p>6 Highland in January 2021 with respect to the</p> <p>7 term notes, right?</p> <p>8 MS. DEITSCH-PEREZ: Why don't you</p> <p>9 show him one.</p> <p>10 THE WITNESS: I don't recall. Yeah.</p> <p>11 I mean, I don't – I don't recall seeing</p> <p>12 any of them.</p> <p>13 BY MR. MORRIS:</p> <p>14 Q. Okay. How did you learn that</p> <p>15 Highland had sent the default notices?</p> <p>16 A. I believe it was at a hearing I</p> <p>17 attended in person from which I called Frank,</p> <p>18 and I was surprised and annoyed that the</p> <p>19 relative de minimis amounts hadn't been paid;</p> <p>20 and I asked him what does it take to cure them</p> <p>21 or make them current.</p> <p>22 And then he told me the numbers, and</p> <p>23 they were small and de minimis; and I told him</p> <p>24 make sure they get paid and make sure the notes</p> <p>25 are cured.</p>	<p>Page 159</p> <p>1 JAMES DONDERO</p> <p>2 Q. Did you do anything or say anything</p> <p>3 else with respect to your – your learning</p> <p>4 about the declaration of default?</p> <p>5 A. No. It – no. I don't remember</p> <p>6 anything else.</p> <p>7 Q. Did you ask your – do you know</p> <p>8 whether anyone acting on behalf of ever reached</p> <p>9 out to Highland with respect to the payments</p> <p>10 that were made in January of 2021 as cure</p> <p>11 payments as you described them?</p> <p>12 A. Frank was Highland.</p> <p>13 Q. I'm asking –</p> <p>14 A. Frank – Frank – Frank was the</p> <p>15 person I reached out to at Highland. Who else</p> <p>16 would I reach out to at Highland?</p> <p>17 Q. Did you – did you reach out to</p> <p>18 anybody else?</p> <p>19 A. No. Just Frank.</p> <p>20 Q. Okay. Did anybody acting on your</p> <p>21 behalf reach out to anybody else?</p> <p>22 A. Not that I know of or not that I</p> <p>23 thought was necessary.</p> <p>24 Q. In January of 2021, did it occur to</p> <p>25 you to either communicate with or through your</p>
<p>Page 160</p> <p>1 JAMES DONDERO</p> <p>2 lawyer, with Mr. Seery, about this?</p> <p>3 MS. DEITSCH-PEREZ: Object to the</p> <p>4 form.</p> <p>5 THE WITNESS: No. I thought Frank</p> <p>6 was fully empowered.</p> <p>7 BY MR. MORRIS:</p> <p>8 Q. Okay. Did you ever confirm your</p> <p>9 understanding about the cure with</p> <p>10 Mr. Waterhouse in writing?</p> <p>11 A. In writing? No. I believe it was</p> <p>12 all in that phone conversation from the Court.</p> <p>13 I don't – I don't recall anything in writing,</p> <p>14 but I'll check.</p> <p>15 Q. Do you recall sending him an e-mail</p> <p>16 in which you confirmed with Mr. Waterhouse your</p> <p>17 understanding that the debtor had agreed that</p> <p>18 the payments that were being paid would</p> <p>19 constitute a cure?</p> <p>20 A. No, I didn't – no. At the time I</p> <p>21 didn't think it was necessary. It was – the</p> <p>22 cure amount was calculated by Frank. It was</p> <p>23 paid immediately. It was accepted. I never –</p> <p>24 I never thought to memorialize it beyond that.</p> <p>25 Q. Okay. Did you – did you ever ask</p>	<p>Page 161</p> <p>1 JAMES DONDERO</p> <p>2 your attorneys to confirm with Pachulski Stang</p> <p>3 Ziehl & Jones or anybody acting on behalf of</p> <p>4 the debtor that the payments that were made</p> <p>5 would be deemed to be cure payments?</p> <p>6 MS. DEITSCH-PEREZ: I'm going to not</p> <p>7 to disclose communications with counsel.</p> <p>8 BY MR. MORRIS:</p> <p>9 Q. Okay. Do you know whether your</p> <p>10 lawyers or anybody acting on your behalf ever</p> <p>11 sought to confirm your understanding that the</p> <p>12 payments would be deemed to have cured the</p> <p>13 default under the three term notes?</p> <p>14 A. Not that I'm aware of.</p> <p>15 Q. Okay. Is there any written record</p> <p>16 of your call with Mr. Waterhouse?</p> <p>17 A. If it was from my cell phone, I'm</p> <p>18 sure there's a written record taking place of</p> <p>19 the call taking place.</p> <p>20 Q. Right. But did you take any notes,</p> <p>21 or is there anything in writing that</p> <p>22 memorialized or reflected your conversation</p> <p>23 with Mr. Waterhouse in January of 2021 about</p> <p>24 the cure?</p> <p>25 A. Not that I'm aware of and not that I</p>

<p>Page 162</p> <p>1 JAMES DONDERO</p> <p>2 thought was necessary.</p> <p>3 Q. Okay. Did – did you ever tell</p> <p>4 Judge Jernigan that you had made cure payments?</p> <p>5 A. I didn't know I'm allowed to have</p> <p>6 ex parte conversations with her, but there's a</p> <p>7 lot of things I'd like to tell her about this</p> <p>8 case; but no I did not.</p> <p>9 Q. All right. I'm not talking about</p> <p>10 ex parte conversations, sir. Let's take</p> <p>11 confirmation, for example.</p> <p>12 Did you or anybody acting on any of</p> <p>13 the defendants' behalf ever inform</p> <p>14 Judge Jernigan that Frank Waterhouse had told</p> <p>15 you that the payments in January 2021 would be</p> <p>16 deemed to be cure payments?</p> <p>17 A. Not that I'm aware of.</p> <p>18 Q. Thank you.</p> <p>19 MR. MORRIS: Give me one more</p> <p>20 moment. In fact, I'm going to ask for just</p> <p>21 three minutes. I'm going to check and see</p> <p>22 how much more I have here. It won't be</p> <p>23 long if I have anything. So let's go off</p> <p>24 the record.</p> <p>25 THE VIDEOGRAPHER: Would you like to</p>	<p>Page 163</p> <p>1 JAMES DONDERO</p> <p>2 go off the record?</p> <p>3 All right. We're off record at</p> <p>4 5:03.</p> <p>5 (Whereupon, a break was taken.)</p> <p>6 THE VIDEOGRAPHER: We are back on</p> <p>7 the record. The time is 5:06.</p> <p>8 MR. MORRIS: Okay. Asia, can you</p> <p>9 please put on the screen Exhibit 24, which</p> <p>10 are Mr. Dondero's written responses to</p> <p>11 discovery?</p> <p>12 MS. CANTY: (Complies with request.)</p> <p>13 (Whereupon, Exhibit 24, Defendant</p> <p>14 James Dondero's Objections and Responses to</p> <p>15 Plaintiff's Requests for Admission,</p> <p>16 Interrogatories, and Requests for</p> <p>17 Production, marked for identification, as</p> <p>18 of this date.)</p> <p>19 BY MR. MORRIS:</p> <p>20 Q. And Mr. Dondero, I don't know if you</p> <p>21 have that binder in front of you, but this is</p> <p>22 one of the documents that will be in there,</p> <p>23 Number 24.</p> <p>24 A. Number 24?</p> <p>25 Q. Yes, sir.</p>
<p>Page 164</p> <p>1 JAMES DONDERO</p> <p>2 MS. DEITSCH-PEREZ: Do you got it?</p> <p>3 THE WITNESS: Yes.</p> <p>4 BY MR. MORRIS:</p> <p>5 Q. Have you seen this document before,</p> <p>6 sir?</p> <p>7 A. No.</p> <p>8 Q. Let's go to page 15 and see if that</p> <p>9 refreshes your recollection.</p> <p>10 Is that your signature?</p> <p>11 A. Yes.</p> <p>12 MS. DEITSCH-PEREZ: Yeah. It's late</p> <p>13 in the day, John.</p> <p>14 THE WITNESS: Yes.</p> <p>15 MR. MORRIS: That's why I showed him</p> <p>16 the signature.</p> <p>17 BY MR. MORRIS:</p> <p>18 Q. Does that refresh your recollection</p> <p>19 that you've seen this before?</p> <p>20 A. No. It refreshes my recollection</p> <p>21 that I signed it.</p> <p>22 Q. Okay. And –</p> <p>23 A. Not that I recall – not that I</p> <p>24 looked at it in detail in any way.</p> <p>25 Q. Okay. Did you review it before you</p>	<p>Page 165</p> <p>1 JAMES DONDERO</p> <p>2 signed it?</p> <p>3 A. I – as I sit here today, I don't</p> <p>4 remember. So let's go through whatever</p> <p>5 questions you have.</p> <p>6 Q. Okay.</p> <p>7 MR. MORRIS: Go to page 8, please.</p> <p>8 MS. CANTY: (Complies with request.)</p> <p>9 BY MR. MORRIS:</p> <p>10 Q. You will see that Interrogatories 3</p> <p>11 and 4 ask in substance for you to admit that</p> <p>12 you never disclosed the terms or existence of</p> <p>13 the agreement to Frank Waterhouse prior to the</p> <p>14 commencement of the adversary proceeding.</p> <p>15 Do you see that?</p> <p>16 MS. DEITSCH-PEREZ: Wait. Object to</p> <p>17 the form. Those are two different</p> <p>18 requests.</p> <p>19 MR. MORRIS: Okay. Okay. I was</p> <p>20 trying to do this quickly. We'll do it –</p> <p>21 we'll do it – we'll do it your way?</p> <p>22 MS. DEITSCH-PEREZ: No. I think you</p> <p>23 – okay.</p> <p>24 BY MR. MORRIS:</p> <p>25 Q. So let's look at Request for</p>

<p>Page 166</p> <p>1 JAMES DONDERO</p> <p>2 Admission Number 3.</p> <p>3 Do you see that Highland asked you</p> <p>4 to admit, quote, "that prior to the</p> <p>5 commencement of the adversary proceeding, you</p> <p>6 never disclosed the terms of the agreement to</p> <p>7 Frank Waterhouse," close quote?</p> <p>8 A. That's on page 8, Number 3, right?</p> <p>9 Q. Correct. And you denied that,</p> <p>10 correct?</p> <p>11 A. Yes.</p> <p>12 Q. Okay. Did you disclose the terms of</p> <p>13 the agreement as we've defined that term to</p> <p>14 Frank Waterhouse prior to the commencement of</p> <p>15 the adversary proceeding?</p> <p>16 A. You know, what I've answered was a</p> <p>17 long answer earlier that the notes were</p> <p>18 compensation. The notes were to be – would be</p> <p>19 forgiven as part of compensation, shouldn't be</p> <p>20 included in any settlement.</p> <p>21 Frank and his group were deeply</p> <p>22 involved in all the plot plan and settlement,</p> <p>23 things that went back and forth. He knew.</p> <p>24 Now, whether he knew the specifics</p> <p>25 of the agreement in terms of, whether I ever</p>	<p>Page 167</p> <p>1 JAMES DONDERO</p> <p>2 discussed the MGM Cornerstone, Trustway, and</p> <p>3 the specifics of the agreement with him before,</p> <p>4 I don't – I don't know. So...</p> <p>5 Q. Do you –</p> <p>6 A. I think denying is appropriate, but</p> <p>7 I'm at not saying Frank knew the specifics of</p> <p>8 the agreement prior to the commencement of</p> <p>9 litigation.</p> <p>10 Q. Did you tell him that you had an</p> <p>11 agreement with the Dugaboy trustee?</p> <p>12 A. I told him there were mechanisms for</p> <p>13 forgiving the – or there were – there were</p> <p>14 mechanisms for the notes being compensation and</p> <p>15 not being part of any kind of cement or asset</p> <p>16 to the estate.</p> <p>17 Q. Okay. Do you recall telling him</p> <p>18 anything else during these conversations?</p> <p>19 A. No, I didn't – no. I didn't feel</p> <p>20 it necessary to talk to him about the</p> <p>21 specifics.</p> <p>22 Q. Okay. And do you recall having this</p> <p>23 discussion in any context other than in</p> <p>24 connection with the preparation of a settlement</p> <p>25 proposal?</p>
<p>Page 168</p> <p>1 JAMES DONDERO</p> <p>2 A. There wasn't another reason – there</p> <p>3 – no, I don't remember any other context.</p> <p>4 Q. Okay.</p> <p>5 A. But the settlements were regular and</p> <p>6 ongoing –</p> <p>7 Q. Okay.</p> <p>8 A. – in our mind, not in the</p> <p>9 Stonehill's mind.</p> <p>10 Q. Okay. Can you go – can we go to</p> <p>11 page 9, Request for Admission Number 8?</p> <p>12 A. Yes.</p> <p>13 Q. Number 8 we asked you to "admit that</p> <p>14 no document was created prior to the</p> <p>15 commencement of the adversary proceeding</p> <p>16 concerning the existence of the agreement."</p> <p>17 Have I read that right –</p> <p>18 A. I'm just reading what's on page 9,</p> <p>19 admit that prior to the agreement he never</p> <p>20 disclosed any other creditor.</p> <p>21 Q. No, no, no. I'm sorry. We're on</p> <p>22 Number 8.</p> <p>23 Can you read Number 8 out loud?</p> <p>24 A. Number 8, I'm sorry. Admit that no</p> <p>25 document was created prior to the commencement</p>	<p>Page 169</p> <p>1 JAMES DONDERO</p> <p>2 of the adversary proceeding concerning the</p> <p>3 existence of the agreement.</p> <p>4 Q. All right. So you've read that.</p> <p>5 And so my question to you is: Did you deny</p> <p>6 that because there are settlement proposals</p> <p>7 that you created that show zero value for the</p> <p>8 Promissory Notes at issue?</p> <p>9 A. Yes, partly.</p> <p>10 Q. Okay. What other documents were</p> <p>11 created prior to the commencement of the</p> <p>12 adversary proceeding that you contend concerned</p> <p>13 the existence of the agreement?</p> <p>14 A. I'm trying to think if the LPA does.</p> <p>15 Q. Okay. Anything else?</p> <p>16 A. No. That would be – that would be</p> <p>17 it.</p> <p>18 Q. Okay. Request for Admission</p> <p>19 Number 9, can you identify the creditor that</p> <p>20 caused you to deny the Request for Admission</p> <p>21 Number 9?</p> <p>22 A. I believe all the creditors via the</p> <p>23 settlement agreements; but, you know,</p> <p>24 specifically Clubock, you know, and to the</p> <p>25 extent Frank is a creditor, Frank.</p>

<p>Page 170</p> <p>1 JAMES DONDERO</p> <p>2 Q. But you just testified a few minutes</p> <p>3 ago, I thought, that you didn't specifically</p> <p>4 tell Mr. Waterhouse of the terms of the</p> <p>5 agreements to him, right? Did I miss –</p> <p>6 A. That's right. I mean, not the</p> <p>7 specific terms, correct.</p> <p>8 Q. Okay. So is there any creditor to</p> <p>9 whom you – is there any creditor of Highland's</p> <p>10 to whom you disclosed the existence of the</p> <p>11 agreements that you entered into with the</p> <p>12 Dugaboy trustee prior to the commencement of</p> <p>13 the adversary proceeding?</p> <p>14 MS. DEITSCH-PEREZ: Asked and</p> <p>15 answered.</p> <p>16 THE WITNESS: Yeah. I mean,</p> <p>17 generally, all the creditors via the</p> <p>18 settlement. And then we have lots of</p> <p>19 one-off conversations with Clubock</p> <p>20 representing UBS where the notes were</p> <p>21 described as going to be forgiven</p> <p>22 compensation, never part of the estate.</p> <p>23 BY MR. MORRIS:</p> <p>24 Q. All right. I don't – I don't want</p> <p>25 to wrestle with you.</p>	<p>Page 171</p> <p>1 JAMES DONDERO</p> <p>2 A. Sure.</p> <p>3 Q. I'm going to remind you that when I</p> <p>4 use the word "agreements," I'm referring</p> <p>5 specifically to the agreements that were set</p> <p>6 forth in paragraph 82 of your answer.</p> <p>7 Do you understand that?</p> <p>8 A. Yes. And so I guess my answer is</p> <p>9 generally but not specifically.</p> <p>10 Q. Okay. And when you say "generally,"</p> <p>11 you don't mean that you disclosed the existence</p> <p>12 or terms of the agreement to any creditor.</p> <p>13 What you mean is that you told all of the</p> <p>14 creditors that you believed that the notes</p> <p>15 should be forgiven as part of compensation.</p> <p>16 Do I have that right?</p> <p>17 A. Well, that they would be forgiven as</p> <p>18 part of compensation.</p> <p>19 Q. Okay. Subject to that correction,</p> <p>20 are we on the same page now?</p> <p>21 A. Yes.</p> <p>22 Q. Okay. Can we go to page 12,</p> <p>23 Interrogatory Number 2?</p> <p>24 A. This is still in Section 24?</p> <p>25 Q. Yes, sir.</p>
<p>Page 172</p> <p>1 JAMES DONDERO</p> <p>2 MS. DEITSCH-PEREZ: Object to the</p> <p>3 form.</p> <p>4 THE WITNESS: 24, I'm sorry.</p> <p>5 Page 2?</p> <p>6 BY MR. MORRIS:</p> <p>7 Q. Page 12.</p> <p>8 A. Page 12. Yes. Which one?</p> <p>9 Q. Number 2.</p> <p>10 A. All right.</p> <p>11 Q. You didn't identify any email</p> <p>12 correspondence in response to Interrogatory</p> <p>13 Number 2; is that correct?</p> <p>14 A. I don't have my e-mails. So we have</p> <p>15 painfully little from the Highland estate.</p> <p>16 Q. Okay.</p> <p>17 A. I think at the time we responded, we</p> <p>18 thought we might get access to things; but we</p> <p>19 haven't been able to come up with anything. We</p> <p>20 have – we have no access to anything.</p> <p>21 Q. Okay. So as you sit here today, you</p> <p>22 cannot identify any e-mail correspondence that</p> <p>23 discusses the existence of the agreement,</p> <p>24 correct?</p> <p>25 A. Not yet, no.</p>	<p>Page 173</p> <p>1 JAMES DONDERO</p> <p>2 (Whereupon, Exhibit 27, Defendant</p> <p>3 NexPoint Advisors, L.P.'s Objections and</p> <p>4 Responses to Plaintiff's Requests for</p> <p>5 Admission, Interrogatories, and Requests</p> <p>6 for Production, marked for identification,</p> <p>7 as of this date.)</p> <p>8 BY MR. MORRIS:</p> <p>9 Q. Let's go to Exhibit Number 27.</p> <p>10 A. Yes.</p> <p>11 Q. And if we can go to page 7.</p> <p>12 MR. MORRIS: I think – I don't know</p> <p>13 who's shuffling paper.</p> <p>14 BY MR. MORRIS:</p> <p>15 Q. But if we're at page 7, we're</p> <p>16 looking at Interrogatory Number 3.</p> <p>17 Is the reason for the denial – and</p> <p>18 I apologize. I may be going too quickly</p> <p>19 because I know we're all anxious to finish, but</p> <p>20 I do want to represent to you that we're</p> <p>21 looking at the discovery responses of NexPoint</p> <p>22 Advisors.</p> <p>23 A. Right.</p> <p>24 Q. And if we went to page 12, we'd find</p> <p>25 your signature on that one, okay? So looking</p>

<p>1 JAMES DONDERO</p> <p>2 at –</p> <p>3 A. Yes.</p> <p>4 Q. – Request for Admission Number 3,</p> <p>5 is your answer the same on behalf of NexPoint</p> <p>6 Advisors as it was for yourself as to why you</p> <p>7 denied Request for Admission Number 3?</p> <p>8 A. Yes.</p> <p>9 Q. Okay. If we can go to Request for</p> <p>10 Admission Number 6, that is the same Request</p> <p>11 for Admission that we talked about with respect</p> <p>12 to yourself in your individual capacity a</p> <p>13 moment ago.</p> <p>14 Is your reason for denying Request</p> <p>15 for Admission Number 6 the same reason that you</p> <p>16 gave for yourself?</p> <p>17 A. Yes.</p> <p>18 Q. And looking at Request for</p> <p>19 Admissions Number 7 and 8, is the reason that</p> <p>20 you denied those Requests for Admissions</p> <p>21 because you told Seery and the committee and</p> <p>22 Clubock that you wouldn't pay anything for the</p> <p>23 notes because they were supposed to be forgiven</p> <p>24 as part of your compensation?</p> <p>25 A. And the independent board, yes.</p>	<p>Page 174</p> <p>1 JAMES DONDERO</p> <p>2 Q. Okay. Is there any other reason</p> <p>3 that you denied Request for Admissions Number 7</p> <p>4 and 8?</p> <p>5 A. Not that I can think of at this</p> <p>6 point in time.</p> <p>7 I don't think the LPA applies much</p> <p>8 here, but I may be –</p> <p>9 MR. MORRIS: All right. I have no</p> <p>10 further questions.</p> <p>11 THE WITNESS: Wonderful. Thank you.</p> <p>12 Have a good evening.</p> <p>13 MR. MORRIS: Thank you. Take care.</p> <p>14 MS. DEITSCH-PEREZ: Thank you.</p> <p>15 MR. MORRIS: Bye now.</p> <p>16 THE VIDEOGRAPHER: All right. If</p> <p>17 there are no further questions, this</p> <p>18 concludes today's deposition. Volume II</p> <p>19 [sic] consists of three media. We are off</p> <p>20 the record at 5:21 p.m.</p> <p>21 THE COURT REPORTER: Everybody is</p> <p>22 leaving, and I wanted to get everybody's</p> <p>23 order on the record.</p> <p>24 MS. DEITSCH-PEREZ: I'd like the</p> <p>25 rough. And then the regular can be</p>
<p>1 JAMES DONDERO</p> <p>2 whenever you get the regular done. No</p> <p>3 special rush.</p> <p>4 THE COURT REPORTER: Okay. Thank</p> <p>5 you.</p> <p>6 MS. DEITSCH-PEREZ: You're welcome.</p> <p>7 THE COURT REPORTER: Ms. Canty, I</p> <p>8 think there's a standing order for a daily</p> <p>9 delivery – or an immediate delivery for</p> <p>10 your firm?</p> <p>11 MS. CANTY: Yes.</p> <p>12 THE COURT REPORTER: Okay. I just</p> <p>13 wanted to confirm that. I'll get that out</p> <p>14 tonight, then.</p> <p>15 MS. CANTY: Okay, thank you.</p> <p>16 (The witness is excused.)</p> <p>17 (Deposition of James Dondero</p> <p>18 concluded at 5:21 p.m. CDT.)</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	<p>Page 175</p> <p>1 C E R T I F I C A T E</p> <p>2</p> <p>3</p> <p>4 I, SUZANNE J. Dondero 2 THE VIDEOGRAPHER: Good morning. 3 My name is Manuel Garcia. I'm a 4 certified legal videographer in 5 association with TSG Reporting, Inc. 6 Due to the severity of COVID-19, 7 and following the practice of social 8 distancing, I will not be in the same 9 room with the witness, but will record 10 the deposition remotely. 11 The reporter, Annette Arlequin, 12 also will not be in the same room and 13 will swear the witness remotely. 14 Do all parties stipulate to the 15 validity of this video recording and 16 remote swearing, and that it will be 17 admissible in the courtroom as if it 18 had been taken following Rule 30 of the 19 Federal Rules of Civil Procedures and 20 the State's rules where this case is 21 pending? 22 MR. MORRIS: Yes. 23 I would ask if anybody objects, 24 to speak up. If you don't object, then 25 we're going to go on negative notice</p>
<p>Page 8</p> <p>1 N. Dondero 2 here. 3 (No response.) 4 MR. MORRIS: Thank you very much. 5 And just to be clear, as I 6 communicated with Debra last evening, 7 the court reporter is not currently in 8 the State of Texas. 9 And I understand that counsel for 10 all defendants in the notes litigation 11 have waived any objection to the fact 12 that the oath is being administered 13 outside of the state. 14 If anybody disagrees or objects 15 to that, please speak up now. 16 Thank you very much. 17 Okay. You can swear the witness. 18 * * * 19 NANCY DONDERO, called as a 20 witness, having been duly sworn by a 21 Notary Public, was examined and 22 testified as follows: 23 THE WITNESS: Yes. 24 EXAMINATION BY 25 MR. MORRIS:</p>	<p>Page 9</p> <p>1 N. Dondero 2 Q. Okay. Can you please state your 3 name for the record? 4 A. Nancy Dondero. 5 Q. And where are you located right 6 now, Ms. Dondero? 7 A. In the law office of Deborah 8 Deitsch-Perez. 9 Q. Are you in Dallas? 10 A. I am. 11 Q. Is there anybody in the room with 12 you right now? 13 A. Yes. 14 Q. Who is in the room with you? 15 A. Deborah Deitsch-Perez and Dan 16 Elms. 17 Q. Is there anybody else in the room 18 with you right now? 19 A. Electronically is Douglas Draper. 20 Q. Okay. Thank you very much. 21 Do you have a telephone with you 22 right now? 23 A. My cellphone? 24 Q. Yes. 25 A. Yes. It's in my purse.</p>

<p style="text-align: right;">Page 10</p> <p>1 N. Dondero</p> <p>2 Q. Is it turned off?</p> <p>3 A. It is – well, yes, um-hmm. It's</p> <p>4 on silent.</p> <p>5 Q. Okay. Thank you very much.</p> <p>6 My name is John Morris. I'm an</p> <p>7 attorney at Patchulski Stang Ziehl & Jones.</p> <p>8 We represent the reorganized Highland</p> <p>9 Capital Management LP, and we're here for</p> <p>10 your deposition today.</p> <p>11 Do you understand that?</p> <p>12 A. I do.</p> <p>13 Q. Okay. Do you understand that</p> <p>14 this deposition is being videotaped?</p> <p>15 A. Yes.</p> <p>16 Q. And do you understand that I may</p> <p>17 seek to use that videotape in a court of</p> <p>18 law?</p> <p>19 A. Yes.</p> <p>20 Q. Do you understand that you're not</p> <p>21 allowed to communicate with anybody</p> <p>22 concerning the substance of your testimony</p> <p>23 until the deposition is completed?</p> <p>24 A. Yes.</p> <p>25 Q. Is there anything that would</p>	<p style="text-align: right;">Page 11</p> <p>1 N. Dondero</p> <p>2 prevent you from answering my questions</p> <p>3 today?</p> <p>4 A. No.</p> <p>5 Q. Do you have any problems with</p> <p>6 your memory?</p> <p>7 A. No.</p> <p>8 Q. Are you on any drugs or</p> <p>9 medications that might impair your ability</p> <p>10 to answer questions today?</p> <p>11 A. No.</p> <p>12 Q. Have you ever been deposed</p> <p>13 before?</p> <p>14 A. Once, a number of years ago.</p> <p>15 Q. Do you recall the subject matter</p> <p>16 of the testimony or the circumstances in</p> <p>17 which you gave a deposition?</p> <p>18 A. Personal injury.</p> <p>19 Q. And were you a witness or were</p> <p>20 you the plaintiff in that matter?</p> <p>21 A. Plaintiff.</p> <p>22 Q. Okay. So let me just give you</p> <p>23 the general ground rules so that there's –</p> <p>24 so that this can be efficient.</p> <p>25 This is a very difficult process</p>
<p style="text-align: right;">Page 12</p> <p>1 N. Dondero</p> <p>2 in normal times. It's particularly</p> <p>3 difficult because we're doing this</p> <p>4 remotely.</p> <p>5 So it is very important that you</p> <p>6 allow me to finish my question before you</p> <p>7 begin your answer.</p> <p>8 Is that fair?</p> <p>9 A. Yes.</p> <p>10 Q. And it's very important that I</p> <p>11 allow you to finish your answers before I</p> <p>12 begin the next question.</p> <p>13 And if I fail to do that, will</p> <p>14 you let me know?</p> <p>15 A. I will.</p> <p>16 Q. Okay. If there is anything that</p> <p>17 I ask you that you don't understand, will</p> <p>18 you let me know that?</p> <p>19 A. Yes.</p> <p>20 Q. Okay. From time to time, we're</p> <p>21 going to put some documents on the screen.</p> <p>22 It's not a – you know, it's not intended</p> <p>23 to be a test.</p> <p>24 If you see a document on the</p> <p>25 screen and you think that you need to see a</p>	<p style="text-align: right;">Page 13</p> <p>1 N. Dondero</p> <p>2 different portion of the document to put</p> <p>3 what I'm asking you about in context, will</p> <p>4 you let me know that?</p> <p>5 A. Yes.</p> <p>6 Q. Okay. I sent down to your lawyer</p> <p>7 last week 29 hard copies of certain</p> <p>8 documents.</p> <p>9 Do you have those handy?</p> <p>10 A. The big binder?</p> <p>11 Q. Yes.</p> <p>12 A. Yes.</p> <p>13 Q. Okay. All right. We may refer</p> <p>14 to those –</p> <p>15 MR. RUKAVINA: John, hold up for</p> <p>16 a second. This is the Davor Rukavina.</p> <p>17 I'm one of the attorneys defending two</p> <p>18 of the defendants. I just – we</p> <p>19 haven't taken appearances, John. I</p> <p>20 just want to make sure that the record</p> <p>21 is clear that Deborah will be</p> <p>22 objecting, Ms. Deitsch-Perez will be</p> <p>23 objecting for me so that I don't have</p> <p>24 you to object. In other words, when</p> <p>25 she objects, consider it an objection</p>

<p>Page 14</p> <p>1 N. Dondero</p> <p>2 on behalf of my clients NexPoint and</p> <p>3 HCM Financial Advisors.</p> <p>4 Is that acceptable, John?</p> <p>5 MR. MORRIS: Yes.</p> <p>6 MR. RUKAVINA: Thank you. Then</p> <p>7 there is no need for me to speak.</p> <p>8 MR. MORRIS: Okay. We'll miss</p> <p>9 you.</p> <p>10 BY MR. MORRIS:</p> <p>11 Q. If you need a break at any time,</p> <p>12 will you let me know that?</p> <p>13 A. Yes.</p> <p>14 Q. Okay. It's very important that</p> <p>15 all of your responses to my questions be</p> <p>16 verbal so that the court reporter can take</p> <p>17 it down, okay?</p> <p>18 A. Okay.</p> <p>19 Q. And you do understand that the</p> <p>20 court reporter is going to record and</p> <p>21 transcribe every word that you and I say</p> <p>22 today, okay?</p> <p>23 A. Yes.</p> <p>24 Q. Okay. From time to time, a</p> <p>25 lawyer might object to one of my questions.</p>	<p>Page 15</p> <p>1 N. Dondero</p> <p>2 That gives me the opportunity to think</p> <p>3 about whether or not the answer to the</p> <p>4 question would be admissible if I didn't</p> <p>5 correct it.</p> <p>6 I may ask you to just answer the</p> <p>7 question because I don't think the</p> <p>8 objection is going to be sustained. Just</p> <p>9 let the lawyers do their thing. And unless</p> <p>10 your lawyer directs you not to answer a</p> <p>11 question, I would ask that you answer every</p> <p>12 question that I ask, okay?</p> <p>13 A. Yes.</p> <p>14 Q. Thank you.</p> <p>15 That's where you need to give the</p> <p>16 verbal answer.</p> <p>17 Just to go through a couple of</p> <p>18 definitions so that I don't have to say</p> <p>19 full names on certain things throughout the</p> <p>20 day.</p> <p>21 If I use the word "Dugaboy," will</p> <p>22 you understand that I'm referring to The</p> <p>23 Dugaboy Investment Trust?</p> <p>24 A. Yes.</p> <p>25 Q. If I use the word "Highland,"</p>
<p>Page 16</p> <p>1 N. Dondero</p> <p>2 will you understand that I'm referring only</p> <p>3 to the entity that was known as Highland</p> <p>4 Capital Management LP, both before the</p> <p>5 bankruptcy filing and after the bankruptcy</p> <p>6 filing?</p> <p>7 A. Okay.</p> <p>8 Q. If I use the phrase "LP</p> <p>9 agreement" – withdrawn.</p> <p>10 Are you familiar with the fourth</p> <p>11 amended and restated limited partnership</p> <p>12 agreement of Highland Capital Management</p> <p>13 LP?</p> <p>14 A. Yes.</p> <p>15 Q. Okay. And if I refer to that</p> <p>16 document as the "LP agreement," will you</p> <p>17 understand what I'm referring to?</p> <p>18 A. Yes.</p> <p>19 Q. Do you understand that you're</p> <p>20 here today both in your individual capacity</p> <p>21 and in your capacity as the trustee or the</p> <p>22 30 – what's called the 30(b)(6)</p> <p>23 representative for Dugaboy?</p> <p>24 A. Yes.</p> <p>25 Q. And have you done anything to</p>	<p>Page 17</p> <p>1 N. Dondero</p> <p>2 prepare for today's deposition?</p> <p>3 A. Yes.</p> <p>4 Q. Can you tell me what you did to</p> <p>5 prepare for today's deposition?</p> <p>6 A. I met with my attorney. And I</p> <p>7 reviewed your big binder.</p> <p>8 Q. When did you meet with your</p> <p>9 attorneys?</p> <p>10 A. Yesterday.</p> <p>11 Q. Is that the only time that you</p> <p>12 conferred with your attorneys in</p> <p>13 preparation for today's deposition?</p> <p>14 A. In person, yes.</p> <p>15 Q. Okay. And how long did you meet</p> <p>16 in person yesterday?</p> <p>17 A. Four hours, four and a half</p> <p>18 hours.</p> <p>19 Q. And where did you meet?</p> <p>20 A. At Deborah's office.</p> <p>21 Q. And was anybody present there</p> <p>22 other than your attorneys?</p> <p>23 A. No.</p> <p>24 Q. Was anybody on speakerphone or</p> <p>25 otherwise communicating during the meeting</p>

<p>Page 18</p> <p>1 N. Dondero</p> <p>2 that was not one of your attorneys?</p> <p>3 A. No.</p> <p>4 Q. I think you mentioned, or you may</p> <p>5 have implied, that you communicated with</p> <p>6 your attorneys in preparation for today's</p> <p>7 deposition but it wasn't in person.</p> <p>8 Do I have that right?</p> <p>9 A. Correct.</p> <p>10 Q. Okay. Did you speak with them on</p> <p>11 the phone?</p> <p>12 A. Zoom meeting.</p> <p>13 Q. And how many Zoom meetings did</p> <p>14 you have in preparation for today's</p> <p>15 deposition?</p> <p>16 A. Three.</p> <p>17 Q. Okay. And can you tell me when</p> <p>18 those three Zoom meetings occurred?</p> <p>19 A. Wednesday, Thursday, and Friday.</p> <p>20 Q. And can you tell me how long each</p> <p>21 of those meetings took place, each of those</p> <p>22 Zoom meetings took place?</p> <p>23 A. Approximately an hour.</p> <p>24 Q. Did anybody other than your</p> <p>25 attorneys participate in any of those three</p>	<p>Page 19</p> <p>1 N. Dondero</p> <p>2 Zoom meetings?</p> <p>3 A. No.</p> <p>4 Q. Did you review any documents in</p> <p>5 preparation for today's deposition other</p> <p>6 than the documents that I provided?</p> <p>7 A. No.</p> <p>8 MS. DEITSCH-PEREZ: To be fair, I</p> <p>9 think we did give her the Dugaboy</p> <p>10 notice. I don't remember if it's in</p> <p>11 your binder.</p> <p>12 MR. MORRIS: Deborah, are you</p> <p>13 referring to the 30(b)(6) notice?</p> <p>14 MS. DEITSCH-PEREZ: Yes.</p> <p>15 MR. MORRIS: I appreciate that.</p> <p>16 It was not in the binder.</p> <p>17 BY MR. MORRIS:</p> <p>18 Q. Other than the 30(b)(6) notice</p> <p>19 that was in the binder and the 29 documents</p> <p>20 that I provided to you, did you review</p> <p>21 anything else, Ms. Dondero, in preparation</p> <p>22 for today's deposition?</p> <p>23 A. Not that I'm aware of.</p> <p>24 Q. Was your brother present or did</p> <p>25 your brother participate in any of the four</p>
<p>Page 20</p> <p>1 N. Dondero</p> <p>2 preparation meetings that you described?</p> <p>3 A. No.</p> <p>4 Q. Since the beginning of the year,</p> <p>5 since January 1st, 2021, have you</p> <p>6 communicated with your brother at any time</p> <p>7 about the promissory notes that are the</p> <p>8 subject of this litigation?</p> <p>9 A. Not that I recall.</p> <p>10 Q. You don't recall ever speaking to</p> <p>11 your brother in 2021 about the promissory</p> <p>12 notes that are the subject of the</p> <p>13 litigation.</p> <p>14 Do I have that right?</p> <p>15 A. That's correct. I do not recall.</p> <p>16 Q. Do you recall if you had any</p> <p>17 conversations with your brother at any time</p> <p>18 in 2021 about any of the defenses that he</p> <p>19 is asserting in the litigation?</p> <p>20 A. What do you – can you be more</p> <p>21 specific?</p> <p>22 Q. Are you aware that your brother</p> <p>23 is a defendant in the lawsuits in which –</p> <p>24 withdrawn.</p> <p>25 Are you aware that you are a</p>	<p>Page 21</p> <p>1 N. Dondero</p> <p>2 defendant in certain lawsuits?</p> <p>3 A. Yes.</p> <p>4 Q. Are you aware that your brother</p> <p>5 is also a defendant in certain lawsuits?</p> <p>6 A. Yes.</p> <p>7 Q. Are you aware that your brother</p> <p>8 has asserted certain defenses to the claims</p> <p>9 that are being asserted against him in</p> <p>10 those lawsuits?</p> <p>11 A. Yes.</p> <p>12 Q. Did you ever discuss with your</p> <p>13 brother at any time in 2021 any aspect of</p> <p>14 the defenses that he is asserting in the</p> <p>15 lawsuits?</p> <p>16 A. No.</p> <p>17 Q. Did you discuss with your brother</p> <p>18 at any time in 2021 who would represent you</p> <p>19 in connection with the lawsuits?</p> <p>20 A. No, I don't believe so.</p> <p>21 Q. Did you communicate with your –</p> <p>22 and when I use the word "communication," I</p> <p>23 want to be clear, I mean any form of</p> <p>24 communication; either a meeting in public,</p> <p>25 on the telephone, by email or text.</p>

<p>Page 22</p> <p>1 N. Dondero</p> <p>2 Do you understand that?</p> <p>3 A. Yes.</p> <p>4 Q. Okay. Did you -- and did you</p> <p>5 understand that when I asked the last few</p> <p>6 questions about your communications with</p> <p>7 your brother?</p> <p>8 A. Yes, sir.</p> <p>9 Q. Okay. In 2021, had you</p> <p>10 communicated with your brother at any time</p> <p>11 about who would represent Dugaboy?</p> <p>12 A. Not that I remember.</p> <p>13 Q. You're the trustee of Dugaboy.</p> <p>14 Do I have that right?</p> <p>15 A. Yes.</p> <p>16 Q. Okay. And Mr. Draper represents</p> <p>17 Dugaboy in Highland's bankruptcy case; is</p> <p>18 that right?</p> <p>19 A. Yes, sir.</p> <p>20 Q. Your brother and people working</p> <p>21 for him identified and selected Mr. Draper</p> <p>22 to serve as Dugaboy's counsel, correct?</p> <p>23 MS. DEITSCH-PEREZ: Object to the</p> <p>24 form.</p> <p>25 A. I'm sorry. Can you ask that</p>	<p>Page 23</p> <p>1 N. Dondero</p> <p>2 again?</p> <p>3 Q. Sure.</p> <p>4 Your brother -- you didn't select</p> <p>5 Mr. Draper to represent Dugaboy; is that</p> <p>6 right?</p> <p>7 MS. DEITSCH-PEREZ: Object to the</p> <p>8 form.</p> <p>9 A. I believe he was referred.</p> <p>10 Q. And who was he referred to?</p> <p>11 A. Me.</p> <p>12 Q. Who referred Mr. Draper to you?</p> <p>13 A. I do not remember.</p> <p>14 Q. It's your testimony that</p> <p>15 Mr. Draper was referred to you, and you</p> <p>16 decided to retain Mr. Draper?</p> <p>17 A. I don't -- I don't know.</p> <p>18 Q. Do you know who decided to retain</p> <p>19 Mr. Draper?</p> <p>20 A. I do not.</p> <p>21 Q. Do you know who identified</p> <p>22 Mr. Draper as a possible attorney for</p> <p>23 Dugaboy?</p> <p>24 A. I do not know.</p> <p>25 Q. Do you know when Mr. Draper was</p>
<p>Page 24</p> <p>1 N. Dondero</p> <p>2 retained?</p> <p>3 A. No.</p> <p>4 Q. Do you recall when you first</p> <p>5 spoke to Mr. Draper -- withdrawn.</p> <p>6 Do you recall when you first</p> <p>7 communicated with Mr. Draper?</p> <p>8 A. A couple of months ago.</p> <p>9 Q. Would it have been before or</p> <p>10 after July 1st, 2021?</p> <p>11 A. I don't know.</p> <p>12 Q. It might have been before; it</p> <p>13 might have been after.</p> <p>14 Do I have that right?</p> <p>15 A. Correct.</p> <p>16 Q. Can you identify any matter that</p> <p>17 Mr. Draper has handled in the Highland</p> <p>18 bankruptcy other than his representation of</p> <p>19 Dugaboy in these notes litigations?</p> <p>20 A. I would have to look. I don't</p> <p>21 know offhand.</p> <p>22 MS. DEITSCH-PEREZ: Yeah, John, I</p> <p>23 don't -- this isn't a topic on the</p> <p>24 Dugaboy 30(b)(6). If you need her to</p> <p>25 go back and check the engagement -- I</p>	<p>Page 25</p> <p>1 N. Dondero</p> <p>2 mean, it's not something that I believe</p> <p>3 she's been prepared on. And so I don't</p> <p>4 think it's fair to have a memory test</p> <p>5 on the dates of these things.</p> <p>6 MR. MORRIS: Okay. I appreciate</p> <p>7 that, Deborah. I'm asking -- so let's</p> <p>8 clarify and say this was not a 30(b)(6)</p> <p>9 topic. It's not something that she</p> <p>10 should have prepared for. But I -- she</p> <p>11 is here in her individual capacity, and</p> <p>12 I'll stipulate that these particular</p> <p>13 questions are in her individual</p> <p>14 capacity.</p> <p>15 MS. DEITSCH-PEREZ: Well, but in</p> <p>16 her individual capacity, it's not the</p> <p>17 subject of the notes litigation. And</p> <p>18 then I would object that it's really</p> <p>19 beyond the scope.</p> <p>20 MR. MORRIS: Okay. There is no</p> <p>21 scope because she's here in her</p> <p>22 individual capacity. But the objection</p> <p>23 is noted. Thank you very much.</p> <p>24 MS. DEITSCH-PEREZ: Thank you.</p> <p>25 BY MR. MORRIS:</p>

<p style="text-align: right;">Page 26</p> <p>1 N. Dondero</p> <p>2 Q. Did you ever consider hiring an</p> <p>3 attorney for Dugaboy other than Mr. Draper?</p> <p>4 A. No.</p> <p>5 Q. Did you ever spend any time</p> <p>6 trying to identify an attorney who would</p> <p>7 represent Dugaboy?</p> <p>8 A. No.</p> <p>9 Q. The Stinson firm represents you</p> <p>10 personally in this litigation; is that</p> <p>11 right?</p> <p>12 A. That's incorrect.</p> <p>13 Q. Who – do you know the name of</p> <p>14 Ms. Deitsch-Perez's law firm?</p> <p>15 A. Her law firm is Stinson.</p> <p>16 Q. And does that law firm represent</p> <p>17 you in your individual capacity?</p> <p>18 A. Okay.</p> <p>19 Q. That's okay.</p> <p>20 A. She represents – okay. Dan is</p> <p>21 here representing me personally.</p> <p>22 Q. Okay. And Dan is with the</p> <p>23 Stinson firm, correct?</p> <p>24 A. That's incorrect.</p> <p>25 Q. What firm –</p>	<p style="text-align: right;">Page 27</p> <p>1 N. Dondero</p> <p>2 A. Dan is with Greenberg Traurig.</p> <p>3 Q. Ah. And I appreciate that.</p> <p>4 A. Sure.</p> <p>5 Q. Is that Dan Elms?</p> <p>6 A. Correct.</p> <p>7 Q. When did you retain Mr. Elms?</p> <p>8 A. Mid to late summer.</p> <p>9 Q. How did you identify Mr. Elms as</p> <p>10 your counsel?</p> <p>11 A. He was referred by Deborah.</p> <p>12 Q. And Deborah is Deborah</p> <p>13 Deitsch-Perez, counsel for certain other</p> <p>14 defendants in this lawsuit; is that right?</p> <p>15 A. Correct.</p> <p>16 Q. Okay. Did you consider hiring</p> <p>17 anybody to represent you in this litigation</p> <p>18 other than Mr. Elms?</p> <p>19 A. No. I trusted Deborah's</p> <p>20 referral.</p> <p>21 Q. Had you worked with Deborah</p> <p>22 before she referred Mr. Elms to you?</p> <p>23 A. On this matter? Yes.</p> <p>24 Q. On any other matters?</p> <p>25 A. No.</p>
<p style="text-align: right;">Page 28</p> <p>1 N. Dondero</p> <p>2 Q. When did you first communicate</p> <p>3 with Ms. Deitsch-Perez?</p> <p>4 A. Prior to this deposition being</p> <p>5 scheduled in June.</p> <p>6 Q. Was she your counsel at the time?</p> <p>7 A. Yes.</p> <p>8 Q. When did you retain her?</p> <p>9 A. To the best of my recollection,</p> <p>10 it had to be late April or May of this</p> <p>11 year.</p> <p>12 Q. So Ms. Deitsch-Perez was</p> <p>13 representing you and your brother at the</p> <p>14 same time? Do I have that right?</p> <p>15 A. Yes.</p> <p>16 Q. Do you have any agreements of any</p> <p>17 kind with your brother concerning these</p> <p>18 lawsuits?</p> <p>19 Withdrawn. That wasn't a good</p> <p>20 question.</p> <p>21 Do you have any agreements or</p> <p>22 understandings with your brother concerning</p> <p>23 the defense of these lawsuits?</p> <p>24 A. I'm sorry. I don't understand</p> <p>25 the question.</p>	<p style="text-align: right;">Page 29</p> <p>1 N. Dondero</p> <p>2 Q. Have you heard the word</p> <p>3 "indemnification" before or "indemnity"?</p> <p>4 A. Yes.</p> <p>5 Q. Okay. Do you have an</p> <p>6 understanding of what that means?</p> <p>7 A. Generally.</p> <p>8 Q. What's your general understanding</p> <p>9 of the term "indemnity"?</p> <p>10 A. That one forgives another</p> <p>11 person's error.</p> <p>12 Q. Okay. I'm going to try and give</p> <p>13 you a little bit of a different definition</p> <p>14 and see if you understand it.</p> <p>15 Did your brother ever offer to</p> <p>16 satisfy and pay any judgment that might be</p> <p>17 entered against you in connection with</p> <p>18 these litigations?</p> <p>19 A. No.</p> <p>20 Q. Do you have any agreement of any</p> <p>21 kind or any understanding that he would be</p> <p>22 responsible for the outcome of these</p> <p>23 lawsuits?</p> <p>24 A. Only what is written in the trust</p> <p>25 agreement.</p>

<p>Page 30</p> <p>1 N. Dondero</p> <p>2 Q. Do you know whether the trust</p> <p>3 agreement protects you in your individual</p> <p>4 capacity as opposed to your capacity as the</p> <p>5 trustee of the Dugaboy trust?</p> <p>6 MS. DEITSCH-PEREZ: Object to the</p> <p>7 form.</p> <p>8 A. I'm sorry. Can you reask that</p> <p>9 question, Mr. Morris?</p> <p>10 Q. Sure.</p> <p>11 Do you know whether the trust</p> <p>12 agreement indemnifies you in your</p> <p>13 individual capacity, or is it only in your</p> <p>14 capacity as the trustee of the Dugaboy</p> <p>15 trust?</p> <p>16 MS. DEITSCH-PEREZ: Object to the</p> <p>17 form.</p> <p>18 A. That's a legal question I don't</p> <p>19 feel comfortable answering.</p> <p>20 Q. All right. I appreciate that it</p> <p>21 may have legal implications, but I just</p> <p>22 want to know what is in your head as a</p> <p>23 factual matter.</p> <p>24 Is it your personal</p> <p>25 understanding, whether it's right or wrong,</p>	<p>Page 31</p> <p>1 N. Dondero</p> <p>2 that you are indemnified in your personal</p> <p>3 capacity under the trust, under the Dugaboy</p> <p>4 trust?</p> <p>5 MS. DEITSCH-PEREZ: Object to the</p> <p>6 form.</p> <p>7 A. I would have to think about that.</p> <p>8 Q. Okay. Did your brother ever</p> <p>9 offer to pay any costs and expenses that</p> <p>10 you incur in your personal capacity in</p> <p>11 connection with this lawsuit?</p> <p>12 A. I don't understand.</p> <p>13 Q. Okay. So you're a defendant in</p> <p>14 your individual capacity in four different</p> <p>15 lawsuits.</p> <p>16 Do you understand that?</p> <p>17 A. Yes.</p> <p>18 Q. And Dugaboy is also a defendant</p> <p>19 in the same lawsuits, right?</p> <p>20 A. Yes.</p> <p>21 Q. Okay. So I'm asking you whether</p> <p>22 your brother ever offered to pay any costs</p> <p>23 or expenses that you incur in your</p> <p>24 individual capacity in connection with</p> <p>25 these lawsuits?</p>
<p>Page 32</p> <p>1 N. Dondero</p> <p>2 A. No.</p> <p>3 Q. Okay. Greenberg Taurig only</p> <p>4 represents you in your individual capacity.</p> <p>5 Do I have that right?</p> <p>6 A. Yes.</p> <p>7 Q. Okay. Do you have any agreement</p> <p>8 with anybody as to who would pay the</p> <p>9 invoices rendered by Greenberg Taurig?</p> <p>10 A. Yes.</p> <p>11 Q. And what agreement is that?</p> <p>12 A. That Dugaboy will pay Greenberg</p> <p>13 Taurig's expenses, bills.</p> <p>14 Q. Okay. So pursuant to that</p> <p>15 agreement, you won't have to pay any legal</p> <p>16 expenses associated with the defense of</p> <p>17 these lawsuits in your individual capacity.</p> <p>18 Do I have that right?</p> <p>19 A. Yes, sir.</p> <p>20 Q. Okay. Let's just get some</p> <p>21 background here.</p> <p>22 Are you currently employed,</p> <p>23 ma'am?</p> <p>24 A. I am.</p> <p>25 Q. By whom?</p>	<p>Page 33</p> <p>1 N. Dondero</p> <p>2 A. Crescent Research Services.</p> <p>3 Q. Do you have a direct or indirect</p> <p>4 ownership in that entity?</p> <p>5 A. I do.</p> <p>6 Q. And what is the nature of your</p> <p>7 interest?</p> <p>8 A. I own the company.</p> <p>9 Q. 100 percent; is that fair?</p> <p>10 A. Yes.</p> <p>11 Q. Okay. And what is the nature of</p> <p>12 the business of Crescent Research?</p> <p>13 A. It's an investigative firm.</p> <p>14 Q. And do you oversee the day-to-day</p> <p>15 operations of Crescent Research?</p> <p>16 A. I do.</p> <p>17 Q. And how many employees does</p> <p>18 Crescent Research have?</p> <p>19 A. I have an outside contractor at</p> <p>20 certain times when the workload demands it.</p> <p>21 Otherwise, it is just me.</p> <p>22 Q. Okay. And how long have you</p> <p>23 owned and operated Crescent Research?</p> <p>24 A. Since 1997.</p> <p>25 Q. Have you owned and operated</p>

<p>Page 34</p> <p>1 N. Dondero</p> <p>2 Crescent Research on a continuous basis</p> <p>3 since 1997 until today?</p> <p>4 A. Correct.</p> <p>5 Q. Have you had any other employment</p> <p>6 since 1997 other than the work that you do</p> <p>7 for Crescent Research?</p> <p>8 A. No.</p> <p>9 Q. Did you obtain a college degree?</p> <p>10 A. I did.</p> <p>11 Q. Where did you attend college?</p> <p>12 A. Penn State.</p> <p>13 Q. And you graduated from Penn</p> <p>14 State?</p> <p>15 A. Correct.</p> <p>16 Q. And when was that?</p> <p>17 A. 1987.</p> <p>18 Q. What was your degree in?</p> <p>19 A. Hotel restaurant management.</p> <p>20 Q. Was it a BA or BS?</p> <p>21 A. I believe it's a BS.</p> <p>22 Q. Okay. Do you have any</p> <p>23 postgraduate degrees?</p> <p>24 A. No.</p> <p>25 Q. Do you hold any licenses of any</p>	<p>Page 35</p> <p>1 N. Dondero</p> <p>2 kind other than your driver's license?</p> <p>3 A. I do.</p> <p>4 Q. Can you describe for me every</p> <p>5 license that you hold other than your</p> <p>6 driver's license?</p> <p>7 A. I'm a real estate agent. I am</p> <p>8 notary. I have several professional</p> <p>9 licenses. Asset recovery specialist.</p> <p>10 Those are off the top of my head that I</p> <p>11 remember.</p> <p>12 Q. What is an asset recovery</p> <p>13 specialist license?</p> <p>14 A. It's licensed through – I don't</p> <p>15 remember the organization. You have to –</p> <p>16 I'm not sure how to answer that,</p> <p>17 Mr. Morris.</p> <p>18 Q. Can you tell me what asset</p> <p>19 recovery is generally in the context of</p> <p>20 your license?</p> <p>21 A. Certainly.</p> <p>22 It's finding assets for companies</p> <p>23 that have gone bankrupt.</p> <p>24 Q. So do you typically get hired by</p> <p>25 an estate fiduciary, a bankruptcy estate</p>
<p>Page 36</p> <p>1 N. Dondero</p> <p>2 fiduciary?</p> <p>3 A. I haven't done asset recovery in</p> <p>4 a number of years.</p> <p>5 Q. Okay. As opposed to licenses, do</p> <p>6 you have any certifications of any kind?</p> <p>7 A. Not that I recall.</p> <p>8 Q. Can you tell me generally what</p> <p>9 you did professionally between the time you</p> <p>10 graduated from Penn State in 1987 and the</p> <p>11 time you formed and began working for</p> <p>12 Crescent Research?</p> <p>13 A. Immediately out of college, I</p> <p>14 worked for a company called Royal Schutt.</p> <p>15 Is an investigative firm. I built up their</p> <p>16 background division. The company closed.</p> <p>17 I took the background division and opened</p> <p>18 up a company called Info-Back Services. I</p> <p>19 ran that for a number of years in New</p> <p>20 Jersey.</p> <p>21 When I moved to Florida, I</p> <p>22 transferred that company and it became</p> <p>23 Crescent Research Services.</p> <p>24 We predominately do preemployment</p> <p>25 background screening, tenant research, and</p>	<p>Page 37</p> <p>1 N. Dondero</p> <p>2 I do a lot of trial prep for various</p> <p>3 attorneys.</p> <p>4 Q. All right. I think you mentioned</p> <p>5 three things. The first was preemployment</p> <p>6 background.</p> <p>7 Do I have that right?</p> <p>8 A. Yes.</p> <p>9 Q. And can you just describe</p> <p>10 generally what preemployment background</p> <p>11 pertains to?</p> <p>12 A. When people are applying for a</p> <p>13 job, I do the screening on their</p> <p>14 application prior to them being hired.</p> <p>15 Q. Okay. And what was the second</p> <p>16 piece?</p> <p>17 A. I do tenant screening as well,</p> <p>18 which is the equivalent for people renting</p> <p>19 properties.</p> <p>20 And the third component would be</p> <p>21 trial prep.</p> <p>22 Q. And what about trial prep? What</p> <p>23 does that mean? Can you help me to</p> <p>24 understand what investigative services you</p> <p>25 provide in the area of trial prep?</p>

<p style="text-align: right;">Page 38</p> <p>1 N. Dondero</p> <p>2 A. Certainly.</p> <p>3 I work for private attorneys. I</p> <p>4 worked for the public defender's office.</p> <p>5 I've worked to capital murder cases on</p> <p>6 down. I look for discrepancies in</p> <p>7 statements. I find witnesses, take</p> <p>8 statements and so forth. I help the lawyer</p> <p>9 prepare for trial.</p> <p>10 Q. Okay. You're familiar with a</p> <p>11 company, the company that we identified</p> <p>12 earlier, called Highland Capital Management</p> <p>13 LP?</p> <p>14 Do I have that right?</p> <p>15 A. Yes.</p> <p>16 Q. Oh, by the way, did you ever hear</p> <p>17 of a person named James P. Seery, Jr.?</p> <p>18 A. In regards to this case, yes.</p> <p>19 Q. Did you ever investigate</p> <p>20 Mr. Seery?</p> <p>21 A. No.</p> <p>22 Q. Did you ever investigate any of</p> <p>23 the independent directors who were</p> <p>24 appointed at Strand Advisors?</p> <p>25 A. Can you tell me who they are?</p>	<p style="text-align: right;">Page 39</p> <p>1 N. Dondero</p> <p>2 Q. Russell Nelms or John Dubel?</p> <p>3 A. No.</p> <p>4 Q. Have you undertaken any</p> <p>5 investigation of any current or former</p> <p>6 employee of Highland since October 19th,</p> <p>7 2019?</p> <p>8 A. No.</p> <p>9 Q. Are you aware that Highland is</p> <p>10 the company that your brother founded with</p> <p>11 Mark Okada in the 1990s?</p> <p>12 A. Yes.</p> <p>13 Q. And you're aware that Highland</p> <p>14 filed for bankruptcy, correct?</p> <p>15 A. Yes.</p> <p>16 Q. Do you know when that occurred?</p> <p>17 A. October of '19, I believe.</p> <p>18 Q. Okay. I'll tell you it is</p> <p>19 October 19th, 2019. And if it's okay with</p> <p>20 you, I'd like to refer to October 19th,</p> <p>21 2019, as the petition date.</p> <p>22 Is that okay?</p> <p>23 A. Certainly.</p> <p>24 Q. Okay. When did you find out that</p> <p>25 Highland filed for bankruptcy?</p>
<p style="text-align: right;">Page 40</p> <p>1 N. Dondero</p> <p>2 A. It was either the day after --</p> <p>3 when it appeared in the Dallas Morning</p> <p>4 News.</p> <p>5 Q. So you didn't have any advanced</p> <p>6 notice that your brother was going to file</p> <p>7 Highland for bankruptcy; is that right?</p> <p>8 A. I did not.</p> <p>9 Q. Did you speak to your brother</p> <p>10 after learning that Highland filed for</p> <p>11 bankruptcy?</p> <p>12 A. I would imagine I called him,</p> <p>13 sure.</p> <p>14 Q. Do you have any recollection of</p> <p>15 what was said in the phone call that you</p> <p>16 imagine occurred?</p> <p>17 A. No.</p> <p>18 Q. Okay. Do you directly or</p> <p>19 indirectly own any economic interest in</p> <p>20 Highland today?</p> <p>21 A. No.</p> <p>22 Q. Do you understand that if I use</p> <p>23 the phrase "directly or indirectly," I'm</p> <p>24 asking whether you own it in your personal</p> <p>25 name or through a company that you might</p>	<p style="text-align: right;">Page 41</p> <p>1 N. Dondero</p> <p>2 own, such as Crescent Research?</p> <p>3 A. Okay.</p> <p>4 Q. Do you understand the phrase</p> <p>5 "directly or indirectly"?</p> <p>6 A. No.</p> <p>7 Can you elaborate, please?</p> <p>8 Q. Sure.</p> <p>9 A direct interest would be an</p> <p>10 interest that you hold in your own name, in</p> <p>11 the name of Nancy Dondero.</p> <p>12 Do you understand that?</p> <p>13 A. Okay.</p> <p>14 Q. And an indirect interest is an</p> <p>15 interest that you own through some other</p> <p>16 vehicle, through some other entity in which</p> <p>17 you also have an ownership interest.</p> <p>18 Do you understand that?</p> <p>19 A. Okay.</p> <p>20 Q. Okay. So --</p> <p>21 A. Yes. But are you referring to --</p> <p>22 Q. Go ahead.</p> <p>23 A. I'm just not clear.</p> <p>24 Do you mean like Highland funds</p> <p>25 or stock?</p>

<p>Page 42</p> <p>1 N. Dondero</p> <p>2 Q. I'm only talking about Highland</p> <p>3 Capital Management LP.</p> <p>4 A. No, I have no interest.</p> <p>5 Q. Have you ever directly or</p> <p>6 indirectly owned any limited partnership</p> <p>7 interests in Highland?</p> <p>8 A. No.</p> <p>9 Q. Have you ever directly or</p> <p>10 indirectly owned any interest of any kind</p> <p>11 in Highland?</p> <p>12 A. No.</p> <p>13 Q. Do you directly or indirectly</p> <p>14 have any claims against Highland that you</p> <p>15 know of?</p> <p>16 MS. DEITSCH-PEREZ: And, again,</p> <p>17 you are still talking about Nancy</p> <p>18 Dondero?</p> <p>19 MR. MORRIS: Yes, I am. Thank</p> <p>20 you.</p> <p>21 A. No, sir.</p> <p>22 Q. Did you have an understanding of</p> <p>23 the nature of Highland's business as of the</p> <p>24 petition date?</p> <p>25 A. Generally.</p>	<p>Page 43</p> <p>1 N. Dondero</p> <p>2 Q. And what did you understand the</p> <p>3 nature of Highland's business to be as of</p> <p>4 the petition date?</p> <p>5 A. A hedge fund.</p> <p>6 Q. Do you have any understanding of</p> <p>7 what a hedge fund is?</p> <p>8 A. Not really.</p> <p>9 Q. I appreciate that.</p> <p>10 By the way, do you know if</p> <p>11 Crescent Research has any claims against</p> <p>12 Highland?</p> <p>13 A. That's a very good question.</p> <p>14 There may be – I think I am creditor for a</p> <p>15 very little bit of money, but I'm not</p> <p>16 positive on that, if that was settled.</p> <p>17 Q. Do you recall filing any claim</p> <p>18 against Highland on behalf of Crescent</p> <p>19 Research?</p> <p>20 A. I can't say definitely one way or</p> <p>21 the other, but...</p> <p>22 Q. Okay. It's a matter of record.</p> <p>23 I don't mean to test your memory. It's</p> <p>24 okay.</p> <p>25 So other than your understanding</p>
<p>Page 44</p> <p>1 N. Dondero</p> <p>2 that Highland was a hedge fund, do you have</p> <p>3 any understanding or did you have any</p> <p>4 understanding as of the petition date</p> <p>5 regarding the nature of Highland's</p> <p>6 business?</p> <p>7 A. Since the petition date?</p> <p>8 Q. As of the petition date.</p> <p>9 A. No.</p> <p>10 Q. Do you have any – I apologize.</p> <p>11 A. I know obviously it's a financial</p> <p>12 company, and it has funds and so forth.</p> <p>13 Q. Have you learned anything about</p> <p>14 the nature of Highland's business since the</p> <p>15 petition date? Anything additional?</p> <p>16 A. No.</p> <p>17 Q. Okay. Do you have an</p> <p>18 understanding of the industry that Highland</p> <p>19 operates in or that Highland operated in</p> <p>20 prior to the petition date?</p> <p>21 A. Sure. Yes.</p> <p>22 Q. What industry did you understand</p> <p>23 Highland to be operating in prior to the</p> <p>24 petition date?</p> <p>25 A. The financial industry.</p>	<p>Page 45</p> <p>1 N. Dondero</p> <p>2 Q. Were you ever employed by</p> <p>3 Highland at any time?</p> <p>4 A. No.</p> <p>5 Q. Did you ever serve as an officer</p> <p>6 or director of Highland at any time?</p> <p>7 A. No.</p> <p>8 Q. Have you ever heard of an entity</p> <p>9 called Strand Advisors Inc.?</p> <p>10 A. Yes.</p> <p>11 Q. Can we refer to that entity as</p> <p>12 "Strand"?</p> <p>13 A. Yes, sir.</p> <p>14 Q. Do you know if Strand has any</p> <p>15 relationship to Highland?</p> <p>16 A. General partner.</p> <p>17 Q. Do you recall when you learned</p> <p>18 that Strand was Highland's general partner?</p> <p>19 A. A number of years ago, I believe.</p> <p>20 Q. Do you recall how you learned</p> <p>21 that Strand was Highland's general partner?</p> <p>22 A. I do not.</p> <p>23 Q. Do you recall if you read it or</p> <p>24 if somebody told that to you?</p> <p>25 A. I do not recall.</p>

<p>Page 46</p> <p>1 N. Dondero</p> <p>2 Q. Do you recall the circumstances</p> <p>3 under which you learned that Strand was</p> <p>4 Highland's general partner?</p> <p>5 A. No, sir.</p> <p>6 Q. Have you done anything to try to</p> <p>7 verify whether Strand was in fact</p> <p>8 Highland's general partner?</p> <p>9 A. No.</p> <p>10 Q. Have you ever been employed by</p> <p>11 Strand?</p> <p>12 MS. DEITSCH-PEREZ: Object to the</p> <p>13 form.</p> <p>14 BY MR. MORRIS:</p> <p>15 Q. You can answer. That's one of</p> <p>16 those situations your lawyer can object to</p> <p>17 preserve the question. I think the</p> <p>18 question is fine, so you can answer the</p> <p>19 question.</p> <p>20 MS. DEITSCH-PEREZ: Do you mean</p> <p>21 technically like hired and worked as a</p> <p>22 W-2 employee?</p> <p>23 MR. MORRIS: Yes.</p> <p>24 A. Okay. And that's a no, a W-2</p> <p>25 employee.</p>	<p>Page 47</p> <p>1 N. Dondero</p> <p>2 Q. Okay. Have you ever served as an</p> <p>3 officer or director of Strand?</p> <p>4 A. No, sir.</p> <p>5 Q. Have you ever been employed by</p> <p>6 any entity in which you believed your</p> <p>7 brother had a direct or indirect ownership</p> <p>8 interest?</p> <p>9 A. No, sir.</p> <p>10 Q. Have you ever served as an</p> <p>11 officer or director for any entity in which</p> <p>12 you believed your brother had a direct or</p> <p>13 indirect ownership interest?</p> <p>14 A. No, sir.</p> <p>15 Q. Has Crescent Research ever</p> <p>16 provided services to Highland?</p> <p>17 A. Yes.</p> <p>18 Q. When did Crescent Research first</p> <p>19 provide services to Highland?</p> <p>20 A. It's been a number of years. The</p> <p>21 actual beginning, I don't know.</p> <p>22 Q. And did you, in your capacity as</p> <p>23 the owner of Crescent Research, run</p> <p>24 individualized background checks on</p> <p>25 prospective employees of Highland?</p>
<p>Page 48</p> <p>1 N. Dondero</p> <p>2 A. Yes.</p> <p>3 Q. Okay. Did Crescent Research</p> <p>4 provide any services for Highland other</p> <p>5 than that?</p> <p>6 A. No, not that I'm aware of.</p> <p>7 Q. Okay. Have you ever been</p> <p>8 employed in the financial services</p> <p>9 industry?</p> <p>10 A. No, sir.</p> <p>11 Q. Other than as it may relate to</p> <p>12 this case, do you have any experience</p> <p>13 making decisions in the area of executive</p> <p>14 compensation?</p> <p>15 A. No.</p> <p>16 Q. Do you hold yourself out as an</p> <p>17 expert in the area of executive</p> <p>18 compensation?</p> <p>19 A. No.</p> <p>20 Q. Have you ever taken any classes</p> <p>21 or courses concerning executive</p> <p>22 compensation?</p> <p>23 A. No.</p> <p>24 Q. Have you ever been compensated</p> <p>25 for services rendered by you in the area of</p>	<p>Page 49</p> <p>1 N. Dondero</p> <p>2 executive compensation?</p> <p>3 A. No.</p> <p>4 Q. Have you ever conferred with</p> <p>5 anybody who you believed to be an expert in</p> <p>6 the area of executive compensation?</p> <p>7 A. No, sir.</p> <p>8 Q. Have you ever prepared any</p> <p>9 analysis of any kind concerning executive</p> <p>10 compensation?</p> <p>11 A. No, sir.</p> <p>12 Q. Have you ever asked anyone to</p> <p>13 prepare any analysis of any kind in the</p> <p>14 area of executive compensation?</p> <p>15 A. No.</p> <p>16 Q. Has anyone ever prepared an</p> <p>17 analysis for you in the area of executive</p> <p>18 compensation?</p> <p>19 A. I'm sorry, sir. Can you repeat</p> <p>20 that question?</p> <p>21 Q. Sure.</p> <p>22 Did anybody ever prepare any</p> <p>23 analysis for you that covered the topic –</p> <p>24 any topic concerning executive</p> <p>25 compensation?</p>

<p>Page 50</p> <p>1 N. Dondero</p> <p>2 A. No.</p> <p>3 Q. Do you have any knowledge as to</p> <p>4 how executives are compensated in the</p> <p>5 financial industry?</p> <p>6 A. Just a general awareness.</p> <p>7 Q. And what is the basis, what is</p> <p>8 the foundation of your general awareness?</p> <p>9 A. Obviously the better a company</p> <p>10 does, probably the more the CEO is paid.</p> <p>11 Q. Do you have any understanding of</p> <p>12 how executives are compensated in the</p> <p>13 financial industry other than that?</p> <p>14 A. No, sir.</p> <p>15 Q. All right. So now I'm going to</p> <p>16 ask you the same questions in your capacity</p> <p>17 as the trustee of Dugaboy.</p> <p>18 Did Dugaboy ever prepare any</p> <p>19 written analysis concerning executive</p> <p>20 compensation?</p> <p>21 A. No, sir.</p> <p>22 Q. Has Dugaboy ever asked anybody to</p> <p>23 prepare any analysis on any issue</p> <p>24 concerning executive compensation?</p> <p>25 A. No.</p>	<p>Page 51</p> <p>1 N. Dondero</p> <p>2 Q. Have you in your capacity as the</p> <p>3 trustee of Dugaboy ever prepared any</p> <p>4 analysis on the issue of executive</p> <p>5 compensation?</p> <p>6 A. No.</p> <p>7 Q. Have you ever done any analysis</p> <p>8 of the compensation that your brother</p> <p>9 received from Highland over time?</p> <p>10 A. Not that I am aware of.</p> <p>11 Q. Do you have any information that</p> <p>12 you can share with me concerning the</p> <p>13 compensation that you your brother received</p> <p>14 from Highland at any moment in time?</p> <p>15 A. In general terms, sure.</p> <p>16 Q. What can you share with me in</p> <p>17 general terms?</p> <p>18 A. I know Jim was not highly paid.</p> <p>19 I know for the last couple of years, his</p> <p>20 salary has been roughly less than a</p> <p>21 million, 500, 700,000, somewhere in that</p> <p>22 ballpark.</p> <p>23 Q. Did you play any role in the</p> <p>24 setting of his salary?</p> <p>25 A. I'm sorry?</p>
<p>Page 52</p> <p>1 N. Dondero</p> <p>2 Q. Did you personally ever play any</p> <p>3 role in the setting of Mr. Dondero's</p> <p>4 salary?</p> <p>5 A. In the salary that we are talking</p> <p>6 about, no, I did not.</p> <p>7 Q. Thank you.</p> <p>8 Did Dugaboy play any role in the</p> <p>9 setting of Mr. Dondero's salary?</p> <p>10 MS. DEITSCH-PEREZ: Do you mean</p> <p>11 setting or approving, John?</p> <p>12 BY MR. MORRIS:</p> <p>13 Q. Let's go with setting first.</p> <p>14 A. Okay. No.</p> <p>15 Q. Did Dugaboy play any role in</p> <p>16 approving Mr. Dondero's salary?</p> <p>17 A. It has that right, but I don't</p> <p>18 believe it did in the salary that he had at</p> <p>19 the time.</p> <p>20 Q. Okay. I just want to nail this</p> <p>21 down.</p> <p>22 To the best of your recollection,</p> <p>23 Dugaboy never played a role in approving</p> <p>24 Mr. Dondero's salary.</p> <p>25 Do I have that right?</p>	<p>Page 53</p> <p>1 N. Dondero</p> <p>2 A. Can you rephrase that so I</p> <p>3 understand?</p> <p>4 Q. Sure.</p> <p>5 Can you think of any year in</p> <p>6 which Dugaboy approved of Mr. Dondero's</p> <p>7 salary from Highland?</p> <p>8 A. His actual salary?</p> <p>9 Q. Correct.</p> <p>10 A. Not – we are not talking about</p> <p>11 the notes now; you are talking about</p> <p>12 salary?</p> <p>13 Q. Yes.</p> <p>14 A. No – yes, okay, not to my</p> <p>15 recollection.</p> <p>16 Q. Do you know what Mr. Dondero's</p> <p>17 total compensation was in the year 2017?</p> <p>18 A. His total compensation, no.</p> <p>19 Q. Did you ever ask anybody what his</p> <p>20 compensation was in the year 2017?</p> <p>21 A. Not that I recall.</p> <p>22 Q. Do you know what Mr. Dondero's</p> <p>23 total compensation was in 2018?</p> <p>24 A. When you're saying "total," you</p> <p>25 mean just from Highland or from any entity?</p>

<p style="text-align: right;">Page 54</p> <p>1 N. Dondero</p> <p>2 Q. I'm just talking about Highland.</p> <p>3 A. Okay. Didn't we talk about those</p> <p>4 numbers?</p> <p>5 Q. We talked about salary before.</p> <p>6 A. Right.</p> <p>7 Q. And now I'm asking you about</p> <p>8 total compensation.</p> <p>9 Do you understand that.</p> <p>10 A. No, I don't.</p> <p>11 Q. Let me try again. Thank you for</p> <p>12 letting me know that. And I encourage you</p> <p>13 to let me know if you don't understand a</p> <p>14 question.</p> <p>15 Do you know what Mr. Dondero's</p> <p>16 total compensation was from Highland in</p> <p>17 2017?</p> <p>18 A. No, I do not.</p> <p>19 Q. Did you ever ask anybody what</p> <p>20 Mr. Dondero's total compensation from</p> <p>21 Highland was in 2017?</p> <p>22 A. No. Other than the figures that</p> <p>23 we are talking about. Because I'm still</p> <p>24 not understanding, John. I'm sorry.</p> <p>25 Q. Well, do you understand that</p>	<p style="text-align: right;">Page 55</p> <p>1 N. Dondero</p> <p>2 salary is just one component of</p> <p>3 Mr. Dondero's compensation?</p> <p>4 A. That's correct.</p> <p>5 Q. Okay.</p> <p>6 A. Um-hmm. That, I understand.</p> <p>7 Q. Okay. And so do you understand</p> <p>8 that I'm moving from salary to total</p> <p>9 compensation, and I'm asking for the value</p> <p>10 of any benefits he received from Highland</p> <p>11 when I use the word "compensation"?</p> <p>12 A. Okay. And –</p> <p>13 Q. So with that understanding, I'm</p> <p>14 going to start again.</p> <p>15 Do you know what Mr. Dondero's</p> <p>16 total compensation was in 2017?</p> <p>17 A. I do not know.</p> <p>18 Q. Did you ever ask anybody what</p> <p>19 Mr. Dondero's total compensation was in</p> <p>20 2017?</p> <p>21 A. No.</p> <p>22 Q. Did Dugaboy know what</p> <p>23 Mr. Dondero's compensation was in 2017?</p> <p>24 A. I do not believe so.</p> <p>25 Q. To the best of your knowledge,</p>
<p style="text-align: right;">Page 56</p> <p>1 N. Dondero</p> <p>2 did anybody on behalf of Dugaboy ever try</p> <p>3 to ascertain what Mr. Dondero's total</p> <p>4 compensation was in 2017?</p> <p>5 A. To the best of my knowledge, no.</p> <p>6 Q. Do you know what Mr. Dondero's</p> <p>7 total compensation from Highland was in</p> <p>8 2018?</p> <p>9 A. No.</p> <p>10 Q. Did you ever ask anybody what</p> <p>11 Mr. Dondero's total compensation was in</p> <p>12 2018?</p> <p>13 A. I don't believe so.</p> <p>14 Q. Did Dugaboy know what</p> <p>15 Mr. Dondero's total compensation was for</p> <p>16 2018?</p> <p>17 A. I don't think so.</p> <p>18 Q. To the best of your knowledge,</p> <p>19 did anybody ever ask on behalf of Dugaboy</p> <p>20 what Mr. Dondero's total compensation from</p> <p>21 Highland was in 2018?</p> <p>22 A. I don't recall. I don't know.</p> <p>23 Q. Do you know what Mr. Dondero's</p> <p>24 total compensation was in 2019?</p> <p>25 A. No.</p>	<p style="text-align: right;">Page 57</p> <p>1 N. Dondero</p> <p>2 Q. Did you ever ask anybody what</p> <p>3 Mr. Dondero's total compensation was in</p> <p>4 2019?</p> <p>5 A. Not that I remember.</p> <p>6 Q. Did Dugaboy know what</p> <p>7 Mr. Dondero's total compensation from</p> <p>8 Highland was in 2019?</p> <p>9 A. I don't believe so.</p> <p>10 Q. Do you know whether Dugaboy ever</p> <p>11 asked anybody what Mr. Dondero's total</p> <p>12 compensation was from Highland in 2019?</p> <p>13 A. I don't think so.</p> <p>14 THE WITNESS: Would it be okay if</p> <p>15 we take a break?</p> <p>16 MR. MORRIS: Just a couple more</p> <p>17 questions, Deborah.</p> <p>18 You know what, I apologize. Of</p> <p>19 course, of course we can take a break.</p> <p>20 MR. DRAPER: John, this is</p> <p>21 Douglas. Let me raise an issue with</p> <p>22 you.</p> <p>23 MR. MORRIS: Do you want to do</p> <p>24 this on the record?</p> <p>25 MR. DRAPER: Well, we can do it</p>

<p>Page 58</p> <p>1 N. Dondero</p> <p>2 off the record. But I just noticed on</p> <p>3 the participants you have Page</p> <p>4 Montgomery and Deborah Newman, who are</p> <p>5 not parties to this litigation, and I</p> <p>6 would request that you ask them to get</p> <p>7 off the line.</p> <p>8 MR. MORRIS: Okay. I'll take it</p> <p>9 under advisement, Douglas, but I will</p> <p>10 point out that there have always been</p> <p>11 people who have -- they actually have</p> <p>12 an interest in this litigation, so I'm</p> <p>13 not even going to address that. They</p> <p>14 have an interest in the litigation,</p> <p>15 okay?</p> <p>16 MR. DRAPER: John --</p> <p>17 MR. MORRIS: Let's go off the</p> <p>18 record, please.</p> <p>19 THE VIDEOGRAPHER: The time is</p> <p>20 10:30. I believe you testified earlier</p> <p>20 that you learned that your brother received</p> <p>21 less than a million dollars in salary.</p> <p>22 Do I have that right?</p> <p>23 A. Yes.</p> <p>24 Q. Can you tell me when you learned</p> <p>25 that?</p>
<p>Page 60</p> <p>1 N. Dondero</p> <p>2 A. I don't remember.</p> <p>3 Q. Do you remember how you learned</p> <p>4 it?</p> <p>5 A. No.</p> <p>6 Q. Did you ever know that your</p> <p>7 brother received a salary of a million</p> <p>8 dollars from Highland?</p> <p>9 A. A million dollars even?</p> <p>10 Q. Yes.</p> <p>11 A. No.</p> <p>12 Q. Did you ever learn that your</p> <p>13 brother had his salary increased to</p> <p>14 two-and-a-half million dollars from</p> <p>15 Highland?</p> <p>16 A. When?</p> <p>17 Q. I'm just asking if you ever</p> <p>18 learned it.</p> <p>19 A. Oh, no.</p> <p>20 Q. Did you ever learn that somebody</p> <p>21 made a decision to allocate the</p> <p>22 two-and-a-half million dollars between and</p> <p>23 among different entities that your brother</p> <p>24 owned and controlled?</p> <p>25 A. I have no idea.</p>	<p>Page 61</p> <p>1 N. Dondero</p> <p>2 Q. Did you have any conversation at</p> <p>3 any time with your brother about why he was</p> <p>4 receiving less than a million dollars from</p> <p>5 Highland?</p> <p>6 A. Why he was?</p> <p>7 Q. Are you aware your brother has</p> <p>17 retained experts in this case?</p> <p>18 A. I was not aware.</p> <p>19 Q. So is it fair to say that you've</p> <p>20 never spoken with any expert retained by</p> <p>21 your brother?</p> <p>22 A. Not that I'm aware of.</p> <p>23 Q. Let's talk about access to</p> <p>24 financial information.</p> <p>25 Do you have an understanding of</p>

<p>Page 62</p> <p>1 N. Dondero</p> <p>2 the term "financial statements"?</p> <p>3 A. Yes.</p> <p>4 Q. And what's your understanding of</p> <p>5 the term "financial statements"?</p> <p>6 A. Balance sheets, bank statements.</p> <p>7 Q. Would it include profit and loss</p> <p>8 statements?</p> <p>9 A. Certainly.</p> <p>10 Q. Would it include statements of</p> <p>11 operations?</p> <p>12 A. I would imagine, yes.</p> <p>13 Q. Using a definition of the term</p> <p>14 financial statements that incorporates each</p> <p>15 of the items that we just discussed, did</p> <p>16 you ever review Highland's financial</p> <p>17 statements prior to the petition date?</p> <p>18 A. No, I haven't reviewed Highland's</p> <p>19 financials.</p> <p>20 Q. Is it fair to say that you never</p> <p>21 reviewed Highland's balance sheet prior to</p> <p>22 the petition date?</p> <p>23 A. That's fair. Correct.</p> <p>24 Q. Did you ever see Highland's</p> <p>25 audited financial statements prior to the</p>	<p>Page 63</p> <p>1 N. Dondero</p> <p>2 petition date?</p> <p>3 A. Not that I remember, no.</p> <p>4 Q. Did you ever ask anybody to see</p> <p>5 Highland's financial statements?</p> <p>6 A. Not that I recall.</p> <p>7 Q. Did you ever have access to</p> <p>8 Highland's financial statements?</p> <p>9 A. No.</p> <p>10 Q. Did you know anything about</p> <p>11 Highland's financial condition prior to the</p> <p>12 petition date?</p> <p>13 A. No, I was not aware.</p> <p>14 Q. Have you ever heard of the term</p> <p>15 "portfolio company" in relation to</p> <p>16 Highland?</p> <p>17 A. I have.</p> <p>18 Q. Do you have an understanding of</p> <p>19 the term "portfolio company" as it relates</p> <p>20 to Highland?</p> <p>21 A. Yes, generally.</p> <p>22 Q. What is your general</p> <p>23 understanding of the term "portfolio</p> <p>24 company" as it relates to Highland?</p> <p>25 A. As I understand it, they're</p>
<p>Page 64</p> <p>1 N. Dondero</p> <p>2 companies owned by Highland under their</p> <p>3 umbrella.</p> <p>4 Q. And how did you form that</p> <p>5 understanding?</p> <p>6 A. I don't know.</p> <p>7 Q. Do you recall when you first came</p> <p>8 to the understanding that you have</p> <p>9 concerning the term "portfolio company" as</p> <p>10 it relates to Highland?</p> <p>11 A. No.</p> <p>12 Q. Based on your understanding of</p> <p>13 the term "portfolio company," do you know</p> <p>14 how many portfolio companies Highland had</p> <p>15 prior to the petition date?</p> <p>16 A. Several.</p> <p>17 Q. Can you give me an approximate</p> <p>18 number, to the best of your understanding?</p> <p>19 A. More than – I would imagine more</p> <p>20 than three.</p> <p>21 Q. And why do you imagine it's more</p> <p>22 than three?</p> <p>23 A. Because I'm aware of three.</p> <p>24 Q. Can you identify any of the three</p> <p>5 portfolio companies that you have in your</p> <p>6 head?</p> <p>7 A. Certainly.</p> <p>8 Q. Okay. Can you please identify</p> <p>9 them?</p> <p>10 A. Trussway, Cornerstone, MGM.</p> <p>11 Q. And you believe that Highland had</p> <p>12 a – withdrawn.</p> <p>13 And your understanding was that</p> <p>14 Highland directly or indirectly owned each</p> <p>15 of those three companies?</p> <p>16 A. That was my understanding.</p> <p>17 Q. And what was the basis for that</p> <p>18 understanding?</p> <p>19 A. The basis of that understanding</p> <p>20 has to do with the forgiveness of the note.</p> <p>21 Q. So how did you learn that</p> <p>22 Highland had a direct or indirect economic</p> <p>23 interest in each of the three portfolio</p> <p>24 companies that you identified?</p> <p>25 A. I believe it was from Jim.</p>

<p>Page 66</p> <p>1 N. Dondero</p> <p>2 Q. Do you recall any source of</p> <p>3 information other than Jim?</p> <p>4 A. Not that I recall.</p> <p>5 Q. Prior to the petition date, were</p> <p>6 you aware of the price that Highland paid</p> <p>7 to acquire its interest in each of the</p> <p>8 three portfolio companies that you</p> <p>9 identified?</p> <p>10 A. Not that I am aware of.</p> <p>11 Q. Did you ever ask for any</p> <p>12 information concerning the price that</p> <p>13 Highland paid to acquire its interest in</p> <p>14 each of the three portfolio companies that</p> <p>15 you identified?</p> <p>16 A. No.</p> <p>17 Q. Prior to the petition date, did</p> <p>18 you have access to any information</p> <p>19 concerning the value of any of the three</p> <p>20 portfolio companies that you identified?</p> <p>21 A. Not that I am aware of.</p> <p>22 Q. Prior to the petition date –</p> <p>23 well, let's talk about them individually.</p> <p>24 You referred to MGM.</p> <p>25 Do I have that right?</p>	<p>Page 67</p> <p>1 N. Dondero</p> <p>2 A. Yes, sir.</p> <p>3 Q. And your understanding is that</p> <p>4 MGM was a Highland portfolio company; is</p> <p>5 that right?</p> <p>6 A. Yes.</p> <p>7 Q. Do you have any knowledge about</p> <p>8 the nature of Highland's interest in MGM?</p> <p>9 A. No.</p> <p>10 Q. Do you know if Highland owns debt</p> <p>11 or equity in MGM?</p> <p>12 A. I couldn't be sure.</p> <p>13 Q. Do you know when Highland</p> <p>14 acquired its interest in MGM?</p> <p>15 A. A number of years ago.</p> <p>16 MR. MORRIS: I just want the</p> <p>17 record to be clear and I want counsel</p> <p>18 to be clear, these questions that I'm</p> <p>19 asking now are going to be in</p> <p>20 Ms. Dondero's capacity as a 30(b)(6)</p> <p>21 witness for Dugaboy.</p> <p>22 BY MR. Well,</p> <p>6 wait, I'm sorry. Can you – wait. Ask</p> <p>7 that again, John. Say that again.</p> <p>8 Q. Sure.</p> <p>9 At any time prior to the petition</p> <p>10 date –</p> <p>11 A. Right.</p> <p>12 Q. – did Dugaboy have an</p> <p>13 understanding as to the nature of</p> <p>14 Highland's interest in MGM?</p> <p>15 A. I knew that they had an interest</p> <p>16 in MGM prior to the petition date.</p> <p>17 Q. Okay. Not that I recall.</p>	<p>Page 69</p> <p>1 N. Dondero</p> <p>2 Q. Did you or Dugaboy know what</p> <p>3 Highland's cost was to acquire its interest</p> <p>4 in MGM?</p> <p>5 A. No.</p> <p>6 Q. From Jim.</p> <p>23 Q. Okay. Did you have any source of</p> <p>24 information other than your brother on the</p> <p>25 question of whether Highland made loans to</p>	<p style="text-align: right;">Page 99</p> <p>1 N. Dondero</p> <p>2 affiliates?</p> <p>3 A. Not that I'm aware of.</p> <p>4 Q. Were you and Dugaboy generally</p> <p>5 aware that when Highland made loans to its</p> <p>6 affiliates, the affiliates gave Highland</p> <p>7 promissory notes in return?</p> <p>8 A. Yes.</p> <p>9 Q. Okay. And how did you learn</p> <p>10 that?</p> <p>11 A. In conversation.</p> <p>12 Q. And would those be conversations</p> <p>13 that you had with Jim?</p> <p>14 A. Correct.</p> <p>15 Q. Did you have conversations with</p> <p>16 anybody else on the topic of whether or not</p> <p>17 the affiliates gave Highland promissory</p> <p>18 notes in exchange for loans?</p> <p>19 A. Not that I recall.</p> <p>20 Q. Prior to the petition date, did</p> <p>21 you or Dugaboy ever see a promissory note</p> <p>22 that was signed on behalf of any affiliate?</p> <p>23 A. I don't recall.</p> <p>24 Q. Prior to the petition date, did</p> <p>25 you or Dugaboy ever ask anybody to see any</p>
<p style="text-align: right;">Page 100</p> <p>1 N. Dondero</p> <p>2 promissory note that was signed in favor of</p> <p>3 Highland by one of its affiliates?</p> <p>4 A. Not that I recall, John.</p> <p>5 Q. Prior to the petition date, did</p> <p>6 you or Dugaboy make any effort to try to</p> <p>7 obtain any promissory note that was</p> <p>8 executed by a Highland affiliate in favor</p> <p>9 of Highland?</p> <p>10 A. I don't believe so.</p> <p>11 Q. Do you know if Highland ever</p> <p>12 forgave any obligations under any</p> <p>13 promissory note that was signed on behalf</p> <p>14 of any affiliate?</p> <p>15 A. I have no idea.</p> <p>16 Q. Did you or Dugaboy ever ask</p> <p>17 anybody whether Highland had ever forgiven</p> <p>18 any loan that was given to an affiliate?</p> <p>19 A. Did we – I'm sorry, John, can</p> <p>20 you repeat the question, please?</p> <p>21 Q. Yes.</p> <p>22 Did you or Dugaboy ever ask</p> <p>23 anybody prior to the petition date whether</p> <p>24 Highland had ever forgiven in whole or in</p> <p>25 part any loan that it made to an affiliate?</p>	<p style="text-align: right;">Page 101</p> <p>1 N. Dondero</p> <p>2 A. No, because it was my assumption</p> <p>3 that that was common practice.</p> <p>4 Q. Okay. And what was that</p> <p>5 assumption based on?</p> <p>6 A. Conversations that I either had</p> <p>7 with Jim or overheard.</p> <p>8 Q. Okay. Do you have anything to</p> <p>9 add about the practice that you haven't</p> <p>10 already testified to?</p> <p>11 Withdrawn.</p> <p>12 Does the practice that you're</p> <p>13 referring to, is that the same practice</p> <p>14 that you have identified earlier with</p> <p>15 respect to loans that were made to officers</p> <p>16 and employees?</p> <p>17 A. That's correct, John.</p> <p>18 Q. Okay. So did you have any source</p> <p>19 of information other than your brother that</p> <p>20 you can identify right now concerning the</p> <p>21 practice of forgiving loans to affiliates?</p> <p>22 A. Not at this time.</p> <p>23 Q. Can you identify any loan that</p> <p>24 Highland ever made to an affiliate that was</p> <p>25 forgiven?</p>

<p style="text-align: right;">Page 102</p> <p>1 N. Dondero</p> <p>2 A. Not that I recall.</p> <p>3 Q. Did you or Dugaboy ever ask</p> <p>4 anybody to identify any loan that it ever</p> <p>5 made to an affiliate that was forgiven in</p> <p>6 whole or in part?</p> <p>7 A. Can you restate that, John?</p> <p>8 Q. Sure.</p> <p>9 Did you or Dugaboy ever ask</p> <p>10 anybody to identify a loan that was made by</p> <p>11 Highland to an affiliate that was forgiven</p> <p>12 in whole or in part?</p> <p>13 A. Not that I remember.</p> <p>14 Q. Can you or Dugaboy identify today</p> <p>15 any affiliate that obtained a loan from</p> <p>16 Highland that Highland forgave?</p> <p>17 A. Not that I know of.</p> <p>18 Q. Did you or Dugaboy ever take any</p> <p>19 steps to confirm what your brother told you</p> <p>20 about the practice of forgiving loans?</p> <p>21 A. Did we take any steps?</p> <p>22 Q. Did you do anything?</p> <p>23 A. Not that I am aware of, no.</p> <p>24 Q. Did you ever see any document</p> <p>25 that concerned or related to the practice</p>	<p style="text-align: right;">Page 103</p> <p>1 N. Dondero</p> <p>2 your brother described for you whereby</p> <p>3 Highland forgave loans to affiliates?</p> <p>4 A. I do not recall, John, no.</p> <p>5 Q. Did you ever ask to see any</p> <p>6 documents that reflected the practice your</p> <p>7 brother described?</p> <p>8 A. I never asked.</p> <p>9 Q. Give me one second.</p> <p>10 Have you ever heard of an entity</p> <p>11 called Highland Capital Management Services</p> <p>12 Inc.?</p> <p>13 A. Yes.</p> <p>14 Q. Can we refer to that entity as</p> <p>15 HCMS?</p> <p>16 A. Okay.</p> <p>17 Q. Is HCMS an affiliate –</p> <p>18 withdrawn.</p> <p>19 Did you and Dugaboy understand</p> <p>20 that HCMS was an affiliate of Highland's</p> <p>21 prior to the petition date?</p> <p>22 A. Yes.</p> <p>23 Q. And how did you come to</p> <p>24 understand that HCMS was an affiliate of</p> <p>25 Highland prior to the petition date?</p>
<p style="text-align: right;">Page 104</p> <p>1 N. Dondero</p> <p>2 A. Because it's another one of Jim's</p> <p>3 companies.</p> <p>4 Q. And how did you learn that that</p> <p>5 was another one of Jim's companies?</p> <p>6 A. I don't remember how I learned</p> <p>7 it. It's under the Highland umbrella.</p> <p>8 Q. And when you say that it's one of</p> <p>9 "Jim's companies," what do you mean by</p> <p>10 that?</p> <p>11 A. The beneficial owner.</p> <p>12 Q. And how did you learn that your</p> <p>13 brother was the beneficial owner of HCMS?</p> <p>14 MS. DEITSCH-PEREZ: Object to the</p> <p>15 form. That's not what she said. Can you</p> <p>23 elaborate? What negotiation?</p> <p>24 Q. Are you aware of anybody on</p> <p>25 behalf of Highland suggesting that the term</p>
<p style="text-align: right;">Page 144</p> <p>1 N. Dondero</p> <p>2 of the note should be something other than</p> <p>3 30 years?</p> <p>4 A. No. Changing that term, no, I'm</p> <p>5 not familiar.</p> <p>6 Q. Okay. Let's switch topics and</p> <p>7 I'll cover this topic and then we can take</p> <p>8 a lunch break.</p> <p>9 I'd like to turn now to the</p> <p>10 limited partnership agreement, the LP</p> <p>11 agreement as I think we've defined it. And</p> <p>12 I'm going to ask my colleague to put up on</p> <p>13 the screen – I don't think it's in the</p> <p>14 binder that I gave you.</p> <p>15 MS. DEITSCH-PEREZ: Yes, it is.</p> <p>16 MR. MORRIS: Oh, is it?</p> <p>17 MS. DEITSCH-PEREZ: It is?</p> <p>18 MR. MORRIS: What number is it?</p> <p>19 MS. DEITSCH-PEREZ: It is number</p> <p>20 2, it looks like.</p> <p>21 MR. MORRIS: So we'll put it up</p> <p>22 on the screen and then you can look at</p> <p>23 the hard copy.</p> <p>24 MS. DEITSCH-PEREZ: Okay. Is</p> <p>25 there a particular page you want to</p>	<p style="text-align: right;">Page 145</p> <p>1 N. Dondero</p> <p>2 turn to?</p> <p>3 MR. MORRIS: Let's just start</p> <p>4 with this.</p> <p>5 BY MR. MORRIS:</p> <p>6 Q. Do you understand –</p> <p>7 MS. DEITSCH-PEREZ: Hang on a</p> <p>8 minute. One second.</p> <p>9 Okay. We're good. We've got it.</p> <p>10 BY MR. MORRIS:</p> <p>11 Q. Okay. Are you looking at the</p> <p>12 document that is Exhibit 4 that's attached</p> <p>13 to the document that's been denoted as</p> <p>14 number 2?</p> <p>15 MS. DEITSCH-PEREZ: Yes.</p> <p>16 Turn to the page before the one</p> <p>17 that says –</p> <p>18 THE WITNESS: Oh, okay.</p> <p>19 A. So page 4 of 37?</p> <p>20 Q. Yes.</p> <p>21 (Document review.)</p> <p>22 A. Okay.</p> <p>23 Q. All right.</p> <p>24 A. Okay. Go ahead.</p> <p>25 Q. At the top, do you see it says</p>

<p style="text-align: right;">Page 146</p> <p>1 N. Dondero</p> <p>2 Document 63-4 in the middle?</p> <p>3 A. Yes, I do.</p> <p>4 Q. And you're at page 2 of 37,</p> <p>5 correct?</p> <p>6 A. Correct.</p> <p>7 Q. Okay. Do you understand that</p> <p>8 this is the document we defined earlier as</p> <p>9 the LP agreement?</p> <p>10 A. Yes, sir.</p> <p>11 Q. Have you seen this document</p> <p>12 before now?</p> <p>13 A. Yes.</p> <p>14 Q. Do you recall when you saw this</p> <p>15 document for the first time?</p> <p>16 A. Shortly after it was made, when I</p> <p>17 was trustee.</p> <p>18 Q. Okay. Do you recall the</p> <p>19 circumstances under which you saw the LP</p> <p>20 agreement for the first time?</p> <p>21 A. No, I don't remember the</p> <p>22 circumstance.</p> <p>23 Q. Do you have a copy of the LP</p> <p>24 agreement in your personal possession?</p> <p>25 Like other than right now, did you have it</p>	<p style="text-align: right;">Page 147</p> <p>1 N. Dondero</p> <p>2 before today or before I sent it?</p> <p>3 A. Yes.</p> <p>4 Q. Okay. Do you recall when you</p> <p>5 first obtained a copy of the LP agreement?</p> <p>6 A. The very first time?</p> <p>7 Q. Yeah.</p> <p>8 A. I don't know specifically, John.</p> <p>9 Q. Can we go to the document -- the</p> <p>10 page that's marked 32 of 37?</p> <p>11 MS. DEITSCH-PEREZ: 2 of 37?</p> <p>12 THE WITNESS: 32 of 7 -- 32 of</p> <p>13 37.</p> <p>14 MS. DEITSCH-PEREZ: Thank you.</p> <p>15 (Document review.)</p> <p>16 BY MR. MORRIS:</p> <p>17 Q. And is that your signature there?</p> <p>18 MR. MORRIS: If we can get page</p> <p>19 32 of 37 up on the screen.</p> <p>20 (Document review.)</p> <p>21 BY MR. MORRIS:</p> <p>22 Q. And is that your signature there,</p> <p>23 ma'am?</p> <p>24 A. Well, on the paper copy, it is.</p> <p>25 Oh, there it is. Yes.</p>
<p style="text-align: right;">Page 148</p> <p>1 N. Dondero</p> <p>2 Q. Okay.</p> <p>3 MR. MORRIS: And I apologize La</p> <p>4 Asia, but can we go now to Section</p> <p>5 3.10?</p> <p>6 We're going to mark it. This one</p> <p>7 is Exhibit 2. Don't worry that we are</p> <p>8 going out of order. They're premarked.</p> <p>9 So this document we're going to mark as</p> <p>10 Exhibit 2.</p> <p>11 (N. Dondero Exhibit 2, Amended</p> <p>12 Complaint for (1) Breach of Contract,</p> <p>13 (II) Turnover of Property, (III)</p> <p>14 Fraudulent Transfer, and (IV) Breach of</p> <p>15 Fiduciary Duty, marked for</p> <p>16 identification, as of this date.)</p> <p>17 MS. DEITSCH-PEREZ: Did I miss</p> <p>18 Exhibit 1?</p> <p>19 MR. MORRIS: No.</p> <p>20 MS. DEITSCH-PEREZ: Okay.</p> <p>21 BY MR. MORRIS:</p> <p>22 Q. Do you see Section 3.10? Do you</p> <p>23 have that in front of you?</p> <p>24 A. Yes.</p> <p>25 Q. Have you seen that provision of</p>	<p style="text-align: right;">Page 149</p> <p>1 N. Dondero</p> <p>2 the LP agreement before?</p> <p>3 A. Yes.</p> <p>4 Q. Do you recall when you first read</p> <p>5 or you first saw Section 3.10?</p> <p>6 A. On the day I probably signed it.</p> <p>7 Q. All right. I don't want you to</p> <p>8 speculate. I want you to search your</p> <p>9 memory.</p> <p>10 A. Okay.</p> <p>11 Q. Do you recall when you saw</p> <p>12 Section 3.10 for the first time?</p> <p>13 A. The first time I saw the</p> <p>14 document.</p> <p>15 Q. Okay. Do you recall the</p> <p>16 circumstances under which you reviewed</p> <p>17 Section 3.10?</p> <p>18 A. Prior to signing the document.</p> <p>19 Q. Do you see there is a reference</p> <p>20 in the document in Section 3.10 to majority</p> <p>21 interest?</p> <p>22 A. Yes, sir.</p> <p>23 Q. Do you have an understanding of</p> <p>24 what that term means?</p> <p>25 A. Class A shareholders -- limited</p>

<p style="text-align: right;">Page 150</p> <p>1 N. Dondero</p> <p>2 partners. I apologize.</p> <p>3 Q. And what is the basis for that</p> <p>4 understanding?</p> <p>5 A. Because the class A limited</p> <p>6 partners is the majority interest. Holds</p> <p>7 – I'm sorry, holds the majority interest.</p> <p>8 Q. And did you ever discuss that</p> <p>9 with anybody at any time?</p> <p>10 MS. DEITSCH-PEREZ: And I'm going</p> <p>11 to direct her to ask exclude any</p> <p>12 discussions with lawyers. So other –</p> <p>13 MR. MORRIS: Let me rephrase the</p> <p>14 question. Let me rephrase the</p> <p>15 question.</p> <p>16 BY MR. MORRIS:</p> <p>17 Q. Did you ever discuss the</p> <p>18 definition of majority interest with</p> <p>19 anybody at any time prior to the petition</p> <p>20 date?</p> <p>21 A. I don't recall.</p> <p>22 Q. Do you believe that Dugaboy holds</p> <p>23 a majority interest, as that term is used</p> <p>24 in Section 3.10?</p> <p>25 A. Yes, I do believe that.</p>	<p style="text-align: right;">Page 151</p> <p>1 N. Dondero</p> <p>2 Q. And did you believe that prior to</p> <p>3 the petition date?</p> <p>4 A. Yes.</p> <p>5 Q. What was the basis for your</p> <p>6 belief prior to the petition date that</p> <p>7 Dugaboy held a majority interest?</p> <p>8 A. I was told that Dugaboy held the</p> <p>9 majority interest.</p> <p>10 Q. And who told you that Dugaboy</p> <p>11 held the majority interest?</p> <p>12 A. Melissa Schroth.</p> <p>13 Q. Do you recall when Ms. Schroth</p> <p>14 told you that?</p> <p>15 A. Shortly after I became trustee.</p> <p>16 Q. And can you tell me who Melissa</p> <p>17 Schroth is?</p> <p>18 A. Melissa is a financial assistant</p> <p>19 with Jim.</p> <p>20 Q. And you communicated with</p> <p>21 Ms. Schroth on a regular basis prior to the</p> <p>22 petition date; is that fair?</p> <p>23 A. Correct.</p> <p>24 Q. Do you know, is Ms. Schroth a</p> <p>25 lawyer?</p>
<p style="text-align: right;">Page 152</p> <p>1 N. Dondero</p> <p>2 A. I don't believe so.</p> <p>3 Q. Do you know anything about her</p> <p>4 background or expertise?</p> <p>5 A. Accounting, I believe.</p> <p>6 Q. Did you ever do anything to</p> <p>7 corroborate what Ms. Schroth told you about</p> <p>8 Dugaboy being a majority interest?</p> <p>9 A. I had no reason to disbelieve</p> <p>10 her.</p> <p>11 Q. But you didn't do anything to</p> <p>12 corroborate that; is that right?</p> <p>13 A. I did not, sir.</p> <p>14 Q. Did you seek any advice from</p> <p>15 anybody to ascertain whether what</p> <p>16 Ms. Schroth told you was accurate?</p> <p>17 A. I don't recall.</p> <p>18 Q. Okay. Do you see at the end of</p> <p>19 Section 3.10, there is a reference to NAV</p> <p>20 trigger period?</p> <p>21 A. Yes.</p> <p>22 Q. Do you have an understanding –</p> <p>23 withdrawn.</p> <p>24 Did you have an understanding</p> <p>25 prior to the petition date of what a NAV</p>	<p style="text-align: right;">Page 153</p> <p>1 N. I don't believe so.</p> <p>8 Q. Did you or Dugaboy make any</p> <p>9 effort prior to the petition date to</p> <p>10 ascertain whether a NAV trigger period had</p> <p>11 occurred?</p> <p>12 A. I don't believe so.</p> <p>13 Q. Did you or Dugaboy ever know</p> <p>14 prior to the petition date whether in fact</p> <p>15 a NAV trigger period had ever occurred?</p> <p>16 A. I don't think so.</p> <p>17 Q. All right.</p> <p>18 MR. MORRIS: I think if it's okay</p> <p>19 with you guys, now might be a nice time</p> <p>20 to take a lunch break.</p> <p>21 I prefer that it not be too</p> <p>22 extended. Would it be okay if we came</p> <p>23 back at the bottom of the hour?</p> <p>24 THE WITNESS: 1:30, would that be</p> <p>25 okay?</p>

<p style="text-align: right;">Page 154</p> <p>1 N. Dondero</p> <p>2 MR. MORRIS: Yeah, 1:30 Central.</p> <p>3 Is that good?</p> <p>4 THE WITNESS: That would be</p> <p>5 great. Thank you.</p> <p>6 MR. MORRIS: Thanks so much.</p> <p>7 THE VIDEOGRAPHER: The time is</p> <p>8 12:54. Thank you.</p> <p>17 BY MR. MORRIS:</p> <p>18 Q. Can you hear me okay?</p> <p>19 A. Yes, sir.</p> <p>20 Q. Okay. I've switched from my</p> <p>21 phone to my computer. Somehow it worked.</p> <p>22 Now I wanted to make sure you can hear me.</p> <p>23 Ms. Dondero, did you speak to</p> <p>24 anybody during the break about the</p> <p>25 substance of your testimony?</p>

Did you speak to anybody during</p> <p>4 the break regarding the substance of this</p> <p>5 deposition in any way?</p> <p>6 A. No, sir.</p> <p>7 Q. Okay. When we left, we had just</p> <p>8 looked at Section 3.10 of the LP agreement.</p> <p>9 Do you remember that?</p> <p>10 A. Yes.</p> <p>11 Q. Is there anything about the LP</p> <p>12 agreement that you -- withdrawn.</p> <p>13 Is there anything that you or</p> <p>14 Dugaboy don't understand about Section 3.10</p> <p>15 of the LP agreement?</p> <p>16 MS. Let's switch gears now and let's</p> <p>4 talk about the oral agreement that's been</p> <p>5 referred to in this litigation.</p> <p>6 I'd like to put up on the screen</p> <p>7 a document that you don't have a hard copy</p> <p>8 of, or at least I didn't give it to you,</p> <p>9 and that would be the Amended Complaint</p> <p>10 that was served by Highland against you and</p> <p>11 your brother and Dugaboy.</p> <p>12 MR. MORRIS: And that document</p> <p>13 we're marking for purposes of the</p> <p>14 deposition as Exhibit No. 31.</p> <p>15 (N. MORRIS: Can we put that on</p> <p>20 the screen, please, and turn to</p> <p>21 paragraph 82?</p> <p>22 Actually, stop right there.</p> <p>23 BY MR. MORRIS:</p> <p>24 Q. Ms. Dondero, have you ever seen,</p> <p>25 if we can scroll up -- and, again, this is</p>

<p>Page 158</p> <p>1 N. Dondero</p> <p>2 consistent with what I explained to you at</p> <p>3 the beginning of the deposition.</p> <p>4 I don't mean to rush you. I</p> <p>5 think you should take all the time you need</p> <p>6 to look at this document if you want to,</p> <p>7 but my first question is simply whether you</p> <p>8 have ever seen this document before. And</p> <p>9 if you need to see more of it, just let me</p> <p>10 know.</p> <p>11 (Document review.)</p> <p>12 A. Can you scroll to the next page,</p> <p>13 John, please?</p> <p>14 Q. Sure.</p> <p>15 (Document review.)</p> <p>16 MS. DEITSCH-PEREZ: I have a hard</p> <p>17 copy here I could give the witness.</p> <p>18 Do you want me to do that?</p> <p>19 MR. And just for clarity,</p> <p>22 Ms. Dondero, this is the Amended Complaint</p> <p>23 that Highland served to collect on the</p> <p>24 notes that were issued by your brother.</p> <p>25 A. Okay.</p>	<p>Page 159</p> <p>1 N. Dondero</p> <p>2 MS. CANTY: John, I'm sorry. 31</p> <p>3 is actually the answer to the Amended</p> <p>4 Complaint.</p> <p>5 MR. MORRIS: I'm sorry. DEITSCH-PEREZ: All right.</p> <p>11 So what are you asking if she has seen?</p> <p>12 I was going to hand her the complaint.</p> <p>13 MR. MORRIS: It's my mistake,</p> <p>14 Deborah. If we can go back to – if we</p> <p>15 can go back to the top.</p> <p>16 Let me start this over.</p> <p>17 BY MR. MORRIS:</p> <p>18 Q. Do you see, Ms. Dondero, that</p> <p>19 this is defendant James Dondero's answer to</p> <p>20 Amended Complaint?</p> <p>21 A. Yes, I see that.</p> <p>22 Q. Have you ever seen your brother's</p> <p>23 answer to the Amended Complaint?</p> <p>24 A. I don't remember if I've seen</p> <p>25 this or not. Deborah just gave me a hard</p>
<p>Page 160</p> <p>1 N. Dondero</p> <p>2 copy. Can I have a quick minute to glance</p> <p>3 over it?</p> <p>4 Q. Sure. Take your time. And let</p> <p>5 me know at the top of it, what the docket</p> <p>6 number is.</p> <p>7 A. Certainly.</p> <p>8 Docket No. DOC 83 –</p> <p>9 Q. Okay. Perfect.</p> <p>10 A. – filed on December 3rd.</p> <p>11 Is that it?</p> <p>12 Q. Yes. So we are looking at the</p> <p>13 same thing.</p> <p>14 MR. MORRIS: And this document is</p> <p>15 going to be marked as Exhibit 31.</p> <p>16 A. Okay.</p> <p>17 Q. All right. Have you seen this</p> <p>18 document before?</p> <p>19 A. I think so.</p> <p>20 Q. Okay.</p> <p>21 MR. MORRIS: I'm going to ask, La</p> <p>22 Asia go to paragraph 82.</p> <p>23 A. Okay.</p> <p>24 Q. Do you see paragraph 82 is up on</p> <p>25 the screen?</p>	<p>Page 161</p> <p>1 N. Dondero</p> <p>2 A. Yes, sir.</p> <p>3 Q. So I'm going to read a portion of</p> <p>4 it to you beginning at the very top, okay?</p> <p>5 I just want you to follow along</p> <p>6 with me.</p> <p>7 Paragraph 82 says in part,</p> <p>8 "Plaintiff's claims are barred in whole or</p> <p>9 in part because prior to the demands for</p> <p>10 payment, plaintiff agreed that it would not</p> <p>11 collect the notes upon fulfillment of</p> <p>12 condition subsequent. Specifically,</p> <p>13 sometime between December of the year in</p> <p>14 which each note was made and February the</p> <p>15 following year, Defendant Nancy Dondero, as</p> <p>16 representative for a majority of the Class</p> <p>17 A shareholders of plaintiff agreed that</p> <p>18 plaintiff would forgive the notes if</p> <p>19 certain portfolio companies were sold for</p> <p>20 greater than cost or on a basis outside of</p> <p>21 defendant James Dondero's control. The</p> <p>22 purpose of this agreement was to provide</p> <p>23 compensation to defendant James Dondero,</p> <p>24 who was otherwise underpaid compared to</p> <p>25 reasonable compensation levels in the</p>

<p style="text-align: right;">Page 162</p> <p>1 N. Dondero</p> <p>2 industry through the use of forgivable</p> <p>3 loans, a practice that was standard at</p> <p>4 HCMLP and in the industry."</p> <p>5 Have I read that correctly?</p> <p>6 A. Um-hmm, yes.</p> <p>7 Q. Okay. To the best of your</p> <p>8 knowledge, is the portion of paragraph 82</p> <p>9 that I just read true and accurate?</p> <p>10 A. Yes. Correct.</p> <p>11 Q. Are you aware, as Dugaboy's</p> <p>12 30(b)(6) witness, that HCRE, HCMS, and</p> <p>13 NexPoint all make the same allegation in</p> <p>14 defense?</p> <p>15 A. Yes.</p> <p>16 Q. So is it your testimony that the</p> <p>17 statement that I just read from paragraph</p> <p>18 82 applies to the promissory notes issued</p> <p>19 by HCRE, HCMS, and NexPoint, and that are</p> <p>20 the subject of the lawsuits?</p> <p>21 A. Yes.</p> <p>22 Q. So it's your testimony that you</p> <p>23 entered into oral agreements with your</p> <p>24 brother between December and the year each</p> <p>25 note was made, and February of the</p>	<p style="text-align: right;">Page 163</p> <p>1 N. Dondero</p> <p>2 following year, pursuant to which plaintiff</p> <p>3 agreed that plaintiff would forgive the</p> <p>4 notes if certain portfolio companies were</p> <p>5 sold for greater than cost or on a basis</p> <p>6 outside of James Dondero's control,</p> <p>7 correct?</p> <p>8 A. That is correct.</p> <p>9 Q. Can we refer to each of the oral</p> <p>10 agreements that you entered into with your</p> <p>11 brother concerning the promissory notes</p> <p>12 that are described in paragraph 82 as an</p> <p>13 agreement and collectively as the</p> <p>14 agreements?</p> <p>15 A. Certainly.</p> <p>16 MS. DEITSCH-PEREZ: Okay. And</p> <p>17 just, John, just so I don't have to</p> <p>18 object each time, when you say "you,"</p> <p>19 you're talking about Dugaboy?</p> <p>20 MR. MORRIS: I'm talking about</p> <p>21 both unless I say otherwise. But thank</p> <p>22 you for pointing that out.</p> <p>23 MS. DEITSCH-PEREZ: Okay.</p> <p>24 MR. DRAPER: John, just so you</p> <p>25 know, to the extent that – hold on.</p>
<p style="text-align: right;">Page 164</p> <p>1 N. Dondero</p> <p>2 I'm muted.</p> <p>3 To the extent Deborah raises an</p> <p>4 objection for the "you," Nancy, as a</p> <p>5 trustee, I'm not going to say anything,</p> <p>6 but my objection is a follow-on for the</p> <p>7 same thing, for the same reasons.</p> <p>8 MR. MORRIS: Okay. I appreciate</p> <p>9 that, Douglas.</p> <p>10 So I'm going to ask the question</p> <p>11 again.</p> <p>12 BY MR. MORRIS:</p> <p>13 Q. Is it your testimony that you, as</p> <p>14 the trustee of The Dugaboy Investment</p> <p>15 Trust, entered into oral agreements with</p> <p>16 your brother between December and the year</p> <p>17 each note was made and February of the</p> <p>18 following year, pursuant to which plaintiff</p> <p>19 agreed that plaintiff would forgive the</p> <p>20 notes if certain portfolio companies were</p> <p>21 sold for greater than cost or on a basis</p> <p>22 outside of James Dondero's control?</p> <p>23 A. That is correct.</p> <p>24 Q. Okay. And can we refer to each</p> <p>25 of the oral agreements that are the subject</p>	<p style="text-align: right;">Page 165</p> <p>1 N. Dondero</p> <p>2 of paragraph 82 individually as an</p> <p>3 agreement and collectively as the</p> <p>4 agreements?</p> <p>5 A. Um-hmm. Yes.</p> <p>6 Q. Is that a yes?</p> <p>7 A. Yes. That is a yes. Sorry.</p> <p>8 Q. And do you and Dugaboy understand</p> <p>9 that the phrase "plaintiff" in paragraph 82</p> <p>10 refers to Highland?</p> <p>11 A. Yes.</p> <p>12 Q. And do you and Dugaboy understand</p> <p>13 that Dugaboy, as the representative of a</p> <p>14 majority of the Class A shareholders of</p> <p>15 Highland is the actual entity that entered</p> <p>16 into the agreements on behalf of Highland?</p> <p>17 A. Yes.</p> <p>18 Q. And you are the trustee of</p> <p>19 Dugaboy today, correct?</p> <p>20 A. Correct.</p> <p>21 Q. And you were the trustee of</p> <p>22 Dugaboy at the time each of the agreements</p> <p>23 referred to in paragraph 82 was entered</p> <p>24 into, correct?</p> <p>25 A. Correct.</p>

<p style="text-align: right;">Page 166</p> <p>1 N. Dondero</p> <p>2 Q. And you personally caused Dugaboy</p> <p>3 to enter into each agreement that is</p> <p>4 referred to in paragraph 82, correct?</p> <p>5 MS. DEITSCH-PEREZ: Object to the</p> <p>6 form.</p> <p>7 BY MR. MORRIS:</p> <p>8 Q. You can answer.</p> <p>9 MS. DEITSCH-PEREZ: I'm sorry,</p> <p>10 John, can you repeat the question,</p> <p>11 please?</p> <p>12 BY MR. MORRIS:</p> <p>13 Q. You personally caused Dugaboy to</p> <p>14 enter into each of the agreements that's</p> <p>15 referred to in paragraph 82, correct?</p> <p>16 MS. DEITSCH-PEREZ: Object to the</p> <p>17 form.</p> <p>18 A. Correct.</p> <p>19 Q. What is Dugaboy?</p> <p>20 A. The trust, the living</p> <p>21 maintenance, education, and health trust.</p> <p>22 Q. Do you know when it was formed?</p> <p>23 A. 2010.</p> <p>24 Q. Have you been the trustee of the</p> <p>25 Dugaboy Trust since the time it was</p>	<p style="text-align: right;">Page 167</p> <p>1 N. Dondero</p> <p>2 created?</p> <p>3 A. No.</p> <p>4 Q. Who preceded you as trustee, to</p> <p>5 the best of your knowledge?</p> <p>6 A. I don't know.</p> <p>7 Q. Did you ever ask anybody who</p> <p>8 preceded you as trustee of The Dugaboy</p> <p>9 Investment Trust?</p> <p>10 A. Did I ever ask who was the</p> <p>11 trustee prior to –</p> <p>12 Q. Yes.</p> <p>13 A. I did not.</p> <p>14 Q. Okay. Do you recall when you</p> <p>15 became the trustee of the Dugaboy Trust?</p> <p>16 A. October 2015.</p> <p>17 Q. Did somebody appoint you to be</p> <p>18 trustee of the Dugaboy Trust?</p> <p>19 A. By "appoint," do you mean asked</p> <p>20 me to be?</p> <p>21 Q. Okay. Let me restate the</p> <p>22 question.</p> <p>23 A. Sorry.</p> <p>24 Q. Do you know how you became the</p> <p>25 trustee of the Dugaboy Trust?</p>
<p style="text-align: right;">Page 168</p> <p>1 N. Dondero</p> <p>2 A. Jim had asked me to.</p> <p>3 Q. Did Jim ask you to be the Dugaboy</p> <p>4 trustee at around the same time that you</p> <p>5 became the trustee?</p> <p>6 A. That's correct.</p> <p>7 Q. Prior to accepting Jim's –</p> <p>8 withdrawn.</p> <p>9 Did you agree to become the</p> <p>10 trustee at the Dugaboy Trust in response to</p> <p>11 Jim's request?</p> <p>12 A. Yes, sir.</p> <p>13 Q. Okay. Before you accepted the</p> <p>14 appointment as trustee of the Dugaboy</p> <p>15 Trust, did you obtain any information about</p> <p>16 the purpose of the Dugaboy Trust?</p> <p>17 A. Yes.</p> <p>18 Q. What information do you recall</p> <p>19 obtaining before you agreed to serve as the</p> <p>20 trustee at the Dugaboy Trust?</p> <p>21 A. The purpose of the trust is to</p> <p>22 provide health, education, maintenance,</p> <p>23 lifestyle for the beneficiaries, who is my</p> <p>24 brother, for as long as he lives and then</p> <p>25 his children and subsequent generations.</p>	<p style="text-align: right;">Page 169</p> <p>1 N. Dondero</p> <p>2 Q. Is your brother the sole</p> <p>3 beneficiary of the Dugaboy Trust during his</p> <p>4 lifetime?</p> <p>5 A. Yes.</p> <p>6 Q. Did you make any independent</p> <p>7 decisions with respect to the Dugaboy</p> <p>8 Trust?</p> <p>9 A. Of course.</p> <p>10 Q. Do you know if the Dugaboy Trust</p> <p>11 owned an interest in Highland at the time</p> <p>12 Dugaboy entered into each of the agreements</p> <p>13 referred to in paragraph 82?</p> <p>14 A. Okay. I'm sorry. Say that</p> <p>15 again, John.</p> <p>16 Q. Do you know whether Dugaboy owned</p> <p>17 an interest in Highland at the time each</p> <p>18 agreement was entered into?</p> <p>19 MS. DEITSCH-PEREZ: Other than</p> <p>20 what she's already testified to?</p> <p>21 A. Other than it being a major Class</p> <p>22 A shareholder, John? A limited partner.</p> <p>23 Q. I'm sorry, it's a little bit of a</p> <p>24 different question.</p> <p>25 A. Okay.</p>

<p style="text-align: right;">Page 170</p> <p>1 N. Dondero</p> <p>2 Q. You entered into more than one</p> <p>3 agreement with your brother; is that right?</p> <p>4 A. That's correct.</p> <p>5 Q. How many agreements did you enter</p> <p>6 into with him?</p> <p>7 A. Okay. How many notes or how many</p> <p>8 agreements – you mean, per – one per year</p> <p>9 for three years covering 13 notes.</p> <p>10 Q. So there's three annual</p> <p>11 agreements that you recall? Do I have that</p> <p>12 right?</p> <p>13 A. Correct.</p> <p>14 Q. And was Dugaboy's interest in</p> <p>15 Highland the same at each moment that you</p> <p>16 entered into each of the three agreements?</p> <p>17 A. I'm sorry?</p> <p>18 Q. Do you know whether – do you</p> <p>19 know whether Dugaboy's interest in Highland</p> <p>20 changed at all between the time that you</p> <p>21 entered into each of the three agreements</p> <p>22 that you just referred to?</p> <p>23 A. I don't know. I don't think so.</p> <p>24 Q. Did you ever ask anybody at any</p> <p>25 time prior to the petition date if</p>	<p style="text-align: right;">Page 171</p> <p>1 N. Dondero</p> <p>2 Dugaboy's interest in Highland changed at</p> <p>3 any time during the period in which you</p> <p>4 were entering into these agreements on</p> <p>5 behalf of Dugaboy?</p> <p>6 A. No.</p> <p>7 And, John, can I back up for a</p> <p>8 second?</p> <p>9 Q. Sure.</p> <p>10 A. Just in answer to one of my</p> <p>11 questions when I said that I had three</p> <p>12 conversations with Jim. That pertained to</p> <p>13 this procedure. That's my answer for this</p> <p>14 scope.</p> <p>15 Q. Right.</p> <p>16 A. Okay. Just so we're on the same</p> <p>17 page. Okay. Okay.</p> <p>18 Q. And do you recall – we'll get to</p> <p>19 it.</p> <p>20 All right. So you entered into</p> <p>21 three agreements.</p> <p>22 Do I have that right?</p> <p>23 A. Correct.</p> <p>24 Q. And do you recall when you</p> <p>25 entered into each one of the three</p>
<p style="text-align: right;">Page 172</p> <p>1 N. Dondero</p> <p>2 agreements?</p> <p>3 A. To the best of my recollection,</p> <p>4 it was around the holidays.</p> <p>5 Q. Do you remember the year you</p> <p>6 entered into the first agreement?</p> <p>7 A. It would have been either been</p> <p>8 the tail end of '17, beginning of '18.</p> <p>9 Q. And would the second agreement be</p> <p>10 the tail of '18, the beginning of '19?</p> <p>11 A. Correct, sir.</p> <p>12 Q. And would the third one be the</p> <p>13 tail of '19 and the beginning of '20?</p> <p>14 A. Either/or. Correct. Um-hmm.</p> <p>15 Q. Okay. And when we say late in</p> <p>16 each year, is paragraph 82 correct, to the</p> <p>17 best of your knowledge, that it was either</p> <p>18 December of the year or the following</p> <p>19 January or February?</p> <p>20 A. Correct.</p> <p>21 Q. So it's your recollection that as</p> <p>22 the trustee of The Dugaboy Investment</p> <p>23 Trust, you entered into an agreement</p> <p>24 pursuant to 3.10 of the LP agreement in</p> <p>25 either December 2019 or January or February</p>	<p style="text-align: right;">Page 173</p> <p>1 N. Dondero</p> <p>2 of 2020?</p> <p>3 A. Yes.</p> <p>4 Q. Okay. So you entered into that</p> <p>5 third agreement after the petition date.</p> <p>6 Do I have that right?</p> <p>7 A. That's correct.</p> <p>8 Q. Do you recall that there came a</p> <p>9 time in January of 2020 when your brother</p> <p>10 relinquished control of Highland in favor</p> <p>11 of an independent board?</p> <p>12 A. January of '20, yes. Um-hmm.</p> <p>13 Q. Do you recall if the agreement</p> <p>14 that you entered into in late 2019 or early</p> <p>15 2020 occurred before or after your brother</p> <p>16 surrendered control of Highland?</p> <p>17 A. I believe it was before.</p> <p>18 Q. So sometime in December of 2019</p> <p>19 or prior to the date in January when your</p> <p>20 brother surrendered control, you and your</p> <p>21 brother entered into the third in the</p> <p>22 series of three oral agreements that are</p> <p>23 referred to in paragraph 82, correct?</p> <p>24 A. Correct.</p> <p>25 Q. Okay. Do you recall what the</p>

<p style="text-align: right;">Page 174</p> <p>1 N. Dondero</p> <p>2 terms of each of the oral agreements was?</p> <p>3 A. They were all the same, the</p> <p>4 agreements. Obviously for different notes.</p> <p>5 But the terms were that the notes would be</p> <p>6 forgiven if any of the three portfolio</p> <p>7 companies that we discussed earlier,</p> <p>8 Trussway, Cornerstone, MGM, would monetize</p> <p>9 at a higher value, and then the notes would</p> <p>10 be forgiven and considered deferred</p> <p>11 compensation.</p> <p>12 Q. And when you say a higher value,</p> <p>13 did you understand at the time you entered</p> <p>14 into the agreements what higher value</p> <p>15 meant?</p> <p>16 A. Yes.</p> <p>17 Q. Okay. What does higher value</p> <p>18 mean in the context of the agreements that</p> <p>19 you entered into with your brother?</p> <p>20 A. Higher than the purchase price.</p> <p>21 Q. So do I have this correct that if</p> <p>22 one of the three portfolio companies was</p> <p>23 sold for a value that exceeded the cost by</p> <p>24 at least one dollar, then all of the notes</p> <p>25 that were subject to the agreements would</p>	<p style="text-align: right;">Page 175</p> <p>1 N. Dondero</p> <p>2 be forgiven?</p> <p>3 A. That's correct.</p> <p>4 Q. Okay. Can you identify the</p> <p>5 promissory notes that were the subject of</p> <p>6 each of the three agreements?</p> <p>7 A. I don't understand by identified,</p> <p>8 John. In your book or –</p> <p>9 Q. Are you able to list for me the</p> <p>10 promissory notes –</p> <p>11 A. Sure –</p> <p>12 Q. Let me finish the question,</p> <p>13 please.</p> <p>14 Are you able to list for me the</p> <p>15 promissory notes that were the subject of</p> <p>16 each of the three agreements?</p> <p>17 A. In 2017, there were four notes:</p> <p>18 One to NexPoint, two to HCRE, I believe,</p> <p>19 and one to HCMS. I don't have specifics,</p> <p>20 but I believe the four of them originally</p> <p>21 totaled somewhere near 60 million, in that</p> <p>22 ballpark, when they were originally set up.</p> <p>23 That was 2017.</p> <p>24 MS. DEITSCH-PEREZ: John, we have</p> <p>25 a list.</p>
<p style="text-align: right;">Page 176</p> <p>1 N. Dondero</p> <p>2 Do you want her to do this from</p> <p>3 memory or do you want her to look –</p> <p>4 MR. MORRIS: I don't. I'm going</p> <p>5 to try it a different way, Deborah.</p> <p>6 MS. DEITSCH-PEREZ: Okay.</p> <p>7 BY MR. MORRIS:</p> <p>8 Q. Is there – did the three oral</p> <p>9 agreements with your brother –</p> <p>10 A. Yes?</p> <p>11 Q. – cover all of the promissory</p> <p>12 notes that are subject of the lawsuits in</p> <p>13 which are a defendant?</p> <p>14 A. Yes.</p> <p>15 Q. Do you know if any of the three</p> <p>16 agreements you entered into with your</p> <p>17 brother cover any promissory notes that are</p> <p>18 not the subject of the lawsuits in which</p> <p>19 you are a defendant?</p> <p>20 MS. DEITSCH-PEREZ: Object to the</p> <p>21 form.</p> <p>22 A. I don't believe they do.</p> <p>23 Q. Okay. So to the best of your</p> <p>24 knowledge, as the person who caused Dugaboy</p> <p>25 to enter into these agreements on behalf of</p>	<p style="text-align: right;">Page 177</p> <p>1 N. Dondero</p> <p>2 Highland, you do not believe that your</p> <p>3 agreements covered any promissory note that</p> <p>4 is the subject of the lawsuits that have</p> <p>5 been commenced against you, correct?</p> <p>6 MS. DEITSCH-PEREZ: Wait. Can</p> <p>7 you – I think you – can you have the</p> <p>8 court reporter read it back so you can</p> <p>9 hear it? Because either I heard it</p> <p>10 wrong or you misspoke, I think.</p> <p>11 THE REPORTER: I can read it</p> <p>12 back, if you'd like.</p> <p>13 MR. MORRIS: Sure.</p> <p>14 MS. DEITSCH-PEREZ: Yeah,</p> <p>15 Annette, can you read it back?</p> <p>16 THE REPORTER: Sure.</p> <p>17 (Question was read back as</p> <p>18 follows:</p> <p>19 "QUESTION: Okay. So to the best</p> <p>20 of your knowledge, as the person who</p> <p>21 caused Dugaboy to enter into these</p> <p>22 agreements on behalf of Highland, you</p> <p>23 do not believe that your agreements</p> <p>24 covered any promissory note that is the</p> <p>25 subject of the lawsuits that have been</p>

<p style="text-align: right;">Page 178</p> <p>1 N. Dondero</p> <p>2 commenced against you, correct?"</p> <p>3 MR. MORRIS: All right. Let me</p> <p>4 ask the question again. Let me ask the</p> <p>5 question again.</p> <p>6 MS. DEITSCH-PEREZ: Okay.</p> <p>7 BY MR. MORRIS:</p> <p>8 Q. Ms. Dondero, as the person who</p> <p>9 caused Dugaboy to enter into the agreements</p> <p>10 described in paragraph 82 on behalf of</p> <p>11 Highland, do you have any reason to believe</p> <p>12 that those agreements related to any</p> <p>13 promissory notes that are not the subject</p> <p>14 of the lawsuits that have been commenced</p> <p>15 against you and Dugaboy?</p> <p>16 A. No.</p> <p>17 Q. Okay.</p> <p>18 A. I believe they include the notes</p> <p>19 that we've been referring to, that we've</p> <p>20 been talking to about all day, John.</p> <p>21 Q. Okay. Did you or Dugaboy ever</p> <p>22 make a list of the promissory notes that</p> <p>23 were the subject of each agreement –</p> <p>24 withdrawn.</p> <p>25 Prior to the petition date, did</p>	<p style="text-align: right;">Page 179</p> <p>1 N. Dondero</p> <p>2 you or Dugaboy ever make a list of the</p> <p>3 promissory notes that were the subject of</p> <p>4 each agreement?</p> <p>5 MS. DEITSCH-PEREZ: Object to the</p> <p>6 form.</p> <p>7 A. I don't recall.</p> <p>8 Q. You have no recollection of you</p> <p>9 or Dugaboy ever writing down the promissory</p> <p>10 notes that were the subject of any of the</p> <p>11 three oral agreements that Dugaboy entered</p> <p>12 into with your brother, correct?</p> <p>13 A. I don't believe I did.</p> <p>14 Q. And you don't believe Dugaboy did</p> <p>15 either, right?</p> <p>16 MS. DEITSCH-PEREZ: Object to the</p> <p>17 form.</p> <p>18 A. Correct.</p> <p>19 Q. Are you or Dugaboy aware of</p> <p>20 anything in writing that identifies –</p> <p>21 withdrawn.</p> <p>22 Are you and Dugaboy aware of</p> <p>23 anything that was written prior to the</p> <p>24 petition date that identified the</p> <p>25 promissory notes that were the subject of</p>
<p style="text-align: right;">Page 180</p> <p>1 N. Dondero</p> <p>2 each agreement that was entered into?</p> <p>3 A. Am I aware of anything that was</p> <p>4 written down not by me?</p> <p>5 Q. Right.</p> <p>6 A. Nothing that I can recall at this</p> <p>7 time.</p> <p>8 Q. How do you know that the</p> <p>9 promissory notes that are the subject of</p> <p>10 the lawsuits against you were all subject</p> <p>11 to the oral agreements that you entered</p> <p>12 into on behalf of Dugaboy with your</p> <p>13 brother?</p> <p>14 A. Of the 13 notes in total, we</p> <p>15 discussed 4 and 17; 6 and 18; and 3 in 19,</p> <p>16 and that's total, if I'm not mistaken, the</p> <p>17 13 notes in question.</p> <p>18 Q. Okay. Now neither you nor</p> <p>19 Dugaboy ever saw any of the notes prior to</p> <p>20 the petition date, correct?</p> <p>21 MS. DEITSCH-PEREZ: Object to the</p> <p>22 form.</p> <p>23 A. That's correct.</p> <p>24 Q. And neither you nor Dugaboy are</p> <p>25 aware of any writing that was created prior</p>	<p style="text-align: right;">Page 181</p> <p>1 N. Dondero</p> <p>2 to the petition date that identified the</p> <p>3 promissory notes that were the subject of</p> <p>4 the agreements between Dugaboy and your</p> <p>5 brother, correct?</p> <p>6 A. That is correct.</p> <p>7 Q. So are you basing your belief</p> <p>8 that the agreements covered only the</p> <p>9 promissory notes that are the subject of</p> <p>10 the lawsuits on your memory or on anything</p> <p>11 else?</p> <p>12 MS. DEITSCH-PEREZ: Object to the</p> <p>13 form.</p> <p>14 MR. MORRIS: Withdrawn.</p> <p>15 BY MR. MORRIS:</p> <p>16 Q. What is the basis for your belief</p> <p>17 that the agreements covered the promissory</p> <p>18 notes that are the subject of each – of</p> <p>19 the lawsuits against you and Dugaboy?</p> <p>20 A. Because I remember what we</p> <p>21 discussed.</p> <p>22 Q. So you have a memory. You</p> <p>23 remember that three to four years ago, you</p> <p>24 can remember the promissory notes that were</p> <p>25 the subject of your first agreement even</p>

<p style="text-align: right;">Page 182</p> <p>1 N. Dondero</p> <p>2 though you never saw the notes? Do I have</p> <p>3 that right?</p> <p>4 A. I remember the amount. I don't</p> <p>5 remember all the specifics from that many</p> <p>6 years ago, John, but I do remember the</p> <p>7 amount per each year, and I knew that there</p> <p>8 were 13 in total.</p> <p>9 Q. Who identified the notes that</p> <p>10 would be the subject of the agreements? Do</p> <p>11 you recall?</p> <p>12 A. In what context who identified</p> <p>13 them?</p> <p>14 Q. Well, the agreement was entered</p> <p>15 into twin in your capacity as the trustee</p> <p>16 of Dugaboy and your brother, correct?</p> <p>17 A. Correct.</p> <p>18 Q. As between you and your brother,</p> <p>19 did one of you identify the notes that</p> <p>20 would be the subject of the agreements?</p> <p>21 A. Yes, that would be –</p> <p>22 Q. And who identified – okay. And</p> <p>23 who was that?</p> <p>24 A. Jim.</p> <p>25 Q. And during these three</p>	<p style="text-align: right;">Page 183</p> <p>1 N. Dondero</p> <p>2 conversations, did he describe for you the</p> <p>3 notes that were going to be the subject of</p> <p>4 the conversation?</p> <p>5 A. Yes.</p> <p>6 Q. I apologize. I withdraw the</p> <p>7 question.</p> <p>8 Did your brother describe for you</p> <p>9 the notes that were going to be the subject</p> <p>10 of each agreement?</p> <p>11 A. Yes.</p> <p>12 Q. Do you have any basis for knowing</p> <p>13 which agreements – no. Withdrawn.</p> <p>14 Do you have any basis for knowing</p> <p>15 which notes are the subject of the</p> <p>16 agreements other than what your brother</p> <p>17 told you in the three – in the</p> <p>18 conversations that led to the three</p> <p>19 agreements?</p> <p>20 A. No, I don't believe so.</p> <p>21 Q. Did your brother explain to you</p> <p>22 why he selected these notes that are the</p> <p>23 subject of the lawsuits for inclusion in</p> <p>24 the agreements?</p> <p>25 A. Not that I recall.</p>
<p style="text-align: right;">Page 184</p> <p>1 N. Dondero</p> <p>2 MR. MORRIS: I'd like to put up</p> <p>3 on the screen a document that's been</p> <p>4 marked as Exhibit 43.</p> <p>5 (N. Dondero Exhibit 43,</p> <p>6 Promissory Note, Bates-stamped</p> <p>7 D-CNL000550 through 551, marked for</p> <p>8 identification, as of this date.)</p> <p>9 BY MR. MORRIS:</p> <p>10 Q. And do you see, Ms. Dondero, that</p> <p>11 this is a promissory note dated January 18,</p> <p>12 2018, in the amount of \$7,900,000?</p> <p>13 MR. MORRIS: And if we can scroll</p> <p>14 to the bottom so we could see the</p> <p>15 signature.</p> <p>16 BY MR. MORRIS:</p> <p>17 Q. Do you see that that's been</p> <p>18 signed by your brother?</p> <p>19 A. I see that.</p> <p>20 Q. Have you ever seen this</p> <p>21 particular promissory note before?</p> <p>22 MR. MORRIS: And we can go back</p> <p>23 to the top.</p> <p>24 (Document review.)</p> <p>25 A. It doesn't look familiar, John.</p>	<p style="text-align: right;">Page 185</p> <p>1 N. Dondero</p> <p>2 Q. This note is not a note that's</p> <p>3 subject to your agreement with your</p> <p>4 brother, correct?</p> <p>5 A. Correct.</p> <p>6 Q. Do you know why?</p> <p>7 A. I do not.</p> <p>8 Q. And Highland has not sued anybody</p> <p>9 to collect under this note, to the best of</p> <p>10 your knowledge, correct?</p> <p>11 MS. DEITSCH-PEREZ: Object to the</p> <p>12 form.</p> <p>13 A. I –</p> <p>14 BY MR. MORRIS:</p> <p>15 Q. Withdrawn.</p> <p>16 Are you aware of any lawsuit that</p> <p>17 has been commenced by Highland to collect</p> <p>18 under this note?</p> <p>19 A. I am not aware of any.</p> <p>20 Q. When you entered into these</p> <p>21 agreements, did you have any understanding</p> <p>22 that the agreement would cover all of the</p> <p>23 notes that were executed by your brother or</p> <p>24 by other entities under the Highland</p> <p>25 umbrella?</p>

<p style="text-align: right;">Page 186</p> <p>1 N. Dondero</p> <p>2 MS. DEITSCH-PEREZ: Object to the</p> <p>3 form.</p> <p>4 A. John, can you repeat the</p> <p>5 question, please?</p> <p>6 Q. Sure.</p> <p>7 At the time that you entered into</p> <p>8 the agreements, did you have any</p> <p>9 understanding that the agreements would</p> <p>10 cover all notes executed by your brother,</p> <p>11 NexPoint, HCRE and HCMS?</p> <p>12 A. Yes.</p> <p>13 Q. Okay. Was it your understanding</p> <p>14 that all promissory notes would be covered?</p> <p>15 MS. DEITSCH-PEREZ: Do you mean</p> <p>16 all of the ones at issue here or all,</p> <p>17 like, including –</p> <p>18 MR. MORRIS: No.</p> <p>19 MS. DEITSCH-PEREZ: Object to the</p> <p>20 form.</p> <p>21 MR. MORRIS: I thought I was</p> <p>22 clear, but I'll try it one more time.</p> <p>23 MS. DEITSCH-PEREZ: Please.</p> <p>24 BY MR. MORRIS:</p> <p>25 Q. Was it your understanding that</p>	<p style="text-align: right;">Page 187</p> <p>1 N. Dondero</p> <p>2 when you entered into each of these</p> <p>3 agreements, that the agreements would cover</p> <p>4 every promissory note that was executed by</p> <p>5 your brother, by NexPoint, by HCMS, and by</p> <p>6 HCRE, irrespective of whether it wound up</p> <p>7 being part of the lawsuit?</p> <p>8 A. My understanding for the</p> <p>9 agreement I had with Jim is just for these</p> <p>10 13 notes.</p> <p>11 Q. Okay. So there may be other</p> <p>12 notes that Jim or NexPoint or HCRE or HCMS,</p> <p>13 there may be other notes that they</p> <p>14 executed, but if there are, they were not</p> <p>15 the subject of any of your agreements with</p> <p>16 your brother, correct?</p> <p>17 MS. DEITSCH-PEREZ: Object to the</p> <p>18 form.</p> <p>19 You mean any of the agreements</p> <p>20 that she's been testifying here today?</p> <p>21 MR. MORRIS: Yes. We've defined</p> <p>22 agreements, so unless there is a</p> <p>23 question, unless somebody wants to</p> <p>24 revisit the definition, we've defined</p> <p>25 it.</p>
<p style="text-align: right;">Page 188</p> <p>1 N. Dondero</p> <p>2 MS. DEITSCH-PEREZ: Okay. Got</p> <p>3 it. No.</p> <p>4 A. Um-hmm.</p> <p>5 Q. When you say "um-hmm," what could</p> <p>6 you mean?</p> <p>7 A. I'm sorry, John. The</p> <p>8 conversation got me away from the question.</p> <p>9 I'm sorry. I'm sorry.</p> <p>10 MS. DEITSCH-PEREZ: It's my</p> <p>11 fault.</p> <p>12 THE WITNESS: I'm sorry.</p> <p>13 A. Go ahead, John.</p> <p>14 MR. MORRIS: Can I have the last</p> <p>15 question read back, please.</p> <p>16 THE REPORTER: Sure.</p> <p>17 (Question was read back as</p> <p>18 follows:</p> <p>19 "QUESTION: Okay. So there may</p> <p>20 be other notes that Jim or NexPoint or</p> <p>21 HCRE or HCMS, there may be other notes</p> <p>22 that they executed, but if there are,</p> <p>23 they were not the subject of any of</p> <p>24 your agreements with your brother,</p> <p>25 correct?")</p>	<p style="text-align: right;">Page 189</p> <p>1 N. Dondero</p> <p>2 A. Correct.</p> <p>3 Q. Okay.</p> <p>4 A. I'm only speaking for these 13.</p> <p>5 Q. Okay. Do you recall whose idea</p> <p>6 it was to enter into each of the</p> <p>7 agreements?</p> <p>8 A. It was Jim's suggestion.</p> <p>9 Q. Okay. And did he call you to</p> <p>10 make the suggestion?</p> <p>11 A. Yes. At least one, if not two of</p> <p>12 the agreements were verbal or at least</p> <p>13 started verbally. And one I remember was</p> <p>14 in person.</p> <p>15 Q. Okay. Did you ever have any</p> <p>16 concerns that your brother might have a</p> <p>17 conflict of interest since he controlled</p> <p>18 both the borrower and the lender under each</p> <p>19 of these transactions?</p> <p>20 MS. DEITSCH-PEREZ: Object to the</p> <p>21 form.</p> <p>22 A. No.</p> <p>23 Q. Did it ever occur to you that</p> <p>24 your brother might have a conflict of</p> <p>25 interest since he controlled both the</p>

<p style="text-align: right;">Page 190</p> <p>1 N. Dondero</p> <p>2 borrower and the lender in each of these</p> <p>3 transactions?</p> <p>4 MS. DEITSCH-PEREZ: Object to the</p> <p>5 form.</p> <p>6 A. I'm sorry, I thought I answered.</p> <p>7 No.</p> <p>8 Q. Yeah, the first question was</p> <p>9 whether you had any concerns. And the</p> <p>10 second question was did it ever occur to</p> <p>11 you.</p> <p>12 Did you understand that?</p> <p>13 A. I did.</p> <p>14 It didn't occur to me, and I</p> <p>15 didn't have any concern.</p> <p>16 Q. Okay. And I think you just</p> <p>17 mentioned that your recollection is that</p> <p>18 two of the agreements were reached on the</p> <p>19 telephone, and one was reached in person;</p> <p>20 is that right?</p> <p>21 A. That's correct.</p> <p>22 Q. Okay. The agreement that was</p> <p>23 reached in person, where were you?</p> <p>24 A. Florida.</p> <p>25 Q. Where at?</p>	<p style="text-align: right;">Page 191</p> <p>1 N. Dondero</p> <p>2 A. My house in Vero Beach.</p> <p>3 Q. Was anybody else present during</p> <p>4 this discussion?</p> <p>5 A. Jim's kids, underage. My father,</p> <p>6 who's elderly. Family.</p> <p>7 Q. Do you have any reason to believe</p> <p>8 that anybody was aware of the substance of</p> <p>9 the discussion that you had with your</p> <p>10 brother concerning the agreement?</p> <p>11 A. No.</p> <p>12 Q. The two other conversations that</p> <p>13 you had on the phone, do you recall whether</p> <p>14 any person participated in those</p> <p>15 discussions other than your brother and</p> <p>16 yourself?</p> <p>17 A. No one else participated.</p> <p>18 Q. Out of the three agreements that</p> <p>19 you entered into, do you recall whether it</p> <p>20 was the first, second, or third that was</p> <p>21 entered into during a face-to-face meeting?</p> <p>22 A. To the best of my recollection,</p> <p>23 it would have been the end of '18,</p> <p>24 beginning of '19.</p> <p>25 Q. Were there any conversations –</p>
<p style="text-align: right;">Page 192</p> <p>1 N. Dondero</p> <p>2 withdrawn.</p> <p>3 So there were three agreements;</p> <p>4 is that correct?</p> <p>5 A. Through this discussion?</p> <p>6 Q. Yes.</p> <p>7 A. There are three agreements, yes.</p> <p>8 Q. And all three agreements are oral</p> <p>9 agreements, correct?</p> <p>10 A. They're all oral. One in person</p> <p>11 and two on the phone, yes.</p> <p>12 Q. Okay. Were there any</p> <p>13 communications concerning the scope or term</p> <p>14 or terms of the proposed agreement that</p> <p>15 took place before the day on which the</p> <p>16 agreements were entered into?</p> <p>17 MS. DEITSCH-PEREZ: Object to the</p> <p>18 form.</p> <p>19 BY MR. MORRIS:</p> <p>20 Q. I just want to know if there were</p> <p>21 any conversations or communications that</p> <p>22 occurred prior to the entry of the three</p> <p>23 agreements.</p> <p>24 A. There could have been, John.</p> <p>25 Q. I know there could have been.</p>	<p style="text-align: right;">Page 193</p> <p>1 N. Dondero</p> <p>2 I'm asking what you remember.</p> <p>3 A. I don't – at this time, I don't</p> <p>4 know.</p> <p>5 Q. Okay. Do you have any reason to</p> <p>6 believe, as you sit here right now, that</p> <p>7 there were any communications that occurred</p> <p>8 prior to the three days in which you</p> <p>9 entered into the three oral agreements?</p> <p>10 A. There could have been.</p> <p>11 Q. I appreciate that. I'm asking if</p> <p>12 you have any recollection of any such</p> <p>13 communications.</p> <p>14 A. I'm not sure at this time, John.</p> <p>15 Q. Were any of the oral agreements</p> <p>16 ever the subject of negotiation?</p> <p>17 A. I don't understand what you're</p> <p>18 asking.</p> <p>19 Q. Why don't you tell me what the</p> <p>20 conversations were that led to each of the</p> <p>21 agreements to the best that you can recall.</p> <p>22 A. The conversations with my brother</p> <p>23 that took place towards the end of each of</p> <p>24 the years that we're discussing, they</p> <p>25 started as general conversations about</p>

<p style="text-align: right;">Page 194</p> <p>1 N. Dondero</p> <p>2 business, about work. And Jim would bring</p> <p>3 up the loans that were done earlier in the</p> <p>4 year.</p> <p>5 He had stated in the conversation</p> <p>6 that he thought he was undercompensated for</p> <p>7 the work that he does and the time that he</p> <p>8 puts in. And he wanted those loans to be</p> <p>9 forgiven if any of the three portfolio</p> <p>10 companies that we talked about monetized at</p> <p>11 a higher value.</p> <p>12 Q. And you agreed with that?</p> <p>13 A. Well, it was -- yes, I did agree</p> <p>14 with that proposal. I thought it was a</p> <p>15 win-win for everybody.</p> <p>16 Q. Did you ever propose any</p> <p>17 alternative to the proposal that your</p> <p>18 brother made that you just described?</p> <p>19 A. I did not.</p> <p>20 Q. Can you identify any provision of</p> <p>21 any of the agreements that you negotiated</p> <p>22 with your brother?</p> <p>23 A. I didn't negotiate, but Jim had</p> <p>24 concern, and rightfully so, that he would</p> <p>25 put in the work and the time and the effort</p>	<p style="text-align: right;">Page 195</p> <p>1 N. Dondero</p> <p>2 to increase the value of any of those</p> <p>3 portfolio companies and that factors that</p> <p>4 you mention you beyond his control might</p> <p>5 cause them to be sold at a value under the</p> <p>6 price that was paid for them and this deal</p> <p>7 would not happen.</p> <p>8 So hence, that part of the deal</p> <p>9 came up, but I don't know if I'd consider</p> <p>10 it a negotiation.</p> <p>11 MR. MORRIS: Okay. I'm going to</p> <p>12 move to strike.</p> <p>13 BY MR. MORRIS:</p> <p>14 Q. And I'm just going to ask you if</p> <p>15 you can identify any provision of any of</p> <p>16 the agreements that you recall being the</p> <p>17 subject of negotiation?</p> <p>18 A. I don't recall any part being a</p> <p>19 negotiation.</p> <p>20 Q. Who identified the portfolio</p> <p>21 companies that were the subject of each</p> <p>22 agreement?</p> <p>23 A. Jim.</p> <p>24 Q. Did you ask your brother why he</p> <p>25 selected those companies?</p>
<p style="text-align: right;">Page 196</p> <p>1 N. Dondero</p> <p>2 A. No.</p> <p>3 Q. Do you know why your brother</p> <p>4 selected those companies?</p> <p>5 A. I do not.</p> <p>6 Q. Did you ever suggest that</p> <p>7 different portfolio companies should be</p> <p>8 used?</p> <p>9 A. I did not.</p> <p>10 Q. Did you ask him if Highland had</p> <p>11 any other portfolio companies?</p> <p>12 A. I don't know.</p> <p>13 Q. And your brother is the person</p> <p>14 who proposed that all of the notes would be</p> <p>15 forgiven if one of the three portfolio</p> <p>16 companies was sold for greater than cost;</p> <p>17 is that right?</p> <p>18 A. That's correct.</p> <p>19 Q. Do you know whether your brother</p> <p>20 had a duty to maximize value at the time</p> <p>21 that you entered into the agreements with</p> <p>22 him?</p> <p>23 A. I don't know.</p> <p>24 Q. Did you ever ask anybody prior to</p> <p>25 entering into any of the agreements whether</p>	<p style="text-align: right;">Page 197</p> <p>1 N. Dondero</p> <p>2 your brother already had a duty to maximize</p> <p>3 value?</p> <p>4 A. I did not.</p> <p>5 Q. Did you ever make a</p> <p>6 counterproposal to the term of the</p> <p>7 agreement that said all of the notes would</p> <p>8 be forgiven if one of the portfolio</p> <p>9 companies was sold for greater than cost?</p> <p>10 A. I'm sorry, John. Once again, the</p> <p>11 question, please?</p> <p>12 Q. Sure.</p> <p>13 Did you or Dugaboy ever make a</p> <p>14 counterproposal to the provision in the</p> <p>15 agreements that all of the notes would be</p> <p>16 forgiven if one of the portfolio companies</p> <p>17 was sold above cost?</p> <p>18 A. Wasn't that his proposal? Jim's</p> <p>19 proposal?</p> <p>20 Q. It was his proposal. I think</p> <p>21 you've testified to that. And I'm asking</p> <p>22 you if you or Dugaboy ever made a</p> <p>23 counterproposal with respect to that</p> <p>24 particular provision?</p> <p>25 A. No.</p>

<p style="text-align: right;">Page 198</p> <p>1 N. Dondero</p> <p>2 Q. Did you ever consider requiring a</p> <p>3 higher threshold other than having a sale</p> <p>4 above cost for the triggering of the</p> <p>5 condition subsequent?</p> <p>6 A. No.</p> <p>7 Q. Was there any part of your</p> <p>8 brother's proposal that you rejected?</p> <p>9 A. No.</p> <p>10 Q. Was there any part of your</p> <p>11 brother's proposal that Dugaboy rejected?</p> <p>12 A. No.</p> <p>13 Q. Is there any aspect of any of the</p> <p>14 agreements that incorporates a proposal or</p> <p>15 idea that you or Dugaboy made?</p> <p>16 MS. DEITSCH-PEREZ: Object to the</p> <p>17 form.</p> <p>18 A. No.</p> <p>19 Q. Now do you recall that paragraph</p> <p>20 82 also provides that all of the notes</p> <p>21 would be forgiven if any of the portfolio</p> <p>22 companies was sold on a basis out of Jim</p> <p>23 Dondero's control?</p> <p>24 A. Yes.</p> <p>25 Q. Whose idea was it to include that</p>	<p style="text-align: right;">Page 199</p> <p>1 N. Dondero</p> <p>2 provision in the agreement?</p> <p>3 A. I thought I already stated that.</p> <p>4 That Jim had concerns. That was Jim's</p> <p>5 proposal.</p> <p>6 Q. Okay. Did you or Dugaboy reject</p> <p>7 that proposal?</p> <p>8 A. We did not.</p> <p>9 Q. Did you push back on that</p> <p>10 proposal at all?</p> <p>11 A. No.</p> <p>12 Q. Did either you or Dugaboy make</p> <p>13 any counterproposal to that aspect of the</p> <p>14 agreement?</p> <p>15 A. No.</p> <p>16 Q. Do you understand that James</p> <p>17 Seery is in control of the portfolio</p> <p>18 companies subject to the agreement?</p> <p>19 MS. DEITSCH-PEREZ: Object to the</p> <p>20 form.</p> <p>21 A. I didn't know that.</p> <p>22 Q. Are you aware that your brother</p> <p>23 no longer controls the portfolio companies</p> <p>24 that were the subject of the agreement?</p> <p>25 A. Yes.</p>
<p style="text-align: right;">Page 200</p> <p>1 N. Dondero</p> <p>2 Q. So you're aware that somebody</p> <p>3 other than your brother may sell Highland's</p> <p>4 interest in the portfolio companies; is</p> <p>5 that right?</p> <p>6 A. Correct.</p> <p>7 Q. So under the agreements that you</p> <p>8 caused Dugaboy to enter into on behalf of</p> <p>9 Highland, all of the notes that were</p> <p>10 subject to the agreements will be forgiven</p> <p>11 at the moment somebody other than your</p> <p>12 brother sells one of the portfolio</p> <p>13 companies.</p> <p>14 Do I have that right?</p> <p>15 A. I'm sorry, John. Once again?</p> <p>16 Q. Okay. I just want to understand,</p> <p>17 you know, the import of the agreements that</p> <p>18 you've described. So let me try again.</p> <p>19 Under the agreements that you</p> <p>20 caused Dugaboy to enter into on behalf of</p> <p>21 Highland, all of the notes that are subject</p> <p>22 to the agreements will be forgiven the</p> <p>23 moment that any of those three portfolio</p> <p>24 companies are sold.</p> <p>25 Do I have that right?</p>	<p style="text-align: right;">Page 201</p> <p>1 N. Dondero</p> <p>2 A. Correct, you have that right.</p> <p>3 Q. Why did you agree, as the trustee</p> <p>4 of Dugaboy, that all of the notes subject</p> <p>5 to the agreements would be forgiven if any</p> <p>6 of the subject portfolio companies was sold</p> <p>7 on a basis outside of your brother's</p> <p>8 control?</p> <p>9 A. I agreed to that provision of the</p> <p>10 agreement because – and I believe I stated</p> <p>11 this – Jim had concerns about doing the</p> <p>12 work and the effort and putting the time in</p> <p>13 to build up any one of those three</p> <p>14 portfolio companies and then having</p> <p>15 somebody outside of his control sell it for</p> <p>16 less than a monetized value that would</p> <p>17 allow the notes to be forgiven.</p> <p>18 Q. But there's no component of the</p> <p>19 agreement that will avoid the forgiveness</p> <p>20 of the notes depending on the price at</p> <p>21 which the assets were sold, correct?</p> <p>22 A. John, there's no provision of the</p> <p>23 agreement what?</p> <p>24 Q. If somebody were to sell the</p> <p>25 portfolio assets for a substantial price</p>

<p style="text-align: right;">Page 202</p> <p>1 N. Dondero</p> <p>2 above cost –</p> <p>3 A. Above cost?</p> <p>4 Q. Above cost.</p> <p>5 – would the notes still be</p> <p>6 forgiven?</p> <p>7 A. Yes, of course.</p> <p>8 Q. And if the portfolio companies</p> <p>9 are sold at a price substantially below</p> <p>10 cost, will the notes still be forgiven?</p> <p>11 A. They will if they're sold by</p> <p>12 somebody that's not my brother, that's not</p> <p>13 Jim.</p> <p>14 Q. Okay.</p> <p>15 A. If somebody comes in or – who</p> <p>16 did you say, that gentleman that now has</p> <p>17 control of them, if he decides to sell them</p> <p>18 below cost, the notes are still forgiven.</p> <p>19 Q. And if he decides to sell them</p> <p>20 above cost, the notes are forgiven, right?</p> <p>21 A. That is correct, but Highland</p> <p>22 would benefit.</p> <p>23 Q. How does Highland benefit because</p> <p>24 some third party sells the assets?</p> <p>25 A. Okay. That's not what I said.</p>	<p style="text-align: right;">Page 203</p> <p>1 N. Dondero</p> <p>2 But to answer your question, they</p> <p>3 wouldn't – if it got sold for less than</p> <p>4 the value of them, then Highland wouldn't</p> <p>5 benefit. But that wouldn't be in Jim's</p> <p>6 control.</p> <p>7 Q. Did you expect Highland to</p> <p>8 benefit if the portfolio companies were</p> <p>9 sold on a basis outside of Mr. Dondero's</p> <p>10 control?</p> <p>11 A. I have no idea, John.</p> <p>12 Q. Did you have any idea – did you</p> <p>13 or Dugaboy have any idea when you entered</p> <p>14 into the agreement if Highland would</p> <p>15 benefit from the sale of the portfolio</p> <p>16 companies on a basis outside of</p> <p>17 Mr. Dondero's control?</p> <p>18 A. I wouldn't know that.</p> <p>19 Q. Okay. Now if Jim sold one of</p> <p>20 those portfolio companies for a dollar</p> <p>21 above cost, all of the notes would have</p> <p>22 been forgiven, correct?</p> <p>23 A. Correct.</p> <p>24 Q. And did he have the ability to</p> <p>25 sell any of the portfolio companies at the</p>
<p style="text-align: right;">Page 204</p> <p>1 N. Dondero</p> <p>2 time you entered into the agreements?</p> <p>3 MS. DEITSCH-PEREZ: Object to the</p> <p>4 form.</p> <p>5 MR. MORRIS: Withdrawn.</p> <p>6 BY MR. MORRIS:</p> <p>7 Q. Did you and Dugaboy understand</p> <p>8 that Mr. Dondero had the ability to sell</p> <p>9 any of the portfolio companies at the time</p> <p>10 you entered into the agreements?</p> <p>11 A. Yes.</p> <p>12 Q. Okay. If your brother –</p> <p>13 A. That was my understanding.</p> <p>14 Q. Okay. And if your brother sold</p> <p>15 one of those portfolio companies for a</p> <p>16 dollar above cost, what benefit would</p> <p>17 Highland receive if the consequence of that</p> <p>18 was the forgiveness of more than \$60</p> <p>19 million in principal amount of promissory</p> <p>20 notes?</p> <p>21 MS. DEITSCH-PEREZ: Object to the</p> <p>22 form.</p> <p>23 A. John?</p> <p>24 Q. Yes?</p> <p>25 A. Oh.</p>	<p style="text-align: right;">Page 205</p> <p>1 N. Dondero</p> <p>2 Q. You can answer.</p> <p>3 A. That hasn't happened in a</p> <p>4 hypothetical. I don't have an opinion on</p> <p>5 that.</p> <p>6 Q. Well, you entered into the</p> <p>7 agreements, did you not?</p> <p>8 A. I did.</p> <p>9 Q. And you agreed on behalf of</p> <p>10 Dugaboy on behalf of the plaintiff that if</p> <p>11 Jim sold one of the portfolio companies at</p> <p>12 a dollar above cost, all of the notes would</p> <p>13 be forgiven, correct?</p> <p>14 A. I entered into the agreement for</p> <p>15 Dugaboy that if, you're right, any of the</p> <p>16 portfolio companies monetized higher,</p> <p>17 right, the notes would be forgiven. But –</p> <p>18 and I thought about your scenario, but I</p> <p>19 also thought about it could be \$100</p> <p>20 million. We don't know. This is all</p> <p>21 hypothetical.</p> <p>22 Q. It's actually not hypothetical</p> <p>23 because the term of your agreement was that</p> <p>24 he could have sold any of the three</p> <p>25 portfolio companies at a dollar above cost</p>

<p style="text-align: right;">Page 206</p> <p>1 N. Dondero</p> <p>2 and received in return the forgiveness of</p> <p>3 all of these notes, right?</p> <p>4 A. Correct.</p> <p>5 Q. Okay. As the trustee of Dugaboy</p> <p>6 who entered into the agreement on behalf of</p> <p>7 Highland, what benefit would there be to</p> <p>8 Highland if the portfolio companies were</p> <p>9 sold at any price less than the aggregate</p> <p>10 principal amount of the notes?</p> <p>11 A. Less than?</p> <p>12 Q. Let's say it was sold for \$50</p> <p>13 million above cost, then Highland would</p> <p>14 have had to forgiven more than \$60 million</p> <p>15 of notes, correct?</p> <p>16 A. Correct.</p> <p>17 Q. How would Highland benefit by</p> <p>18 having an asset sold \$50 million above cost</p> <p>19 where the consequence was that they would</p> <p>20 forgive more than \$50 million of money that</p> <p>21 was owed to it?</p> <p>22 A. Well, I looked at it differently,</p> <p>23 John. And I thought it benefitted Highland</p> <p>24 at the time because money didn't come out</p> <p>25 of Highland's balance sheets to increase</p>	<p style="text-align: right;">Page 207</p> <p>1 N. Dondero</p> <p>2 Jim's salary. They received interest in</p> <p>3 payment on the loans. We don't know when</p> <p>4 and if the trigger is going to come into</p> <p>5 play that the loans would be forgiven.</p> <p>6 Even as we sit here today, 20-plus million</p> <p>7 has been paid on the loan.</p> <p>8 Q. Can you explain why your brother</p> <p>9 is making payments on demand notes after</p> <p>10 entering into the agreements with you?</p> <p>11 A. It's my limited understanding</p> <p>12 that he's made payments when whatever</p> <p>13 entity needs money.</p> <p>14 Q. And what is the basis for that</p> <p>15 understanding?</p> <p>16 A. Common sense. I don't know,</p> <p>17 John.</p> <p>18 THE WITNESS: And I hate to do</p> <p>19 this, but I know when you – can you</p> <p>20 come to a place of a break in the near</p> <p>21 future whenever is convenient in your</p> <p>22 questions there, please?</p> <p>23 MR. MORRIS: Sure.</p> <p>24 BY MR. MORRIS:</p> <p>25 Q. What is the basis for saying that</p>
<p style="text-align: right;">Page 208</p> <p>1 N. Dondero</p> <p>2 your brother paid back loans at times that</p> <p>3 Highland needed the money – withdrawn.</p> <p>4 Is it your testimony that your</p> <p>5 brother made payments against the loans</p> <p>6 after entering into the agreements with you</p> <p>7 because Highland needed the money?</p> <p>8 A. That's my belief, John.</p> <p>9 Q. Okay. And what is the basis for</p> <p>10 that belief?</p> <p>11 A. I don't have one except I know</p> <p>12 how my brother works.</p> <p>13 Q. Do you know that your brother</p> <p>14 caused the borrowers under the promissory</p> <p>15 notes to make payments against those notes</p> <p>16 after entering into the agreements with</p> <p>17 you?</p> <p>18 A. I do not.</p> <p>19 Q. Did you ever ask anybody?</p> <p>20 A. I did not.</p> <p>21 Q. And I think we covered this</p> <p>22 earlier, but I just want to try and cover</p> <p>23 it quickly before we take the break.</p> <p>24 At the time you entered into each</p> <p>25 of the agreements, neither you nor Dugaboy</p>	<p style="text-align: right;">Page 209</p> <p>1 N. Dondero</p> <p>2 had any understanding of the nature of</p> <p>3 Highland's interest in each of the</p> <p>4 portfolio companies, correct?</p> <p>5 A. That would be correct, yes.</p> <p>6 Q. And at the time the three</p> <p>7 agreements were entered into, neither you</p> <p>8 nor Dugaboy had any understanding as to</p> <p>9 Highland's cost for acquiring its interest</p> <p>10 in each of the three portfolio companies,</p> <p>11 correct?</p> <p>12 A. Yes, that is correct.</p> <p>13 Q. And at the time each of these</p> <p>14 three agreements were entered into, neither</p> <p>15 you nor Dugaboy had any information as to</p> <p>16 the value of Highland's interest in any of</p> <p>17 the portfolio companies, correct?</p> <p>18 MS. DEITSCH-PEREZ: Object to the</p> <p>19 form.</p> <p>20 MR. MORRIS: You can answer.</p> <p>21 A. I'm sorry, John, can you repeat</p> <p>22 the question, please?</p> <p>23 Q. At the time that you entered into</p> <p>24 each of these three agreements, neither you</p> <p>25 nor Dugaboy had any information concerning</p>

<p>Page 210</p> <p>1 N. Dondero</p> <p>2 the value of Highland's interest in the</p> <p>3 three portfolio companies, correct?</p> <p>4 MS. DEITSCH-PEREZ: Object to the</p> <p>5 form.</p> <p>6 A. That's correct, John.</p> <p>7 Q. And at the time that you entered</p> <p>8 into these three agreements, neither you</p> <p>9 nor Dugaboy knew whether the value of</p> <p>10 Highland's interest in the three portfolio</p> <p>11 companies was more or less than the cost of</p> <p>12 acquisition, correct?</p> <p>13 A. That's correct.</p> <p>14 MR. MORRIS: We can take that</p> <p>15 break now if you'd like.</p> <p>16 MR. DRAPER: John, this is</p> <p>17 Douglas.</p> <p>18 How much more do you think you</p> <p>19 have?</p> <p>20 THE VIDEOGRAPHER: The time is</p> <p>21 2:41. We are going off the record.</p> <p>22 (Recess is taken.)</p> <p>23 THE VIDEOGRAPHER: The time is</p> <p>24 2:57. We are back on the record.</p> <p>25 MR. MORRIS: Can we put back up</p>	<p>Page 211</p> <p>1 N. Dondero</p> <p>2 paragraph 82 from Mr. Dondero's answer</p> <p>3 to the Amended Complaint?</p> <p>4 (Document review.)</p> <p>5 BY MR. MORRIS:</p> <p>6 Q. Ms. Dondero, can you hear me?</p> <p>7 A. Yes.</p> <p>8 Q. Okay. Do you see in the middle</p> <p>9 of paragraph 82 it talks about the purpose</p> <p>10 of the agreement?</p> <p>11 A. Um-hmm.</p> <p>12 Q. And do you see where it says that</p> <p>13 Jim Dondero, quote, "was otherwise</p> <p>14 underpaid compared to reasonable</p> <p>15 compensation levels in the industry"?</p> <p>16 A. I see that.</p> <p>17 Q. At the time that you caused</p> <p>18 Dugaboy to enter into the three agreements</p> <p>19 on behalf of Highland, did you believe that</p> <p>20 James Dondero was underpaid compared to</p> <p>21 reasonable compensation levels in the</p> <p>22 industry?</p> <p>23 A. Yes, I believed what he told me.</p> <p>24 Q. Okay. Did you have any basis for</p> <p>25 believing that he was underpaid compared to</p>
<p>Page 212</p> <p>1 N. Dondero</p> <p>2 reasonable compensation levels in the</p> <p>3 industry other than what your brother told</p> <p>4 you?</p> <p>5 A. No.</p> <p>6 Q. Okay. Did Dugaboy have any basis</p> <p>7 for believing that your brother was</p> <p>8 underpaid compared to reasonable</p> <p>9 compensation levels in the industry other</p> <p>10 than what your brother said?</p> <p>11 A. Not that I'm aware of.</p> <p>12 Q. Prior to entering into each of</p> <p>13 these three agreements, did you or Dugaboy</p> <p>14 make any effort to ascertain whether your</p> <p>15 brother was underpaid compared to</p> <p>16 reasonable compensation levels in the</p> <p>17 industry?</p> <p>18 A. Not that I remember.</p> <p>19 Q. At the time that you entered into</p> <p>20 these agreements, neither you nor Dugaboy</p> <p>21 knew the total compensation package that</p> <p>22 Mr. Dondero received from Highland in any</p> <p>23 calendar year, correct?</p> <p>24 A. John, can you ask that question</p> <p>25 again, please?</p>	<p>Page 213</p> <p>1 N. Dondero</p> <p>2 Q. Yes. I'd be happy to.</p> <p>3 At the time that you caused</p> <p>4 Dugaboy to enter into each of the three</p> <p>5 agreements that you've described, neither</p> <p>6 you nor Dugaboy made any effort to</p> <p>7 determine your brother was underpaid</p> <p>8 compared to reasonable compensation levels</p> <p>9 in the industry, correct?</p> <p>10 A. That's correct.</p> <p>11 Q. And at the time that you caused</p> <p>12 Dugaboy to enter into the agreements,</p> <p>13 neither you nor Dugaboy knew how much</p> <p>14 compensation your brother received from</p> <p>15 Highland in any particular year, correct?</p> <p>16 MS. DEITSCH-PEREZ: You mean the</p> <p>17 exact number?</p> <p>18 MR. MORRIS: I mean general</p> <p>19 number. Any number.</p> <p>20 A. Okay. I think we spoke about</p> <p>21 this earlier. I had a general number on</p> <p>22 salary.</p> <p>23 Q. Correct.</p> <p>24 And now I'm asking about total</p> <p>25 compensation, including deferred</p>

<p style="text-align: right;">Page 214</p> <p>1 N. Dondero</p> <p>2 compensation, including any profit sharing,</p> <p>3 including any distributions, total</p> <p>4 compensation, right?</p> <p>5 Do you see that this is referring</p> <p>6 not to salary but to compensation?</p> <p>7 A. I do.</p> <p>8 Q. Okay.</p> <p>9 A. And I would not have known that.</p> <p>10 Q. Okay. So let me ask the question</p> <p>11 again just to make sure it's clear.</p> <p>12 At the time that you caused</p> <p>13 Dugaboy to enter into each of these three</p> <p>14 agreements, neither you nor Dugaboy knew</p> <p>15 what Mr. Dondero's compensation was from</p> <p>16 Highland for any particular year, correct?</p> <p>17 A. Correct.</p> <p>18 Q. And at the time that you caused</p> <p>19 Dugaboy to enter into the three agreements,</p> <p>20 neither you nor Dugaboy ever asked anybody</p> <p>21 what Mr. Dondero's compensation was from</p> <p>22 Highland for any particular year, correct?</p> <p>23 A. Correct.</p> <p>24 Q. And at the time you caused</p> <p>25 Dugaboy to enter into these three</p>	<p style="text-align: right;">Page 215</p> <p>1 N. Dondero</p> <p>2 agreements, neither you nor Dugaboy made</p> <p>3 any effort to try to ascertain what</p> <p>4 Mr. Dondero's compensation from Highland</p> <p>5 was in any particular year, correct?</p> <p>6 A. That's correct.</p> <p>7 Q. Okay. Did you or Dugaboy ever</p> <p>8 conduct any analysis of what reasonable</p> <p>9 compensation levels in the industry were?</p> <p>10 A. Not that I recall.</p> <p>11 Q. Did Mr. Dondero ever tell you</p> <p>12 what he thought reasonable compensation</p> <p>13 levels were in the industry?</p> <p>14 A. John, I vaguely remember him</p> <p>15 throwing out examples of other people in</p> <p>16 his position and the astronomical money</p> <p>17 that they make. I just don't remember</p> <p>18 their names or the companies.</p> <p>19 Q. Okay. Did you or Dugaboy make</p> <p>20 any effort at any time prior to entering</p> <p>21 into the three agreements to determine what</p> <p>22 reasonable compensation levels were in the</p> <p>23 industry?</p> <p>24 A. No.</p> <p>25 Q. Did you or Dugaboy reach any</p>
<p style="text-align: right;">Page 216</p> <p>1 N. Dondero</p> <p>2 conclusions prior to entering into the</p> <p>3 agreements as to whether Mr. Dondero was</p> <p>4 underpaid compared to reasonable</p> <p>5 compensation levels in the industry?</p> <p>6 A. The first part of that, John?</p> <p>7 The first part of your question?</p> <p>8 Q. Did you or Dugaboy reach any</p> <p>9 conclusions prior to entering into the</p> <p>10 three agreements as to whether your brother</p> <p>11 in fact was underpaid compared to</p> <p>12 reasonable compensation levels in the</p> <p>13 industry?</p> <p>14 A. Yes, I came to the conclusion</p> <p>15 that he was based on what he told me.</p> <p>16 Q. Okay. And you had no other</p> <p>17 information upon which you relied to reach</p> <p>18 your conclusion that he was underpaid</p> <p>19 except for the information that your</p> <p>20 brother provided to you, correct?</p> <p>21 A. That's correct.</p> <p>22 Q. Okay. And other than -- okay.</p> <p>23 MR. MORRIS: We can take that</p> <p>24 down. Thank you.</p> <p>25 BY MR. MORRIS:</p>	<p style="text-align: right;">Page 217</p> <p>1 N. Dondero</p> <p>2 Q. Ms. Dondero, do you know if the</p> <p>3 terms of any of the agreements were ever</p> <p>4 reduced to writing?</p> <p>5 A. I didn't put them in writing.</p> <p>6 That's all I can speak to.</p> <p>7 Q. Have you ever seen the terms of</p> <p>8 any of the agreements in writing?</p> <p>9 A. I have not.</p> <p>10 Q. Did anyone ever tell you that the</p> <p>11 terms of the agreements were written down</p> <p>12 anywhere?</p> <p>13 A. Not that I recall.</p> <p>14 Q. Did you or Dugaboy ever ask</p> <p>15 anyone if the terms of the agreements were</p> <p>16 written down anywhere?</p> <p>17 A. Not that I remember.</p> <p>18 Q. Did you believe that these</p> <p>19 agreements were important at the time that</p> <p>20 you caused Dugaboy to enter into them?</p> <p>21 A. Yes.</p> <p>22 Q. Why did you think that these</p> <p>23 agreements were important?</p> <p>24 A. I think I thought they were</p> <p>25 important because they gave Highland the</p>

<p style="text-align: right;">Page 218</p> <p>1 N. Dondero</p> <p>2 chance to motivate and get Jim – or give</p> <p>3 Jim an extra incentive to make the</p> <p>4 portfolio companies into something really</p> <p>5 magnanimous, which would have been great</p> <p>6 for Highland and Jim.</p> <p>7 Q. When you entered into the</p> <p>8 agreements, did you intend that they would</p> <p>9 be binding on Highland?</p> <p>10 A. That was my belief, yes.</p> <p>11 Q. Did it ever occur to you that you</p> <p>12 might want to write down the terms of these</p> <p>13 important agreements?</p> <p>14 A. Honestly, it didn't come to mind,</p> <p>15 no.</p> <p>16 Q. Did you ever tell anybody in the</p> <p>17 world prior to the petition date that you</p> <p>18 had entered into these three agreements</p> <p>19 with your brother?</p> <p>20 A. Besides Melissa, who knew, I</p> <p>21 don't remember anyone else offhand that I</p> <p>22 would have discussed them with.</p> <p>23 Q. How did Melissa know?</p> <p>24 A. Pardon?</p> <p>25 Q. Are you referring to Melissa</p>	<p style="text-align: right;">Page 219</p> <p>1 N. Dondero</p> <p>2 Schroth?</p> <p>3 A. Correct.</p> <p>4 Q. Why do you think that she knew?</p> <p>5 A. I have a vague memory of</p> <p>6 discussing it with her.</p> <p>7 Q. What do you remember about that</p> <p>8 vague memory?</p> <p>9 A. It was in regards to Dugaboy.</p> <p>10 She is one of my main contact people, and I</p> <p>11 think it was more a recap conversation.</p> <p>12 Q. And what did she say?</p> <p>13 A. She just listened, made a note, I</p> <p>14 assume, made a mental note.</p> <p>15 Q. Do you recall, did this occur in</p> <p>16 a telephone conversation?</p> <p>17 A. Yes, I believe it did.</p> <p>18 Q. Okay. Do you recall when that</p> <p>19 conversation took place?</p> <p>20 A. I do not.</p> <p>21 Q. Do you recall if it was before or</p> <p>22 after the petition date?</p> <p>23 A. I do not.</p> <p>24 Q. Did she ask any questions?</p> <p>25 A. Not that I recall.</p>
<p style="text-align: right;">Page 220</p> <p>1 N. Dondero</p> <p>2 Q. Did you tell her which notes were</p> <p>3 the subject of the agreements?</p> <p>4 A. The conversation was not that</p> <p>5 detailed.</p> <p>6 Q. Well, if she didn't ask any</p> <p>7 questions and she didn't say anything that</p> <p>8 you recall in response, can you recall</p> <p>9 everything you said to Ms. Schroth during</p> <p>10 this conversation?</p> <p>11 A. I don't remember, John, the</p> <p>12 specifics.</p> <p>13 Q. Do you remember anything about</p> <p>14 the conversation at all?</p> <p>15 A. I just remember them coming up in</p> <p>16 conversation.</p> <p>17 Q. You remember what coming up?</p> <p>18 A. The forgiveness of the loan.</p> <p>19 Q. Did she indicate to you that she</p> <p>20 knew about it already?</p> <p>21 A. I don't remember.</p> <p>22 Q. Did she express any surprise at</p> <p>23 what you told her?</p> <p>24 A. No, but I do remember her saying</p> <p>25 it was the great motivator.</p>	<p style="text-align: right;">Page 221</p> <p>1 N. Dondero</p> <p>2 Q. And you don't think your brother</p> <p>3 was otherwise motivated to sell one of</p> <p>4 three assets at a dollar above cost,</p> <p>5 correct?</p> <p>6 A. I never said –</p> <p>7 MS. DEITSCH-PEREZ: Object to the</p> <p>8 form.</p> <p>9 A. I didn't say that.</p> <p>10 Q. Well, but that's what the</p> <p>11 agreement permitted, correct, that the</p> <p>12 notes would be forgiven if he sold an asset</p> <p>13 at a dollar above cost, right?</p> <p>14 MS. DEITSCH-PEREZ: Object to the</p> <p>15 form.</p> <p>16 A. John, at the time I entered into</p> <p>17 the agreement, I believe that they would be</p> <p>18 a motivator, an increased motivator.</p> <p>19 You met my brother, right? You</p> <p>20 know he's motivated.</p> <p>21 Q. It never would have occurred to</p> <p>22 me that he needed more motivation, but</p> <p>23 maybe that's just my view.</p> <p>24 A. It's increased motivation when</p> <p>25 there's money on the line.</p>

<p style="text-align: right;">Page 222</p> <p>1 N. Dondero</p> <p>2 Q. But how does it motivate him when</p> <p>3 he can recover the benefits of the</p> <p>4 agreement regardless of how much above cost</p> <p>5 the asset is sold?</p> <p>6 A. Okay. I'm sorry, John, one more</p> <p>7 time, please, the question?</p> <p>8 Q. How does it motivate him when he</p> <p>9 will reap the benefits of the agreement if</p> <p>10 he sells -- withdrawn.</p> <p>11 How does he get motivated under</p> <p>12 an agreement whereby he will get the</p> <p>13 benefit of the forgiveness of over \$60</p> <p>14 million of notes without regard to how much</p> <p>15 above cost he sells one of three assets?</p> <p>16 A. Okay. John, when I entered into</p> <p>17 these, he was still at the helm of</p> <p>18 Highland.</p> <p>19 Q. Correct.</p> <p>20 A. So if he would have monetized</p> <p>21 them at a really high value, he would have</p> <p>22 benefitted from his interest, beneficial</p> <p>23 interest in Highland.</p> <p>24 Q. Under the terms of the agreement,</p> <p>25 are you able to identify how Mr. Dondero</p>	<p style="text-align: right;">Page 223</p> <p>1 N. Dondero</p> <p>2 would have been motivated whether --</p> <p>3 withdrawn.</p> <p>4 It doesn't matter under the</p> <p>5 agreements that you entered into on behalf</p> <p>6 of Dugaboy how much above cost the assets</p> <p>7 are sold before Mr. Dondero could reap the</p> <p>8 benefits of the agreement, correct?</p> <p>9 A. Correct.</p> <p>10 Q. And you could have, but you</p> <p>11 didn't, demand that the notes would be</p> <p>12 forgiven only if he sold the assets at --</p> <p>13 I'm just going to pick a number -- 50</p> <p>14 percent more than cost, right?</p> <p>15 A. Anything is possible.</p> <p>16 Q. But you didn't -- anything is</p> <p>17 possible, but the fact is that neither you</p> <p>18 nor Dugaboy made any proposal that would</p> <p>19 tie the benefits that Mr. Dondero wanted to</p> <p>20 the amount of gain that was to be recovered</p> <p>21 on behalf of Highland, correct?</p> <p>22 A. Correct. I didn't look at it the</p> <p>23 way you are, correct.</p> <p>24 Q. And so when you speak of</p> <p>25 motivation under the terms of the agreement</p>
<p style="text-align: right;">Page 224</p> <p>1 N. Dondero</p> <p>2 that you entered into on behalf of</p> <p>3 Highland, Mr. Dondero would be indifferent</p> <p>4 whether the asset was sold at 1 percent</p> <p>5 above cost, at 10 percent above cost, more</p> <p>6 than the face amount of the promissory</p> <p>7 note, right? There's no relationship</p> <p>8 between the gain to Highland and the</p> <p>9 benefit to Mr. Dondero, correct?</p> <p>10 A. You mean now when he's not at the</p> <p>11 helm of Highland, John?</p> <p>12 Q. No, I mean -- no. Let me try</p> <p>13 again.</p> <p>14 At the moment you entered into</p> <p>15 the agreement --</p> <p>16 A. Right.</p> <p>17 Q. -- if a subsequent event</p> <p>18 occurred, you and your brother knew that he</p> <p>19 would receive more than \$6 million in value</p> <p>20 through the forgiveness of the notes,</p> <p>21 correct?</p> <p>22 A. Correct.</p> <p>23 Q. But at the time that you entered</p> <p>24 into the agreements, neither you nor your</p> <p>25 brother knew what the economic benefit to</p>	<p style="text-align: right;">Page 225</p> <p>1 N. Dondero</p> <p>2 Highland would be because the asset hadn't</p> <p>3 been sold yet, correct?</p> <p>4 A. Correct.</p> <p>5 Q. And it wasn't in the hands of a</p> <p>6 third party, correct?</p> <p>7 A. Correct.</p> <p>8 Q. Okay. And I think you may have</p> <p>9 testified to this earlier. If you did, I</p> <p>10 apologize. But do you know the aggregate</p> <p>11 amount that's due under each of the notes</p> <p>12 that are subject to the agreements that you</p> <p>13 entered into on behalf of Dugaboy?</p> <p>14 A. As of today's value or --</p> <p>15 Q. Let's start with today's value.</p> <p>16 A. Okay. The amount owed I believe</p> <p>17 per the lawsuit for all of them is just</p> <p>18 north of 50 million.</p> <p>19 Q. And were you aware at the time</p> <p>20 you entered into the agreements, the</p> <p>21 aggregate principal amount that was still</p> <p>22 due on the notes that were subject to the</p> <p>23 agreement?</p> <p>24 A. When I entered into the three</p> <p>25 agreements?</p>

<p style="text-align: right;">Page 226</p> <p>1 N. Dondero</p> <p>2 Q. Yes.</p> <p>3 A. The total for '17, '18, and '19</p> <p>4 combined was in the ballpark of 72 million,</p> <p>5 I believe.</p> <p>6 Q. And the difference between the</p> <p>7 principal amount that was due at the time</p> <p>8 that you entered into the agreements and</p> <p>9 the principal amount that's due today is</p> <p>10 the payments that were made in the</p> <p>11 intervening period.</p> <p>12 Do I have that right?</p> <p>13 A. I'm assuming payments and</p> <p>14 interest, sir, yes.</p> <p>15 Q. Okay. If the assets are sold</p> <p>16 now, what benefit will Highland receive</p> <p>17 relative to the forgiveness of the notes?</p> <p>18 MS. DEITSCH-PEREZ: Object to the</p> <p>19 form.</p> <p>20 BY MR. MORRIS:</p> <p>21 Q. The assets are now in the hands</p> <p>22 of a third party, right?</p> <p>23 A. Um-hmm. Correct.</p> <p>24 Q. Okay. And is it your</p> <p>25 understanding that if a third party sells</p>	<p style="text-align: right;">Page 227</p> <p>1 N. Dondero</p> <p>2 the assets that irrespective of the price</p> <p>3 at which it sold, the moment it's sold, the</p> <p>4 notes will be forgiven?</p> <p>5 A. That is my understanding.</p> <p>6 Q. So that if a third party were to</p> <p>7 sell the asset – withdrawn.</p> <p>8 So at the time that you entered</p> <p>9 into the agreements on behalf of Dugaboy,</p> <p>10 neither you nor Dugaboy had any</p> <p>11 understanding of what Highland's economic</p> <p>12 recovery would be if a third party sold any</p> <p>13 of the portfolio companies, correct?</p> <p>14 A. I wouldn't have known the future.</p> <p>15 That is correct.</p> <p>16 Q. Did you and Dugaboy – withdrawn.</p> <p>17 Did you and Dugaboy believe at</p> <p>18 the time that you entered into the</p> <p>19 agreements that Highland received</p> <p>20 reasonably equivalent value in exchange for</p> <p>21 the agreements?</p> <p>22 MS. DEITSCH-PEREZ: Object to the</p> <p>23 form.</p> <p>24 A. John, I repeat, I thought at the</p> <p>25 time I entered into the agreement, there</p>
<p style="text-align: right;">Page 228</p> <p>1 N. Dondero</p> <p>2 was a – that it was a good deal for both</p> <p>3 Jim and Highland, a win-win situation. I</p> <p>4 think we discussed this already.</p> <p>5 Q. Okay. But you didn't know the</p> <p>6 price at which Mr. Dondero would sell the</p> <p>7 asset that was subject to the condition</p> <p>8 subsequent, correct?</p> <p>9 A. John, correct, but I know my</p> <p>10 brother, and he's a financial guru, and I</p> <p>11 trusted in the fact that he would make them</p> <p>12 into something great.</p> <p>13 Q. Okay. But neither you nor</p> <p>14 Dugaboy could predict whether Highland</p> <p>15 would receive from the sale of the assets</p> <p>16 more or less than the principal and</p> <p>17 interest due under the notes, correct?</p> <p>18 A. You are correct; I could not</p> <p>19 predict what would happen.</p> <p>20 Q. Okay. Did Mr. Dondero express</p> <p>21 any reason to you why he thought the notes</p> <p>22 should be forgiven if the assets were sold</p> <p>23 by somebody other than himself?</p> <p>24 A. Okay. I'm sorry, John. Again?</p> <p>25 Q. Did Mr. Dondero give you any</p>	<p style="text-align: right;">Page 229</p> <p>1 N. Dondero</p> <p>2 reason as to why he believed he was</p> <p>3 entitled to the forgiveness of the notes</p> <p>4 simply because the assets were sold by</p> <p>5 somebody other than himself?</p> <p>6 A. I believe we touched on this</p> <p>7 already, but I will repeat it.</p> <p>8 His concern was that he put the</p> <p>9 time and effort and energy into the three</p> <p>10 portfolio companies and then some element</p> <p>11 beyond his control could come in and sell</p> <p>12 them at a loss after he had done all the</p> <p>13 work. And if we didn't have that provision</p> <p>14 in, his notes wouldn't be forgiven.</p> <p>15 Q. Did you ask him why he was</p> <p>16 concerned that some element beyond his</p> <p>17 control were to intervene to prevent him</p> <p>18 from selling the assets?</p> <p>19 A. I did not.</p> <p>20 Q. Did you ask him why that was even</p> <p>21 a possibility at the time that you entered</p> <p>22 into these three agreements?</p> <p>23 A. I did not. But knowing my</p> <p>24 brother, he looks at all sides of every</p> <p>25 situation.</p>

<p style="text-align: right;">Page 230</p> <p>1 N. Dondero</p> <p>2 Q. Okay. The notes that were issued</p> <p>3 by HCMS, HCRE, and NexPoint, can we refer</p> <p>4 to those for the next set of questions as</p> <p>5 the corporate notes?</p> <p>6 A. Okay.</p> <p>7 MS. DEITSCH-PEREZ: Can you read</p> <p>8 that back?</p> <p>9 MR. MORRIS: Sure.</p> <p>10 BY MR. MORRIS:</p> <p>11 Q. Can we call the notes that were</p> <p>12 executed on behalf of HCMS, HCRE, and</p> <p>13 NexPoint as the corporate notes?</p> <p>14 MS. DEITSCH-PEREZ: You're</p> <p>15 including HCMFA in this?</p> <p>16 MR. MORRIS: No, I never said</p> <p>17 that.</p> <p>18 MS. DEITSCH-PEREZ: I thought you</p> <p>19 did. That's why I said -- I think you</p> <p>20 misspoke, but can you ask the question</p> <p>21 again.</p> <p>22 MR. MORRIS: I don't think so. I</p> <p>23 don't think so, but I'll say it for a</p> <p>24 third time.</p> <p>25 BY MR. MORRIS:</p>	<p style="text-align: right;">Page 231</p> <p>1 N. Dondero</p> <p>2 Q. Can we call the notes executed on</p> <p>3 behalf of HCMS, HCRE, and NexPoint as the</p> <p>4 corporate notes?</p> <p>5 MS. DEITSCH-PEREZ: Okay. Thank</p> <p>6 you. I think I was hearing S as F.</p> <p>7 Sorry.</p> <p>8 BY MR. MORRIS:</p> <p>9 Q. Is that okay, Ms. Dondero?</p> <p>10 A. Yes, that's fine. Thank you.</p> <p>11 Q. Okay. And under the agreements,</p> <p>12 were the corporate notes to be forgiven as</p> <p>13 compensation to your brother or as</p> <p>14 compensation to the corporate obligors, the</p> <p>15 corporate borrowers?</p> <p>16 A. Deferred compensation for Jim.</p> <p>17 Q. So let me get this right.</p> <p>18 HCMS, HCRE, and NexPoint each</p> <p>19 borrow money from Highland and give</p> <p>20 Highland promissory notes in return.</p> <p>21 Do I have that right?</p> <p>22 A. I'm sorry, John. Just one more</p> <p>23 time, the question, please?</p> <p>24 Q. Each of HCMS, HCRE, and NexPoint</p> <p>25 borrowed money from Highland and gave</p>
<p style="text-align: right;">Page 232</p> <p>1 N. Dondero</p> <p>2 promissory notes in return, correct?</p> <p>3 A. Yes. That's my understanding.</p> <p>4 Q. And under the agreement that you</p> <p>5 entered into on behalf of Dugaboy, those</p> <p>6 corporate notes would be forgiven as</p> <p>7 compensation to your brother upon the</p> <p>8 condition -- upon the fulfillment of</p> <p>9 conditions subsequent, correct?</p> <p>10 A. That is correct.</p> <p>11 Q. So that the forgiveness of the</p> <p>12 corporate notes was, in your mind, the same</p> <p>13 thing as giving compensation to your</p> <p>14 brother, correct?</p> <p>15 MS. DEITSCH-PEREZ: Object to the</p> <p>16 form.</p> <p>17 A. They would be considered deferred</p> <p>18 compensation.</p> <p>19 Q. And they would be considered</p> <p>20 compensation to your brother, not</p> <p>21 compensation to the borrowers under each of</p> <p>22 the corporate notes, correct?</p> <p>23 A. That's how I understood it, yes.</p> <p>24 Q. Okay. So in your mind, when you</p> <p>25 entered into these agreements, it didn't</p>	<p style="text-align: right;">Page 233</p> <p>1 N. Dondero</p> <p>2 matter whether the notes were executed by</p> <p>3 your brother or any of these three</p> <p>4 corporate obligors; the cancellation of the</p> <p>5 notes would be a direct benefit for</p> <p>6 compensation purposes only to your brother,</p> <p>7 correct?</p> <p>8 MS. DEITSCH-PEREZ: Object to the</p> <p>9 form.</p> <p>10 THE WITNESS: Do I still answer?</p> <p>11 BY MR. MORRIS:</p> <p>12 Q. Yes.</p> <p>13 A. Yes, John, that's how I</p> <p>14 understood it.</p> <p>15 Q. Thank you.</p> <p>16 A. Certainly.</p> <p>17 Q. Now the compensation that was the</p> <p>18 subject of these agreements, that wasn't to</p> <p>19 compensate him for past services, was it?</p> <p>20 MS. DEITSCH-PEREZ: Object to the</p> <p>21 form.</p> <p>22 MR. MORRIS: Withdrawn.</p> <p>23 BY MR. MORRIS:</p> <p>24 Q. The compensation that was subject</p> <p>25 to the agreement was for services that</p>

<p style="text-align: right;">Page 234</p> <p>1 N. Dondero</p> <p>2 would be rendered in the future, correct?</p> <p>3 MS. DEITSCH-PEREZ: Object to the</p> <p>4 form.</p> <p>5 BY MR. MORRIS:</p> <p>6 Q. You can answer.</p> <p>7 A. Well, in the future from what</p> <p>8 date?</p> <p>9 Q. From the date that the agreements</p> <p>10 were entered into.</p> <p>11 A. Correct. Yes. From the date,</p> <p>12 yes.</p> <p>13 Q. The agreement was that the notes</p> <p>14 would be forgiven based on a condition</p> <p>15 subsequent, right?</p> <p>16 A. Yes. So a future date from when</p> <p>17 we entered them, um-hmm.</p> <p>18 Q. So something had to happen in the</p> <p>19 future in order for your brother to get the</p> <p>20 benefit of the bargain, right?</p> <p>21 A. Correct.</p> <p>22 Q. Because if it was compensation</p> <p>23 for services rendered in the past, you just</p> <p>24 give him the money, right?</p> <p>25 A. So true.</p>	<p style="text-align: right;">Page 235</p> <p>1 N. Dondero</p> <p>2 MS. DEITSCH-PEREZ: Object to the</p> <p>3 form.</p> <p>4 BY MR. MORRIS:</p> <p>5 Q. Let me ask another question, a</p> <p>6 different question, Ms. Dondero, and just</p> <p>7 try to finish this up.</p> <p>8 Pursuant to the agreement that</p> <p>9 you entered into on behalf of Dugaboy, the</p> <p>10 notes would only be forgiven if some future</p> <p>11 event occurred, correct?</p> <p>12 A. Right, the monetization of one of</p> <p>13 the three portfolio companies, correct.</p> <p>14 Um-hmm.</p> <p>15 Q. The forgiveness of the notes was</p> <p>16 not for services rendered in the past,</p> <p>17 correct?</p> <p>18 MS. DEITSCH-PEREZ: Object to the</p> <p>19 form.</p> <p>20 A. That is correct.</p> <p>21 Q. Okay. Do you know if Dugaboy</p> <p>22 ever issued any promissory notes in favor</p> <p>23 of Highland?</p> <p>24 A. I know there are loans between</p> <p>25 Dugaboy and Highland.</p>
<p style="text-align: right;">Page 236</p> <p>1 N. Dondero</p> <p>2 Q. And do you know who made the loan</p> <p>3 and who received the loan or loans?</p> <p>4 A. I believe Dugaboy was the</p> <p>5 borrower. The loan with Highland, it was</p> <p>6 in 2017. And if my memory serves me right,</p> <p>7 it was 23, 24 million.</p> <p>8 Again, going by memory, John,</p> <p>9 because I really wasn't prepared for this</p> <p>10 line of questioning, but I believe there is</p> <p>11 an earlier loan between the two of them.</p> <p>12 Q. And did you – I apologize. I</p> <p>13 didn't mean to step on your words.</p> <p>14 Are you finished?</p> <p>15 A. Oh, no. I am. Thank you.</p> <p>16 Q. Okay. Were you the trustee of</p> <p>17 the Dugaboy Trust at the time the loans you</p> <p>18 just described were obtained from Highland?</p> <p>19 A. The one that I mentioned that I</p> <p>20 remembered the – I believe it's close to</p> <p>21 or around 24 million, in May of '17, I was</p> <p>22 obviously. I became trustee in October of</p> <p>23 '15.</p> <p>24 The other one, I'm not positive</p> <p>25 on, John, the date and the amount. I just</p>	<p style="text-align: right;">Page 237</p> <p>1 N. Dondero</p> <p>2 know of another one.</p> <p>3 Q. Now the Dugaboy trust is, I think</p> <p>4 as you've described it, a trust for</p> <p>5 education and health and lifestyle</p> <p>6 purposes, right?</p> <p>7 A. And maintenance, correct.</p> <p>8 Q. Do you know why Dugaboy needed to</p> <p>9 borrow 23 to 24 million dollars from</p> <p>10 Highland in 2017?</p> <p>11 A. I'd be speculating. I don't know</p> <p>12 for sure, but I believe it was for real</p> <p>13 estate.</p> <p>14 Q. And did you – do you recall</p> <p>15 executing any documents on behalf of</p> <p>16 Dugaboy in connection with the loan that it</p> <p>17 obtained from Highland?</p> <p>18 A. Not that I recall, John, right</p> <p>19 now.</p> <p>20 Q. Do you know who authorized</p> <p>21 Highland – withdrawn.</p> <p>22 Did you ever have any</p> <p>23 conversations with anybody at any time</p> <p>24 concerning Dugaboy's 23 to 24 million</p> <p>25 dollar loan that it obtained from Highland</p>

<p style="text-align: right;">Page 238</p> <p>1 N. Dondero</p> <p>2 in around 2017?</p> <p>3 MS. DEITSCH-PEREZ: I'm going to</p> <p>4 object. This is neither one of the</p> <p>5 Dugaboy topics and it's beyond the --</p> <p>6 it doesn't pertain to the four</p> <p>7 adversary proceedings. So it's not</p> <p>8 fair to ask the witness about things</p> <p>9 she's not had the occasion to refresh</p> <p>10 herself on.</p> <p>11 MR. MORRIS: Okay.</p> <p>12 MR. DRAPER: John, I let this go</p> <p>13 on behalf of Dugaboy a little bit just</p> <p>14 for background information, but now</p> <p>15 we're sort of bordering on specifics of</p> <p>16 a transaction that is --</p> <p>17 MR. MORRIS: I am -- go ahead,</p> <p>18 Douglas. I'm sorry.</p> <p>19 MR. DRAPER: -- that is not in</p> <p>20 dispute in this litigation. It is not</p> <p>21 within your 30(b)(6) designation. And</p> <p>22 so it's fundamentally unfair to put</p> <p>23 this witness through a memory test for</p> <p>24 no purpose whatsoever that serves</p> <p>25 nothing to do with this litigation.</p>	<p style="text-align: right;">Page 239</p> <p>1 N. Dondero</p> <p>2 MR. MORRIS: Okay. Number one, I</p> <p>3 agree that it's not a 30(b)(6) topic.</p> <p>4 Number two, I agree that I'm not</p> <p>5 asking her these questions in her</p> <p>6 capacity as the Dugaboy trustee. I'm</p> <p>7 asking them in her individual capacity.</p> <p>8 So I don't think you have any grounds</p> <p>9 to object any longer, Mr. Draper.</p> <p>10 And number three, I think all of</p> <p>11 this goes to credibility. And it goes</p> <p>12 to everything we've been talking about</p> <p>13 today.</p> <p>14 And so I'm going to continue to</p> <p>15 ask my questions. And if at any time</p> <p>16 you want to direct the witness not to</p> <p>17 answer, you know, we'll deal with it.</p> <p>18 Okay?</p> <p>19 MR. DRAPER: Okay. So if I</p> <p>20 understand what you just said, just so</p> <p>21 the record is clear, this is not</p> <p>22 30(b)(6) questions to the witness. In</p> <p>23 fact, these are questions to the</p> <p>24 witness in her individual capacity and</p> <p>25 will not serve as a 30(b)(6) answer on</p>
<p style="text-align: right;">Page 240</p> <p>1 N. Dondero</p> <p>2 batch of Dugaboy, correct?</p> <p>3 MR. MORRIS: I thought I was</p> <p>4 quite clear, but, yes, Douglas, that is</p> <p>5 correct.</p> <p>6 MR. DRAPER: Great. Thank you.</p> <p>7 MR. MORRIS: Yep.</p> <p>8 BY MR. MORRIS:</p> <p>9 Q. Okay. So Ms. Dondero, do you</p> <p>10 recall any conversations you ever had at</p> <p>11 any time concerning the 23 or 24 million</p> <p>12 dollars that Dugaboy borrowed from</p> <p>13 Highland?</p> <p>14 A. Not at this time.</p> <p>15 Q. Okay. You mentioned that you</p> <p>16 believed that the money was used for the</p> <p>17 acquisition of real estate.</p> <p>18 Do I have that right?</p> <p>19 MS. DEITSCH-PEREZ: Object to the</p> <p>20 form.</p> <p>21 A. Yes.</p> <p>22 Q. And was that for the acquisition</p> <p>23 of Jim's house in Colorado?</p> <p>24 A. I don't know.</p> <p>25 Q. Do you know if your brother</p>	<p style="text-align: right;">Page 241</p> <p>1 N. Dondero</p> <p>2 acquired a house in Colorado in or around</p> <p>3 2017?</p> <p>4 A. I know he acquired a house in</p> <p>5 Colorado. The time frame, I'm not certain</p> <p>6 of.</p> <p>7 Q. Do you know that he paid more</p> <p>8 than \$20 million for a house in Colorado?</p> <p>9 A. No.</p> <p>10 Q. Was the loan that Dugaboy</p> <p>11 obtained from Highland subject to any of</p> <p>12 the three agreements that you entered into</p> <p>13 as the trustee of Dugaboy?</p> <p>14 A. Any of the three agreements we've</p> <p>15 been discussing?</p> <p>16 Q. Yes.</p> <p>17 A. No.</p> <p>18 Q. Did you ever ask Jim why the</p> <p>19 Dugaboy note wasn't included in the</p> <p>20 agreements?</p> <p>21 A. I did not.</p> <p>22 Q. But you knew Dugaboy note existed</p> <p>23 at the time you entered into the</p> <p>24 agreements, correct?</p> <p>25 MS. DEITSCH-PEREZ: Object to the</p>

<p style="text-align: right;">Page 242</p> <p>1 N. Dondero</p> <p>2 form.</p> <p>3 A. At the time I entered into the</p> <p>4 agreements, I don't know, John.</p> <p>5 Q. So at the time you entered into</p> <p>6 these three agreements, you don't recall</p> <p>7 whether you knew that Dugaboy had obtained</p> <p>8 a 23 to 24 million dollar loan from</p> <p>9 Highland.</p> <p>10 Do I have that right?</p> <p>11 A. I don't know as I sit here now.</p> <p>12 What I knew then, I don't remember.</p> <p>13 Q. But you do remember the specific</p> <p>14 identity of each promissory note that was</p> <p>15 the subject of each of these three</p> <p>16 agreements, correct?</p> <p>17 A. When I refreshed my memory, sure.</p> <p>18 Q. Do you know if Dugaboy ever</p> <p>19 entered into any agreement on behalf of</p> <p>20 Highland other than the three oral</p> <p>21 agreements that you described today?</p> <p>22 A. Dugaboy has entered into a lot of</p> <p>23 agreements with Highland.</p> <p>24 Q. All right. Let me restate the</p> <p>25 question.</p>	<p style="text-align: right;">Page 243</p> <p>1 N. Dondero</p> <p>2 Did Dugaboy ever, ever -- ever,</p> <p>3 ever. Let me try again.</p> <p>4 Did Dugaboy ever enter into any</p> <p>5 agreements pursuant to Section 3.10 of the</p> <p>6 LP agreement other than the three</p> <p>7 agreements that you've mentioned today?</p> <p>8 A. Oh --</p> <p>9 MS. DEITSCH-PEREZ: Were there</p> <p>10 any before these, John? Before?</p> <p>11 MR. MORRIS: I don't care if it's</p> <p>12 before or after. So let me ask again.</p> <p>13 BY MR. MORRIS:</p> <p>14 Q. As the trustee of Dugaboy, are</p> <p>15 you aware of any agreement Dugaboy has ever</p> <p>16 entered into pursuant to Section 3.10 of</p> <p>17 the LP agreement other than the three</p> <p>18 agreements that you have described today?</p> <p>19 A. Not that I'm aware of,</p> <p>20 compensation.</p> <p>21 Q. Can we put up your discovery</p> <p>22 responses, which I think is document No. 25</p> <p>23 in your pile.</p> <p>24 MS. DEITSCH-PEREZ: The notebook.</p> <p>25 MR. ELMS: 25.</p>
<p style="text-align: right;">Page 244</p> <p>1 N. Dondero</p> <p>2 THE WITNESS: What is it?</p> <p>3 MR. ELMS: Tab 25.</p> <p>4 THE WITNESS: Tab 25. Okay.</p> <p>5 (Document review.)</p> <p>6 BY MR. MORRIS:</p> <p>7 Q. Have you seen this document</p> <p>8 before, ma'am?</p> <p>9 A. Just one second. I'm getting</p> <p>10 there.</p> <p>11 Q. Sure. Take your time.</p> <p>12 A. Okay.</p> <p>13 (Document review.)</p> <p>14 A. Yes. Yes, I believe I have.</p> <p>15 Q. Can you turn to page 15?</p> <p>16 (Witness complies.)</p> <p>17 Q. Is that your signature?</p> <p>18 A. It is.</p> <p>19 Q. And did you review this document</p> <p>20 before you signed it?</p> <p>21 A. I did.</p> <p>22 Q. Did you have an opportunity to</p> <p>23 consult with counsel before you signed it?</p> <p>24 A. I did.</p> <p>25 Q. Did you in fact consult with</p>	<p style="text-align: right;">Page 245</p> <p>1 N. Dondero</p> <p>2 counsel before signing it?</p> <p>3 A. I did.</p> <p>4 Q. And you reviewed this document in</p> <p>5 connection with your preparation for</p> <p>6 today's deposition, correct?</p> <p>7 A. Correct.</p> <p>8 Q. As you sit here now, do you know</p> <p>9 of anything in the objections and responses</p> <p>10 that is wrong or inaccurate?</p> <p>11 (Document review.)</p> <p>12 A. I don't see anything, John. I</p> <p>13 don't believe so.</p> <p>14 Q. As you sit here right now, do you</p> <p>15 have any reason to amend these objections</p> <p>16 and responses to make them more complete or</p> <p>17 more precise?</p> <p>18 A. Not at this time.</p> <p>19 Q. Can you turn to page 9, please?</p> <p>20 (Witness complies.)</p> <p>21 Q. Do you see in request for</p> <p>22 admissions No. 7 and 8, you were asked to</p> <p>23 admit, and I'm going to summarize, that no</p> <p>24 document was created prior to the</p> <p>25 commencement of the adversary proceeding</p>

<p style="text-align: right;">Page 246</p> <p>1 N. Dondero</p> <p>2 that reflects -- let's just take them one</p> <p>3 at a time. Let me withdraw that.</p> <p>4 Looking at No. 7, do you see that</p> <p>5 you denied having sufficient knowledge or</p> <p>6 information to admit or deny the request?</p> <p>7 A. Yes.</p> <p>8 Q. Okay. Would you agree that as</p> <p>9 you sit here right now, you are not aware</p> <p>10 of any document that was created prior to</p> <p>11 the commencement of the adversary</p> <p>12 proceeding that reflects or memorializes</p> <p>13 the terms of the agreement?</p> <p>14 A. Yes.</p> <p>15 Q. Okay. And turning to No. 8, do</p> <p>16 you see for that one, you also responded by</p> <p>17 saying you lack sufficient information to</p> <p>18 admit or deny the request?</p> <p>19 A. Yes, I do.</p> <p>20 Q. Would you agree with me that it</p> <p>21 would be fair to say that as you sit here</p> <p>22 today, you are not aware of any document</p> <p>23 that was created prior to the commencement</p> <p>24 of the adversary proceeding concerning the</p> <p>25 existence of the agreement?</p>	<p style="text-align: right;">Page 247</p> <p>1 N. Dondero</p> <p>2 A. That's correct; I'm not aware of</p> <p>3 any.</p> <p>4 Q. Okay. Can we go to Interrogatory</p> <p>5 No. 5?</p> <p>6 MS. DEITSCH-PEREZ: So page 12 to</p> <p>7 13. No, no, where you were. We were</p> <p>8 in Tab 25.</p> <p>9 THE WITNESS: Tab 25. What page</p> <p>10 now?</p> <p>11 MR. ELMS: Page 13.</p> <p>12 MS. DEITSCH-PEREZ: Page 13. The</p> <p>13 number is on page 12, but then --</p> <p>14 MR. ELMS: He's asking you at the</p> <p>15 very top there.</p> <p>16 THE WITNESS: Oh.</p> <p>17 (Document review.)</p> <p>18 BY MR. MORRIS:</p> <p>19 Q. And do you see that Interrogatory</p> <p>20 No. 5 asked you to identify every document</p> <p>21 and communication you reviewed in</p> <p>22 connection with your decision to enter into</p> <p>23 the agreement?</p> <p>24 A. Yes.</p> <p>25 Q. Okay. And you said that you</p>
<p style="text-align: right;">Page 248</p> <p>1 N. Dondero</p> <p>2 either reviewed or discussed with your</p> <p>3 brother the LP agreement and the Dugaboy</p> <p>4 Trust documents.</p> <p>5 Do you see that?</p> <p>6 A. Yes.</p> <p>7 Q. Do you have any recollection of</p> <p>8 actually reviewing the LP agreement before</p> <p>9 entering into any of the agreements that</p> <p>10 you've described?</p> <p>11 A. I don't recall.</p> <p>12 Q. You may or you may not, but do</p> <p>13 you have a recollection of discussing it</p> <p>14 with your brother?</p> <p>15 A. I don't recall, John.</p> <p>16 Q. Do you recall reviewing Section</p> <p>17 3.1 before you entered into any of the</p> <p>18 three agreements?</p> <p>19 A. I don't know when that review</p> <p>20 took place.</p> <p>21 Q. Do you recall whether the review</p> <p>22 took place in connection with your entry on</p> <p>23 behalf of Dugaboy into any of the three</p> <p>24 agreements?</p> <p>25 A. I don't know the time frame,</p>	<p style="text-align: right;">Page 249</p> <p>1 N. Dondero</p> <p>2 John.</p> <p>3 Q. Did you confer with anybody --</p> <p>4 withdrawn.</p> <p>5 Did you or Dugaboy confer with</p> <p>6 anybody other than your brother before you</p> <p>7 caused Dugaboy to enter into the three</p> <p>8 agreements?</p> <p>9 A. No, not that I'm aware of.</p> <p>10 Q. Did you or Dugaboy seek any legal</p> <p>11 advice before entering into any of the</p> <p>12 three agreements?</p> <p>13 A. No.</p> <p>14 Q. Do you have any recollection of</p> <p>15 actually reviewing the Dugaboy Trust</p> <p>16 documents before entering into any of the</p> <p>17 three agreements?</p> <p>18 A. I have reviewed the trust</p> <p>19 documents, John. I don't know what time</p> <p>20 frame.</p> <p>21 Q. Okay. I appreciate that.</p> <p>22 A. Sure.</p> <p>23 Q. I'm sorry, did I cut you off?</p> <p>24 A. Oh, no. I'm sorry. I was just</p> <p>25 answering you. Thank you.</p>

<p style="text-align: right;">Page 250</p> <p>1 N. Dondero</p> <p>2 Q. Okay. So take a look at</p> <p>3 Interrogatory No. 6 below.</p> <p>4 Do you see that?</p> <p>5 A. Yes.</p> <p>6 Q. And your response was, "Other</p> <p>7 than generally approving compensation,</p> <p>8 including the agreements at issue in this</p> <p>9 notes proceeding, none."</p> <p>10 Do you see that?</p> <p>11 A. I do.</p> <p>12 Q. What does "Other than generally</p> <p>13 approving compensation" refer to?</p> <p>14 A. Well, "Other than generally..."</p> <p>15 I'm assuming it means the</p> <p>16 forgiveness of the loan, "Other than</p> <p>17 generally approving compensation."</p> <p>18 Q. Okay. So let's look at the</p> <p>19 Interrogatory. This Interrogatory</p> <p>20 specifically says that "Other than the</p> <p>21 agreement" –</p> <p>22 A. Okay.</p> <p>23 Q. – "identify every agreement you</p> <p>24 ever entered into as a representative of a</p> <p>25 majority of Class A shareholders of</p>	<p style="text-align: right;">Page 251</p> <p>1 N. Dondero</p> <p>2 plaintiff."</p> <p>3 Do you see that?</p> <p>4 A. I do.</p> <p>5 Q. Are you aware of any agreement</p> <p>6 that you ever entered into as a</p> <p>7 representative of a majority of Class A</p> <p>8 shareholders of plaintiff other than the</p> <p>9 agreements that you've identified?</p> <p>10 A. No.</p> <p>11 Q. Okay. And were you, in your</p> <p>12 capacity as the trustee of Dugaboy –</p> <p>13 withdrawn.</p> <p>14 Did you, in your capacity as</p> <p>15 trustee of Dugaboy, approve compensation</p> <p>16 for any affiliate of Strand other than the</p> <p>17 three agreements that you entered into that</p> <p>18 you've described today?</p> <p>19 A. Not that I'm aware of.</p> <p>20 Q. Okay. So generally approving</p> <p>21 compensation, does that have any meaning at</p> <p>22 all other than the three agreements that</p> <p>23 you entered into that you've described</p> <p>24 today?</p> <p>25 A. No.</p>
<p style="text-align: right;">Page 252</p> <p>1 N. Dondero</p> <p>2 MR. MORRIS: Can we put up –</p> <p>3 withdrawn. Hold on.</p> <p>4 BY MR. MORRIS:</p> <p>5 Q. I do not believe so since I've</p> <p>12 been trustee.</p> <p>13 MR. MORRIS: Can we put up</p> <p>14 Exhibit No. 26, please, which would</p> <p>15 have been Dugaboy's discovery</p> <p>16 responses?</p> <p>17 (N. Have you seen this document</p> <p>4 before?</p> <p>5 A. I believe so, yes.</p> <p>6 Q. And can you turn to page 14?</p> <p>7 A. Yes.</p> <p>8 Q. Is that your signature?</p> <p>9 A. It is.</p> <p>10 Q. And did you review this document</p> <p>11 before you signed it?</p> <p>12 A. I did.</p> <p>13 Q. And did you have an opportunity</p> <p>14 to consult with counsel before you signed</p> <p>15 it?</p> <p>16 A. I did.</p> <p>17 Q. And did you in fact consult with</p> <p>18 counsel before you signed it?</p> <p>19 A. I did.</p> <p>20 Q. As you sit here right now, in</p> <p>21 your capacity as the trustee of the Dugaboy</p> <p>22 Trust, do you know of anything in the</p> <p>23 objections and responses that is wrong or</p> <p>24 inaccurate?</p> <p>25 (Document review.)</p>

<p style="text-align: right;">Page 254</p> <p>1 N. Dondero</p> <p>2 A. I don't see anything that needs</p> <p>3 to be changed.</p> <p>4 Q. As you sit here right now, as the</p> <p>5 trustee of the Dugaboy Trust, do you have</p> <p>6 any reason to amend your objections or</p> <p>7 responses to make them more complete or</p> <p>8 more precise?</p> <p>9 A. I have no reason at this time,</p> <p>10 John.</p> <p>11 Q. Okay. I think I have kind of the</p> <p>12 same questions that I just asked you about</p> <p>13 your discovery responses, but let's see.</p> <p>14 Can we turn to page 8, which</p> <p>15 again has responses to request for</p> <p>16 admission No. 7 and 8?</p> <p>17 A. Okay.</p> <p>18 Q. And if you take a look request</p> <p>19 for admission No. 7 and the response, can</p> <p>20 you just read the that to yourself and tell</p> <p>21 me when you're finished?</p> <p>22 (Witness complies.)</p> <p>23 A. I'm done.</p> <p>24 Q. Okay. Would your response be</p> <p>25 accurate as follows: Dugaboy is not aware</p>	<p style="text-align: right;">Page 255</p> <p>1 N. Dondero</p> <p>2 of any document that was created prior to</p> <p>3 the commencement of the adversary</p> <p>4 proceeding that reflects or memorializes</p> <p>5 the terms of the agreement?</p> <p>6 A. That is correct.</p> <p>7 Q. Okay. Moving to request for</p> <p>8 admission No. 8, the same thing, can you</p> <p>9 just read the request and the response to</p> <p>10 yourself and let me know when you're</p> <p>11 finished?</p> <p>12 (Witness complies.)</p> <p>13 A. I'm done, John.</p> <p>14 Q. Okay. Would it be fair to</p> <p>15 interpret your response as follows:</p> <p>16 Dugaboy is not aware of any document that</p> <p>17 was created prior to the commencement of</p> <p>18 the adversary proceeding concerning the</p> <p>19 existence of the agreement?</p> <p>20 A. Correct.</p> <p>21 Q. Okay. And let's go to</p> <p>22 Interrogatory No. 5.</p> <p>23 Are your answers in your capacity</p> <p>24 as – and if you want me to go through it</p> <p>25 again, I'm happy to do it, but I just need</p>
<p style="text-align: right;">Page 256</p> <p>1 N. Dondero</p> <p>2 to know in the first instance, is there any</p> <p>3 difference – will your answers concerning</p> <p>4 Interrogatory No. 5 be any different in</p> <p>5 your capacity as the Dugaboy trustee than</p> <p>6 they were in your individual capacity?</p> <p>7 A. Let me read it, John.</p> <p>8 Q. Take your time.</p> <p>9 (Document review.)</p> <p>10 A. It's the same as the one earlier.</p> <p>11 Q. Okay. And finally, let's just</p> <p>12 look at Interrogatory No. 6. Please take a</p> <p>13 look at that and the response and let me</p> <p>14 know if your answers in your capacity as</p> <p>15 the trustee of the Dugaboy Trust would</p> <p>16 differ in any way from the answers that you</p> <p>17 gave pertaining to Interrogatory No. 6 in</p> <p>18 your individual capacity.</p> <p>19 A. No, it's the same.</p> <p>20 Q. Okay.</p> <p>21 MR. MORRIS: So the time right</p> <p>22 now is 4:57 Eastern, I guess 3:57 your</p> <p>23 time. I'm done with my outline, but I</p> <p>24 just want to check my notes to see if I</p> <p>25 have anything left.</p>	<p style="text-align: right;">Page 257</p> <p>1 N. <p style="text-align: right;">Page 6</p> <p>1 ALAN JOHNSON</p> <p>2 And I'm here with Deborah</p> <p>3 Deitsch-Perez.</p> <p>4 And we also stipulate.</p> <p>5 MR. ELMS: Daniel Elms, Greenberg</p> <p>6 Traurig, on behalf of Nancy Dondero.</p> <p>7 We stipulate.</p> <p>8 ALAN JOHNSON, having been duly sworn</p> <p>9 by the Notary Public, testified as follows:</p> <p>10 MR. MORRIS: Thank you.</p> <p>11 EXAMINATION</p> <p>12 Q. Good morning, Mr. Johnson.</p> <p>13 Can you hear me?</p> <p>14 A. Yes, you're very clear.</p> <p>15 Q. Okay.</p> <p>16 My name is John Morris. I'm an</p> <p>17 attorney at Pachulski Stang Ziehl & Jones, and we</p> <p>18 represent Highland Capital Management.</p> <p>19 We're here today for your deposition.</p> <p>20 Do you understand that?</p> <p>21 A. Yes.</p> <p>22 Q. And do I understand correctly that</p> <p>23 you've been engaged to provide expert testimony in</p> <p>24 this matter?</p> <p>25 A. Yes.</p>	<p style="text-align: right;">Page 7</p> <p>1 ALAN JOHNSON</p> <p>2 Q. Do you have a general understanding of</p> <p>3 the nature of the litigation in which your expert</p> <p>4 testimony is being offered?</p> <p>5 A. At a high level, I do, yes.</p> <p>6 Q. Can you tell me what your general</p> <p>7 understanding at a high level is in the pending</p> <p>8 litigation?</p> <p>9 A. The litigation involves loans for</p> <p>10 Mr. Dondero that were taken out during – over a</p> <p>11 period of years.</p> <p>12 Late in 2018 and '19, the loans were</p> <p>13 consolidated and modified to put in place</p> <p>14 acceleration features, if – if the specific</p> <p>15 transactions occurred, so that at least – there's</p> <p>16 a lot of litigation, but as I understand what I'm</p> <p>17 involved is these loans that accumulated over a</p> <p>18 period of years, the practices of loans, and I'm</p> <p>19 also opining on his market compensation over the</p> <p>20 period 2013 through 2019.</p> <p>21 Q. Do you know who the obligors are under</p> <p>22 the loans you've just mentioned?</p> <p>23 A. Obligor? Could you explain – give</p> <p>24 me more detail what you're looking for?</p> <p>25 Q. Sure.</p>
<p style="text-align: right;">Page 8</p> <p>1 ALAN JOHNSON</p> <p>2 Do you know who own – who the loan</p> <p>3 was made to – withdrawn.</p> <p>4 Do you know who the loan – I think</p> <p>5 you used the word, plural, "loans," so let me ask,</p> <p>6 using your word, if I have that correctly, do you</p> <p>7 know who Highland made the loans to that are the</p> <p>8 subject of the litigation?</p> <p>9 A. I'm not clear, no.</p> <p>10 Q. Okay.</p> <p>11 You don't have an understanding as you</p> <p>12 sit here today as to who the loans Highland made</p> <p>13 to that are the subject of the litigation.</p> <p>14 Do I have that right?</p> <p>15 A. If I understand it, the loans</p> <p>16 criss-crossed differently to different entities,</p> <p>17 so I'm not exactly sure how all that was</p> <p>18 structured.</p> <p>19 Q. Okay.</p> <p>20 You've been deposed before, right?</p> <p>21 A. Yes.</p> <p>22 Q. Okay.</p> <p>23 And you've served as an expert before,</p> <p>24 right?</p> <p>25 A. Yes.</p>	<p style="text-align: right;">Page 9</p> <p>1 ALAN JOHNSON</p> <p>2 Q. In fact, you've been retained by my</p> <p>3 firm to provide expert services in the area of</p> <p>4 executive compensation. Is that right?</p> <p>5 A. Yes. Yes, I have.</p> <p>6 MR. MORRIS: Mr. Kornfeld sends his</p> <p>7 best regards.</p> <p>8 THE WITNESS: Thank you.</p> <p>9 MR. MORRIS: You bet.</p> <p>10 Q. So I don't know if you've given remote</p> <p>11 depositions before, but just very, very</p> <p>12 preliminarily, since you are an experienced</p> <p>13 witness, we'll be looking at a number of documents</p> <p>14 today, and if I put something up on the screen and</p> <p>15 you believe that you need to see more of the</p> <p>16 document, will you let me know that?</p> <p>17 A. Sure.</p> <p>18 Q. Where are you sitting right now?</p> <p>19 A. My home in New Jersey.</p> <p>20 Q. Okay.</p> <p>21 Do you have any documents in front of</p> <p>22 you right now?</p> <p>23 A. No.</p> <p>24 Q. Do you have a telephone?</p> <p>25 A. Yes, I do.</p>

<p style="text-align: right;">Page 10</p> <p>1 ALAN JOHNSON</p> <p>2 Q. Is it on right now?</p> <p>3 A. Yes. It is my cell phone.</p> <p>4 Q. Could I trouble you to just turn it</p> <p>5 off?</p> <p>6 You know what, if you're not</p> <p>7 comfortable for personal reasons, could I ask you</p> <p>8 not to look at your phone unless it rings and it's</p> <p>9 your child or spouse?</p> <p>10 A. Let me put it out of arm's reach and</p> <p>11 put it upside down, how's that?</p> <p>12 Q. That's fair. That's fair.</p> <p>13 I've taken a look at your report that</p> <p>14 you prepared back in May. Based on that report,</p> <p>15 do I have it correct that you've spent your entire</p> <p>16 career as an executive compensation consultant?</p> <p>17 A. Yes, that is correct.</p> <p>18 Q. And you've had your own executive</p> <p>19 compensation consulting firm since the early '90s.</p> <p>20 Is that right?</p> <p>21 A. Yes.</p> <p>22 Q. And your firm specializes in</p> <p>23 compensation consulting for the financial services</p> <p>24 industry, correct?</p> <p>25 A. Yes.</p>	<p style="text-align: right;">Page 11</p> <p>1 ALAN JOHNSON</p> <p>2 Q. You've advised major asset management</p> <p>3 and investment firms on issues concerning</p> <p>4 executive compensation. Is that right?</p> <p>5 A. Yes.</p> <p>6 Q. You've advised hedge funds and other</p> <p>7 alternative firms on issues concerning executive</p> <p>8 compensation, correct?</p> <p>9 A. Yes.</p> <p>10 Q. According to your report, did I read</p> <p>11 this correctly that your firm's clients include</p> <p>12 many of the world's most significant financial</p> <p>13 institutions?</p> <p>14 A. Yes, they do – it does.</p> <p>15 Q. Have you personally ever been retained</p> <p>16 by a board of directors to provide advice</p> <p>17 concerning executive compensation?</p> <p>18 A. Many times.</p> <p>19 Q. Can you give me a rough number? Is it</p> <p>20 more than 20?</p> <p>21 A. Board of directors? More than 20.</p> <p>22 Q. More than 50?</p> <p>23 A. I don't know. It may – it's a lot.</p> <p>24 Q. Is it fair to say it's somewhere</p> <p>25 between 20 and 50 and it could even be more?</p>
<p style="text-align: right;">Page 12</p> <p>1 ALAN JOHNSON</p> <p>2 A. Probably more than 50.</p> <p>3 Q. Have you ever been retained by a</p> <p>4 compensation committee of a board of directors to</p> <p>5 provide advice?</p> <p>6 A. Yes.</p> <p>7 Q. And if I separate that from boards of</p> <p>8 directors generally, is that also a number that</p> <p>9 measures in the dozens?</p> <p>10 A. At least.</p> <p>11 Q. Other than boards of directors and</p> <p>12 compensation committees of boards of directors,</p> <p>13 can you identify generally any other decision</p> <p>14 makers that you've been retained by to give advice</p> <p>15 on areas of executive compensation?</p> <p>16 A. We – we get involved from time to</p> <p>17 time with business owners. That might be a</p> <p>18 private equity firm or hedge fund looking at their</p> <p>19 portfolio companies.</p> <p>20 We also do a lot of project work. So</p> <p>21 that would involve working with senior leaders of</p> <p>22 different financial services firms to look at</p> <p>23 either their whole compensation program or the</p> <p>24 programs for particular units.</p> <p>25 We also from time to time get involved</p>	<p style="text-align: right;">Page 13</p> <p>1 ALAN JOHNSON</p> <p>2 with some of the major consulting firms where</p> <p>3 they – we provide advice to them as they work</p> <p>4 with their clients on financial services</p> <p>5 compensation.</p> <p>6 Q. Okay.</p> <p>7 And what is it that you sell? Can you</p> <p>8 describe for me, if you were giving a sales pitch,</p> <p>9 why a board or a compensation committee should</p> <p>10 hire you?</p> <p>11 A. Well, we have a lot of experience in</p> <p>12 the space across financial services. So we have a</p> <p>13 large home-field advantage of knowledge,</p> <p>14 experiences. We know the nuances of what goes on</p> <p>15 in the industry. That's part of the sales pitch.</p> <p>16 We also are good consultants. We –</p> <p>17 we listen. We are experts at looking at</p> <p>18 information and data and all that.</p> <p>19 And at the end of the sales pitch, I</p> <p>20 usually say, We also have big scans, so we're used</p> <p>21 to dealing with difficult people.</p> <p>22 So many of the people in financial</p> <p>23 services are opinionated and, at times, difficult,</p> <p>24 so a lot of experience across cycles. We're</p> <p>25 comfortable giving clients difficult news, and</p>

<p style="text-align: right;">Page 14</p> <p>1 ALAN JOHNSON</p> <p>2 we're good at what we do.</p> <p>3 Q. And is it fair to say you have</p> <p>4 expertise in the area of executive compensation?</p> <p>5 A. Absolutely.</p> <p>6 Q. And is it fair to say that part of</p> <p>7 that expertise is knowing the marketplace?</p> <p>8 A. Absolutely.</p> <p>9 Q. And is part of that expertise knowing</p> <p>10 or being familiar with the current trends in the</p> <p>11 marketplace?</p> <p>12 A. Yes, absolutely.</p> <p>13 Q. And would you say that you have a</p> <p>14 really good understanding of how to structure</p> <p>15 compensation plans that are appropriate to the</p> <p>16 clients that you serve?</p> <p>17 A. Yes.</p> <p>18 Q. And one of the things that we're here</p> <p>19 to discuss today is the concept of forgivable</p> <p>20 loans.</p> <p>21 Do you understand that?</p> <p>22 A. Yes.</p> <p>23 Q. And your client is James Dondero.</p> <p>24 Do I have that right?</p> <p>25 A. I was retained by Stinson, but they</p>	<p style="text-align: right;">Page 15</p> <p>1 ALAN JOHNSON</p> <p>2 represent him, yes.</p> <p>3 Q. Okay. We'll talk about that just a</p> <p>4 bit more.</p> <p>5 I'm going to read from your report.</p> <p>6 If you want me to put it up on the screen, I'm</p> <p>7 happy, but I want to focus just on one sentence of</p> <p>8 your report that says that you understand from</p> <p>9 Mr. Dondero that "The 2018 loans that are the</p> <p>10 subject of this suit were modified by agreement in</p> <p>11 late 2018 or early 2019 under which the loans</p> <p>12 would be forgiven upon the sale at over cost of</p> <p>13 substantially all of any three portfolio companies</p> <p>14 held in the Highland platform."</p> <p>15 Do you remember that?</p> <p>16 A. Yes.</p> <p>17 Q. Would you like to see it so you can</p> <p>18 see the context?</p> <p>19 A. I think I understand it.</p> <p>20 Q. Okay. So that's the sentence that I</p> <p>21 want to focus on.</p> <p>22 Is the agreement that you described</p> <p>23 the only agreement that you're aware of pertaining</p> <p>24 to Highland and Mr. Dondero and the forgiveness of</p> <p>25 loans or do you understand there's more than one</p>
<p style="text-align: right;">Page 16</p> <p>1 ALAN JOHNSON</p> <p>2 agreement?</p> <p>3 A. When I discussed it with Mr. Dondero,</p> <p>4 I believed there was a single agreement, but that</p> <p>5 I'm not sure of. I think that's the – what I got</p> <p>6 out of him.</p> <p>7 Q. Okay.</p> <p>8 You haven't been informed that more</p> <p>9 than one agreement exists.</p> <p>10 Do I have that right?</p> <p>11 A. I don't believe so.</p> <p>12 Q. Okay.</p> <p>13 Do you know how many loans are the</p> <p>14 subject of the agreement?</p> <p>15 A. There were – they were consolidated,</p> <p>16 I believe, in late '18 or '19. Originally, there</p> <p>17 were a lot more. I think they're down to a</p> <p>18 couple, if I recall.</p> <p>19 Q. Is it relevant to your analysis to</p> <p>20 know the number of loans that are the subject of</p> <p>21 the agreement?</p> <p>22 A. I don't think so.</p> <p>23 Q. Do you know the aggregate value of the</p> <p>24 loans that are the subject of the agreement that</p> <p>25 you referred to in your report?</p>	<p style="text-align: right;">Page 17</p> <p>1 ALAN JOHNSON</p> <p>2 A. I think the total of the loans is</p> <p>3 somewhere in the 40 to \$50 million range, if</p> <p>4 that – I think that's what I read.</p> <p>5 Q. And where did you read that?</p> <p>6 A. I think in all the documents, when I</p> <p>7 tried to parse out the – all the loans, I think</p> <p>8 it totaled to something like 40 to \$50 million, if</p> <p>9 I recall.</p> <p>10 Q. And can you describe the document that</p> <p>11 you're referring to?</p> <p>12 A. There were a bunch of loan agreements</p> <p>13 in all the different materials. I don't recall</p> <p>14 where I saw them.</p> <p>15 Q. Okay.</p> <p>16 Is the value of the – is the</p> <p>17 aggregate value of the loans relevant to your</p> <p>18 analysis?</p> <p>19 A. No.</p> <p>20 Q. Do you know anything about the loans</p> <p>21 that are the subject of the agreement other than</p> <p>22 what you've written in your report?</p> <p>23 A. Subsequent to the report, I've seen</p> <p>24 some of the documentation of the loans, so I've</p> <p>25 seen some amounts and the period of the loans, the</p>

<p style="text-align: right;">Page 18</p> <p>1 ALAN JOHNSON</p> <p>2 interest rates and so forth.</p> <p>3 Q. When did you see that documentation?</p> <p>4 A. In the last week or so, prior to this</p> <p>5 deposition.</p> <p>6 Q. Have you amended your report?</p> <p>7 A. I have not.</p> <p>8 Q. So are any of the conclusions altered</p> <p>9 at all by any of the documents you've seen</p> <p>10 recently?</p> <p>11 A. No.</p> <p>12 Q. And now that I am aware that you've</p> <p>13 seen certain loan documentation, I'll ask you</p> <p>14 again if you can identify any obligor under any of</p> <p>15 the loans other than Mr. Dondero?</p> <p>16 A. I'm sorry. I just didn't pay that</p> <p>17 much attention. I was looking – I don't</p> <p>18 remember.</p> <p>19 Q. Do you recall if the loans were demand</p> <p>20 loans or term loans?</p> <p>21 A. The ones I recall were – they were</p> <p>22 for a very long period of time, I think 30 years.</p> <p>23 They were – they were 30-year term loan.</p> <p>24 Q. And do you recall how many 30-year</p> <p>25 term loans you saw?</p>	<p style="text-align: right;">Page 19</p> <p>1 ALAN JOHNSON</p> <p>2 A. I recall at least a couple.</p> <p>3 Q. Did you see any demand loans?</p> <p>4 A. I don't recall seeing any.</p> <p>5 Q. Have you ever seen any written</p> <p>6 agreement covering the forgiveness of any loans</p> <p>7 that Highland extended to Mr. Dondero?</p> <p>8 A. I have not.</p> <p>9 Q. Have you ever seen any written</p> <p>10 agreement covering the forgiveness of any loans</p> <p>11 that Highland extended to any corporate affiliate?</p> <p>12 A. I have not.</p> <p>13 Q. Have you ever seen any written</p> <p>14 agreement covering the forgiveness of any loans</p> <p>15 that Highland had ever extended to any person or</p> <p>16 entity in the world?</p> <p>17 A. I have not.</p> <p>18 Q. Have you seen any documents that</p> <p>19 describe the existence or terms of any forgiveness</p> <p>20 agreement between Highland and Mr. Dondero?</p> <p>21 A. I have not.</p> <p>22 Q. Have you seen any documents that</p> <p>23 describe the existence or terms of any forgiveness</p> <p>24 agreement between Highland and any corporate</p> <p>25 affiliate?</p>
<p style="text-align: right;">Page 20</p> <p>1 ALAN JOHNSON</p> <p>2 A. I have not.</p> <p>3 Q. Have you seen any documents that</p> <p>4 describe the existence or terms of any forgiveness</p> <p>5 agreement between Highland and any person or</p> <p>6 entity in the world?</p> <p>7 A. I have not.</p> <p>8 Q. So is it fair to say that you have not</p> <p>9 seen any documentary evidence of any loan</p> <p>10 forgiveness agreement between Highland and anybody</p> <p>11 in the world?</p> <p>12 A. I have not seen any documents, that's</p> <p>13 right.</p> <p>14 Q. Okay.</p> <p>15 The agreement that Mr. Dondero</p> <p>16 described for you, do you understand that that is</p> <p>17 an oral agreement?</p> <p>18 A. I don't think he said to me it was an</p> <p>19 oral agreement. He described it to me. I</p> <p>20 don't – I don't think he – I don't remember if</p> <p>21 he characterized it as an oral agreement, but he</p> <p>22 described how – he described how – in his</p> <p>23 opinion, how the agreement worked.</p> <p>24 I don't – I don't recall if he</p> <p>25 mentioned it was just verbal or it was written. I</p>	<p style="text-align: right;">Page 21</p> <p>1 ALAN JOHNSON</p> <p>2 don't – that, I don't recall.</p> <p>3 Q. Did you ask Mr. Dondero or any of his</p> <p>4 attorneys if there was a written agreement?</p> <p>5 A. I don't recall if that came up. It</p> <p>6 may very well have, I don't remember whether we –</p> <p>7 whether there was an agreement or not. I just</p> <p>8 don't recall.</p> <p>9 Q. Did you or anybody working on your</p> <p>10 behalf ever ask Mr. Dondero or anybody working on</p> <p>11 his behalf if there were any documents that</p> <p>12 reflect the existence or terms of any forgiveness</p> <p>13 agreement that Highland ever entered into?</p> <p>14 A. When I talked to executives at</p> <p>15 Highland, we asked – or former executives about</p> <p>16 loans, we talked about documentation.</p> <p>17 They just didn't have any</p> <p>18 documentation of the loans they had had. They</p> <p>19 described the fact that several of them had been</p> <p>20 forgiven. The documentation had existed at one</p> <p>21 time, but they don't – they didn't keep it or</p> <p>22 didn't have it available.</p> <p>23 So we talked about that, but...</p> <p>24 Q. You're not offering any opinion as to</p> <p>25 whether an agreement actually exists pertaining to</p>

<p style="text-align: right;">Page 22</p> <p>1 ALAN JOHNSON</p> <p>2 the forgiveness of any loans that Highland</p> <p>3 extended to Mr. Dondero or his affiliates, are</p> <p>4 you?</p> <p>5 A. I am not.</p> <p>6 Q. You're not offering any opinion as to</p> <p>7 the terms of any alleged agreement between</p> <p>8 Mr. Dondero and Highland concerning the</p> <p>9 forgiveness of loans, are you?</p> <p>10 A. I am not.</p> <p>11 Q. You're not offering any opinions on</p> <p>12 the reasonableness of any of the terms of any</p> <p>13 alleged agreement between Mr. Dondero and Highland</p> <p>14 concerning the forgiveness of loans, are you?</p> <p>15 A. I am not.</p> <p>16 Q. You've been informed that this</p> <p>17 modification was intended to provide Mr. Dondero</p> <p>18 with additional compensation based on the</p> <p>19 satisfaction of what we've been calling "certain</p> <p>20 conditions subsequent." Is that fair?</p> <p>21 A. As I understood it, the loans</p> <p>22 existed – I don't know. I don't know if that's a</p> <p>23 fair characterization.</p> <p>24 I think the loans were modified –</p> <p>25 that, I'd have to really think about, because the</p>	<p style="text-align: right;">Page 23</p> <p>1 ALAN JOHNSON</p> <p>2 loans themselves may have been already</p> <p>3 compensation.</p> <p>4 I guess these would have actualized</p> <p>5 the compensation, so it certainly – if these</p> <p>6 loans were modified with the performance</p> <p>7 characteristic, it would have turned it in from</p> <p>8 perhaps deferred compensation into actual</p> <p>9 compensation.</p> <p>10 So it would have changed the</p> <p>11 characteristics of it, but I'm not sure it created</p> <p>12 compensation. There may have already been</p> <p>13 compensation in these loans in the first place.</p> <p>14 Q. Is it fair to say that you're</p> <p>15 speculating on that?</p> <p>16 A. There's some speculation there, yes.</p> <p>17 Q. Do you have any knowledge as to the</p> <p>18 intent of the parties when they entered into the</p> <p>19 modification agreement on the topic of</p> <p>20 forgiveness?</p> <p>21 A. Mr. Dondero described it as to reward</p> <p>22 him for actualizing – I guess there were three</p> <p>23 portfolio investments, and if they were – if a</p> <p>24 transaction occurred at more than the mark price,</p> <p>25 that was to reward him for having one of those</p>
<p style="text-align: right;">Page 24</p> <p>1 ALAN JOHNSON</p> <p>2 transactions occur.</p> <p>3 Q. Okay. So it was supposed to – your</p> <p>4 understanding from Mr. Dondero was that the</p> <p>5 agreement was intended to reward him if he</p> <p>6 achieved some level of performance in the future.</p> <p>7 Do I have that right?</p> <p>8 A. Yes.</p> <p>9 Q. Okay.</p> <p>10 Do you know what the purpose of any of</p> <p>11 the loans that are the subject of the forgiveness</p> <p>12 agreement was?</p> <p>13 A. Mr. Dondero described the – the loans</p> <p>14 as a way to invest in the business rather than</p> <p>15 paying out compensation. He described it, I</p> <p>16 think, as delayed gratification, that these funds</p> <p>17 then would be invested in the business rather than</p> <p>18 being paid out to him as – as current</p> <p>19 compensation.</p> <p>20 Q. Do you know what the – what the</p> <p>21 obligors under the various loans did with the</p> <p>22 proceeds that they received from Highland?</p> <p>23 A. Mr. Dondero described it as the</p> <p>24 proceeds would be reinvested in the business.</p> <p>25 Q. Do you have any source of information</p>	<p style="text-align: right;">Page 25</p> <p>1 ALAN JOHNSON</p> <p>2 as to the intent of the forgiveness agreement</p> <p>3 other than what Mr. Dondero told you?</p> <p>4 A. No.</p> <p>5 Q. Do you have any source of information</p> <p>6 other than Mr. Dondero as to the purpose of each</p> <p>7 of the loans that are the subject of the</p> <p>8 forgiveness agreement?</p> <p>9 A. Just going back to the prior comment,</p> <p>10 that he had described the general practice that</p> <p>11 the loans were to give him the ability to reinvest</p> <p>12 in the business, but not – not – that was in the</p> <p>13 totality, not loan by loan.</p> <p>14 Q. All right.</p> <p>15 But your sole source of information</p> <p>16 regarding that topic is Mr. Dondero.</p> <p>17 Do I have that right?</p> <p>18 A. It was – when I interviewed the other</p> <p>19 Highland – former Highland executives, they also</p> <p>20 described the general practice of that as well,</p> <p>21 that going back a long time, they were familiar</p> <p>22 with that idea of delaying it and reinvesting in</p> <p>23 the business.</p> <p>24 So that went back away, but most of</p> <p>25 it is Mr. Dondero.</p>

<p style="text-align: right;">Page 26</p> <p>1 ALAN JOHNSON</p> <p>2 Q. Did they tell you anything concerning</p> <p>3 the intent of the loans other than what you've</p> <p>4 just described?</p> <p>5 A. They described their individual</p> <p>6 circumstances around why the loans were made to</p> <p>7 them and the circumstances, but the intent of the</p> <p>8 loan itself, no. It just – some comments from</p> <p>9 them and Mr. Dondero.</p> <p>10 Q. Okay. I apologize, I probably wasn't</p> <p>11 clear here. I am only talking about the loans</p> <p>12 that are the subject of the forgiveness agreement</p> <p>13 that's – that's part of the lawsuit. I'm not</p> <p>14 talking about any loans to any prior employees.</p> <p>15 So I think – I think we may have been</p> <p>16 talking past each other, so let me try again.</p> <p>17 With respect to the purpose of each of</p> <p>18 the loans that are the subject of the pending</p> <p>19 lawsuit, do you have any source of information</p> <p>20 regarding their purpose other than Mr. Dondero?</p> <p>21 A. I do not.</p> <p>22 Q. Okay.</p> <p>23 Do you have any source of information</p> <p>24 other than Mr. Dondero concerning what the</p> <p>25 obligors of each of the loans that's subject to</p>	<p style="text-align: right;">Page 27</p> <p>1 ALAN JOHNSON</p> <p>2 the lawsuit did with the proceeds?</p> <p>3 A. Just a description from Mr. Dondero</p> <p>4 about the purpose of the – what the loans would</p> <p>5 be used for.</p> <p>6 Q. Okay.</p> <p>7 So your understanding from Mr. Dondero</p> <p>8 was that the purpose of the forgiveness agreement</p> <p>9 that he entered into in late 2018 or early 2019</p> <p>10 was to incentivize him to perform in the future,</p> <p>11 correct?</p> <p>12 A. Yes.</p> <p>13 Q. And, in fact, your understanding is</p> <p>14 that under the modification agreement, the loans</p> <p>15 will only be forgiven if some future event occurs,</p> <p>16 correct?</p> <p>17 A. Yes.</p> <p>18 Q. The loan was not intended to provide</p> <p>19 him for compensation for services previously</p> <p>20 rendered. Is that fair?</p> <p>21 A. No. As I – as I mentioned earlier,</p> <p>22 my speculation was that the – the loans were,</p> <p>23 using his words, delayed gratification. He paid</p> <p>24 himself and others less than the market wage and</p> <p>25 used loans as a form of compensation in the past.</p>
<p style="text-align: right;">Page 28</p> <p>1 ALAN JOHNSON</p> <p>2 Q. Well, if the assets subject to the</p> <p>3 agreement are not sold above cost, Mr. Dondero</p> <p>4 will never get any gratification. Is that</p> <p>5 correct?</p> <p>6 A. Yes.</p> <p>7 MR. AIGEN: Objection, form.</p> <p>8 Q. I think you said that you have</p> <p>9 experience giving advice concerning forgivable</p> <p>10 loans.</p> <p>11 Do I have that right?</p> <p>12 A. Yes.</p> <p>13 Q. And have you ever given advice on how</p> <p>14 to structure forgivable loans as part of executive</p> <p>15 compensation?</p> <p>16 A. Yes.</p> <p>17 Q. Can you please describe your</p> <p>18 experience in that area?</p> <p>19 A. From time to time, clients or we come</p> <p>20 up with using loans as a vehicle to incent and</p> <p>21 motivate executives and senior professionals. So</p> <p>22 we'll get involved in the magnitude of the loans,</p> <p>23 the terms, interest rates, you know, if there's</p> <p>24 performance attached to it, what the performance</p> <p>25 would be defined as.</p>	<p style="text-align: right;">Page 29</p> <p>1 ALAN JOHNSON</p> <p>2 So it would be around sizing,</p> <p>3 magnitudes, the terms, you know, of how the loans</p> <p>4 would work.</p> <p>5 Q. When giving advice – you know, I want</p> <p>6 to, if I can use, a phrase here during the</p> <p>7 deposition of "decision maker."</p> <p>8 If I use the word – the phrase</p> <p>9 "decision maker," will you understand that I mean</p> <p>10 the person who is acting on behalf of the employer</p> <p>11 to make the decision – to actually make the</p> <p>12 decision as to whether or not to forgive a loan?</p> <p>13 A. Okay.</p> <p>14 Q. Somebody has to act on behalf of the</p> <p>15 company – you would agree, based on your</p> <p>16 expertise, that somebody has to make the decision</p> <p>17 on behalf of the company whether or not to forgive</p> <p>18 loans. Is that fair?</p> <p>19 A. Well, it could be a committee like a</p> <p>20 board or a comp committee or others, but there</p> <p>21 needs to be somebody or person that decides.</p> <p>22 Q. Okay.</p> <p>23 So whether it's a board of directors</p> <p>24 or a special committee or a compensation committee</p> <p>25 or a CEO, if he or she is dealing with other</p>

<p style="text-align: right;">Page 30</p> <p>1 ALAN JOHNSON</p> <p>2 employees, I'm going to use the phrase "decision</p> <p>3 maker" to refer to that person or body who is</p> <p>4 making the decision on behalf of the employer to</p> <p>5 forgive a loan as part of executive compensation.</p> <p>6 Is that fair?</p> <p>7 A. Sure. Okay.</p> <p>8 Q. Okay.</p> <p>9 And you've given advice to decision</p> <p>10 makers using the definition that I've just</p> <p>11 described, correct?</p> <p>12 A. Yes.</p> <p>13 Q. Okay.</p> <p>14 When you give advice to decision</p> <p>15 makers who are considering whether to forgive</p> <p>16 loans as part of executive compensation, do you</p> <p>17 advise them to obtain any information before</p> <p>18 making that decision?</p> <p>19 A. You want them to be informed. Maybe</p> <p>20 they already have adequate information about</p> <p>21 circumstances, but you would certainly want them</p> <p>22 to be informed before they made a – certainly, a</p> <p>23 final decision.</p> <p>24 Q. And if you were giving expert advice</p> <p>25 to a decision maker, what areas would you tell</p>	<p style="text-align: right;">Page 31</p> <p>1 ALAN JOHNSON</p> <p>2 them that they ought to be informed on before they</p> <p>3 enter into a forgiveness?</p> <p>4 A. Make sure I understand the question,</p> <p>5 you're talking about before they do the agreement</p> <p>6 itself, not the forgiveness of it but structuring</p> <p>7 the agreement?</p> <p>8 Q. No. I apologize. I'm not talking</p> <p>9 about the underlying loan. I'm talking about the</p> <p>10 decision to enter into an agreement pursuant to</p> <p>11 which, you know, loans would be forgiven, what</p> <p>12 information should they have before they're –</p> <p>13 that kind of an agreement?</p> <p>14 A. Fair enough.</p> <p>15 They should understand the – the</p> <p>16 magnitude of the accomplishment that would be</p> <p>17 attached to the – to the loans.</p> <p>18 They should have a basic understanding</p> <p>19 of the magnitude of the loans, the magnitude of</p> <p>20 the events that they're incenting or rewarding, if</p> <p>21 it is – is there some proportionality between the</p> <p>22 success and the amount of loan forgiveness?</p> <p>23 They should have some idea of the</p> <p>24 probability of these accomplishments happening.</p> <p>25 Is it highly unlikely or very likely to happen?</p>
<p style="text-align: right;">Page 32</p> <p>1 ALAN JOHNSON</p> <p>2 So I think they should have some</p> <p>3 understanding of the proportionality. They should</p> <p>4 have some understanding of difficulty. And is it</p> <p>5 a – is it fair to forgive these loan if these</p> <p>6 events occur?</p> <p>7 Q. Let's talk about some information.</p> <p>8 In your opinion, should the decision</p> <p>9 maker be knowledgeable about the executive's</p> <p>10 compensation history before entering into an</p> <p>11 agreement concerning the forgiveness of any loans?</p> <p>12 A. The decision maker should have a</p> <p>13 general understanding of the pay history of the</p> <p>14 individual, the context of the company, the</p> <p>15 situation. It should – it would be one of the</p> <p>16 factors that you should – you should certainly be</p> <p>17 aware of.</p> <p>18 Q. And why do you believe that a decision</p> <p>19 maker should be knowledgeable about the</p> <p>20 executive's pay history before she, he or it</p> <p>21 agrees to forgive loans?</p> <p>22 A. I think in the real world, you want to</p> <p>23 understand the context. Has this executive been</p> <p>24 very well paid or poorly paid in the past? What</p> <p>25 is that individual's perspective on his or she's</p>	<p style="text-align: right;">Page 33</p> <p>1 ALAN JOHNSON</p> <p>2 pay history? I think that's relevant.</p> <p>3 You know, is the forgiveness of the</p> <p>4 loan significant enough to motivate the behaviors</p> <p>5 that you're trying to do? If that individual –</p> <p>6 if this is a trivial amount, then it won't have</p> <p>7 much of an impact. If it's overwhelming, maybe it</p> <p>8 will lead to behaviors that are not good, take too</p> <p>9 much risk or whatever.</p> <p>10 So, yes, you should be aware of the</p> <p>11 pay history, but also, the business context, how</p> <p>12 important is it for these events to happen. Is</p> <p>13 this – is this very significant in the company's</p> <p>14 future?</p> <p>15 So yes, you should be aware.</p> <p>16 Q. Can you think of any circumstances</p> <p>17 where it would be appropriate for a decision maker</p> <p>18 to agree to forgive loans as part of an</p> <p>19 executive's compensation without having an</p> <p>20 understanding of the executive's compensation</p> <p>21 history?</p> <p>22 A. Well, you – sometimes, you have new</p> <p>23 executives, so you wouldn't – you wouldn't have</p> <p>24 any pay history to be aware of. And some – many</p> <p>25 of our clients, the pay history is somewhat murky</p>

<p style="text-align: right;">Page 34</p> <p>1 ALAN JOHNSON</p> <p>2 or complicated, so it would not be ideal, but it</p> <p>3 certainly has happened.</p> <p>4 Q. So -- so it happens, you think -- the</p> <p>5 circumstances you can think of are for new</p> <p>6 employees or for people with murky compensation</p> <p>7 histories.</p> <p>8 Do I have that right?</p> <p>9 A. I think that would usually be the</p> <p>10 circumstances where you would at least have some</p> <p>11 good, general understanding of somebody's pay</p> <p>12 history.</p> <p>13 Q. Would you recommend that the decision</p> <p>14 maker seek information concerning the executive's</p> <p>15 compensation history before agreeing to forgive</p> <p>16 any loans?</p> <p>17 A. I -- generally, advice, I would want</p> <p>18 to know that. So yes, I would suggest they find</p> <p>19 that out, if it's feasible or -- but yes, that</p> <p>20 would be one of the things I would probably</p> <p>21 suggest.</p> <p>22 Q. Would you ever advise a decision maker</p> <p>23 to forgive loans without having an understanding</p> <p>24 of the executive's compensation history?</p> <p>25 A. I probably would not suggest that you</p>	<p style="text-align: right;">Page 35</p> <p>1 ALAN JOHNSON</p> <p>2 forgive the loans without having some knowledge of</p> <p>3 that. It's possible to get it.</p> <p>4 Q. Would you ever advise a decision maker</p> <p>5 to forgive loans as part of executive compensation</p> <p>6 without ever asking anybody for information</p> <p>7 relating to the executive's compensation history?</p> <p>8 A. I would not recommend that usually.</p> <p>9 Q. Okay. Let's talk about the entity's</p> <p>10 financial condition.</p> <p>11 In your opinion, is the entity's</p> <p>12 financial condition relevant for a decision maker</p> <p>13 to consider before entering into a loan</p> <p>14 forgiveness program?</p> <p>15 A. I think the financial condition is</p> <p>16 certainly relevant, and as I mentioned earlier,</p> <p>17 the significance of the events that you're trying</p> <p>18 to motivate.</p> <p>19 So yes, I think you want to know both.</p> <p>20 You'd want to know your financial condition and</p> <p>21 you want to know the significance of the events</p> <p>22 that you're trying to -- to reward.</p> <p>23 Q. And why do you believe in your expert</p> <p>24 opinion that the decision maker should have an</p> <p>25 understanding of the entity's financial condition</p>
<p style="text-align: right;">Page 36</p> <p>1 ALAN JOHNSON</p> <p>2 before agreeing to forgive loans?</p> <p>3 A. Well, I think you'd want to know just</p> <p>4 would the forgiveness of these loans be</p> <p>5 significant to the financial condition of the</p> <p>6 company. It may be significant to the individual</p> <p>7 but be trivial to the overall organization, so I</p> <p>8 think you'd want to know are these loans</p> <p>9 significant in terms of the financial condition of</p> <p>10 the company.</p> <p>11 Q. Can you think of any circumstance</p> <p>12 where it would be appropriate for a decision maker</p> <p>13 to agree to forgive loans as part of executive</p> <p>14 compensation without having an understanding of</p> <p>15 the entity's financial condition?</p> <p>16 A. No. I don't think that would be</p> <p>17 ideal. I think you would certainly -- you would</p> <p>18 want to know the condition of the business.</p> <p>19 Q. Okay. I'm not asking you what's</p> <p>20 ideal.</p> <p>21 Can you ever -- can you fathom any</p> <p>22 scenario where it would be appropriate for a</p> <p>23 decision maker to agree to forgive loans without</p> <p>24 having an understanding of the employer's</p> <p>25 financial condition?</p>	<p style="text-align: right;">Page 37</p> <p>1 ALAN JOHNSON</p> <p>2 A. Well, I think if there's a chaotic</p> <p>3 financial situation, say the financial crisis or</p> <p>4 others where it's very difficult or impossible to</p> <p>5 get a clear understanding of the financial</p> <p>6 condition of the business or it's in dispute</p> <p>7 where -- what the condition is.</p> <p>8 So that can exist, and I think in</p> <p>9 those situations you'd need to make a decision.</p> <p>10 Maybe forgiving the loans is appropriate even</p> <p>11 though you may not have a clear idea of the</p> <p>12 financial condition.</p> <p>13 So it's not ideal, but I've had</p> <p>14 clients, you know, where the financial condition</p> <p>15 was uncertain and different people had different</p> <p>16 opinions, but you still had to make a decision.</p> <p>17 So that's why I used the word "ideal."</p> <p>18 It would be ideal to have it, but sometimes you</p> <p>19 just don't have that -- you don't have that</p> <p>20 clarity.</p> <p>21 Q. Do you have any reason to believe that</p> <p>22 during the seven-year period -- withdrawn.</p> <p>23 Can you think of a circumstance where</p> <p>24 it would be appropriate for a decision maker to</p> <p>25 enter into a loan forgiveness program as part of</p>

<p style="text-align: right;">Page 38</p> <p>1 ALAN JOHNSON</p> <p>2 executive compensation without even asking for</p> <p>3 information relating to a company's financial</p> <p>4 condition?</p> <p>5 A. Well, I don't -- if they already had a</p> <p>6 good familiarity, they perhaps often don't need to</p> <p>7 ask, but if they weren't clear, then they should</p> <p>8 ask.</p> <p>9 Q. Okay.</p> <p>10 Is it fair to say that you would never</p> <p>11 advise a decision maker to enter into a forgivable</p> <p>12 loan program as part of executive compensation</p> <p>13 without having an understanding of the entity's</p> <p>14 financial condition?</p> <p>15 A. Well, I think -- as I said earlier, I</p> <p>16 think there are situations where you just can't</p> <p>17 know what the condition is. If -- if -- I think</p> <p>18 the decision maker should try to understand the</p> <p>19 condition of the business to the best of their</p> <p>20 ability, but if that's not possible, they still</p> <p>21 may have to make a decision on loans or other --</p> <p>22 other compensation elements.</p> <p>23 Q. Let's say it is possible to understand</p> <p>24 the entity's financial condition. In a</p> <p>25 hypothetical world, if you could understand the</p>	<p style="text-align: right;">Page 39</p> <p>1 ALAN JOHNSON</p> <p>2 entity's financial condition and it wasn't subject</p> <p>3 to dispute at that moment in time, would you be</p> <p>4 able to -- would you ever advise the decision</p> <p>5 maker to enter into the loan forgiveness program</p> <p>6 without attempting to gain an understanding of</p> <p>7 that very financial condition?</p> <p>8 A. No. I would suggest to the client</p> <p>9 that they try to understand that condition.</p> <p>10 Q. And if there was information</p> <p>11 available, would you always advise your client to</p> <p>12 try to obtain that information concerning the</p> <p>13 entity's financial condition before entering into</p> <p>14 an agreement to forgive loans as part of executive</p> <p>15 compensation?</p> <p>16 A. I think you would almost always or</p> <p>17 often try to do that. I don't -- again, there are</p> <p>18 practicalities of time frames and getting the data</p> <p>19 and so forth might enter into it, but yes, I think</p> <p>20 the -- the general thesis is, if you're going to</p> <p>21 make forgivable loans, you should try to have an</p> <p>22 understanding of the condition of the business.</p> <p>23 Q. Okay. Let's drill down on that just a</p> <p>24 little bit and talk specifically about financial</p> <p>25 statements.</p>
<p style="text-align: right;">Page 40</p> <p>1 ALAN JOHNSON</p> <p>2 When I use the phrase "financial</p> <p>3 statements," I'm thinking of your traditional</p> <p>4 package in an audit report, the balance sheet,</p> <p>5 statement of operations, cash flow, P&L</p> <p>6 statements.</p> <p>7 You're familiar with that type of</p> <p>8 document, right?</p> <p>9 A. Yes.</p> <p>10 Q. Okay.</p> <p>11 In your opinion, should a decision</p> <p>12 maker review and understand the financial</p> <p>13 statements of the -- of the employer before</p> <p>14 agreeing to enter into a loan forgiveness program?</p> <p>15 A. They should -- they should have a</p> <p>16 basic understanding of financial statements, yes.</p> <p>17 Q. And that's the advice that you would</p> <p>18 always give to a decision maker, correct?</p> <p>19 A. Yes.</p> <p>20 Q. And why would you give that advice?</p> <p>21 A. Well, I think that you would want --</p> <p>22 as part of making forgivable loans or any</p> <p>23 compensation, you would want to have a basic</p> <p>24 knowledge of the financial condition of the</p> <p>25 business.</p>	<p style="text-align: right;">Page 41</p> <p>1 ALAN JOHNSON</p> <p>2 Q. Can you think of any circumstance</p> <p>3 where it would be appropriate for a decision maker</p> <p>4 to agree to forgive loans as part of an executive</p> <p>5 compensation package without having a basic</p> <p>6 knowledge of the financial condition of the</p> <p>7 employer?</p> <p>8 A. Well, I think, as I said earlier, if</p> <p>9 it's -- if it's just not possible to do that, you</p> <p>10 just can't -- it's chaotic enough or it's just</p> <p>11 very difficult to figure out the condition of the</p> <p>12 business, then you still have to make decisions,</p> <p>13 but you should strive to have an understanding</p> <p>14 before you make these decisions.</p> <p>15 Q. Can you think of any circumstance</p> <p>16 where a decision maker should enter into a loan</p> <p>17 forgiveness program without asking to see the</p> <p>18 financial statements of the employer?</p> <p>19 A. Well, if someone already has a good</p> <p>20 understanding, you may not need to supplement</p> <p>21 that, but if you don't have a clear understanding,</p> <p>22 you should have -- you should try to obtain that.</p> <p>23 Q. Is it fair to say you would never</p> <p>24 advise a decision maker to agree to forgive loans</p> <p>25 as part of executive compensation without</p>

<p style="text-align: right;">Page 42</p> <p>1 ALAN JOHNSON</p> <p>2 understanding the entity's financial statements,</p> <p>3 including its profit and loss and its balance</p> <p>4 sheet?</p> <p>5 A. As I said earlier, you would try to</p> <p>6 have that understanding if it's possible,</p> <p>7 absolutely.</p> <p>8 Q. Okay.</p> <p>9 Under the modification agreement</p> <p>10 that's described in your report, the 2018 loans</p> <p>11 are to be forgiven upon the sale of certain assets</p> <p>12 above cost.</p> <p>13 Do I have that right?</p> <p>14 A. Yes.</p> <p>15 Q. And so is it fair to call that kind of</p> <p>16 a contingency, the forgiveness is contingent upon</p> <p>17 a future event?</p> <p>18 A. Yes.</p> <p>19 Q. And the future event here, or the</p> <p>20 "subsequent event" as we call it sometimes, is the</p> <p>21 sale of one of three assets above cost.</p> <p>22 Do I have that right?</p> <p>23 A. Yes.</p> <p>24 Q. I think you said this earlier, but</p> <p>25 just to make sure, before agreeing to provide</p>	<p style="text-align: right;">Page 43</p> <p>1 ALAN JOHNSON</p> <p>2 compensation through forgivable loans, would you</p> <p>3 advise the decision maker under this scenario to</p> <p>4 make an assessment of the likelihood that the</p> <p>5 condition subsequent would occur?</p> <p>6 A. You would want to have that basic</p> <p>7 understanding. It's difficult to forecast, but</p> <p>8 yes, you would want to look at the magnitude of</p> <p>9 the forgivable – the amount of loans being</p> <p>10 forgiven and the significance of these</p> <p>11 accomplishments along with the probability of it</p> <p>12 actually happening.</p> <p>13 So you would want at least at a high</p> <p>14 level to have some either understanding or feel</p> <p>15 for the magnitude of the loans, the significance</p> <p>16 of the accomplishments and their likelihood of it</p> <p>17 happening.</p> <p>18 Q. And if we – if we applied those</p> <p>19 thoughts to this case, would you recommend or</p> <p>20 advise the decision maker that he or she obtain</p> <p>21 information about the cost of each of the three</p> <p>22 assets that are subject to the conditions</p> <p>23 subsequent?</p> <p>24 A. Yeah, you would want to understand the</p> <p>25 significance of these transactions, the proceeds,</p>
<p style="text-align: right;">Page 44</p> <p>1 ALAN JOHNSON</p> <p>2 the – have an understanding of how significant</p> <p>3 these amounts are to the – to the company.</p> <p>4 Q. And would you also advise your client,</p> <p>5 who's the decision maker in this hypothetical,</p> <p>6 that he or she or it should obtain information</p> <p>7 about the value of those assets as of the date of</p> <p>8 the agreement?</p> <p>9 A. You should have a basic understanding</p> <p>10 of the value of these assets, where they're marked</p> <p>11 on the books, around the time you do the</p> <p>12 agreement.</p> <p>13 Q. Why do you believe that the decision</p> <p>14 maker should have at the time of the agreement</p> <p>15 information enabling him, her or it to make an</p> <p>16 assessment as to the likelihood that the condition</p> <p>17 subsequent will occur?</p> <p>18 A. Well, I think if you're trying to</p> <p>19 motivate someone or reward someone, you have to</p> <p>20 have some idea, is it likely to happen? Is it</p> <p>21 impossible? Is it certainty?</p> <p>22 Again, I think that's part of the</p> <p>23 calculus is to reward someone for achieving</p> <p>24 something that may be difficult with a significant</p> <p>25 payout but it's not impossible.</p>	<p style="text-align: right;">Page 45</p> <p>1 ALAN JOHNSON</p> <p>2 So I think as you design either loans</p> <p>3 or more commonly, comp program, you've got to</p> <p>4 assess the difficulty and importance of these</p> <p>5 things happening.</p> <p>6 Q. Can you think of any circumstances</p> <p>7 where it would be appropriate for a decision maker</p> <p>8 to enter into an agreement to forgive loans based</p> <p>9 on some future event without having an</p> <p>10 understanding of the likelihood that that future</p> <p>11 event will occur?</p> <p>12 A. Well, usually, when we do these</p> <p>13 things, there's a great deal of judgment and</p> <p>14 subjectivity in that.</p> <p>15 So I think it is not generally</p> <p>16 quantifiable, whether you use the word "gut</p> <p>17 feeling" or "impression" or the difficulty of</p> <p>18 these things happening. Often, it's – it's quite</p> <p>19 a subjective assessment, how difficult these</p> <p>20 things are, so you want to try to have an</p> <p>21 understanding, but it can be frustrating. It can</p> <p>22 be quite subjective about whether – the</p> <p>23 likelihood or the difficulty of these things</p> <p>24 happening.</p> <p>25 Q. Well, let's just say hypothetically</p>

<p style="text-align: right;">Page 46</p> <p>1 ALAN JOHNSON</p> <p>2 that I'm going to enter into an agreement that is</p> <p>3 going to permit me to – withdrawn.</p> <p>4 So let's say hypothetically I'm an</p> <p>5 employee and I've borrowed a hundred dollars from</p> <p>6 my employer, and my employer says to me, I'm going</p> <p>7 to forgive that hundred dollars if you sell any of</p> <p>8 three assets above cost. On the date that we</p> <p>9 entered into the agreement, each of the assets has</p> <p>10 cost me \$5 and each of the assets is worth \$100,</p> <p>11 so 20 times the cost on the date of the agreement.</p> <p>12 Do you think that's information that</p> <p>13 the decision maker should know before agreeing to</p> <p>14 forgive the \$100 loan?</p> <p>15 A. I think he should understand the value</p> <p>16 the asset that is – in your hypothetical, he</p> <p>17 should have an understanding of that and how</p> <p>18 significant in your hypothetical selling that</p> <p>19 would be to the business.</p> <p>20 Maybe that the proceeds of one of them</p> <p>21 is really significant in terms of the – turning</p> <p>22 the business around or providing liquidity or</p> <p>23 other types of things, he should have some idea of</p> <p>24 if one of those three assets are sold, what does</p> <p>25 that do to the firm and its future.</p>	<p style="text-align: right;">Page 47</p> <p>1 ALAN JOHNSON</p> <p>2 Q. And is it fair to say that with the</p> <p>3 information about value and cost, the assessment</p> <p>4 as to whether or not the future event is likely to</p> <p>5 occur is not purely subjective and it's not purely</p> <p>6 based on a gut feeling, is that fair, if you have</p> <p>7 that information?</p> <p>8 A. It's hard. It's a lot closer to a gut</p> <p>9 feeling, subjective than objective. But it's hard</p> <p>10 to – your ability to actually sell something,</p> <p>11 when, to who, at what price, can be quite – is</p> <p>12 often quite subjective.</p> <p>13 So you may have – depending on</p> <p>14 circumstances, you may have good information of</p> <p>15 likelihood, but oftentimes, you really don't.</p> <p>16 Q. Would you – would you always advise</p> <p>17 the decision maker under this hypothetical to try</p> <p>18 to obtain as much information as he, she, or it</p> <p>19 can on the issues of cost and value of the three</p> <p>20 assets at issue?</p> <p>21 A. I would – I would tell clients to try</p> <p>22 to understand that as best they could.</p> <p>23 Q. Can you think of any circumstance</p> <p>24 where it would be appropriate for a decision maker</p> <p>25 to enter into a loan forgiveness agreement without</p>
<p style="text-align: right;">Page 48</p> <p>1 ALAN JOHNSON</p> <p>2 even asking for that information?</p> <p>3 A. Well, in circumstances where they</p> <p>4 already thought they had a good understanding,</p> <p>5 they didn't probably need to ask, but you should</p> <p>6 try to have a good understanding.</p> <p>7 Again, as I said, the significance of</p> <p>8 these assets and whether – if they're sold, for</p> <p>9 example, what that impact would be on the</p> <p>10 business.</p> <p>11 Q. I think one of the things you've done</p> <p>12 in your report is to provide your assessment of</p> <p>13 compensation paid to comparable executives.</p> <p>14 Is that fair to describe at least a</p> <p>15 portion of your report?</p> <p>16 A. Yes.</p> <p>17 Q. Okay.</p> <p>18 In your opinion, is the amount and</p> <p>19 form of compensation paid to comparable executives</p> <p>20 relevant to a decision maker's determination of</p> <p>21 whether or not to enter into a forgiveness program</p> <p>22 as part of executive compensation?</p> <p>23 A. As I said earlier, that would be one</p> <p>24 of the things you would want to have – you would</p> <p>25 want to have a general understanding of, the pay</p>	<p style="text-align: right;">Page 49</p> <p>1 ALAN JOHNSON</p> <p>2 history and the context of the situation.</p> <p>3 Q. Okay.</p> <p>4 In fact, this is what you sell. Isn't</p> <p>5 that right, one of the things you sell?</p> <p>6 A. To make sure I understand the</p> <p>7 question, what am I selling here?</p> <p>8 Q. One of the things you sell is your</p> <p>9 knowledge, expertise and experience about how</p> <p>10 comparable executives are compensated in the</p> <p>11 financial services industry, right?</p> <p>12 A. Yes.</p> <p>13 Q. And so is it fair to say that you</p> <p>14 believe the decision maker should have an</p> <p>15 understanding as to how comparable executives are</p> <p>16 compensated before agreeing to enter into an</p> <p>17 executive loan program – loan forgiveness</p> <p>18 program?</p> <p>19 A. I think more it would be about the</p> <p>20 individual's pay history. I think how other</p> <p>21 people in the industry is probably of less</p> <p>22 importance on that narrow issue.</p> <p>23 I think you'd want to know how has</p> <p>24 Mary or Jim been paid in the past on that issue</p> <p>25 rather – I think that would be more important</p>

<p style="text-align: right;">Page 50</p> <p>1 ALAN JOHNSON</p> <p>2 than how other executives in the industry had been</p> <p>3 paid.</p> <p>4 Q. Well, let's say hypothetically that in</p> <p>5 the industry, very senior founding executives get</p> <p>6 paid on the average of \$6 million a year.</p> <p>7 A. Okay.</p> <p>8 Q. And the executive at issue has</p> <p>9 received \$6 million a year for at least, let's</p> <p>10 say, 7 years, just to say hypothetically.</p> <p>11 If a decision maker wanted to forgive</p> <p>12 loans of \$50 million, do you understand the</p> <p>13 decision maker should know, is that what other</p> <p>14 people doing this job are getting? Are they</p> <p>15 getting that kind of money?</p> <p>16 Don't you think they should know that</p> <p>17 before entering into the agreement?</p> <p>18 A. Yes, I think you would want to know</p> <p>19 the magnitude, in your example of \$50 million, how</p> <p>20 does that stack up to the compensation of the</p> <p>21 executive and how other people in the industry</p> <p>22 would have been paid?</p> <p>23 So yes, you would want to – in your</p> <p>24 hypothetical, the \$50 million, you would want to</p> <p>25 have some idea of how that – the magnitude of</p>	<p style="text-align: right;">Page 51</p> <p>1 ALAN JOHNSON</p> <p>2 that money.</p> <p>3 Q. Right.</p> <p>4 A decision maker should try to take</p> <p>5 steps to avoid overpaying. Is that fair?</p> <p>6 A. A decision maker should try to both</p> <p>7 make sure you don't under or overpay. You should</p> <p>8 try to get it right and fair, whatever that means.</p> <p>9 Q. And one of the ways to get it right or</p> <p>10 fair is to try to have an understanding as to how</p> <p>11 comparable executives are compensated in the same</p> <p>12 industry. Is that fair?</p> <p>13 A. That's one of the factors you would</p> <p>14 want to consider, absolutely.</p> <p>15 Q. And you would recommend and advise</p> <p>16 your decision makers that they should attempt to</p> <p>17 gain an understanding of how comparable executives</p> <p>18 are paid before entering into a loan forgiveness</p> <p>19 program. Is that fair?</p> <p>20 A. They should try to be – whether they</p> <p>21 have it immediately or they should try to have an</p> <p>22 understanding – if they don't already, they</p> <p>23 should try to have an understanding how does this</p> <p>24 in your hypothetical \$50 million relate to, not</p> <p>25 only the executive, but how other people are paid.</p>
<p style="text-align: right;">Page 52</p> <p>1 ALAN JOHNSON</p> <p>2 Q. Okay. Let's say hypothetically the</p> <p>3 decision maker has no prior knowledge as to how</p> <p>4 comparable executives are paid in the industry,</p> <p>5 would you recommend that such a decision maker</p> <p>6 hire somebody like yourself?</p> <p>7 A. They could hire someone like us or</p> <p>8 they could talk to their attorneys or they could</p> <p>9 do their own research or talk to the HR</p> <p>10 department. You could get it from many sources.</p> <p>11 But if someone were to ask me out of</p> <p>12 the blue, I would say, yeah, you should have an</p> <p>13 understanding, how does – how does the amount</p> <p>14 you're going to forgive stack up to the industry</p> <p>15 you're in? Is it a small amount, large amount?</p> <p>16 You should have some idea of the</p> <p>17 relative magnitude of the amount in question.</p> <p>18 Q. Is it fair to say that you would never</p> <p>19 advise a decision maker who has no knowledge of</p> <p>20 how comparable executives are paid to enter into a</p> <p>21 loan forgiveness program without at least</p> <p>22 attempting to understand how the – how the</p> <p>23 competition pays their employees?</p> <p>24 A. Well, the caveat of – the answer –</p> <p>25 the broad answer would be, yes, but the caveat</p>	<p style="text-align: right;">Page 53</p> <p>1 ALAN JOHNSON</p> <p>2 would be how significant the loans were.</p> <p>3 If the loans were relatively small, it</p> <p>4 probably wouldn't be required. The larger the</p> <p>5 loans, generally, you would say – you would want</p> <p>6 to have a better understanding of pay practices in</p> <p>7 the industry.</p> <p>8 Q. Okay.</p> <p>9 Let's say hypothetically the people</p> <p>10 who are involved in the discussions concerning the</p> <p>11 forgiveness of the loans are the CEO and an</p> <p>12 outside director. Okay?</p> <p>13 Are you with me so far?</p> <p>14 A. Yes. I'm sorry.</p> <p>15 Q. And let's – let's assume that the</p> <p>16 outside director has no experience in the</p> <p>17 financial services industry. Let's assume that</p> <p>18 the outside director has never worked for the</p> <p>19 company. Let's assume that the outside director</p> <p>20 doesn't have access to the company's financial</p> <p>21 statements. Okay?</p> <p>22 With that hypothetical, would you</p> <p>23 advise the decision maker to utilize a source of</p> <p>24 information other than the CEO himself before</p> <p>25 entering into the agreement?</p>

<p style="text-align: right;">Page 54</p> <p>1 ALAN JOHNSON</p> <p>2 A. In your hypothetical, as a director</p> <p>3 with fiduciary duties, you should try to have an</p> <p>4 understanding of the magnitude of what you're</p> <p>5 being asked to do, and you should try to have</p> <p>6 independent verification in one way or the other,</p> <p>7 is what being proposed, whether it be a loan or</p> <p>8 any other business decision, is this reasonable?</p> <p>9 You should try to have an understanding, yes.</p> <p>10 Q. Would you ever advise the decision</p> <p>11 maker in the circumstances that I've described in</p> <p>12 this hypothetical to rely solely on the CEO as the</p> <p>13 source of all information that would be considered</p> <p>14 before entering into the forgiveness program?</p> <p>15 A. Well, that would be very unusual. I</p> <p>16 think it really would depend on the circumstances.</p> <p>17 If the circumstance -- I can have</p> <p>18 other hypotheticals where it -- there could be a</p> <p>19 chaotic situation. It could be the -- it was an</p> <p>20 extremist situation where you need to make a rapid</p> <p>21 decision and so forth.</p> <p>22 But in more typical situations, yes,</p> <p>23 you should try to get independent advice from, you</p> <p>24 know, others or your own research to found it. If</p> <p>25 you have to make an immediate decision, you know,</p>	<p style="text-align: right;">Page 55</p> <p>1 ALAN JOHNSON</p> <p>2 you got to do what you got to do.</p> <p>3 Q. Let's take it out of the hypothetical.</p> <p>4 Have you ever advised a client to</p> <p>5 enter into a loan forgiveness program without</p> <p>6 having obtained any information from any source</p> <p>7 other than the executive or the employee who's the</p> <p>8 beneficiary under the agreement?</p> <p>9 A. I have not advised a client that way,</p> <p>10 no.</p> <p>11 Q. Would you ever advise a client to do</p> <p>12 that?</p> <p>13 A. Again, assuming it was a significant</p> <p>14 amount of money, no, I would not advise a client</p> <p>15 to do that.</p> <p>16 Q. Can you think of any -- I guess you've</p> <p>17 already described if it's an extremist or a</p> <p>18 chaotic situation.</p> <p>19 Are those the only two situations that</p> <p>20 you can conjure up in your head where it might be</p> <p>21 appropriate for a decision maker to rely solely on</p> <p>22 the beneficiary of the agreement before entering</p> <p>23 into the loan forgiveness program?</p> <p>24 A. I think with the caveat I mentioned</p> <p>25 earlier, if the amounts were small, you know, not</p>
<p style="text-align: right;">Page 56</p> <p>1 ALAN JOHNSON</p> <p>2 particularly meaningful, but if it's a meaningful</p> <p>3 amount, you would try to get information.</p> <p>4 Q. What if the amount constituted --</p> <p>5 withdrawn.</p> <p>6 Is it your understanding that the</p> <p>7 modification agreement pursuant to which certain</p> <p>8 loans will be forgiven in the future upon the</p> <p>9 occurrence of certain conditions subsequent, is it</p> <p>10 your understanding that that agreement applies not</p> <p>11 only to loans that were given to Mr. Dondero, but</p> <p>12 to loans to affiliated companies that Mr. Dondero</p> <p>13 either directly or indirectly owns and controls?</p> <p>14 A. My understanding from Mr. Dondero was</p> <p>15 all the loans. That came from him.</p> <p>16 Q. And how do you define "from him"?</p> <p>17 A. In the conversation -- the</p> <p>18 conversations I had with him.</p> <p>19 Q. I just want to know, is it just the</p> <p>20 loans that Highland gave to him as an individual</p> <p>21 human being or does it also cover loans that</p> <p>22 Highland made to entities that are directly or</p> <p>23 indirectly owned or controlled by him?</p> <p>24 A. It was my understanding from him that</p> <p>25 it was all of the loans.</p>	<p style="text-align: right;">Page 57</p> <p>1 ALAN JOHNSON</p> <p>2 Q. So do you believe that the decision</p> <p>3 maker should have a knowledge and understanding</p> <p>4 about all of the loans before entering into a</p> <p>5 forgiveness program?</p> <p>6 A. The decision maker should know the</p> <p>7 magnitude of the loans to be forgiven.</p> <p>8 Q. Do you think the decision maker should</p> <p>9 be familiar with the terms of each of the loans</p> <p>10 that are subject to the forgiveness agreement?</p> <p>11 A. I think the decision maker should have</p> <p>12 a general understanding of the terms of the loans,</p> <p>13 yes.</p> <p>14 Q. Do you think the decision maker should</p> <p>15 have an understanding as to why the loans were</p> <p>16 originally obtained?</p> <p>17 A. I think that's -- it would be ideal to</p> <p>18 do that. I think it's probably less importance.</p> <p>19 Q. Would you advise the decision maker to</p> <p>20 obtain copies of the promissory notes?</p> <p>21 A. I would want the decision maker to be</p> <p>22 generally familiar with the loans. I don't -- I</p> <p>23 don't know if they necessarily have to read each</p> <p>24 of the promissory notes, but I think they should</p> <p>25 have a general familiarity, what the loans are,</p>

<p style="text-align: right;">Page 58</p> <p>1 ALAN JOHNSON</p> <p>2 the magnitudes, the broad terms, the interest</p> <p>3 rates and the basic features.</p> <p>4 Q. And if the decision maker weren't a</p> <p>5 sophisticated party, would you advise the decision</p> <p>6 maker to obtain advice concerning the nature,</p> <p>7 extent and structure of the loans that were under</p> <p>8 consideration for forgiveness?</p> <p>9 A. I think the decision maker should have</p> <p>10 an understanding of the loan – what they're</p> <p>11 forgiving, what the terms or – you know, you</p> <p>12 should have an understanding of the structure of</p> <p>13 the loans you're forgiving.</p> <p>14 Q. Could you contemplate any situation</p> <p>15 where a decision maker should enter into a</p> <p>16 forgiveness of loans without having an</p> <p>17 understanding of the scope and structure of the</p> <p>18 loans themselves?</p> <p>19 A. No. I think – I think – as I said,</p> <p>20 I think the decision maker should have a general</p> <p>21 understanding of the loans, the amounts, the terms</p> <p>22 at least – at least at reasonably high level.</p> <p>23 Q. Would you always advise your client to</p> <p>24 understand the nature and extent of each of the</p> <p>25 loans that was under consideration for forgiveness</p>	<p style="text-align: right;">Page 59</p> <p>1 ALAN JOHNSON</p> <p>2 before actually agreeing to forgive those loans?</p> <p>3 A. If there are a lot of loans, I – it</p> <p>4 may not be practical.</p> <p>5 I think you'd want to have a general</p> <p>6 idea of the term, the amount, the interest rates.</p> <p>7 The exact provisions of each loan is probably less</p> <p>8 important. To have some understanding of how much</p> <p>9 is being at stake, when would they in general have</p> <p>10 been paid, what the interest rate would be.</p> <p>11 I think the ins and outs of each loan</p> <p>12 would probably be of less importance.</p> <p>13 Q. Do you think it would be important for</p> <p>14 the decision maker to know, let's just say</p> <p>15 hypothetically, as to whether the loans under</p> <p>16 consideration were demand loans or whether they</p> <p>17 were 30-year term notes?</p> <p>18 A. Yeah, I think you would want to know</p> <p>19 that. You would want to know – that would be one</p> <p>20 of the things you would want to know.</p> <p>21 Q. And why would you want to know that?</p> <p>22 A. I think if you're trying to design a</p> <p>23 plan, you'd want to have some idea of the urgency</p> <p>24 of the – of the loans.</p> <p>25 You mentioned a 30-year term, it</p>
<p style="text-align: right;">Page 60</p> <p>1 ALAN JOHNSON</p> <p>2 perhaps is less urgent than a demand note, so I</p> <p>3 think if you're trying to incent someone to</p> <p>4 achieve something, you want to have some idea of</p> <p>5 the urgency of these loans that are outstanding.</p> <p>6 Q. Can you think of any circumstance</p> <p>7 where it would be appropriate for a decision maker</p> <p>8 to agree to forgive loans without having an</p> <p>9 understanding as to the number, value and</p> <p>10 structure of the loans that are to be forgiven?</p> <p>11 A. The number of loans is probably of</p> <p>12 less importance, as I said earlier. I think you'd</p> <p>13 want to know the rough magnitude of what we're</p> <p>14 forgiving, and I think you would want to know the</p> <p>15 basic structure of the loans.</p> <p>16 Q. I appreciate that, but can you think</p> <p>17 of any circumstance where the decision maker</p> <p>18 should agree to forgive loans without knowing the</p> <p>19 structure and aggregate value the loans being</p> <p>20 forgiven?</p> <p>21 A. No. I think – I think the decision</p> <p>22 maker should have a general understanding of the</p> <p>23 dollar amounts and the structure of the loans to</p> <p>24 be forgiven.</p> <p>25 Q. And you would never advise a client to</p>	<p style="text-align: right;">Page 61</p> <p>1 ALAN JOHNSON</p> <p>2 forgive loans without knowing the dollar amount</p> <p>3 and the structure of the loans themselves,</p> <p>4 correct?</p> <p>5 A. That would not be my advice, no.</p> <p>6 Q. Okay.</p> <p>7 Do you believe that a decision maker</p> <p>8 who's considering entering into a loan forgiveness</p> <p>9 program as part of executive compensation has a</p> <p>10 duty to try to negotiate the best terms possible</p> <p>11 for the company?</p> <p>12 A. I think the decision maker has to have</p> <p>13 reasonable terms and a fair agreement. I don't</p> <p>14 think they have an obligation to necessarily</p> <p>15 strike the best possible deal. They've got to</p> <p>16 balance a number of factors, but the deal should</p> <p>17 clearly be fair to the company.</p> <p>18 Q. And why do you believe that a decision</p> <p>19 maker should make sure that the agreement is fair</p> <p>20 to the company before entering into it?</p> <p>21 A. Well, I think the – the decision</p> <p>22 maker has a responsibility to be fair to the</p> <p>23 shareholders and the other parties at the company,</p> <p>24 and the agreement should be fair to – to the</p> <p>25 company – the interest of the company.</p>

<p style="text-align: right;">Page 62</p> <p>1 ALAN JOHNSON</p> <p>2 If they're in the position of making</p> <p>3 that decision and they're representing the</p> <p>4 company, the decision should be fair.</p> <p>5 Q. And how – how would you advise a</p> <p>6 decision maker to make sure that the agreement was</p> <p>7 fair before he, she, or it entered into it?</p> <p>8 A. Well, if we're talking about loans, as</p> <p>9 I said earlier, you want to know the rough</p> <p>10 magnitude of the loans and the terms. You'd want</p> <p>11 to know the achievement of these goals, how</p> <p>12 significant are they for the success of the</p> <p>13 company, and try to balance that, and the</p> <p>14 probabilities and other things.</p> <p>15 But you'd want to balance that in a</p> <p>16 fair way where you felt that the – if it's a</p> <p>17 loan, the forgiveness of these loans is – is</p> <p>18 fairly rewarded by the achievement of these goals.</p> <p>19 Q. And so in order to assess the</p> <p>20 fairness, you testified earlier that you would</p> <p>21 always advise the decision maker to the extent</p> <p>22 possible to obtain information concerning the</p> <p>23 executive's compensation history, correct?</p> <p>24 A. You would want to know that if they</p> <p>25 didn't know it already. You would want to have</p>	<p style="text-align: right;">Page 63</p> <p>1 ALAN JOHNSON</p> <p>2 them have some idea of the individual's pay</p> <p>3 history. That would be one of the things you'd</p> <p>4 want to know.</p> <p>5 Q. And in order to assess the fairness of</p> <p>6 the transaction before entering into it, you would</p> <p>7 always recommend to the extent possible that the</p> <p>8 decision maker understand the financial condition</p> <p>9 of the employer, correct?</p> <p>10 A. You would want the decision maker to</p> <p>11 understand, as best they could in the</p> <p>12 circumstances, the condition, you know, of the</p> <p>13 company at that time.</p> <p>14 Q. And in order to assess the fairness of</p> <p>15 the transaction before you enter into it, you</p> <p>16 would always advise the decision maker to the</p> <p>17 extent possible to obtain and understand the</p> <p>18 employer's financial statements. Is that fair?</p> <p>19 A. As part of that, if they didn't</p> <p>20 already have an understanding – that's really</p> <p>21 part of the financial condition of the company –</p> <p>22 you'd want them to have a general understanding of</p> <p>23 the financial position of the company, you know,</p> <p>24 when the loan agreement was made.</p> <p>25 Q. And in order to assess the fairness of</p>
<p style="text-align: right;">Page 64</p> <p>1 ALAN JOHNSON</p> <p>2 the transaction before entering into it – give me</p> <p>3 one second, please. Sorry.</p> <p>4 Before entering the – in order to</p> <p>5 assess the transaction – withdrawn.</p> <p>6 In order to assess the fairness of a</p> <p>7 transaction before entering into it, you would</p> <p>8 always advise the decision maker to obtain</p> <p>9 information so that he, she, or it, could assess</p> <p>10 the likelihood of any future, subsequent events</p> <p>11 for which the forgiveness is contingent. Is that</p> <p>12 fair?</p> <p>13 A. The best you can, you want to at least</p> <p>14 have an impression of the difficulty or likelihood</p> <p>15 of these events being achieved.</p> <p>16 As I said earlier, that often is quite</p> <p>17 subjective. You have an impression, but you at</p> <p>18 least want to have some impression as best you can</p> <p>19 of the likelihood and importance of these things</p> <p>20 happening.</p> <p>21 Q. And – and in order to assess the</p> <p>22 fairness of the transaction before entering into</p> <p>23 it, you would always recommend that the decision</p> <p>24 maker seek and obtain as much information as</p> <p>25 possible about how comparable executives are paid.</p>	<p style="text-align: right;">Page 65</p> <p>1 ALAN JOHNSON</p> <p>2 Is that fair?</p> <p>3 A. As part of making this, I think you</p> <p>4 would want to have some idea of the magnitude of</p> <p>5 the loan being forgiven and how does that stack up</p> <p>6 with the pay of other people in the industry, the</p> <p>7 context of those decisions.</p> <p>8 Q. And in order to determine the fairness</p> <p>9 of the loan before – withdrawn.</p> <p>10 In order to determine the fairness of</p> <p>11 a forgiveness agreement before entering into it,</p> <p>12 you would always advise the decision maker to have</p> <p>13 at least an understanding as to the aggregate</p> <p>14 value and the structure of the loans that are to</p> <p>15 be forgiven, correct?</p> <p>16 A. Yes, you would want to have that</p> <p>17 knowledge.</p> <p>18 Q. Okay.</p> <p>19 So let's go back to the hypothetical</p> <p>20 where you have the CEO and an outside director</p> <p>21 who's not familiar with the industry and doesn't</p> <p>22 have access to financial statements or any</p> <p>23 information about comparable executives.</p> <p>24 In that hypothetical, if the executive</p> <p>25 were to go to the outside director and make a</p>

<p style="text-align: right;">Page 66</p> <p>1 ALAN JOHNSON</p> <p>2 proposal regarding loan forgiveness, would you</p> <p>3 advise that decision maker to try to negotiate</p> <p>4 with the executive?</p> <p>5 A. Well, it depends on what the terms are</p> <p>6 being proposed. It may on its – its face be a</p> <p>7 fair deal and you don't need to negotiate. If</p> <p>8 the – if the term – if the director believes the</p> <p>9 terms are not as being proposed fair, yes, they</p> <p>10 should negotiate and try to get an agreement that</p> <p>11 is at least fair from the standpoint of the</p> <p>12 company.</p> <p>13 Q. Well, in my hypothetical, assume that</p> <p>14 the decision maker, the director, doesn't have any</p> <p>15 information concerning the executive's</p> <p>16 compensation history, doesn't have an</p> <p>17 understanding of the entity's financial condition,</p> <p>18 hasn't obtained or reviewed the entity's financial</p> <p>19 statements, hasn't spoken to anybody other than</p> <p>20 the CEO himself, has no experience in the</p> <p>21 industry, has no expertise in the area of</p> <p>22 executive compensation, would you advise that</p> <p>23 particular decision maker to enter into the</p> <p>24 agreement that's first proposed by the CEO without</p> <p>25 negotiation?</p>	<p style="text-align: right;">Page 67</p> <p>1 ALAN JOHNSON</p> <p>2 A. Well, I think even before negotiation,</p> <p>3 in your hypothetical, someone who knows nothing</p> <p>4 should get informed before they make any decision.</p> <p>5 So that probably comes first.</p> <p>6 You know, once they got better</p> <p>7 informed, they could decide on whether they need</p> <p>8 to negotiate or the offer on its face is fair, but</p> <p>9 if they know nothing, they should get informed</p> <p>10 before they agree to any decision.</p> <p>11 Q. Based on your knowledge and experience</p> <p>12 and expertise in the industry, can you conjure up</p> <p>13 a scenario where a decision maker who knows</p> <p>14 nothing but nevertheless enters into a forgiveness</p> <p>15 program has fulfilled his, her, or its duties to</p> <p>16 the company?</p> <p>17 MR. AIGEN: Objection, form.</p> <p>18 A. I'm sorry, could you repeat the</p> <p>19 question? I lost my train of thought.</p> <p>20 Q. Sure.</p> <p>21 Let's assume the decision maker knows</p> <p>22 nothing. In your opinion, can that decision maker</p> <p>23 ever fulfill his, her, or its duty by entering</p> <p>24 into a loan forgiveness program with the CEO?</p> <p>25 MR. AIGEN: Objection, form.</p>
<p style="text-align: right;">Page 68</p> <p>1 ALAN JOHNSON</p> <p>2 A. Well, I think the director could get</p> <p>3 lucky where the proposal was imminently fair and</p> <p>4 you – you put it in place, but certainly, you're</p> <p>5 at risk of agreeing to something that's not fair.</p> <p>6 But a director or a company could get lucky in</p> <p>7 that the proposal was – was fair on its face,</p> <p>8 so...</p> <p>9 Q. Would you ever advise a client to –</p> <p>10 who was a decision maker who knew nothing to enter</p> <p>11 into the agreement and hope that he, she, or it</p> <p>12 got lucky?</p> <p>13 A. I do not advise clients to try to get</p> <p>14 lucky, no.</p> <p>15 Q. Have you ever heard of a decision</p> <p>16 maker – withdrawn.</p> <p>17 In your 30 years' experience, have you</p> <p>18 ever heard of a decision maker entering into a</p> <p>19 loan forgiveness program with no knowledge of the</p> <p>20 executive's employment history, the employer's</p> <p>21 financial condition, without an understanding of</p> <p>22 the financial statements, with no knowledge of</p> <p>23 comparable executives, have you ever heard of</p> <p>24 anybody like that ever entering into a loan</p> <p>25 forgiveness program?</p>	<p style="text-align: right;">Page 69</p> <p>1 ALAN JOHNSON</p> <p>2 A. I don't recall that – that situation,</p> <p>3 no.</p> <p>4 Q. You'd agree with me it's not common in</p> <p>5 the industry, is it?</p> <p>6 A. The facts that you've laid out would</p> <p>7 not be common, no.</p> <p>8 Q. If you were advising a decision maker</p> <p>9 who was contemplating entering into a loan</p> <p>10 forgiveness program as part of executive</p> <p>11 compensation, would you advise that decision maker</p> <p>12 to make sure that the agreement is in writing?</p> <p>13 A. Yes. Yes, I would.</p> <p>14 Q. And why would you do that?</p> <p>15 A. We – you want there to be no</p> <p>16 misunderstandings. I think many of these</p> <p>17 agreements are complicated and you – people's</p> <p>18 memory are fallible, so we often advise clients to</p> <p>19 put many agreements in writing just so there's no</p> <p>20 misunderstandings, everybody understands what the</p> <p>21 terms are.</p> <p>22 Q. Can you think of any exception to the</p> <p>23 advice you would give with respect to making sure</p> <p>24 that forgiveness agreements are in writing?</p> <p>25 Can you think of any scenario where</p>

<p style="text-align: right;">Page 70</p> <p>1 ALAN JOHNSON</p> <p>2 you would advise the decision maker, don't put</p> <p>3 that in writing?</p> <p>4 A. No. No, we wouldn't advise that.</p> <p>5 Although unfortunately, many of our clients don't</p> <p>6 put things in writing, but that would not be our</p> <p>7 advice.</p> <p>8 Q. How about a hypothetical where the</p> <p>9 agreement to forgive loans encompassed more than a</p> <p>10 dozen loans, would you also recommend that there</p> <p>11 be a written record of the identity of the loans</p> <p>12 that were the subject of the agreement?</p> <p>13 A. If there were a dozen meaningful</p> <p>14 loans, we would recommend that you have a catalog</p> <p>15 of what the loans are talking about, absolutely.</p> <p>16 Q. Can you think of any scenario where it</p> <p>17 would be appropriate to enter into an agreement</p> <p>18 for the forgiveness of a dozen or more loans</p> <p>19 without having any written record of it?</p> <p>20 A. As I said earlier, we would recommend</p> <p>21 that all of these agreements be put in writing.</p> <p>22 Q. As an expert on executive</p> <p>23 compensation, have you ever advised the decision</p> <p>24 maker to enter into an oral agreement concerning</p> <p>25 forgivable loans?</p>	<p style="text-align: right;">Page 71</p> <p>1 ALAN JOHNSON</p> <p>2 A. I – I would never – we always – I</p> <p>3 would always want to have it in writing.</p> <p>4 Q. So let's go back to my hypothetical</p> <p>5 where you have an agreement between a CEO and an</p> <p>6 outside director. If you were advising the</p> <p>7 outside director, would you tell him or her that</p> <p>8 your advice is to make sure that somebody in the</p> <p>9 organization other than the CEO knows about the</p> <p>10 terms in existence of the loan forgiveness</p> <p>11 program?</p> <p>12 A. I would tell the outside director that</p> <p>13 other people should be informed.</p> <p>14 Other directors, the – yes, I would</p> <p>15 want other people – I would – if I were asked, I</p> <p>16 would – I would suggest or recommend that other</p> <p>17 people be informed.</p> <p>18 Q. And why would you make – why would</p> <p>19 you give that advice?</p> <p>20 A. You would want – at just an</p> <p>21 operational level, you would want to make sure</p> <p>22 your finance department was aware that certain</p> <p>23 payments might stop or in preparing the financial</p> <p>24 statements or – or other just operational issues,</p> <p>25 so, again, there's no misunderstanding as you put</p>
<p style="text-align: right;">Page 72</p> <p>1 ALAN JOHNSON</p> <p>2 your financial statements together or just</p> <p>3 operationalize these loans.</p> <p>4 Q. In your – in your experience, do</p> <p>5 companies that enter into loan forgiveness</p> <p>6 programs customarily include reference to the</p> <p>7 agreements in their financial statements or in</p> <p>8 their books and records?</p> <p>9 A. It's a mixed practice. Some people do</p> <p>10 and some people don't, particularly private firms.</p> <p>11 Q. Have you ever heard of a situation</p> <p>12 where the decision maker and the executive enter</p> <p>13 into a loan forgiveness program and never tell</p> <p>14 anybody about the terms or existence of the</p> <p>15 program until after litigation is commenced?</p> <p>16 A. I don't know if I can – sitting here</p> <p>17 if I can recall a loan forgiveness program.</p> <p>18 I can – there's certainly other</p> <p>19 facets of compensation where things weren't</p> <p>20 documented and there's all kinds of disputes, but</p> <p>21 I can't sitting here think of another loan</p> <p>22 forgiveness program.</p> <p>23 Q. Okay. I appreciate that. My question</p> <p>24 is just a little bit different.</p> <p>25 Can you recall any instance in your</p>	<p style="text-align: right;">Page 73</p> <p>1 ALAN JOHNSON</p> <p>2 career where you've heard about a decision maker</p> <p>3 who entered into a loan forgiveness program with</p> <p>4 an employee but never told anybody in the world</p> <p>5 about that until after litigation was commenced?</p> <p>6 A. I can't recall any sitting here.</p> <p>7 Q. Okay. And you would never recommend</p> <p>8 that a decision maker keep to him or herself the</p> <p>9 entry into any agreement concerning the</p> <p>10 forgiveness of loans?</p> <p>11 A. I think, again, we would – I would</p> <p>12 always recommend things be in writing with the</p> <p>13 caveat if it was a small or trivial amount,</p> <p>14 perhaps it wasn't needed.</p> <p>15 Q. In your opinion are the loans at issue</p> <p>16 in this case small or trivial?</p> <p>17 A. No.</p> <p>18 MR. MORRIS: Okay. We've been going</p> <p>19 an hour and a half. I really appreciate</p> <p>20 your patience, sir.</p> <p>21 Can we take just a 10-minute break and</p> <p>22 come back at 10:40 eastern? It's actually a</p> <p>23 13-minute break.</p> <p>24 THE WITNESS: Okay.</p> <p>25 MR. MORRIS: Okay. Thank you very</p>

<p style="text-align: right;">Page 74</p> <p>1 ALAN JOHNSON</p> <p>2 much.</p> <p>3 (Recess taken from 10:27 a.m. until</p> <p>4 10:40 a.m.)</p> <p>5 BY MR. MORRIS:</p> <p>6 Q. Mr. Johnson, did you speak with</p> <p>7 anybody during the break about your testimony</p> <p>8 today?</p> <p>9 A. No.</p> <p>10 Q. Did you communicate with anybody in</p> <p>11 writing about your testimony today during the</p> <p>12 break?</p> <p>13 A. No.</p> <p>14 Q. Do you recall when you were –</p> <p>15 withdrawn. I apologize.</p> <p>16 Are you – were you engaged in this</p> <p>17 case or was your firm engaged in this case or is</p> <p>18 it one in the same?</p> <p>19 I just want to make sure I get it</p> <p>20 right.</p> <p>21 A. I was engaged as an expert witness as</p> <p>22 part of my firm.</p> <p>23 Q. Okay.</p> <p>24 Do you recall when you were engaged in</p> <p>25 this case?</p>	<p style="text-align: right;">Page 75</p> <p>1 ALAN JOHNSON</p> <p>2 A. Maybe March or April of this year.</p> <p>3 Q. Do you have an engagement letter?</p> <p>4 A. We did, yes.</p> <p>5 Q. Okay.</p> <p>6 And would that engagement letter</p> <p>7 reflect the date upon which you were engaged in</p> <p>8 this matter?</p> <p>9 A. Yes, it would.</p> <p>10 Q. Okay.</p> <p>11 Did you ever review any of the</p> <p>12 pleadings in this case, any of the complaints?</p> <p>13 A. I just don't – I don't recall.</p> <p>14 Q. Did you have any familiarity with</p> <p>15 Highland Capital Management, L.P. or any of its</p> <p>16 affiliates prior to your engagement in this case?</p> <p>17 A. I don't believe so.</p> <p>18 Q. Did you have any familiarity with</p> <p>19 James Dondero prior to being retained in this</p> <p>20 case?</p> <p>21 A. I don't believe so.</p> <p>22 Q. I think you said that you were</p> <p>23 retained by the Stinson firm.</p> <p>24 Do I have that right?</p> <p>25 A. Yes.</p>
<p style="text-align: right;">Page 76</p> <p>1 ALAN JOHNSON</p> <p>2 Q. And had you done work for the Stinson</p> <p>3 firm prior to this case?</p> <p>4 A. I don't believe so.</p> <p>5 Q. You have been retained by my firm</p> <p>6 before. Is that right?</p> <p>7 A. Yes.</p> <p>8 Q. Is that just one occasion?</p> <p>9 A. No, several times.</p> <p>10 Q. Oh, okay. Well, it's nice to meet you</p> <p>11 because we've never worked together, right, just</p> <p>12 for the record?</p> <p>13 A. Yes.</p> <p>14 Q. All right. We're going to put your</p> <p>15 expert report up on the screen. I forgot what</p> <p>16 number we have premarked it, but let's take a look</p> <p>17 at it.</p> <p>18 MS. CANTY: Sixty-two, John.</p> <p>19 MR. MORRIS: Thank you very much.</p> <p>20 (Exhibit 62, expert report, was marked</p> <p>21 for identification at this time.)</p> <p>22 BY MR. MORRIS:</p> <p>23 Q. So your report, Mr. Johnson, is up on</p> <p>24 the screen. It's been premarked as Exhibit 62 for</p> <p>25 our purposes.</p>	<p style="text-align: right;">Page 77</p> <p>1 ALAN JOHNSON</p> <p>2 MR. MORRIS: And can we go to page 16,</p> <p>3 please.</p> <p>4 Q. And if we go to the bottom of the</p> <p>5 page, is that your signature, sir?</p> <p>6 A. Yes.</p> <p>7 Q. And did you sign this on or about</p> <p>8 May 28, 2021?</p> <p>9 A. Yes.</p> <p>10 Q. You haven't amended this report since</p> <p>11 May. Is that right?</p> <p>12 A. That's right.</p> <p>13 Q. Okay.</p> <p>14 And there's no modification to any of</p> <p>15 your opinions that are set forth in this report,</p> <p>16 correct?</p> <p>17 A. That's correct.</p> <p>18 Q. Okay.</p> <p>19 MR. MORRIS: Can we go to page 25,</p> <p>20 please.</p> <p>21 Q. And do you see that there's a list</p> <p>22 here of documents reviewed?</p> <p>23 A. Yes.</p> <p>24 Q. And I'm embarrassed to say, but I've</p> <p>25 actually looked at all the documents.</p>

<p style="text-align: right;">Page 78</p> <p>1 ALAN JOHNSON</p> <p>2 Is it – is it fair to characterize</p> <p>3 the documents that you reviewed as either</p> <p>4 tax-related information, financial statements from</p> <p>5 NexPoint or Highland Capital Management Fund</p> <p>6 Advisors or certain agreements between and among</p> <p>7 the parties?</p> <p>8 A. I think it's certainly that. There</p> <p>9 may be other things, but certainly, those were</p> <p>10 included in there, yes.</p> <p>11 Q. Can you identify any other type of</p> <p>12 document that you recall reviewing prior to the</p> <p>13 preparation of this report other than tax-related</p> <p>14 information, financial statements for NexPoint and</p> <p>15 HCMFA and certain agreements between and among the</p> <p>16 parties?</p> <p>17 A. You had asked about the pleadings, and</p> <p>18 I just don't recall, but with that – with that</p> <p>19 caveat, I think that's accurate.</p> <p>20 Q. Okay.</p> <p>21 And to the best of your knowledge,</p> <p>22 does this page identify every document that you</p> <p>23 were provided with prior to the preparation of</p> <p>24 your report?</p> <p>25 A. Yes, I believe so.</p>	<p style="text-align: right;">Page 79</p> <p>1 ALAN JOHNSON</p> <p>2 Q. Okay.</p> <p>3 You're not aware of any documents that</p> <p>4 you received that aren't disclosed on this page,</p> <p>5 right?</p> <p>6 A. Not that I'm aware of.</p> <p>7 Q. Okay.</p> <p>8 Has anybody provided you with any</p> <p>9 documents between May 28th and today that relate</p> <p>10 to the subject matter of your report?</p> <p>11 A. I'm sorry, I didn't catch the last</p> <p>12 bit.</p> <p>13 Q. Has anyone provided you any documents</p> <p>14 between May 28th, 2021 and today that concern or</p> <p>15 relate to any aspect of your report?</p> <p>16 A. I'm not sure how to answer the</p> <p>17 question. I received other documents, so I'm not</p> <p>18 sure what you're trying to get at.</p> <p>19 Q. What other documents do you recall</p> <p>20 receiving since May 28th, 2021 that concern your</p> <p>21 report.</p> <p>22 A. I think I mentioned I reviewed some of</p> <p>23 the loan documentation on the loans. I've seen</p> <p>24 the financial statements for Highland Capital</p> <p>25 Management. I've – those two I recall.</p>
<p style="text-align: right;">Page 80</p> <p>1 ALAN JOHNSON</p> <p>2 Q. Okay.</p> <p>3 Do you remember for what years the</p> <p>4 financial statements were for Highland?</p> <p>5 A. If I recall, they were 2014, I</p> <p>6 believe, through – it's either '14 or '15 through</p> <p>7 '19, I believe.</p> <p>8 Q. And reviewing these documents didn't</p> <p>9 cause you to amend or modify your opinions in any</p> <p>10 way, correct?</p> <p>11 A. No.</p> <p>12 Q. Okay. I'm just going to ask you a</p> <p>13 series of questions to see if you're familiar with</p> <p>14 any of the following categories of documents.</p> <p>15 You mentioned that you saw some loan</p> <p>16 documents.</p> <p>17 Do I have that right?</p> <p>18 A. Yes.</p> <p>19 Q. Would the loan documents that you have</p> <p>20 in mind be promissory notes?</p> <p>21 A. I'm not sure what the definition of a</p> <p>22 "promissory note" is.</p> <p>23 Q. Are you familiar with promissory notes</p> <p>24 generally?</p> <p>25 A. I'm familiar with notes, but I'm not</p>	<p style="text-align: right;">Page 81</p> <p>1 ALAN JOHNSON</p> <p>2 sure of the legal meaning of what a promissory</p> <p>3 note is.</p> <p>4 Q. I think you mentioned that certain of</p> <p>5 the loan documents that you saw referenced what</p> <p>6 I'll characterize as a roll-up of existing loans.</p> <p>7 Do I have that right?</p> <p>8 A. I saw that described, yes.</p> <p>9 Q. And was that – was there a schedule</p> <p>10 to the document entitled, I think, either</p> <p>11 Exhibit A or Schedule A that listed various loans,</p> <p>12 including the principal amount and the interest</p> <p>13 that was outstanding as of the date of the</p> <p>14 document?</p> <p>15 A. I've seen schedules like that, yes.</p> <p>16 Q. Okay.</p> <p>17 Other than – other than the documents</p> <p>18 with the schedules that – that you've just</p> <p>19 acknowledged seeing, do you recall seeing any</p> <p>20 other loan documents prior to today's deposition?</p> <p>21 A. If it's not on the list that we're</p> <p>22 looking at, I don't recall anything else.</p> <p>23 Q. Do you know where you got these</p> <p>24 documents – withdrawn.</p> <p>25 Who gave you these documents?</p>

<p style="text-align: right;">Page 82</p> <p>1 ALAN JOHNSON</p> <p>2 A. They're from the Stinson law firm.</p> <p>3 Q. And do you recall when the Stinson law</p> <p>4 firm gave you these documents?</p> <p>5 A. And "these documents" refer to prior</p> <p>6 to writing the report or recently?</p> <p>7 Q. I apologize. Great question.</p> <p>8 I'm only asking about the loan</p> <p>9 documents and the financial statements that you</p> <p>10 have testified to having received after the date</p> <p>11 of this report.</p> <p>12 A. I've received it from the law firm</p> <p>13 within the last week.</p> <p>14 Q. Did you – did you ask them for</p> <p>15 documents or did they give them to you of their</p> <p>16 own accord?</p> <p>17 A. I had asked them from documents prior</p> <p>18 to writing my report, and then I think we asked</p> <p>19 for documents getting ready for this deposition.</p> <p>20 Q. And what they gave you in response to</p> <p>21 your request were the loan documents with the</p> <p>22 schedule listing certain principal and interest</p> <p>23 due on the loans as well as, to the best of your</p> <p>24 recollection, financial statements for HCM, L.P.</p> <p>25 for around 2014 or '15 through around 2019. Is</p>	<p style="text-align: right;">Page 83</p> <p>1 ALAN JOHNSON</p> <p>2 that right?</p> <p>3 A. Yes.</p> <p>4 Q. Okay.</p> <p>5 At no time since the report was signed</p> <p>6 by you back in May has Mr. Dondero or anyone</p> <p>7 acting on his behalf given you any documents that</p> <p>8 describe the terms or existence of any loan</p> <p>9 forgiveness agreement, correct?</p> <p>10 A. I had a conversation with Mr. Dondero</p> <p>11 about the loan forgiveness program at Next Bank,</p> <p>12 but I had that conversation with him.</p> <p>13 Q. But has anybody given you since</p> <p>14 May 28, 2021 any documents that reflect the terms</p> <p>15 or existence of the loan forgiveness program</p> <p>16 that's referred to in your expert report?</p> <p>17 A. No.</p> <p>18 Q. Did the Stinson firm give you</p> <p>19 Highland's audited financial statements for 2008,</p> <p>20 '9, '10, '11, '12, or '13?</p> <p>21 A. Now – now you're testing me, and I'm</p> <p>22 just not sure. They provided them to me, and I'm</p> <p>23 just not sure.</p> <p>24 Q. Okay.</p> <p>25 Are you aware that</p>
<p style="text-align: right;">Page 84</p> <p>1 ALAN JOHNSON</p> <p>2 PricewaterhouseCoopers was Highland's outside</p> <p>3 auditors?</p> <p>4 A. I remember seeing PwC, yes.</p> <p>5 Q. Are you aware that PwC gave a</p> <p>6 deposition in this case after the date you had</p> <p>7 authored your report?</p> <p>8 A. I was not aware of that.</p> <p>9 Q. So is it fair to say that you've never</p> <p>10 seen PricewaterhouseCoopers' deposition</p> <p>11 transcript?</p> <p>12 A. I have not.</p> <p>13 Q. And is it fair to say that you have no</p> <p>14 knowledge about what, if anything,</p> <p>15 PricewaterhouseCoopers testified to in this case?</p> <p>16 A. I do not know.</p> <p>17 Q. Have you ever heard of a Dugaboy</p> <p>18 Investment Trust?</p> <p>19 A. Dugaboy? I don't believe so.</p> <p>20 Q. So is it fair to say you have no</p> <p>21 knowledge as to whether or not the Dugaboy</p> <p>22 Investment Trust testified in this case?</p> <p>23 A. I have no knowledge.</p> <p>24 Q. So it's fair to say that you've never</p> <p>25 seen a deposition transcript relating to any</p>	<p style="text-align: right;">Page 85</p> <p>1 ALAN JOHNSON</p> <p>2 testimony given on behalf of the Dugaboy</p> <p>3 Investment Trust, correct?</p> <p>4 A. I have not.</p> <p>5 Q. Have you ever heard of Frank</p> <p>6 Waterhouse?</p> <p>7 A. I don't believe so.</p> <p>8 Q. I'll try and refresh your</p> <p>9 recollection.</p> <p>10 Do you know whether Mr. Waterhouse</p> <p>11 served as Highland Capital Management, L.P.'s</p> <p>12 chief financial officer for the five-plus years</p> <p>13 prior to the petition date?</p> <p>14 A. Now I think you've refreshed my</p> <p>15 memory. I think I've seen the name, yes.</p> <p>16 Q. Do you know if – have you ever seen a</p> <p>17 deposition transcript of any testimony</p> <p>18 Mr. Waterhouse has given in this case?</p> <p>19 A. I have not.</p> <p>20 Q. Do you know whether Mr. Dondero has</p> <p>21 testified in this case?</p> <p>22 A. I – I've seen some deposition</p> <p>23 testimony for Mr. Dondero.</p> <p>24 Q. And when did you see the deposition</p> <p>25 testimony?</p>

<p style="text-align: right;">Page 86</p> <p>1 ALAN JOHNSON</p> <p>2 A. Within the last week.</p> <p>3 Q. Do you know if he testified – do you</p> <p>4 know when the deposition was?</p> <p>5 A. I don't recall.</p> <p>6 Q. Do you recall – did you actually see</p> <p>7 a transcript?</p> <p>8 A. I saw the transcript, yes.</p> <p>9 Q. Did you see one transcript or more</p> <p>10 than one transcript?</p> <p>11 A. Just one.</p> <p>12 Q. And do you know if that deposition</p> <p>13 took place in May or did that deposition take</p> <p>14 place more recently?</p> <p>15 A. I – I don't know.</p> <p>16 Q. Were you given – were you provided a</p> <p>17 copy of the entire transcript?</p> <p>18 A. I received an excerpt – I'm not sure.</p> <p>19 I focused on an excerpt, but I'm not sure if I</p> <p>20 received the whole transcript.</p> <p>21 Q. And were you directed to that</p> <p>22 particular excerpt that you looked at?</p> <p>23 A. Yes.</p> <p>24 Q. And who directed you to that excerpt?</p> <p>25 A. The Stinson law firm.</p>	<p style="text-align: right;">Page 87</p> <p>1 ALAN JOHNSON</p> <p>2 Q. And did the Stinson law firm direct</p> <p>3 you to any portion of the transcript other than</p> <p>4 that excerpt?</p> <p>5 A. No.</p> <p>6 Q. And how – how long was the excerpt?</p> <p>7 Was it a few lines or a few pages or –</p> <p>8 A. A few pages.</p> <p>9 Q. Okay.</p> <p>10 And can you recall generally what the</p> <p>11 excerpt was that was provided to you by the</p> <p>12 Stinson law firm?</p> <p>13 A. It revolved around the loans.</p> <p>14 Q. And do you remember the substance of</p> <p>15 the excerpt, like what about the loans were you</p> <p>16 being directed to review?</p> <p>17 A. It was Mr. Dondero's testimony around</p> <p>18 the constructing of these forgivable loans. It</p> <p>19 was – that was – that was the – those were the</p> <p>20 pages.</p> <p>21 Q. Do you recall the page numbers</p> <p>22 perhaps?</p> <p>23 A. Actually, I do. One was 143.</p> <p>24 Q. Okay. Any others?</p> <p>25 A. I read before that and after that, but</p>
<p style="text-align: right;">Page 88</p> <p>1 ALAN JOHNSON</p> <p>2 I think that was – that was – for some reason, I</p> <p>3 recall that number.</p> <p>4 Q. Have you received – withdrawn.</p> <p>5 Other than the loan documents and</p> <p>6 financial statements you've described as well as</p> <p>7 the excerpt from Mr. Dondero's deposition, have</p> <p>8 you received any information concerning</p> <p>9 Mr. Dondero's compensation that was produced by</p> <p>10 Highland after May 28, 2021?</p> <p>11 A. I recall there was a – an excel file</p> <p>12 that had some additional things on compensation.</p> <p>13 Yeah, I think there was an excel file that broke</p> <p>14 out, you know, different elements of compensation.</p> <p>15 Q. When did you receive that?</p> <p>16 A. Sometime in October.</p> <p>17 Q. Did you receive anything in October</p> <p>18 other than the Excel file that you've just</p> <p>19 described and the loan documents and financial</p> <p>20 statements and excerpt from Mr. Dondero's</p> <p>21 transcript?</p> <p>22 A. Not that I recall.</p> <p>23 Q. Do you recall anything about the Excel</p> <p>24 file?</p> <p>25 A. It had different elements of pay. It</p>	<p style="text-align: right;">Page 89</p> <p>1 ALAN JOHNSON</p> <p>2 had some of the different legal entities.</p> <p>3 I think that – I think that's all I</p> <p>4 remember.</p> <p>5 Q. Did that Excel file cause you to</p> <p>6 change in any way any of the opinions that are set</p> <p>7 forth in your report?</p> <p>8 A. No.</p> <p>9 Q. Did Mr. Dondero's deposition</p> <p>10 transcript excerpt cause to you change, modify, or</p> <p>11 amend in any way any of the opinions set forth in</p> <p>12 your report?</p> <p>13 A. No.</p> <p>14 Q. Other than the Excel file, did you</p> <p>15 receive any other documents that Highland has</p> <p>16 produced in this matter since the date you</p> <p>17 executed your expert report on May 28, 2021?</p> <p>18 A. No.</p> <p>19 MR. MORRIS: If we can go to page 5 of</p> <p>20 the report, we still have it up on the</p> <p>21 screen here.</p> <p>22 Q. Do you see where it says, "Facts and</p> <p>23 Data Considered"?</p> <p>24 A. Yes.</p> <p>25 Q. Okay.</p>

<p style="text-align: right;">Page 90</p> <p>1 ALAN JOHNSON</p> <p>2 In the first sentence, you wrote, "in</p> <p>3 preparing this report, I've considered certain</p> <p>4 documents provided to me, interviews with</p> <p>5 Mr. Dondero, and former Highland or affiliate</p> <p>6 employees."</p> <p>7 Do you see that?</p> <p>8 A. Yes.</p> <p>9 Q. When did you interview Mr. Dondero?</p> <p>10 A. Probably early May, early May of this</p> <p>11 year.</p> <p>12 Q. Is that the only time you've</p> <p>13 communicated with him directly concerning this</p> <p>14 case?</p> <p>15 A. I think I mentioned earlier I talked</p> <p>16 to him about the Next Bank – in the last week</p> <p>17 about the Next Bank loans, and then I talked to</p> <p>18 him prior to this report.</p> <p>19 I think those are the only times.</p> <p>20 Q. And did you speak with him on the</p> <p>21 phone? Did you meet with him in person or some</p> <p>22 other form of communication?</p> <p>23 A. Didn't – it was not in person. It</p> <p>24 was either a phone call or Zoom. I don't recall.</p> <p>25 Q. Do you recall how many phone calls or</p>	<p style="text-align: right;">Page 91</p> <p>1 ALAN JOHNSON</p> <p>2 Zoom calls you had with Mr. Dondero for the</p> <p>3 purpose of interviewing him, as stated in the</p> <p>4 first sentence of the Facts and Data Considered?</p> <p>5 A. Prior to this report, I think I talked</p> <p>6 to him three times, I believe.</p> <p>7 Q. And was anybody – did anybody</p> <p>8 participate in those Zoom or telephone calls</p> <p>9 besides you and Mr. Dondero?</p> <p>10 A. There would have been someone from the</p> <p>11 Stinson law firm and likely my colleague,</p> <p>12 Mr. Perniciaro, would have been on the call as</p> <p>13 well.</p> <p>14 Q. Do you know approximately what the</p> <p>15 total time you spent speaking with Mr. Dondero was</p> <p>16 before you prepared this report?</p> <p>17 Was it an hour or three hours?</p> <p>18 A. Probably an hour and a half.</p> <p>19 Q. So about 90 minutes.</p> <p>20 Do you recall – did you ask to</p> <p>21 interview him or did the Stinson firm suggest that</p> <p>22 you should speak with him?</p> <p>23 A. I suggested talking to him.</p> <p>24 Q. Okay.</p> <p>25 Do you recall what he told you during</p>
<p style="text-align: right;">Page 92</p> <p>1 ALAN JOHNSON</p> <p>2 this interview?</p> <p>3 A. We talked about his duties,</p> <p>4 responsibilities, went into what he – what he was</p> <p>5 involved in going back in time to the current, his</p> <p>6 duties, how he ran the firm. So we spent a fair</p> <p>7 amount of time talking about that.</p> <p>8 Talked about the different – these</p> <p>9 loans and the purpose of the loans, his philosophy</p> <p>10 around the loans.</p> <p>11 I think those were the two broad –</p> <p>12 the two broad categories.</p> <p>13 Q. Did he describe for you in any way the</p> <p>14 agreement that was entered into in late 2018,</p> <p>15 early 2019 relating to the forgiveness of the</p> <p>16 loans?</p> <p>17 A. Yes. Yes, he did.</p> <p>18 Q. What did he tell you about that?</p> <p>19 A. He said that the – the structure to</p> <p>20 reward him for a successful transaction with one</p> <p>21 of these three portfolio investments, that was the</p> <p>22 purpose, that loans had been used in the company</p> <p>23 in the past, that the loans were – had always</p> <p>24 intended to be forgiven, and this was simply</p> <p>25 codifying and structured the intent of the loans</p>	<p style="text-align: right;">Page 93</p> <p>1 ALAN JOHNSON</p> <p>2 all along.</p> <p>3 Q. Did he identify who the decision maker</p> <p>4 was who acted on behalf of the company?</p> <p>5 A. He – I don't believe that came up. I</p> <p>6 don't recall hearing that.</p> <p>7 Q. Did you ask him any questions that</p> <p>8 you – your gut told you he wasn't able to answer</p> <p>9 completely?</p> <p>10 A. No. I thought he was candid. I</p> <p>11 thought he was straightforward. I didn't – the</p> <p>12 questioning that I had with him, I didn't find –</p> <p>13 he answered the questions I had about both his</p> <p>14 role and the – how these loans were intended to</p> <p>15 operate.</p> <p>16 Q. Did he tell you that under the</p> <p>17 agreement he entered into with the decision maker,</p> <p>18 the loans would be forgiven if the assets were</p> <p>19 sold not by him but by a third party?</p> <p>20 A. I don't – I don't recall that, no.</p> <p>21 Q. It doesn't say that in your report,</p> <p>22 does it?</p> <p>23 A. It does not.</p> <p>24 Q. And you don't recall him specifically</p> <p>25 telling you that one of the terms of the agreement</p>

<p style="text-align: right;">Page 94</p> <p>1 ALAN JOHNSON</p> <p>2 was that all of the loans subject to the agreement</p> <p>3 would be forgiven if any of the three assets were</p> <p>4 sold by a third party. Is that fair?</p> <p>5 A. We didn't get into that, no.</p> <p>6 Q. And he didn't tell you that, correct?</p> <p>7 A. No.</p> <p>8 Q. Do your opinions rely on anything that</p> <p>9 Mr. Dondero told you?</p> <p>10 A. Certainly, the – his role was in –</p> <p>11 my opinion on what his role was, which formed the</p> <p>12 compensation thing, is influenced by what he said</p> <p>13 about this role. So yes, it impacted that, you</p> <p>14 know, part of the report.</p> <p>15 Q. Okay.</p> <p>16 So other than his role and his duties</p> <p>17 and responsibilities, is there anything else that</p> <p>18 Mr. Dondero told you during the interview that you</p> <p>19 have relied upon in formulating your opinions?</p> <p>20 A. I don't believe so.</p> <p>21 Q. How many former Highland or affiliate</p> <p>22 employees did you interview?</p> <p>23 A. I interviewed four.</p> <p>24 Q. Do you recall the names of any of</p> <p>25 them?</p>	<p style="text-align: right;">Page 95</p> <p>1 ALAN JOHNSON</p> <p>2 A. Adkins, Hurley, Lawlor, and Cote.</p> <p>3 Q. When did you interview those</p> <p>4 individuals?</p> <p>5 A. Probably early May of this year.</p> <p>6 Q. Do you have any notes from those</p> <p>7 interviews?</p> <p>8 A. I do not.</p> <p>9 Q. Do you know if your colleague has any</p> <p>10 notes from those interviews?</p> <p>11 A. I don't think so.</p> <p>12 Q. Do you know if there's any written</p> <p>13 record at all of the interviews you conducted with</p> <p>14 those former Highland or affiliate employees?</p> <p>15 A. I don't believe so.</p> <p>16 Q. Did you speak to them all at one time</p> <p>17 or did you speak to them individually?</p> <p>18 A. Individually over a few days.</p> <p>19 Q. Let's take them one at a time.</p> <p>20 Mr. Adkins, do you recall the</p> <p>21 substance of what Mr. Adkins told you?</p> <p>22 A. The substance of the four interviews</p> <p>23 were very similar. They described his role. They</p> <p>24 described their experiences with loans. So the –</p> <p>25 the comments from the four were very similar.</p>
<p style="text-align: right;">Page 96</p> <p>1 ALAN JOHNSON</p> <p>2 Q. So I apologize, I wasn't writing fast</p> <p>3 enough.</p> <p>4 A. I'm sorry –</p> <p>5 Q. I have Adkins –</p> <p>6 A. – I apologize.</p> <p>7 Q. I have Mr. Adkins, Mr. Lawlor, and who</p> <p>8 were the other two?</p> <p>9 A. Mr. Hurley and Mr. Cote.</p> <p>10 I believe those are the names.</p> <p>11 Q. Did any of them tell you – withdrawn.</p> <p>12 Did all of them tell you that they had</p> <p>13 obtained loans from Highland which were</p> <p>14 subsequently forgiven in whole or in part?</p> <p>15 A. I believe so.</p> <p>16 Q. Did any of them tell you how much</p> <p>17 money was forgiven?</p> <p>18 A. We talked about that, yes. They</p> <p>19 described the amounts.</p> <p>20 Q. Okay.</p> <p>21 What amounts do you recall being</p> <p>22 described as having been forgiven by Highland?</p> <p>23 A. It was in the hundreds of thousands.</p> <p>24 Q. Did any of them tell you that they had</p> <p>25 ever had a loan from Highland that was forgiven in</p>	<p style="text-align: right;">Page 97</p> <p>1 ALAN JOHNSON</p> <p>2 an amount equal to or more than \$500,000?</p> <p>3 A. They were a little sketchy on the</p> <p>4 exact amounts, but my impression, they ranged</p> <p>5 from, say, a quarter million to maybe \$500,000 or</p> <p>6 a little more. That – that was their</p> <p>7 recollections.</p> <p>8 Q. Did – did you learn from these four</p> <p>9 interviews when the last of these loans was</p> <p>10 forgiven?</p> <p>11 A. Probably 8 or 10 years ago.</p> <p>12 Q. Did anybody – withdrawn.</p> <p>13 Did any of the four of them inform you</p> <p>14 that Highland had forgiven any loans to any</p> <p>15 officer or employee in the last 8 to 10 years?</p> <p>16 A. I don't recall them saying that, no.</p> <p>17 Q. Did you – do you recall asking them</p> <p>18 when was the last loan that Highland ever forgave?</p> <p>19 A. I don't believe I asked that question.</p> <p>20 Q. And as you sit here right now, you</p> <p>21 have no knowledge as to when the last loan that</p> <p>22 Highland gave that was forgiven in whole or in</p> <p>23 part, correct?</p> <p>24 A. I don't have that knowledge, no.</p> <p>25 Q. Other than the loans that were</p>

<p style="text-align: right;">Page 98</p> <p>1 ALAN JOHNSON</p> <p>2 described for you by these four individuals, can</p> <p>3 you identify any other loan that Highland has ever</p> <p>4 forgiven?</p> <p>5 A. I don't have any other knowledge, no.</p> <p>6 Q. Did any of these four individuals give</p> <p>7 you any documents relating to any aspect of your</p> <p>8 report?</p> <p>9 A. No.</p> <p>10 Q. Did any of them give you any documents</p> <p>11 that would substantiate the information that they</p> <p>12 provided to you during the interview?</p> <p>13 A. They didn't provide any documents, no.</p> <p>14 Q. Did you ask them if they had any</p> <p>15 documents to substantiate what you were told?</p> <p>16 A. Yes. Yes, I did.</p> <p>17 Q. And they told you that they didn't</p> <p>18 have any.</p> <p>19 Do I have that right?</p> <p>20 A. Yes, that's right.</p> <p>21 Q. I think you testified that you do not</p> <p>22 know who the decision maker was who entered into</p> <p>23 the agreement with Mr. Dondero in late 2018 or</p> <p>24 early 2019 with respect to the forgiveness of the</p> <p>25 loans.</p>	<p style="text-align: right;">Page 99</p> <p>1 ALAN JOHNSON</p> <p>2 Do I have that right?</p> <p>3 A. When I interviewed Mr. Dondero, I did</p> <p>4 not – that didn't come up.</p> <p>5 Q. So I'm going to represent to you that</p> <p>6 it's in the pleading that Mr. Dondero entered into</p> <p>7 the agreement with his sister Nancy, who was the</p> <p>8 trustee of the Dugaboy Investment Trust who</p> <p>9 purportedly holds a majority of Highland's</p> <p>10 interests.</p> <p>11 Is that new information for you?</p> <p>12 A. Yes, it is.</p> <p>13 Q. Have you ever heard of Nancy Dondero</p> <p>14 before?</p> <p>15 A. I had heard her name just because</p> <p>16 there's attorneys representing her. That's all</p> <p>17 I – that's all I know.</p> <p>18 Q. You weren't aware until I just told</p> <p>19 you that she's the person who entered into the</p> <p>20 agreement with Mr. Dondero concerning --</p> <p>21 withdrawn.</p> <p>22 You didn't know until I just told you</p> <p>23 that Nancy Dondero, as the trustee for the Dugaboy</p> <p>24 Investment Trust, as the holder of a majority of</p> <p>25 interests of Highland, is the person who entered</p>
<p style="text-align: right;">Page 100</p> <p>1 ALAN JOHNSON</p> <p>2 into the agreement with Mr. Dondero?</p> <p>3 A. If your assertion is true, then I --</p> <p>4 then I -- I did not know that.</p> <p>5 Q. Okay.</p> <p>6 And is it fair to say then that you</p> <p>7 don't know that she was deposed in this case?</p> <p>8 A. I don't believe I knew that, no.</p> <p>9 Q. And is it fair to say that you've</p> <p>10 never seen her deposition transcript, if one</p> <p>11 exists?</p> <p>12 A. I have not seen it.</p> <p>13 Q. Did you ever ask to speak with the</p> <p>14 decision maker?</p> <p>15 A. No, I did not.</p> <p>16 Q. And is that because -- why -- why</p> <p>17 didn't you ask to speak with the decision maker?</p> <p>18 A. My assignment here was to talk about</p> <p>19 practice, you know, in the industry of using loans</p> <p>20 and other things. It was not to -- I was not</p> <p>21 asked to assess these particular loans.</p> <p>22 So if the assignment had been to -- to</p> <p>23 assess the reasonableness or fairness, then I</p> <p>24 certainly would have done other things, but that</p> <p>25 was not the assignment here.</p>	<p style="text-align: right;">Page 101</p> <p>1 ALAN JOHNSON</p> <p>2 Q. Okay.</p> <p>3 And can you -- can you be as specific</p> <p>4 as you can as to what the assignment was?</p> <p>5 A. Well, in addition to coming up with a</p> <p>6 market compensation, in the report, I said the</p> <p>7 assignment was to talk about the practice and --</p> <p>8 of using loans and forgivable loans and, you know,</p> <p>9 financial services firms, but it was not to assess</p> <p>10 the reasonableness of -- the specific</p> <p>11 reasonableness of this particular transaction.</p> <p>12 Q. Okay.</p> <p>13 And you're not offering any opinion as</p> <p>14 to the reasonableness of the agreement that</p> <p>15 Mr. Dondero entered into with the Dugaboy</p> <p>16 Investment Trust concerning the forgiveness of any</p> <p>17 loans. Is that fair?</p> <p>18 A. I'm not -- I'm not putting that forth,</p> <p>19 no.</p> <p>20 Q. And you're not offering any opinions</p> <p>21 as to whether or not such an agreement exists,</p> <p>22 correct?</p> <p>23 A. No, I am not.</p> <p>24 Q. You're not offering any opinions as to</p> <p>25 whether or not it would have been appropriate for</p>

<p style="text-align: right;">Page 102</p> <p>1 ALAN JOHNSON</p> <p>2 the company to enter into a loan forgiveness</p> <p>3 program under the facts and circumstances that</p> <p>4 existed at the time, correct?</p> <p>5 A. That's right.</p> <p>6 Q. And you're not offering any opinion</p> <p>7 that the loan forgiveness program that Mr. Dondero</p> <p>8 entered into is consistent with industry</p> <p>9 standards, are you?</p> <p>10 A. No, I'm not.</p> <p>11 Q. Okay.</p> <p>12 What you are doing is you're -- you're</p> <p>13 making an assessment of what comparable executives</p> <p>14 earn in the industry. Is that fair?</p> <p>15 A. That's part of it, and then the</p> <p>16 second, as I mentioned, just the use of such loans</p> <p>17 within the industry and, you know, within</p> <p>18 Highland.</p> <p>19 Q. Okay.</p> <p>20 But you're not offering any opinion as</p> <p>21 to whether or not -- withdrawn.</p> <p>22 We'll keep going.</p> <p>23 You have no information about what</p> <p>24 diligence, if any, the decision maker conducted</p> <p>25 prior to entering into the agreement with</p>	<p style="text-align: right;">Page 103</p> <p>1 ALAN JOHNSON</p> <p>2 Mr. Dondero in late 2018 or early 2019, correct?</p> <p>3 A. I do not.</p> <p>4 Q. And you're not offering any opinion as</p> <p>5 to whether or not the diligence that was done by</p> <p>6 that person was sufficient, correct?</p> <p>7 A. I'm not making that opinion, no.</p> <p>8 Q. And you don't have any information</p> <p>9 about the skill set or the experience of the</p> <p>10 decision maker, fair?</p> <p>11 A. I do not.</p> <p>12 Q. And you're not offering any opinion as</p> <p>13 to the skill set or the experience of the decision</p> <p>14 maker who entered into this alleged agreement on</p> <p>15 behalf of Highland, correct?</p> <p>16 A. I am not.</p> <p>17 MR. MORRIS: Let's go to page 3 of</p> <p>18 your report, please.</p> <p>19 So this is the introduction, right?</p> <p>20 So this is the very first substantive page</p> <p>21 of the report, is that right?</p> <p>22 A. Yes.</p> <p>23 Q. Okay.</p> <p>24 If you take a look near the end of the</p> <p>25 first paragraph, there's a sentence that reads,</p>
<p style="text-align: right;">Page 104</p> <p>1 ALAN JOHNSON</p> <p>2 "Throughout this period, he received loans in lieu</p> <p>3 of additional current compensation."</p> <p>4 Do you see that?</p> <p>5 A. Yes.</p> <p>6 Q. Have I read that correctly?</p> <p>7 A. Yes.</p> <p>8 Q. Why did you include that sentence in</p> <p>9 your report?</p> <p>10 A. I -- Mr. Dondero described these loans</p> <p>11 as -- as a practice of, in lieu of paying</p> <p>12 compensation, these loans were -- these loans were</p> <p>13 made.</p> <p>14 Q. What information were you given that</p> <p>15 you relied upon in order to make the statement</p> <p>16 that I just read into the record?</p> <p>17 A. Well, I interviewed Mr. Dondero, and</p> <p>18 then I talked to the four prior Highland</p> <p>19 executives.</p> <p>20 Q. Now, you told me that the four prior</p> <p>21 Highland executives described for you certain</p> <p>22 loans that they had received that had been</p> <p>23 forgiven in whole or in part by Highland.</p> <p>24 Do I have that right?</p> <p>25 A. Yes.</p>	<p style="text-align: right;">Page 105</p> <p>1 ALAN JOHNSON</p> <p>2 Q. Did any of them give you any</p> <p>3 information to support the statement that</p> <p>4 throughout this period Mr. Dondero received loans</p> <p>5 in lieu of additional current compensation or is</p> <p>6 that information that came exclusively from</p> <p>7 Mr. Dondero?</p> <p>8 A. They described a practice at the</p> <p>9 company of using these loans as a -- a form of</p> <p>10 deferred pay, so they described it -- it was not</p> <p>11 only them, but it applied to others, and then when</p> <p>12 I interviewed Mr. Dondero, his testimony -- his</p> <p>13 comments to me were consistent with that.</p> <p>14 Q. Okay.</p> <p>15 Did any of the four former employees</p> <p>16 specifically tell you that Mr. Dondero had ever</p> <p>17 received loans in lieu of additional current</p> <p>18 compensation or did they just describe a general</p> <p>19 practice that applied to others?</p> <p>20 A. I think they were describing the</p> <p>21 general practice.</p> <p>22 Q. Okay.</p> <p>23 So did anybody other than Mr. Dondero</p> <p>24 tell you that "Throughout this period, he received</p> <p>25 loans in lieu of additional current compensation"?</p>

<p style="text-align: right;">Page 106</p> <p>1 ALAN JOHNSON</p> <p>2 A. I don't believe so.</p> <p>3 Q. Do you have any information at all to</p> <p>4 support the statement that throughout this period,</p> <p>5 Mr. Dondero received loans in lieu of additional</p> <p>6 current compensation other than what Mr. Dondero</p> <p>7 specifically told you?</p> <p>8 A. For him specifically, it's relying on</p> <p>9 what Mr. Dondero said.</p> <p>10 Q. Okay.</p> <p>11 You haven't seen any documents that</p> <p>12 support that statement, do you – did you?</p> <p>13 A. I have not – I have not seen any</p> <p>14 documents, no.</p> <p>15 Q. Would your opinions change if you</p> <p>16 learned that for at least the 11 years prior to</p> <p>17 the bankruptcy filing, Mr. Dondero never received</p> <p>18 a single loan in lieu of compensation?</p> <p>19 A. I'm – I don't understand the</p> <p>20 question. I'm sorry.</p> <p>21 Q. This is the first paragraph of your</p> <p>22 expert report that we're looking at, right?</p> <p>23 What if I told you that the sentence</p> <p>24 "Throughout this period, he received loans in lieu</p> <p>25 of additional current compensation" was false at</p>	<p style="text-align: right;">Page 107</p> <p>1 ALAN JOHNSON</p> <p>2 least going back as far as 2008, would you want to</p> <p>3 amend your report in any way?</p> <p>4 A. Well, then the sentence wouldn't be</p> <p>5 true if the loans weren't a form of deferred</p> <p>6 compensation.</p> <p>7 So if the facts changed, then the</p> <p>8 report would need to be changed.</p> <p>9 Q. So let me state it a different way.</p> <p>10 Would your opinions change if you</p> <p>11 assume that in the 11 years prior to the</p> <p>12 bankruptcy filing Highland never forgave any loan</p> <p>13 in whole or in part that it had extended to</p> <p>14 Mr. Dondero.</p> <p>15 MR. AIGEN: Objection, form.</p> <p>16 A. No, I don't – I don't think that – I</p> <p>17 don't think that sentence would change that, no.</p> <p>18 Q. Okay.</p> <p>19 I'm not talking about the sentence</p> <p>20 itself, but if I could prove to you today that</p> <p>21 there's no written record of Highland ever</p> <p>22 forgiving a loan to Mr. Dondero, would that have</p> <p>23 an impact at all on your opinions?</p> <p>24 A. I don't think the written record would</p> <p>25 change my opinion. I think he – he had stated to</p>
<p style="text-align: right;">Page 108</p> <p>1 ALAN JOHNSON</p> <p>2 me that the – the – that a lot of these loans</p> <p>3 were made as a form of deferred compensation with</p> <p>4 the intent to be forgiven at some point in the</p> <p>5 future.</p> <p>6 Q. All right. I'm going to ask you to</p> <p>7 assume the following facts: For the 11 years</p> <p>8 prior to the petition date, other than the three</p> <p>9 loans that were outstanding as of the petition</p> <p>10 date, Mr. Dondero received three loans from</p> <p>11 Highland. Okay?</p> <p>12 So that's assumption No. 1, that</p> <p>13 between 2008 and 2019, Mr. Dondero received three</p> <p>14 loans from Highland.</p> <p>15 Assumption No. 2, that Mr. Dondero</p> <p>16 paid Highland all principal and interest due under</p> <p>17 all three loans.</p> <p>18 Assumption No. 3: The last of those</p> <p>19 three loans was taken out in January 2018 and was</p> <p>20 paid back in full plus interest in December 2019.</p> <p>21 The next assumption: Mr. Dondero has</p> <p>22 testified that any loan that Highland actually</p> <p>23 forgave would be described in Highland's audited</p> <p>24 financial statements and that in those financial</p> <p>25 statements going back to 2008, there's no</p>	<p style="text-align: right;">Page 109</p> <p>1 ALAN JOHNSON</p> <p>2 description of any loan ever being given to</p> <p>3 Mr. Dondero that was forgiven in whole or in part.</p> <p>4 Do you remember all those assumptions?</p> <p>5 A. I believe so.</p> <p>6 Q. Okay.</p> <p>7 If you assume that each of those</p> <p>8 assumptions is, in fact, true, would you have any</p> <p>9 basis at all to conclude that Mr. Dondero received</p> <p>10 loans in lieu of additional compensation in the</p> <p>11 decade before Highland filed for bankruptcy?</p> <p>12 MR. AIGEN: Objection, form.</p> <p>13 A. Well, in trying to answer the</p> <p>14 question, the – I think a lot of the loans here,</p> <p>15 as I recall, were for different entities and</p> <p>16 different, you know, amounts and situations.</p> <p>17 So if – if the – either hypothetical</p> <p>18 or the assumptions we're making here, that the</p> <p>19 loans eventually were not forgiven, I don't know</p> <p>20 if the – they were intended to be forgiven and</p> <p>21 just weren't or we're talking about other loans</p> <p>22 that are outside the three that you – that you</p> <p>23 mentioned.</p> <p>24 Q. Is it fair to say that neither</p> <p>25 Mr. Dondero nor the Stinson firm ever shared with</p>

<p style="text-align: right;">Page 110</p> <p>1 ALAN JOHNSON</p> <p>2 you the fact that Mr. Dondero had received three</p> <p>3 loans that are not the subject of this litigation?</p> <p>4 A. I was aware that I believe there were</p> <p>5 loans that were not subject to litigation that had</p> <p>6 been paid off or other types of things. I was</p> <p>7 aware of that.</p> <p>8 Q. How did you learn that?</p> <p>9 A. I think I've seen materials that</p> <p>10 listed loans that showed principals paid off and</p> <p>11 so forth, but I think I've been – I know they</p> <p>12 were loans – I believe I recall that they were</p> <p>13 loans outside of what's being disputed.</p> <p>14 Q. I'm sorry.</p> <p>15 A. No, I was done. I'm sorry.</p> <p>16 Q. Did you ever discuss that with</p> <p>17 Mr. Dondero?</p> <p>18 A. I did not.</p> <p>19 Q. Do you have any knowledge as to why he</p> <p>20 paid back some loans and others were supposed to</p> <p>21 be treated as compensation?</p> <p>22 A. I do not know.</p> <p>23 Q. Is there any reason you didn't</p> <p>24 disclose in your report that Mr. Dondero had</p> <p>25 received loans that he had paid back?</p>	<p style="text-align: right;">Page 111</p> <p>1 ALAN JOHNSON</p> <p>2 A. I didn't think it was relevant.</p> <p>3 Q. Did you ever ask Mr. Dondero how he</p> <p>4 reconciled the payment of principal and interest</p> <p>5 due on the notes prior to the petition date but</p> <p>6 his treatment of the notes pursuant to the</p> <p>7 agreement that's been described to you?</p> <p>8 A. I did not.</p> <p>9 Q. Are you curious at all as to why he</p> <p>10 paid off some of the notes but not others?</p> <p>11 MR. AIGEN: Objection, form.</p> <p>12 A. Yeah, I'm probably curious. It's</p> <p>13 convoluted enough, I'm a curious person, so yeah,</p> <p>14 I'd probably be curious to understand all the ins</p> <p>15 and outs.</p> <p>16 Q. Did it cause you any discomfort that</p> <p>17 Mr. Dondero paid certain loans off in full but the</p> <p>18 only loans that he didn't pay off in full were the</p> <p>19 loans that existed as of the petition date?</p> <p>20 MR. AIGEN: Objection, form.</p> <p>21 A. Well, isn't that by definition true?</p> <p>22 If they've already been paid off, they couldn't</p> <p>23 exist as of the petition date, right?</p> <p>24 Isn't that just – am I missing</p> <p>25 something?</p>
<p style="text-align: right;">Page 112</p> <p>1 ALAN JOHNSON</p> <p>2 Q. Well, you told me that, from the</p> <p>3 review of the documents, you understood that there</p> <p>4 were loans that Mr. Dondero had taken out that had</p> <p>5 been paid off in full. Is that right?</p> <p>6 A. Yes, I recall that I was aware that</p> <p>7 there were loans that had been paid off. I was</p> <p>8 aware of that.</p> <p>9 Q. And so paying back the loans is</p> <p>10 certainly not – would you agree with me that if</p> <p>11 he – that if he was paying back the loans, then</p> <p>12 he didn't receive the loans in lieu of additional</p> <p>13 current compensation?</p> <p>14 A. Yeah, when I wrote the report, maybe I</p> <p>15 should have parsed out that, but I think I was</p> <p>16 focusing on that there were loans that were</p> <p>17 deferred compensation.</p> <p>18 I guess what we're saying is there may</p> <p>19 have been other loans that were not deferred</p> <p>20 compensation. They were more run-of-the-mill</p> <p>21 obligations, so if that's the point we're making,</p> <p>22 but I think what I was trying to address here,</p> <p>23 that there were loans made that were intended to</p> <p>24 be deferred compensation.</p> <p>25 Q. And the only basis that you have for</p>	<p style="text-align: right;">Page 113</p> <p>1 ALAN JOHNSON</p> <p>2 that statement is what Mr. Dondero told you,</p> <p>3 correct?</p> <p>4 A. For himself, that is true, and then</p> <p>5 the other four executives provided a little bit of</p> <p>6 history on the use of such loans within the</p> <p>7 company.</p> <p>8 Q. And it didn't concern you at all that</p> <p>9 certain loans were paid back and that certain</p> <p>10 loans, according to Mr. Dondero, are subject to</p> <p>11 this agreement that he entered into with the</p> <p>12 company?</p> <p>13 A. I think that would be something that</p> <p>14 if – certainly, I would have asked him about, but</p> <p>15 that certainly would be something to – to discuss</p> <p>16 with him, yes.</p> <p>17 Q. But you haven't done that as of today,</p> <p>18 correct?</p> <p>19 A. I have not.</p> <p>20 Q. And nobody has explained to you why he</p> <p>21 paid back certain loans but certain other loans</p> <p>22 were supposed to be provided in lieu of additional</p> <p>23 current compensation, right?</p> <p>24 A. That's right.</p> <p>25 Q. Okay.</p>

<p style="text-align: right;">Page 114</p> <p>1 ALAN JOHNSON</p> <p>2 The next sentence in this paragraph</p> <p>3 says – and I just want to make sure that I'm</p> <p>4 quoting this correctly – "Consistent with company</p> <p>5 practice, the loans were considered a form of</p> <p>6 deferred compensation that could be realized over</p> <p>7 time as the loans were forgiven and the income</p> <p>8 recognized by the individuals."</p> <p>9 Have I read that correctly?</p> <p>10 A. Yes.</p> <p>11 Q. Why did you include that sentence in</p> <p>12 your report?</p> <p>13 A. Well, from talking to the four former</p> <p>14 executives and himself, he described a company</p> <p>15 practice of having using loans as deferred</p> <p>16 compensation. In his words, it was called</p> <p>17 "delayed gratification."</p> <p>18 So you had these loans that were</p> <p>19 intended to provide capital to invest in the</p> <p>20 business, and they would eventually be forgiven</p> <p>21 and then the income would be recognized by the</p> <p>22 individual.</p> <p>23 So the four of them and himself had</p> <p>24 described a company practice of using these loans</p> <p>25 to – you know, as a form of deferred</p>	<p style="text-align: right;">Page 115</p> <p>1 ALAN JOHNSON</p> <p>2 compensation.</p> <p>3 Q. And that practice is very important to</p> <p>4 your opinions, right?</p> <p>5 A. Well, it – it – as I said earlier,</p> <p>6 my opinion is about the use of loans in private</p> <p>7 financial services companies and what his market</p> <p>8 value, his compensation, would be.</p> <p>9 Q. But actually, the practice that was</p> <p>10 described to you by Mr. Dondero and these four</p> <p>11 former employees, you relied upon to determine</p> <p>12 that Highland had a practice and that the</p> <p>13 forgiveness of the loans in this instance would be</p> <p>14 consistent with that practice. Is that right?</p> <p>15 A. That's right.</p> <p>16 MR. MORRIS: Let's turn to page 16 of</p> <p>17 the report.</p> <p>18 Q. This is your conclusion, right?</p> <p>19 A. Yes.</p> <p>20 Q. And in the middle, it says,</p> <p>21 "Additionally, it is my opinion that the loans</p> <p>22 provided to Mr. Dondero should be considered</p> <p>23 potential deferred compensation as they were</p> <p>24 similar to loans given to other professionals at</p> <p>25 the firm."</p>
<p style="text-align: right;">Page 116</p> <p>1 ALAN JOHNSON</p> <p>2 Have I read that correctly?</p> <p>3 A. Yes.</p> <p>4 Q. And is the information that supports</p> <p>5 your opinion in that sentence based solely on what</p> <p>6 was told to you by Mr. Dondero and the four</p> <p>7 individuals?</p> <p>8 A. Yes.</p> <p>9 Q. You have no documents that support</p> <p>10 that sentence. Is that correct?</p> <p>11 A. That's correct.</p> <p>12 Q. And I assume, as a dutiful expert, you</p> <p>13 asked for any documentation that might concern or</p> <p>14 relate to the prior practice. Is that right?</p> <p>15 A. That's right.</p> <p>16 Q. Just looking at the sentence itself,</p> <p>17 what do you mean by the loans being "similar to</p> <p>18 loans given to other professionals at the firm"?</p> <p>19 A. Just that they would be forgiven. I</p> <p>20 mean that deferred compensation at some point</p> <p>21 would be – would be forgiven.</p> <p>22 Q. They're certainly not similar in</p> <p>23 amount. Is that fair?</p> <p>24 A. No. They're much larger.</p> <p>25 Q. In fact, I think you testified that</p>	<p style="text-align: right;">Page 117</p> <p>1 ALAN JOHNSON</p> <p>2 the largest loan you have been informed has ever</p> <p>3 been forgiven was \$500,000 or thereabouts.</p> <p>4 Do I have that right?</p> <p>5 A. That's what I'm aware of, yes.</p> <p>6 Q. And Mr. Dondero has told you that</p> <p>7 there's 40 to \$50 million in loans that he</p> <p>8 contends are the subject of an agreement?</p> <p>9 A. I don't know if he told me the 40 to</p> <p>10 50 million, but I think I've seen that in various</p> <p>11 spreadsheets or numbers. That's the number I</p> <p>12 believe – at least that I recall that's in</p> <p>13 dispute.</p> <p>14 Q. So is it fair to say that the</p> <p>15 aggregate value of the loans that are the subject</p> <p>16 to the agreement that Mr. Dondero described for</p> <p>17 you concern loans that are 80 to 100 times larger</p> <p>18 than the largest loan you have been told has ever</p> <p>19 been forgiven by Highland?</p> <p>20 A. It is much – it is much large than</p> <p>21 any loan I'm familiar with, yes.</p> <p>22 Q. Did anybody ever tell you that</p> <p>23 Highland had ever forgiven a loan made to a</p> <p>24 corporate affiliate?</p> <p>25 A. That, I'm not aware of, no.</p>

<p style="text-align: right;">Page 118</p> <p>1 ALAN JOHNSON</p> <p>2 Q. So there's nothing similar about the</p> <p>3 loans that were given to the corporate affiliates</p> <p>4 as compared to the loans that were forgiven for</p> <p>5 the four individuals you spoke with. Is that</p> <p>6 correct?</p> <p>7 MR. AIGEN: Objection, form.</p> <p>8 MR. MORRIS: Withdrawn. That's a fair</p> <p>9 objection.</p> <p>10 Q. The four individuals that you spoke</p> <p>11 with, they described for you loans that had been</p> <p>12 given to individuals. Is that right?</p> <p>13 A. Yes.</p> <p>14 Q. But the loan documents that you saw</p> <p>15 that had those schedules of loans that were being</p> <p>16 rolled up, all of those loans related to corporate</p> <p>17 entities. Isn't that right?</p> <p>18 A. No. I think I mentioned before, I</p> <p>19 didn't really focus on that. I looked at the</p> <p>20 loans themselves. So I did not actually focus on</p> <p>21 the corporate entities in my perusal of those</p> <p>22 documents.</p> <p>23 Q. Would there be any difference in your</p> <p>24 expert opinion as to whether or not the loan was</p> <p>25 given to an individual or given to a corporate</p>	<p style="text-align: right;">Page 119</p> <p>1 ALAN JOHNSON</p> <p>2 entity?</p> <p>3 A. Usually it would, but in these closely</p> <p>4 held corporations, often they're synonymous, so it</p> <p>5 really would depend on the circumstances.</p> <p>6 Q. Let's -- let's spend some time looking</p> <p>7 at the documentation that we have that's been</p> <p>8 produced in this case concerning this company</p> <p>9 practice.</p> <p>10 MR. MORRIS: And so I'd like to put up</p> <p>11 on the screen what's been marked as --</p> <p>12 premarked as Exhibit 63, which is Highland's</p> <p>13 2008 audited financial statements.</p> <p>14 (Exhibit 63, Highland's 2008 audited</p> <p>15 financial statements, was marked for</p> <p>16 identification at this time.)</p> <p>17 BY MR. MORRIS:</p> <p>18 Q. And I'd like you, as we go through</p> <p>19 this exercise, Mr. Johnson, to take notes of all</p> <p>20 of the loans that we're going to discuss. There</p> <p>21 won't be many, but do you have a pen and a piece</p> <p>22 of paper with you?</p> <p>23 A. I do.</p> <p>24 Q. Yeah, can I trouble you to just write</p> <p>25 down, you know, "2008 financial statements," and</p>
<p style="text-align: right;">Page 120</p> <p>1 ALAN JOHNSON</p> <p>2 we're just going to do this for every year through</p> <p>3 2018, so you can have a full understanding of the</p> <p>4 loans that Highland included in its audited</p> <p>5 financial statements.</p> <p>6 I assume that you did not rely on this</p> <p>7 document for your opinions because you didn't have</p> <p>8 it at the time that you prepared your report;</p> <p>9 correct?</p> <p>10 A. That's right.</p> <p>11 Q. Okay.</p> <p>12 MR. MORRIS: And if we could turn to</p> <p>13 page 38, please.</p> <p>14 I'm sorry, not PDF 38. I'm referring</p> <p>15 to the document, No. 38. It shouldn't be</p> <p>16 too far.</p> <p>17 This is going to be a little painful</p> <p>18 on the Zoom, Mr. Johnson. I ask for your</p> <p>19 patience.</p> <p>20 All right. Stop right there.</p> <p>21 Q. Do you see that this portion of the</p> <p>22 Highland's 2008 audited financial statements has a</p> <p>23 section called "Notes to Affiliates"?</p> <p>24 A. Yes.</p> <p>25 Q. Okay.</p>	<p style="text-align: right;">Page 121</p> <p>1 ALAN JOHNSON</p> <p>2 And in paragraph 1, it says that the</p> <p>3 partnership issued a promissory note of \$400,000</p> <p>4 to an employee.</p> <p>5 Do you see that?</p> <p>6 A. Yes.</p> <p>7 Q. And at the end of the paragraph, it</p> <p>8 says that that promissory note was forgiven.</p> <p>9 Do you see that?</p> <p>10 A. Yes.</p> <p>11 Q. So we can write down that in 2008,</p> <p>12 Highland forgave a promissory note to an employee</p> <p>13 in the amount of \$400,000.</p> <p>14 A. Okay.</p> <p>15 Q. The next paragraph, there's a</p> <p>16 reference to an August 1 promissory note in the</p> <p>17 amount of \$500,000.</p> <p>18 Do you see that?</p> <p>19 A. Yes.</p> <p>20 Q. And at the end of the year, that</p> <p>21 promissory note was still outstanding.</p> <p>22 Do you see that?</p> <p>23 A. Okay.</p> <p>24 Q. So No. 1 is 7/31/06, \$400,000</p> <p>25 forgiven.</p>

<p>Page 122</p> <p>1 ALAN JOHNSON</p> <p>2 No. 2 is 8/1/08, \$500,000 outstanding,</p> <p>3 right?</p> <p>4 No. 3, do you see there's a reference</p> <p>5 to two loans that were made in 2 – on May 21,</p> <p>6 2007, in the amount of a million dollars each?</p> <p>7 A. Okay.</p> <p>8 Q. And if you read further, it says that</p> <p>9 during 2008, 30 percent of the outstanding</p> <p>10 principal was owed – was forgiven, leaving</p> <p>11 \$700,000 due and paying.</p> <p>12 So there's two loans that were</p> <p>13 forgiven in the amount of \$300,000 each.</p> <p>14 Do I have that right?</p> <p>15 A. Okay.</p> <p>16 Q. Then, in the next paragraph, we've got</p> <p>17 August 20th, 2008, and there's \$330,000 loan which</p> <p>18 is all outstanding at year end.</p> <p>19 Do I have that right?</p> <p>20 A. Okay.</p> <p>21 Q. And the next paragraph, August 1</p> <p>22 there's a \$500,000 loan that was given to an</p> <p>23 employee that was all outstanding at year end.</p> <p>24 Do I have that right?</p> <p>25 A. Okay.</p>	<p>Page 123</p> <p>1 ALAN JOHNSON</p> <p>2 Q. And then on October 15th, there's</p> <p>3 another \$500,000 loan made to another employee</p> <p>4 that was outstanding at year end.</p> <p>5 Do I have that right?</p> <p>6 A. Okay.</p> <p>7 Q. So would you agree with me that in</p> <p>8 fiscal year 2008, Highland forgave one loan to an</p> <p>9 employee in the amount of \$400,000 and forgave in</p> <p>10 part loans to two other employees in the amount of</p> <p>11 \$300,000 each?</p> <p>12 A. Okay.</p> <p>13 Q. Okay.</p> <p>14 MR. MORRIS: Let's go to Exhibit</p> <p>15 No. 64.</p> <p>16 (Exhibit 64, Highland's audited</p> <p>17 financial statements for December 31, 2009,</p> <p>18 was marked for identification at this time.)</p> <p>19 BY MR. MORRIS:</p> <p>20 Q. And do you see that this is Highland's</p> <p>21 audited financial statements for December 31,</p> <p>22 2009?</p> <p>23 A. Yes.</p> <p>24 Q. Okay.</p> <p>25 MR. MORRIS: Can we go to page 33 of</p>
<p>Page 124</p> <p>1 ALAN JOHNSON</p> <p>2 the document?</p> <p>3 There you go. All right.</p> <p>4 Q. The first one that's described is an</p> <p>5 August 20th, 2008 loan in the amount of \$300,000,</p> <p>6 and that seems to correspond with the fourth loan</p> <p>7 that we looked at in 2008 because it's also a loan</p> <p>8 dated August 20, 2008 in the amount of \$330,000.</p> <p>9 Do you see that?</p> <p>10 A. I'm sorry, I lost my train.</p> <p>11 Where is it now?</p> <p>12 Q. So in the very first paragraph, under</p> <p>13 "Affiliated Transactions"?</p> <p>14 A. Yeah, okay, I see it now. I'm sorry.</p> <p>15 Q. Okay.</p> <p>16 This loan, is it fair, if you take a</p> <p>17 look at your notes, this loan corresponds with</p> <p>18 the – with the loan that was described in the</p> <p>19 2008 financials.</p> <p>20 Do you have that as the fourth item on</p> <p>21 your list, if you look at your list?</p> <p>22 A. My list is going to be incomplete here</p> <p>23 in terms of going through this, but I'm trying to</p> <p>24 take notes here, but I believe what you say is</p> <p>25 true.</p>	<p>Page 125</p> <p>1 ALAN JOHNSON</p> <p>2 Q. Okay.</p> <p>3 And you can see that the principal</p> <p>4 amount of the note had been reduced by year end.</p> <p>5 Do you see that?</p> <p>6 A. Yes.</p> <p>7 Q. Okay.</p> <p>8 So there's no evidence that this</p> <p>9 particular note was forgiven in whole or in part</p> <p>10 in 2009, correct?</p> <p>11 A. That's right.</p> <p>12 Q. And if we look at the next paragraph,</p> <p>13 there's a reference to an August 1, 2008 note in</p> <p>14 the amount of \$500,000.</p> <p>15 Do you see that?</p> <p>16 A. Yes.</p> <p>17 Q. And that entire amount of principal</p> <p>18 was still outstanding at the end of the year.</p> <p>19 Do you see that?</p> <p>20 A. Yes.</p> <p>21 Q. So there's no evidence that this note</p> <p>22 was forgiven in whole or in part in 2009, correct?</p> <p>23 A. Yes.</p> <p>24 Q. And there's no other – we can go</p> <p>25 through the rest of the section, but there's no</p>

<p style="text-align: right;">Page 126</p> <p>1 ALAN JOHNSON</p> <p>2 other notes of any kind that are referred to in –</p> <p>3 in this section of the audited financials.</p> <p>4 If we can just scroll down to the end</p> <p>5 of the affiliated transaction sections, I mean, I</p> <p>6 will tell you that they put the employees up top.</p> <p>7 So is it fair to say based on just</p> <p>8 what I've shown you that you don't see any</p> <p>9 evidence that Highland forgave any notes to any</p> <p>10 employees in 2009?</p> <p>11 A. I think that's right.</p> <p>12 Q. Okay.</p> <p>13 MR. MORRIS: Let's go to 2010,</p> <p>14 Exhibit 65, please.</p> <p>15 (Exhibit 65, Highland's audited</p> <p>16 financial statements for December 31, 2010,</p> <p>17 was marked for identification at this time.)</p> <p>18 MR. MORRIS: And if we can turn to</p> <p>19 page 33.</p> <p>20 BY MR. MORRIS:</p> <p>21 Q. So if we look at the first paragraph,</p> <p>22 do you see there's still a reference to the</p> <p>23 \$330,000 note?</p> <p>24 A. Yep.</p> <p>25 Q. Okay.</p>	<p style="text-align: right;">Page 127</p> <p>1 ALAN JOHNSON</p> <p>2 It's interesting, in the</p> <p>3 next-to-the-last sentence – let's see if I'm</p> <p>4 reading this correctly – it says, "The note has</p> <p>5 specific forgiveness provisions of principal and</p> <p>6 interest prior to maturity if certain milestones'</p> <p>7 dates are obtained."</p> <p>8 Do you see that?</p> <p>9 A. Yes.</p> <p>10 Q. So based on that, would you conclude</p> <p>11 in your experience that the note actually had</p> <p>12 specific provisions concerning forgiveness?</p> <p>13 A. Yes, that's what that implies.</p> <p>14 Q. And based on your experience, would</p> <p>15 you understand that this note was really a form of</p> <p>16 retention note whereby it would be forgiven if the</p> <p>17 person were still employed at the time of the</p> <p>18 note's – at the end of the note's term?</p> <p>19 A. It's hard to tell. Milestones could</p> <p>20 be performance or it – it could go either way,</p> <p>21 but there's certain provisions that have been</p> <p>22 documented that it will be forgiven either through</p> <p>23 time or performance.</p> <p>24 Q. Well, it doesn't refer to milestones.</p> <p>25 Instead, it refers to milestone dates.</p>
<p style="text-align: right;">Page 128</p> <p>1 ALAN JOHNSON</p> <p>2 Do you see that?</p> <p>3 A. I – I think you're right, just I've</p> <p>4 never seen the word "milestone dates" used, so I'm</p> <p>5 not quite sure what they were trying to say, but I</p> <p>6 think you're probably right.</p> <p>7 Q. Okay.</p> <p>8 But in any event, you would agree with</p> <p>9 me that there's nothing in this paragraph that</p> <p>10 suggests that Highland forgave that loan in whole</p> <p>11 or in part in 2010, correct?</p> <p>12 A. That's right.</p> <p>13 Q. And if we scroll down through the rest</p> <p>14 of this section, I think – I hope you'll agree</p> <p>15 with me that there's no other reference to any</p> <p>16 other loans given to any employee in 2010?</p> <p>17 A. I think that's right.</p> <p>18 MR. MORRIS: Okay. Let's go to</p> <p>19 Exhibit 66 –</p> <p>20 Q. Oh, I'm going to tell you, I'm</p> <p>21 skipping, actually, because there's only so much</p> <p>22 pain I'm willing to endure.</p> <p>23 We're going to skip 2011, '12, and</p> <p>24 '13, and I'm going to represent to you that</p> <p>25 there's absolutely nothing in any of those audited</p>	<p style="text-align: right;">Page 129</p> <p>1 ALAN JOHNSON</p> <p>2 financial statements that pertains or concerns any</p> <p>3 loans given to any employee.</p> <p>4 And you can – you can – not accept</p> <p>5 my representation, but take that as an assumption</p> <p>6 you should make, that there's no reference to any</p> <p>7 loan to any employee in those years.</p> <p>8 MR. MORRIS: Can we go to Exhibit 66</p> <p>9 please.</p> <p>10 MS. CANTY: It's 69, 2014.</p> <p>11 MR. MORRIS: Okay. Yep, it's up on</p> <p>12 the screen.</p> <p>13 (Exhibit 69, Highland's audited</p> <p>14 financial statements for December 31, 2014,</p> <p>15 was marked for identification at this time.)</p> <p>16 BY MR. MORRIS:</p> <p>17 Q. So do you see that this is the 2014</p> <p>18 audited financial reports for Highland Capital</p> <p>19 Management?</p> <p>20 A. Yes.</p> <p>21 Q. And you may or may not have seen this</p> <p>22 report. Is that right?</p> <p>23 A. I think I got it.</p> <p>24 Q. When you reviewed the audited</p> <p>25 financial statements that you were given, did you</p>

<p style="text-align: right;">Page 130</p> <p>1 ALAN JOHNSON</p> <p>2 review them to try to learn any more information</p> <p>3 about the practice that was described to you</p> <p>4 whereby Highland would forgive loans to employees</p> <p>5 in whole or in part?</p> <p>6 A. I had just received these. I didn't</p> <p>7 have time to go through it.</p> <p>8 MR. MORRIS: Let's go to page 27,</p> <p>9 please.</p> <p>10 Q. Okay. Do you see that there's a</p> <p>11 section called "Affiliated Transactions" again</p> <p>12 that begins at the bottom of page 27?</p> <p>13 A. Okay.</p> <p>14 Q. And do you see that the first</p> <p>15 paragraph describes a loan between Highland and</p> <p>16 Highland Capital Management Fund Advisors?</p> <p>17 A. Yes.</p> <p>18 Q. And does it appear to you that the</p> <p>19 loan that was granted in 2014 was fully</p> <p>20 outstanding at year end?</p> <p>21 A. Yes.</p> <p>22 Q. And there's no reference in that</p> <p>23 paragraph to any portion of the loan having been</p> <p>24 forgiven, correct?</p> <p>25 A. That's right.</p>	<p style="text-align: right;">Page 131</p> <p>1 ALAN JOHNSON</p> <p>2 Q. And then the next paragraph refers to</p> <p>3 another loan between the same parties.</p> <p>4 Do I have that right?</p> <p>5 A. Yes.</p> <p>6 Q. And there's nothing in that paragraph</p> <p>7 that suggests that that loan was forgiven in whole</p> <p>8 or in part at any time in 2014, correct?</p> <p>9 A. That's right.</p> <p>10 MR. MORRIS: And let's go to the next</p> <p>11 page, please.</p> <p>12 Q. Do you see that there's a reference to</p> <p>13 a note in the first paragraph between Highland and</p> <p>14 NexPoint that was issued in 2014?</p> <p>15 A. Yes.</p> <p>16 Q. And there's nothing in that paragraph</p> <p>17 that suggests the note was forgiven in whole or in</p> <p>18 part at any time in 2014, correct?</p> <p>19 A. Yes.</p> <p>20 Q. In fact, the entirety of the principal</p> <p>21 amount plus interest was still due at year end,</p> <p>22 correct?</p> <p>23 A. Yes.</p> <p>24 Q. The next paragraph, do you see it</p> <p>25 refers to a note between Highland and an entity</p>
<p style="text-align: right;">Page 132</p> <p>1 ALAN JOHNSON</p> <p>2 called "HCRE"?</p> <p>3 A. Yes.</p> <p>4 Q. And there's nothing in that paragraph</p> <p>5 that suggests that the note or the loan was</p> <p>6 forgiven in whole or in part at any time in 2014,</p> <p>7 correct?</p> <p>8 A. That's right.</p> <p>9 Q. There was a modest payment made of</p> <p>10 principal during the year.</p> <p>11 Do I have that right? Is my</p> <p>12 interpretation a fair interpretation?</p> <p>13 A. That's right.</p> <p>14 Q. And then the last section of this, the</p> <p>15 last paragraph of this section refers to a note</p> <p>16 between Highland and an entity called "Highland</p> <p>17 Capital Management Services, Inc."</p> <p>18 Do you see that?</p> <p>19 A. Yes.</p> <p>20 Q. And there's nothing in that paragraph</p> <p>21 that suggests that any portion of that loan was</p> <p>22 forgiven in whole or in part in 2014, correct?</p> <p>23 A. That's right.</p> <p>24 Q. And, in fact, the entire principal</p> <p>25 balance plus interest was due at year end. Is</p>	<p style="text-align: right;">Page 133</p> <p>1 ALAN JOHNSON</p> <p>2 that fair?</p> <p>3 A. Yes.</p> <p>4 MR. MORRIS: Okay. Let's go to 2015,</p> <p>5 please.</p> <p>6 What exhibit are we on?</p> <p>7 MS. CANTY: 70 is 2015.</p> <p>8 MR. MORRIS: I see what we did. Okay.</p> <p>9 (Exhibit 70, Highland's audited</p> <p>10 financial statements for December 31, 2015,</p> <p>11 was marked for identification at this time.)</p> <p>12 MR. MORRIS: If we can just go to the</p> <p>13 first page, please.</p> <p>14 BY MR. MORRIS:</p> <p>15 Q. Do you see that this is the first page</p> <p>16 of the audited financial statements for the year</p> <p>17 ending 2015 for Highland?</p> <p>18 A. Yes.</p> <p>19 Q. And you're not relying on this</p> <p>20 document for any of your opinions, correct?</p> <p>21 A. That's right.</p> <p>22 MR. MORRIS: Can we turn to page 27,</p> <p>23 please – I messed this up, sorry.</p> <p>24 Keep going down. Keep going. Keep</p> <p>25 going.</p>

<p style="text-align: right;">Page 134</p> <p>1 ALAN JOHNSON</p> <p>2 Okay. Stop right there.</p> <p>3 Can we just scroll down so we can see</p> <p>4 what page number we're on?</p> <p>5 Q. All right. Do you see we're on</p> <p>6 page 29, Mr. Johnson?</p> <p>7 A. Yes.</p> <p>8 MR. MORRIS: Can we go to the top of</p> <p>9 the affiliates transaction.</p> <p>10 Q. Do you see that there's a reference to</p> <p>11 Highland Capital Management Fund Advisors?</p> <p>12 A. Yes.</p> <p>13 Q. Okay.</p> <p>14 And do you see there's a reference to</p> <p>15 \$6.1 million principal and interest being due at</p> <p>16 the year end?</p> <p>17 A. Yes.</p> <p>18 Q. And then there's a sentence that says,</p> <p>19 "The partnership will not demand payment on</p> <p>20 amounts owed prior to May 31, 2017."</p> <p>21 Do you see that?</p> <p>22 A. Yes.</p> <p>23 Q. Were you aware that Highland had</p> <p>24 agreed with its affiliate not to make a demand on</p> <p>25 the payments for a period of time?</p>	<p style="text-align: right;">Page 135</p> <p>1 ALAN JOHNSON</p> <p>2 A. I wasn't aware of that.</p> <p>3 Q. Do you see the last paragraph – the</p> <p>4 last sentence of the paragraph says, "A fair value</p> <p>5 of the partnership's outstanding notes receivable</p> <p>6 approximates the carrying value of the notes</p> <p>7 receivable"?</p> <p>8 A. Yes.</p> <p>9 Q. Do you understand that to mean that</p> <p>10 the fair value of the notes equals to the</p> <p>11 principal face amount of the notes?</p> <p>12 A. The carrying value would include the</p> <p>13 face amount probably and any unpaid interest, but</p> <p>14 yes, it would be the book – the book value, yes.</p> <p>15 Q. And the book value in this case equals</p> <p>16 the unpaid principal and interest due on the note,</p> <p>17 correct?</p> <p>18 A. Yes.</p> <p>19 Q. And so as of this time anyway, the</p> <p>20 fair value of the notes equaled the unpaid</p> <p>21 principal and interest due on the note, correct?</p> <p>22 MR. AIGEN: Objection, form.</p> <p>23 A. Yes. Yes, I think that's right.</p> <p>24 Q. There's nothing in that first</p> <p>25 paragraph that says or suggests that any of the</p>
<p style="text-align: right;">Page 136</p> <p>1 ALAN JOHNSON</p> <p>2 loans with HCMFA were forgiven in whole or in part</p> <p>3 in 2015, correct?</p> <p>4 A. Right.</p> <p>5 Q. And the next paragraph relates to</p> <p>6 loans with NexPoint Advisors.</p> <p>7 Do you see that?</p> <p>8 A. Yes.</p> <p>9 Q. Okay.</p> <p>10 Take your time, but my question is</p> <p>11 whether there's anything in that paragraph that</p> <p>12 states or suggests that any portion of the loans</p> <p>13 between Highland and NexPoint were forgiven in</p> <p>14 whole or in part in 2015?</p> <p>15 A. I think that's right, yes.</p> <p>16 Q. Do you see there was also a statement</p> <p>17 regarding Highland's not demanding payment on the</p> <p>18 notes for a couple of years?</p> <p>19 A. Yes.</p> <p>20 Q. In your experience and based on your</p> <p>21 expertise, can you think of a reason why Highland</p> <p>22 would agree not to make a demand on promissory</p> <p>23 notes?</p> <p>24 A. It could be the financial condition of</p> <p>25 the borrower that was part of the negotiation</p>	<p style="text-align: right;">Page 137</p> <p>1 ALAN JOHNSON</p> <p>2 putting the loans together. It would – it</p> <p>3 generally have something to do with the financial</p> <p>4 condition of the borrower and the terms.</p> <p>5 Q. Let's look at the next paragraph.</p> <p>6 Do you see it relates to HCRE?</p> <p>7 A. Yes.</p> <p>8 Q. And do you see how during 2014 and</p> <p>9 '15, HCRE issued promissory notes to Highland in</p> <p>10 the aggregate amount of \$13 million and that</p> <p>11 principal amount plus interest was due at the end</p> <p>12 of the year?</p> <p>13 A. Sorry, it just says it's payable on</p> <p>14 demand, right?</p> <p>15 Q. Right.</p> <p>16 And the amount is – that was loaned</p> <p>17 was \$13 million, but at year end 2015, the unpaid</p> <p>18 principal and interest actually equaled</p> <p>19 \$13.3 million.</p> <p>20 Have I read that correctly?</p> <p>21 A. Yes.</p> <p>22 Q. Is there anything in this paragraph</p> <p>23 that says or suggests that Highland forgave in</p> <p>24 whole or in part any loans that were made to HCRE</p> <p>25 in the year 2014 or '15?</p>

<p style="text-align: right;">Page 138</p> <p>1 ALAN JOHNSON</p> <p>2 A. No.</p> <p>3 MR. MORRIS: Let's go to the next</p> <p>4 paragraph.</p> <p>5 Q. Do you see there's a reference to</p> <p>6 loans or promissory notes that were issued to</p> <p>7 Highland by HCMSI?</p> <p>8 A. Yes.</p> <p>9 Q. Okay.</p> <p>10 And do you see that the aggregate</p> <p>11 amount of the notes was \$23 million?</p> <p>12 A. Yes.</p> <p>13 Q. And do you see that during the years</p> <p>14 ended 2014, Highland Capital Management Services,</p> <p>15 Inc. repaid \$8.1 million in principal?</p> <p>16 A. Yes.</p> <p>17 Q. Is it customary in the industry to</p> <p>18 make principal payments or interest payments</p> <p>19 against loans that are the subject to agreements</p> <p>20 of forgiveness?</p> <p>21 A. It really would depend on the</p> <p>22 likelihood of it being forgiven. If I had a loan</p> <p>23 that I thought wouldn't be forgiven, I might pay</p> <p>24 it early because I just don't think the</p> <p>25 probability of being forgiven is likely. If I</p>	<p style="text-align: right;">Page 139</p> <p>1 ALAN JOHNSON</p> <p>2 think it's likely or highly likely, I would try to</p> <p>3 avoid paying down the balance and wait for it to</p> <p>4 be forgiven.</p> <p>5 Q. And is that the advice you would give</p> <p>6 to the maker of a note who owed money that was</p> <p>7 subject to a forgiveness agreement?</p> <p>8 A. Maker of the loan, I would tell them</p> <p>9 if -- if things are looking like you're going to</p> <p>10 forgive it, they probably won't want to pay down</p> <p>11 the principal and the interest if they can avoid</p> <p>12 it, and if the -- it's unlikely it will be</p> <p>13 forgiven due to the terms, then they're more</p> <p>14 likely to pay the principal and interest sooner.</p> <p>15 Q. Is there anything in this paragraph</p> <p>16 that says or suggests that Highland had agreed to</p> <p>17 forgive in whole or in part any loan that it had</p> <p>18 extended to Highland Capital Management Services?</p> <p>19 A. I don't believe so, no.</p> <p>20 MR. MORRIS: Okay. Let's go to the</p> <p>21 2016 financials.</p> <p>22 Q. Do you see that this is the audited</p> <p>23 financial statements for Highland Capital</p> <p>24 Management, L.P. for the period ending December</p> <p>25 31, 2016?</p>
<p style="text-align: right;">Page 140</p> <p>1 ALAN JOHNSON</p> <p>2 A. Yes.</p> <p>3 Q. Okay. And you're not relying on this</p> <p>4 report for any of your opinions, correct?</p> <p>5 A. That's correct.</p> <p>6 Q. Okay.</p> <p>7 MR. MORRIS: Can we go to page 31,</p> <p>8 please.</p> <p>9 Q. Okay. Do you see notes and other</p> <p>10 amounts due from affiliates?</p> <p>11 A. Yes.</p> <p>12 Q. The first paragraph relates to loans</p> <p>13 between Highland and its affiliate HCMFA.</p> <p>14 Do you see that?</p> <p>15 A. Yes.</p> <p>16 Q. Is there anything in this paragraph</p> <p>17 that states or suggests that Highland has forgiven</p> <p>18 in whole or in part any portion of any loan that</p> <p>19 it made to HCMFA?</p> <p>20 A. No.</p> <p>21 Q. Looking at the next paragraph, do you</p> <p>22 see that concerns loans between Highland and</p> <p>23 NexPoint Advisors?</p> <p>24 A. Yes.</p> <p>25 Q. Is there anything in that paragraph</p>	<p style="text-align: right;">Page 141</p> <p>1 ALAN JOHNSON</p> <p>2 that states or suggests that Highland forgave in</p> <p>3 whole or in part any portion of any loan that it</p> <p>4 gave to NexPoint?</p> <p>5 A. No.</p> <p>6 Q. Looking at the next paragraph, do you</p> <p>7 see there's a reference to loans between Highland</p> <p>8 and HCRE Partners, LLC?</p> <p>9 A. Yes.</p> <p>10 Q. Is there any statement or suggestions</p> <p>11 in that paragraph that Highland forgave in whole</p> <p>12 or in part any loan it made to HCRE Partners, LLC?</p> <p>13 A. No.</p> <p>14 Q. Looking at the next paragraph, do you</p> <p>15 see there's a reference to loans between Highland</p> <p>16 and HCMSI?</p> <p>17 A. Yes.</p> <p>18 Q. Is there anything in that paragraph</p> <p>19 that states or suggests that Highland forgave in</p> <p>20 whole or in part any loan that it made to HCMSI?</p> <p>21 A. No.</p> <p>22 MR. MORRIS: Okay. Can we go to the</p> <p>23 next paragraph.</p> <p>24 Q. Do you see there's a reference to</p> <p>25 promissory notes that James Dondero issued to</p>

<p style="text-align: right;">Page 142</p> <p>1 ALAN JOHNSON</p> <p>2 Highland in the aggregate amount of \$14.8 million</p> <p>3 in 2016?</p> <p>4 A. Yes.</p> <p>5 Q. Okay.</p> <p>6 So this is the first time we're seeing</p> <p>7 a loan to Mr. Dondero that's reported in the</p> <p>8 financial statements that we've looked at. Is</p> <p>9 that fair?</p> <p>10 A. I think that's right, yes.</p> <p>11 Q. Okay.</p> <p>12 And according to this audited</p> <p>13 financial statement, Highland loaned Mr. Dondero</p> <p>14 \$14.8 million in 2016.</p> <p>15 Do I have that right?</p> <p>16 A. Yes.</p> <p>17 Q. And at the end of the year, he</p> <p>18 actually owed principal and interest in the amount</p> <p>19 of \$14.9 million, correct?</p> <p>20 A. Yes.</p> <p>21 Q. And there's no statement or suggestion</p> <p>22 in this paragraph that Highland had forgiven in</p> <p>23 whole or in part any portion of the loans that it</p> <p>24 had extended to Mr. Dondero.</p> <p>25 Do I have that right?</p>	<p style="text-align: right;">Page 143</p> <p>1 ALAN JOHNSON</p> <p>2 A. Yes.</p> <p>3 Q. Okay.</p> <p>4 Do you see the next paragraph relates</p> <p>5 to a gentleman named Mark Okada?</p> <p>6 A. Yes.</p> <p>7 Q. Do you have any understanding as to</p> <p>8 who Mr. Okada is?</p> <p>9 A. He was the other major shareholder in</p> <p>10 Highland.</p> <p>11 Q. And do you understand him to be one of</p> <p>12 the – to be a co-founder with Mr. Dondero of</p> <p>13 Highland?</p> <p>14 A. I believe that's right, yes.</p> <p>15 Q. Did you make any inquiry as to whether</p> <p>16 or not Mr. Okada had ever obtained any loans from</p> <p>17 Highland?</p> <p>18 A. I don't – I don't believe I did.</p> <p>19 Q. Do you know if Highland ever forgave</p> <p>20 any loan in whole or in part that it extended to</p> <p>21 Mr. Okada?</p> <p>22 A. I don't know.</p> <p>23 Q. Are you aware that Mr. Okada paid back</p> <p>24 the loan referenced in this paragraph in full plus</p> <p>25 interest?</p>
<p style="text-align: right;">Page 144</p> <p>1 ALAN JOHNSON</p> <p>2 A. I was not aware of that.</p> <p>3 MR. MORRIS: Let's just go to the next</p> <p>4 page to see if there's anything else here.</p> <p>5 Q. There's a reference to Dugaboy.</p> <p>6 Do you see that?</p> <p>7 A. Yes.</p> <p>8 Q. You don't know what Dugaboy is, do</p> <p>9 you?</p> <p>10 A. I do not.</p> <p>11 Q. Nobody has ever told you about</p> <p>12 Dugaboy.</p> <p>13 Do I have that right?</p> <p>14 A. That's right.</p> <p>15 Q. So you weren't aware that Highland</p> <p>16 loaned \$23.4 million to Dugaboy in 2016?</p> <p>17 A. Well, that's not – it says they</p> <p>18 purchased a promissory note due from Dugaboy.</p> <p>19 Q. Okay.</p> <p>20 So now Dugaboy owes the partnership</p> <p>21 \$23.4 million, correct?</p> <p>22 A. That's not – at least my reading of</p> <p>23 it is they purchased a note from Dugaboy.</p> <p>24 Q. Why don't we assume that what they</p> <p>25 meant by that was that Dugaboy provided a note to</p>	<p style="text-align: right;">Page 145</p> <p>1 ALAN JOHNSON</p> <p>2 Highland in the amount of \$23.4 million.</p> <p>3 Okay? Can we make that assumption?</p> <p>4 A. We can assume that. That's not what</p> <p>5 it says.</p> <p>6 Q. Okay. I'm going to ask you to</p> <p>7 assume –</p> <p>8 A. Okay.</p> <p>9 Q. – that in 2016, Dugaboy incurred an</p> <p>10 obligation to Highland in the amount of</p> <p>11 \$23.6 million.</p> <p>12 I'm going to ask you to further assume</p> <p>13 that the Dugaboy Investment Trust is a trust</p> <p>14 created by Jim Dondero.</p> <p>15 I'm going to ask you to further assume</p> <p>16 that the purpose of the trust is to provide living</p> <p>17 expenses to the beneficiaries.</p> <p>18 I'm going to ask you to further assume</p> <p>19 that Mr. Dondero is the beneficiary of that trust</p> <p>20 for his lifetime.</p> <p>21 And I'm going to ask you to further</p> <p>22 assume that his sister Nancy is the trustee.</p> <p>23 If Highland loaned money to Dugaboy,</p> <p>24 is that a fact that would have been relevant to</p> <p>25 your analysis?</p>

<p style="text-align: right;">Page 146</p> <p>1 ALAN JOHNSON</p> <p>2 A. It could have been. It could have</p> <p>3 been.</p> <p>4 Q. And why could it have been relevant to</p> <p>5 your analysis?</p> <p>6 A. Well, if it's in effect a loan to him,</p> <p>7 then I would probably consider it similar to the</p> <p>8 other loans, but maybe if I had time to think</p> <p>9 about it, it – I might have considered</p> <p>10 differently.</p> <p>11 But if I came to the conclusion that</p> <p>12 loaning to that – the investment trust or to him</p> <p>13 personally is essentially the same thing, then I</p> <p>14 probably would have considered, you know, an</p> <p>15 equal – on an equal basis.</p> <p>16 Q. Now, neither Mr. Dondero nor Stinson</p> <p>17 shared with you any information about any loan</p> <p>18 that Highland ever extended to Dugaboy, if any.</p> <p>19 Is that correct?</p> <p>20 A. It may have been in the listing of</p> <p>21 loans – the listing, but I had no separate</p> <p>22 conversation about Dugaboy, no.</p> <p>23 Q. There's nothing in this paragraph that</p> <p>24 suggests that any loan between Dugaboy and</p> <p>25 Highland was forgiven in whole or in part in 2016,</p>	<p style="text-align: right;">Page 147</p> <p>1 ALAN JOHNSON</p> <p>2 correct?</p> <p>3 A. That's right.</p> <p>4 Q. So if you look at your notes and</p> <p>5 refresh your recollection as to what we've been</p> <p>6 through just now, is it fair to say that there's</p> <p>7 no evidence of Highland forgiving any loan to</p> <p>8 anybody in the world in whole or in part at any</p> <p>9 time since 2008?</p> <p>10 MR. AIGEN: Objection, form.</p> <p>11 A. The ones we've looked through, I think</p> <p>12 you're right. I think there was forgiveness in</p> <p>13 2008. I think that's correct.</p> <p>14 Q. And given the amounts of the loans</p> <p>15 that we looked at in 2008 – and if you want to</p> <p>16 refer to your cheat sheet to refresh your</p> <p>17 recollection – does it seem that the loans that</p> <p>18 were described in the 2008 audited financial</p> <p>19 statements might, in fact, be the very loans that</p> <p>20 were described for you by the four individuals you</p> <p>21 interviewed?</p> <p>22 A. They could – they certainly could</p> <p>23 have been, yes.</p> <p>24 Q. They're consistent with the amount of</p> <p>25 the loans that were forgiven as was told by you,</p>
<p style="text-align: right;">Page 148</p> <p>1 ALAN JOHNSON</p> <p>2 right?</p> <p>3 A. That is correct, yes.</p> <p>4 MR. MORRIS: Let's go to 2017.</p> <p>5 Can we go to page 30 –</p> <p>6 Q. Oh, I apologize, before we do that,</p> <p>7 did you see that first page, sir?</p> <p>8 Do you understand that we're looking</p> <p>9 at Highland's audited financial statements for the</p> <p>10 period ending December 31, 2017?</p> <p>11 A. Yes.</p> <p>12 Q. Okay.</p> <p>13 And this is not a document you're</p> <p>14 relying on, correct?</p> <p>15 A. That is correct.</p> <p>16 Q. Okay.</p> <p>17 So now we're at page 30 of the audited</p> <p>18 financial statements, and we're again in the</p> <p>19 section relating to notes and other amounts due</p> <p>20 from affiliates.</p> <p>21 And do you see the first paragraph</p> <p>22 relates to notes that Highland Capital Management</p> <p>23 Fund Advisors has issued to Highland?</p> <p>24 A. Yes.</p> <p>25 Q. And this paragraph, like all of the</p>	<p style="text-align: right;">Page 149</p> <p>1 ALAN JOHNSON</p> <p>2 paragraphs, continues to say, quote, at the end,</p> <p>3 that fair value of the partnership's outstanding</p> <p>4 notes receivable approximates the carrying value</p> <p>5 of the notes receivable.</p> <p>6 Do you see that?</p> <p>7 A. Yes.</p> <p>8 Q. Okay.</p> <p>9 And that sentence is at the end of</p> <p>10 every paragraph in this section.</p> <p>11 Do I have that right, if we continue</p> <p>12 to scroll there?</p> <p>13 A. Yes.</p> <p>14 Q. Okay.</p> <p>15 So looking at the first paragraph</p> <p>16 relating to HCMFA, there's nothing in that</p> <p>17 paragraph that states or suggests that Highland</p> <p>18 agreed to forgive in whole or in part any loan it</p> <p>19 had extended to HCMFA, correct?</p> <p>20 A. Yes.</p> <p>21 Q. And looking at the second paragraph,</p> <p>22 do you see that it states that Highland combined</p> <p>23 its outstanding promissory and revolving notes</p> <p>24 from NexPoint to a single note with a 30-year</p> <p>25 amortization schedule?</p>

<p style="text-align: right;">Page 150</p> <p>1 ALAN JOHNSON</p> <p>2 I'm summarizing.</p> <p>3 A. Yes.</p> <p>4 Q. And is it fair to assume that that's</p> <p>5 probably one of the notes that recently saw?</p> <p>6 MR. AIGEN: Objection, form.</p> <p>7 A. Yes. Yes.</p> <p>8 Q. Yes?</p> <p>9 A. Yes, that's correct.</p> <p>10 Q. And the reason it's correct is because</p> <p>11 it comports with your recollection that there was</p> <p>12 a roll-up of previously outstanding notes that</p> <p>13 were combined in one into a 30-year term note,</p> <p>14 right?</p> <p>15 A. That is correct.</p> <p>16 Q. Okay.</p> <p>17 Is there anything in this paragraph</p> <p>18 that states or suggests that Highland agreed to</p> <p>19 forgive in whole or in part any aspect of any loan</p> <p>20 it ever gave to NexPoint?</p> <p>21 A. No, there's not.</p> <p>22 Q. Looking at the next paragraph for</p> <p>23 HCRE, do you see that there's a description of the</p> <p>24 promissory note that HCRE issued to Highland in</p> <p>25 exchange for a loan in December – in 2017?</p>	<p style="text-align: right;">Page 151</p> <p>1 ALAN JOHNSON</p> <p>2 A. Yes.</p> <p>3 Q. Is there anything in that paragraph</p> <p>4 that suggests or states that Highland has agreed</p> <p>5 to forgive in whole or in part any portion of any</p> <p>6 loan it ever extended to HCRE?</p> <p>7 A. No.</p> <p>8 Q. The next paragraph refers to loans</p> <p>9 that Highland has extended to Highland Capital</p> <p>10 Management Services, Inc.</p> <p>11 Do you see that?</p> <p>12 A. Yes.</p> <p>13 Q. Is there anything in that paragraph</p> <p>14 that states or suggests that Highland has agreed</p> <p>15 to forgive in whole or in part any portion of any</p> <p>16 loan it ever extended to HCMSI?</p> <p>17 A. No.</p> <p>18 MR. MORRIS: Can we go to the next</p> <p>19 paragraph, please.</p> <p>20 Q. Okay. These two paragraphs relate to</p> <p>21 Mr. Dondero and Mr. Okada.</p> <p>22 Did you see that?</p> <p>23 A. Yes.</p> <p>24 Q. And it wasn't up on the screen before,</p> <p>25 so I just want to make it clear that each of those</p>
<p style="text-align: right;">Page 152</p> <p>1 ALAN JOHNSON</p> <p>2 paragraph ends with the same sentence concerning</p> <p>3 the fair value of the notes approximating the</p> <p>4 carrying value the notes receivable.</p> <p>5 Do I have that right?</p> <p>6 A. Yes.</p> <p>7 Q. Okay.</p> <p>8 Now, remember we saw in the 2016</p> <p>9 financials that Mr. Dondero had \$14.9 million</p> <p>10 outstanding at year end.</p> <p>11 Do you recall that?</p> <p>12 A. I don't specifically recall that,</p> <p>13 but – I don't specifically recall that, no.</p> <p>14 Q. I'll represent to you that the 2016</p> <p>15 audited financial statements showed that the</p> <p>16 outstanding principal and interest due by</p> <p>17 Mr. Dondero under the note that he issued to</p> <p>18 Highland was \$14.9 million. Okay?</p> <p>19 A. Okay.</p> <p>20 Q. With that representation, do you see</p> <p>21 that the amount has been reduced by \$400,000 at</p> <p>22 the end of 2017?</p> <p>23 A. Yes.</p> <p>24 Q. Okay.</p> <p>25 And so is it fair – is it a fair</p>	<p style="text-align: right;">Page 153</p> <p>1 ALAN JOHNSON</p> <p>2 conclusion to reach that at some point in 2017,</p> <p>3 Mr. Dondero made payments against his obligations</p> <p>4 to Highland that reduced the amount owing from</p> <p>5 14.9 million to 14.5 million at the end of 2017,</p> <p>6 again, assuming that I'm right about 2016?</p> <p>7 A. That would be right. That would be</p> <p>8 correct, yes.</p> <p>9 Q. And there's nothing in this paragraph</p> <p>10 that states or suggests that Highland has agreed</p> <p>11 to forgive in whole or in part any loan it has</p> <p>12 ever extended to Mr. Dondero, correct?</p> <p>13 A. That's correct.</p> <p>14 Q. Okay. So I would like you to note</p> <p>15 down, because it's hard to flip back – this is</p> <p>16 the dilemma of virtual depositions – but can you</p> <p>17 write down that Mr. Dondero owed Highland</p> <p>18 principal and interest of \$14-and-a-half million</p> <p>19 at the end of 2017?</p> <p>20 A. Okay.</p> <p>21 Q. And the next paragraph relates to</p> <p>22 Mr. Okada.</p> <p>23 There's nothing in there that states</p> <p>24 or suggests that Highland has agreed to forgive in</p> <p>25 whole or in part any loan Highland had ever</p>

<p>Page 154</p> <p>1 ALAN JOHNSON</p> <p>2 extended to Mr. Okada, correct?</p> <p>3 A. That's correct.</p> <p>4 MR. MORRIS: Okay. Can we continue on</p> <p>5 to the next page.</p> <p>6 Q. And do you see the first paragraph</p> <p>7 relates to Dugaboy again?</p> <p>8 A. Yes.</p> <p>9 Q. And it specifically says that during</p> <p>10 the year ending December 31, 2017, Dugaboy did not</p> <p>11 issue any new notes to the partnership.</p> <p>12 Do you see that?</p> <p>13 A. Yes.</p> <p>14 Q. And then it states that all</p> <p>15 outstanding notes accrue interest at the rate of</p> <p>16 2.75 percent.</p> <p>17 Do you see that?</p> <p>18 A. Yes.</p> <p>19 Q. And then it says that at year end, the</p> <p>20 total unpaid principal and interest due was</p> <p>21 approximately \$22.8 million and was payable on</p> <p>22 demand?</p> <p>23 Have I read that correctly?</p> <p>24 A. Yes.</p> <p>25 Q. Okay.</p>	<p>Page 155</p> <p>1 ALAN JOHNSON</p> <p>2 Is there anything in this paragraph</p> <p>3 that states or suggests that Highland ever agreed</p> <p>4 to forgive in whole or in part any loan it ever</p> <p>5 extended to Dugaboy?</p> <p>6 A. No.</p> <p>7 Q. The next paragraph refers to a</p> <p>8 contribution agreement.</p> <p>9 Do you see that?</p> <p>10 A. Yes.</p> <p>11 Q. Have any idea what a contribution</p> <p>12 agreement is in this context?</p> <p>13 A. Not in this context, no.</p> <p>14 Q. Is that something you might -- you</p> <p>15 might have asked about had you been told -- had</p> <p>16 you been given these financial statements, let's</p> <p>17 say, back in July?</p> <p>18 A. I -- I might have asked about this,</p> <p>19 yes.</p> <p>20 Q. I mean, in fact, this is in the</p> <p>21 section of the audited financial statements that</p> <p>22 is entitled --</p> <p>23 MR. MORRIS: If would can go back to</p> <p>24 the top -- no -- I'm sorry -- the top of</p> <p>25 that section, page -- yeah.</p>
<p>Page 156</p> <p>1 ALAN JOHNSON</p> <p>2 Q. That section is specifically called</p> <p>3 "Notes and Other Amounts Due From Affiliates,"</p> <p>4 right?</p> <p>5 A. Yes.</p> <p>6 Q. If you wanted to assess whether or not</p> <p>7 Mr. Dondero was reasonably compensated, wouldn't</p> <p>8 you want to know about all of the notes that</p> <p>9 Highland held on behalf of the affiliates that</p> <p>10 were owned and controlled by Mr. Dondero?</p> <p>11 MR. AIGEN: Objection, form.</p> <p>12 A. I -- I would have -- if I had had the</p> <p>13 financials, I would have certainly looked through</p> <p>14 these things, yes.</p> <p>15 Q. And if you had been given this</p> <p>16 information, wouldn't you want to know the full</p> <p>17 extent -- I mean -- withdrawn.</p> <p>18 I think we -- I think at the beginning</p> <p>19 of the day -- I know we've been going at this for</p> <p>20 a while -- you specifically told me that you would</p> <p>21 advise a decision maker to know and understand the</p> <p>22 full scope of all loans that were given to or for</p> <p>23 the benefit of the executive before entering into</p> <p>24 a forgiveness agreement, right?</p> <p>25 A. Yes.</p>	<p>Page 157</p> <p>1 ALAN JOHNSON</p> <p>2 Q. Okay.</p> <p>3 And the information that's contained</p> <p>4 in this section of the audited financial</p> <p>5 statements specifically pertains to loans to</p> <p>6 affiliates. Isn't that right?</p> <p>7 A. Yes, among other things, but yes.</p> <p>8 Q. Okay.</p> <p>9 In order to know if Mr. Dondero had</p> <p>10 been compensated in a way equal to his peers</p> <p>11 wouldn't you want to know the full extent of</p> <p>12 amounts loaned to entities he owned and</p> <p>13 controlled?</p> <p>14 MR. AIGEN: Objection to form.</p> <p>15 A. Well, a straight loan to someone is</p> <p>16 not generally compensation. If the loan is going</p> <p>17 to be forgiven at some point in the future, yes,</p> <p>18 that would have been a relevant -- you know,</p> <p>19 relevant factor, but just a straight loan wouldn't</p> <p>20 generally be considered compensation.</p> <p>21 Q. If Highland -- let's say</p> <p>22 hypothetically Highland -- withdrawn.</p> <p>23 You see NexPoint Advisors on the page,</p> <p>24 the second box?</p> <p>25 A. Yes.</p>

<p style="text-align: right;">Page 158</p> <p>1 ALAN JOHNSON</p> <p>2 Q. Highland – let's assume that James</p> <p>3 Dondero owns and controls NexPoint. Okay?</p> <p>4 A. Yes.</p> <p>5 Q. As of May 31, 2017, according to</p> <p>6 Highland's audited financial statements, it loaned</p> <p>7 NexPoint \$30.7 million.</p> <p>8 Do you see that?</p> <p>9 A. Well, I think it's saying it combined</p> <p>10 all these notes together and a new note of 30.7,</p> <p>11 right.</p> <p>12 Q. I appreciate that – that precision.</p> <p>13 So let me restate the question.</p> <p>14 According to the audited financial</p> <p>15 statements, Highland had loaned in the aggregate</p> <p>16 \$30.7 million to NexPoint, correct?</p> <p>17 A. Yes.</p> <p>18 Q. Okay.</p> <p>19 And what if I told you that NexPoint</p> <p>20 took that money and they invested it and they</p> <p>21 turned that money into \$100 million, would that be</p> <p>22 a benefit to Mr. Dondero if you assume that he</p> <p>23 owned and controlled the entity?</p> <p>24 A. Well, it's certainly – he made a wise</p> <p>25 investment with his \$30 million loan for sure.</p>	<p style="text-align: right;">Page 159</p> <p>1 ALAN JOHNSON</p> <p>2 Q. And would you agree that Highland</p> <p>3 enabled him to make that wise investment by giving</p> <p>4 him the loan?</p> <p>5 A. They facilitated it, but it depends</p> <p>6 what the terms of the loan are and – so, yes, he</p> <p>7 would have benefited from his wise investment, and</p> <p>8 they would have facilitated him doing that by</p> <p>9 loaning the \$30 million.</p> <p>10 Q. And NexPoint didn't go into the</p> <p>11 marketplace to negotiate for a loan with a third</p> <p>12 party, right?</p> <p>13 A. That, I don't know.</p> <p>14 Q. Well, they took the loan from</p> <p>15 Highland, correct?</p> <p>16 A. It already had loans, right, from</p> <p>17 Highland, yes.</p> <p>18 Q. And you understood that Mr. Dondero</p> <p>19 controlled both NexPoint and Highland at the time,</p> <p>20 correct?</p> <p>21 A. Yes.</p> <p>22 Q. Okay.</p> <p>23 And so is it fair to say based on your</p> <p>24 experience and expertise that Highland used –</p> <p>25 withdrawn.</p>
<p style="text-align: right;">Page 160</p> <p>1 ALAN JOHNSON</p> <p>2 Is it based – is it fair based on</p> <p>3 your knowledge and expertise that Mr. Dondero used</p> <p>4 Highland to increase the value of its affiliated</p> <p>5 companies by providing it with capital?</p> <p>6 MR. AIGEN: Objection to form.</p> <p>7 A. Yeah, I don't – I guess I would be</p> <p>8 uncomfortable – I'm not sure I understand the</p> <p>9 question. I'm sorry.</p> <p>10 Q. Okay.</p> <p>11 You did not – your report and your</p> <p>12 opinions – withdrawn. Let me take this simply.</p> <p>13 Your conclusion in your report is that</p> <p>14 Mr. Dondero had earnings from Highland of</p> <p>15 approximately \$3 million for the 7 years prior to</p> <p>16 the petition date; correct?</p> <p>17 A. That's right, from the – from the –</p> <p>18 yes, from the various entities, yes.</p> <p>19 Q. And based on your analysis of</p> <p>20 comparable executives, you believe he should have</p> <p>21 been earning \$6 million for each of those seven</p> <p>22 years, correct?</p> <p>23 A. Yes, that is correct.</p> <p>24 Q. And the difference between the two</p> <p>25 equals \$3 million for seven years, or \$21 million.</p>	<p style="text-align: right;">Page 161</p> <p>1 ALAN JOHNSON</p> <p>2 Do I have that right?</p> <p>3 A. Yes.</p> <p>4 Q. And you calculated that based solely</p> <p>5 on certain W-2 income, correct?</p> <p>6 A. W-2s and I think, also, with the</p> <p>7 1040s, I believe, but yeah, it was the W-2s.</p> <p>8 Q. So you did not take into account, for</p> <p>9 example, any benefit that Mr. Dondero received by</p> <p>10 using Highland's capital to support his affiliated</p> <p>11 companies, correct?</p> <p>12 MR. AIGEN: Objection, form.</p> <p>13 A. We did not take into account any</p> <p>14 ownership – using the ownership capital either</p> <p>15 for him or for anybody else, that's correct.</p> <p>16 Q. And you didn't try to quantify the</p> <p>17 benefit to Mr. Dondero from using Highland's</p> <p>18 capital to support his affiliated companies,</p> <p>19 correct?</p> <p>20 A. We made no attempt to – to do it for</p> <p>21 him or for anybody else we might have thought of</p> <p>22 as comparable executives, that's correct.</p> <p>23 Q. Would you – would you agree with me</p> <p>24 that it was a benefit to Mr. Dondero to have</p> <p>25 access to Highland's capital for the purpose of</p>

<p style="text-align: right;">Page 162</p> <p>1 ALAN JOHNSON</p> <p>2 supporting his affiliated companies?</p> <p>3 MR. AIGEN: Objection, form.</p> <p>4 A. He – he benefited from having</p> <p>5 significant capital – he certainly benefited as</p> <p>6 an owner from something significant capital,</p> <p>7 absolutely.</p> <p>8 Q. Okay.</p> <p>9 And how would you – how would you</p> <p>10 describe that benefit?</p> <p>11 A. Well, he would get returns on the</p> <p>12 capital. Either through loans or direct</p> <p>13 investments as the owner of both Highland and</p> <p>14 NexPoint, he would benefit from their successes</p> <p>15 and, of course, lose from their failures.</p> <p>16 Q. Are you aware of any failures?</p> <p>17 A. In getting these financials, there</p> <p>18 were a couple of years that were terrible. There</p> <p>19 were some outstanding years, so it varied during</p> <p>20 this period.</p> <p>21 So there were certainly a couple of</p> <p>22 years with very disappointing results.</p> <p>23 Q. And which entity are you referring to</p> <p>24 that had those disappointing results? Was that</p> <p>25 Highland?</p>	<p style="text-align: right;">Page 163</p> <p>1 ALAN JOHNSON</p> <p>2 A. I believe – I believe – I believe it</p> <p>3 was Highland as well, yes.</p> <p>4 Q. And do you think that when a company</p> <p>5 fails, that that's a factor that a decision maker</p> <p>6 should take into account when deciding whether or</p> <p>7 not to forgive loans?</p> <p>8 Is that part of the financial</p> <p>9 condition that we described earlier?</p> <p>10 A. Absolutely, the condition of the</p> <p>11 company, it's both income, capital, and the</p> <p>12 importance of achieving those goals as part of</p> <p>13 forgiving absolutely should be considered.</p> <p>14 MR. MORRIS: I've forgotten if I've</p> <p>15 gone through 2017 yet.</p> <p>16 Does anybody recall?</p> <p>17 All right. We'll do it again.</p> <p>18 MS. CANTY: This is 2017 on the</p> <p>19 screen.</p> <p>20 MR. MORRIS: Right. But I have – all</p> <p>21 right. I'll just do it again then.</p> <p>22 Michael starts objecting as asked and</p> <p>23 answered, I'll get the hint.</p> <p>24 Q. Mr. Johnson, take a look at the first</p> <p>25 paragraph.</p>
<p style="text-align: right;">Page 164</p> <p>1 ALAN JOHNSON</p> <p>2 Do you see that that – under the</p> <p>3 section "Notes and Other Amounts Due From</p> <p>4 Affiliates," describes loans between Highland and</p> <p>5 HCMFA in 2017?</p> <p>6 A. Yes.</p> <p>7 Q. Is there anything in that paragraph</p> <p>8 that states or suggests that Highland agreed to</p> <p>9 forgive in whole or in part any loan it ever</p> <p>10 extended to HCMFA?</p> <p>11 A. No.</p> <p>12 Q. Looking at the next paragraph, next</p> <p>13 point, do you see that the next paragraph concerns</p> <p>14 loans that Highland extended to NexPoint?</p> <p>15 A. Yes.</p> <p>16 Q. Is there anything in that paragraph</p> <p>17 that states or suggests that Highland has agreed</p> <p>18 to forgive in whole or in part any note that it</p> <p>19 ever – any loan it ever extended to NexPoint?</p> <p>20 A. No.</p> <p>21 Q. All right.</p> <p>22 Looking at the next paragraph, do you</p> <p>23 see the next paragraph describes loans between</p> <p>24 Highland and HCRE Partners, LLC?</p> <p>25 A. Yes.</p>	<p style="text-align: right;">Page 165</p> <p>1 ALAN JOHNSON</p> <p>2 Q. Is there anything in that paragraph</p> <p>3 that states or suggests that Highland has agreed</p> <p>4 to forgive in whole or in part any loan it ever</p> <p>5 extended to HCRE Partners, LLC?</p> <p>6 A. No.</p> <p>7 Q. The next paragraph relates to loans</p> <p>8 between Highland and Highland Capital Management</p> <p>9 Services, Inc.</p> <p>10 Do you see that?</p> <p>11 A. Yes.</p> <p>12 Q. Is there anything in that paragraph</p> <p>13 that states or suggests that Highland has agreed</p> <p>14 to forgive in whole or in part any loan it ever</p> <p>15 extended to Highland Capital Management Services,</p> <p>16 Inc.?</p> <p>17 A. No.</p> <p>18 Q. The next paragraph relates to</p> <p>19 Mr. Dondero.</p> <p>20 Do you see that?</p> <p>21 A. Yes.</p> <p>22 Q. And do you see that it states that</p> <p>23 Mr. Dondero didn't obtain any new loans from</p> <p>24 Highland in 2017?</p> <p>25 A. Yes.</p>

<p style="text-align: right;">Page 166</p> <p>1 ALAN JOHNSON</p> <p>2 Q. And do you see that –</p> <p>3 MR. MORRIS: Michael, I'm boring you,</p> <p>4 because you should be asking as asked and</p> <p>5 answered because there's that \$14.5 million</p> <p>6 number that I know Mr. Johnson wrote down,</p> <p>7 right? So we have done this before. Okay?</p> <p>8 Let's go to the 2018 audited</p> <p>9 financials.</p> <p>10 MS. CANTY: This is Exhibit 34.</p> <p>11 MR. MORRIS: Thank you very much.</p> <p>12 (Exhibit 34, Highland's audited</p> <p>13 financial statements for December 31, 2018,</p> <p>14 was marked for identification at this time.)</p> <p>15 MR. MORRIS: And if we can go to the</p> <p>16 first page.</p> <p>17 BY MR. MORRIS:</p> <p>18 Q. Do you see that this is a – the first</p> <p>19 page of Highland's audited financial statements</p> <p>20 for the period ending December 31, 2018?</p> <p>21 A. Yes.</p> <p>22 MR. MORRIS: Before we go to – before</p> <p>23 we go to the affiliate loans, can we just</p> <p>24 turn to the – I think it's the first</p> <p>25 substantive page, the balance sheet.</p>	<p style="text-align: right;">Page 167</p> <p>1 ALAN JOHNSON</p> <p>2 Yes, stop right there.</p> <p>3 Q. Do you see – do you see the balance</p> <p>4 sheet, sir?</p> <p>5 A. Yes.</p> <p>6 Q. Do you see that near the bottom</p> <p>7 there's a line item showing notes and other</p> <p>8 amounts due from affiliates?</p> <p>9 A. Oh, yeah – I'm sorry – yes.</p> <p>10 Q. And do you see that Highland has</p> <p>11 carried on its balance sheet \$173.4 million in</p> <p>12 notes and other amounts due from affiliates?</p> <p>13 A. Yes.</p> <p>14 Q. Do you understand that the affiliates</p> <p>15 are owned and controlled by Mr. Dondero?</p> <p>16 A. Owned and controlled? I think</p> <p>17 Mr. Okada owned some of – he certainly controlled</p> <p>18 them. I don't know if he had 100 percent</p> <p>19 ownership of all of them. He certainly controlled</p> <p>20 the affiliates we're talking about.</p> <p>21 Q. At the time that you prepared your</p> <p>22 report, did you know that Highland's affiliates</p> <p>23 owed it \$174 million as of the end of 2018?</p> <p>24 A. I don't think I was aware of that, no.</p> <p>25 Q. Is that a fact that you would have</p>
<p style="text-align: right;">Page 168</p> <p>1 ALAN JOHNSON</p> <p>2 wanted to be aware of before you prepared your</p> <p>3 report?</p> <p>4 A. I'm not sure. I'm not sure.</p> <p>5 Q. Well, I think you testified that if</p> <p>6 you were advising a decision maker, you would</p> <p>7 advise them to try to obtain as much information</p> <p>8 as they could concerning any loans that had been</p> <p>9 extended by the employer to or for the benefit of</p> <p>10 the executive, correct?</p> <p>11 A. That is correct.</p> <p>12 Q. And is there any reason for you to</p> <p>13 believe that this \$173.4 million didn't relate to</p> <p>14 loans that were made by the employer to or for the</p> <p>15 benefit of the executive and Mr. Okada?</p> <p>16 MR. AIGEN: Objection, form.</p> <p>17 A. Yeah, I don't – at least that</p> <p>18 174 million would say they're notes from</p> <p>19 affiliates, but the affiliates is also the</p> <p>20 businesses.</p> <p>21 So I'm not – I certainly would want</p> <p>22 to be aware of that. Whether it would have</p> <p>23 changed my report, I'd have to – I'd have to</p> <p>24 think about.</p> <p>25 Q. Okay.</p>	<p style="text-align: right;">Page 169</p> <p>1 ALAN JOHNSON</p> <p>2 But you weren't told about the</p> <p>3 totality of the loans, correct?</p> <p>4 A. I did not know the totality, no.</p> <p>5 Q. Did you know that more than 15 percent</p> <p>6 of Highland's assets were tied up in notes and</p> <p>7 other amounts due from affiliates?</p> <p>8 MR. AIGEN: Objection, form.</p> <p>9 A. I did not know that.</p> <p>10 Q. Is that a fact that you would have</p> <p>11 liked to have known about before you issued your</p> <p>12 report?</p> <p>13 A. As I answered before, I'm not sure.</p> <p>14 I'm not sure.</p> <p>15 Q. Do you think this is a fact that the</p> <p>16 decision maker should have known about before he</p> <p>17 or she entered into the forgiveness agreement?</p> <p>18 A. I think – as I testified before, I</p> <p>19 think the decision makers certainly understand the</p> <p>20 totality of the loans that are potentially being</p> <p>21 forgiven, absolutely.</p> <p>22 Q. Do you think the decision maker could</p> <p>23 have done his or her job without knowing that the</p> <p>24 employer had extended over \$173 million to the</p> <p>25 executive before entering into the agreement?</p>

<p style="text-align: right;">Page 170</p> <p>1 ALAN JOHNSON</p> <p>2 MR. AIGEN: Objection, form.</p> <p>3 A. Well, I think – at least I</p> <p>4 understand, the way it's stated here in the</p> <p>5 financials, those are to the businesses.</p> <p>6 So I think the – a decision maker</p> <p>7 should know, you know, the totality of the loans</p> <p>8 being forgiven and the decision maker probably</p> <p>9 should have some idea of the various – as I</p> <p>10 testified earlier, about the financial condition</p> <p>11 of the company, which would include these notes</p> <p>12 from affiliates.</p> <p>13 MR. MORRIS: Let's – can we scroll</p> <p>14 down a page or two?</p> <p>15 Okay. Stop right – a little</p> <p>16 further – no, go to the top of this page.</p> <p>17 Q. Do you see that this page is the</p> <p>18 consolidated income statement?</p> <p>19 A. Yes.</p> <p>20 Q. And you're familiar with income</p> <p>21 statements. Is that right?</p> <p>22 A. Yes.</p> <p>23 MR. MORRIS: Okay. Can we go to the</p> <p>24 bottom, please?</p> <p>25 Q. Do you see that in the year before</p>	<p style="text-align: right;">Page 171</p> <p>1 ALAN JOHNSON</p> <p>2 bankruptcy, the net loss attributable to Highland</p> <p>3 was more than \$73 million, at the bottom of the</p> <p>4 page?</p> <p>5 A. Yes.</p> <p>6 Q. Is that a fact that you knew of at the</p> <p>7 time that you prepared your report?</p> <p>8 A. I did not.</p> <p>9 Q. Is that a fact that you would have</p> <p>10 liked to have known about before you prepared your</p> <p>11 report?</p> <p>12 A. I would have liked to have seen all of</p> <p>13 these financial statements before I prepared my</p> <p>14 report, absolutely.</p> <p>15 Q. Is the fact that Highland lost</p> <p>16 \$73 million in 2018 relevant to your analysis at</p> <p>17 all?</p> <p>18 A. I'd have to think about it, but I</p> <p>19 certainly would have wanted to know about it.</p> <p>20 Q. And you were told by Mr. Dondero that</p> <p>21 the forgiveness agreement was entered into in</p> <p>22 either December of 2018 or January or February of</p> <p>23 2019, correct?</p> <p>24 A. It's in my report. I can't remember</p> <p>25 if it was late '17 or '18 or late '18 and '19.</p>
<p style="text-align: right;">Page 172</p> <p>1 ALAN JOHNSON</p> <p>2 Sitting here, I don't recall which, but it was</p> <p>3 told a time frame. It was either late one year or</p> <p>4 early the next. I don't recall the –</p> <p>5 Q. We're not going to put it back up on</p> <p>6 the screen, but I'll just try to refresh your</p> <p>7 recollection that on page 6 of your report, you</p> <p>8 had stated, "I understand from Mr. Dondero that</p> <p>9 the 2018 loans that are the subject of this suit</p> <p>10 were modified by an agreement in late 2018 or</p> <p>11 early 2019."</p> <p>12 Does that refresh your recollection as</p> <p>13 to the timing of the purported agreement that was</p> <p>14 described to you?</p> <p>15 A. Yes, I think that's right, yep.</p> <p>16 Q. And do you understand that this</p> <p>17 \$74 million loss relates to the period ending in</p> <p>18 December 2018?</p> <p>19 A. Yes.</p> <p>20 Q. And do you think the decision maker</p> <p>21 should have known about the financial condition of</p> <p>22 the company when he or she entered into the</p> <p>23 agreement on behalf of Highland in late 2018 or</p> <p>24 early 2019?</p> <p>25 A. The decision maker should have had an</p>	<p style="text-align: right;">Page 173</p> <p>1 ALAN JOHNSON</p> <p>2 idea about the condition of the company,</p> <p>3 absolutely.</p> <p>4 Q. Do you have any reason to believe that</p> <p>5 the decision maker had any information about the</p> <p>6 financial condition of the company before agreeing</p> <p>7 on behalf of Highland to enter into a forgiveness</p> <p>8 of loans with the potential value of 40 to</p> <p>9 \$50 million?</p> <p>10 A. I have no information about that.</p> <p>11 MR. MORRIS: Can we go back to the</p> <p>12 balance sheet for a second?</p> <p>13 Q. Do you see how the assets exceed the</p> <p>14 liabilities and there's partners' capital of about</p> <p>15 \$371 million?</p> <p>16 A. Yes.</p> <p>17 Q. That partners' capital assumes that</p> <p>18 the value of the notes and other amounts due and</p> <p>19 affiliates equals \$173.4 million, correct?</p> <p>20 A. That's one of the assumptions, right,</p> <p>21 yes.</p> <p>22 Q. And there's nothing on the balance</p> <p>23 sheet that discloses potential litigation</p> <p>24 liability, correct?</p> <p>25 A. No, there's nothing on here, on the</p>

<p style="text-align: right;">Page 174</p> <p>1 ALAN JOHNSON</p> <p>2 balance sheet, no.</p> <p>3 Q. Did anybody ever give you any</p> <p>4 information about potential litigation risk that</p> <p>5 Highland faced in 2018 and '19?</p> <p>6 A. I think in preparing my report, I was</p> <p>7 aware of litigation around this company. I think</p> <p>8 there had been an arbitration award that was</p> <p>9 outstanding, so I was aware of any significant</p> <p>10 litigation risk and litigation expenses ongoing.</p> <p>11 I was aware of that.</p> <p>12 Q. Okay.</p> <p>13 So is it fair to say that the</p> <p>14 statement of partners' capital on this page, to</p> <p>15 the best of your knowledge, assumes the recovery</p> <p>16 in full – assumes, among other things, the</p> <p>17 recovery in full of the notes and other amounts</p> <p>18 due from affiliates in the amount of</p> <p>19 \$173.4 million?</p> <p>20 A. That's one of the assumptions that</p> <p>21 goes into this balance sheet, yes.</p> <p>22 Q. And is it fair to say that the</p> <p>23 statement of partners' capital doesn't take into</p> <p>24 account at all litigation risk?</p> <p>25 MR. AIGEN: Objection, form.</p>	<p style="text-align: right;">Page 175</p> <p>1 ALAN JOHNSON</p> <p>2 A. That, I don't know. I don't know what</p> <p>3 PwC would have done with the litigation risk.</p> <p>4 But if we're just looking at the line</p> <p>5 items here, I don't see a reserve for litigation,</p> <p>6 but that might be in the footnotes or so forth.</p> <p>7 But as written here, the balance sheet seems to</p> <p>8 suggest that there is no – there's nothing on</p> <p>9 here for litigation risk.</p> <p>10 Q. Okay.</p> <p>11 MR. MORRIS: Can we go to page – I</p> <p>12 think it's 28.</p> <p>13 Q. Amount – you see, "Notes and Other</p> <p>14 Amounts Due From Affiliates"?</p> <p>15 A. Yes.</p> <p>16 Q. There's notes from HCMFA.</p> <p>17 Do you see that?</p> <p>18 A. Yes.</p> <p>19 Q. We'll just do it the same way.</p> <p>20 Can you take a look at that paragraph</p> <p>21 and let me know if you see anything in there that</p> <p>22 states or suggests that Highland agreed to forgive</p> <p>23 in whole or in part any loan it ever extended to</p> <p>24 HCMFA?</p> <p>25 A. I don't see that, no.</p>
<p style="text-align: right;">Page 176</p> <p>1 ALAN JOHNSON</p> <p>2 Q. Okay.</p> <p>3 Same question for the next paragraph,</p> <p>4 can you tell me if you see anything in the second</p> <p>5 paragraph that states or suggests that Highland</p> <p>6 has agreed to forgive in whole or in part any loan</p> <p>7 it ever extended to NexPoint?</p> <p>8 A. I don't – I don't see that there</p> <p>9 either.</p> <p>10 Q. Next paragraph, is there anything in</p> <p>11 the next paragraph that states or suggests that</p> <p>12 Highland has agreed to forgive in whole or in part</p> <p>13 any loan it ever extended to HCRE Partners?</p> <p>14 A. No, I don't see that.</p> <p>15 Q. The next paragraph, is there anything</p> <p>16 in the next paragraph that states or suggests that</p> <p>17 Highland has agreed to forgive in whole or in part</p> <p>18 any note it ever extended to Highland Capital</p> <p>19 Management Services, Inc.?</p> <p>20 A. No, I don't see that.</p> <p>21 Q. And do you see that with respect to</p> <p>22 these four paragraphs, each of them still contains</p> <p>23 as its last sentence the statement that the fair</p> <p>24 value of the partnership's outstanding notes</p> <p>25 receivable approximates the carrying value the</p>	<p style="text-align: right;">Page 177</p> <p>1 ALAN JOHNSON</p> <p>2 notes receivable?</p> <p>3 A. Yes.</p> <p>4 Q. So this is as late as – for the</p> <p>5 financial statements that are dated as of – I'm</p> <p>6 sorry.</p> <p>7 This is – these statements refer –</p> <p>8 withdrawn.</p> <p>9 These statements concern Highland's</p> <p>10 audited financial statements for the period ending</p> <p>11 December 31, 2018, correct?</p> <p>12 A. Yes.</p> <p>13 Q. Okay. Let's continue to scroll down.</p> <p>14 Do you see there's a reference to Jim</p> <p>15 Dondero having issued new promissory notes for</p> <p>16 \$14.9 million in 2018?</p> <p>17 A. Yes.</p> <p>18 Q. Okay. So if you add the 14.9 with the</p> <p>19 14.5 that was due – if you could write this</p> <p>20 down – at the end of 2018, that would be a total</p> <p>21 of \$29.4 million.</p> <p>22 Do I have that right?</p> <p>23 A. I believe that's right, yes.</p> <p>24 Q. Okay.</p> <p>25 But at the end of the year, he</p>

<p>Page 178</p> <p>1 ALAN JOHNSON</p> <p>2 actually owed just a hair less than that,</p> <p>3 \$29.2 million.</p> <p>4 Do you see that?</p> <p>5 A. Yes.</p> <p>6 Q. Okay.</p> <p>7 Is it fair to conclude that at some</p> <p>8 point in 2018, Mr. Dondero made a modest payment</p> <p>9 of principal and interest against the loans that</p> <p>10 were outstanding to Highland?</p> <p>11 MR. AIGEN: Objection, form.</p> <p>12 A. That – that appears what's going on,</p> <p>13 yes.</p> <p>14 Q. And there's certainly nothing in this</p> <p>15 paragraph that states or suggests that Highland</p> <p>16 agreed to forgive in whole or in part any loan it</p> <p>17 ever extended to Mr. Dondero, correct?</p> <p>18 A. That's right.</p> <p>19 Q. And the next paragraph again relates</p> <p>20 to Mr. Okada.</p> <p>21 Do you see that?</p> <p>22 A. Yes.</p> <p>23 Q. And there's nothing in that paragraph</p> <p>24 that states or suggests that Mr. Okada had – had</p> <p>25 reached an agreement with Highland on the</p>	<p>Page 179</p> <p>1 ALAN JOHNSON</p> <p>2 forgiveness of any loan extended to him in whole</p> <p>3 or in part?</p> <p>4 A. That's correct.</p> <p>5 MR. MORRIS: Okay. Can we go down to</p> <p>6 the next page, please.</p> <p>7 Q. Okay. And then you have the same</p> <p>8 statement about Dugaboy and the contribution</p> <p>9 agreement.</p> <p>10 Do you see that?</p> <p>11 A. Yes, I see it.</p> <p>12 Q. Is there anything in either paragraph</p> <p>13 that states or suggests that Highland has agreed</p> <p>14 to forgive in whole or in part any loan it ever</p> <p>15 extended to Dugaboy or pursuant to – in</p> <p>16 connection with the contribution agreement?</p> <p>17 A. No.</p> <p>18 Q. Okay.</p> <p>19 Are you familiar with the concept of</p> <p>20 subsequent events?</p> <p>21 A. Sure.</p> <p>22 Q. And what's your understanding of the</p> <p>23 concept of subsequent events for purposes of</p> <p>24 audited financial statements?</p> <p>25 A. In the footnotes, often they'll talk</p>
<p>Page 180</p> <p>1 ALAN JOHNSON</p> <p>2 about events that happen shortly after the end of</p> <p>3 the fiscal year and before the reports or things,</p> <p>4 and usually, they'll appear in the footnotes and</p> <p>5 talk about events that a shareholder should be</p> <p>6 aware of that have happened following the</p> <p>7 financial year end and the issues of the</p> <p>8 financials.</p> <p>9 Q. It's not just the shareholders, it's</p> <p>10 anybody who uses or relies on the financial</p> <p>11 statements should have that information. Is that</p> <p>12 fair?</p> <p>13 MR. AIGEN: Objection.</p> <p>14 A. Anybody who – yeah, well said, anyone</p> <p>15 who relies on it, the subsequent event is</p> <p>16 material – is material enough that you should</p> <p>17 be – you she take into account and be aware of.</p> <p>18 Q. Now, if Mr. Dondero had entered into</p> <p>19 the forgiveness agreement in late 2018, would you</p> <p>20 have expected it to have been described in the</p> <p>21 section that we just looked at?</p> <p>22 MR. AIGEN: Objection, form.</p> <p>23 A. I would hope it would show up in the</p> <p>24 reported financials. I would hope that would</p> <p>25 happen, yes.</p>	<p>Page 181</p> <p>1 ALAN JOHNSON</p> <p>2 Q. Why is it your hope that it would</p> <p>3 happen?</p> <p>4 A. Well, as I testified earlier, I</p> <p>5 recommend to clients, and sometimes they follow,</p> <p>6 to document things in writing, and if it's in</p> <p>7 writing, it would usually or hopefully would show</p> <p>8 up in the audited financial statements.</p> <p>9 Q. Would you always recommend your client</p> <p>10 to inform its auditors of any agreement relating</p> <p>11 to the forgiveness of loans made to executives?</p> <p>12 MR. AIGEN: Objection, form.</p> <p>13 A. I would certainly recommend – if it</p> <p>14 was an issue, I would certainly recommend to</p> <p>15 clients that they report to the finance team,</p> <p>16 which would then talk to the auditors, about how</p> <p>17 to disclose material loans to executives and if</p> <p>18 they were going to be forgiven.</p> <p>19 MR. MORRIS: Okay. Can we scroll</p> <p>20 down – I apologize, I don't know the page</p> <p>21 number, but there's a section of this report</p> <p>22 concerning subsequent events.</p> <p>23 Okay. Right there.</p> <p>24 Q. Do you see on page 38 of Highland's</p> <p>25 2018 audited financials there's Section 15</p>

<p style="text-align: right;">Page 182</p> <p>1 ALAN JOHNSON</p> <p>2 entitled, "Subsequent Events"?</p> <p>3 A. Yes.</p> <p>4 MR. MORRIS: Okay. If we could just</p> <p>5 show Mr. Johnson that portion and continue</p> <p>6 on to page 39.</p> <p>7 Q. Okay. And do you see – now that</p> <p>8 you've got the whole section on the screen, do you</p> <p>9 see in the next-to-the-last paragraph there's a</p> <p>10 reference to HCMFA having issued promissory notes</p> <p>11 to the partnership in the aggregate amount of</p> <p>12 \$7.4 million during the course of 2019 through the</p> <p>13 date of the report?</p> <p>14 A. Yeah, yes. Yes, I see that.</p> <p>15 Q. Is it your understanding with 30 years</p> <p>16 in the industry that the auditors would require</p> <p>17 the disclosure of material transactions that occur</p> <p>18 after the date of the report but prior to its</p> <p>19 issuance?</p> <p>20 MR. AIGEN: Objection, form.</p> <p>21 A. I'm not familiar with the exact</p> <p>22 accounting rules of what qualifies as subsequent</p> <p>23 event, but my expectation would be that material</p> <p>24 events that occurred after the end of the year</p> <p>25 would be disclosed in a section like this before</p>	<p style="text-align: right;">Page 183</p> <p>1 ALAN JOHNSON</p> <p>2 the financials came out.</p> <p>3 Q. If Mr. Dondero had entered into his</p> <p>4 forgiveness agreement in early 2019, would you</p> <p>5 have expected that agreement to have been</p> <p>6 disclosed in the subsequent event section of the</p> <p>7 audited financial report?</p> <p>8 MR. AIGEN: Objection, form.</p> <p>9 A. As I said earlier, I would hope it</p> <p>10 would be – I would hope that it would be</p> <p>11 documented and I would hope that if it was – in</p> <p>12 this case, was significant, that it would have</p> <p>13 been informed and probably shown up in a section</p> <p>14 like this.</p> <p>15 Q. But you don't see it show up in a</p> <p>16 section like this, do you, sir?</p> <p>17 A. I don't see it here, no.</p> <p>18 MR. MORRIS: Can we go to the, I</p> <p>19 think, second or third page of the document?</p> <p>20 Yeah, the signature page, yeah.</p> <p>21 Q. Do you see that that's</p> <p>22 PricewaterhouseCoopers' signature on the audited</p> <p>23 financial report for the period ending</p> <p>24 December 31, 2018?</p> <p>25 A. You mean, '19 – nor '18 – I'm</p>
<p style="text-align: right;">Page 184</p> <p>1 ALAN JOHNSON</p> <p>2 sorry – yes, I see PwC.</p> <p>3 Q. Right.</p> <p>4 And do you see it's dated June 3,</p> <p>5 2019?</p> <p>6 A. Yes.</p> <p>7 Q. And is it your understanding that the</p> <p>8 subsequent event section covers the period</p> <p>9 January 1, 2019 until June 3, 2019?</p> <p>10 A. I'm not – again, I'm not an expert on</p> <p>11 exactly the timing of the subsequent events, but</p> <p>12 it – it would have – it covers some of the</p> <p>13 period – some or all the period before they</p> <p>14 issued. I don't know when they have a cutoff, but</p> <p>15 it covers certainly at period after the end of the</p> <p>16 year before these are finalized.</p> <p>17 Q. Okay. So just to shift gears – you</p> <p>18 can take this down, please.</p> <p>19 Just a few more questions and we will</p> <p>20 have a short break for lunch, and I hope I won't</p> <p>21 have a lot more after that, just to give you a</p> <p>22 sense of where we are.</p> <p>23 We just saw, based on the 2018 audited</p> <p>24 financials, that as of the end of that year,</p> <p>25 Mr. Dondero had loans outstanding of approximately</p>	<p style="text-align: right;">Page 185</p> <p>1 ALAN JOHNSON</p> <p>2 \$29.4 million, at least according to the audited</p> <p>3 financial statements, right?</p> <p>4 A. I think that's true from Highland. I</p> <p>5 don't know if that included the different</p> <p>6 affiliates, but I think that's an accurate figure</p> <p>7 from Highland.</p> <p>8 Q. And do you understand that Mr. Dondero</p> <p>9 has borrowed money from other affiliates as well?</p> <p>10 A. I believe that's true, yes.</p> <p>11 Q. Do you have any understanding of the</p> <p>12 magnitude of his borrowing from those affiliates?</p> <p>13 A. I believe in this case there's, I</p> <p>14 believe, something like 40 to \$50 million at</p> <p>15 stake, but I don't know the interplay of the</p> <p>16 different – the different amounts.</p> <p>17 Q. Just maybe I'm confused, but are you</p> <p>18 talking about the money loaned from Highland to</p> <p>19 affiliates or are you talking about money loaned</p> <p>20 from affiliates to Mr. Dondero?</p> <p>21 A. I – Mr. Dondero owes – that he owes,</p> <p>22 if I'm phrasing it correctly.</p> <p>23 Q. All right. Look, I don't want to</p> <p>24 confuse this, so let's try and keep this simple.</p> <p>25 We just saw in the 2018 audit report</p>

<p style="text-align: right;">Page 186</p> <p>1 ALAN JOHNSON</p> <p>2 that as of the end of the year, he personally had</p> <p>3 obligations to Highland of \$29.4 million, right?</p> <p>4 A. Yes.</p> <p>5 Q. Okay.</p> <p>6 And there was nothing in the audited</p> <p>7 financial statements that suggested that any</p> <p>8 portion of that was subject to forgiveness,</p> <p>9 correct?</p> <p>10 A. That's correct.</p> <p>11 Q. Okay.</p> <p>12 And you're aware that Highland was a</p> <p>13 debtor in bankruptcy. Is that right?</p> <p>14 A. It went into bankruptcy. I don't</p> <p>15 recall the date of the filing, but it certainly</p> <p>16 went into bankruptcy.</p> <p>17 Q. Did you – did you – do you know –</p> <p>18 are you aware that it filed for bankruptcy in</p> <p>19 October of 2019.</p> <p>20 A. That's the time frame. That's what I</p> <p>21 believed, yes.</p> <p>22 Q. Just a few months after</p> <p>23 PricewaterhouseCoopers signed off on the 2018</p> <p>24 audit, right?</p> <p>25 A. Yes.</p>	<p style="text-align: right;">Page 187</p> <p>1 ALAN JOHNSON</p> <p>2 Q. Do you know if Mr. Dondero or anyone</p> <p>3 acting on his behalf ever informed the bankruptcy</p> <p>4 court that some or all of the loans were subject</p> <p>5 to forgiveness?</p> <p>6 A. That, I don't know.</p> <p>7 Q. Did you – did you ask anybody?</p> <p>8 A. No.</p> <p>9 Q. If you were advising a client – if</p> <p>10 you were advising a debtor in bankruptcy – no –</p> <p>11 withdrawn.</p> <p>12 If you were advising the maker of</p> <p>13 certain notes that were held by a debtor in</p> <p>14 bankruptcy, would you advise that client to tell</p> <p>15 the Court of any agreements that existed that –</p> <p>16 pursuant to which the notes might be forgiven?</p> <p>17 MR. AIGEN: Objection, form.</p> <p>18 A. I would certainly – if it wasn't</p> <p>19 obvious already, I would have certainly advised</p> <p>20 the client to inform whoever if there are terms</p> <p>21 that would be favorable to them, absolutely.</p> <p>22 Q. And why would you do that?</p> <p>23 A. Well, if I was an executive or an</p> <p>24 entity that had forgiveness provisions that might</p> <p>25 benefit me and someone else who's not a banker or</p>
<p style="text-align: right;">Page 188</p> <p>1 ALAN JOHNSON</p> <p>2 bankruptcy judge wasn't aware of it, I would</p> <p>3 suggest that they inform them rapidly that these</p> <p>4 favorable provisions were in place.</p> <p>5 Q. Can you think of any reason why the</p> <p>6 executive wouldn't disclose the favorable</p> <p>7 provisions that were in place?</p> <p>8 MR. AIGEN: Objection, form.</p> <p>9 A. Having seen some bankruptcies, I think</p> <p>10 people forget, people make bad decisions. In the</p> <p>11 chaotic situations that happen, people often</p> <p>12 ignore things. But I – the most logical one</p> <p>13 would be the confusion or chaos.</p> <p>14 Q. Let me give you a hypothetical:</p> <p>15 There's an executive who owes a bankrupt entity</p> <p>16 \$30 million in its individual capacity, and the</p> <p>17 debtor discloses in its disclosure statement and</p> <p>18 its plan of reorganization its intention to</p> <p>19 collect that \$30 million as part of its plan of</p> <p>20 reorganization.</p> <p>21 If the executive doesn't stand up and</p> <p>22 say, Hold your horses, I've got an agreement</p> <p>23 pursuant to which those notes might be forgiven,</p> <p>24 and only makes that disclosure after litigation is</p> <p>25 commenced, in your experience as an executive</p>	<p style="text-align: right;">Page 189</p> <p>1 ALAN JOHNSON</p> <p>2 compensation consultant, would you question</p> <p>3 whether there was really an agreement in the first</p> <p>4 place?</p> <p>5 MR. AIGEN: Objection, form.</p> <p>6 A. Of course I would question it, and I</p> <p>7 often question clients about decisions that I</p> <p>8 wished they hadn't made, but yeah, certainly, I</p> <p>9 would question it.</p> <p>10 Q. And what if you knew in the</p> <p>11 hypothetical that the individual was represented</p> <p>12 by multiple law firms, would that cause you to</p> <p>13 question it even further?</p> <p>14 MR. AIGEN: Objection, form.</p> <p>15 A. No, I would expect in a situation like</p> <p>16 that, he would be represented by a bunch of law</p> <p>17 firms, but I would certainly question that. It</p> <p>18 seems convenient. That doesn't mean it's not</p> <p>19 true, though, which I often find clients that make</p> <p>20 very unfortunate decisions, so – but I would</p> <p>21 certainly question it.</p> <p>22 Q. Okay. Just a few more questions</p> <p>23 before we break.</p> <p>24 So we spent a lot of time, and I</p> <p>25 really appreciate your patience, Mr. Johnson,</p>

<p>Page 190</p> <p>1 ALAN JOHNSON</p> <p>2 going through many of Highland's audited financial</p> <p>3 statements, but I just want to know, with the</p> <p>4 caveat that you're relying on only what I showed</p> <p>5 you, with that caveat, would you agree with me</p> <p>6 that based on our review Highland has not forgiven</p> <p>7 a loan to anyone in the world since around 2009?</p> <p>8 A. Yeah, that's what it appeared from the</p> <p>9 financials, I guess.</p> <p>10 The only thing that makes me pause is</p> <p>11 I'd want to look at the -- again, the similar</p> <p>12 documents for the affiliates and see if there's</p> <p>13 stuff in there as well. But in the documents that</p> <p>14 you showed, that appeared to be, you know, what is</p> <p>15 recorded in these financials.</p> <p>16 Q. And Highland -- the -- Highland</p> <p>17 capital Management, L.P. is the only payee on the</p> <p>18 notes that you're aware of, correct?</p> <p>19 A. I believe so. I believe that's right.</p> <p>20 Q. And Highland Capital Management, L.P.</p> <p>21 was the only entity that was in bankruptcy. Is</p> <p>22 that right?</p> <p>23 A. I believe that's right.</p> <p>24 MR. AIGEN: Objection to form.</p> <p>25 Q. And you're not aware that Highland has</p>	<p>Page 191</p> <p>1 ALAN JOHNSON</p> <p>2 an ownership interest in any of the makers under</p> <p>3 any of the notes at issue here, correct?</p> <p>4 A. That, you're getting -- I'm not sure I</p> <p>5 understand -- ownership -- that, I don't know.</p> <p>6 Q. Okay. Okay.</p> <p>7 But we can agree that, based at least</p> <p>8 on Highland's audited financial statements, you're</p> <p>9 comfortable concluding that Highland hasn't</p> <p>10 forgiven a loan to anybody or any entity since</p> <p>11 2009, correct?</p> <p>12 A. That's the only thing, and the things</p> <p>13 you showed me have been disclosed, that's right.</p> <p>14 Q. And based on what I showed you, you're</p> <p>15 comfortable in concluding that the largest loan</p> <p>16 that Highland ever forgave was \$500,000. Is that</p> <p>17 fair?</p> <p>18 A. That's what it appears, that's right.</p> <p>19 Q. Okay.</p> <p>20 And based on what I showed you, you're</p> <p>21 comfortable excluding that Highland has never</p> <p>22 forgiven a loan to Mr. Dondero, correct, or at</p> <p>23 least through 2008?</p> <p>24 A. And as reported in the financials,</p> <p>25 that appears to be correct, yes.</p>
<p>Page 192</p> <p>1 ALAN JOHNSON</p> <p>2 Q. And based on the information that I've</p> <p>3 given you and the financials that we looked at,</p> <p>4 you're comfortable concluding that at no time</p> <p>5 since at least 2008 has Highland ever forgiven in</p> <p>6 whole or in part any loan that it ever extended to</p> <p>7 any affiliate, right?</p> <p>8 MR. AIGEN: Objection to form.</p> <p>9 A. That's -- that's what's in the</p> <p>10 financials, yes.</p> <p>11 MR. MORRIS: Okay. So it's 1 o'clock.</p> <p>12 Let's break until 1:30. And I hope, you</p> <p>13 know, I have another 60 or 90 minutes.</p> <p>14 Thank you very much.</p> <p>15 (Luncheon recess taken from 1:02 p.m.</p> <p>16 until 1:32 p.m.)</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	<p>Page 193</p> <p>1 ALAN JOHNSON</p> <p>2 AFTERNOON SESSION</p> <p>3 (Time noted: 1:32 p.m.)</p> <p>4 BY MR. MORRIS:</p> <p>5 Q. Good afternoon, Mr. Johnson.</p> <p>6 A. Hello.</p> <p>7 Q. Did you speak with anybody during the</p> <p>8 break about the substance of your testimony today?</p> <p>9 A. No.</p> <p>10 MR. MORRIS: Okay. I'd like to put up</p> <p>11 on the screen a document that has been</p> <p>12 premarked as Exhibit 70 -- you know what, I</p> <p>13 apologize, not 70, 73.</p> <p>14 (Exhibit 73 Exhibit 73, Demonstrative,</p> <p>15 was marked for identification at this time.)</p> <p>16 BY MR. MORRIS:</p> <p>17 Q. Mr. Johnson, are you able to view the</p> <p>18 document that's been premarked as Exhibit 33</p> <p>19 that's up on the screen?</p> <p>20 A. Yes. Yes, I can.</p> <p>21 Q. So I'm going to represent to you that</p> <p>22 this is a -- this is what we call a "demonstrative</p> <p>23 exhibit," right?</p> <p>24 This isn't a document that was</p> <p>25 prepared in the ordinary course of business. It's</p>

<p style="text-align: right;">Page 194</p> <p>1 ALAN JOHNSON</p> <p>2 a summary of other information that we've produced</p> <p>3 in this litigation, and I will represent to you</p> <p>4 that we have produced in this litigation, among</p> <p>5 other things, bank statements that show the</p> <p>6 transfer of money on behalf of Mr. Dondero against</p> <p>7 a couple of outstanding notes.</p> <p>8 And, you know, Mr. Dondero's counsel</p> <p>9 can, you know, take the documents that were</p> <p>10 produced with this to make sure that it's</p> <p>11 accurate, but I believe it to be accurate, and I</p> <p>12 just want to ask you some questions about this –</p> <p>13 about the information that's contained in this</p> <p>14 document.</p> <p>15 I assume you've never seen this</p> <p>16 before, right?</p> <p>17 A. I don't – I may have seen something</p> <p>18 similar. I don't believe I've seen this exact</p> <p>19 thing, no.</p> <p>20 Q. Were you – do you remember before we</p> <p>21 looked back and there was that \$14.9 million loan</p> <p>22 that was reflected in the – in the financials?</p> <p>23 A. Yes.</p> <p>24 Q. And I'll represent to you that's</p> <p>25 what's the restructured note in Column C and D.</p>	<p style="text-align: right;">Page 195</p> <p>1 ALAN JOHNSON</p> <p>2 Do you see that?</p> <p>3 A. Yes.</p> <p>4 Q. Okay.</p> <p>5 And do you recall from the financials</p> <p>6 that in 2018, Mr. Dondero had borrowed an</p> <p>7 additional \$14 million and change?</p> <p>8 A. Yes.</p> <p>9 Q. Okay.</p> <p>10 I'll represent to you that the</p> <p>11 January 18, 2018 note in the principal amount of</p> <p>12 \$7.9 million was among the new loans that he</p> <p>13 obtained in 2018.</p> <p>14 Were you ever informed that in 2017,</p> <p>15 '18, and '19, Mr. Dondero was making payments of</p> <p>16 principal and interest due on loans that he had</p> <p>17 obtained from Highland?</p> <p>18 A. I don't think I discussed that with</p> <p>19 anybody. I think I had noticed that – these loan</p> <p>20 amounts changing around, that something was going</p> <p>21 on in terms of payment, but I don't think I</p> <p>22 discussed that with anybody.</p> <p>23 Q. Before completing your report, would</p> <p>24 you have liked to have known about Mr. Dondero's</p> <p>25 payment history, if any?</p>
<p style="text-align: right;">Page 196</p> <p>1 ALAN JOHNSON</p> <p>2 A. Yeah, that would have been something I</p> <p>3 would have liked to have known, yes.</p> <p>4 Q. Because that would relate to the whole</p> <p>5 concept of whether or not there was a prior course</p> <p>6 of forgiveness. Is that right?</p> <p>7 A. I would – yeah, that would have</p> <p>8 been – that would have been helpful to know.</p> <p>9 Q. I mean, it's – you wouldn't dispute</p> <p>10 that if, in fact, this chart is correct and</p> <p>11 Mr. Dondero was making payments in 2017, '18, and</p> <p>12 '19 against those notes, that those notes were not</p> <p>13 likely to be subject to any forgiveness agreement,</p> <p>14 correct?</p> <p>15 MR. AIGEN: Objection, form.</p> <p>16 A. As I testified before, you could have</p> <p>17 a loan forgiveness that you would make payments</p> <p>18 on. It really would depend on the circumstances</p> <p>19 and what you thought the probability of the</p> <p>20 forgiveness happening, but answering your</p> <p>21 question, yes, I would have liked to have known</p> <p>22 about this.</p> <p>23 Q. According to this chart, if you just</p> <p>24 focus – you see the Column G, "Total Received in</p> <p>25 Respect of Retired Notes"?</p>	<p style="text-align: right;">Page 197</p> <p>1 ALAN JOHNSON</p> <p>2 A. Yes.</p> <p>3 Q. Okay.</p> <p>4 And do you see the total is</p> <p>5 approximately \$23.7 million?</p> <p>6 A. Yes.</p> <p>7 Q. If you exclude the first three</p> <p>8 payments that were made in 2017 and '18, they</p> <p>9 total about \$3.3 million or \$3.4 million.</p> <p>10 Is my math roughly correct?</p> <p>11 A. Yes, it looks that way.</p> <p>12 Q. Okay.</p> <p>13 So is it fair then to just – if you</p> <p>14 deduct that from the total, to say that</p> <p>15 Mr. Dondero made principal and interest payments</p> <p>16 against those two notes in 2019 in excess of</p> <p>17 \$20 million?</p> <p>18 A. That looks correct, yes.</p> <p>19 Q. Okay.</p> <p>20 Now, do you see the last payment was</p> <p>21 made, if you look at the Row 16, on December 23,</p> <p>22 2019?</p> <p>23 A. Yes.</p> <p>24 Q. Okay.</p> <p>25 And do you understand that that's</p>

<p>Page 198</p> <p>1 ALAN JOHNSON</p> <p>2 after the petition date?</p> <p>3 A. Yes, that would be.</p> <p>4 Q. And according to this chart anyway, in</p> <p>5 Column B, the payment that was made on that date</p> <p>6 was approximately \$783,000?</p> <p>7 A. Yes.</p> <p>8 Q. And that money was applied to</p> <p>9 outstanding principal and interest that was due</p> <p>10 under the January 18, 2018 note.</p> <p>11 Do you see that?</p> <p>12 A. Yes.</p> <p>13 Q. Okay.</p> <p>14 And do you see how the principal</p> <p>15 balance of \$7.9 million was paid exactly as of</p> <p>16 December 23, 2019?</p> <p>17 A. I'm sorry, I don't understand. The</p> <p>18 7.9 was –</p> <p>19 Q. Was the principal amount of the note,</p> <p>20 right?</p> <p>21 And I'll represent to you that the</p> <p>22 January '18 note was given by Mr. Dondero to</p> <p>23 Highland in exchange for 17. – for a \$7.9 million</p> <p>24 loan on the same day. Okay?</p> <p>25 A. Okay.</p>	<p>Page 199</p> <p>1 ALAN JOHNSON</p> <p>2 Q. And do you see in Column G, it shows</p> <p>3 that once the portion of the payment was applied</p> <p>4 to the January 2018 note, the total that was</p> <p>5 applied was about 319,000 and change?</p> <p>6 A. Yes. Okay.</p> <p>7 Q. And then there's an asterisk in</p> <p>8 Column H next to that total received on that date.</p> <p>9 Do you see that?</p> <p>10 A. Yes.</p> <p>11 Q. Okay.</p> <p>12 And if you look at the footnote, it</p> <p>13 says the difference between the total paid on</p> <p>14 December 23, 2019 and the amount applied to the</p> <p>15 January 18, 2018 note was applied in three</p> <p>16 different ways.</p> <p>17 Do you see that?</p> <p>18 A. Yes.</p> <p>19 Q. And do you see that it was applied</p> <p>20 against principal and interest due on three other</p> <p>21 notes that Mr. Dondero took in 2018?</p> <p>22 A. Yes.</p> <p>23 Q. Were you aware, until I showed you</p> <p>24 this, that Mr. Dondero had made payments of</p> <p>25 principal and interest against the notes that he</p>
<p>Page 200</p> <p>1 ALAN JOHNSON</p> <p>2 contends are subject to the forgiveness agreement?</p> <p>3 A. I don't think I was aware of that.</p> <p>4 Q. Is that a fact that you would have</p> <p>5 liked to have known before you completed your</p> <p>6 report?</p> <p>7 A. I would have probably liked to have</p> <p>8 known that, yes.</p> <p>9 Q. And why is that?</p> <p>10 A. The statement I made in the report</p> <p>11 around the practice of the company to forgive</p> <p>12 loans, I would have had to perhaps rethought that.</p> <p>13 This would have been – this would have been</p> <p>14 information that I would have liked to have known,</p> <p>15 yes.</p> <p>16 Q. In fact, this page shows that, you</p> <p>17 know, if we exclude the payment made in late 2017,</p> <p>18 from December 2018 to December 2019, Mr. Dondero</p> <p>19 paid approximately \$23-and-a-half million again</p> <p>20 principal and interest due on 5 different notes.</p> <p>21 Have I characterized that fairly based</p> <p>22 on this chart?</p> <p>23 A. I think you may have double counted in</p> <p>24 your arithmetic, but the point is he made</p> <p>25 significant payments against principal and</p>	<p>Page 201</p> <p>1 ALAN JOHNSON</p> <p>2 interest.</p> <p>3 Q. Okay. I don't want to double count.</p> <p>4 Let me try and do it again.</p> <p>5 Do you see the total Dondero payment</p> <p>6 amount in Column B is \$24.143 million.</p> <p>7 A. Yes.</p> <p>8 Q. If we simply deduct from that</p> <p>9 \$677,000, do you come out to roughly</p> <p>10 \$23-and-a-half million?</p> <p>11 A. Yes, that's right. That's right.</p> <p>12 Q. And that \$23-and-a-half million was</p> <p>13 paid in the 370-day period between December 18,</p> <p>14 2018 and December 23, 2019, correct?</p> <p>15 A. I don't want to be a stickler here,</p> <p>16 but if you look to the payment amount of</p> <p>17 24 million, I think you were trying to say that</p> <p>18 the end of '18-'19, so you'd subtract those first</p> <p>19 three payments in that Column B, I think, which</p> <p>20 gets you to about \$20 million.</p> <p>21 So it looks like in '19 – it's north</p> <p>22 of \$20 million.</p> <p>23 Q. Okay.</p> <p>24 And if we add the payments that were</p> <p>25 made on December 18, 2018 and December 19, 2018,</p>

<p style="text-align: right;">Page 202</p> <p>1 ALAN JOHNSON</p> <p>2 you come up with about 23 to \$23-and-a-half</p> <p>3 million, right?</p> <p>4 A. Something like that, that's right.</p> <p>5 Q. And that's about a one-year period</p> <p>6 that straddles the petition date, to the best of</p> <p>7 your knowledge, right?</p> <p>8 A. Yes. Yes, it does.</p> <p>9 Q. And so those payments, according to</p> <p>10 this chart – and, again, I'm asking you to assume</p> <p>11 the accuracy of this chart – according to this</p> <p>12 chart, for the approximately one-year period from</p> <p>13 December 2018 to December 2019, Mr. Dondero made</p> <p>14 principal and interest payments of approximately</p> <p>15 23 to \$23-and-a-half million against 5 different</p> <p>16 promissory notes that were held by Highland,</p> <p>17 correct?</p> <p>18 A. Yes, I believe that's true.</p> <p>19 Q. And is it fair to say that that</p> <p>20 information conflicts with the concept of Highland</p> <p>21 having a practice of forgiving loans?</p> <p>22 MR. AIGEN: Objection, form.</p> <p>23 A. Well, as I said earlier, it doesn't</p> <p>24 mean that the loans weren't forgivable. It means</p> <p>25 he made payments against loans that may have been</p>	<p style="text-align: right;">Page 203</p> <p>1 ALAN JOHNSON</p> <p>2 subject to a – you know, a forgiveness agreement,</p> <p>3 which, as I testified earlier, you know, could</p> <p>4 happen, but it would certainly be a fact you'd</p> <p>5 want to – you know, you'd want to consider.</p> <p>6 Q. And tell me the understanding – your</p> <p>7 opinion as to the circumstances under which you</p> <p>8 think a maker under notes would rationally make a</p> <p>9 payment of principal and interest against notes</p> <p>10 that were the subject of a forgiveness agreement?</p> <p>11 MR. AIGEN: Objection, form.</p> <p>12 A. Well, I think, as I testified earlier,</p> <p>13 I think someone would think to themselves, what is</p> <p>14 the likelihood of those notes being forgiven?</p> <p>15 If they believe they're not likely to</p> <p>16 be forgiven, and if they're a senior executive of</p> <p>17 the company and the company perhaps needs the</p> <p>18 money, they might make those payments. A rational</p> <p>19 executive or borrower could make those payments</p> <p>20 believing that, perhaps, the likelihood of the</p> <p>21 things being forgiven is not high and/or the</p> <p>22 company needs the money.</p> <p>23 Q. Did – did anybody give you any</p> <p>24 explanation as to why Mr. Dondero made</p> <p>25 approximately \$23-and-a-half million of payments</p>
<p style="text-align: right;">Page 204</p> <p>1 ALAN JOHNSON</p> <p>2 against premium – against principal and interest</p> <p>3 due on these 5 notes?</p> <p>4 A. No, they did not.</p> <p>5 Q. To the best of your knowledge and</p> <p>6 understanding was Mr. Dondero in control of</p> <p>7 Highland throughout that period December 2018</p> <p>8 until the end of 2019?</p> <p>9 A. I'm not – I'm not sure about what</p> <p>10 happened in bankruptcy, but certainly from the</p> <p>11 period up until the filing of the bankruptcy, he</p> <p>12 was in control.</p> <p>13 Q. Okay.</p> <p>14 Do you know – if you look at the</p> <p>15 restructure note, the January 18, 2018 note, and</p> <p>16 the notes that are referred to in Rows 21, 22, and</p> <p>17 23, are you able to identify which of them, if</p> <p>18 any, are subject to the modification agreement</p> <p>19 described in your report?</p> <p>20 A. I cannot identify them, no.</p> <p>21 Q. So you don't know which, if any, were</p> <p>22 the subject – were subject to the agreement.</p> <p>23 Do I have that right?</p> <p>24 A. I can't identify them, no.</p> <p>25 MR. MORRIS: Okay. Can we go back to</p>	<p style="text-align: right;">Page 205</p> <p>1 ALAN JOHNSON</p> <p>2 Mr. Johnson's report, Exhibit 62?</p> <p>3 And if we can go to page 3, please.</p> <p>4 Q. This is the introduction of your</p> <p>5 report, right?</p> <p>6 A. Yes.</p> <p>7 Q. And now that we've done the work we</p> <p>8 have so far today, I'm going to point you to the</p> <p>9 sentence towards the end of the first paragraph</p> <p>10 that says, "Throughout this period, he received</p> <p>11 loans in lieu of additional current compensation."</p> <p>12 Do you see that?</p> <p>13 A. Yes.</p> <p>14 Q. And the "he" there refers to</p> <p>15 Mr. Dondero, correct?</p> <p>16 A. Yes.</p> <p>17 Q. Knowing what you know now, do you</p> <p>18 stand by that statement?</p> <p>19 MR. AIGEN: Objection, form.</p> <p>20 MR. MORRIS: Withdrawn.</p> <p>21 Q. Knowing what you know now, do you</p> <p>22 believe that statement is accurate?</p> <p>23 A. I'd have to rethink about it. I</p> <p>24 haven't heard anything that would say what he told</p> <p>25 me was not true.</p>

<p style="text-align: right;">Page 206</p> <p>1 ALAN JOHNSON</p> <p>2 Q. Have you seen any evidence that</p> <p>3 Mr. Dondero ever received a loan in lieu of</p> <p>4 additional current compensation?</p> <p>5 A. Besides his – his assertions to me,</p> <p>6 I've seen no written documentation, no.</p> <p>7 Q. And, in fact, the audited financial</p> <p>8 statements that we looked at did, in fact,</p> <p>9 disclose the loans that were forgiven to the</p> <p>10 individuals that you spoke with, correct?</p> <p>11 MR. AIGEN: Objection, form.</p> <p>12 A. Yes.</p> <p>13 Q. There was nothing in any of the</p> <p>14 audited financial statements that we saw that</p> <p>15 showed that any loan was ever given to Mr. Dondero</p> <p>16 that was forgiven, correct?</p> <p>17 A. In the Highland financials we looked</p> <p>18 at – and I guess when that was asked before, I</p> <p>19 had the caveat around the affiliated companies,</p> <p>20 but in the Highland financials that we went</p> <p>21 through, there was nothing disclosed of that.</p> <p>22 Q. Highland – does the practice of other</p> <p>23 entities in terms – is that – withdrawn.</p> <p>24 When you described the practice, are</p> <p>25 you describing the practice of firms or entities</p>	<p style="text-align: right;">Page 207</p> <p>1 ALAN JOHNSON</p> <p>2 or affiliates other than Highland?</p> <p>3 A. Well, I – in this case, everything is</p> <p>4 kind of inter – intertwined here, so when I talk</p> <p>5 about loans, the loan could have potentially come</p> <p>6 from an affiliate or some other organization since</p> <p>7 these all were co-owned.</p> <p>8 So we went through the Highland thing,</p> <p>9 so the loans to Mr. Dondero could have been made</p> <p>10 by – potentially could have been made by an</p> <p>11 affiliate or some other entity.</p> <p>12 Q. Do you have knowledge of any affiliate</p> <p>13 ever forgiving any loan to Mr. Dondero?</p> <p>14 A. I do not.</p> <p>15 Q. Do you have knowledge of any affiliate</p> <p>16 ever forgiving in whole or in part any loan to</p> <p>17 anyone in the world?</p> <p>18 MR. AIGEN: Objection, form.</p> <p>19 A. I – I don't have any knowledge of</p> <p>20 that either.</p> <p>21 Q. And your report does not depend in any</p> <p>22 way, sir, on whether or not affiliates forgave</p> <p>23 loans to any of its employees, correct?</p> <p>24 MR. AIGEN: Objection to form.</p> <p>25 A. That's correct.</p>
<p style="text-align: right;">Page 208</p> <p>1 ALAN JOHNSON</p> <p>2 Q. Looking at the last sentence, there's</p> <p>3 a reference to company practice.</p> <p>4 Do you see that?</p> <p>5 A. Yes.</p> <p>6 Q. That company practice would not</p> <p>7 include the forgiveness of any loans from the year</p> <p>8 2009 until the end of 2018, correct?</p> <p>9 A. None – none of those would have</p> <p>10 been – none of those were disclosed in the</p> <p>11 financials we looked at.</p> <p>12 MR. MORRIS: Can we go to page 6,</p> <p>13 please?</p> <p>14 Q. Yeah, I'm looking at the first</p> <p>15 sentence of the second bullet point: I understand</p> <p>16 from Mr. Dondero that the 2018 loans that are the</p> <p>17 subject of the suit were modified by an agreement</p> <p>18 in late 2018 or early 2019 under which the loans</p> <p>19 would be forgiven upon the sale and over cost of</p> <p>20 substantially of any of three portfolio companies.</p> <p>21 Have I generally categorized that</p> <p>22 statement correctly?</p> <p>23 A. Yes.</p> <p>24 Q. Based on everything that we've talked</p> <p>25 about and looked at today, are you confident that</p>	<p style="text-align: right;">Page 209</p> <p>1 ALAN JOHNSON</p> <p>2 that sentence is accurate?</p> <p>3 Withdrawn.</p> <p>4 Based on everything we've talked about</p> <p>5 and looked at today, are you confident that</p> <p>6 Mr. Dondero accurately disclosed to you the</p> <p>7 subject of this agreement?</p> <p>8 MR. AIGEN: Objection, form.</p> <p>9 A. I'm sorry, could you repeat that?</p> <p>10 Q. Sure.</p> <p>11 Mr. Dondero told you that the 2018</p> <p>12 loans were the subject of a modification</p> <p>13 agreement, correct?</p> <p>14 A. Yes.</p> <p>15 Q. Would you stake your professional</p> <p>16 reputation on the accuracy of what he told you?</p> <p>17 MR. AIGEN: Objection, form.</p> <p>18 A. I – I heard him clearly. I can't</p> <p>19 vouch for his word, but he told me – what is</p> <p>20 written there is what – is what he told me</p> <p>21 happened. And I asked that question.</p> <p>22 Q. I appreciate that.</p> <p>23 So –</p> <p>24 A. I wasn't finished. I'm sorry.</p> <p>25 Q. I apologize.</p>

<p style="text-align: right;">Page 210</p> <p>1 ALAN JOHNSON</p> <p>2 A. So I asked that question, you know,</p> <p>3 pretty specifically, so that – I understood that</p> <p>4 that's what he said.</p> <p>5 And I'm sorry to interrupt you. I'm</p> <p>6 sorry. Go ahead.</p> <p>7 Q. That's okay.</p> <p>8 So what you've reported in this</p> <p>9 sentence is what you were told. Is that fair?</p> <p>10 A. Yes, I was told by Mr. Dondero about</p> <p>11 the modification of the loans.</p> <p>12 Q. And you don't have any information or</p> <p>13 evidence to support that statement other than what</p> <p>14 he told you, correct?</p> <p>15 A. I've seen no other document, no.</p> <p>16 Q. Does the absence of documentation</p> <p>17 cause you to question the reliability of what</p> <p>18 Mr. Dondero told you as described in that</p> <p>19 sentence?</p> <p>20 A. Well, as I testified before, I think</p> <p>21 it certainly would bring it into question, but as</p> <p>22 I testified before, I have other clients that</p> <p>23 don't document important things as well. So it</p> <p>24 would certainly – not the lack of documentation</p> <p>25 would bring it into question, but that doesn't</p>	<p style="text-align: right;">Page 211</p> <p>1 ALAN JOHNSON</p> <p>2 mean it's not – it's not true.</p> <p>3 Q. Would the lack of disclosure to the</p> <p>4 bankruptcy also call it into question –</p> <p>5 MR. AIGEN: Objection to form.</p> <p>6 Q. – in your opinion?</p> <p>7 A. Certainly, as I testified before,</p> <p>8 people often in chaotic situations don't do the</p> <p>9 things that are even to their advantage.</p> <p>10 So certainly that raised – that</p> <p>11 raises questions about, again, did he disclose</p> <p>12 things that may have been even to his advantage in</p> <p>13 a bankruptcy situation.</p> <p>14 Q. Would the existence of the agreement</p> <p>15 be called into question if you assumed that the</p> <p>16 decision maker never told anybody in the world</p> <p>17 that he or she had entered into the agreement on</p> <p>18 behalf of the company?</p> <p>19 MR. AIGEN: Objection, form.</p> <p>20 A. Certainly. The lack of disclosure is</p> <p>21 a reasonable question to ask, Why didn't you</p> <p>22 disclose?</p> <p>23 But as I've said a couple times now,</p> <p>24 that I've got private clients that over time have</p> <p>25 not disclosed things, and as I testified earlier,</p>
<p style="text-align: right;">Page 212</p> <p>1 ALAN JOHNSON</p> <p>2 I admonish them to write things down and disclose</p> <p>3 them, and they often don't.</p> <p>4 Q. Looking back at the document on the</p> <p>5 screen, the next-to-the-last sentence of that</p> <p>6 paragraph says, "Based on interviews from prior</p> <p>7 employees, the use of forgivable loans was a known</p> <p>8 business practice at Highland, and there was a</p> <p>9 clear expectation similar loans would be</p> <p>10 forgiven."</p> <p>11 Do you see that?</p> <p>12 A. Yes.</p> <p>13 Q. Okay.</p> <p>14 The prior employees are the four</p> <p>15 people we talked about before, right?</p> <p>16 A. Yes.</p> <p>17 Q. And they told you about the four loans</p> <p>18 that they had that were forgiven in whole or in</p> <p>19 part, correct?</p> <p>20 A. And I would answer that, yes, they</p> <p>21 said it, and Mr. Dondero mentioned it as well.</p> <p>22 Q. And they told that there was a use of</p> <p>23 forgivable loans as a nonbusiness practice at</p> <p>24 Highland, right?</p> <p>25 A. Yes.</p>	<p style="text-align: right;">Page 213</p> <p>1 ALAN JOHNSON</p> <p>2 Q. They didn't mention any other entity,</p> <p>3 correct?</p> <p>4 A. That, I don't remember. I don't</p> <p>5 believe so.</p> <p>6 Q. You wrote Highland, right?</p> <p>7 A. Yes.</p> <p>8 Q. And you haven't seen any documents</p> <p>9 that support the known business practice that they</p> <p>10 described for you, correct?</p> <p>11 A. I have seen no written documentation,</p> <p>12 no.</p> <p>13 Q. When you referred to a "clear</p> <p>14 expectation," whose expectation are you referring</p> <p>15 to?</p> <p>16 A. The recipient of the loan, that's what</p> <p>17 I was referring to.</p> <p>18 Q. And when you used the phrase "similar</p> <p>19 loans," do you mean similar to the ones that were</p> <p>20 forgiven by the four employees – the four former</p> <p>21 employees that you interviewed?</p> <p>22 A. I meant just that there was a loan of</p> <p>23 a significant period of time and it would be</p> <p>24 forgiven over time. That's what I was trying to</p> <p>25 get at there.</p>

<p style="text-align: right;">Page 214</p> <p>1 ALAN JOHNSON</p> <p>2 Q. Now that you have seen – withdrawn.</p> <p>3 Now that I have shown you the</p> <p>4 demonstrative exhibit that reflects payments by</p> <p>5 Mr. Dondero against 5 different promissory notes</p> <p>6 in the 12-month period between December '18 and</p> <p>7 December '19, do you believe that he had a clear</p> <p>8 expectation that his loans would be forgiven?</p> <p>9 MR. AIGEN: Objection, form.</p> <p>10 A. I – I don't – I don't – he hasn't</p> <p>11 told me what his expectation – I don't – I would</p> <p>12 just be speculating about what his expectations</p> <p>13 were.</p> <p>14 Q. Well, paying – paying more than</p> <p>15 \$23 million in a 12-month period is inconsistent</p> <p>16 with any expectation that the loans would be</p> <p>17 forgiven.</p> <p>18 Would you give me that?</p> <p>19 MR. AIGEN: Objection, form.</p> <p>20 A. Well, I think I testified before that</p> <p>21 you could forgive – you could make payments</p> <p>22 against the loan if you thought the probability of</p> <p>23 achieving the goals were not highly likely and/or</p> <p>24 the company needed the money.</p> <p>25 So on a private situation, such as</p>	<p style="text-align: right;">Page 215</p> <p>1 ALAN JOHNSON</p> <p>2 this, Mr. Dondero rationally could have said to</p> <p>3 himself, I'll repay the loans because the company</p> <p>4 needs the money and/or the odds of selling one of</p> <p>5 these three assets in a reasonably timely manner</p> <p>6 may be unlikely, but I'm just speculating on what</p> <p>7 he – he may have thought.</p> <p>8 Q. Okay.</p> <p>9 MR. MORRIS: Can we go to page 16,</p> <p>10 please?</p> <p>11 Q. Just to finish this up, in the middle,</p> <p>12 it says, "It is my opinion that the loans provided</p> <p>13 to Mr. Dondero should be considered potential</p> <p>14 deferred compensation as they were similar to</p> <p>15 loans given to other professionals at the firm."</p> <p>16 Have I read that correctly?</p> <p>17 A. Yes.</p> <p>18 Q. After our questions today and looking</p> <p>19 at the documents is that still your opinion?</p> <p>20 A. Well, I think it goes back to what</p> <p>21 Mr. Dondero told me. If what Mr. Dondero told me</p> <p>22 is accurate, it – his statement continues to be</p> <p>23 true, that these loans were intended to be</p> <p>24 forgiven, and that that would have been similar to</p> <p>25 the other four executives that I interviewed.</p>
<p style="text-align: right;">Page 216</p> <p>1 ALAN JOHNSON</p> <p>2 Q. So that sentence and your opinion is</p> <p>3 dependent 100 percent on the accuracy of what</p> <p>4 Mr. Dondero told you, correct?</p> <p>5 A. If Mr. Dondero, you know, was</p> <p>6 inaccurate, then that sentence will be inaccurate</p> <p>7 as well.</p> <p>8 Q. And is there anything that we looked</p> <p>9 at today, like the financial statements or the</p> <p>10 payment history for the 12-month period from</p> <p>11 December 2018 to December 2019, that calls you to</p> <p>12 question the accuracy of what he told you?</p> <p>13 A. I don't – I don't – I believe it</p> <p>14 still could very well be true, so I don't – I</p> <p>15 don't – I don't believe that – I don't believe I</p> <p>16 would have changed that sentence based on what</p> <p>17 I've heard today.</p> <p>18 Q. Your report refers in several places</p> <p>19 to a founder's premium.</p> <p>20 Do I have that phrased right?</p> <p>21 A. Yes. Yes, it does.</p> <p>22 Q. What's a founder's premium?</p> <p>23 A. In many or most financial services</p> <p>24 companies, founders get paid more than comparable</p> <p>25 executives elsewhere. They're the face of the</p>	<p style="text-align: right;">Page 217</p> <p>1 ALAN JOHNSON</p> <p>2 firm. They have an unusual stature in the</p> <p>3 industry and so forth.</p> <p>4 So when you look at large or outsized</p> <p>5 pay packages, they're often delivered to founders</p> <p>6 of similar financial firms.</p> <p>7 Q. Have you done any analysis to</p> <p>8 determine what the founder's premium would be in</p> <p>9 this case?</p> <p>10 A. I have not.</p> <p>11 Q. You're not offering any opinion as to</p> <p>12 what the founder's premium should be, correct?</p> <p>13 A. I have not done that work, no.</p> <p>14 Q. You haven't attempted to quantify what</p> <p>15 the founder's premium is, correct?</p> <p>16 A. Again, I haven't done that work.</p> <p>17 Q. Is there a particular reason why you</p> <p>18 didn't attempt to quantify or analyze the</p> <p>19 founder's premium that you referred to in your</p> <p>20 report?</p> <p>21 A. Well, when I wrote the report in May,</p> <p>22 I didn't have available some of the things we've</p> <p>23 talked about today, I just didn't feel that that</p> <p>24 was appropriate.</p> <p>25 So I took what I thought was a</p>

<p style="text-align: right;">Page 218</p> <p>1 ALAN JOHNSON</p> <p>2 conservative view of what the market rate with him</p> <p>3 would be, and then it could obviously be</p> <p>4 supplemented at some future point with additional</p> <p>5 information or facts.</p> <p>6 Q. But as you sit here today, you haven't</p> <p>7 done any analysis to try to update your report to</p> <p>8 quantify a founder's premium, correct?</p> <p>9 A. I have not.</p> <p>10 MR. MORRIS: Can we go to page 19 of</p> <p>11 Mr. Johnson's report.</p> <p>12 Q. Right there at the top, you've got</p> <p>13 Exhibit C. That's Mr. Dondero's actual</p> <p>14 compensation for the period 2013 to 2019.</p> <p>15 Do I have that right?</p> <p>16 A. Yes.</p> <p>17 Q. Why did you use that seven-year</p> <p>18 period?</p> <p>19 A. It was after the financial crisis. It</p> <p>20 seemed more stability in the business. It seemed</p> <p>21 like a reasonable period to look at.</p> <p>22 Q. Is there any -- is the decision to use</p> <p>23 the seven-year period from 2018 to 2019 a</p> <p>24 subjective decision that you made on your own?</p> <p>25 A. To be -- I don't remember.</p>	<p style="text-align: right;">Page 219</p> <p>1 ALAN JOHNSON</p> <p>2 Q. Is it fair to say that somebody else</p> <p>3 might differ with you and apply either a 4-year</p> <p>4 period, for example, or a 10-year period?</p> <p>5 A. Reasonable people might have a</p> <p>6 different point of view, yes.</p> <p>7 Q. Did you rely on any particular</p> <p>8 methodology or industry study in reaching your</p> <p>9 decision to use a seven-year period?</p> <p>10 A. No.</p> <p>11 Q. Is there any article that you're aware</p> <p>12 of or any presentation anybody has ever made</p> <p>13 whereby they -- they suggested that when doing an</p> <p>14 analysis of this type, one ought to use a</p> <p>15 seven-year look-back period?</p> <p>16 A. I -- I don't -- I'm not aware of</p> <p>17 any -- any study like that.</p> <p>18 Q. And the reason that the timeline is</p> <p>19 important, of course, is it because you're just</p> <p>20 multiplying the difference between Mr. Dondero's</p> <p>21 compensation as reflected in this chart --</p> <p>22 withdrawn.</p> <p>23 The reason why the time period is</p> <p>24 important, because you're taking the average of</p> <p>25 Mr. Dondero's annual compensation during the</p>
<p style="text-align: right;">Page 220</p> <p>1 ALAN JOHNSON</p> <p>2 seven-year period and comparing it with the</p> <p>3 average for your comps and multiplying it by</p> <p>4 seven, correct?</p> <p>5 A. Well, I'm looking at his average pay</p> <p>6 over the period. I wanted a long enough period to</p> <p>7 be representative and looking at what the market</p> <p>8 rate would have been over that period, so yes, you</p> <p>9 arithmetically will come up with a difference over</p> <p>10 that period.</p> <p>11 Q. And your difference is \$21 million,</p> <p>12 right?</p> <p>13 A. Yes.</p> <p>14 Q. And your difference is \$21 million</p> <p>15 because you compared Mr. Dondero's average of</p> <p>16 \$3 million with what you determined to be the</p> <p>17 industry average of \$6 million, you took the</p> <p>18 difference of 3 and multiplied it by the 7 years</p> <p>19 and you got to \$21 million, correct?</p> <p>20 A. In simple fashion, that's right.</p> <p>21 Q. Is there any other fashion in which my</p> <p>22 description of what you did is incorrect?</p> <p>23 A. No. I think that's accurate, but the</p> <p>24 point was that he had been underpaid from a W-2</p> <p>25 perspective during this period and, you know,</p>	<p style="text-align: right;">Page 221</p> <p>1 ALAN JOHNSON</p> <p>2 the -- anyway, that was the point.</p> <p>3 Q. And if a reasonable mind decided that,</p> <p>4 you know, the look-back period should be a bit</p> <p>5 shorter, only 5 years, then the delta would only</p> <p>6 be \$15 million, right?</p> <p>7 A. Assuming the same facts, the 3 million</p> <p>8 and the 6 million, that's right.</p> <p>9 Q. And if somebody thought it ought to be</p> <p>10 10 years, then the delta would be \$30 million,</p> <p>11 right?</p> <p>12 A. It could be, but I don't know what his</p> <p>13 pay was prior to 2013. Maybe that wouldn't be</p> <p>14 accurate. But yes, assuming the facts are the</p> <p>15 same, that would be -- that would be accurate.</p> <p>16 Q. Okay. But one of the three factors --</p> <p>17 so there are 3 factors in the \$21 million. It's</p> <p>18 Mr. Dondero's average compensation during the</p> <p>19 7-year period, correct?</p> <p>20 A. Yes.</p> <p>21 Q. And it's the industry average as</p> <p>22 you've determined for the seven-year period,</p> <p>23 correct?</p> <p>24 A. Well, just to be picky, it's not the</p> <p>25 industry average. It's what I think the market</p>

<p style="text-align: right;">Page 222</p> <p>1 ALAN JOHNSON</p> <p>2 was for his particular role, which was 6 million,</p> <p>3 but yes, it's 3 million and 6 million.</p> <p>4 Q. Thank you. Thank you for the</p> <p>5 clarification.</p> <p>6 And then the third factor in reaching</p> <p>7 the \$21 million is multiplying the difference</p> <p>8 between those first two numbers by 7, correct?</p> <p>9 A. Exactly.</p> <p>10 Q. And you determined to use 7, correct?</p> <p>11 A. Yes.</p> <p>12 Q. And you made that determination based</p> <p>13 on your subjective judgment, correct?</p> <p>14 A. Yes.</p> <p>15 Q. And you're not aware of any – any</p> <p>16 guideline, any analysis, any peer-reviewed</p> <p>17 article, any presentation, anything in the world</p> <p>18 that caused you to select 7 years. You just based</p> <p>19 that on your own experience. Is that fair?</p> <p>20 A. That's fair.</p> <p>21 Q. Okay.</p> <p>22 So if you look at the chart, you've</p> <p>23 got three different line items. The first is</p> <p>24 "Highland Capital Management W-2 Income," correct?</p> <p>25 A. Yes.</p>	<p style="text-align: right;">Page 223</p> <p>1 ALAN JOHNSON</p> <p>2 Q. Okay.</p> <p>3 And why did you decide that this</p> <p>4 analysis should incorporate Mr. Dondero's Highland</p> <p>5 Capital Management W-2 income?</p> <p>6 A. That is his reported employee</p> <p>7 compensation.</p> <p>8 Q. The next line relates to NexPoint</p> <p>9 Residential Trust W-2 income.</p> <p>10 Do you see that?</p> <p>11 A. Yes.</p> <p>12 Q. You've only included income for 2018.</p> <p>13 Do I have that right?</p> <p>14 A. That's right.</p> <p>15 Q. Why did you decide that it was</p> <p>16 appropriate to include NexPoint Residential Trust</p> <p>17 W-2 income in your analysis?</p> <p>18 A. It was a W-2. I think he was paid as</p> <p>19 an employee, and that should be recognized here.</p> <p>20 Q. And how come you only disclosed the</p> <p>21 income for 2018?</p> <p>22 A. That's the only one we have W-2 for.</p> <p>23 Q. Okay.</p> <p>24 How about NexPoint Advisors' W-2</p> <p>25 income, why did you decide to include that in this</p>
<p style="text-align: right;">Page 224</p> <p>1 ALAN JOHNSON</p> <p>2 analysis?</p> <p>3 A. Again, it was employee income.</p> <p>4 These businesses are so intertwined</p> <p>5 that I included his pay for, you now, his</p> <p>6 activities at NexPoint.</p> <p>7 Q. Okay.</p> <p>8 And did you not go back prior to 2016</p> <p>9 because you didn't have any W-2 income for that</p> <p>10 entity?</p> <p>11 A. Didn't have a W-2 income.</p> <p>12 Q. Do you know if Mr. Dondero received</p> <p>13 any other W-2 income from any other</p> <p>14 Highland-related affiliate?</p> <p>15 A. We were not – I was not aware that</p> <p>16 there was any others.</p> <p>17 Q. If you were aware of other W-2 income</p> <p>18 that Mr. Dondero received from a Highland</p> <p>19 affiliate, would you have included it in this</p> <p>20 analysis?</p> <p>21 A. I would have included it, yes.</p> <p>22 MR. MORRIS: Okay. Let's go down to</p> <p>23 page 21, and if we can go to the bottom of</p> <p>24 the page.</p> <p>25 Q. All right. So correct me if I'm wrong</p>	<p style="text-align: right;">Page 225</p> <p>1 ALAN JOHNSON</p> <p>2 here, but what I think you did is you went and did</p> <p>3 some research and you tried to identify executives</p> <p>4 who had similar responsibilities to Mr. Dondero –</p> <p>5 Mr. Dondero and you reviewed what information was</p> <p>6 in the public domain to try to ascertain what</p> <p>7 their total compensation was for each of the years</p> <p>8 2013 through 2019.</p> <p>9 Is that generally correct?</p> <p>10 A. Yes, that's generally correct.</p> <p>11 Q. And looking at this chart, this chart</p> <p>12 at the bottom of page 21 only relates to 2019.</p> <p>13 Do I have that right?</p> <p>14 A. Yes.</p> <p>15 Q. And you have one, two, three, four,</p> <p>16 five, six, seven comps.</p> <p>17 Do I have that right?</p> <p>18 A. Yes.</p> <p>19 Q. And the first portion of the analysis</p> <p>20 shows the total base salary cash bonus for the</p> <p>21 total amount of total cash that was paid to each</p> <p>22 executive by their employer in 2019. Is that</p> <p>23 right?</p> <p>24 A. That's right.</p> <p>25 Q. Now, Mr. Dondero received</p>

<p style="text-align: right;">Page 226</p> <p>1 ALAN JOHNSON</p> <p>2 substantially more cash than any of these</p> <p>3 executives in 2019, correct?</p> <p>4 A. I don't recall his actual cash in</p> <p>5 2019. That, I don't know, sitting here.</p> <p>6 Q. And then the next part of the analysis</p> <p>7 relates to stock options and restricted shares.</p> <p>8 Let's take them one at a time.</p> <p>9 What are stock options for purposes of</p> <p>10 your analysis?</p> <p>11 A. It's the value of a -- of an award</p> <p>12 made, and this is their disclosed value of the</p> <p>13 ability to exercise a -- a -- an option to</p> <p>14 purchase the company's stock at a fixed price. So</p> <p>15 if on the day of grant the company is trading at</p> <p>16 \$25, you're granted options to purchase the stock</p> <p>17 at \$25.</p> <p>18 You don't have to exercise. The stock</p> <p>19 increases in value at some point within a 10-year</p> <p>20 period, you can exercise those options and realize</p> <p>21 a gain.</p> <p>22 The numbers shown here reflect their</p> <p>23 disclosed value in their proxy statement, so use</p> <p>24 Black-Scholes or some other method to value the</p> <p>25 prospective value of these options.</p>	<p style="text-align: right;">Page 227</p> <p>1 ALAN JOHNSON</p> <p>2 Q. In your expert opinion, is it</p> <p>3 appropriate to include the value of the stock</p> <p>4 options when trying to assess the total</p> <p>5 compensation of an executive comparable to</p> <p>6 Mr. Dondero?</p> <p>7 A. Yes, it would be.</p> <p>8 Q. Did you ask Mr. Dondero or anybody</p> <p>9 acting on his behalf whether he ever received any</p> <p>10 stock options of any kind?</p> <p>11 A. I did not.</p> <p>12 Q. So is it fair to say that your</p> <p>13 analysis does not take into account the value of</p> <p>14 any stock options that Mr. Dondero may have</p> <p>15 received?</p> <p>16 A. I was not aware that he received any,</p> <p>17 so it would not have included it, no.</p> <p>18 Q. And nobody told you that he received</p> <p>19 any, correct?</p> <p>20 A. No.</p> <p>21 Q. And you didn't ask, correct?</p> <p>22 A. I don't recall whether I asked or not,</p> <p>23 but I didn't see it anyway.</p> <p>24 Q. The next column relates to restricted</p> <p>25 shares.</p>
<p style="text-align: right;">Page 228</p> <p>1 ALAN JOHNSON</p> <p>2 Do you see that?</p> <p>3 A. Yes.</p> <p>4 Q. What are restricted shares?</p> <p>5 A. It's the grant of shares with time</p> <p>6 vesting. So you receive \$100,000 worth of stock</p> <p>7 in the company, and then that vests over, say, a</p> <p>8 3- or 4-year period. So it's a fixed number of</p> <p>9 shares that vest on the passage of time.</p> <p>10 Q. And in your professional and expert</p> <p>11 opinion, do you believe that the value of</p> <p>12 restricted shares should be considered when</p> <p>13 assessing the total compensation received by</p> <p>14 executives comparable to Mr. Dondero?</p> <p>15 A. Yes.</p> <p>16 Q. Did you ask Mr. Dondero or anybody</p> <p>17 acting on his behalf whether he had ever received</p> <p>18 restricted shares during the 7-year period you</p> <p>19 were analyzing?</p> <p>20 A. I don't recall asking that, no.</p> <p>21 Q. Did Mr. Dondero or anybody on his</p> <p>22 behalf ever disclose to you any restricted shares</p> <p>23 that Mr. Dondero may have received?</p> <p>24 A. I'm not aware that he received any.</p> <p>25 No one told me anything about it.</p>	<p style="text-align: right;">Page 229</p> <p>1 ALAN JOHNSON</p> <p>2 Q. So is it fair to say that your</p> <p>3 analysis does not take into account any restricted</p> <p>4 shares that Mr. Dondero may have received during</p> <p>5 the 7-year period of your -- of your analysis?</p> <p>6 A. Well, he would have if either options</p> <p>7 were the restricted shares. If they had turned</p> <p>8 into actual shares, they would have shown up in</p> <p>9 his W-2.</p> <p>10 So if there were things that didn't</p> <p>11 show up in his W-2, then yes, I would have been</p> <p>12 unaware of it.</p> <p>13 Q. Okay.</p> <p>14 And is the total long term just the</p> <p>15 addition really of the stock options and the</p> <p>16 restricted shares?</p> <p>17 A. Yes.</p> <p>18 Q. Okay.</p> <p>19 All right. So let's look at a few</p> <p>20 more documents. I'm almost done here.</p> <p>21 MR. MORRIS: Can we go back up to the</p> <p>22 page with Mr. Dondero's chart, 19.</p> <p>23 Yeah, there we go.</p> <p>24 Q. Okay. So you included the NexPoint</p> <p>25 Residential Trust W-2 income, correct?</p>

<p style="text-align: right;">Page 230</p> <p>1 ALAN JOHNSON</p> <p>2 A. Yes.</p> <p>3 Q. And the only reason that you limited</p> <p>4 yourself to 2018 is because you hadn't found any</p> <p>5 W-2 income related to that entity during your</p> <p>6 diligence, right?</p> <p>7 A. That's right.</p> <p>8 MR. MORRIS: Can we please put up</p> <p>9 what's been marked as Exhibit 67.</p> <p>10 (Exhibit 67, 2019 W-2, was marked for</p> <p>11 identification at this time.)</p> <p>12 BY MR. MORRIS:</p> <p>13 Q. Do you see that this is a 2019 W-2</p> <p>14 made out to Mr. Dondero from NexPoint Residential</p> <p>15 Trust, Inc.?</p> <p>16 A. Yes, yes.</p> <p>17 Q. Okay. And if we go to the bottom of</p> <p>18 the page, do you see it says, "Expert No. 1"?</p> <p>19 A. Yes, I see that.</p> <p>20 Q. This is, in fact, a document that was</p> <p>21 provided to you before you completed your report,</p> <p>22 right?</p> <p>23 A. I believe that that appears to be</p> <p>24 right.</p> <p>25 MR. MORRIS: Okay. Let's go back to</p>	<p style="text-align: right;">Page 231</p> <p>1 ALAN JOHNSON</p> <p>2 the top of the document.</p> <p>3 Q. Do you see that Mr. Dondero had W-2</p> <p>4 income in 2019 of approximately \$1.5 million?</p> <p>5 A. Yes, I believe that's right.</p> <p>6 Q. Okay.</p> <p>7 So for consistency, your report should</p> <p>8 be amended – the chart on paragraph 19 should be</p> <p>9 amended to include the number that's in box 1 of</p> <p>10 the W-2 under W-2 income from NexPoint Residential</p> <p>11 Trust in 2019; correct?</p> <p>12 A. If I've missed it, then it should be</p> <p>13 included, yes.</p> <p>14 MR. MORRIS: Can we go – can we put</p> <p>15 up Exhibit 67-2?</p> <p>16 (Exhibit 67-2, 2017 W-2, was marked</p> <p>17 for identification at this time.)</p> <p>18 BY MR. MORRIS:</p> <p>19 Q. Do you see that this is a 2017 W-2</p> <p>20 issued by NexPoint Residential Trust, Inc. to</p> <p>21 Mr. Dondero?</p> <p>22 A. Yes.</p> <p>23 MR. MORRIS: Can we go to the bottom</p> <p>24 of the page?</p> <p>25 Can we just see the Bates number?</p>
<p style="text-align: right;">Page 232</p> <p>1 ALAN JOHNSON</p> <p>2 Oh, hold on, I know what I have to do.</p> <p>3 Yeah, there you go.</p> <p>4 Q. Do you see that it's Bates stamped</p> <p>5 page 937?</p> <p>6 A. Yes, I see that.</p> <p>7 Q. Does that indicate that that document</p> <p>8 was provided to you before you completed your</p> <p>9 report?</p> <p>10 A. I don't know what the Bates number</p> <p>11 means, but I see the 937.</p> <p>12 Q. Well, I'll represent to you, sir, that</p> <p>13 if we went to page 25 of your report, this</p> <p>14 document would be listed among those that you were</p> <p>15 given before you completed your report.</p> <p>16 MR. MORRIS: Can we go back up to the</p> <p>17 top of the document?</p> <p>18 Q. Do you see in Box No. 1, it discloses</p> <p>19 wages of approximately \$625,000?</p> <p>20 A. Yes, I see that.</p> <p>21 Q. And that's the corrected information,</p> <p>22 right?</p> <p>23 A. Yes.</p> <p>24 Q. Okay.</p> <p>25 So looking at this now, in order to be</p>	<p style="text-align: right;">Page 233</p> <p>1 ALAN JOHNSON</p> <p>2 consistent, that \$625,000 should have been</p> <p>3 included in your report in the chart on page 19,</p> <p>4 correct?</p> <p>5 A. I believe that's right.</p> <p>6 Q. Okay.</p> <p>7 So those two entries alone are</p> <p>8 approximately \$2.5 million, or more than</p> <p>9 10 percent of the \$21 million difference that you</p> <p>10 calculated, correct?</p> <p>11 A. Yes, I believe that's right.</p> <p>12 Q. Okay.</p> <p>13 MR. MORRIS: Can we please put up</p> <p>14 Exhibit No. 68?</p> <p>15 (Exhibit 68, compensation and benefit</p> <p>16 statement for 2016, was marked for</p> <p>17 identification at this time.)</p> <p>18 BY MR. MORRIS:</p> <p>19 Q. Okay. So what's on the screen, sir,</p> <p>20 is a compensation and benefit statement that I</p> <p>21 will represent to you was prepared by Highland in</p> <p>22 the ordinary course of its business for years for</p> <p>23 every employee – I think for every employee in</p> <p>24 the organization.</p> <p>25 And if we go down to the bottom, you</p>

<p style="text-align: right;">Page 234</p> <p>1 ALAN JOHNSON</p> <p>2 can see that this document was produced to</p> <p>3 Mr. Dondero's lawyers previously.</p> <p>4 And if we can scroll back up, do you</p> <p>5 see that there's reference in the middle to a 2016</p> <p>6 deferred compensation award?</p> <p>7 MR. AIGEN: Hey, John, I think you</p> <p>8 tried to scroll down to show the Bates</p> <p>9 label, but I don't think it went far enough.</p> <p>10 I just want to write down what the</p> <p>11 Bates label was so I can have it for my</p> <p>12 records.</p> <p>13 MR. MORRIS: Sure.</p> <p>14 MR. AIGEN: Or if you can read it into</p> <p>15 the record, that will work, too.</p> <p>16 MR. MORRIS: Sure.</p> <p>17 It's D-CNL003585.</p> <p>18 MR. AIGEN: Thank you.</p> <p>19 Q. And do you see that he's got total</p> <p>20 compensation listed there of \$2.3 million?</p> <p>21 A. Yes, I see that.</p> <p>22 Q. Okay.</p> <p>23 Do you see that there's a reference to</p> <p>24 a deferred compensation award?</p> <p>25 A. Yes.</p>	<p style="text-align: right;">Page 235</p> <p>1 ALAN JOHNSON</p> <p>2 Q. And that award of \$1.2 million relates</p> <p>3 to 50,000 restricted stock units of NXRT.</p> <p>4 Do you see that?</p> <p>5 A. Yes.</p> <p>6 Q. And you testified earlier that</p> <p>7 restricted stock is something that should be taken</p> <p>8 into account when assessing the total compensation</p> <p>9 of an executive, correct?</p> <p>10 A. Yes.</p> <p>11 Q. And NXRT, do you know what that symbol</p> <p>12 represents?</p> <p>13 A. I don't think I've seen that symbol.</p> <p>14 Q. Okay. If I represented to you that it</p> <p>15 is the symbol for the NexPoint Residential Trust</p> <p>16 that we were just looking at – the W-2s that we</p> <p>17 were just looking at, do you think that this</p> <p>18 \$1.2 million should be taken into account in</p> <p>19 Mr. Dondero's 2016 total compensation since it is</p> <p>20 restricted stock units that were given to him in</p> <p>21 that year?</p> <p>22 A. I'd certainly have to consider that,</p> <p>23 yes.</p> <p>24 Q. Okay.</p> <p>25 But you weren't given this</p>
<p style="text-align: right;">Page 236</p> <p>1 ALAN JOHNSON</p> <p>2 information, correct?</p> <p>3 A. I don't think I've seen this.</p> <p>4 Q. Okay.</p> <p>5 MR. MORRIS: Can we please go to</p> <p>6 Exhibit 50, 5-0.</p> <p>7 (Exhibit 50, compensation and benefit</p> <p>8 statement for 2017, was marked for</p> <p>9 identification at this time.)</p> <p>10 BY MR. MORRIS:</p> <p>11 Q. I'll represent to you that this is</p> <p>12 Mr. Dondero's compensation and benefit statement</p> <p>13 for 2017.</p> <p>14 Do you see there's another reference</p> <p>15 to approximately \$1.55 million in restricted stock</p> <p>16 units that were granted to him for the 2017</p> <p>17 performance year?</p> <p>18 A. Yes, I see that.</p> <p>19 Q. And nobody told you that Mr. Dondero</p> <p>20 had received any stock options prior to today,</p> <p>21 correct – withdrawn.</p> <p>22 Nobody told you that Mr. Dondero had</p> <p>23 received restricted stock units of NXRT before</p> <p>24 today, correct?</p> <p>25 A. I was not aware of this when I wrote</p>	<p style="text-align: right;">Page 237</p> <p>1 ALAN JOHNSON</p> <p>2 my report, no.</p> <p>3 Q. You would have – this number –</p> <p>4 withdrawn.</p> <p>5 MR. MORRIS: Can we go to the bottom</p> <p>6 of the page, please?</p> <p>7 Just for the record, this is document</p> <p>8 with Bates No. D-CNL003587.</p> <p>9 And if you can scroll back up.</p> <p>10 Q. If Mr. Dondero received restricted</p> <p>11 stock units of NexPoint Residential Trust in 2017</p> <p>12 for the performance – for his performance during</p> <p>13 that year in an amount of \$1.55 million that's –</p> <p>14 that's compensation that you would have included</p> <p>15 in your report had you known about it at the time,</p> <p>16 correct?</p> <p>17 A. Probably would have, yes.</p> <p>18 MR. MORRIS: Okay. Can we go to</p> <p>19 Exhibit 51, please.</p> <p>20 (Exhibit 51, compensation and benefit</p> <p>21 statement for 2018, was marked for</p> <p>22 identification at this time.)</p> <p>23 MR. MORRIS: Okay. This is</p> <p>24 Mr. Dondero's compensation and benefits</p> <p>25 statement for 2018.</p>

<p style="text-align: right;">Page 238</p> <p>1 ALAN JOHNSON</p> <p>2 If we can go to the bottom.</p> <p>3 And it has Bates No. D-CNL003588.</p> <p>4 And if we can scroll back up, please.</p> <p>5 BY MR. MORRIS:</p> <p>6 Q. According to this compensation and</p> <p>7 benefits statement, Mr. Dondero received almost</p> <p>8 \$1.7 million in restricted stock units of NXRT for</p> <p>9 the 2018 performance year.</p> <p>10 Do you see that?</p> <p>11 A. Yes, I do.</p> <p>12 Q. Were you told that Mr. Dondero</p> <p>13 received restricted stock units of NXRT for the</p> <p>14 2018 performance year?</p> <p>15 A. I was not aware of that.</p> <p>16 Q. Had you known that prior to issuing</p> <p>17 your report, would you have included that in your</p> <p>18 assessment of Mr. Dondero's total compensation for</p> <p>19 the year 2018?</p> <p>20 A. I would have looked at those awards,</p> <p>21 yes.</p> <p>22 MR. MORRIS: Let's go to Exhibit 52,</p> <p>23 please.</p> <p>24 (Exhibit 52, compensation and benefits</p> <p>25 statement for 2019, was marked for</p>	<p style="text-align: right;">Page 239</p> <p>1 ALAN JOHNSON</p> <p>2 identification at this time.)</p> <p>3 BY MR. MORRIS:</p> <p>4 Q. And when you say you would have looked</p> <p>5 at the awards, if you assume that they are</p> <p>6 restricted stock units of NexPoint Residential</p> <p>7 Trust, is there any basis on which you would not</p> <p>8 have included those restricted – the value those</p> <p>9 restricted stock units in an analysis of</p> <p>10 Mr. Dondero's total compensation, just as you did</p> <p>11 for the other executives that are your comps?</p> <p>12 A. I want to know what the terms of the</p> <p>13 awards were. I don't know how NXRT was valued, so</p> <p>14 I would want to – more information about – this</p> <p>15 is as employee statement, so I don't know how</p> <p>16 accurate it would be, but I would certainly – if</p> <p>17 I'd have been aware of this, would certainly want</p> <p>18 to consider what those awards were worth, you</p> <p>19 know, what a comparable like-to-like comparison</p> <p>20 would be.</p> <p>21 Q. Okay.</p> <p>22 The next document that we have on the</p> <p>23 screen is Exhibit 52, which is Mr. Dondero's</p> <p>24 compensation and benefits statement for 2019.</p> <p>25 And if we go to the bottom, we will</p>
<p style="text-align: right;">Page 240</p> <p>1 ALAN JOHNSON</p> <p>2 see it has Bates No. D-CNL003589.</p> <p>3 Do you see that, sir?</p> <p>4 A. Yes.</p> <p>5 Q. And if we scroll back up, you'll see</p> <p>6 that Mr. Dondero received in 2019 a deferred</p> <p>7 compensation award of approximately \$5.6 million</p> <p>8 in the form of various grants of what appear to be</p> <p>9 stock?</p> <p>10 A. Yes, the number on the page is 5</p> <p>11 million 6, yes.</p> <p>12 Q. And you weren't told that Mr. Dondero</p> <p>13 had received any grants of stock as part of a</p> <p>14 deferred compensation award in 2019, correct?</p> <p>15 A. I was not aware of that, no.</p> <p>16 Q. But had you – had you known about the</p> <p>17 deferred compensation award, you certainly would</p> <p>18 have asked the questions, right?</p> <p>19 A. I would have asked questions, yes.</p> <p>20 Q. And is it fair to say as you sit here</p> <p>21 right now that just as you included the restricted</p> <p>22 stock and the stock options in your comps, you</p> <p>23 would have included this \$5.6 million in your</p> <p>24 analysis of Mr. Dondero's 2019 compensation?</p> <p>25 MR. AIGEN: Objection, form.</p>	<p style="text-align: right;">Page 241</p> <p>1 ALAN JOHNSON</p> <p>2 A. I – I don't know what amount of the 5</p> <p>3 million 6. I think, as I said before, I'd want to</p> <p>4 know more about these entities and what – what –</p> <p>5 you know, how they were valued and so forth, but</p> <p>6 I'd certainly want to be aware of it in coming up</p> <p>7 with an aggregated figure for its compensation.</p> <p>8 Q. As you sit here right now, based on</p> <p>9 the documents we've looked at so far, your</p> <p>10 \$21 million is subject to some questions. Is that</p> <p>11 fair?</p> <p>12 A. It's fair. Certainly, the cash</p> <p>13 amounts that he was paid should be added back, and</p> <p>14 then we have these series of deferred comp awards</p> <p>15 that I'd have to consider how do we include some</p> <p>16 or all of it value.</p> <p>17 Q. But you weren't told about any of</p> <p>18 these awards before you prepared your report,</p> <p>19 correct?</p> <p>20 A. I was not aware of them.</p> <p>21 Q. And you don't have any information as</p> <p>22 you sit here today that you're aware of that</p> <p>23 relates to any of these awards except what I'm</p> <p>24 showing you, right?</p> <p>25 A. I'm not aware of the terms of these</p>

<p style="text-align: right;">Page 242</p> <p>1 ALAN JOHNSON</p> <p>2 awards, no.</p> <p>3 MR. MORRIS: Okay. Let's go to</p> <p>4 Exhibit 67-3, which is Mr. Dondero's 2013</p> <p>5 Form 1040.</p> <p>6 (Exhibit 67-3, 2013 Form 1040, was</p> <p>7 marked for identification at this time.)</p> <p>8 MR. MORRIS: And if we can go to PDF</p> <p>9 page 279 of 335.</p> <p>10 BY MR. MORRIS:</p> <p>11 Q. Do you see you received Mr. Dondero's</p> <p>12 Forms 1040 for the period 2013 through I think</p> <p>13 either 2019 or 2020, right?</p> <p>14 A. Yes, I believe so.</p> <p>15 Q. Did you take the time to look at the</p> <p>16 statements supporting his 1040s that relate to</p> <p>17 wages received?</p> <p>18 A. I went through it, yes.</p> <p>19 Q. Do you see on statement 12 there's a</p> <p>20 reference to Highland Capital Management PTE LTD?</p> <p>21 A. I'm sorry, where are we on the page?</p> <p>22 Q. We're looking at the top. It's</p> <p>23 statement 12.</p> <p>24 A. Okay.</p> <p>25 Q. Okay.</p>	<p style="text-align: right;">Page 243</p> <p>1 ALAN JOHNSON</p> <p>2 And do you see there's a reference to</p> <p>3 Highland Capital Management PTE LTD?</p> <p>4 A. I see that, yes.</p> <p>5 Q. Do you have any idea what that entity</p> <p>6 is?</p> <p>7 A. I don't – I don't know.</p> <p>8 Q. Have you ever heard of it before?</p> <p>9 A. I don't believe so.</p> <p>10 Q. In your review of Mr. Dondero's tax</p> <p>11 returns, did you ever notice that he had received</p> <p>12 W-2 income from that firm?</p> <p>13 A. If I looked at it, I don't recall.</p> <p>14 Q. Based on the name of the entity by</p> <p>15 itself, is it fair to conclude in the absence of</p> <p>16 contrary information that any W-2 income he</p> <p>17 received from an entity called Highland Capital</p> <p>18 Management PTE LTD should have been included in</p> <p>19 your report?</p> <p>20 MR. AIGEN: Objection, form.</p> <p>21 A. That – that, I don't know. That, I</p> <p>22 don't know.</p> <p>23 Q. All right. Mr. Johnson, I'm going to,</p> <p>24 you know, save us all the pain and tell you that</p> <p>25 if we looked at Mr. Dondero's Forms 1040 for the</p>
<p style="text-align: right;">Page 244</p> <p>1 ALAN JOHNSON</p> <p>2 period from 2013 to 2019, Mr. Dondero reported</p> <p>3 receiving W-2 income from Highland Capital</p> <p>4 Management PTE LTD in every single year.</p> <p>5 And I will also represent to you that</p> <p>6 the aggregate amount of those payments were</p> <p>7 approximately a half a million dollars, and that</p> <p>8 if we added up the value of the payment – the W-2</p> <p>9 payments from Highland Capital Management PTE LTD,</p> <p>10 along with the NexPoint Residential Trust W-2</p> <p>11 income that we looked at, along with the value of</p> <p>12 the stock options, that we would come up with a</p> <p>13 number in excess of \$13 million, with that</p> <p>14 representation, how comfortable are you that your</p> <p>15 \$21 million accurately states the difference</p> <p>16 between what Mr. Dondero received in the 7-year</p> <p>17 period from 2013 through 2019 and what he would</p> <p>18 have received if he had received the comparable</p> <p>19 market compensation for similarly situated</p> <p>20 executives?</p> <p>21 MR. AIGEN: Objection, form.</p> <p>22 A. I think you pointed out some</p> <p>23 adjustments that would need to be made. I think,</p> <p>24 as I testified before, I would need to go back and</p> <p>25 look at the value of those awards.</p>	<p style="text-align: right;">Page 245</p> <p>1 ALAN JOHNSON</p> <p>2 I think of the \$8 million you referred</p> <p>3 to, I think about 5 or 6 million was made in the</p> <p>4 year of bankruptcy, which I would certainly put</p> <p>5 probably, in the work we do, put a question mark</p> <p>6 next to, but you certainly pointed out some</p> <p>7 omissions that should be included.</p> <p>8 So the \$21 million analysis would</p> <p>9 certainly look like it would get somewhat smaller,</p> <p>10 but I would – sitting here, the 8 million you</p> <p>11 mentioned, that looks like about 4 or 5 million</p> <p>12 was a deferred comp award made in the year of</p> <p>13 bankruptcy, which I'd probably put a question mark</p> <p>14 around.</p> <p>15 But it does look like, to some degree,</p> <p>16 the \$21 million difference that I've calculated</p> <p>17 would be reduced.</p> <p>18 Q. Have you done any analysis to</p> <p>19 determine whether or not Mr. Dondero passed</p> <p>20 through any personal expenses through the</p> <p>21 business?</p> <p>22 A. That, I don't know.</p> <p>23 Q. Is that something that you would</p> <p>24 consider if you had the information available, you</p> <p>25 know, whether or not he passed personal expenses</p>

<p style="text-align: right;">Page 246</p> <p>1 ALAN JOHNSON</p> <p>2 on through the business?</p> <p>3 A. Well, it should be – it should be</p> <p>4 disclosed in his W-2, if he's – if he's filling</p> <p>5 out a W-2 or other income, but if it wasn't</p> <p>6 reported on his taxes or there's a W-2, I wouldn't</p> <p>7 know about it.</p> <p>8 Q. I appreciate that you wouldn't know</p> <p>9 about it.</p> <p>10 I'm just asking you if you were trying</p> <p>11 to assess the value that Mr. Dondero received from</p> <p>12 serving as Highland's CEO, would you take into</p> <p>13 account, if you had the information available and</p> <p>14 you could quantify it, the value of any personal</p> <p>15 expenses that – that he ran through the business?</p> <p>16 A. I would be reluctant to do that just</p> <p>17 because many private business owners do a similar</p> <p>18 thing, so it would not be fair to Mr. Dondero or</p> <p>19 any other executive in his position to only do one</p> <p>20 side of that trade.</p> <p>21 So if I said \$6 million was the</p> <p>22 appropriate level that many private business</p> <p>23 owners do similar things, so if there's something</p> <p>24 particularly unusual, I might want to be aware of</p> <p>25 it, but if it was the normal course of what</p>	<p style="text-align: right;">Page 247</p> <p>1 ALAN JOHNSON</p> <p>2 business owners often do, I probably wouldn't</p> <p>3 include it.</p> <p>4 Q. Your comparable individuals in 2019,</p> <p>5 are those CEOs of public companies?</p> <p>6 A. The real comparison here, the</p> <p>7 \$6 million figure, is primarily not CEOs of public</p> <p>8 companies. The small asset management companies</p> <p>9 that we list are not – neither paid that high in</p> <p>10 the roles, as we say in the report, are</p> <p>11 meaningfully different.</p> <p>12 I think the real reference point is</p> <p>13 people who manage similar assets mostly in the</p> <p>14 private domain. So I think many of those CEOs,</p> <p>15 founders, owners, would – the issue we're talking</p> <p>16 about, would pass on allegedly personal expenses</p> <p>17 through the business.</p> <p>18 Q. How about – we talked about this a</p> <p>19 little bit earlier.</p> <p>20 You're aware that Highland doesn't</p> <p>21 have an ownership interest in HCRE or Highland</p> <p>22 Capital Management Fund Advisors or NexPoint or</p> <p>23 Highland Capital Management Service, right?</p> <p>24 A. I'm sorry, are you saying Highland</p> <p>25 doesn't have an ownership interest?</p>
<p style="text-align: right;">Page 248</p> <p>1 ALAN JOHNSON</p> <p>2 Is that what you're saying? I just</p> <p>3 want to make sure I heard correctly.</p> <p>4 Q. Yes.</p> <p>5 A. I believe that's true yes.</p> <p>6 Q. And you're also aware that Mr. Dondero</p> <p>7 directly or indirectly owns at least the majority</p> <p>8 interest in each of these four entities, right?</p> <p>9 A. I'm aware of the NexPoint and</p> <p>10 Advisors. The real estate, I'm not sure I've ever</p> <p>11 heard about the ownership, but certainly, at least</p> <p>12 several of those, he's the controlling or sole</p> <p>13 owner.</p> <p>14 Q. Are you aware that – that Highland</p> <p>15 Capital Management – withdrawn.</p> <p>16 Are you aware that Highland provided</p> <p>17 services to Highland Capital Fund Advisor as</p> <p>18 NexPoint pursuant to certain shared services</p> <p>19 agreements?</p> <p>20 A. I was aware of that.</p> <p>21 Q. And are you aware that until sometime</p> <p>22 in late 2020, HCMFA and NexPoint made payments to</p> <p>23 Highland in exchange for those services?</p> <p>24 A. I think I was aware of that, yes.</p> <p>25 Q. Are you aware that when Mr. Dondero</p>	<p style="text-align: right;">Page 249</p> <p>1 ALAN JOHNSON</p> <p>2 was in control, Highland also provided services to</p> <p>3 Highland Capital Management Services, Inc. as well</p> <p>4 as HCRE Partners, LLC?</p> <p>5 A. I think I was aware of that as well.</p> <p>6 Q. And were you aware that neither of</p> <p>7 those entities had any shared services agreement</p> <p>8 with Highland?</p> <p>9 A. That, I'm not sure I was aware of.</p> <p>10 Q. Are you aware that neither of those</p> <p>11 entities ever provided any cash payment to</p> <p>12 Highland for services rendered?</p> <p>13 A. I have no knowledge of that.</p> <p>14 Q. Is it fair to say that your analysis</p> <p>15 doesn't take into account the value that HCRE and</p> <p>16 HCMS received by getting services from Highland</p> <p>17 without paying for them?</p> <p>18 MR. AIGEN: Objection, form.</p> <p>19 A. I am not familiar with what services</p> <p>20 they received, so I don't – I don't know how to</p> <p>21 handle that.</p> <p>22 Q. Let's assume that HCMS and HCRE</p> <p>23 received back-office services similar to what</p> <p>24 HCMFA and NexPoint contracted and paid for. Okay?</p> <p>25 Can we – can we make that assumption?</p>

<p style="text-align: right;">Page 250</p> <p>1 ALAN JOHNSON</p> <p>2 A. Okay.</p> <p>3 Q. Okay.</p> <p>4 And let's assume that neither of those</p> <p>5 entities, HCRE or HCMS, ever paid any money to</p> <p>6 Highland in exchange for those services. Okay?</p> <p>7 A. Okay.</p> <p>8 Q. As the person in control of those</p> <p>9 entities, do you think it would be appropriate to</p> <p>10 try to quantify the benefit that Mr. Dondero</p> <p>11 received through his ownership of HCRE and HCMS as</p> <p>12 a result of Highland's providing services to those</p> <p>13 entities without compensation?</p> <p>14 MR. AIGEN: Objection, form.</p> <p>15 A. At a high level, I think if Highland</p> <p>16 was providing meaningful services that had value</p> <p>17 to those entities and Highland wasn't getting</p> <p>18 something back in return, you would want to try to</p> <p>19 understand how big that was.</p> <p>20 Q. Okay.</p> <p>21 But that's not an issue that you</p> <p>22 analyzed, correct?</p> <p>23 A. It is not.</p> <p>24 Q. And your \$21 million delta doesn't</p> <p>25 take into account that issue at all, correct?</p>	<p style="text-align: right;">Page 251</p> <p>1 ALAN JOHNSON</p> <p>2 A. It does not take that into account,</p> <p>3 no.</p> <p>4 Q. And you didn't do any diligence to try</p> <p>5 to determine whether or not Highland had provided</p> <p>6 services without receiving payment in return with</p> <p>7 respect to HCMS and HCRE, correct?</p> <p>8 A. I did no such analysis.</p> <p>9 Q. Okay.</p> <p>10 MR. MORRIS: Can we take -- it's 2:45.</p> <p>11 Let's take a 5-minute break, a short break.</p> <p>12 I may be done.</p> <p>13 (Recess taken from 2:45 p.m. until</p> <p>14 2:50 p.m.)</p> <p>15 MR. MORRIS: I have no further</p> <p>16 questions of this witness at this time.</p> <p>17 Thank you very much, Mr. Johnson, for</p> <p>18 your time and your patience.</p> <p>19 THE WITNESS: Thank you, and also say</p> <p>20 hi to Laura Johnson for me.</p> <p>21 MR. MORRIS: I sure will. I'm sure</p> <p>22 I'll be speaking to her this afternoon.</p> <p>23 MR. AIGEN: Alan, you're not</p> <p>24 completely done yet. I have one or two</p> <p>25 questions I wanted to ask you, just to clear</p>
<p style="text-align: right;">Page 252</p> <p>1 ALAN JOHNSON</p> <p>2 something up.</p> <p>3 THE WITNESS: Okay.</p> <p>4 EXAMINATION</p> <p>5 BY MR. AIGEN:</p> <p>6 Q. You talked about the founder's premium</p> <p>7 earlier.</p> <p>8 Can you just again explain what that</p> <p>9 means?</p> <p>10 A. Founder's premium in a private firm</p> <p>11 like this is the amount that a founder typically</p> <p>12 gets paid in excess of what a non-founder or</p> <p>13 ordinary executive gets paid.</p> <p>14 Q. And I know you don't have a specific</p> <p>15 number but do you have an opinion on what the</p> <p>16 general founder's premium would be in this</p> <p>17 marketplace?</p> <p>18 MR. MORRIS: Objection to the form of</p> <p>19 the question.</p> <p>20 A. A premium could be very significant.</p> <p>21 It could be two or even three times what the --</p> <p>22 what a typical executive might get paid.</p> <p>23 Q. And what's that based on?</p> <p>24 A. Just working with these</p> <p>25 founder-dominated firms, they often get paid an</p>	<p style="text-align: right;">Page 253</p> <p>1 ALAN JOHNSON</p> <p>2 awful lot for -- for the role they play.</p> <p>3 MR. AIGEN: That's all I have.</p> <p>4 MR. MORRIS: Just a couple of</p> <p>5 questions, Mr. Johnson.</p> <p>6 EXAMINATION (CONTINUED)</p> <p>7 BY MR. MORRIS:</p> <p>8 Q. You didn't make any disclosure</p> <p>9 concerning a founder's premium, correct?</p> <p>10 A. No, I have not done that work.</p> <p>11 Q. You did not conduct any analysis</p> <p>12 concerning a founder's premium, correct?</p> <p>13 A. I have not.</p> <p>14 MR. AIGEN: Object to form.</p> <p>15 Q. And your report contains no opinion as</p> <p>16 to what you believe the founder's premium should</p> <p>17 be in this case, correct?</p> <p>18 A. That is correct.</p> <p>19 MR. MORRIS: Okay. No further</p> <p>20 questions. Thank you very much.</p> <p>21 THE WITNESS: Thank you.</p> <p>22 MR. MORRIS: Have a good day. Take</p> <p>23 care all.</p> <p>24 (Whereupon the proceedings were</p> <p>25 concluded at 2:53 p.m.)</p>

Will the</p> <p>10 court reporter please swear in the witness.</p> <p>11 FRANK WATERHOUSE,</p> <p>12 having been first duly sworn, testified as</p> <p>13 follows:</p> <p>14 EXAMINATION</p> <p>15 BY MR. MORRIS:</p> <p>16 Q. Please state your name for the</p> <p>17 record.</p> <p>18 A. My name is Frank Waterhouse.</p> <p>19 Q. Good morning, Mr. Waterhouse. I'm</p> <p>20 John Morris, as you know, from Pachulski Stang</p> <p>21 Ziehl & Jones. You understand that my firm and</p> <p>22 I represent Highland Capital Management, L.P.;</p> <p>23 is that right?</p> <p>24 A. Yes.</p> <p>25 Q. Okay. And do you understand that</p>	<p style="text-align: right;">Page 11</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 we're here today for your deposition in your</p> <p>3 individual capacity?</p> <p>4 A. Yes.</p> <p>5 Q. Did you review and – did you</p> <p>6 receive and review a subpoena that Highland</p> <p>7 Capital Management, L.P., served upon you?</p> <p>8 A. Yes.</p> <p>9 Q. You have been deposed before; right?</p> <p>10 A. Yes.</p> <p>11 Q. How many times have you been</p> <p>12 deposed?</p> <p>13 A. About three or four times.</p> <p>14 Q. Okay. And I defended you in one</p> <p>15 deposition; isn't that right?</p> <p>16 A. That is correct.</p> <p>17 Q. So the general ground rules for this</p> <p>18 deposition are largely the same as the</p> <p>19 depositions you have given before. And that is</p> <p>20 I will ask you a series of questions, and it is</p> <p>21 important that you allow me to finish my</p> <p>22 question before you begin your answer; is that</p> <p>23 fair?</p> <p>24 A. Yes.</p> <p>25 Q. And it is important that I allow you</p>
<p style="text-align: right;">Page 12</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 to finish your answers before I begin a</p> <p>3 question, but if I fail to do that, will you</p> <p>4 let me know?</p> <p>5 A. I can certainly do that.</p> <p>6 Q. Okay. Do you understand that this</p> <p>7 deposition is being videotaped?</p> <p>8 A. Yes.</p> <p>9 Q. You understand that I may seek to</p> <p>10 use portions of the videotape in a court of</p> <p>11 law?</p> <p>12 A. I did not know that, until you just</p> <p>13 said that.</p> <p>14 Q. Okay. And you are aware of that now</p> <p>15 before the deposition begins substantively; is</p> <p>16 that right?</p> <p>17 A. Yes.</p> <p>18 Q. So unlike I think the other</p> <p>19 depositions that you have given, this one is</p> <p>20 being given remotely. So that presents some</p> <p>21 unique challenges, at least as compared to a</p> <p>22 deposition that is taken in-person.</p> <p>23 From time to time we're going to put</p> <p>24 documents up on the screen, Mr. Waterhouse.</p> <p>25 And it is important that I give you the</p>	<p style="text-align: right;">Page 13</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 opportunity to review any portion of the</p> <p>3 document that you think you need in order to</p> <p>4 fully and completely answer the question.</p> <p>5 So I would ask you to let me know if</p> <p>6 there is a portion of a document that you need</p> <p>7 to see in order to fully and completely answer</p> <p>8 the question. Can you do that for me?</p> <p>9 A. Yes.</p> <p>10 MS. DANDENEAU: Mr. Morris, I would</p> <p>11 just note that we do have hard copies of</p> <p>12 the documents that you sent, so if you can</p> <p>13 just refer to the exhibit number as</p> <p>14 reflected in the documents that you sent,</p> <p>15 Mr. Waterhouse will be able to look at the</p> <p>16 hard copies of those documents.</p> <p>17 MR. MORRIS: I appreciate that,</p> <p>18 and – and I will encourage him to do so.</p> <p>19 There will be other documents that we did</p> <p>20 not send to you that we'll be using today</p> <p>21 though.</p> <p>22 Q. Okay. With that as background, if</p> <p>23 there is anything that I ask you, sir, that you</p> <p>24 don't understand, will you let me know?</p> <p>25 A. Yes.</p>

<p style="text-align: right;">Page 14</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Okay. Are you currently employed?</p> <p>3 A. Yes.</p> <p>4 Q. By whom?</p> <p>5 A. The Skyview Group.</p> <p>6 Q. When did you become employed by the</p> <p>7 Skyview Group?</p> <p>8 A. I believe March 1st of 2021.</p> <p>9 Q. Do you have a title at Skyview?</p> <p>10 A. Yes.</p> <p>11 Q. What is your title?</p> <p>12 A. My title is chief financial officer.</p> <p>13 Q. Do you report to anybody in your</p> <p>14 role as CFO?</p> <p>15 A. I don't, no.</p> <p>16 Q. No. Is there a president or a CEO</p> <p>17 of Skyview?</p> <p>18 A. Yes.</p> <p>19 Q. Who is that?</p> <p>20 A. That is Scott Ellington.</p> <p>21 Q. But you don't report to</p> <p>22 Mr. Ellington; is that right?</p> <p>23 A. I don't think so.</p> <p>24 Q. Does Skyview Group –</p> <p>25 MS. DANDENEAU: Excuse me, we –</p>	<p style="text-align: right;">Page 15</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. I – I – I might. I just – I</p> <p>3 don't recall.</p> <p>4 Q. Okay. Does Skyview Group provide</p> <p>5 any services to any entity directly or</p> <p>6 indirectly owned or controlled by Jim Dondero?</p> <p>7 A. Yes.</p> <p>8 Q. Can you name – is that pursuant to</p> <p>9 written contracts?</p> <p>10 A. Yes.</p> <p>11 Q. And do you know how many contracts</p> <p>12 exist?</p> <p>13 A. Approximately six or so.</p> <p>14 Q. And is the Skyview Group made up of</p> <p>15 individuals who were formerly employees of</p> <p>16 Highland Capital Management, L.P.?</p> <p>17 A. No.</p> <p>18 Q. Do you know how many – how many –</p> <p>19 how many employees does Skyview have?</p> <p>20 A. Approximately 35.</p> <p>21 Q. And can you tell me how many of</p> <p>22 those 35 are former officers, directors, or</p> <p>23 employees of Highland Capital Management, L.P.?</p> <p>24 A. I don't know the exact number.</p> <p>25 Q. Is it more than 20?</p>
<p style="text-align: right;">Page 16</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. Yes.</p> <p>3 Q. Is it more than 30?</p> <p>4 A. I don't know.</p> <p>5 Q. Can you tell me what portion of</p> <p>6 Skyview – Skyview's revenue is derived from</p> <p>7 entities that are directly or indirectly owned</p> <p>8 or controlled by Jim Dondero?</p> <p>9 MS. DANDENEAU: Mr. Morris, I mean,</p> <p>10 you called Mr. Waterhouse here individually</p> <p>11 for purposes of his testimony in connection</p> <p>12 with the noticed litigation. I have given</p> <p>13 you some leeway to ask him some background</p> <p>14 information about Skyview Group, but this</p> <p>15 is not a substitute for a deposition in</p> <p>16 connection with any other pending disputes</p> <p>17 that exist. And – and we agreed to accept</p> <p>18 the subpoena on the basis of he – this is</p> <p>19 testimony that he is giving in connection</p> <p>20 with the noticed litigation.</p> <p>21 I really think that you are now</p> <p>22 going a little bit far afield from the</p> <p>23 purpose of this deposition.</p> <p>24 MR. MORRIS: Okay. It is – I'm not</p> <p>25 intending to use these – the answers to</p>	<p style="text-align: right;">Page 17</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 these questions for any purpose other than</p> <p>3 this litigation. I think you understand</p> <p>4 fully why I'm asking the questions, and I</p> <p>5 just have a couple more, if you will bear</p> <p>6 with me.</p> <p>7 MS. DANDENEAU: Okay.</p> <p>8 MS. DEITSCH-PEREZ: Can we have an</p> <p>9 agreement that an objection by one is an</p> <p>10 objection for any other party here?</p> <p>11 MR. MORRIS: Sure. I would – I</p> <p>12 would encourage that, sure.</p> <p>13 MS. DEITSCH-PEREZ: Thank you.</p> <p>14 MR. MORRIS: It can't be sustained</p> <p>15 or overruled more than one time, so...</p> <p>16 Q. Mr. Waterhouse, can you answer my</p> <p>17 question, please.</p> <p>18 MS. DANDENEAU: Do you want to</p> <p>19 repeat it, Mr. Morris, for his benefit?</p> <p>20 MR. MORRIS: Sure.</p> <p>21 Q. Can you – can you tell me the</p> <p>22 approximate portion of Skyview's revenue that</p> <p>23 is derived from entities that are directly or</p> <p>24 indirectly owned or controlled by Mr. Dondero?</p> <p>25 A. I don't know the exact number.</p>

<p style="text-align: right;">Page 18</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Is it more than 75 percent?</p> <p>3 A. Yes.</p> <p>4 Q. Is it more than 90 percent?</p> <p>5 A. I don't know.</p> <p>6 Q. Okay. Can I refer to Highland</p> <p>7 Capital Management, L.P., as Highland?</p> <p>8 A. Yes.</p> <p>9 Q. All right. And you previously</p> <p>10 served as Highland's CFO; correct?</p> <p>11 A. Yes.</p> <p>12 Q. When did you join Highland?</p> <p>13 A. I don't recall the exact date.</p> <p>14 Q. Can you tell me what year?</p> <p>15 A. 2006.</p> <p>16 Q. When did you -- in what year did you</p> <p>17 become Highland's CFO?</p> <p>18 A. I don't recall the exact date.</p> <p>19 Q. I'm not asking you for the exact</p> <p>20 date. I'm asking you if you recall the year in</p> <p>21 which you were appointed CFO.</p> <p>22 A. I don't recall the exact year.</p> <p>23 Q. Can you tell me which years it is</p> <p>24 possible that you were appointed to CFO of</p> <p>25 Highland?</p>	<p style="text-align: right;">Page 19</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. 2011 or 2012.</p> <p>3 Q. Did you serve as Highland's CFO on a</p> <p>4 continuous basis from in or around 2011 or 2012</p> <p>5 until early 2021?</p> <p>6 A. Yes.</p> <p>7 Q. During that entire time you reported</p> <p>8 directly to Jim Dondero; correct?</p> <p>9 A. I -- I don't know.</p> <p>10 Q. Is there anybody else you reported</p> <p>11 to -- withdrawn.</p> <p>12 Did you report to Mr. Dondero for</p> <p>13 some portion of the time that you served as</p> <p>14 CFO?</p> <p>15 A. Yes.</p> <p>16 Q. Is there a portion of time that you</p> <p>17 don't recall who you reported to?</p> <p>18 A. Yes.</p> <p>19 Q. What portion of time do you have in</p> <p>20 your mind when you can't recall who you</p> <p>21 reported to?</p> <p>22 A. From the 2011 to -- for</p> <p>23 approximately a year or two.</p> <p>24 Q. Okay. So is it fair to say that you</p> <p>25 reported to Mr. Dondero in your capacity as CFO</p>
<p style="text-align: right;">Page 20</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 from at least 2014 until the time you left</p> <p>3 Highland?</p> <p>4 MS. DANDENEAU: Objection to form.</p> <p>5 A. I don't want to speculate the exact</p> <p>6 or what year that changed or -- so I would like</p> <p>7 to stick with my testimony.</p> <p>8 Q. Can you recall when you began</p> <p>9 reporting to Mr. Dondero?</p> <p>10 A. I don't recall.</p> <p>11 Q. Can you -- can you give me an</p> <p>12 estimate of what year you think you might have</p> <p>13 began reporting to Mr. Dondero?</p> <p>14 A. I will go back to my prior</p> <p>15 testimony.</p> <p>16 Q. Okay. There is no -- you have no</p> <p>17 ability to tell me when you began reporting to</p> <p>18 Mr. Dondero.</p> <p>19 Do I have that right?</p> <p>20 MS. DANDENEAU: Objection to form.</p> <p>21 A. I don't recall.</p> <p>22 Q. Okay. Do you recall who you might</p> <p>23 have reported to before you began reporting to</p> <p>24 Mr. Dondero?</p> <p>25 A. Yes.</p>	<p style="text-align: right;">Page 21</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Who might you have reported to in</p> <p>3 your capacity as CFO before you started</p> <p>4 reporting to Mr. Dondero?</p> <p>5 A. That would have been Patrick Boyce.</p> <p>6 Q. Are you aware that Highland filed</p> <p>7 for bankruptcy on October 19th, 2019?</p> <p>8 A. Yes.</p> <p>9 Q. And we refer to that as the petition</p> <p>10 date?</p> <p>11 A. Yes.</p> <p>12 Q. Okay. Do you hold any professional</p> <p>13 licenses, sir?</p> <p>14 A. Yes.</p> <p>15 Q. Can you tell me what professional</p> <p>16 licenses you hold?</p> <p>17 A. I'm a certified public accountant.</p> <p>18 Q. Okay. Anything else?</p> <p>19 A. No.</p> <p>20 Q. Do you have any other professional</p> <p>21 licenses or certificates?</p> <p>22 A. When you say "professional license,"</p> <p>23 that is not education?</p> <p>24 Q. Tell me -- sure. Anything other</p> <p>25 than a driver's license.</p>

<p style="text-align: right;">Page 22</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Do you have any other license or</p> <p>3 certificate or certification?</p> <p>4 A. Are you asking, like, where I went</p> <p>5 to school and the –</p> <p>6 Q. I am not. I am not. I didn't say</p> <p>7 education. I didn't ask about degrees.</p> <p>8 Do you know what a license is?</p> <p>9 A. Well, yeah, I mean, a license is</p> <p>10 something you get after you receive a certain</p> <p>11 level of proficiency.</p> <p>12 Q. Do you have any licenses or</p> <p>13 certifications other than your CPA?</p> <p>14 MS. More or less.</p> <p>7 Q. Have you ever heard of a company</p> <p>8 called HCRE Partners, LLC?</p> <p>9 A. Yes.</p> <p>10 Q. And do you understand that that</p> <p>11 entity is now known today as NexPoint Real</p> <p>12 Estate Partners?</p> <p>13 A. I did not know that.</p> <p>14 Q. All right. Can we refer to HCRE</p> <p>15 Partners as HCRE?</p> <p>16 MS. DANDENEAU: Objection to form.</p> <p>17 Did you mean NexPoint Real Estate</p> <p>18 Partners, Mr. Morris?</p> <p>19 MR. MORRIS: No.</p> <p>20 MS. DANDENEAU: Oh.</p> <p>21 MR. MORRIS: He said he wasn't</p> <p>22 familiar that it was succeeded by that</p> <p>23 entity. So –</p> <p>24 MS. DANDENEAU: Okay.</p> <p>25 MR. MORRIS: – let's go with what</p>
<p style="text-align: right;">Page 32</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 the witness knows.</p> <p>3 Q. You're familiar with an entity</p> <p>4 called HCRE Partners, LLC; correct?</p> <p>5 A. Yes.</p> <p>6 Q. Okay. So that is the entity that we</p> <p>7 will refer to as HCRE. If you're aware of any</p> <p>8 successor, that is great. If not, let's just</p> <p>9 define it as such.</p> <p>10 Have you ever been employed by HCRE</p> <p>11 or any entity that you know to have succeeded</p> <p>12 HCRE?</p> <p>13 A. No.</p> <p>14 Q. Did you ever serve as an officer or</p> <p>15 director of HCRE or any successor?</p> <p>16 A. Not that I recall.</p> <p>17 Q. Okay. Can we refer to NexPoint and</p> <p>18 HCMFA as the advisors?</p> <p>19 A. Yes.</p> <p>20 Q. In general, the advisors provided</p> <p>21 investment advisory services to certain retail</p> <p>22 funds; correct?</p> <p>23 A. Yes.</p> <p>24 Q. And we will refer to the retail</p> <p>25 funds that are served by the advisors</p>	<p style="text-align: right;">Page 33</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 collectively as the retail funds; is that okay?</p> <p>3 A. Okay.</p> <p>4 Q. Each of the retail funds is governed</p> <p>5 by a board; correct?</p> <p>6 A. Yes.</p> <p>7 Q. And do you know the people who serve</p> <p>8 on the boards of the retail funds?</p> <p>9 MS. DANDENEAU: Objection to form.</p> <p>10 A. I don't know all of them.</p> <p>11 Q. Do you know whether the same people</p> <p>12 serve on the board of each of the retail funds</p> <p>13 as we've defined that term?</p> <p>14 A. Which – so when you say "retail</p> <p>15 funds" – again, I want to be – what retail</p> <p>16 funds are you referring to, because there are</p> <p>17 – there are several distinctions?</p> <p>18 What retail funds are you using when</p> <p>19 you refer to them?</p> <p>20 Q. That is why – that is why I tried</p> <p>21 to define the terms. So let me do it again.</p> <p>22 Retail funds for the purposes of</p> <p>23 this deposition means any retail fund to which</p> <p>24 either of the advisors provides advisory</p> <p>25 services. Okay?</p>

<p style="text-align: right;">Page 34</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. Okay.</p> <p>3 Q. Okay. So do you know whether the</p> <p>4 same people serve on the board of each of the</p> <p>5 retail funds?</p> <p>6 A. I don't know.</p> <p>7 Q. Were you ever employed by any of the</p> <p>8 retail funds?</p> <p>9 A. No.</p> <p>10 Q. No?</p> <p>11 A. No.</p> <p>12 Q. Okay. Do you have any title with</p> <p>13 respect to any of the retail funds?</p> <p>14 A. Yes.</p> <p>15 Q. What titles do you hold --</p> <p>16 withdrawn.</p> <p>17 Do you have the same titles with</p> <p>18 respect to all of the retail funds or do</p> <p>19 they -- or just something else?</p> <p>20 MS. DANDENEAU: Objection to form.</p> <p>21 Q. Withdrawn.</p> <p>22 Do you have the same title with</p> <p>23 respect to each of the retail funds?</p> <p>24 A. No.</p> <p>25 Q. Tell me which title you have with</p>	<p style="text-align: right;">Page 35</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 respect to each retail fund.</p> <p>3 Actually, let's do it a different</p> <p>4 way. I withdraw the question.</p> <p>5 Can you give me one title you have</p> <p>6 in relation to any retail fund?</p> <p>7 A. Yes.</p> <p>8 Q. What title -- what title can you</p> <p>9 give me?</p> <p>10 A. Principal executive officer.</p> <p>11 Q. Do you serve as principal executive</p> <p>12 officer for each of the retail funds?</p> <p>13 A. No.</p> <p>14 Q. Can you identify for me the retail</p> <p>15 funds in which you serve as the principal</p> <p>16 executive officer?</p> <p>17 A. Yes. Highland Funds 1, Highland</p> <p>18 Funds 2, Highland Income Fund, Highland Global</p> <p>19 Allocation Fund.</p> <p>20 Q. I'm sorry, you said "Global</p> <p>21 Allocation Fund"?</p> <p>22 A. Yes.</p> <p>23 VIDEOGRAPHER: Excuse me,</p> <p>24 Mr. Morris. This is the videographer. I'm</p> <p>25 concerned about the lighting in the</p>
<p style="text-align: right;">Page 36</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 witness' camera.</p> <p>3 Do you want to go off the record and</p> <p>4 make some adjustments?</p> <p>5 MR. MORRIS: Sure, but just for this</p> <p>6 purpose. I don't want to take a break. We</p> <p>7 just started.</p> <p>8 MS. DANDENEAU: Yeah, that is fine.</p> <p>9 That is fine. We're going to put you on</p> <p>10 mute.</p> <p>11 MR. MORRIS: All right.</p> <p>12 MS. DANDENEAU: I'm going to try to</p> <p>13 open up some of the shades.</p> <p>14 VIDEOGRAPHER: We're going off the</p> <p>15 record at 10:08 a.m.</p> <p>16 (Recess taken 10:08 a.m. to 10:11 a.m.)</p> <p>17 VIDEOGRAPHER: We are back on the</p> <p>18 record at 10:11 a.m.</p> <p>19 Q. Mr. Waterhouse, when did you become</p> <p>20 the principal executive officer of the four</p> <p>21 retail funds that you just identified?</p> <p>22 A. I don't recall.</p> <p>23 Q. Do you recall the approximate year</p> <p>24 that you became the principal executive officer</p> <p>25 of the four funds?</p>	<p style="text-align: right;">Page 37</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. 2021.</p> <p>3 Q. Did you ever hold any title with</p> <p>4 respect to any of the four funds you have just</p> <p>5 identified other than principal executive</p> <p>6 officer?</p> <p>7 A. I don't recall.</p> <p>8 Q. Is it possible that you held a</p> <p>9 position or a title with the four funds you</p> <p>10 just identified prior to 2021?</p> <p>11 A. Yes.</p> <p>12 Q. But you don't recall if you did or</p> <p>13 not; do I have that right?</p> <p>14 A. No. You -- I thought you asked, did</p> <p>15 I hold other titles.</p> <p>16 Q. Did you hold any title at the four</p> <p>17 retail funds for which you now serve as</p> <p>18 principal executive officer at any time prior</p> <p>19 to 2021?</p> <p>20 A. Yes.</p> <p>21 Q. What titles did you hold?</p> <p>22 A. I don't recall all the titles.</p> <p>23 Q. Do you recall any of the titles?</p> <p>24 A. Yes.</p> <p>25 Q. What titles do you recall holding at</p>

<p style="text-align: right;">Page 38</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 those four retail funds before 2021?</p> <p>3 A. Principal executive officer.</p> <p>4 Q. Were you the principal executive</p> <p>5 officer of the four retail funds that you have</p> <p>6 identified?</p> <p>7 A. Sorry, could you repeat the</p> <p>8 question?</p> <p>9 Q. Were you the principal executive</p> <p>10 officer for each of the four retail funds that</p> <p>11 you have identified?</p> <p>12 A. Yes.</p> <p>13 Q. When did you become the principal</p> <p>14 executive – withdrawn.</p> <p>15 Can you give me the approximate year</p> <p>16 that you became the principal executive officer</p> <p>17 for each of the four retail funds you've</p> <p>18 identified?</p> <p>19 A. I don't recall.</p> <p>20 Q. What are your duties and</p> <p>21 responsibilities as the principal executive</p> <p>22 officer of these four retail funds?</p> <p>23 A. It is to manage the finance and</p> <p>24 accounting positions.</p> <p>25 Q. So at the same time you serve as the</p>	<p style="text-align: right;">Page 39</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 treasurer of the advisors, you also serve as</p> <p>3 the principal executive officer of these four</p> <p>4 retail funds; correct?</p> <p>5 A. Yes.</p> <p>6 Q. Did you ever hold any title with</p> <p>7 respect to any other retail fund?</p> <p>8 A. Not that I recall.</p> <p>9 Q. During the period that you served as</p> <p>10 Highland's CFO, from time to time Highland</p> <p>11 loaned money to certain of its officers and</p> <p>12 employees; correct?</p> <p>13 A. Yes.</p> <p>14 Q. During the period that you served as</p> <p>15 Highland's CFO, from time to time Highland</p> <p>16 loaned money to certain –</p> <p>17 A. Let me – let me retract that,</p> <p>18 sorry, that – you asked during the time I was</p> <p>19 CFO, Highland loaned moneys to employees. I</p> <p>20 don't – I don't recall that during my tenure</p> <p>21 of CFO.</p> <p>22 Q. You have no recollection during the</p> <p>23 time that you were the CFO of Highland of</p> <p>24 Highland ever loaning any money to any officer</p> <p>25 or director of Highland?</p>
<p style="text-align: right;">Page 40</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. I don't recall during my tenure of</p> <p>3 Highland or my – as CFO of Highland – yeah,</p> <p>4 if there are any loans as CFO of Highland.</p> <p>5 Q. I'm just talking about officers and</p> <p>6 employees right now. You have no recollection</p> <p>7 of Highland ever making a loan to any of its</p> <p>8 officers or employees during the time that you</p> <p>9 served as CFO. Do I have that right?</p> <p>10 MS. DANDENEAU: Objection to form.</p> <p>11 A. So I thought you were saying</p> <p>12 officers and employees as CFO, right, so there</p> <p>13 were – I mean, okay, yes.</p> <p>14 Q. I would ask you to listen carefully</p> <p>15 to my question. If I – if I'm not clear, let</p> <p>16 me know, but I'm really trying to be as clear</p> <p>17 as I can.</p> <p>18 A. I'm listening as carefully as I can,</p> <p>19 and you are asking very specific questions in a</p> <p>20 timeline. And I'm trying to answer your</p> <p>21 questions as specifically as I can, and I</p> <p>22 apologize if – if I'm going back. I am – you</p> <p>23 are asking very specific questions. Thank you.</p> <p>24 Q. During the period that you served as</p> <p>25 Highland's CFO, from time to time Highland</p>	<p style="text-align: right;">Page 41</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 loaned money to certain corporate affiliates;</p> <p>3 correct?</p> <p>4 MS. DANDENEAU: Objection to form.</p> <p>5 A. What are corporate affiliates?</p> <p>6 Q. How about the ones that are in</p> <p>7 Highland's audited financial statements under</p> <p>8 the section entitled Loans to Affiliates. Why</p> <p>9 don't we start with those. Do you have any</p> <p>10 understanding of what the phrase "affiliates"</p> <p>11 means?</p> <p>12 MS. DANDENEAU: Objection to form.</p> <p>13 A. I understand what affiliates are,</p> <p>14 yet affiliates can have different meanings in</p> <p>15 different contexts, so...</p> <p>16 Q. Why don't you – why don't you tell</p> <p>17 me what your understanding of the term</p> <p>18 "affiliate" is in relation to Highland Capital</p> <p>19 Management, L.P.</p> <p>20 A. Is that a – it depends on the</p> <p>21 context.</p> <p>22 Q. How about the context of making</p> <p>23 loans?</p> <p>24 MS. DANDENEAU: Objection to form.</p> <p>25 A. I didn't make the determination of</p>

<p style="text-align: right;">Page 42</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 who an affiliate was or is at the time those –</p> <p>3 I didn't – that wasn't my job to make a</p> <p>4 determination of who an affiliate is.</p> <p>5 Q. All right. So as the CFO of</p> <p>6 Highland, do you have any ability right now to</p> <p>7 tell me which companies that were directly or</p> <p>8 indirectly owned and/or controlled by</p> <p>9 Mr. Dondero in whole or in part received loans</p> <p>10 from Highland Capital Management, L.P.?</p> <p>11 MS. DANDENEAU: Objection to form.</p> <p>12 MS. DEITSCH-PEREZ: Objection, form.</p> <p>13 A. Yes.</p> <p>14 Q. Okay. Identify every entity that</p> <p>15 you can think of that was directly or</p> <p>16 indirectly owned and/or controlled by</p> <p>17 Mr. Dondero in whole or in part that received a</p> <p>18 loan from Highland Capital Management, L.P.</p> <p>19 MR. RUKAVINA: Objection, legal</p> <p>20 conclusion.</p> <p>21 A. NexPoint Advisors, Highland Capital</p> <p>22 Management Fund Advisors, HCM Services,</p> <p>23 Dugaboy. Sorry, I don't think – Dugaboy</p> <p>24 doesn't fit that definition. You said owned</p> <p>25 and controlled. I don't think that that</p>	<p style="text-align: right;">Page 43</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 definition –</p> <p>3 Q. I said owned and/or controlled.</p> <p>4 A. I don't – again, I'm not – I'm not</p> <p>5 the legal expert. I don't think it controls –</p> <p>6 he controls Dugaboy, so again, I'm not the</p> <p>7 legal person.</p> <p>8 Q. I'm not asking you for a legal</p> <p>9 conclusion, sir. I'm asking you for your</p> <p>10 knowledge, okay, as the CFO – the former CFO</p> <p>11 of Highland Capital Management, other than</p> <p>12 NexPoint, HCMFA, and HCMF – HCMS, can you</p> <p>13 think of any other entities that were owned</p> <p>14 and/or controlled directly or indirectly in</p> <p>15 whole or in part by Jim Dondero who received a</p> <p>16 loan from Highland Capital Management, L.P.?</p> <p>17 MS. DANDENEAU: Objection to form.</p> <p>18 A. HCRE.</p> <p>19 Q. Any others?</p> <p>20 A. That is – that is all I can think</p> <p>21 of.</p> <p>22 Q. And you're aware that from time to</p> <p>23 time while you were the CFO, Highland loaned</p> <p>24 money to Jim Dondero; correct?</p> <p>25 A. Yes.</p>
<p style="text-align: right;">Page 44</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Okay. Can we refer to the four</p> <p>3 entities that you just named and Mr. Dondero as</p> <p>4 the affiliates?</p> <p>5 A. So that would be Jim Dondero,</p> <p>6 NexPoint Advisors, Highland Capital Management</p> <p>7 Fund Advisors, and HCRE.</p> <p>8 Q. And HCMS?</p> <p>9 A. And HCMS, okay.</p> <p>10 Q. And can we refer to the loans that</p> <p>11 were given to each of those affiliates as the</p> <p>12 affiliate loans?</p> <p>13 A. Yes.</p> <p>14 Q. And is it fair to say that each of</p> <p>15 the affiliates were the borrowers under the</p> <p>16 affiliate loans as we're defining the term?</p> <p>17 MR. RUKAVINA: Objection, legal</p> <p>18 conclusion.</p> <p>19 A. The borrowers are whoever were on</p> <p>20 the notes. I don't – I don't know. I'm not</p> <p>21 the legal person.</p> <p>22 Q. But you –</p> <p>23 A. I don't know.</p> <p>24 Q. You do know, as Highland's former</p> <p>25 CFO, that each of the affiliates that you have</p>	<p style="text-align: right;">Page 45</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 identified tendered notes to Highland; correct?</p> <p>3 MR. RUKAVINA: Hey, John, will you</p> <p>4 just give me a running objection to legal</p> <p>5 conclusion to HCM –</p> <p>6 MR. MORRIS: No. No, if you want to</p> <p>7 object –</p> <p>8 MR. RUKAVINA: I will object every</p> <p>9 time. Object to legal conclusion.</p> <p>10 MR. MORRIS: That is fine.</p> <p>11 A. Sorry, can you repeat the question?</p> <p>12 Q. Are you aware that each of the –</p> <p>13 that each of the affiliates, as we have defined</p> <p>14 the term, gave to Highland a promissory note in</p> <p>15 exchange for the loans?</p> <p>16 MR. RUKAVINA: Objection to the</p> <p>17 extent that calls for a legal conclusion.</p> <p>18 A. I don't.</p> <p>19 Q. No, you don't know that?</p> <p>20 A. No, they didn't – you said they</p> <p>21 exchanged a promissory note for a loan. I</p> <p>22 don't – I don't understand that question, so I</p> <p>23 said no.</p> <p>24 Q. At the time of the bankruptcy</p> <p>25 filing, did Highland have in its possession</p>

<p style="text-align: right;">Page 46</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 promissory notes that were signed by each of</p> <p>3 the affiliates?</p> <p>4 A. Yes.</p> <p>5 Q. To the best of your knowledge,</p> <p>6 during the time that you served as Highland's</p> <p>7 CFO, did Highland disclose to its outside</p> <p>8 auditors all of the loans that were made to</p> <p>9 affiliates?</p> <p>10 MR. RUKAVINA: Objection, that calls</p> <p>11 for a legal conclusion.</p> <p>12 MS. DEITSCH-PEREZ: I also couldn't</p> <p>13 hear you, John, because there was some</p> <p>14 garbling on -- on the -- on the call.</p> <p>15 MR. MORRIS: Folks, I've got to tell</p> <p>16 you this is not going well, and I'm</p> <p>17 reserving my right --</p> <p>18 MS. DANDENEAU: John, it was just</p> <p>19 the end of that question. It was just the</p> <p>20 end of that question. I couldn't hear it</p> <p>21 either. Sorry, if you could repeat it,</p> <p>22 please.</p> <p>23 MR. MORRIS: That is less than an</p> <p>24 hour into this, but folks are trying to run</p> <p>25 out the clock, and so I'm just going to</p>	<p style="text-align: right;">Page 47</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 state that now.</p> <p>3 MS. DANDENEAU: You know, and,</p> <p>4 Mr. Morris, I really object to that. I</p> <p>5 mean --</p> <p>6 MR. MORRIS: Okay.</p> <p>7 MS. DANDENEAU: -- Mr. Waterhouse</p> <p>8 just told you he's trying to listen to your</p> <p>9 questions and answer them carefully, and</p> <p>10 you have no basis for saying that.</p> <p>11 MR. MORRIS: Okay.</p> <p>12 MS. DANDENEAU: This does not --</p> <p>13 this is not an experienced witness, so he's</p> <p>14 trying to do the best he can.</p> <p>15 Q. Mr. Waterhouse, during the time that</p> <p>16 you served as Highland's CFO, did Highland</p> <p>17 disclose to its outside auditors all of the</p> <p>18 loans that it made to each of the affiliates</p> <p>19 that you have identified?</p> <p>20 MR. RUKAVINA: Objection, legal</p> <p>21 conclusion.</p> <p>22 A. Yes.</p> <p>23 Q. To the best of your knowledge, while</p> <p>24 you were Highland's CFO, were all of the</p> <p>25 affiliate loans described in Highland's audited</p>
<p style="text-align: right;">Page 48</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 financial statements?</p> <p>3 MR. RUKAVINA: Objection, legal</p> <p>4 conclusion.</p> <p>5 A. When an audit was performed, any</p> <p>6 loans that were made by Highland to the</p> <p>7 affiliates were disclosed to auditors.</p> <p>8 Q. Are you aware of any loan that was</p> <p>9 made to any affiliate that was not disclosed to</p> <p>10 the auditors?</p> <p>11 A. I'm not aware.</p> <p>12 Q. To the best of your knowledge, did</p> <p>13 each of the affiliates who were --</p> <p>14 (inaudible) -- loaned from Highland execute a</p> <p>15 promissory note in connection with that loan?</p> <p>16 MR. RUKAVINA: Objection, legal</p> <p>17 conclusion.</p> <p>18 A. Sorry, you -- halfway through the</p> <p>19 question it got muffled.</p> <p>20 Can you repeat that again?</p> <p>21 Q. To the best of your knowledge, did</p> <p>22 every affiliate execute a promissory note in</p> <p>23 connection with each loan that it obtained from</p> <p>24 Highland?</p> <p>25 MR. RUKAVINA: Objection, legal</p>	<p style="text-align: right;">Page 49</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 conclusion.</p> <p>3 A. Yes.</p> <p>4 Q. You are not aware of any loan that</p> <p>5 any affiliate ever obtained from Highland where</p> <p>6 the affiliate did not give a promissory note in</p> <p>7 return; is that fair?</p> <p>8 A. Yes, I'm not aware.</p> <p>9 Q. And to the best of your knowledge,</p> <p>10 did Highland loan to each affiliate an amount</p> <p>11 of money equal to the principal amount of each</p> <p>12 promissory note?</p> <p>13 MR. RUKAVINA: Objection, legal</p> <p>14 conclusion.</p> <p>15 A. Yes.</p> <p>16 Q. During the time that you served as</p> <p>17 CFO, did Highland ever loan money to</p> <p>18 Mark Okada?</p> <p>19 A. I -- I don't recall.</p> <p>20 Q. Did you ever see any promissory</p> <p>21 notes executed by Mark Okada?</p> <p>22 A. I don't recall.</p> <p>23 Q. Do you know if Highland ever forgave</p> <p>24 any loan that it ever made to Mr. Okada?</p> <p>25 A. I don't recall.</p>

<p style="text-align: right;">Page 50</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Do you recall if Mr. Okada paid back</p> <p>3 all principal and interest due and owing under</p> <p>4 any loan he obtained from Highland?</p> <p>5 MS. DEITSCH-PEREZ: Objection to</p> <p>6 form.</p> <p>7 MS. DANDENEAU: Objection to form.</p> <p>8 A. I don't recall.</p> <p>9 Q. Do you recall whether – during your</p> <p>10 time as CFO, whether Highland ever loaned money</p> <p>11 to Jim Dondero?</p> <p>12 A. Yes.</p> <p>13 Q. To the best of your knowledge, did</p> <p>14 Mr. Dondero sign and deliver to Highland a</p> <p>15 promissory note in connection with each loan</p> <p>16 that he obtained from Highland?</p> <p>17 A. If you are referring to the</p> <p>18 promissory notes that, you know, part of</p> <p>19 Highland's records, yes.</p> <p>20 Q. Okay. You're not aware of any loan</p> <p>21 that Mr. Dondero took from Highland that wasn't</p> <p>22 backed up by – by a promissory note with a</p> <p>23 face – with a principal amount equal to the</p> <p>24 amount of the loan; correct?</p> <p>25 A. Am I aware that Jim Dondero took a</p>	<p style="text-align: right;">Page 51</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 loan?</p> <p>3 Q. Without giving a – let me ask a</p> <p>4 better question. I'm sorry, Mr. Waterhouse.</p> <p>5 Are you aware of any loan that</p> <p>6 Mr. Dondero obtained from Highland where he</p> <p>7 didn't give a promissory note in return?</p> <p>8 A. I'm not aware.</p> <p>9 Q. During the time that you served as</p> <p>10 Highland's CFO, did Highland ever forgive any</p> <p>11 loans, in whole or in part, that it made to</p> <p>12 Mr. Dondero?</p> <p>13 A. Not that I'm aware.</p> <p>14 Q. At the time that you served as</p> <p>15 Highland's CFO, did Highland ever forgive any</p> <p>16 loan, in whole or in part, that it made to any</p> <p>17 affiliate as we've defined the term today?</p> <p>18 A. Not that I'm aware.</p> <p>19 Q. During the time that you served as</p> <p>20 Highland's CFO, did Highland ever forgive, in</p> <p>21 whole or in part, any loan that it ever made to</p> <p>22 any officer or employee?</p> <p>23 A. Highland forgave loans to officers</p> <p>24 and employees. It may not have been at the</p> <p>25 time when my title was CFO.</p>
<p style="text-align: right;">Page 52</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Okay. And so I appreciate the</p> <p>3 distinction.</p> <p>4 Is it fair to say that, to the best</p> <p>5 of your knowledge, Highland did not forgive a</p> <p>6 loan that it made to an officer or employee</p> <p>7 after 2013?</p> <p>8 MS. DANDENEAU: Objection to form.</p> <p>9 A. I don't recall.</p> <p>10 Q. To the best of your knowledge, did</p> <p>11 Highland disclose to its auditors every</p> <p>12 instance where it forgave, in whole or in part,</p> <p>13 a loan that it had made to one of its officers</p> <p>14 or employees?</p> <p>15 A. No.</p> <p>16 Q. Can you think of – can you – can</p> <p>17 you identify any loan to an officer or employee</p> <p>18 that was forgiven by Highland, in whole or in</p> <p>19 part, that was not disclosed to Highland's</p> <p>20 outside auditors?</p> <p>21 A. Look, I don't recall all of the</p> <p>22 loans and the loan forgiveness. I just know as</p> <p>23 part of the audit process there is a</p> <p>24 materiality concept.</p> <p>25 So if there were loans to employees</p>	<p style="text-align: right;">Page 53</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 that were of – you know, that were deemed</p> <p>3 immaterial, those items may not have been</p> <p>4 disclosed by the team to the auditors.</p> <p>5 Q. I appreciate that.</p> <p>6 Do you have an understanding as to</p> <p>7 what the level of materiality was?</p> <p>8 A. I don't recall.</p> <p>9 Q. As the CFO of Highland, to the best</p> <p>10 of your knowledge, did Highland disclose to its</p> <p>11 outside auditors every loan that was forgiven,</p> <p>12 in whole or in part, that was material as that</p> <p>13 term was defined by the outside auditors?</p> <p>14 A. Yes.</p> <p>15 Q. And do you recall where – do you</p> <p>16 recall where the definition of materiality can</p> <p>17 be found for – for this particular purpose?</p> <p>18 MS. DANDENEAU: Objection to form.</p> <p>19 A. No. You – I don't determine</p> <p>20 materiality.</p> <p>21 Q. Okay. I'm just asking you if you</p> <p>22 can help me understand where it is, but I think</p> <p>23 we will find it in a few minutes.</p> <p>24 You are aware that Highland has</p> <p>25 commenced lawsuits against each of the</p>

<p style="text-align: right;">Page 54</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 affiliates, as we've defined the term, to</p> <p>3 collect under certain promissory notes; is that</p> <p>4 right?</p> <p>5 A. Yes.</p> <p>6 Q. And are you familiar with the notes</p> <p>7 that are issue – at issue in the lawsuits?</p> <p>8 MS. DANDENEAU: Objection to form.</p> <p>9 A. Generally familiar.</p> <p>10 Q. Can we refer to the lawsuits that</p> <p>11 Highland has commenced against the affiliates</p> <p>12 collectively as the lawsuits?</p> <p>13 A. Yes. And, again, the affiliates are</p> <p>14 NexPoint, HCMFA, HCMS, and HCRE.</p> <p>15 Q. And Mr. Dondero?</p> <p>16 A. Okay. See, that is a new – and now</p> <p>17 Mr. Dondero is included in your affiliate</p> <p>18 definition.</p> <p>19 Q. I just –</p> <p>20 A. I thought affiliates – I thought</p> <p>21 affiliates were just the four prior entities,</p> <p>22 so I just want to be clear.</p> <p>23 Q. I appreciate that. So let's –</p> <p>24 let's keep them separate and let's refer to the</p> <p>25 four corporate entities as the affiliates, and</p>	<p style="text-align: right;">Page 55</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Mr. Dondero we will call Mr. Dondero. Okay?</p> <p>3 A. Okay. Thank you. As you can see,</p> <p>4 Mr. Morris, there is a lot of entities – a lot</p> <p>5 here. I just want to be clear.</p> <p>6 Q. Okay. Now, the affiliates of</p> <p>7 Mr. Dondero signed promissory notes that are</p> <p>8 not subject to the lawsuit.</p> <p>9 Do you understand that?</p> <p>10 MS. DANDENEAU: Objection to form.</p> <p>11 A. The affiliates and Mr. Dondero</p> <p>12 signed –</p> <p>13 Q. You know what? I will skip it.</p> <p>14 That is okay. Okay.</p> <p>15 From time to time while you were</p> <p>16 Highland's CFO, payments were applied against</p> <p>17 principal and interests that were due under the</p> <p>18 notes that were tendered by the affiliates and</p> <p>19 Mr. Dondero; correct?</p> <p>20 MR. RUKAVINA: Objection to the</p> <p>21 extent that calls for a legal conclusion.</p> <p>22 A. Yes.</p> <p>23 Q. Did Highland have a process where –</p> <p>24 whereby payments would be applied against</p> <p>25 principal and interest against the notes that</p>
<p style="text-align: right;">Page 56</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 were given by the affiliates and Mr. Dondero?</p> <p>3 A. Yes.</p> <p>4 Q. Can you describe the process for me?</p> <p>5 A. The process, payment should be</p> <p>6 applied as laid out in the – in the promissory</p> <p>7 note.</p> <p>8 Q. From time to time were payments made</p> <p>9 that were not required under the promissory</p> <p>10 notes?</p> <p>11 MS. DANDENEAU: Objection to form.</p> <p>12 A. Yes.</p> <p>13 Q. Who was responsible for deciding</p> <p>14 when and how much the payments would be made</p> <p>15 with respect to each of the notes that were</p> <p>16 issued by the affiliates and Mr. Dondero?</p> <p>17 A. Who was responsible for deciding how</p> <p>18 much was paid prior to the due date?</p> <p>19 Q. Yes.</p> <p>20 A. I don't know.</p> <p>21 Q. Did you approve of each payment that</p> <p>22 was made against principal and interest on the</p> <p>23 notes that were given by the affiliates and</p> <p>24 Mr. Dondero?</p> <p>25 MS. DANDENEAU: Objection to form.</p>	<p style="text-align: right;">Page 57</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. Did I approve the payments? I</p> <p>3 approve – I approve – if there was cash – if</p> <p>4 there was cash being repaid on a note payment,</p> <p>5 yes, I approved in the general sense of being</p> <p>6 made aware of the payment and the amount.</p> <p>7 Q. And are you the person who</p> <p>8 authorized Highland's employees to effectuate</p> <p>9 those payments?</p> <p>10 A. Yes.</p> <p>11 Q. When you gave the instruction to</p> <p>12 effectuate the payment, did you obtain</p> <p>13 Mr. Dondero's prior approval?</p> <p>14 A. I mean, it – I mean, it – it</p> <p>15 depends.</p> <p>16 Q. Can you think of any instance where</p> <p>17 you directed Highland's employees to make a</p> <p>18 payment of principal or interest against any</p> <p>19 note that was tendered by an affiliate or</p> <p>20 Mr. Dondero that Mr. Dondero did not approve of</p> <p>21 in advance?</p> <p>22 A. I can't recall specifically.</p> <p>23 Q. Can you identify – withdrawn.</p> <p>24 Did Mr. Dondero ever tell you that a</p> <p>25 payment that was made against principal and</p>

<p style="text-align: right;">Page 58</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 interest due under one of the notes that was</p> <p>3 tendered by an affiliate or himself should not</p> <p>4 have been made?</p> <p>5 A. Yes.</p> <p>6 Q. Can you identify the payment for me?</p> <p>7 A. It would be for -- for NexPoint</p> <p>8 Advisors.</p> <p>9 Q. Okay. And when did Mr. Dondero tell</p> <p>10 you that a payment that you had initiated on</p> <p>11 behalf of NexPoint should not have been made?</p> <p>12 A. I wasn't initiating payment. It was</p> <p>13 in the context of the -- I think you used this</p> <p>14 term, "the advisors," so NexPoint Advisors and</p> <p>15 Highland Capital Management Fund Advisors had</p> <p>16 overpaid on certain agreements with Highland</p> <p>17 Capital Management, L.P. And as a part of that</p> <p>18 process, the advisors -- what I was told at the</p> <p>19 time were in talks and negotiations and</p> <p>20 discussions with Highland Capital Management,</p> <p>21 L.P., on offsets in relation to those</p> <p>22 overpayments.</p> <p>23 Q. When did this conversation take</p> <p>24 place?</p> <p>25 MS. DANDENEAU: Objection to form.</p>	<p style="text-align: right;">Page 59</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. I don't recall specifically.</p> <p>3 Q. Do you recall what year it was?</p> <p>4 A. Yes.</p> <p>5 Q. What year did the conversation with</p> <p>6 Mr. Dondero take place that you just described?</p> <p>7 A. 2020.</p> <p>8 Q. Okay. Do you remember if it was</p> <p>9 December 2020?</p> <p>10 A. It -- it -- I don't -- I don't</p> <p>11 recall what month specifically, but it would</p> <p>12 have been November or December.</p> <p>13 Q. And we're talking here about a</p> <p>14 payment of principal and/or interest that was</p> <p>15 due -- withdrawn.</p> <p>16 We're talking here about a payment</p> <p>17 of principal and interest that was applied</p> <p>18 against NexPoint's note; correct?</p> <p>19 MS. DANDENEAU: Objection to form.</p> <p>20 A. I don't recall what that payment</p> <p>21 consisted of.</p> <p>22 Q. Is it possible that the payment you</p> <p>23 have in mind related to the shared services</p> <p>24 agreement?</p> <p>25 MS. DANDENEAU: Objection to form.</p>
<p style="text-align: right;">Page 60</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. No.</p> <p>3 Q. Are you certain that the payment --</p> <p>4 that the payment that you have in mind related</p> <p>5 to the promissory note that NexPoint issued in</p> <p>6 favor of Highland?</p> <p>7 MS. DANDENEAU: Objection to form.</p> <p>8 A. Yes.</p> <p>9 Q. Okay. Other than that one payment,</p> <p>10 can you identify any other instance where</p> <p>11 Mr. Dondero told you that a payment should not</p> <p>12 have been applied against principal and</p> <p>13 interest under any promissory note tendered by</p> <p>14 any affiliate or Mr. Dondero?</p> <p>15 MS. DANDENEAU: Objection to form.</p> <p>16 MS. DEITSCH-PEREZ: Objection to</p> <p>17 form.</p> <p>18 A. Not that I recall.</p> <p>19 Q. Thank you very much.</p> <p>20 Do you know if Mr. Dondero approved</p> <p>21 in advance of each loan made to each affiliate</p> <p>22 and himself during the time that you were the</p> <p>23 CFO?</p> <p>24 MS. DEITSCH-PEREZ: Object to the</p> <p>25 form.</p>	<p style="text-align: right;">Page 61</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. Yes, generally.</p> <p>3 Q. Can you identify any loan that was</p> <p>4 ever made to an affiliate or to Mr. Dondero</p> <p>5 that Mr. Dondero did not approve of in advance?</p> <p>6 A. Other than the ones that are in</p> <p>7 dispute, I'm not aware.</p> <p>8 Q. Do you believe that Mr. Dondero did</p> <p>9 not approve of each of the loans that are in</p> <p>10 dispute in advance of the time that the loan</p> <p>11 was made?</p> <p>12 MS. DANDENEAU: Objection to form.</p> <p>13 A. Given what is in the dispute, you</p> <p>14 know, and -- and -- and the way things might --</p> <p>15 yeah, I mean...</p> <p>16 Q. I am not asking about the dispute,</p> <p>17 and it was probably my mistake to follow you</p> <p>18 there.</p> <p>19 Were you aware of every loan made by</p> <p>20 Highland to each of its affiliates and</p> <p>21 Mr. Dondero while you were the CFO at the time</p> <p>22 each loan was made?</p> <p>23 A. Was I aware of every loan, yes.</p> <p>24 Q. Okay. And if you put yourself back</p> <p>25 in time, do you recall that any of the loans</p>

<p style="text-align: right;">Page 62</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 that were made to one of the affiliates or</p> <p>3 Mr. Dondero during the time that you were the</p> <p>4 CFO was made without Mr. Dondero's prior</p> <p>5 knowledge and approval?</p> <p>6 A. Not that I recall.</p> <p>7 Q. Thank you. In fact, do you – as</p> <p>8 the CFO, would you have allowed Highland to</p> <p>9 loan money to an affiliate or to Mr. Dondero</p> <p>10 without obtaining Mr. Dondero's prior approval?</p> <p>11 MS. DANDENEAU: Objection to form.</p> <p>12 A. I can't – there was so many times</p> <p>13 over the years, I can't speak for every single</p> <p>14 one, but generally, yes, I – I spoke to him.</p> <p>15 Q. You – you never – you never –</p> <p>16 withdrawn. I will just take that.</p> <p>17 Can you recall any payment that was</p> <p>18 ever made against principal and interest on a</p> <p>19 note that was issued in favor of Highland by an</p> <p>20 affiliate or Mr. Dondero that you personally</p> <p>21 did not know about in advance?</p> <p>22 A. There are so many through the years,</p> <p>23 I don't – I don't – I don't recall every</p> <p>24 single one.</p> <p>25 Q. Okay. Can you identify any payment</p>	<p style="text-align: right;">Page 63</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 that was made against principal and interest on</p> <p>3 any note tendered by any affiliate or</p> <p>4 Mr. Dondero that you didn't know about in</p> <p>5 advance?</p> <p>6 A. I don't recall.</p> <p>7 Q. Other than Mr. Dondero – withdrawn.</p> <p>8 Did anybody at Highland have the</p> <p>9 authority to make a payment against principal</p> <p>10 and interest due under a loan given to the</p> <p>11 affiliates and Mr. Dondero without your</p> <p>12 knowledge and approval?</p> <p>13 MS. DANDENEAU: Objection to form.</p> <p>14 A. Sorry, there was – to make a</p> <p>15 payment on an affiliate loan, what you are</p> <p>16 saying would it require my knowledge and</p> <p>17 approval, yes.</p> <p>18 Q. Okay. I appreciate that. Thank</p> <p>19 you.</p> <p>20 Did anybody at Highland have the</p> <p>21 authority, to the best of your knowledge, to</p> <p>22 effectuate a loan to an affiliate without</p> <p>23 Mr. Dondero's prior knowledge and approval?</p> <p>24 MS. DANDENEAU: Objection to form.</p> <p>25 A. I can't speak for all, but</p>
<p style="text-align: right;">Page 64</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 generally, yes.</p> <p>3 Q. Did you personally communicate with</p> <p>4 Mr. Dondero to let him know each time a payment</p> <p>5 of principal or interest was being made against</p> <p>6 any note that was tendered by an affiliate or</p> <p>7 Mr. Dondero to Highland?</p> <p>8 A. I don't – are you saying, did I let</p> <p>9 Mr. Dondero know if a payment was made on any</p> <p>10 affiliate or loan to Mr. Dondero? I mean,</p> <p>11 not – not every – no.</p> <p>12 Q. Let me ask it this way: Did you</p> <p>13 have a practice of informing Mr. Dondero when</p> <p>14 payments were made against principal and</p> <p>15 interest on any note that was tendered by an</p> <p>16 affiliate or Mr. Dondero?</p> <p>17 MS. DEITSCH-PEREZ: Objection to</p> <p>18 form.</p> <p>19 MS. DANDENEAU: Objection to form.</p> <p>20 A. No, I did not.</p> <p>21 Q. Did Mr. Dondero ever tell you that a</p> <p>22 payment of principal or interest had been made</p> <p>23 against a note that was tendered by an</p> <p>24 affiliate or himself that he had been unaware</p> <p>25 of?</p>	<p style="text-align: right;">Page 65</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. Not that I recall.</p> <p>3 Q. Are you aware that Mr. Dondero and</p> <p>4 the affiliates – withdrawn.</p> <p>5 Are you aware that Mr. Dondero</p> <p>6 NexPoint, HCRE, and HCMS all contend that they</p> <p>7 do not have to pay on any of the notes they</p> <p>8 issued because they are subject to an oral</p> <p>9 agreement between Mr. Dondero and Nancy</p> <p>10 Dondero, in her capacity as the trustee of the</p> <p>11 Dugaboy Investment Trust?</p> <p>12 MS. DANDENEAU: Objection to form.</p> <p>13 A. I didn't – I didn't – I didn't</p> <p>14 know that it was all notes.</p> <p>15 Q. Okay. Are you – did you ever learn</p> <p>16 that there was an oral agreement between Jim</p> <p>17 Dondero and Nancy Dondero pertaining to any</p> <p>18 notes issued by any affiliate or Mr. Dondero?</p> <p>19 MS. DEITSCH-PEREZ: Object to the</p> <p>20 form.</p> <p>21 A. Yes.</p> <p>22 Q. Do you have any understanding as to</p> <p>23 the terms of that agreement?</p> <p>24 A. Yes.</p> <p>25 Q. What is your understanding of the</p>

<p style="text-align: right;">Page 66</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 terms of the agreement?</p> <p>3 A. That there were certain milestones</p> <p>4 that had to be reached.</p> <p>5 Q. Do you have any understanding of the</p> <p>6 terms of the agreement between Mr. Dondero and</p> <p>7 Nancy Dondero concerning any of the notes</p> <p>8 issued by the affiliates or Mr. Dondero other</p> <p>9 than that there have to be milestones reached?</p> <p>10 MS. DEITSCH-PEREZ: Object to the</p> <p>11 form.</p> <p>12 A. There are milestones, I found out</p> <p>13 yesterday, or there was some –</p> <p>14 MS. DANDENEAU: Okay. I'm just</p> <p>15 going to object to the extent that you</p> <p>16 learned anything in conversations with</p> <p>17 counsel, please don't reveal – that is</p> <p>18 privileged, and don't reveal any privileged</p> <p>19 communications.</p> <p>20 THE WITNESS: Okay.</p> <p>21 A. So I'm not aware of anything else.</p> <p>22 Q. Do you know what the milestones</p> <p>23 were?</p> <p>24 MS. DANDENEAU: Objection to form.</p> <p>25 A. I don't.</p>	<p style="text-align: right;">Page 67</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Do you know anything about – do you</p> <p>3 know what promissory notes the agreement</p> <p>4 covered?</p> <p>5 A. I don't.</p> <p>6 Q. Do you know if – if Jim and Nancy</p> <p>7 Dondero entered into one agreement or more than</p> <p>8 one agreement?</p> <p>9 MS. DEITSCH-PEREZ: Object to the</p> <p>10 form.</p> <p>11 A. I don't know.</p> <p>12 Q. Do you know if the agreement is in</p> <p>13 writing?</p> <p>14 A. I don't know.</p> <p>15 Q. How did you learn of the existence</p> <p>16 of the agreement?</p> <p>17 MS. DANDENEAU: Objection to form.</p> <p>18 Again –</p> <p>19 A. I don't – I don't recall who told</p> <p>20 me.</p> <p>21 Q. You have no recollection of who told</p> <p>22 you about this agreement between Jim and Nancy</p> <p>23 Dondero?</p> <p>24 MS. DEITSCH-PEREZ: Object to the</p> <p>25 form.</p>
<p style="text-align: right;">Page 68</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. I don't recall.</p> <p>3 Q. Do you recall how you learned of the</p> <p>4 agreement?</p> <p>5 Was it in a meeting? Was it in a</p> <p>6 phone call? Was it in an email?</p> <p>7 A. I don't recall.</p> <p>8 Q. Do you recall when you learned of</p> <p>9 the agreement?</p> <p>10 A. Not specifically.</p> <p>11 Q. Do you recall what year you learned</p> <p>12 of the agreement?</p> <p>13 A. In – look, I mean, there are so</p> <p>14 many notes. I may be getting – I believe it</p> <p>15 was 2020.</p> <p>16 Q. All right. I'm not asking about</p> <p>17 notes, sir. I'm asking about the agreement</p> <p>18 that you testified you knew about between Jim</p> <p>19 and Don- – Nancy Dondero. Okay.</p> <p>20 Do you understand my question now?</p> <p>21 Should I ask my question again?</p> <p>22 A. Yeah, sure. Go ahead.</p> <p>23 Q. I'm going to use the word</p> <p>24 "agreement" to refer to the agreement that</p> <p>25 Mr. Dondero and Nancy Dondero entered into</p>	<p style="text-align: right;">Page 69</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 where you understood that certain milestones</p> <p>3 had to be reached. Okay?</p> <p>4 A. Uh-huh.</p> <p>5 MS. DANDENEAU: Objection.</p> <p>6 MS. DEITSCH-PEREZ: Object to the</p> <p>7 form.</p> <p>8 MR. MORRIS: Just defining a term,</p> <p>9 what is the objection.</p> <p>10 MS. DEITSCH-PEREZ: The objection –</p> <p>11 MR. MORRIS: I will move on. I will</p> <p>12 move on.</p> <p>13 MS. DEITSCH-PEREZ: John –</p> <p>14 Q. Sir, are you okay with that</p> <p>15 definition of agreement?</p> <p>16 A. Okay.</p> <p>17 Q. Okay. So you don't recall who –</p> <p>18 who informed you of the existence of the</p> <p>19 agreement; is that right?</p> <p>20 A. I don't recall.</p> <p>21 Q. You don't recall who told you the</p> <p>22 terms of the agreement.</p> <p>23 Do I have that right?</p> <p>24 A. Correct.</p> <p>25 Q. And you don't recall if you learned</p>

<p style="text-align: right;">Page 70</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 about the agreement in a meeting, through an</p> <p>3 email, or through a phone call.</p> <p>4 Do I have that right?</p> <p>5 A. I don't recall.</p> <p>6 Q. Can you tell me when you learned of</p> <p>7 the agreement?</p> <p>8 A. I don't – I don't – I don't</p> <p>9 remember specifically.</p> <p>10 Q. Can you tell me if you learned of</p> <p>11 the agreement before or after the petition</p> <p>12 date?</p> <p>13 A. It would have been – it would have</p> <p>14 been after.</p> <p>15 Q. Can you tell me if you learned of</p> <p>16 the agreement before or after January 9th,</p> <p>17 2020?</p> <p>18 A. It would have been after.</p> <p>19 Q. Can you tell me if you learned of</p> <p>20 the agreement before or after you left Highland</p> <p>21 Capital Management in February of 2021?</p> <p>22 A. I don't – I don't – I don't know.</p> <p>23 Q. It is possible that you learned of</p> <p>24 it while you were a Highland employee.</p> <p>25 Do I have that right?</p>	<p style="text-align: right;">Page 71</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. I don't remember the – I mean, it</p> <p>3 was sometime in 2021. I don't remember when.</p> <p>4 Q. All right. So to the best of your</p> <p>5 recollection, it was in 2021 but you don't</p> <p>6 recall if it was before or after you ceased to</p> <p>7 be a Highland employee.</p> <p>8 Do I have that right?</p> <p>9 A. Yeah, I mean, it was – it was</p> <p>10 likely after I was – after I left Highland</p> <p>11 because, if I put myself back into the last</p> <p>12 days of – of 2021, it was – you know, the</p> <p>13 communications with Mr. Dondero were – were –</p> <p>14 were – there weren't as many communications</p> <p>15 because of the circumstances.</p> <p>16 Q. And so based on that you believe</p> <p>17 that it is most likely that you learned of this</p> <p>18 agreement sometime after you left Highland</p> <p>19 employment?</p> <p>20 A. I wouldn't use the term "most</p> <p>21 likely." I don't recall specifically. I don't</p> <p>22 recall.</p> <p>23 Q. Do you recall ever telling Jim Seery</p> <p>24 about this agreement?</p> <p>25 A. No, I don't – I didn't tell</p>
<p style="text-align: right;">Page 72</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Jim Seery.</p> <p>3 Q. Did you tell anybody at DSI about</p> <p>4 this agreement?</p> <p>5 A. No.</p> <p>6 Q. Did you tell any of Highland's</p> <p>7 independent directors about this agreement?</p> <p>8 A. No.</p> <p>9 Q. Did you tell anybody at Pachulski</p> <p>10 Stang Ziehl & Jones about this agreement?</p> <p>11 A. No.</p> <p>12 Q. Did you tell any employee of</p> <p>13 Highland about this agreement?</p> <p>14 A. No.</p> <p>15 MS. DANDENEAU: Mr. Morris, it has</p> <p>16 been an hour and a half. Is this a good</p> <p>17 time for a break?</p> <p>18 MR. MORRIS: Sure.</p> <p>19 Q. Mr. Waterhouse, I will just remind</p> <p>20 you that during the break please don't speak</p> <p>21 with anybody about the deposition, the</p> <p>22 substance of your testimony or anything else</p> <p>23 concerning the deposition. Okay?</p> <p>24 A. Yes.</p> <p>25 MR. MORRIS: So it is 11:02. We're</p>	<p style="text-align: right;">Page 73</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 at 11:02 your time. Let's come back, I</p> <p>3 guess, at 15 – at 11:15 your time.</p> <p>4 VIDEOGRAPHER: We're going off the</p> <p>5 record at 11:02 a.m.</p> <p>6 (Recess taken 11:02 a.m. to 11:20 a.m.)</p> <p>7 VIDEOGRAPHER: We are back on the</p> <p>8 record at 11:20 a.m.</p> <p>9 Q. Mr. Waterhouse, did you speak with</p> <p>10 anybody during the break about this deposition?</p> <p>11 A. No.</p> <p>12 MS. DANDENEAU: Other than – other</p> <p>13 than his counsel.</p> <p>14 Q. Did you speak to your counsel about</p> <p>15 the substance of your deposition today?</p> <p>16 A. No, I didn't bring it up.</p> <p>17 Q. I didn't ask you if you brought it</p> <p>18 up. I asked you if you had any conversation</p> <p>19 with your lawyer about the substance of your</p> <p>20 deposition.</p> <p>21 MS. DANDENEAU: Yes, he did.</p> <p>22 Q. Can you tell me what the – you</p> <p>23 discussed?</p> <p>24 MS. DANDENEAU: No, I object to</p> <p>25 that. He's not going to answer. That is a</p>

<p style="text-align: right;">Page 74</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 privileged conversation.</p> <p>3 MR. MORRIS: So I just want to make</p> <p>4 sure that I understand. During the break</p> <p>5 you spoke with your client about the</p> <p>6 substance of this deposition; is that</p> <p>7 right?</p> <p>8 MS. DANDENEAU: Yes, John.</p> <p>9 MR. MORRIS: And you refuse – you</p> <p>10 refuse to let your client tell me what was</p> <p>11 discussed; is that right?</p> <p>12 MS. DANDENEAU: That's correct.</p> <p>13 MR. MORRIS: You know, I had given</p> <p>14 the instruction prior to the break not to</p> <p>15 speak with counsel. I would have</p> <p>16 appreciated –</p> <p>17 MS. DANDENEAU: No, you didn't –</p> <p>18 actually, that is not true, Mr. Morris.</p> <p>19 You said not to speak with anyone. We</p> <p>20 never have interpreted that to mean</p> <p>21 conversations with counsel. That's never</p> <p>22 been – I have never, ever heard that</p> <p>23 instruction.</p> <p>24 MR. MORRIS: Okay. We will – we</p> <p>25 will – we will deal with it when and if we</p>	<p style="text-align: right;">Page 75</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 have to.</p> <p>3 Q. Mr. Waterhouse, after learning about</p> <p>4 the agreement, did you ask anybody if the</p> <p>5 agreement was reflected in a writing?</p> <p>6 MS. DANDENEAU: Objection to form.</p> <p>7 A. No.</p> <p>8 Q. Did you ask anybody if the terms of</p> <p>9 the agreement were memorialized anywhere?</p> <p>10 MS. DANDENEAU: Objection to form.</p> <p>11 MR. MORRIS: What is the –</p> <p>12 A. No.</p> <p>13 MS. DANDENEAU: Well, because you</p> <p>14 keep talking about this agreement and I –</p> <p>15 I – I think, Mr. Morris, that is really</p> <p>16 not clear what you mean by "the agreement."</p> <p>17 And maybe you can just go back and restate</p> <p>18 what that is.</p> <p>19 MR. MORRIS: Okay. Your client has</p> <p>20 agreed with me twice on the definition, but</p> <p>21 I will try one more time.</p> <p>22 Q. Mr. Waterhouse, do you understand</p> <p>23 that when I use the term "agreement," I'm</p> <p>24 referring to the agreement between Jim and</p> <p>25 Nancy Dondero concerning certain promissory</p>
<p style="text-align: right;">Page 76</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 notes where you learned that one of the terms</p> <p>3 of the agreement was milestones reached?</p> <p>4 A. Okay.</p> <p>5 Q. And did you understand that that was</p> <p>6 the – the agreement that we were referring to</p> <p>7 every time we used the word "agreement" in this</p> <p>8 deposition?</p> <p>9 A. I don't know anything about this</p> <p>10 agreement. So, look, I do – it – I don't</p> <p>11 know whether –</p> <p>12 Q. Let's – let's try this again.</p> <p>13 A. Yeah. Look, I don't know what this</p> <p>14 agreement relates.</p> <p>15 MS. DEITSCH-PEREZ: John, John –</p> <p>16 Q. Let me try –</p> <p>17 MS. DEITSCH-PEREZ: John, please let</p> <p>18 the witness finish.</p> <p>19 MR. MORRIS: Please stop. Please</p> <p>20 stop. Please stop talking.</p> <p>21 MS. DEITSCH-PEREZ: No, you stop.</p> <p>22 Let the witness –</p> <p>23 MR. MORRIS: Stop talking.</p> <p>24 MS. DEITSCH-PEREZ: – finish – you</p> <p>25 interrupted him.</p>	<p style="text-align: right;">Page 77</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 MR. MORRIS: You know what, you</p> <p>3 guys, this is really wrong. It is really,</p> <p>4 really wrong. Okay?</p> <p>5 I had the witness agree not once,</p> <p>6 but twice to the definition of agreement.</p> <p>7 Okay? I'm going to try and do it a third</p> <p>8 time.</p> <p>9 MS. DANDENEAU: No, but, please,</p> <p>10 John, really –</p> <p>11 MR. MORRIS: No, please stop</p> <p>12 talking. Please. It is my deposition.</p> <p>13 Object to questions.</p> <p>14 MS. DANDENEAU: No, but also you</p> <p>15 instructed him that – that if you were</p> <p>16 going – if you were interrupting him, that</p> <p>17 he should remind you that you're</p> <p>18 interrupting him and – and –</p> <p>19 MR. MORRIS: Let him do that. Let</p> <p>20 him do that.</p> <p>21 MS. DANDENEAU: Okay. Well, you –</p> <p>22 MR. MORRIS: Please stop talking.</p> <p>23 A. Okay. I don't know any of the</p> <p>24 details of these agreements. I don't know</p> <p>25 anything about them. I heard – someone – I</p>

<p style="text-align: right;">Page 78</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 don't know who, I don't know when, as you</p> <p>3 asked, sometime in '21, someone told me about</p> <p>4 this – or I don't honestly know – I don't</p> <p>5 even recall exactly how I was made aware of</p> <p>6 this, but I was. I don't know – I don't know</p> <p>7 any of these details, and I'm getting – again,</p> <p>8 there is, you know, I – I – I had a passing</p> <p>9 conversation with – with Jim at some point</p> <p>10 on – on some – on the executive comp, and I'm</p> <p>11 getting confused of what is what, because</p> <p>12 again, I don't know any of these details.</p> <p>13 Q. Okay. Let me try again,</p> <p>14 Mr. Waterhouse, and I apologize.</p> <p>15 Are you aware of any agreement</p> <p>16 between Jim Dondero and Nancy Dondero</p> <p>17 concerning any promissory note that was given</p> <p>18 to Highland by any affiliate or Mr. Dondero?</p> <p>19 MS. DEITSCH-PEREZ: Object to the</p> <p>20 form.</p> <p>21 A. I've heard of an agreement. That</p> <p>22 is – that is – I mean, if you are using aware</p> <p>23 as heard, sure.</p> <p>24 Q. And you understand that one of the</p> <p>25 terms of the agreement is that it was based on</p>	<p style="text-align: right;">Page 79</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 milestones that had to be reached; is that</p> <p>3 right?</p> <p>4 MS. DANDENEAU: Objection to form.</p> <p>5 A. That was one of the words that was</p> <p>6 used when I heard about it, yes.</p> <p>7 Q. And when you heard about this</p> <p>8 agreement that had a term in it concerning</p> <p>9 milestones reached, did you ask the person who</p> <p>10 was telling you about the agreement whether or</p> <p>11 not it was in writing?</p> <p>12 A. I did not.</p> <p>13 Q. Did you ask any questions at all?</p> <p>14 MS. DANDENEAU: Objection to form.</p> <p>15 A. Not that I recall.</p> <p>16 Q. But do you understand that going</p> <p>17 forward, we're going to refer to the agreement</p> <p>18 as the agreement that you just described that</p> <p>19 you were –</p> <p>20 MS. DANDENEAU: Object to the form.</p> <p>21 A. Yes.</p> <p>22 Q. Okay. You don't have any personal</p> <p>23 knowledge concerning the terms of the</p> <p>24 agreement; correct?</p> <p>25 MS. DEITSCH-PEREZ: Object to the</p>
<p style="text-align: right;">Page 80</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 form.</p> <p>3 Q. You can answer.</p> <p>4 A. I don't – I heard about the</p> <p>5 agreement. I don't know anything – I heard</p> <p>6 there was an agreement. That is – again, as I</p> <p>7 testified before – I said before, heard about</p> <p>8 it, don't know the details. I believe it was</p> <p>9 sometime this year.</p> <p>10 Q. Do you have any personal knowledge</p> <p>11 about the terms of the agreement, sir?</p> <p>12 MS. DANDENEAU: Objection to form.</p> <p>13 A. Other than what I have previously</p> <p>14 discussed, I don't – I don't know.</p> <p>15 Q. Did – did Mr. Dondero tell you</p> <p>16 about the existence of the agreement?</p> <p>17 A. I don't recall.</p> <p>18 Q. Do you recall the source of your</p> <p>19 information when you learned about the</p> <p>20 agreement?</p> <p>21 A. No, I don't – I don't recall. I</p> <p>22 don't remember. I just – I heard about it</p> <p>23 generally. I don't remember – I don't</p> <p>24 remember who, how, if, how. I don't remember.</p> <p>25 Q. You know, Mr. Waterhouse, I just</p>	<p style="text-align: right;">Page 81</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 want to be clear that I never would have asked</p> <p>3 you to appear at this deposition if your name</p> <p>4 hadn't been included in responses to discovery</p> <p>5 as to somebody with knowledge about the – who</p> <p>6 was told about the existence of the agreement.</p> <p>7 That is what prompted me do this,</p> <p>8 and I really do feel compelled to tell you that</p> <p>9 I otherwise would never have called you as a</p> <p>10 witness. So I regret that you're being put</p> <p>11 through this today. I had no intention of</p> <p>12 burdening you or taking your time, but that is</p> <p>13 the reason that we issued the subpoena is</p> <p>14 because certain of the defendants identified</p> <p>15 you as somebody –</p> <p>16 MS. DEITSCH-PEREZ: Mr. Morris, you</p> <p>17 are here to ask questions, not to have –</p> <p>18 MR. MORRIS: I feel badly for the</p> <p>19 guy. I really do.</p> <p>20 MS. DEITSCH-PEREZ: I'm sure you do.</p> <p>21 MR. MORRIS: I do. Stop.</p> <p>22 MS. DEITSCH-PEREZ: You stop.</p> <p>23 MR. MORRIS: I'm allowed.</p> <p>24 MS. DEITSCH-PEREZ: No, you're not</p> <p>25 allowed to have a chat with the witness.</p>

<p style="text-align: right;">Page 82</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Okay. Well, I hope that you</p> <p>3 appreciate what I'm saying here,</p> <p>4 Mr. Waterhouse.</p> <p>5 MS. DANDENEAU: All right. Let's go</p> <p>6 ahead and ask questions, and again, you're</p> <p>7 entitled to probe his – his knowledge</p> <p>8 of – whatever knowledge he has about</p> <p>9 this – this agreement and –</p> <p>10 MR. MORRIS: That is what I'm doing.</p> <p>11 MS. DANDENEAU: – he will answer</p> <p>12 the questions to the best that he can.</p> <p>13 MR. MORRIS: That is what I'm doing.</p> <p>14 Q. Mr. Waterhouse, I take it you do not</p> <p>15 know which promissory notes issued by which</p> <p>16 affiliates or Mr. Dondero are the subject of</p> <p>17 this agreement; do I have that right?</p> <p>18 A. Yes, I don't – I don't know.</p> <p>19 Q. Do you know of any way to determine</p> <p>20 which promissory notes issued by the affiliates</p> <p>21 and Mr. Dondero are the subject of this</p> <p>22 agreement other than asking Jim or Nancy</p> <p>23 Dondero?</p> <p>24 MS. DANDENEAU: Objection to form.</p> <p>25 A. I don't know.</p>	<p style="text-align: right;">Page 83</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Did you ever make –</p> <p>3 A. I don't know anything about these</p> <p>4 agreements.</p> <p>5 Q. Did you ever make any effort to</p> <p>6 determine which promissory notes are subject to</p> <p>7 this agreement?</p> <p>8 A. No.</p> <p>9 Q. Did you ever ask anybody which</p> <p>10 promissory notes are subject to this agreement?</p> <p>11 A. No.</p> <p>12 Q. Do you know if there is a list</p> <p>13 anywhere of the promissory notes that are</p> <p>14 subject to this agreement?</p> <p>15 A. I'm not aware.</p> <p>16 Q. Have you ever seen the terms of the</p> <p>17 agreement written down anywhere?</p> <p>18 A. No.</p> <p>19 Q. Have you ever asked anybody whether</p> <p>20 the terms of the agreement were written down</p> <p>21 anywhere?</p> <p>22 A. I have not.</p> <p>23 Q. Did learning about the agreement</p> <p>24 cause you to do anything in response?</p> <p>25 MS. DANDENEAU: Objection to form.</p>
<p style="text-align: right;">Page 84</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. No.</p> <p>3 Q. Did anybody ever describe to you the</p> <p>4 nature of the milestones that you referred to</p> <p>5 earlier?</p> <p>6 A. No, I don't – I don't have any</p> <p>7 details of this.</p> <p>8 Q. That is fine.</p> <p>9 PricewaterhouseCoopers served as</p> <p>10 Highland's outside auditors prior to the</p> <p>11 petition date; correct?</p> <p>12 A. Yes.</p> <p>13 Q. You refer to PricewaterhouseCoopers</p> <p>14 as PwC?</p> <p>15 A. Yes.</p> <p>16 Q. PricewaterhouseCoopers audited</p> <p>17 Highland's financial statements on an annual</p> <p>18 basis; correct?</p> <p>19 A. During my – during my time as – as</p> <p>20 CFO, yes, PricewaterhouseCoopers was the</p> <p>21 auditor.</p> <p>22 Q. Do you know why Highland had its</p> <p>23 annual financial statements audited each year?</p> <p>24 A. Generally.</p> <p>25 Q. Tell me your general understanding</p>	<p style="text-align: right;">Page 85</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 as to the reason why Highland had its annual</p> <p>3 financial statements audited each year.</p> <p>4 A. From – from time to time, they were</p> <p>5 used – or asked for, as part of diligence or</p> <p>6 transactions or – or things of that nature.</p> <p>7 Q. And were they given to third parties</p> <p>8 for purposes of diligence or transactions from</p> <p>9 time to time?</p> <p>10 A. As far as I'm aware, yes.</p> <p>11 Q. And was it your understanding as the</p> <p>12 CFO that the third parties who received the</p> <p>13 financial statements in diligence or</p> <p>14 transactions was going to rely on those?</p> <p>15 MS. DANDENEAU: Objection to form.</p> <p>16 A. I don't know – I don't know gen –</p> <p>17 I don't know specifically what they were going</p> <p>18 to rely on. You know, we would get requests</p> <p>19 for audited financial statements. I don't know</p> <p>20 what they were relying on.</p> <p>21 Q. And –</p> <p>22 A. You would have to ask them.</p> <p>23 Q. Did you personally play a role in</p> <p>24 PwC's annual audit and the conduct of the</p> <p>25 audit?</p>

<p style="text-align: right;">Page 86</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 MS. DANDENEAU: Objection to form.</p> <p>3 A. During my tenure as CFO, I played a</p> <p>4 very minimal role.</p> <p>5 Q. What was the minimal role that you</p> <p>6 played?</p> <p>7 A. You know, again, it was -- it was to</p> <p>8 check in with the team, to make sure that, you</p> <p>9 know, audit -- the deadlines were being hit,</p> <p>10 information was being presented to the auditors</p> <p>11 in a -- in a timely fashion, but, you know,</p> <p>12 other than that, it was a very capable team</p> <p>13 that are still current employees of Highland</p> <p>14 and, you know, they -- they conducted 99</p> <p>15 percent of -- look, I don't want to give</p> <p>16 percentages. I mean, this is -- but I -- I --</p> <p>17 I played a minimal role towards the end.</p> <p>18 Before during my earlier years as</p> <p>19 CFO, I did more, and then as time went on, I</p> <p>20 did less in it.</p> <p>21 Q. Okay. Was there a person at</p> <p>22 Highland who was responsible for overseeing</p> <p>23 Highland's participation in PwC's audit during</p> <p>24 the time that you were the CFO?</p> <p>25 A. Yeah. I mean, there was -- there</p>	<p style="text-align: right;">Page 87</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 was a -- there was a point -- it varies. It</p> <p>3 varies by year, in function, in time and, you</p> <p>4 know, depending on the request, but yes, I</p> <p>5 mean, there is -- there is -- there is</p> <p>6 generally a point person of communication.</p> <p>7 Q. And who was the point person from</p> <p>8 2016 until the time you left Highland?</p> <p>9 A. I don't -- I don't know</p> <p>10 specifically, but it would have been, you</p> <p>11 know -- you know, someone on the corporate</p> <p>12 accounting team.</p> <p>13 Q. And was there a head of the</p> <p>14 corporate accounting team?</p> <p>15 A. Yes, so -- yes.</p> <p>16 Q. Who was the head of corporate</p> <p>17 accounting for the five years prior to the time</p> <p>18 you left Highland?</p> <p>19 A. I don't -- if you're asking from</p> <p>20 2016 on, I don't -- it was Dave Klos, but,</p> <p>21 again, there was -- there was changes to the</p> <p>22 team and the reporting structure. I don't</p> <p>23 remember exactly when that happened during --</p> <p>24 you know, over the last -- since 2016.</p> <p>25 Q. Did the folks who participated and</p>
<p style="text-align: right;">Page 88</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 ran the audit all report to you, directly or</p> <p>3 indirectly?</p> <p>4 A. Yes.</p> <p>5 Q. And did you have any responsibility</p> <p>6 for making sure that the audit report was</p> <p>7 accurate before it was finalized?</p> <p>8 A. Yeah. I mean, you know, that --</p> <p>9 that is -- my responsibility to the auditors</p> <p>10 was -- again, is -- and the CFO is to -- we are</p> <p>11 providing accurate financial statements; right?</p> <p>12 And -- and -- and as part of any</p> <p>13 audit, we disclose all relevant information as</p> <p>14 part of any audit.</p> <p>15 Q. Okay. And as the CFO, did you take</p> <p>16 steps to make sure that the audit report was</p> <p>17 accurate?</p> <p>18 A. I mean, I would say in a general</p> <p>19 sense, yes. But, again, I mean, I had a</p> <p>20 very -- I had a very capable and competent</p> <p>21 team. I wasn't managing them.</p> <p>22 You know, part of what I do is I let</p> <p>23 the team -- I want managers to grow. I want</p> <p>24 managers to have rope. And that is -- you</p> <p>25 know, I'm not a stand-behind-you type of guy.</p>	<p style="text-align: right;">Page 89</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 If you -- if you talk to my team members, I'm</p> <p>3 not micromanaging people. I want people to</p> <p>4 learn and grow in their function so they can go</p> <p>5 on and do bigger and better things with their</p> <p>6 careers.</p> <p>7 And so, yes, generally I was</p> <p>8 responsible for it, but I wanted the team to</p> <p>9 learn and grow and be responsible for the bulk</p> <p>10 of the audit.</p> <p>11 Q. Did you personally review each audit</p> <p>12 report before it was finalized to satisfy</p> <p>13 yourself that it was accurate?</p> <p>14 A. I don't -- I don't recall, you know,</p> <p>15 for every single -- we're talking 2016, there</p> <p>16 would have been three years, 2016 to '17, '18.</p> <p>17 I don't -- we're -- we're going back</p> <p>18 five years-plus. I don't -- you know, I don't</p> <p>19 recall.</p> <p>20 Q. Did you have a practice that you</p> <p>21 employed to make sure that you were satisfied</p> <p>22 that Highland's audit reports were true and</p> <p>23 accurate to the best of your knowledge?</p> <p>24 A. I mean, our -- the practice was set</p> <p>25 up with our -- the -- the practice to put</p>

<p style="text-align: right;">Page 90</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 together accurate audited or accurate financial</p> <p>3 statements is to your control environment.</p> <p>4 So, you know, the -- so the practice</p> <p>5 was to maintain a stable control environment</p> <p>6 which then the output is -- is accurate</p> <p>7 financial statements.</p> <p>8 So -- so, you know, if I was</p> <p>9 comfortable that the control environment was</p> <p>10 operating, then, you know, that would dictate</p> <p>11 how I would -- you know, what I might or might</p> <p>12 not do in a given year.</p> <p>13 Q. Okay. Do you recall ever being</p> <p>14 uncomfortable with the control environment</p> <p>15 during the period that you served as CFO?</p> <p>16 A. Yeah. I mean, look, yes, there are</p> <p>17 times -- you know, nothing is perfect. So</p> <p>18 there were -- there were times when, yes, you</p> <p>19 know -- there are times I learned I was</p> <p>20 uncomfortable with the control environment, and</p> <p>21 that is part of the management of the process</p> <p>22 and having, you know -- and -- and working</p> <p>23 through whatever obstacles present themselves.</p> <p>24 Q. Okay. Were you ever uncomfortable</p> <p>25 with the control process as it related to</p>	<p style="text-align: right;">Page 91</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 reporting and disclosures of loans to</p> <p>3 affiliates and Mr. Dondero?</p> <p>4 MS. DANDENEAU: Objection to form.</p> <p>5 A. I don't -- I don't recall --</p> <p>6 Q. So you don't recall --</p> <p>7 A. -- the --</p> <p>8 MS. DANDENEAU: Mr. Morris --</p> <p>9 A. I don't recall being uncomfortable.</p> <p>10 But, again, we're going back several years. I</p> <p>11 don't -- you know, the practice in an audit is</p> <p>12 to disclose all information to the auditors.</p> <p>13 And I don't -- I don't recall.</p> <p>14 Q. As part of the process of the audit,</p> <p>15 did you sign what is sometimes referred to as a</p> <p>16 management representation letter?</p> <p>17 A. Yes.</p> <p>18 MR. MORRIS: Can we put up on the</p> <p>19 screen a document that we have premarked as</p> <p>20 Exhibit 33.</p> <p>21 (Exhibit 33 marked.)</p> <p>22 MS. DANDENEAU: Mr. Morris, that is</p> <p>23 not in the binder; correct?</p> <p>24 MR. MORRIS: Correct.</p> <p>25 Q. So you will see, Mr. Waterhouse,</p>
<p style="text-align: right;">Page 92</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 this is a letter dated June 3rd. And if we</p> <p>3 could go to the signature page.</p> <p>4 And do you see that you and</p> <p>5 Mr. Dondero signed this document?</p> <p>6 A. Yes.</p> <p>7 Q. That is your signature; right?</p> <p>8 A. Yes.</p> <p>9 MR. MORRIS: Okay. Can you go back</p> <p>10 to the top.</p> <p>11 MS. DANDENEAU: Mr. Morris, can you</p> <p>12 have somebody post this in the chat so that</p> <p>13 we have can have a copy of this, please.</p> <p>14 MR. MORRIS: Yeah, sure. Asia, can</p> <p>15 you do that, please.</p> <p>16 Q. Okay. Do you see at the bottom of</p> <p>17 the second paragraph there is a reference to</p> <p>18 materiality?</p> <p>19 A. Yes.</p> <p>20 Q. Okay. It says, Materiality used for</p> <p>21 purposes of these representations is</p> <p>22 \$1.7 million.</p> <p>23 Do you see that?</p> <p>24 A. I do.</p> <p>25 Q. And did PwC set that level of</p>	<p style="text-align: right;">Page 93</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 materiality?</p> <p>3 A. Yes.</p> <p>4 Q. And for purposes of the audit, did</p> <p>5 PwC set the level of materiality each year?</p> <p>6 A. Yes.</p> <p>7 Q. Did that number change over time?</p> <p>8 A. I'm not aware of what materiality is</p> <p>9 every single year, so -- but, you know, this</p> <p>10 number would likely fluctuate.</p> <p>11 Q. Okay. I'm going to go back to a</p> <p>12 question I asked you earlier today. And that</p> <p>13 is in connection -- this letter is issued in</p> <p>14 connection with the audit for the period ending</p> <p>15 12/31/2018; correct?</p> <p>16 A. Yes.</p> <p>17 Q. Okay. And is it fair to say that if</p> <p>18 any -- actually, withdrawn. I'm going to take</p> <p>19 it outside of this.</p> <p>20 If Highland ever forgave the loan to</p> <p>21 any affiliate or any of its officers or</p> <p>22 employees, in whole or in part, to the best of</p> <p>23 your knowledge, would that forgiveness have</p> <p>24 been disclosed in the audited financial</p> <p>25 statements if it exceeded the level of</p>

<p style="text-align: right;">Page 94</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 materiality that PwC established?</p> <p>3 MS. DANDENEAU: Objection to form.</p> <p>4 A. So, again, during my tenure as CFO,</p> <p>5 and – Highland – it was – it is required to</p> <p>6 disclose any affiliate loans that are in excess</p> <p>7 of materiality.</p> <p>8 Now, the forgiveness of those loans</p> <p>9 may or may not – I mean, since materiality</p> <p>10 fluctuates every year, a – you know, if a loan</p> <p>11 was forgiven, it may or may not, you know –</p> <p>12 and, look, I would want to consult the guidance</p> <p>13 around this.</p> <p>14 It is not something we do – you</p> <p>15 know, it is not – you know, GAAP can be and</p> <p>16 disclosures can be very specialized so, again,</p> <p>17 we want to consult the guidance. But we would</p> <p>18 see if and what would need to be disclosed if</p> <p>19 it were deemed immaterial.</p> <p>20 Q. Did you and Mr. Dondero sign</p> <p>21 management representation letters of this type</p> <p>22 in each year in which you served as Highland's</p> <p>23 CFO?</p> <p>24 A. I – I – I will speak for myself.</p> <p>25 I signed them. There may have been others that</p>	<p style="text-align: right;">Page 95</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 signed as well. I don't – I don't recall.</p> <p>3 Q. But to the best of your knowledge,</p> <p>4 you, personally, signed a management</p> <p>5 representation letter in connection with</p> <p>6 Highland's audit each year that you served as</p> <p>7 the CFO; correct?</p> <p>8 A. I would say generally speaking,</p> <p>9 Mr. Morris. I don't recall for every single</p> <p>10 year, you know, generally, but I would want to</p> <p>11 refer to all the rep letters and see who signed</p> <p>12 them.</p> <p>13 Q. Do you recall Highland having its</p> <p>14 financial statements audited in any year during</p> <p>15 the period that you were a CFO where you didn't</p> <p>16 sign the management representation letter?</p> <p>17 A. I don't recall. But, John, we're</p> <p>18 going back five, six, seven, eight, nine,</p> <p>19 decade. I don't – I don't remember.</p> <p>20 Q. I don't want to go back that many</p> <p>21 decades, but I'm just asking you if you recall</p> <p>22 that there was you didn't sign it?</p> <p>23 A. I – I – I don't, but my memory</p> <p>24 is – again, I – I – I can't tell you what I</p> <p>25 did in 2012. I mean, I think generally, yes,</p>
<p style="text-align: right;">Page 96</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 but I don't – I don't know for sure, and I</p> <p>3 would want to rely on the document.</p> <p>4 Q. Let me ask the question a little bit</p> <p>5 differently then.</p> <p>6 Do you have any reason to believe</p> <p>7 that Highland had its annual financial audit</p> <p>8 and you did not sign a management</p> <p>9 representation letter in connection with that</p> <p>10 audit?</p> <p>11 MS. DANDENEAU: Objection to form.</p> <p>12 A. I don't believe it would, but,</p> <p>13 again, I would want to – I don't recall and I</p> <p>14 would want to confirm it to – to make, you</p> <p>15 know, an affirmative – to give an affirmative</p> <p>16 answer.</p> <p>17 Q. Do you know whether PwC required</p> <p>18 management to sign management representation</p> <p>19 letters?</p> <p>20 MS. DANDENEAU: Objection to form.</p> <p>21 A. Yes. I mean, it – management</p> <p>22 representation letters are signed by</p> <p>23 management.</p> <p>24 Q. Okay. And you know – do you</p> <p>25 have any understanding as to why PwC requires</p>	<p style="text-align: right;">Page 97</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 management to sign management representation</p> <p>3 letters?</p> <p>4 MS. DEITSCH-PEREZ: Object to the</p> <p>5 form.</p> <p>6 A. I don't know why PwC's – what PwC's</p> <p>7 specific practice is. I know generally what</p> <p>8 management representation letters are.</p> <p>9 Q. Okay. Do you personally – I'm not</p> <p>10 asking about PwC. I'm asking for you – I'm</p> <p>11 asking about you, do you have an understanding</p> <p>12 as to why the auditor asks for management</p> <p>13 representation letters?</p> <p>14 A. Okay. So you're asking me in my</p> <p>15 personal capacity, yes, I have a general</p> <p>16 understanding of why.</p> <p>17 Q. Can you give me the general</p> <p>18 understanding that you have as to why</p> <p>19 management representation letters are required?</p> <p>20 A. They are – they are required to –</p> <p>21 they are – they are one of the items required</p> <p>22 in an audit to help verify completeness.</p> <p>23 Q. Do you have any – any other</p> <p>24 understanding as to why management</p> <p>25 representation letters are required?</p>

<p style="text-align: right;">Page 98</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. That is – that is – other than</p> <p>3 what I said, it is – it is – it is required</p> <p>4 so – to ensure that the – you know, there</p> <p>5 is – there is completeness in what is being</p> <p>6 audited.</p> <p>7 Q. Did you – did you have a practice</p> <p>8 whereby you and Mr. Dondero conferred about the</p> <p>9 management representation letters before you</p> <p>10 signed them?</p> <p>11 A. No.</p> <p>12 Q. Did you have a practice –</p> <p>13 withdrawn.</p> <p>14 Do you see just the next sentence</p> <p>15 after the materiality, there is a sentence that</p> <p>16 states: We confirm, to the best of our</p> <p>17 knowledge and belief, as of June 3rd, 2019, the</p> <p>18 date of your report, the following</p> <p>19 representations made to you during your audit.</p> <p>20 Do you see that sentence?</p> <p>21 A. Yes.</p> <p>22 Q. Okay. Did you understand when you</p> <p>23 signed this letter that you were confirming the</p> <p>24 representations that followed?</p> <p>25 A. When I signed this management</p>	<p style="text-align: right;">Page 99</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 letter – representation letter, yes.</p> <p>3 Q. Okay. Did you discuss this letter</p> <p>4 with Mr. Dondero before you signed it?</p> <p>5 A. I don't recall.</p> <p>6 Q. Do you recall if Mr. Dondero asked</p> <p>7 you any questions before he signed the letter?</p> <p>8 A. I don't recall.</p> <p>9 Q. Do you recall if you asked</p> <p>10 Mr. Dondero any questions before you signed</p> <p>11 this letter?</p> <p>12 A. I don't recall.</p> <p>13 Q. Is it fair to say that Mr. Dondero</p> <p>14 did not disclose to you the existence of the</p> <p>15 agreement that we have – as we've defined that</p> <p>16 term prior to the time you signed this letter?</p> <p>17 MS. DANDENEAU: Objection to form.</p> <p>18 A. I don't think I understand the</p> <p>19 question. So, again, you are saying, did</p> <p>20 Mr. Dondero not disclose to me the existence of</p> <p>21 this letter?</p> <p>22 Q. No, I apologize.</p> <p>23 Did Mr. Dondero disclose to you the</p> <p>24 existence of the agreement prior to the time</p> <p>25 you signed this letter on June 3rd, 2019?</p>
<p style="text-align: right;">Page 100</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. The agreement – the agreement that</p> <p>3 we talked about earlier?</p> <p>4 Q. Correct.</p> <p>5 A. Look, as I said earlier, the first</p> <p>6 time I heard of this agreement was sometime</p> <p>7 this year.</p> <p>8 Q. Okay. Can we turn – let's just</p> <p>9 look at a couple of items on the list. If we</p> <p>10 can go to page 33416. Do you see in Number 35</p> <p>11 it talks about the proper recording or</p> <p>12 disclosure in the financial statements of ND</p> <p>13 relationships and transactions with related</p> <p>14 parties.</p> <p>15 Do you see that?</p> <p>16 A. I do.</p> <p>17 Q. As the CFO, do you have any</p> <p>18 understanding as to whether Dugaboy is a</p> <p>19 related party?</p> <p>20 A. I don't recall.</p> <p>21 Q. Do you know whether any of the</p> <p>22 affiliates are related parties?</p> <p>23 A. If – if it was NexPoint, HCMFA,</p> <p>24 HCMS, HCRE, yeah, if – if that is the</p> <p>25 affiliate definition, and there. In ASC 850 –</p>	<p style="text-align: right;">Page 101</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 again, I mean, I haven't looked at ASC 850 in</p> <p>3 quite some time, but, you know, if – if there</p> <p>4 is a control language, you know, ASC 850, would</p> <p>5 that – that section in GAAP would – would</p> <p>6 pick up and define what are related parties.</p> <p>7 So, you know, like I said, if – one</p> <p>8 of the four entities I just described, if – if</p> <p>9 they are in that control definition of ASC 850,</p> <p>10 they would be picked up in 35D.</p> <p>11 Q. Do you – do you have any reason to</p> <p>12 believe that they would be picked up in that</p> <p>13 definition, based on your knowledge and</p> <p>14 experience?</p> <p>15 A. I – I believe that entities</p> <p>16 controlled under GAAP are – are affiliates.</p> <p>17 Q. Okay. Would Mr. Dondero also</p> <p>18 qualify as a related party for purposes of</p> <p>19 Section 35D, to the best of your knowledge?</p> <p>20 A. Yeah, I don't – I don't know. I</p> <p>21 would think – I would have to read the code</p> <p>22 section to see if someone personally – is it</p> <p>23 talking about related parties. So, look, if</p> <p>24 your own in control, yeah, I mean, I would have</p> <p>25 to read the section.</p>

<p style="text-align: right;">Page 102</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. To the best of your knowledge, was</p> <p>3 the existence of the agreement ever disclosed</p> <p>4 to PwC?</p> <p>5 A. I'm not – I'm not aware.</p> <p>6 Q. Do you recall if the agreement was</p> <p>7 ever disclosed in Highland's audited financial</p> <p>8 statements?</p> <p>9 A. I don't – I don't remember if it</p> <p>10 was in every Highland's audited financial</p> <p>11 statements during my tenure. We would have to</p> <p>12 read the financial statements to see what was</p> <p>13 disclosed, but I'm not – I mean, as I sit here</p> <p>14 today, I'm not aware.</p> <p>15 Q. That is all I'm asking for.</p> <p>16 A. I'm not aware.</p> <p>17 Q. Can we go to the next page, please,</p> <p>18 and look at 36. 36 says, we have disclosed to</p> <p>19 you the identity of the partnership's related</p> <p>20 party relationships and all the related party</p> <p>21 relationships and transactions of which we are</p> <p>22 aware.</p> <p>23 Do you see that?</p> <p>24 A. Yes.</p> <p>25 Q. To the best of your knowledge, as of</p>	<p style="text-align: right;">Page 103</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 June 3rd, 2019, did Highland disclose to PwC</p> <p>3 the identity of the partnership's related</p> <p>4 parties and all the related party relationships</p> <p>5 and transactions of which it was aware?</p> <p>6 A. I mean, I can speak for myself as</p> <p>7 signer of this representation letter. I</p> <p>8 disclosed what – what, you know, what –</p> <p>9 what – what I knew. Sorry, look, yes, so I –</p> <p>10 I disclosed what I knew.</p> <p>11 Q. Okay. Can we go to page 419. Do</p> <p>12 you see at the end there is a reference to</p> <p>13 events that occurred since the end of the</p> <p>14 fiscal year and the date of the letter?</p> <p>15 A. Yes.</p> <p>16 Q. And were you aware of that – of</p> <p>17 that provision of the management representation</p> <p>18 letter before you signed the document?</p> <p>19 A. Yes.</p> <p>20 Q. Do you have an understanding as to</p> <p>21 why PwC asked for that confirmation of that</p> <p>22 particular part of the management</p> <p>23 representation letter?</p> <p>24 A. It is – it is – it is just – it</p> <p>25 is a typical audit request.</p>
<p style="text-align: right;">Page 104</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. And do you understand – do you have</p> <p>3 an understanding that PwC wanted to know that</p> <p>4 as of the date of the audit whether any</p> <p>5 material changes had occurred since the end of</p> <p>6 the fiscal year, using the definition of</p> <p>7 materiality that is in this particular</p> <p>8 management representation letter?</p> <p>9 A. It – it is – it is – it is a –</p> <p>10 it is as described. It is just a poorly worded</p> <p>11 question, so it is hard for me to say yes.</p> <p>12 Q. If I asked you this, I apologize,</p> <p>13 but did you ever learn when the agreement was</p> <p>14 entered into?</p> <p>15 A. I don't – I don't – like I said</p> <p>16 before, I don't know or have any details of the</p> <p>17 agreement.</p> <p>18 Q. Okay. Did you ever ask anybody when</p> <p>19 the agreement was entered into?</p> <p>20 A. I did not.</p> <p>21 Q. Let's look at the audited financial</p> <p>22 statements. We will put up on the screen a</p> <p>23 document that has been premarked as Exhibit 34.</p> <p>24 (Exhibit 34 marked.)</p> <p>25 MS. DANDENEAU: And again, if Ms. La</p>	<p style="text-align: right;">Page 105</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Canty could please put that in the chat</p> <p>3 room, that would be great.</p> <p>4 MR. MORRIS: I will assure you we</p> <p>5 will put every document in the chat room.</p> <p>6 Q. Now, I'm just going to ask you</p> <p>7 questions that are related to the provisions of</p> <p>8 this report that concern the affiliate loans,</p> <p>9 but again, Mr. Waterhouse, if there is any part</p> <p>10 of the document that you need to see or that</p> <p>11 you think you might need to see in order to</p> <p>12 refresh your recollection to answer any of my</p> <p>13 questions, will you let me know that?</p> <p>14 A. Yes.</p> <p>15 Q. Because this is a pretty lengthy</p> <p>16 document, but do you see that the cover page</p> <p>17 here is the Highland consolidated financial</p> <p>18 statements for the period ending December 31st,</p> <p>19 2018?</p> <p>20 A. Yes.</p> <p>21 Q. If we can go to – I think it is the</p> <p>22 next one, looking for PwC's signature line.</p> <p>23 MS. CANTY: I'm sorry, John, did you</p> <p>24 say something?</p> <p>25 MR. MORRIS: Yes, can we turn the</p>

<p style="text-align: right;">Page 106</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 page. I think it is 215. Yes, stop right</p> <p>3 there, just above – I'm sorry, I want to</p> <p>4 see just the date of the report.</p> <p>5 Q. Okay. Do you see at the bottom of</p> <p>6 that page there, Mr. Waterhouse,</p> <p>7 PricewaterhouseCoopers has signed this audit</p> <p>8 report?</p> <p>9 A. Yes, I see their signature.</p> <p>10 Q. Okay. And it is the dated same day</p> <p>11 as your management representation letter; is</p> <p>12 that right?</p> <p>13 A. It is – yes, it is the same day.</p> <p>14 Q. Was that the practice to sign the</p> <p>15 management representation letter on the same</p> <p>16 day that the audit report was signed?</p> <p>17 A. Yes, that is typical in every audit.</p> <p>18 Q. Can we just scroll down to the</p> <p>19 balance sheet on the next page.</p> <p>20 Do you see that there is a line</p> <p>21 there that says, Notes and Other Amounts Due</p> <p>22 from Affiliates?</p> <p>23 A. Yes.</p> <p>24 Q. Does that line, to the best of your</p> <p>25 knowledge, include the amounts that were due</p>	<p style="text-align: right;">Page 107</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 under the affiliate under the notes signed by</p> <p>3 the affiliates and Mr. Dondero?</p> <p>4 MR. RUKAVINA: Objection to the</p> <p>5 extent that calls for a legal conclusion.</p> <p>6 A. I mean, I would want to see the</p> <p>7 detail and the build to this \$173,398,000, but,</p> <p>8 yes, I mean, if – if – given what we</p> <p>9 discussed before, you know, it – it should</p> <p>10 capture that.</p> <p>11 Q. And – and while you were the CFO of</p> <p>12 Highland, were all notes held by Highland that</p> <p>13 were issued by an affiliate or Mr. Dondero</p> <p>14 carried as assets on Highland's balance sheets?</p> <p>15 MS. DANDENEAU: Objection to form.</p> <p>16 MS. DEITSCH-PEREZ: Object to form.</p> <p>17 A. I don't – I don't know how else</p> <p>18 they would be carried.</p> <p>19 Q. Okay. Can you think of any – are</p> <p>20 you aware of any promissory note issued by an</p> <p>21 affiliate or Mr. Dondero that was not carried</p> <p>22 on Highland's audited financial balance sheets?</p> <p>23 A. I'm – I'm – I'm not aware.</p> <p>24 Q. Okay. Are you aware of any category</p> <p>25 of asset on Highland's balance sheet in which</p>
<p style="text-align: right;">Page 108</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 any of the promissory notes issued by an</p> <p>3 affiliate or Mr. Dondero would have been</p> <p>4 included?</p> <p>5 MS. DANDENEAU: Objection to form.</p> <p>6 A. Sorry, am I aware of any asset of an</p> <p>7 affiliate being included –</p> <p>8 Q. That – let me – let me try again.</p> <p>9 Do you see there is a number of</p> <p>10 different assets that are described on this</p> <p>11 balance sheet?</p> <p>12 A. Yes.</p> <p>13 Q. One of the assets that is described</p> <p>14 is Notes and Other Amounts Due from Affiliates;</p> <p>15 right?</p> <p>16 A. Yes.</p> <p>17 Q. And it is reasonable to conclude</p> <p>18 that the notes from the affiliates and</p> <p>19 Mr. Dondero are included in that line item;</p> <p>20 right?</p> <p>21 A. Yes, based on this description.</p> <p>22 Again, I would want to see a build of this to</p> <p>23 100 percent confirm, but based on the</p> <p>24 description, the asset description, it is – it</p> <p>25 is likely.</p>	<p style="text-align: right;">Page 109</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Now, does that mean absolute? I</p> <p>3 don't know.</p> <p>4 Q. Do you have any reason to believe</p> <p>5 that the promissory notes would have been</p> <p>6 carried on the balance sheet in a category</p> <p>7 other than Notes and Other Amounts Due from</p> <p>8 Affiliates?</p> <p>9 A. If they were deemed – no. If they</p> <p>10 were deemed an affiliate, you know, under GAAP,</p> <p>11 they should be carried in that line.</p> <p>12 Otherwise, it would go into another line.</p> <p>13 Q. Okay. And do you see the total</p> <p>14 asset base as of December 31st, 2018, was</p> <p>15 approximately \$1.04 billion?</p> <p>16 A. Yes.</p> <p>17 Q. Is my math correct that the Notes</p> <p>18 and Other Amounts Due from Affiliates</p> <p>19 constituted approximately 17 percent of</p> <p>20 Highland's assets as of the end of 2018?</p> <p>21 A. Well, so how are you defining</p> <p>22 Highland?</p> <p>23 Q. Highland Capital Management, L.P.,</p> <p>24 the entity that this audit is subject to – or</p> <p>25 the subject of.</p>

<p style="text-align: right;">Page 110</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. On a consolidated or unconsolidated</p> <p>3 basis?</p> <p>4 Q. I'm looking at the balance sheet.</p> <p>5 It is a consolidated balance sheet. Okay?</p> <p>6 Does the Notes and Other Amounts Due</p> <p>7 from Affiliates constitute approximately</p> <p>8 17 percent of the total assets of Highland</p> <p>9 Capital Management, L.P., on a consolidated</p> <p>10 basis?</p> <p>11 MS. DANDENEAU: Objection to form.</p> <p>12 A. I don't have a calculator in front</p> <p>13 of me but I will take your math, if you are</p> <p>14 taking the 173 divided by the billion.</p> <p>15 Q. Okay.</p> <p>16 A. If that is accurate, yes. But,</p> <p>17 again, on a consolidated basis.</p> <p>18 Q. And on an unconsolidated basis the</p> <p>19 percentage would be higher; correct?</p> <p>20 A. I – no. I don't know.</p> <p>21 Q. Well, okay. That is fair.</p> <p>22 MR. MORRIS: Can we turn to</p> <p>23 page 241, please.</p> <p>24 Q. Do you see that this is a section of</p> <p>25 the audit report that is entitled Notes and</p>	<p style="text-align: right;">Page 111</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Other Amounts Due from Affiliates?</p> <p>3 A. Sorry, I can't see the – the –</p> <p>4 Q. It is at the top.</p> <p>5 A. Notes and Other Amounts Due from</p> <p>6 Affiliates, yes, I see that. I don't – I</p> <p>7 don't have a page number, but I'm on a page</p> <p>8 that says at the top: Notes and Other Amounts</p> <p>9 Due from Affiliates.</p> <p>10 Q. Okay. And that is the same title of</p> <p>11 the line item on the balance sheet that we just</p> <p>12 looked at; right? Notes and Other Amounts Due</p> <p>13 from Affiliates?</p> <p>14 A. Yes.</p> <p>15 Q. And is it your understanding, based</p> <p>16 on your experience and knowledge as the CFO,</p> <p>17 that this is the section of the narrative that</p> <p>18 ties into the line item that we just looked at?</p> <p>19 A. Yes.</p> <p>20 Q. And is this section of the audit</p> <p>21 report intended to describe and disclose all of</p> <p>22 the material facts concerning the Notes and</p> <p>23 Other Amounts Due from Affiliates?</p> <p>24 MS. DANDENEAU: Objection, form.</p> <p>25 A. This – these notes – these notes</p>
<p style="text-align: right;">Page 112</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 of the financial statements are – the purpose</p> <p>3 is to disclose any material items in relation</p> <p>4 to that balance sheet line item.</p> <p>5 Q. Okay. And all of the information,</p> <p>6 to the best of your knowledge, that is set</p> <p>7 forth in this section of the audit report was</p> <p>8 provided by Highland; correct?</p> <p>9 A. Yes, it would have been provided by</p> <p>10 the corporate accounting team.</p> <p>11 Q. Okay. And the corporate accounting</p> <p>12 team, did that team report to you in the</p> <p>13 organizational structure?</p> <p>14 A. Yes.</p> <p>15 Q. And did you have any concerns about</p> <p>16 the controls that were in place to make sure</p> <p>17 that the information provided with respect to</p> <p>18 Notes and Other Amounts Due from Affiliates was</p> <p>19 accurate and complete?</p> <p>20 MS. DANDENEAU: Objection to form.</p> <p>21 A. Not that I recall.</p> <p>22 Q. Okay. Do you recall ever being</p> <p>23 concerned that any portion of the Notes and</p> <p>24 Other Amounts Due from Affiliates in any audit</p> <p>25 report was inaccurate, incomplete, or not</p>	<p style="text-align: right;">Page 113</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 reliable?</p> <p>3 A. I didn't – I had concerns about,</p> <p>4 you know, like I talked about before, of there</p> <p>5 were – there were potentially issues in the</p> <p>6 control environment. But as far as it relates</p> <p>7 to the audited financial statements, any – the</p> <p>8 team would work with the auditors to disclose</p> <p>9 all – all notes in Highland's possession.</p> <p>10 And any – any notes that were</p> <p>11 deemed material by the auditor, right, these</p> <p>12 were disclosed in these – in this section, you</p> <p>13 know, in – in the notes to the consolidated</p> <p>14 financial statements as you presented.</p> <p>15 Q. Do you recall ever having a</p> <p>16 conversation with anybody at any time</p> <p>17 concerning the accuracy of the section of audit</p> <p>18 reports that relates to Notes and Other Amounts</p> <p>19 Due from Affiliates?</p> <p>20 MS. DANDENEAU: Objection to form.</p> <p>21 A. You know, as – as – I didn't have</p> <p>22 direct conversations with</p> <p>23 PricewaterhouseCoopers as I had, you know –</p> <p>24 I – I had the team that managed this.</p> <p>25 Again, I wasn't anywhere chose to</p>

<p style="text-align: right;">Page 114</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 being the point person of this audit. And I</p> <p>3 can't recall, you know, when -- you know, I</p> <p>4 don't even know if I was ever the point person</p> <p>5 during my tenure as CFO.</p> <p>6 I don't know if PwC had any concerns</p> <p>7 when they were performing those audit</p> <p>8 procedures. They may have and they may have --</p> <p>9 and it may not have been communicated to me. I</p> <p>10 don't know.</p> <p>11 MR. MORRIS: All right. I move to</p> <p>12 strike.</p> <p>13 Q. And I'm going to ask you to listen</p> <p>14 carefully to my question.</p> <p>15 Did you -- do you recall ever having</p> <p>16 a conversation with anybody at any time</p> <p>17 concerning the accuracy of the reporting</p> <p>18 provided in the audited financial statement on</p> <p>19 the topic of Notes and Other Amounts Due?</p> <p>20 MS. DANDENEAU: Objection to form.</p> <p>21 A. I don't recall for this, but that</p> <p>22 doesn't mean that it didn't exist.</p> <p>23 Q. Okay. But you have no reason to</p> <p>24 believe, as you sit here right now, that you</p> <p>25 ever discussed with anybody concerns over the</p>	<p style="text-align: right;">Page 115</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 accuracy of the section of the audit reports</p> <p>3 called Notes and Other Amounts Due from</p> <p>4 Affiliates; correct?</p> <p>5 MS. DANDENEAU: Object to the form.</p> <p>6 MS. DEITSCH-PEREZ: Objection to</p> <p>7 form.</p> <p>8 A. I don't recall having any</p> <p>9 conversations. But, again, I mean, this is --</p> <p>10 this is two years ago.</p> <p>11 Q. I'm just asking for your</p> <p>12 recollection, sir.</p> <p>13 A. Yes.</p> <p>14 Q. If you don't recall, this will --</p> <p>15 A. Yeah.</p> <p>16 Q. (Overspeak) -- if you don't</p> <p>17 recall --</p> <p>18 A. Yeah, I don't -- I don't recall.</p> <p>19 Q. Do you know who was responsible for</p> <p>20 drafting the audit report?</p> <p>21 A. Are you asking the actual Highland</p> <p>22 employee responsible? I mean, it was</p> <p>23 Highland's responsibility, so, I mean, that</p> <p>24 is --</p> <p>25 Q. Right.</p>
<p style="text-align: right;">Page 116</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. -- Highland's responsibility.</p> <p>3 Highland's responsibility.</p> <p>4 Q. Who, at Highland, was responsible</p> <p>5 for drafting this section of the audit report?</p> <p>6 A. I -- I don't know the answer to</p> <p>7 that. Again, there was a team who worked on</p> <p>8 this. And I don't know, you know, whether it</p> <p>9 was the staff or the manager.</p> <p>10 Again, this is where I let the teams</p> <p>11 manage. And, you know, there may be a</p> <p>12 corporate accountant who worked on this. I</p> <p>13 just -- you know, I wasn't part of that process</p> <p>14 to give that person experience. I don't know.</p> <p>15 Q. Do you recall having any</p> <p>16 communications with anybody at any time</p> <p>17 concerning this section of the report?</p> <p>18 A. Yeah, I don't recall.</p> <p>19 Q. Do you recall whether you ever told</p> <p>20 anybody at any time that any aspect of this</p> <p>21 section of the report was inaccurate or</p> <p>22 incomplete?</p> <p>23 A. I don't recall.</p> <p>24 Q. As you sit here today, do you have</p> <p>25 any reason to believe that this section of the</p>	<p style="text-align: right;">Page 117</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 audit report is incomplete or inaccurate in any</p> <p>3 way?</p> <p>4 And I'm happy to give you a moment</p> <p>5 to -- to look at it, if you would like.</p> <p>6 MS. DANDENEAU: Objection to form.</p> <p>7 MS. DEITSCH-PEREZ: Same.</p> <p>8 A. I mean, I would have to look at -- I</p> <p>9 would have to look at the bill to the note</p> <p>10 schedule to make sure I know you presented me</p> <p>11 with materiality, but again, there might be a</p> <p>12 note as of 12/31/18 that somehow was -- was</p> <p>13 under materiality not disclosed. I don't -- I</p> <p>14 don't know. I would need more information.</p> <p>15 Q. Okay. But without more information,</p> <p>16 you have no reason to believe anything this</p> <p>17 section is inaccurate; correct?</p> <p>18 MS. DANDENEAU: Objection to form.</p> <p>19 A. I don't. I mean, you know, this was</p> <p>20 part of the audit.</p> <p>21 Q. Thank you. Now, you will see if we</p> <p>22 could scroll just a little bit more that each</p> <p>23 of the first five paragraphs concerns</p> <p>24 specifically the four affiliates that we've</p> <p>25 been discussing and Mr. Dondero.</p>

<p style="text-align: right;">Page 118</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 MR. MORRIS: If we could go the</p> <p>3 other way, La Asia. We don't need Okada.</p> <p>4 We're going to have to thread the needle.</p> <p>5 Okay. Good, perfect.</p> <p>6 Q. Do you see those five paragraphs</p> <p>7 certain the four affiliates and Mr. Dondero as</p> <p>8 we've been referring to today?</p> <p>9 A. Yes.</p> <p>10 Q. Okay. And do you see at the end of</p> <p>11 every paragraph it states, quote: A fair value</p> <p>12 of a partnership's outstanding notes receivable</p> <p>13 approximates the carrying value of the notes</p> <p>14 receivable?</p> <p>15 A. Yes, I see that.</p> <p>16 Q. Do you have an understanding of what</p> <p>17 that means?</p> <p>18 A. Yes.</p> <p>19 Q. What is your understanding of that</p> <p>20 sentence?</p> <p>21 A. It is the -- again, the -- the fair</p> <p>22 value, right, which is -- which is what the --</p> <p>23 what Highland could sell that asset for. This</p> <p>24 statement is comparing the fair value of the</p> <p>25 notes to the carrying value, so the carrying</p>	<p style="text-align: right;">Page 119</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 value is the line item that you showed me</p> <p>3 earlier that is in Notes and Other Amounts Due</p> <p>4 from Affiliates.</p> <p>5 Q. Okay. Is another way to say this is</p> <p>6 that the fair market value of the notes equals</p> <p>7 the principal amount and -- withdrawn.</p> <p>8 Is the fair way to interpret this</p> <p>9 that the fair market value of the notes equals</p> <p>10 all remaining unpaid principal and interest due</p> <p>11 under the notes?</p> <p>12 MS. DANDENEAU: Object to the form.</p> <p>13 MS. DEITSCH-PEREZ: Objection, form.</p> <p>14 A. I don't know the answer to that,</p> <p>15 because I don't recall where -- where any --</p> <p>16 where -- in what line item was the interest</p> <p>17 component reported.</p> <p>18 Q. All right. Well, if we look in this</p> <p>19 audit report, you will see in the middle of the</p> <p>20 first paragraph, for example, it states that as</p> <p>21 of December 31st, 2018, total interest and</p> <p>22 principal due on outstanding promissory notes</p> <p>23 was approximately \$5.3 million.</p> <p>24 Do you see that?</p> <p>25 A. I do.</p>
<p style="text-align: right;">Page 120</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Is that the carrying value or the</p> <p>3 fair value?</p> <p>4 A. That would be the carrying value --</p> <p>5 Q. And is the last --</p> <p>6 A. -- in my opinion.</p> <p>7 Q. Okay. And it is in your opinion as</p> <p>8 the chief financial officer of Highland during</p> <p>9 the period of time that you described; right?</p> <p>10 It is an educated opinion?</p> <p>11 A. I'm reading this at face value. I'm</p> <p>12 taking that as that is carrying value.</p> <p>13 Q. Okay. And does the last sentence</p> <p>14 say that the carrying value is roughly</p> <p>15 approximate to the fair market value?</p> <p>16 MS. DANDENEAU: Objection to form.</p> <p>17 MS. DEITSCH-PEREZ: Objection, form.</p> <p>18 A. Again, this note to the financial</p> <p>19 statement is specific to notes and other</p> <p>20 amounts due from affiliates.</p> <p>21 Q. Correct.</p> <p>22 A. If the interest component is</p> <p>23 reported elsewhere on the balance sheet, you</p> <p>24 know, it -- it -- it could be off. Again, I</p> <p>25 don't have the detail. I don't know, but yes,</p>	<p style="text-align: right;">Page 121</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 look, I mean, if you -- I mean, if you are</p> <p>3 saying the 5.3 million is in the notes and</p> <p>4 other amounts due from affiliates, then the</p> <p>5 last statement is saying the fair value</p> <p>6 approximates 5.3 million. That is what that</p> <p>7 last sentence is saying.</p> <p>8 Q. Do you see in the middle of the</p> <p>9 first paragraph -- not in the middle, the next</p> <p>10 to last sentence there is a statement that the</p> <p>11 partnership will not demand payment on amounts</p> <p>12 that exceed HCMFA's excess cash availability</p> <p>13 prior to May 31st, 2021.</p> <p>14 Do you see that?</p> <p>15 A. I do.</p> <p>16 Q. Do you know when Highland agreed not</p> <p>17 to demand payment as described in that</p> <p>18 sentence?</p> <p>19 A. I don't know specifically.</p> <p>20 Q. Do you know why Highland agreed not</p> <p>21 to demand payment on HCMFA's notes until May</p> <p>22 2021?</p> <p>23 A. Yes.</p> <p>24 Q. Why was that decision made?</p> <p>25 A. You know, well, it -- it -- that</p>

<p style="text-align: right;">Page 122</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 decision was made as to not put HCMFA into a</p> <p>3 position where it didn't have sufficient assets</p> <p>4 to pay for the demand note.</p> <p>5 Q. And at the time the agreement was</p> <p>6 entered into, pursuant to which the partnership</p> <p>7 wouldn't demand payment, did HCMFA have</p> <p>8 insufficient assets to satisfy the notes if a</p> <p>9 demand had been made?</p> <p>10 MS. DANDENEAU: Objection to form.</p> <p>11 A. I don't have HCMFA's financial</p> <p>12 statements in front of me as of 12/31/18.</p> <p>13 Q. Was there a concern that HCMFA would</p> <p>14 be unable to satisfy its demands under the</p> <p>15 notes if demand was made?</p> <p>16 MS. DANDENEAU: Objection to form.</p> <p>17 A. Well, there is – I don't recall –</p> <p>18 I mean, there is something, right, in place to</p> <p>19 basically not demand payment until May 31, 2021</p> <p>20 as detailed here.</p> <p>21 Q. And who made the decision to enter</p> <p>22 into – who made the decision on behalf of</p> <p>23 Highland not to demand payment until May 31st,</p> <p>24 2021?</p> <p>25 A. I'm trying to remember. I don't</p>	<p style="text-align: right;">Page 123</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 remember exactly – I don't remember if it was</p> <p>3 myself or – or Jim Dondero who – who – there</p> <p>4 was – there was something signed, from what I</p> <p>5 recall, that – that – that backed up this</p> <p>6 line item in the – in the notes I'm – look,</p> <p>7 I'm, I'm –</p> <p>8 Q. We will get to that.</p> <p>9 A. You –</p> <p>10 Q. I'm just –</p> <p>11 A. You have – I mean –</p> <p>12 Q. We're going to give that to you.</p> <p>13 I'm going to give that to you.</p> <p>14 A. You – you – you have all the</p> <p>15 documents. I don't have the documents, and</p> <p>16 that is what makes it so hard. I don't have</p> <p>17 any documents to prepare for this deposition;</p> <p>18 right? You have all – I don't – I don't – I</p> <p>19 don't remember, but, you know, again, it would</p> <p>20 probably be myself or Jim.</p> <p>21 Q. Do you know if Highland received</p> <p>22 anything in return for its agreement not to</p> <p>23 make a demand for two years?</p> <p>24 A. I don't – I don't think it referred</p> <p>25 anything.</p>
<p style="text-align: right;">Page 124</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. And did you and Mr. Dondero discuss</p> <p>3 HCMFA's ability to satisfy the notes if a</p> <p>4 demand was made at the time this agreement was</p> <p>5 entered into?</p> <p>6 MS. DANDENEAU: Objection to form.</p> <p>7 A. I don't – I don't – I don't recall</p> <p>8 having a specific conversation, if I did, or –</p> <p>9 or David Klos.</p> <p>10 Q. Okay. I'm just asking if you recall</p> <p>11 any conversations that you had.</p> <p>12 A. I don't recall.</p> <p>13 Q. Okay. Do you know why Highland</p> <p>14 loaned the money to HCMFA that is the subject</p> <p>15 of the notes described in this paragraph?</p> <p>16 A. I don't remember specifically why</p> <p>17 5.3 million was loaned. I mean, I – it would</p> <p>18 have to be put in the context.</p> <p>19 Q. Do you have any recollection at all</p> <p>20 as to why Highland ever loaned any money to</p> <p>21 HCMFA?</p> <p>22 A. Yes.</p> <p>23 MS. DANDENEAU: Objection to form.</p> <p>24 Q. What do you remember about that?</p> <p>25 A. There was a Highland Global</p>	<p style="text-align: right;">Page 125</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Allocation Fund, which was a – a fund managed</p> <p>3 by Highland Capital Management Fund Advisors.</p> <p>4 There was a – we – I'm just telling you,</p> <p>5 there was – there was – there was a – a</p> <p>6 ultimately a NAV error found in this fund while</p> <p>7 it was an open-ended fund and, you know, there</p> <p>8 were amounts owed by the advisor in – in</p> <p>9 relation to that NAV error.</p> <p>10 There were also, for the same fund,</p> <p>11 that same fund was ongoing an</p> <p>12 open-end-to-close-end conversion, and as part</p> <p>13 of that proposal, shareholders who voted for</p> <p>14 the conversion received compensation from the</p> <p>15 advisor.</p> <p>16 Q. All right. Now, the events that</p> <p>17 you're describing occurred in the spring of</p> <p>18 2019; right?</p> <p>19 A. These started back – I think, I</p> <p>20 mean –</p> <p>21 Q. I apologize.</p> <p>22 A. – that – I mean, the answer to</p> <p>23 that is no.</p> <p>24 Q. I apologize, the loans that were</p> <p>25 made in connection with the events that you're</p>

<p style="text-align: right;">Page 126</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 describing occurred in May 2019; right?</p> <p>3 MR. RUKAVINA: Objection to the</p> <p>4 extent that calls for a legal conclusion.</p> <p>5 A. I don't recall specifically what</p> <p>6 amounts of money were moved when, for what</p> <p>7 purpose.</p> <p>8 Q. Okay. Fair enough. Going to the</p> <p>9 next paragraph, do you recall that NexPoint</p> <p>10 Advisors had obtained a number of loans from</p> <p>11 Highland, and they rolled up those loans into</p> <p>12 one note in approximately 2017?</p> <p>13 A. This is for NexPoint Advisors?</p> <p>14 Q. Yes.</p> <p>15 A. I – I mean, I don't – I don't</p> <p>16 recall the NexPoint Advisors loan being a</p> <p>17 roll-up loan, but –</p> <p>18 Q. Do you know why?</p> <p>19 A. But, look, if you have documents</p> <p>20 that show – I mean, look, I just don't recall.</p> <p>21 Q. Okay. That is fair. Do you know</p> <p>22 why – do you have any recollection as to why</p> <p>23 Highland loaned money to NexPoint?</p> <p>24 A. Yes.</p> <p>25 Q. Why did High – why do you recall –</p>	<p style="text-align: right;">Page 127</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 what is the reason you recall Highland lending</p> <p>3 money to NexPoint?</p> <p>4 A. I mean, I was just – I just – I</p> <p>5 just recall. I mean, I just – I don't</p> <p>6 remember why.</p> <p>7 Q. I understand. And I'm asking you if</p> <p>8 you recall –</p> <p>9 A. Oh, why – I thought you say –</p> <p>10 NexPoint Advisors was launching a fund which</p> <p>11 is – I believe that the legal name is NexPoint</p> <p>12 Capital, Inc. And it – it provided a</p> <p>13 co-invest into that fund.</p> <p>14 And, from what I remember, the –</p> <p>15 the – that NexPoint borrowed money from</p> <p>16 Highland at the time to make that co-invest.</p> <p>17 Q. So this was an investment that</p> <p>18 NexPoint was required to make; is that right?</p> <p>19 MS. DANDENEAU: Objection to form.</p> <p>20 A. I don't know if it was required to</p> <p>21 make, I don't recall that, or if it just made</p> <p>22 it.</p> <p>23 Q. Okay. But your recollection is that</p> <p>24 NexPoint made an investment and they borrowed</p> <p>25 money from Highland to finance the investment.</p>
<p style="text-align: right;">Page 128</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Do I have that right?</p> <p>3 A. Yes.</p> <p>4 Q. How about HCRE? Do you know why</p> <p>5 HCRE borrowed money from Highland?</p> <p>6 A. I don't remember specifically.</p> <p>7 Q. Do you remember generally?</p> <p>8 A. Generally, yeah – I mean, yes.</p> <p>9 Q. Can you tell me your general</p> <p>10 recollection as to why Highland loaned money to</p> <p>11 HCRE?</p> <p>12 A. For – for – for investment</p> <p>13 purposes.</p> <p>14 Q. So HCRE made the investment and it</p> <p>15 obtained a loan, or loans, from Highland in</p> <p>16 order to finance that investment or those</p> <p>17 investments.</p> <p>18 Do I have that right?</p> <p>19 A. I mean, I – you know, generally.</p> <p>20 Q. Okay. How about Highland Management</p> <p>21 Services, Inc.?</p> <p>22 Do you have any recollection as to</p> <p>23 why HCMS borrowed money from Highland?</p> <p>24 A. Generally.</p> <p>25 Q. What is your general recollection as</p>	<p style="text-align: right;">Page 129</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 to why HCMS borrowed money from Highland?</p> <p>3 A. For – for investment purposes.</p> <p>4 Q. So it is the same thing, HCMS wanted</p> <p>5 to make investments and it borrowed money from</p> <p>6 Highland in order to finance those investments;</p> <p>7 is that right?</p> <p>8 A. I mean, yes, generally. I mean, I</p> <p>9 can't – I don't – on the services, there –</p> <p>10 there are several loans in these schedules.</p> <p>11 You know, I can't remember why every single one</p> <p>12 of these were made, but I would say, yeah, I</p> <p>13 mean, generally.</p> <p>14 Q. Okay. I appreciate that.</p> <p>15 MR. MORRIS: Let's go to the page</p> <p>16 with Bates No. 251. La Asia, are you</p> <p>17 there?</p> <p>18 MS. CANTY: Sorry, John. It went</p> <p>19 out for a minute. Can you say that again.</p> <p>20 I don't know what is going on.</p> <p>21 MR. MORRIS: The page with Bates</p> <p>22 No. 251, can we go to that.</p> <p>23 MS. CANTY: Yes, sorry.</p> <p>24 MR. MORRIS: Keep going to the</p> <p>25 bottom. Yeah, there you go.</p>

<p style="text-align: right;">Page 130</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Do you see, Mr. Waterhouse, that</p> <p>3 there is a section there called Subsequent</p> <p>4 Events?</p> <p>5 A. I do.</p> <p>6 Q. And does this relate to the last</p> <p>7 sentence above the signature line on the</p> <p>8 management representation letter that we talked</p> <p>9 about earlier where you made the representation</p> <p>10 that you disclosed subsequent events?</p> <p>11 A. I mean, it relates to it, but not in</p> <p>12 its entirety.</p> <p>13 Q. Okay.</p> <p>14 MR. MORRIS: If we can scroll up to</p> <p>15 capture the entirety of this section right</p> <p>16 here.</p> <p>17 Q. And what do you mean by that, sir?</p> <p>18 MR. MORRIS: Yeah, right there.</p> <p>19 Perfect.</p> <p>20 A. There are -- there are different</p> <p>21 subsequent events in -- under GAAP. So there</p> <p>22 are -- and -- and -- so what we see in the</p> <p>23 notes to the financial statements are one type</p> <p>24 of subevent.</p> <p>25 Q. Okay. And -- and would the type of</p>	<p style="text-align: right;">Page 131</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 subsequent event relating to affiliate loans be</p> <p>3 captured in this section if they were -- if</p> <p>4 they were made after the end of the fiscal year</p> <p>5 and prior to the issuance of the audit report?</p> <p>6 A. Yes, if they were deemed material or</p> <p>7 disclosable.</p> <p>8 Q. Okay. I appreciate that.</p> <p>9 Do you see the next to the last</p> <p>10 entry there? It says, Over the course of 2019</p> <p>11 through the report date, HCMFA issued</p> <p>12 promissory notes to the partnership in the</p> <p>13 aggregate amount of \$7.4 million?</p> <p>14 A. Yes.</p> <p>15 Q. And does that refresh your</p> <p>16 recollection that those are the notes that</p> <p>17 related to the NAV error that you mentioned</p> <p>18 earlier?</p> <p>19 A. I don't -- I don't remember the</p> <p>20 exact. Again, there are -- I mentioned two</p> <p>21 line items; right?</p> <p>22 Q. Yes.</p> <p>23 A. I mean, it was the GAAP conversion</p> <p>24 process plus the -- the NAV error. I don't</p> <p>25 have the details. I don't recall specifically</p>
<p style="text-align: right;">Page 132</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 if -- you know, what -- if that 7.4 million was</p> <p>3 solely attributable to the NAV error.</p> <p>4 Q. Okay. But there is no question that</p> <p>5 Highland told PricewaterhouseCoopers that over</p> <p>6 the course of 2019 HCMFA issued promissory</p> <p>7 notes to the partnership in the aggregate</p> <p>8 amount of \$7.4 million; correct?</p> <p>9 A. In the course of the audit, we would</p> <p>10 have produced all promissory notes in our</p> <p>11 possession, including the ones that are</p> <p>12 detailed here.</p> <p>13 Q. Do you recall that you signed the</p> <p>14 two promissory notes that are referenced in</p> <p>15 that provision?</p> <p>16 MS. DANDENEAU: Objection to form.</p> <p>17 A. I didn't recall initially but I've</p> <p>18 been reminded.</p> <p>19 Q. Okay. And -- and do you recall that</p> <p>20 those notes are dated May 2nd and May 3rd,</p> <p>21 2019?</p> <p>22 A. Yes.</p> <p>23 Q. So that was just a month before the</p> <p>24 audit was completed; correct?</p> <p>25 A. Yes. I think we had a June 3rd</p>	<p style="text-align: right;">Page 133</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 date, right, if -- if my memory serves me</p> <p>3 right.</p> <p>4 Q. Yes, I will represent to you that</p> <p>5 your memory is accurate in that regard.</p> <p>6 Did anybody ever instruct you as the</p> <p>7 CFO to correct this statement that we're</p> <p>8 looking at in subsequent events?</p> <p>9 A. So let me understand. You're saying</p> <p>10 when I was CFO at Highland Capital did anyone</p> <p>11 ever ask me to correct the -- over the course</p> <p>12 of 2019 through the report date HCMFA issued</p> <p>13 promissory notes, this statement?</p> <p>14 Q. Right.</p> <p>15 A. Not that I'm aware.</p> <p>16 Q. While you were the CFO of Highland,</p> <p>17 did anybody ever tell you that that sentence</p> <p>18 was wrong?</p> <p>19 A. Not that I'm aware.</p> <p>20 Q. Highland -- withdrawn.</p> <p>21 HCMFA disclosed these notes in its</p> <p>22 own audited financial statements; right?</p> <p>23 MR. RUKAVINA: Objection, form.</p> <p>24 A. I assume that these would be</p> <p>25 material -- if these are material financial</p>

<p style="text-align: right;">Page 134</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 statements, yes, they – they – they should be</p> <p>3 and they were likely disclosed.</p> <p>4 Q. Now, there is no statement</p> <p>5 concerning the 2019 notes about the forbearance</p> <p>6 that we looked at in the affiliated note</p> <p>7 section of the report; right?</p> <p>8 MS. DANDENEAU: Objection to form.</p> <p>9 Q. I'll withdraw. That was bad.</p> <p>10 Do you recall when we were looking</p> <p>11 at the paragraph concerning HCMFA earlier it</p> <p>12 had that disclosure about the agreement whereby</p> <p>13 Highland wouldn't ask for demand on the – on</p> <p>14 the HCMFA notes?</p> <p>15 A. Yes.</p> <p>16 Q. That forbearance disclosure is not</p> <p>17 made with respect to the 2019 notes; right?</p> <p>18 A. Not – look, not that I can recall,</p> <p>19 unless – unless it was done at a subsequent</p> <p>20 day.</p> <p>21 Q. Right. And it is not in the</p> <p>22 subsequent event section that we're looking at</p> <p>23 right now where the 2019 notes are described;</p> <p>24 right?</p> <p>25 A. Right. But this is through</p>	<p style="text-align: right;">Page 135</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 June 3rd. It could have been done on June 4th.</p> <p>3 I don't – I don't – I don't recall.</p> <p>4 Q. Okay.</p> <p>5 MR. MORRIS: Can we put up on the</p> <p>6 screen the HCMFA audit report. And while</p> <p>7 we're –</p> <p>8 MS. DANDENEAU: What exhibit is</p> <p>9 this?</p> <p>10 MR. MORRIS: La Asia, what number is</p> <p>11 that?</p> <p>12 MS. CANTY: 45.</p> <p>13 MR. MORRIS: So this will be marked</p> <p>14 as Exhibit 45.</p> <p>15 (Exhibit 45 marked.)</p> <p>16 MS. CANTY: Yeah, and I will put it</p> <p>17 in the chat.</p> <p>18 MS. DANDENEAU: Thank you.</p> <p>19 Q. Okay. All right. Do you see that</p> <p>20 this is the consolidated financial statements</p> <p>21 for HCMFA for the period ending 12/31/18?</p> <p>22 A. Yes.</p> <p>23 Q. As the treasurer of HCMFA at the</p> <p>24 time, did you have to sign a management</p> <p>25 representation letter similar to the one that</p>
<p style="text-align: right;">Page 136</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 we looked at earlier for Highland?</p> <p>3 A. I would imagine I would have been</p> <p>4 asked to. I don't recall if I did.</p> <p>5 Q. Do you recall ever being asked by an</p> <p>6 auditor to sign a management representation</p> <p>7 letter and then not doing it?</p> <p>8 A. No.</p> <p>9 MR. MORRIS: Can we just scroll down</p> <p>10 again. I just want to see the date of the</p> <p>11 document.</p> <p>12 A. I mean, let me – you know, there</p> <p>13 are different versions to management</p> <p>14 representation letters I will qualify.</p> <p>15 Yes, there are certain – from time</p> <p>16 to time auditors can make representations</p> <p>17 that – in the rep letter that is being</p> <p>18 proposed that are inaccurate or out of scope or</p> <p>19 things like that and they've asked for</p> <p>20 signature.</p> <p>21 In that context, yes. I mean, you</p> <p>22 know – I mean, if I have been asked to sign</p> <p>23 and make those representations and those</p> <p>24 representations are invalid, yes, I would not,</p> <p>25 I mean, I – I wouldn't sign that.</p>	<p style="text-align: right;">Page 137</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Okay. PricewaterhouseCoopers served</p> <p>3 as HCMFA's outside auditors as well; correct?</p> <p>4 A. Yes.</p> <p>5 Q. Do you see that this audit report is</p> <p>6 signed on June 3rd, 2019, just like the</p> <p>7 Highland audit report?</p> <p>8 A. That is correct.</p> <p>9 Q. And did the process of – of</p> <p>10 preparing HCMFA's audit report, was that the</p> <p>11 same process that Highland followed when it did</p> <p>12 its audit report at this time?</p> <p>13 A. I mean, it is a different entity.</p> <p>14 There are different assets. You know, it –</p> <p>15 it – it is – as you saw, Highland's</p> <p>16 financials are on a consolidated basis. This</p> <p>17 is different, so it is under the same control</p> <p>18 environment and team.</p> <p>19 Q. Okay. I appreciate that. So the</p> <p>20 same control environment and team participated</p> <p>21 in the preparation of the audit for Highland</p> <p>22 and for HCMFA at around the same time; correct?</p> <p>23 A. Yes.</p> <p>24 MR. MORRIS: Can we go to page 17 of</p> <p>25 the report. I don't have the Bates number.</p>

<p style="text-align: right;">Page 138</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Okay. Do you see that just like</p> <p>3 Highland's audited financial report, HCMFA's</p> <p>4 audited financial report also has a section</p> <p>5 related to subsequent events?</p> <p>6 A. Yes.</p> <p>7 Q. And am I reading this correctly that</p> <p>8 just as Highland had done, HCMFA disclosed in</p> <p>9 its audited financial report a subsequent event</p> <p>10 that related to the issuance of promissory</p> <p>11 notes to Highland in the aggregate amount of</p> <p>12 \$7.4 million in 2019?</p> <p>13 A. That is what I see in the report.</p> <p>14 Q. And you were the treasurer of HCMFA</p> <p>15 at the time; right?</p> <p>16 A. Yes, to the best of my knowledge.</p> <p>17 Q. And did anybody ever tell you prior</p> <p>18 to the time of the issuance of this audit</p> <p>19 report that that sentence relating to HCMFA's</p> <p>20 2019 notes was inaccurate or wrong in any way?</p> <p>21 A. Not that I recall.</p> <p>22 Q. As you sit here right now, has</p> <p>23 anybody ever told you that that sentence is</p> <p>24 inaccurate or wrong in any way?</p> <p>25 A. Not that I recall.</p>	<p style="text-align: right;">Page 139</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. I apologize if I asked you this</p> <p>3 already, but has anybody ever told you at any</p> <p>4 time that you are not authorized to sign the</p> <p>5 promissory notes that are the subject of the</p> <p>6 sentence we're looking at?</p> <p>7 A. Not that I recall.</p> <p>8 Q. Did anybody ever tell you at any</p> <p>9 time that you had made a mistake when you</p> <p>10 signed the promissory notes that are the</p> <p>11 subject of this sentence?</p> <p>12 A. Say that again. Did anyone ever say</p> <p>13 that I made a mistake?</p> <p>14 Q. Let me ask the question again.</p> <p>15 Did anybody ever tell you at any</p> <p>16 time that you made a mistake when you signed</p> <p>17 the two promissory notes in Highland's favor on</p> <p>18 behalf of HCMFA in 2019?</p> <p>19 A. Not that I recall.</p> <p>20 MR. MORRIS: Let's just look at the</p> <p>21 promissory notes quickly. Can we please</p> <p>22 put up Document Number 1, and so this is in</p> <p>23 the pile that y'all have. We'll just go</p> <p>24 for a few more minutes and we can take our</p> <p>25 lunch break.</p>
<p style="text-align: right;">Page 140</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. All right. So I don't know if you</p> <p>3 have seen this before, sir. Do you see that</p> <p>4 this is a complaint against HCMFA?</p> <p>5 A. Yes, I am looking at it on the</p> <p>6 screen.</p> <p>7 Q. Okay. And have you ever seen this</p> <p>8 document before?</p> <p>9 A. I went through some of these</p> <p>10 documents with my counsel here yesterday.</p> <p>11 MR. MORRIS: All right. Can we go</p> <p>12 to Exhibit 1 of this document.</p> <p>13 Q. Do you see Exhibit 1 is a</p> <p>14 \$2.4 million promissory note back in 2019?</p> <p>15 A. Yeah, I found it in the book. Yes,</p> <p>16 I have it here in front of me.</p> <p>17 Q. And this is a demand note, right, if</p> <p>18 you look at Paragraph 2?</p> <p>19 A. Yes.</p> <p>20 Q. And this is a note where the maker</p> <p>21 is HCMFA, and Highland is the payee; right?</p> <p>22 A. Yes.</p> <p>23 MR. MORRIS: And if we can scroll</p> <p>24 down, can we just see Mr. Waterhouse's</p> <p>25 signature.</p>	<p style="text-align: right;">Page 141</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Is that your signature, sir?</p> <p>3 A. Yes, it is.</p> <p>4 Q. And did you sign this document on or</p> <p>5 around May 2nd, 2019?</p> <p>6 A. I don't recall specifically signing</p> <p>7 this, but this is my signature.</p> <p>8 Q. Okay. And do you recall that</p> <p>9 Highland transferred \$2.4 million to HCMFA at</p> <p>10 or around the time you signed this document?</p> <p>11 A. I don't recall specifically. I</p> <p>12 would want to, as I sit here today, go back and</p> <p>13 confirm that, but again, presumably that --</p> <p>14 that -- that did happen.</p> <p>15 Q. You wouldn't have signed this</p> <p>16 document if you didn't believe that HCMFA</p> <p>17 either received or was going to receive</p> <p>18 \$2.4 million from Highland; is that fair?</p> <p>19 A. I mean, it -- if -- if -- if there</p> <p>20 wasn't a transfer of value, yeah, I mean, you</p> <p>21 know, I would have no reason to -- to sign a</p> <p>22 note.</p> <p>23 Q. And -- and Highland wouldn't have</p> <p>24 given this note to PricewaterhouseCoopers if --</p> <p>25 withdrawn.</p>

<p style="text-align: right;">Page 142</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 HCMFA wouldn't have given this note</p> <p>3 to PricewaterhouseCoopers if it hadn't received</p> <p>4 the principal value of -- of the note in the</p> <p>5 form of a loan; correct?</p> <p>6 MR. RUKAVINA: Objection, legal</p> <p>7 conclusion, speculation and form.</p> <p>8 A. Again, we -- what we provided to PwC</p> <p>9 were, as part of the audit, any promissory</p> <p>10 notes executed and outstanding. You know, as a</p> <p>11 part of the audit, they, you know, they -- they</p> <p>12 have copies of all the bank statements,</p> <p>13 things -- things of that sort.</p> <p>14 MR. MORRIS: Okay. Can we go to</p> <p>15 Exhibit 2.</p> <p>16 (Exhibit 2 marked.)</p> <p>17 Q. Do you see that this is a promissory</p> <p>18 note dated May 3rd, 2019 in the amount of</p> <p>19 \$5 million?</p> <p>20 A. Yes.</p> <p>21 Q. Do you believe this is also a demand</p> <p>22 note if you look at Paragraph 2?</p> <p>23 A. Yes.</p> <p>24 Q. And do you see that HCMFA is the</p> <p>25 maker, and Highland is the payee?</p>	<p style="text-align: right;">Page 143</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. Yes.</p> <p>3 Q. And if we go to the bottom, can we</p> <p>4 just confirm that that is your signature?</p> <p>5 A. Yes.</p> <p>6 Q. And together these notes are the</p> <p>7 notes that are referred to both in Highland and</p> <p>8 HCMFA's audited financial reports in the</p> <p>9 subsequent event sections; correct?</p> <p>10 MS. DANDENEAU: Objection to form.</p> <p>11 A. They -- they -- they totaled</p> <p>12 \$7.4 million, so presumably, yes.</p> <p>13 Q. Okay. And you were authorized to</p> <p>14 sign these two notes; correct?</p> <p>15 MR. RUKAVINA: Objection, legal</p> <p>16 conclusion.</p> <p>17 A. Yeah. I mean, I'm -- I was the</p> <p>18 officer of -- of HCMFA. You know, I -- I'm not</p> <p>19 the legal expert on -- on what that -- what</p> <p>20 that confers to me or what it doesn't. I mean,</p> <p>21 that is my signature on the notes.</p> <p>22 Q. And you believed you were authorized</p> <p>23 to sign the notes; is that fair?</p> <p>24 A. I signed a lot of documents in my</p> <p>25 capacity, just because it is operational in</p>
<p style="text-align: right;">Page 144</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 nature. So, you know, to me this was just</p> <p>3 another document, to be perfectly honest.</p> <p>4 Q. Sir, would you have signed</p> <p>5 promissory notes with the principal amount of</p> <p>6 \$7.4 million if you didn't believe you were</p> <p>7 authorized to do so?</p> <p>8 MS. DANDENEAU: Objection to form.</p> <p>9 Q. Are you frozen?</p> <p>10 A. No. I'm just -- you know, it is --</p> <p>11 you know, again, I typically don't sign</p> <p>12 promissory notes, and I don't recall why I</p> <p>13 signed these, but -- you know, but I did.</p> <p>14 Q. All right. So listen carefully to</p> <p>15 my question. Would you have ever signed</p> <p>16 promissory notes with a face amount of</p> <p>17 \$7.4 million without believing that you were</p> <p>18 authorized to do so?</p> <p>19 A. No. I mean, I'm -- I'm putting my</p> <p>20 signature on there, so no.</p> <p>21 Q. Okay. And would you have signed two</p> <p>22 promissory notes obligating HCMFA to pay</p> <p>23 Highland \$7.4 million without Mr. Dondero's</p> <p>24 prior knowledge and approval?</p> <p>25 MS. DEITSCH-PEREZ: Object to the</p>	<p style="text-align: right;">Page 145</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 form.</p> <p>3 A. You know, from -- from what I recall</p> <p>4 around these notes, you know, I don't recall</p> <p>5 specifically Mr. -- Mr. Dondero saying to -- to</p> <p>6 make this a loan.</p> <p>7 So my conversation with Mr. Dondero</p> <p>8 around the culmination of the NAV error as</p> <p>9 related to TerreStar which was a -- a -- I</p> <p>10 think it was a year and a half process. I</p> <p>11 don't know, it was a multi-month process, very</p> <p>12 laborious, very difficult.</p> <p>13 When we got to the end, I had a</p> <p>14 conversation with Mr. Dondero on where to, you</p> <p>15 know, basically get the funds to reimburse the</p> <p>16 fund, and I recall him saying, get the money</p> <p>17 from Highland.</p> <p>18 Q. And so he told you to get the money</p> <p>19 from Highland; is that right?</p> <p>20 A. That is what I recall -- in my</p> <p>21 conversation with him, that is -- that is what</p> <p>22 I can recall.</p> <p>23 Q. Do you know who drafted these notes?</p> <p>24 A. I don't.</p> <p>25 Q. Did you ask somebody to draft the</p>

<p style="text-align: right;">Page 146</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 notes?</p> <p>3 A. I didn't ask – I don't specifically</p> <p>4 ask people to draft notes really. I mean,</p> <p>5 again, you know, the legal group at Highland is</p> <p>6 responsible and has always been responsible for</p> <p>7 drafting promissory notes.</p> <p>8 Q. So based on your – based on the</p> <p>9 practice, you believe that somebody from the</p> <p>10 Highland's legal department would have drafted</p> <p>11 these notes. Do I have that right?</p> <p>12 MS. DEITSCH-PEREZ: Object to the</p> <p>13 form. John, I also asked you for the Word</p> <p>14 versions of these notes so we could look at</p> <p>15 the properties, and you have not provided</p> <p>16 them. Are you intending to?</p> <p>17 MR. MORRIS: No.</p> <p>18 Q. Can you answer my question, sir?</p> <p>19 A. Again, I –</p> <p>20 MS. DANDENEAU: Do you want him to</p> <p>21 repeat it?</p> <p>22 A. Yeah, why don't you repeat it?</p> <p>23 Q. Sure. Mr. Waterhouse, based on the</p> <p>24 practice that you have described in your</p> <p>25 understanding, do you believe that these notes</p>	<p style="text-align: right;">Page 147</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 would have been drafted by somebody in the</p> <p>3 legal department?</p> <p>4 MS. DEITSCH-PEREZ: Object to the</p> <p>5 form.</p> <p>6 A. Yes.</p> <p>7 Q. Okay. And do you know who would</p> <p>8 have instructed – do you have any knowledge as</p> <p>9 to who would have instructed the legal</p> <p>10 department to draft these notes?</p> <p>11 MS. DEITSCH-PEREZ: Object to the</p> <p>12 form.</p> <p>13 A. It was whoever was working – I</p> <p>14 mean, it was likely someone on the team. I</p> <p>15 mean, I don't remember exactly on every note or</p> <p>16 every document, but, again, a lot of these</p> <p>17 things of this nature – they're operational in</p> <p>18 nature – were handled by the team.</p> <p>19 The team knows to – I mean, we</p> <p>20 don't draft documents. We're not lawyers.</p> <p>21 We're not attorneys. It is not what I do or</p> <p>22 accountants do.</p> <p>23 So they are always instructed to go</p> <p>24 and – and go to the legal team to get</p> <p>25 documents like this drafted. Also, when you go</p>
<p style="text-align: right;">Page 148</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 to the legal team, the – you know, we always</p> <p>3 loop in compliance. And compliance – when you</p> <p>4 go to the legal team, compliance is part of</p> <p>5 legal team. They're made aware of – of – of</p> <p>6 these types of transactions.</p> <p>7 Q. And do you believe that you had</p> <p>8 the – withdrawn.</p> <p>9 Did you ever tell Mr. Dondero –</p> <p>10 (inaudible) – did you see those?</p> <p>11 A. Sorry.</p> <p>12 MS. DEITSCH-PEREZ: I did not hear</p> <p>13 the end of that question.</p> <p>14 Q. Did you ever tell Mr. Dondero that</p> <p>15 you signed these two notes?</p> <p>16 A. I don't recall ever – no, I don't</p> <p>17 recall having a conversation with him.</p> <p>18 Q. Did you ever discuss these two notes</p> <p>19 with him at any time?</p> <p>20 A. The conversation, I recall, was what</p> <p>21 I described earlier. And that is the only time</p> <p>22 I recall ever discussing this.</p> <p>23 Q. Okay. But the corporate accounting</p> <p>24 group had a copy of this – of these two notes.</p> <p>25 And pursuant to the audit process, the</p>	<p style="text-align: right;">Page 149</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 corporate accounting group gave the two notes</p> <p>3 to PricewaterhouseCoopers in connection with</p> <p>4 the audit; correct?</p> <p>5 MS. DANDENEAU: Objection to form.</p> <p>6 A. Yes. I mean, that is – yeah, I</p> <p>7 mean, they – unless the legal team can also</p> <p>8 retain copies of items like this. I mean, I</p> <p>9 don't know everything that they would retain as</p> <p>10 well.</p> <p>11 The legal team would also, if they</p> <p>12 had documents as part of audits, turn that over</p> <p>13 to the auditors as well. So it could have been</p> <p>14 the corporate accounting team. It could be</p> <p>15 someone on the legal team.</p> <p>16 Q. All right. So you didn't – you</p> <p>17 didn't draft this note; right?</p> <p>18 A. I – I – I did not.</p> <p>19 Q. But somebody at Highland did; is</p> <p>20 that fair?</p> <p>21 MS. DEITSCH-PEREZ: Object to the</p> <p>22 form.</p> <p>23 A. I don't know. I mean, we can go to</p> <p>24 the legal team. I don't – I'm not sitting</p> <p>25 behind someone in legal. Maybe they went to</p>

<p style="text-align: right;">Page 150</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 outside counsel. I have no idea.</p> <p>3 Q. Did you have any reason to believe</p> <p>4 you weren't authorized to sign this note,</p> <p>5 either of these two notes?</p> <p>6 A. I think I have already answered that</p> <p>7 question.</p> <p>8 Q. Okay. You didn't give these notes</p> <p>9 to PricewaterhouseCoopers; correct?</p> <p>10 MS. DANDENEAU: Objection to form.</p> <p>11 A. I don't recall giving these to</p> <p>12 PricewaterhouseCoopers.</p> <p>13 Q. And in the practice that you have</p> <p>14 described, somebody in the corporate accounting</p> <p>15 group would have given these two notes to</p> <p>16 PricewaterhouseCoopers; correct?</p> <p>17 MS. DANDENEAU: Objection to form.</p> <p>18 A. I think I've answered that. I said</p> <p>19 either the corporate accounting team or maybe</p> <p>20 the legal team.</p> <p>21 MR. MORRIS: Okay. Why don't we</p> <p>22 take our lunch break here.</p> <p>23 VIDEOGRAPHER: We're going off the</p> <p>24 record at 1:04 p.m.</p> <p>25 (Recess taken 1:04 p.m. to 1:49 p.m.)</p>	<p style="text-align: right;">Page 151</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 VIDEOGRAPHER: We are back on the</p> <p>3 record at 1:49 p.m.</p> <p>4 Q. Mr. Waterhouse, did you speak with</p> <p>5 anybody during the break about the substance of</p> <p>6 this deposition?</p> <p>7 A. I spoke to -- to Deb and Michelle.</p> <p>8 Q. About the substance of the</p> <p>9 deposition?</p> <p>10 A. Yes.</p> <p>11 Q. Can you tell me what you talked</p> <p>12 about?</p> <p>13 MS. DANDENEAU: No. We object on</p> <p>14 the basis of privilege.</p> <p>15 Q. Okay. You are going to follow your</p> <p>16 counsel's objection here?</p> <p>17 A. Yes.</p> <p>18 Q. Okay.</p> <p>19 MR. MORRIS: Can we put up on the</p> <p>20 screen Exhibit 35.</p> <p>21 (Exhibit 35 marked.)</p> <p>22 Q. Are you able to see that document,</p> <p>23 sir?</p> <p>24 A. Yes.</p> <p>25 Q. Have you ever seen an incumbency</p>
<p style="text-align: right;">Page 152</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 certificate before?</p> <p>3 A. I have.</p> <p>4 Q. Do you have a general understanding</p> <p>5 of what an incumbency certificate is?</p> <p>6 A. I have a general understanding.</p> <p>7 Q. What is your general understanding?</p> <p>8 A. You know, those -- my general</p> <p>9 understanding is that the incumbency</p> <p>10 certificate basically lists folks that can --</p> <p>11 are like authorized signers.</p> <p>12 Q. Okay. And do you see that this is</p> <p>13 an incumbency certificate for Highland Capital</p> <p>14 Management Fund Advisors, L.P.?</p> <p>15 A. Yes.</p> <p>16 Q. Okay. And if we could scroll down</p> <p>17 just a little bit, do you see that it's dated</p> <p>18 effective as of April 11th, 2019?</p> <p>19 A. Yes, I see that.</p> <p>20 Q. Okay. And is that your signature in</p> <p>21 the middle of the signature block?</p> <p>22 A. Yes, it is.</p> <p>23 Q. And by signing it, did you accept</p> <p>24 appointment as the treasurer of HCMFA effective</p> <p>25 as of April 11th, 2019?</p>	<p style="text-align: right;">Page 153</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. Again, I'm not the legal -- I don't</p> <p>3 know if this makes me the treasurer or the</p> <p>4 appointment. I don't know -- I don't know</p> <p>5 that, so I don't -- I don't know if that</p> <p>6 document -- again, I think -- again, I'm not</p> <p>7 the legal expert. I think isn't there --</p> <p>8 aren't there other legal documents that detail</p> <p>9 who the officers are that could be incorporated</p> <p>10 or things like that? Again, I don't want to</p> <p>11 play armchair attorney here.</p> <p>12 Q. I'm not asking you for a legal</p> <p>13 conclusion. I'm asking you for your knowledge</p> <p>14 and understanding. When you signed this</p> <p>15 document, did you understand that you were</p> <p>16 accepting an appointment as the treasurer of</p> <p>17 HCMFA?</p> <p>18 MS. DANDENEAU: Objection to form.</p> <p>19 MS. DEITSCH-PEREZ: Objection, form.</p> <p>20 A. Again, I don't think this -- that</p> <p>21 wasn't my understanding. I don't think this</p> <p>22 makes -- this document makes me the treasurer.</p> <p>23 Q. What do you think this document --</p> <p>24 why did you sign this document?</p> <p>25 MS. DEITSCH-PEREZ: Objection to</p>

<p style="text-align: right;">Page 154</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 form.</p> <p>3 MR. MORRIS: You're objecting to the</p> <p>4 form of the question when I asked him why</p> <p>5 did you sign the document? What is the</p> <p>6 basis for the objection?</p> <p>7 MS. DEITSCH-PEREZ: Because, John, I</p> <p>8 think that it does call for a legal</p> <p>9 conclusion other than -- with him saying</p> <p>10 because somebody told me to sign this</p> <p>11 document. But if you want to go there,</p> <p>12 that is fine.</p> <p>13 MR. MORRIS: Okay.</p> <p>14 MS. DANDENEAU: I don't think --</p> <p>15 he's already said he's not a lawyer.</p> <p>16 MR. MORRIS: I'll allow the witness</p> <p>17 to answer this question.</p> <p>18 Q. Why did you sign this document, sir?</p> <p>19 A. I mean, our -- our legal group would</p> <p>20 bring by these incumbency certificates from</p> <p>21 time to time. I have no idea why they're being</p> <p>22 updated, and I was asked to sign.</p> <p>23 Q. Did you ask anybody, what is this</p> <p>24 document?</p> <p>25 A. No.</p>	<p style="text-align: right;">Page 155</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Did anybody tell you why they needed</p> <p>3 you to sign the document?</p> <p>4 A. Not that I can recall.</p> <p>5 Q. You testified earlier that you</p> <p>6 understood that you served as the acting</p> <p>7 treasurer for HCMFA; correct?</p> <p>8 A. Yes.</p> <p>9 Q. How did you become the acting</p> <p>10 treasurer of HCMFA?</p> <p>11 MS. DANDENEAU: Objection to form.</p> <p>12 A. I don't -- I don't know the legal --</p> <p>13 I don't know the legal mechanic of how I became</p> <p>14 the acting treasurer.</p> <p>15 Q. I'm not asking for the legal</p> <p>16 mechanic. I'm asking you as the person who</p> <p>17 is --</p> <p>18 MS. DANDENEAU: John, you said --</p> <p>19 MR. MORRIS: Stop.</p> <p>20 MS. DANDENEAU: -- how did you</p> <p>21 become the treasurer. That is --</p> <p>22 MR. MORRIS: Please stop.</p> <p>23 MS. DANDENEAU: That is a legal</p> <p>24 question.</p> <p>25 MR. MORRIS: I am not asking any</p>
<p style="text-align: right;">Page 156</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 legal questions, to be clear. I'm asking</p> <p>3 for this witness' understanding as to how</p> <p>4 he became the acting treasurer of HCMFA.</p> <p>5 If he doesn't know, he can say he doesn't</p> <p>6 know, but this legal stuff is nonsense, and</p> <p>7 I really object to it.</p> <p>8 Q. Sir, I'm asking you a very simple</p> <p>9 question.</p> <p>10 MS. DANDENEAU: Argumentative.</p> <p>11 Q. You testified -- you testified that</p> <p>12 you became the acting treasurer of HCM --</p> <p>13 HCMFA; correct?</p> <p>14 A. Yes.</p> <p>15 Q. How did that happen?</p> <p>16 MS. DANDENEAU: Again, object to</p> <p>17 form.</p> <p>18 MR. MORRIS: I can't wait to do this</p> <p>19 in a courtroom. Good God.</p> <p>20 Q. Go ahead, sir.</p> <p>21 A. I don't know the exact process of</p> <p>22 how that happened.</p> <p>23 Q. Do you have any idea whether signing</p> <p>24 this document was part of the process?</p> <p>25 MR. MORRIS: You know what --</p>	<p style="text-align: right;">Page 157</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 MS. DANDENEAU: Objection.</p> <p>3 MR. MORRIS: -- withdrawn. You guys</p> <p>4 want to do this, I can't wait. I can't</p> <p>5 wait. This is the craziest stuff ever.</p> <p>6 MS. DANDENEAU: John, he said he's</p> <p>7 not a lawyer, and you are asking him for a</p> <p>8 legal conclusion, and he says he doesn't</p> <p>9 know, and you persist.</p> <p>10 MR. MORRIS: Okay.</p> <p>11 MS. DANDENEAU: So you can ask these</p> <p>12 questions --</p> <p>13 MR. MORRIS: Did anyone -- please</p> <p>14 stop talking.</p> <p>15 MS. DANDENEAU: -- at another</p> <p>16 point -- no, no, no, I'm entitled to talk,</p> <p>17 too; right? If you're going to make these</p> <p>18 accusations as if we're trying to stonewall</p> <p>19 you, this is not the witness to ask that</p> <p>20 question.</p> <p>21 MR. MORRIS: I can't -- I can't</p> <p>22 wait -- I can't wait to do this in a</p> <p>23 courtroom. I will just leave it at that.</p> <p>24 MS. DANDENEAU: That's right, I'm</p> <p>25 sure you can't.</p>

<p style="text-align: right;">Page 158</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Did anyone ever tell you, sir, that</p> <p>3 even though you were the acting treasurer of</p> <p>4 HCMFA, that you were not authorized to sign the</p> <p>5 two promissory notes that we looked at before</p> <p>6 lunch?</p> <p>7 A. I'm not sure I understand the</p> <p>8 question. I wasn't – I mean, I'm – I'm the</p> <p>9 current acting treasurer.</p> <p>10 Q. Did anybody ever tell you at any</p> <p>11 time that even though you were the acting</p> <p>12 treasurer of HCMFA, that you were not</p> <p>13 authorized to sign the two promissory notes</p> <p>14 that we looked at before lunch?</p> <p>15 MS. DANDENEAU: Objection to form.</p> <p>16 A. Not that I recall.</p> <p>17 Q. Did anybody ever tell you at any</p> <p>18 time that you were not authorized to sign the</p> <p>19 two promissory notes that we looked at before</p> <p>20 lunch?</p> <p>21 A. Not that I recall.</p> <p>22 Q. Did anybody ever tell you at any</p> <p>23 time that you should not have signed the two</p> <p>24 promissory notes that we looked at before</p> <p>25 lunch?</p>	<p style="text-align: right;">Page 159</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. Not that I recall.</p> <p>3 Q. Did you ever tell anybody at any</p> <p>4 time that you weren't authorized to sign the</p> <p>5 two promissory notes that we looked at before</p> <p>6 lunch?</p> <p>7 A. Not that I recall.</p> <p>8 Q. Did you ever tell anybody at any</p> <p>9 time that you made a mistake when you signed</p> <p>10 the two promissory notes that we looked at</p> <p>11 before lunch?</p> <p>12 A. Not that I recall.</p> <p>13 Q. As you sit here right now, do you</p> <p>14 have any reason to believe that you were not</p> <p>15 authorized to sign the two documents that we</p> <p>16 looked at before lunch?</p> <p>17 MS. DANDENEAU: Objection to form.</p> <p>18 A. If – if this is the – the valid</p> <p>19 incumbency certificate, I mean, this does –</p> <p>20 this does detail who the signers are.</p> <p>21 Q. Okay. And looking at that document,</p> <p>22 does that give you comfort that you were</p> <p>23 authorized to sign the two promissory notes</p> <p>24 that we looked at before lunch?</p> <p>25 MS. DEITSCH-PEREZ: Object to the</p>
<p style="text-align: right;">Page 160</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 form.</p> <p>3 MS. DANDENEAU: Objection, form.</p> <p>4 A. Yes.</p> <p>5 Q. As of October 20th – withdrawn.</p> <p>6 I'm trying to take your mind back to</p> <p>7 a year ago, October 2020. Do you recall at</p> <p>8 that time that the boards of the retail funds</p> <p>9 were making inquiries about obligations that</p> <p>10 were owed by the advisors to Highland in</p> <p>11 connection with their 15(c) review?</p> <p>12 MS. DANDENEAU: Objection to form.</p> <p>13 A. I don't – I don't recall.</p> <p>14 Q. As of October 2020, you had no</p> <p>15 reason to believe you weren't authorized to</p> <p>16 sign the two promissory notes that we just</p> <p>17 looked at; correct?</p> <p>18 MS. DANDENEAU: Objection, form.</p> <p>19 MS. DEITSCH-PEREZ: Objection to</p> <p>20 form.</p> <p>21 A. I didn't think about it in October</p> <p>22 of 2020, but I mean –</p> <p>23 Q. Did you have any reason to believe</p> <p>24 at that time that you weren't authorized to</p> <p>25 sign the two notes that we just looked at?</p>	<p style="text-align: right;">Page 161</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. Not that I'm aware, no.</p> <p>3 Q. Did you have any reason to believe a</p> <p>4 year ago that you made a mistake when you</p> <p>5 signed those two notes?</p> <p>6 A. Not that I'm aware.</p> <p>7 Q. A year ago you believed that HCMFA</p> <p>8 owed Highland the unpaid principal amounts that</p> <p>9 were due under those two notes; correct?</p> <p>10 A. They're – they're promissory notes</p> <p>11 that were – as you presented, that were –</p> <p>12 that were executed. Whether they're valid or</p> <p>13 if there's other reasons, I didn't – I don't</p> <p>14 know.</p> <p>15 Q. I'm not asking you whether they're</p> <p>16 valid or not. I'm asking you for your state of</p> <p>17 mind. A year ago you believed that HCMFA</p> <p>18 was – was obligated to pay the unpaid</p> <p>19 principal amount under the two notes that you</p> <p>20 signed; correct?</p> <p>21 A. Yeah, I'm – I'm – yes.</p> <p>22 Q. Thank you. Are you aware – you're</p> <p>23 aware that – that in 2017, NexPoint issued a</p> <p>24 note in favor of Highland in the approximate</p> <p>25 amount of \$30 million; correct?</p>

<p style="text-align: right;">Page 162</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. I'm – I'm – I'm generally aware.</p> <p>3 Q. Okay. And are you generally aware</p> <p>4 that from time to time, after the note was</p> <p>5 issued by NexPoint, that moneys were applied to</p> <p>6 principal and interest that were due under the</p> <p>7 NexPoint note?</p> <p>8 A. Yes, I'm generally aware.</p> <p>9 Q. Okay. And did anybody ever tell you</p> <p>10 that the payments that were made against the</p> <p>11 NexPoint notes were made by mistake?</p> <p>12 A. Yes.</p> <p>13 Q. And is it the one payment that we</p> <p>14 talked about earlier today?</p> <p>15 A. We talked about a lot of things</p> <p>16 today. What payment are we talking about?</p> <p>17 Q. Okay. Who told you that any payment</p> <p>18 made against the NexPoint note was made by</p> <p>19 mistake?</p> <p>20 A. D.C. Sauter.</p> <p>21 Q. When did Mr. Sauter tell you that?</p> <p>22 A. I don't – I don't remember</p> <p>23 specifically.</p> <p>24 Q. Do you remember what payments –</p> <p>25 A. Sometime – sometime this year.</p>	<p style="text-align: right;">Page 163</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Sometime in 2021?</p> <p>3 A. Yes.</p> <p>4 Q. Do you remember what payment he was</p> <p>5 referring to?</p> <p>6 A. It was the – the payment made in</p> <p>7 January of 2021 or – yeah, January of – of</p> <p>8 this – January of 2021.</p> <p>9 Q. Okay. So did anybody ever tell you</p> <p>10 at any time that any payment that was made</p> <p>11 against principal –</p> <p>12 A. And – and – and – hold on, and it</p> <p>13 may have been other – again, it may have been</p> <p>14 that payment or – or there may have been what</p> <p>15 he was explaining, a misapplication of prior</p> <p>16 payments as well.</p> <p>17 Q. Can you – can you give me any</p> <p>18 specificity – withdrawn.</p> <p>19 Withdrawn. Can you tell me</p> <p>20 everything that Mr. Sauter told you about –</p> <p>21 about errors in relation to payments made</p> <p>22 against principal and interest due under the</p> <p>23 NexPoint note?</p> <p>24 MS. DANDENEAU: Can I just –</p> <p>25 MR. RUKAVINA: Hold on. Hold on.</p>
<p style="text-align: right;">Page 164</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 I'm going to object here, and I'm going to</p> <p>3 instruct the witness not to answer</p> <p>4 depending on the discussion that you had –</p> <p>5 Mr. Waterhouse, I'm the lawyer for</p> <p>6 NexPoint, and as everyone here knows, D.C.</p> <p>7 Sauter is in-house counsel.</p> <p>8 So if you and Mr. Sauter were having</p> <p>9 a factual discussion and him preparing his</p> <p>10 affidavit, et cetera, then go ahead and</p> <p>11 answer that. But if you were having a</p> <p>12 discussion as to our legal strategy in this</p> <p>13 lawsuit, or anything having to do with</p> <p>14 that, then do not answer that.</p> <p>15 And if you need to talk to either</p> <p>16 your counsel or me about that, then we need</p> <p>17 to have that discussion now.</p> <p>18 A. Okay. Yeah, I don't – I don't</p> <p>19 really know how to make that distinction, so</p> <p>20 maybe I need to talk to counsel before I</p> <p>21 answer, or if I can answer.</p> <p>22 Q. Let me just ask you this question:</p> <p>23 Did – did you have any conversation with</p> <p>24 Mr. Sauter about any payment of principal and</p> <p>25 interest prior to the time that you left</p>	<p style="text-align: right;">Page 165</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Highland's employment, or did it happen after</p> <p>3 you left Highland's employment?</p> <p>4 A. I don't – I don't recall if – I</p> <p>5 don't recall. I mean, it was sometime in 2021.</p> <p>6 I don't remember if it was before or after I</p> <p>7 was let go from Highland.</p> <p>8 Q. Okay. So – so nobody told you</p> <p>9 prior to 2021 that any error or mistake was</p> <p>10 made in the application of payments against</p> <p>11 principal and interest due on the NexPoint</p> <p>12 note. Do I have that right?</p> <p>13 A. Yeah, I don't – I don't recall this</p> <p>14 being in 2020.</p> <p>15 Q. Okay. And it didn't happen in 2019;</p> <p>16 correct?</p> <p>17 A. I don't recall that happened.</p> <p>18 Q. And it didn't happen in 2018;</p> <p>19 correct?</p> <p>20 A. I don't – I don't recall that</p> <p>21 happening.</p> <p>22 Q. And it didn't happen in 2017;</p> <p>23 correct?</p> <p>24 A. I don't recall.</p> <p>25 Q. But – but you believe the</p>

<p style="text-align: right;">Page 166</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 conversation took place in 2021. You just</p> <p>3 don't remember if it was before or after you</p> <p>4 left Highland's employment. Do I have that</p> <p>5 right?</p> <p>6 A. It was sometime this year. I</p> <p>7 don't – I don't remember.</p> <p>8 Q. Okay. Did you report this</p> <p>9 conversation to Mr. Seery at any point?</p> <p>10 A. I don't believe so.</p> <p>11 Q. Did you report this conversation to</p> <p>12 anybody at DSI at any time?</p> <p>13 A. I don't recall.</p> <p>14 Q. Do you have – you don't have a</p> <p>15 recollection of ever doing that; correct?</p> <p>16 A. Yeah, that's right. I don't recall</p> <p>17 doing that.</p> <p>18 Q. Do you recall telling anybody at</p> <p>19 Pachulski Stang about the conversation you</p> <p>20 recall with Mr. Sauter?</p> <p>21 A. No, I don't – I don't recall.</p> <p>22 Q. Did you tell any of the independent</p> <p>23 board members about your conversation with</p> <p>24 Mr. Sauter?</p> <p>25 A. I don't recall.</p>	<p style="text-align: right;">Page 167</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Did you tell any of the employees at</p> <p>3 Highland before you left Highland's employment</p> <p>4 about this call that you had with Mr. Sauter?</p> <p>5 MS. DANDENEAU: Objection to form.</p> <p>6 A. No, I don't – no, I don't recall.</p> <p>7 Q. NexPoint – to the best of your</p> <p>8 knowledge, did NexPoint ever file a proof of</p> <p>9 claim against Highland to try to recover moneys</p> <p>10 that were mistakenly paid against the principal</p> <p>11 and interest due under the note?</p> <p>12 A. Okay. Hold on. You are saying did</p> <p>13 NexPoint Advisors file a proof of claim to</p> <p>14 Highland for errors related to payments under</p> <p>15 the NexPoint note to Highland?</p> <p>16 Q. Correct.</p> <p>17 A. I'm – I'm – I'm not – I'm not</p> <p>18 aware.</p> <p>19 Q. Are you aware –</p> <p>20 A. I'm not the legal person here, I</p> <p>21 don't know.</p> <p>22 Q. I'm just asking for your knowledge,</p> <p>23 sir.</p> <p>24 A. Yeah, I don't know. I'm not aware.</p> <p>25 Q. Are you aware of any claim of any</p>
<p style="text-align: right;">Page 168</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 kind that NexPoint has ever made to try to</p> <p>3 recover the amounts that it contends were – or</p> <p>4 that Mr. Sauter contend were mistakenly applied</p> <p>5 against principal and interest due under the</p> <p>6 NexPoint note?</p> <p>7 A. I'm not aware.</p> <p>8 MS. DANDENEAU: Objection to form.</p> <p>9 Q. Okay. The advisors' agreements with</p> <p>10 the retail funds are subject to annual renewal;</p> <p>11 correct?</p> <p>12 A. Yes.</p> <p>13 Q. And do you participate in the</p> <p>14 renewal process each year?</p> <p>15 A. Yes.</p> <p>16 Q. What role do you play in the renewal</p> <p>17 process?</p> <p>18 A. I'm – I'm asked by the retail board</p> <p>19 to walk-through the advisors financials.</p> <p>20 Q. And do you do that in the context of</p> <p>21 a board meeting?</p> <p>22 A. Yes, it is – yes, it is typically</p> <p>23 done in a board meeting.</p> <p>24 Q. And do you recall the time –</p> <p>25 does – does the renewal process happen around</p>	<p style="text-align: right;">Page 169</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 the same time each year?</p> <p>3 A. Yes, it is – it is around the same</p> <p>4 time every year.</p> <p>5 Q. And what – what time period of the</p> <p>6 year does the renewal process occur?</p> <p>7 A. Approximately the September</p> <p>8 timeframe.</p> <p>9 Q. During that process, in your</p> <p>10 experience, does the board typically conduct</p> <p>11 its own diligence and ask for information?</p> <p>12 A. Does the board ask for lots of – I</p> <p>13 mean, just – I mean, lots of information as a</p> <p>14 part of that – that – as part of that board</p> <p>15 meeting and that process.</p> <p>16 Q. Okay. And do you recall that the</p> <p>17 process in 2020 spilled into October?</p> <p>18 A. Yes. Yes.</p> <p>19 Q. Okay. And as part of the process in</p> <p>20 2020, the retail board asked – asked what are</p> <p>21 referred to as 15(c) questions; right?</p> <p>22 A. I guess I don't want to be – they</p> <p>23 asked 15(c) – are you saying they asked 15(c)</p> <p>24 questions and this is why it went into October</p> <p>25 or –</p>

<p style="text-align: right;">Page 170</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. No, I apologize.</p> <p>3 Do you have an understanding of</p> <p>4 what – of what 15(c) refers to in the context</p> <p>5 of the annual renewal process?</p> <p>6 A. Yes, generally.</p> <p>7 Q. All right. What is your general</p> <p>8 understanding of the term "15(c)" in the</p> <p>9 context of the annual renewal process?</p> <p>10 A. I – I think 15(c) is the section</p> <p>11 that – that – you know, that – that the</p> <p>12 board has to evaluate every year, the retail</p> <p>13 board. They have to, you know, go through,</p> <p>14 evaluate, and go through that approval process</p> <p>15 on a yearly basis.</p> <p>16 Q. Okay.</p> <p>17 MR. MORRIS: Can we put up on the</p> <p>18 screen Exhibit 36, please.</p> <p>19 (Exhibit 36 marked.)</p> <p>20 MR. MORRIS: I guess let's just</p> <p>21 start at the bottom so Mr. Waterhouse can</p> <p>22 see what is here.</p> <p>23 Q. You see this begins with an email</p> <p>24 from Blank Rome to a number of people.</p> <p>25 MR. MORRIS: And if we can scroll</p>	<p style="text-align: right;">Page 171</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 up – keep going just a little bit.</p> <p>3 Q. You will see that there is an email</p> <p>4 from Lauren Thedford to Thomas Surgent and</p> <p>5 others where she reports that she was attaching</p> <p>6 and reproducing below additional 15(c)</p> <p>7 follow-up questions from the board.</p> <p>8 Do you see that?</p> <p>9 A. Yes.</p> <p>10 Q. And do you see Question No. 2 asks</p> <p>11 whether there are any material outstanding</p> <p>12 amounts currently payable or due in the future</p> <p>13 (e.g., notes) to HCMLP by HCMFA or NexPoint</p> <p>14 Advisors or any other affiliate that provides</p> <p>15 services to the funds?</p> <p>16 Do you see that?</p> <p>17 A. Yes.</p> <p>18 Q. And – and did you – do you recall</p> <p>19 that in – in October of 2020 the retail boards</p> <p>20 were asking for that information?</p> <p>21 A. I don't recall it, but there –</p> <p>22 they're obviously asking in this email.</p> <p>23 Q. Okay.</p> <p>24 MR. MORRIS: Can we scroll up a</p> <p>25 little bit, please.</p>
<p style="text-align: right;">Page 172</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. And then do you see that</p> <p>3 Ms. Thedford includes you on the email string</p> <p>4 on Tuesday, October 6th, at 5:52?</p> <p>5 A. Yes.</p> <p>6 Q. And she asks you and Dave Klos and</p> <p>7 Kristin Hendrix for advice on that particular</p> <p>8 Request No. 2 that I have just read; right?</p> <p>9 A. Yes.</p> <p>10 Q. Okay. Can you tell me who</p> <p>11 Ms. Thedford is?</p> <p>12 A. She was an attorney that was in the</p> <p>13 legal group.</p> <p>14 Q. At Highland Capital Management,</p> <p>15 L.P.?</p> <p>16 A. I'm – I'm – I'm – I don't</p> <p>17 remember if she was an employee of Highland or</p> <p>18 any of the advisors.</p> <p>19 Q. Okay. Do you know if she served as</p> <p>20 the corporate secretary for both HCMFA and</p> <p>21 NexPoint?</p> <p>22 A. Yes.</p> <p>23 Q. And – okay.</p> <p>24 Do you know whether Ms. Thedford</p> <p>25 held any positions in relation to the retail</p>	<p style="text-align: right;">Page 173</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 funds as we defined that term?</p> <p>3 A. Yes.</p> <p>4 Q. What is your understanding of the</p> <p>5 positions that Ms. Thedford held at the retail</p> <p>6 funds?</p> <p>7 A. I – I recall her being an officer.</p> <p>8 I don't recall her title.</p> <p>9 Q. Okay. Is she still an officer at</p> <p>10 any of the retail funds today?</p> <p>11 A. No.</p> <p>12 Q. Do you know when she ceased to be an</p> <p>13 officer of the retail funds?</p> <p>14 A. Approximately.</p> <p>15 Q. And when did she approximately cease</p> <p>16 to be an officer of the retail funds?</p> <p>17 A. It was in – it was in early of</p> <p>18 2021.</p> <p>19 Q. Okay. Do you know when she became</p> <p>20 an officer of the retail funds?</p> <p>21 A. I don't recall.</p> <p>22 Q. To the best of your recollection,</p> <p>23 was she an officer of the retail funds in</p> <p>24 October of 2020?</p> <p>25 A. I believe so.</p>

<p style="text-align: right;">Page 174</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Okay. Do you know what title she</p> <p>3 held in her capacity as an officer, if any?</p> <p>4 A. I told you I don't remember.</p> <p>5 Q. Okay. So she sends this email to</p> <p>6 you at 5:52 p.m. on October 6th.</p> <p>7 And if we can scroll up to the</p> <p>8 response, you responded a minute later with a</p> <p>9 one-word answer. Yes.</p> <p>10 Do you see that?</p> <p>11 A. Yes.</p> <p>12 Q. And – and yes is – yes was in</p> <p>13 response to the retail board's Question No. 2,</p> <p>14 right, whether there are any material</p> <p>15 outstanding amounts currently payable or due in</p> <p>16 the future?</p> <p>17 A. Yes.</p> <p>18 MR. MORRIS: And can we scroll up to</p> <p>19 see what happened next.</p> <p>20 Q. So Ms. Thedford writes back to you a</p> <p>21 few minutes later and she asks whether you</p> <p>22 could provide the amounts.</p> <p>23 Do you see that?</p> <p>24 A. Yes.</p> <p>25 Q. And then you respond further and you</p>	<p style="text-align: right;">Page 175</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 refer her to the balance sheet that was</p> <p>3 provided to the board as part of the 15(c)</p> <p>4 materials.</p> <p>5 Do you see that?</p> <p>6 A. Yes.</p> <p>7 Q. And – and did the advisors provide</p> <p>8 to the board certain balance sheets in 2020 in</p> <p>9 connection with the 15(c) review?</p> <p>10 A. Yes, they did.</p> <p>11 Q. Okay. And were the amounts that</p> <p>12 were outstanding or that were to be due in the</p> <p>13 future by the advisors to Highland included in</p> <p>14 the liability section of the balance sheet that</p> <p>15 was given to the retail board?</p> <p>16 A. Yes. Notes would be reflected as</p> <p>17 liabilities.</p> <p>18 Q. Okay. And –</p> <p>19 A. If I'm understanding your question</p> <p>20 correctly.</p> <p>21 Q. You are. And – and – and those</p> <p>22 liabilities you – you were – you believed</p> <p>23 were responsive to the retail board's question;</p> <p>24 correct?</p> <p>25 A. Yes.</p>
<p style="text-align: right;">Page 176</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Okay. And then if we can scroll up,</p> <p>3 you see Ms. Thedford responds to you</p> <p>4 nine minutes later with a draft response.</p> <p>5 Do you see that?</p> <p>6 A. Yes.</p> <p>7 Q. And she says that she is taking from</p> <p>8 the 6/30 financials certain information about</p> <p>9 amounts that were due to HCMFP and affiliates</p> <p>10 as of June 30th, 2020.</p> <p>11 Do you see that?</p> <p>12 A. I do.</p> <p>13 Q. Okay. And did you believe, as the</p> <p>14 treasurer of NexPoint and HCMFA and as the CFO</p> <p>15 of Highland, that the information that</p> <p>16 Ms. Thedford obtained from the 6/30 financials</p> <p>17 was accurate and responsive in relation to the</p> <p>18 retail fund board's question?</p> <p>19 A. I just want to make sure I</p> <p>20 understand the question.</p> <p>21 Are you saying that the financial</p> <p>22 information provided to the retail board as</p> <p>23 part of the 15(c) process, which included</p> <p>24 financial statements as of June 30th of 2021,</p> <p>25 did I feel like those were responsive to their</p>	<p style="text-align: right;">Page 177</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 questions?</p> <p>3 Q. Yes.</p> <p>4 A. Yes.</p> <p>5 Q. Thank you.</p> <p>6 MS. DEITSCH-PEREZ: John, it is not</p> <p>7 in the chat yet. Can you just make sure it</p> <p>8 gets put in there.</p> <p>9 MR. MORRIS: Sure.</p> <p>10 MS. CANTY: I put it in there. I</p> <p>11 think maybe I just sent it directly, so let</p> <p>12 me make sure it says to everyone. But I</p> <p>13 did put it in there. I will try again.</p> <p>14 MR. MORRIS: Thank you, La Asia.</p> <p>15 MS. DANDENEAU: What number is it.</p> <p>16 MR. MORRIS: What, the Bates number?</p> <p>17 MS. DEITSCH-PEREZ: No, the –</p> <p>18 this – yeah, 36 is not in the chat.</p> <p>19 MR. MORRIS: Okay. We'll get it.</p> <p>20 MS. DANDENEAU: I think that</p> <p>21 Ms. Canty just sent it to me originally.</p> <p>22 Sorry.</p> <p>23 MR. MORRIS: Okay. We will get it</p> <p>24 there.</p> <p>25 MS. CANTY: Okay. It is there now</p>

<p style="text-align: right;">Page 178</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 for everyone.</p> <p>3 MS. DEITSCH-PEREZ: Got it. Thank</p> <p>4 you.</p> <p>5 Q. Do you recall if the proposed</p> <p>6 response that Ms. Thedford crafted was</p> <p>7 delivered to the retail board with the – with</p> <p>8 the yellow dates having been completed?</p> <p>9 A. I don't know.</p> <p>10 MR. MORRIS: Davor, I'm going to ask</p> <p>11 that the advisors and – the advisors of</p> <p>12 both HCMFA and NexPoint produce to me any</p> <p>13 report that was given to the retail board</p> <p>14 concerning the promissory notes at issue,</p> <p>15 including the obligations under the notes.</p> <p>16 Q. Do you know – do you know if</p> <p>17 ultimately NexPoint informed the retail board</p> <p>18 in response to its question that NexPoint owed</p> <p>19 Highland approximately 23 or \$24 million?</p> <p>20 MS. DANDENEAU: Objection to the</p> <p>21 form.</p> <p>22 A. Sorry, are you asking, did NexPoint</p> <p>23 tell the retail board that it owed Highland?</p> <p>24 Q. Let me ask a better question,</p> <p>25 Mr. Waterhouse.</p>	<p style="text-align: right;">Page 179</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Did – do you know if anybody ever</p> <p>3 answered the retail board's question that was</p> <p>4 Number 2?</p> <p>5 A. I don't – I can't say for sure.</p> <p>6 Q. Okay. Do you recall – I think you</p> <p>7 testified earlier that you walked through the</p> <p>8 advisors' financials with the retail board;</p> <p>9 correct?</p> <p>10 A. Yes.</p> <p>11 Q. And as part of that process, did you</p> <p>12 disclose to the retail board the obligations</p> <p>13 that NexPoint and HCMFA had to Highland under</p> <p>14 promissory notes?</p> <p>15 A. The retail board, as I stated</p> <p>16 earlier, receives financial information,</p> <p>17 balance sheet, income statement information</p> <p>18 from the advisors. That information is</p> <p>19 provided to the retail board in connection with</p> <p>20 the 15(c) process.</p> <p>21 So any notes between the advisors</p> <p>22 and the Highland would be – anything would be</p> <p>23 detailed in those financial statements.</p> <p>24 Q. Do you recall in 2020 ever speaking</p> <p>25 with the retail board about the advisors'</p>
<p style="text-align: right;">Page 180</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 obligations under the notes to Highland?</p> <p>3 MS. DANDENEAU: Objection to form.</p> <p>4 MS. DEITSCH-PEREZ: Object to the</p> <p>5 form.</p> <p>6 A. I don't recall specifically.</p> <p>7 Q. Do you have any general recollection</p> <p>8 of discussing with the retail board the</p> <p>9 advisors' obligations to Highland under the</p> <p>10 notes that they issued?</p> <p>11 MS. DANDENEAU: Object to the form.</p> <p>12 MS. DEITSCH-PEREZ: Object to the</p> <p>13 form.</p> <p>14 A. I just recall generally just – it</p> <p>15 is just – I present the financial statements,</p> <p>16 and if they have questions, I answer their</p> <p>17 questions and walk them through.</p> <p>18 I don't recall what they asked. I</p> <p>19 don't recall where the discussion went. I</p> <p>20 don't recall anything of that nature.</p> <p>21 Q. Okay. Do you know if anybody on</p> <p>22 behalf of HCMF – HCMFA ever told the retail</p> <p>23 board that HCMFA had no obligations under the</p> <p>24 two 2019 notes that you signed? Withdrawn.</p> <p>25 Do you know whether anybody on</p>	<p style="text-align: right;">Page 181</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 behalf of HCMFA ever told the retail boards</p> <p>3 that you weren't authorized to sign either of</p> <p>4 the two 2019 notes?</p> <p>5 MS. DANDENEAU: Objection to form.</p> <p>6 A. I'm not aware.</p> <p>7 Q. Are you aware of anybody on behalf</p> <p>8 of HCMFA ever telling the retail boards that</p> <p>9 your execution of the two 2019 notes was a</p> <p>10 mistake?</p> <p>11 MS. DANDENEAU: Objection to form.</p> <p>12 A. I'm not aware.</p> <p>13 Q. Are you aware of anybody on behalf</p> <p>14 of HCMFA ever telling the retail boards that</p> <p>15 HCMFA did not have to pay the amounts reflected</p> <p>16 in the two notes that you signed in 2019?</p> <p>17 A. I'm not aware.</p> <p>18 Q. Do you know whether anybody ever</p> <p>19 told the retail boards – withdrawn.</p> <p>20 Do you know whether anybody ever</p> <p>21 told the retail boards that Highland has</p> <p>22 commenced a lawsuit to recover on the two notes</p> <p>23 that you signed in 2019?</p> <p>24 A. I'm not aware.</p> <p>25 Q. Are you aware of anybody informing</p>

<p style="text-align: right;">Page 182</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 the retail boards that Highland has sued to</p> <p>3 recover on the NexPoint note?</p> <p>4 A. I'm not aware.</p> <p>5 Q. Do you know whether anybody ever</p> <p>6 told the retail board that Highland had</p> <p>7 declared a default with respect to the two</p> <p>8 HCMFA notes that you signed in 2019?</p> <p>9 A. I'm not aware.</p> <p>10 Q. Are you aware of anybody ever</p> <p>11 informing the retail boards that Highland had</p> <p>12 declared a default under the NexPoint note?</p> <p>13 A. I'm not aware.</p> <p>14 Q. Are you aware of anybody telling the</p> <p>15 retail board that Highland made a demand for</p> <p>16 payment under the 2019 notes that you signed on</p> <p>17 behalf of HCMFA?</p> <p>18 A. I'm not aware.</p> <p>19 Q. Let's -- let's see if there is a</p> <p>20 response to Ms. Thedford's email, if we can</p> <p>21 scroll up.</p> <p>22 Do you see you responded to</p> <p>23 Ms. Thedford five minutes after she provided</p> <p>24 the draft response to you?</p> <p>25 A. Yes.</p>	<p style="text-align: right;">Page 183</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Okay. And do you see that Dustin</p> <p>3 Norris is copied on this email?</p> <p>4 A. Yes, he is.</p> <p>5 Q. Great. Do you know whether</p> <p>6 Mr. Norris held any positions at either of the</p> <p>7 advisors as of October 6, 2020?</p> <p>8 A. I will go back to -- I'm not the</p> <p>9 legal expert of what appoints you or how or</p> <p>10 why, but you did see Dustin's name on the</p> <p>11 incumbency certificate that you produced</p> <p>12 earlier.</p> <p>13 Q. Do you know what his title was in</p> <p>14 October of 2020?</p> <p>15 MS. DANDENEAU: Objection to form.</p> <p>16 A. I don't -- I don't recall.</p> <p>17 Q. Was he -- did he have a title with</p> <p>18 each of the advisors, to the best of your</p> <p>19 recollection?</p> <p>20 A. I don't recall.</p> <p>21 Q. Do you know why he is included on</p> <p>22 this email string?</p> <p>23 A. I didn't add Dustin. It looks like</p> <p>24 Lauren did. I don't know why she added him or</p> <p>25 not. You would have to ask her.</p>
<p style="text-align: right;">Page 184</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Does Mr. Norris play a role in</p> <p>3 formulating the advisors' responses to the</p> <p>4 questions asked by the retail board in</p> <p>5 connection with the 15(c) annual review?</p> <p>6 MS. DANDENEAU: Objection to form.</p> <p>7 A. He -- Dustin Norris is there in the</p> <p>8 board meetings. But -- so he has a role, yes.</p> <p>9 Q. Okay. And does Mr. Norris hold any</p> <p>10 positions, to the best of your knowledge, in</p> <p>11 relation to any of the retail funds?</p> <p>12 A. I don't -- I don't believe he does.</p> <p>13 Q. How about Mr. Post, do you know</p> <p>14 whether Mr. Post holds any position in either</p> <p>15 of the advisors?</p> <p>16 A. I mean, he -- he -- yes.</p> <p>17 Q. What is your understanding of the</p> <p>18 positions that Mr. Post holds in relation to</p> <p>19 the advisors?</p> <p>20 MS. DANDENEAU: Objection to form.</p> <p>21 A. He is an employee of NexPoint</p> <p>22 Advisors. He is also the chief compliance</p> <p>23 officer for -- for NexPoint.</p> <p>24 Q. Who is the chief compliance officer</p> <p>25 for HCMFA, if you know?</p>	<p style="text-align: right;">Page 185</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 MS. DANDENEAU: Objection to form.</p> <p>3 A. That would be Jason as well.</p> <p>4 Q. Okay. Now, looking at your</p> <p>5 response, you noted initially that nothing was</p> <p>6 owed under shared services. Do I have that</p> <p>7 right in substance?</p> <p>8 A. Yeah. I think I'm being responsive</p> <p>9 to Lauren's question here, whether any of the</p> <p>10 shared service invoices are outstanding.</p> <p>11 Q. Right.</p> <p>12 A. Yes.</p> <p>13 Q. And that is because -- and that is</p> <p>14 because the retail the retail board has asked</p> <p>15 for the disclosure of all material obligations</p> <p>16 that were owed to HCMLP either then or in the</p> <p>17 future; isn't that right?</p> <p>18 MS. DANDENEAU: Objection to form.</p> <p>19 Q. We can go back down and look.</p> <p>20 A. Look, I don't know if that's a</p> <p>21 material item, I mean, again, but sure.</p> <p>22 Q. Okay. But there were no shared</p> <p>23 services outstanding; correct?</p> <p>24 MS. DANDENEAU: Objection to form.</p> <p>25 A. That is what this email seems to</p>

<p style="text-align: right;">Page 186</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 indicate.</p> <p>3 Q. And you wouldn't have written it if</p> <p>4 you didn't believe it to be true at the time;</p> <p>5 correct?</p> <p>6 A. Correct.</p> <p>7 Q. And when you referred to shared</p> <p>8 services outstanding, what you meant there was</p> <p>9 that neither NexPoint nor HCMFA owed Highland</p> <p>10 any money under the shared services agreements</p> <p>11 that they had with Highland as of October 6th,</p> <p>12 2020; right?</p> <p>13 A. I don't know if it is as of October</p> <p>14 6, 2020 or if it was from -- like through the</p> <p>15 financials -- through the date of the</p> <p>16 financials as of June 30.</p> <p>17 Q. Okay. And then you noted that</p> <p>18 HCMA -- the HCMFA note is a demand note; right?</p> <p>19 A. Yes.</p> <p>20 Q. And then you referred Ms. Thedford</p> <p>21 to Kristin Hendrix for the term of the NexPoint</p> <p>22 note. Do I have that right?</p> <p>23 A. Yes.</p> <p>24 Q. And then you refer to that agreement</p> <p>25 that is referenced in the 2018 audited</p>	<p style="text-align: right;">Page 187</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 financials about Highland's agreement not to</p> <p>3 make demand upon HCMFA until May 2021; correct?</p> <p>4 A. Correct.</p> <p>5 Q. And then -- and then the next thing</p> <p>6 you write is that the attorneys think that BK</p> <p>7 doesn't change that, but don't know for sure at</p> <p>8 the end of the day.</p> <p>9 Do you see that sentence?</p> <p>10 A. Yes.</p> <p>11 Q. Which attorneys were you referring</p> <p>12 to?</p> <p>13 A. I don't remember.</p> <p>14 Q. Did you have a conversation with</p> <p>15 attorneys concerning whether the bankruptcy</p> <p>16 would change or alter in any way the agreement</p> <p>17 not to make a demand under the HCMFA note?</p> <p>18 A. Look, yeah, I mean, I don't</p> <p>19 specifically remember, but generally, I mean,</p> <p>20 it is in this email. I don't -- I don't -- I</p> <p>21 don't -- I don't remember who I talked to or,</p> <p>22 you know, was it inside counsel, outside</p> <p>23 counsel, but obviously I talked to somebody.</p> <p>24 Q. Do you have any recollection --</p> <p>25 A. Well, I don't even know if it's --</p>
<p style="text-align: right;">Page 188</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 actually, it may not even have been me. I say</p> <p>3 the attorneys in, you know, a lot of -- like I</p> <p>4 talked about the team.</p> <p>5 It could have been someone on the</p> <p>6 team, like, hey, we need to run this down, and</p> <p>7 maybe they talked to attorneys again and</p> <p>8 relayed that information to me.</p> <p>9 So I really don't know if I spoke or</p> <p>10 someone else did or -- or, I mean, and maybe it</p> <p>11 wasn't even from corporate accounting. Maybe</p> <p>12 it was, you know, other -- I'm kind of</p> <p>13 summarizing, you know, again, so I don't really</p> <p>14 know -- I can't really say for sure. I don't</p> <p>15 remember how I came about of this knowledge.</p> <p>16 Q. I appreciate your efforts,</p> <p>17 Mr. Waterhouse, but I will just tell you that</p> <p>18 if I ask a question and you don't know the</p> <p>19 answer or you don't recall, I'm happy to accept</p> <p>20 that. I don't -- I don't want you to</p> <p>21 speculate, so I want to be clear about that.</p> <p>22 So I appreciate it.</p> <p>23 Let me just ask you simply: Do you</p> <p>24 know what attorneys -- can you identify any of</p> <p>25 the attorneys who thought that the bankruptcy</p>	<p style="text-align: right;">Page 189</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 process didn't change the agreement?</p> <p>3 A. I don't recall.</p> <p>4 Q. Okay. Perfect.</p> <p>5 And then let's look at the last</p> <p>6 sentence. It says, quote: The response should</p> <p>7 include, as I covered in the board meeting,</p> <p>8 that both entities have the full faith and</p> <p>9 backing from Jim Dondero, and to my knowledge</p> <p>10 that hasn't changed.</p> <p>11 Do you see that?</p> <p>12 A. Yes.</p> <p>13 Q. Okay. Prior to October 6th, 2020,</p> <p>14 had you told the retail board that HCMFA and</p> <p>15 NexPoint have the full faith and backing from</p> <p>16 Jim Dondero?</p> <p>17 A. Yes.</p> <p>18 Q. Do you remember in the context in</p> <p>19 which you told the retail board that?</p> <p>20 A. I mean, generally, yes.</p> <p>21 Q. Tell me what you recall.</p> <p>22 A. So we were walking through the</p> <p>23 financials from the advisors; right? So as I</p> <p>24 described to you, you have got HCMFA and NPA.</p> <p>25 And these -- the financials, you know, show</p>

<p style="text-align: right;">Page 190</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 they have liabilities on them that exceed</p> <p>3 assets.</p> <p>4 So the retail board has asked, okay,</p> <p>5 you know, how – you know, if – if these</p> <p>6 liabilities come due or they're payable, you</p> <p>7 know, how does that come about?</p> <p>8 And, you know, the response is,</p> <p>9 well, the advisors have the – the full faith</p> <p>10 and backing from – from Jim Dondero.</p> <p>11 Q. And how did you know that the</p> <p>12 advisors had the full faith and backing from</p> <p>13 Jim Dondero? What was the basis for that</p> <p>14 statement that you made to the retail board?</p> <p>15 A. I talked to Jim about it at some</p> <p>16 point in the past.</p> <p>17 Q. And did you tell Mr. Dondero that</p> <p>18 you were going to inform the retail board that</p> <p>19 the advisors had his full faith and backing</p> <p>20 before you actually told that to the retail</p> <p>21 board?</p> <p>22 A. I don't recall having that</p> <p>23 conversation.</p> <p>24 Q. Do you recall if you ever informed</p> <p>25 Mr. Dondero that you had disclosed or told the</p>	<p style="text-align: right;">Page 191</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 retail board that the advisors had the full</p> <p>3 faith and backing of Mr. – Mr. Dondero?</p> <p>4 MS. DEITSCH-PEREZ: Object to the</p> <p>5 form.</p> <p>6 A. I don't recall discussing that with</p> <p>7 him at the time.</p> <p>8 Q. When you told this to the board, was</p> <p>9 Mr. Dondero participating in the discussion?</p> <p>10 A. Not that I recall.</p> <p>11 Q. Withdrawn. Was it not – withdrawn.</p> <p>12 Do you recall whether – when you</p> <p>13 covered this issue with the board, was that in</p> <p>14 a – a Zoom call or a Webex call? Was it a</p> <p>15 telephone call? Was it in-person? Like where</p> <p>16 were you physically in relation to the board?</p> <p>17 A. I believe I was at home.</p> <p>18 Q. Okay. Can you identify every person</p> <p>19 that you recall who was present for this</p> <p>20 disclosure other than – other than the board</p> <p>21 members themselves?</p> <p>22 MS. DEITSCH-PEREZ: Object to the</p> <p>23 form.</p> <p>24 A. I don't recall everyone on the call.</p> <p>25 Q. Can you identify anybody who was on</p>
<p style="text-align: right;">Page 192</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 the call?</p> <p>3 A. Other than the board members?</p> <p>4 Q. Yes.</p> <p>5 A. Lauren Thedford. I mean, there</p> <p>6 are – there are many – my section is just one</p> <p>7 of many sections that are just – you know, as</p> <p>8 you can appreciate, this is a long board</p> <p>9 meeting.</p> <p>10 I can't recall specifically, really</p> <p>11 even generally, or who was on when this was</p> <p>12 discussed. But Lauren was typically on for the</p> <p>13 entire time.</p> <p>14 Q. I apologize if I asked you this, but</p> <p>15 do either of Mr. Norris or Mr. Post hold any</p> <p>16 positions relative to the retail funds?</p> <p>17 A. I think you asked me this already,</p> <p>18 John.</p> <p>19 Q. Okay. I just don't recall. Can you</p> <p>20 just refresh my recollection if I did, in fact,</p> <p>21 ask you the question?</p> <p>22 A. I don't believe – if we can go</p> <p>23 back. I don't believe Mr. Norris has a title</p> <p>24 at the retail funds. Mr. – and Mr. Post is</p> <p>25 the CCO of the advisor, the advisors.</p>	<p style="text-align: right;">Page 193</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Okay. Do you know if either of them</p> <p>3 have a position with the retail board – with</p> <p>4 the retail funds?</p> <p>5 A. I don't believe Mr. Norris has a</p> <p>6 position with the retail funds.</p> <p>7 Q. All right. What about Mr. Post?</p> <p>8 A. Mr. Post is the CCO of the advisors.</p> <p>9 Q. Okay. Does he hold any position –</p> <p>10 A. I don't believe so.</p> <p>11 Q. – with the retail funds?</p> <p>12 A. I don't believe so.</p> <p>13 Q. Okay.</p> <p>14 A. I don't know if being the CCO for</p> <p>15 the advisor conveys something for the retail</p> <p>16 funds. Again, I am not – that is the legal</p> <p>17 compliance part of it. I don't know.</p> <p>18 Q. Why did you tell the retail board</p> <p>19 that the advisors have the full faith and</p> <p>20 backing from Mr. Dondero?</p> <p>21 MS. DANDENEAU: Objection to form.</p> <p>22 A. It is – it is – it is what has</p> <p>23 been discussed with them prior.</p> <p>24 Q. And were you – were you trying to</p> <p>25 give them comfort that even though the</p>

<p style="text-align: right;">Page 194</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 liabilities exceeded the assets that the</p> <p>3 advisors would still be able to meet their</p> <p>4 obligations as they become due?</p> <p>5 MS. DANDENEAU: Objection to form.</p> <p>6 MS. DEITSCH-PEREZ: Object form.</p> <p>7 A. I – I can't – I don't remember</p> <p>8 specifically the conversation, but generally –</p> <p>9 you know, generally, yes. And that is why –</p> <p>10 but, you know, again, in this email saying, you</p> <p>11 know, I am sure I qualified it with the retail</p> <p>12 board, you know, as I said I like – you know,</p> <p>13 to my knowledge, that hasn't changed. But,</p> <p>14 again, generally – generally that is what I</p> <p>15 remember.</p> <p>16 Q. Okay. Do you recall if in the</p> <p>17 advisors' response to the retail board's</p> <p>18 question if the response included any statement</p> <p>19 concerning Mr. Dondero and – and the full</p> <p>20 faith and backing that he was giving to the</p> <p>21 advisors?</p> <p>22 MS. DEITSCH-PEREZ: Object to the</p> <p>23 form.</p> <p>24 A. I don't – I don't remember</p> <p>25 specifically what was provided.</p>	<p style="text-align: right;">Page 195</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Okay.</p> <p>3 A. And I don't really – I don't really</p> <p>4 remember generally either.</p> <p>5 Q. Okay.</p> <p>6 MR. MORRIS: So – so, again, I'm</p> <p>7 just going to ask Mr. Rukavina if your</p> <p>8 clients can produce as soon as possible the</p> <p>9 15(c) response, the written response that</p> <p>10 the advisors made, if any, to the board's</p> <p>11 Question No. 2.</p> <p>12 I'm not looking for the whole</p> <p>13 response, but I certainly want the response</p> <p>14 to Question No. 2.</p> <p>15 Q. Do you have a general understanding</p> <p>16 as to the amount by which – withdrawn.</p> <p>17 Did – did the assets of –</p> <p>18 withdrawn.</p> <p>19 Did the liabilities of HCMFA exceed</p> <p>20 its assets in 2020?</p> <p>21 MS. DANDENEAU: Objection to form.</p> <p>22 MS. DEITSCH-PEREZ: Objection, form.</p> <p>23 A. I believe I have already answered</p> <p>24 that question earlier, I think. I believe I</p> <p>25 said yes.</p>
<p style="text-align: right;">Page 196</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Okay. And did the liabilities of</p> <p>3 NexPoint exceed its assets in 2020?</p> <p>4 MS. DEITSCH-PEREZ: Objection to</p> <p>5 form.</p> <p>6 A. I don't believe so.</p> <p>7 Q. Okay. So – so it was only one of</p> <p>8 the two advisors who had liabilities that</p> <p>9 exceeded the value of the assets.</p> <p>10 Do I have that right?</p> <p>11 MS. DEITSCH-PEREZ: Objection to</p> <p>12 form.</p> <p>13 MS. DANDENEAU: Form.</p> <p>14 A. Yes.</p> <p>15 Q. And do you know, ballpark, the</p> <p>16 amount by which the value of HCMFA's</p> <p>17 liabilities exceeded their assets in 2020?</p> <p>18 MS. DANDENEAU: Objection to form.</p> <p>19 A. I don't – I don't recall.</p> <p>20 MR. MORRIS: I had specifically</p> <p>21 requested in discovery the audited</p> <p>22 financial reports for both advisors and</p> <p>23 NexPoint. I think I may have gotten one</p> <p>24 for NexPoint but I'm still waiting for the</p> <p>25 balance. And I'm going to renew my request</p>	<p style="text-align: right;">Page 197</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 for those documents too.</p> <p>3 Q. Let's go to the next exhibit, which</p> <p>4 is Number 10. So I think it is in your stack,</p> <p>5 Mr. Waterhouse.</p> <p>6 MR. MORRIS: And we can take the one</p> <p>7 down from the screen and put up Number 10</p> <p>8 for everybody.</p> <p>9 (Exhibit 10 marked.)</p> <p>10 Q. And I don't know if you have ever</p> <p>11 seen this before, but I'm really putting it up</p> <p>12 on the screen for purposes of turning to the</p> <p>13 very last page of the document.</p> <p>14 So this is a document that we have</p> <p>15 been – that we premarked as Exhibit 10. And</p> <p>16 we're turning to the last page of the document,</p> <p>17 which is a document that was filed in the</p> <p>18 adversary proceeding 21-3004. And – no, I</p> <p>19 apologize, I think we – right there. Perfect.</p> <p>20 And it is page 31 of 31.</p> <p>21 MR. MORRIS: I think there may have</p> <p>22 been some something erroneously stapled to</p> <p>23 the hard copy that I gave you folks, but</p> <p>24 I'm looking for page 31 of 31 in the</p> <p>25 document that begins with the first page of</p>

<p style="text-align: right;">Page 198</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Exhibit 10.</p> <p>3 Q. Do you have that, Mr. Waterhouse?</p> <p>4 A. I don't have it yet. I'm looking.</p> <p>5 Q. All right. If you look at the top</p> <p>6 right-hand corner, you will see it says page</p> <p>7 hopefully something of 31?</p> <p>8 A. Yes, I've got it now.</p> <p>9 Q. Okay. You have got 31 of 31. You</p> <p>10 can take a moment to read that, if you would</p> <p>11 like.</p> <p>12 A. (Reviewing document.) Okay.</p> <p>13 Q. Have you ever seen this before?</p> <p>14 A. I don't know if I have seen this</p> <p>15 specific document, but, you know, I've –</p> <p>16 I'm – I'm aware of it.</p> <p>17 Q. And is this the document that you</p> <p>18 had in mind when you sent that email to</p> <p>19 Ms. Thedford that we just looked at where you</p> <p>20 said that Highland had agreed not to make a</p> <p>21 demand upon HCMFA until May 2021?</p> <p>22 A. Honestly, I don't – it wasn't this</p> <p>23 document. I mean, it's something like this,</p> <p>24 yes. I mean, yes.</p> <p>25 Q. Well –</p>	<p style="text-align: right;">Page 199</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. It is something like this, but I</p> <p>3 don't think it was this specific document.</p> <p>4 Q. Well, but this document does say in</p> <p>5 the last sentence that Highland agreed not to</p> <p>6 seek – not to demand payment from HCMFA prior</p> <p>7 to May 31, 2021; right?</p> <p>8 A. Yes.</p> <p>9 Q. And are you aware of any other</p> <p>10 document that was ever created pursuant to</p> <p>11 which Highland agreed not to demand payment on</p> <p>12 amounts owed by HCMFA before May 31, 2021?</p> <p>13 A. Hold on. Are you asking, am I aware</p> <p>14 of a document that by HCMFA that basically says</p> <p>15 otherwise?</p> <p>16 Q. No. Let me try again.</p> <p>17 Are you aware of any other document</p> <p>18 pursuant to which – pursuant to which Highland</p> <p>19 agreed not to make a demand on HCMFA until May</p> <p>20 31st, 2021?</p> <p>21 A. I'm – I think there was something</p> <p>22 in connection with – with the – with the</p> <p>23 audit that basically says the same thing.</p> <p>24 Q. Okay. And do you think that the</p> <p>25 audit is referring to this particular document?</p>
<p style="text-align: right;">Page 200</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. I don't know.</p> <p>3 Q. All right. This document is dated</p> <p>4 April 15, 2019. Do you see that?</p> <p>5 A. I do.</p> <p>6 Q. And do you remember that the audit</p> <p>7 was completed on June 3rd, 2019?</p> <p>8 A. Yes.</p> <p>9 Q. And do you recall that the audited</p> <p>10 financials – and I'm happy to pull them up if</p> <p>11 you would like, but do you recall that the</p> <p>12 audited financials included a reference to the</p> <p>13 agreement pursuant to which Highland agreed not</p> <p>14 to make a demand until May 31st, 2021?</p> <p>15 A. Yes, I remember.</p> <p>16 Q. And as part of the process, would</p> <p>17 you have expected the corporate accounting team</p> <p>18 to have provided a copy of this document to</p> <p>19 PwC?</p> <p>20 MS. DANDENEAU: Objection to form.</p> <p>21 A. Yes, I would have expected something</p> <p>22 like this, or again, you know, some document</p> <p>23 that basically states – states the deferral</p> <p>24 till May 31 of 2020.</p> <p>25 Q. Okay.</p>	<p style="text-align: right;">Page 201</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. May 31 of 2021, excuse me.</p> <p>3 Q. And this document states the</p> <p>4 deferral that you just described; correct?</p> <p>5 A. It does.</p> <p>6 Q. And this document states the</p> <p>7 deferral that was described in the audited</p> <p>8 financial statements that we looked at before;</p> <p>9 correct?</p> <p>10 A. It does.</p> <p>11 MR. MORRIS: Okay. Can we scroll</p> <p>12 down just a little bit to see who signed on</p> <p>13 behalf of the acknowledgment there.</p> <p>14 Q. Okay. So Mr. Dondero signed this</p> <p>15 document on behalf of both HCMFA and Highland;</p> <p>16 do you see that?</p> <p>17 A. I do.</p> <p>18 Q. Okay. Did you discuss this document</p> <p>19 or the – withdrawn.</p> <p>20 Did you discuss the concept of the</p> <p>21 deferral with Mr. Dondero in the spring of</p> <p>22 2019?</p> <p>23 A. I think I testified I don't recall.</p> <p>24 Q. Okay. Do you know whose idea it was</p> <p>25 to issue the acknowledgment in this form?</p>

<p style="text-align: right;">Page 202</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. I don't recall.</p> <p>3 MR. MORRIS: Can we scroll back up</p> <p>4 to the document, please.</p> <p>5 Q. Do you see in the beginning it says,</p> <p>6 reference is made to certain outstanding</p> <p>7 amounts loaned from Highland to HCMFA for</p> <p>8 funding ongoing operations.</p> <p>9 Do you see that?</p> <p>10 A. Yes.</p> <p>11 Q. And were you aware as the CFO of</p> <p>12 Highland and as the treasurer of HCMFA that as</p> <p>13 of April 15, 2019, Highland had made certain</p> <p>14 loans to HCMFA to fund HCMFA's ongoing</p> <p>15 operations?</p> <p>16 A. Yes.</p> <p>17 Q. And were you aware that those loans</p> <p>18 were payable on demand and remained outstanding</p> <p>19 as of December 31st, 2018?</p> <p>20 A. Yes.</p> <p>21 Q. And were you aware that those</p> <p>22 amounts were payable on demand, and they</p> <p>23 remained outstanding as of April 15, 2019?</p> <p>24 MS. DEITSCH-PEREZ: Object to the</p> <p>25 form.</p>	<p style="text-align: right;">Page 203</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. Well, this – this document dated</p> <p>3 April 15, 2019 says they have been deferred to</p> <p>4 May 31, 2021.</p> <p>5 Q. Right. But I'm just sticking to the</p> <p>6 first paragraph where they refer to the</p> <p>7 outstanding amounts. And in the end it says</p> <p>8 the – it remained outstanding on December</p> <p>9 31st, 2018, and I think you told me that you</p> <p>10 understood that, and then I'm just trying to</p> <p>11 capture the last piece of it.</p> <p>12 Did you understand that there were</p> <p>13 amounts outstanding from the loan that Highland</p> <p>14 made to HCMFA to fund ongoing operations as of</p> <p>15 April 15th, 2019?</p> <p>16 A. Yes.</p> <p>17 Q. Thank you. Let's look at the next</p> <p>18 sentence. HCMFA expects that it may be unable</p> <p>19 to repay such amounts should they become due</p> <p>20 for the period commencing today and continuing</p> <p>21 through May 31st, 2021.</p> <p>22 Do you see that?</p> <p>23 MS. DANDENEAU: Objection to form.</p> <p>24 A. I do.</p> <p>25 Q. As the CFO – withdrawn.</p>
<p style="text-align: right;">Page 204</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 As the treasurer of HCMFA, did you</p> <p>3 believe that – do you believe that statement</p> <p>4 was true and accurate at the time it was</p> <p>5 rendered?</p> <p>6 A. I mean, it – it – the answer to</p> <p>7 that is I really didn't have any – I didn't</p> <p>8 have an opinion really.</p> <p>9 Q. Did you do anything to educate</p> <p>10 yourself in April of 2019 on the issue of</p> <p>11 whether HCMFA could repay the amounts that it</p> <p>12 owed to Highland should they become due?</p> <p>13 A. I don't believe so.</p> <p>14 Q. Did you at any time form any</p> <p>15 opinions as to HCMFA's ability to repay all</p> <p>16 amounts due to Highland should they become due?</p> <p>17 A. Not really. I guess I don't...</p> <p>18 Q. Well, you told the retail board that</p> <p>19 HCMFA's liabilities exceeded their assets in</p> <p>20 2020; correct?</p> <p>21 A. Yes.</p> <p>22 Q. Based on the work that you did to</p> <p>23 prepare for the retail board, did you form any</p> <p>24 view as to whether HCMFA would be unable to</p> <p>25 repay the amounts that it owed to Highland</p>	<p style="text-align: right;">Page 205</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 should they become due?</p> <p>3 MS. DANDENEAU: Objection to form.</p> <p>4 A. I mean, I – when you look at that,</p> <p>5 to answer you, completely, you know, again,</p> <p>6 if – the response I gave the retail board was,</p> <p>7 you know, the – the advice – HCMFA advisors</p> <p>8 have the – have the full faith and backing of</p> <p>9 Jim Dondero. So I didn't form an opinion of</p> <p>10 whether the advisor could pay it or not.</p> <p>11 Q. Did you form any view as to whether</p> <p>12 the advisors could repay the amounts that it</p> <p>13 owed to Highland should they become due without</p> <p>14 the full faith and backing of Mr. Dondero?</p> <p>15 MS. DANDENEAU: Objection to form.</p> <p>16 MS. DEITSCH-PEREZ: Form.</p> <p>17 A. I mean, if you – if you – if you</p> <p>18 take that last statement out, I mean, it would</p> <p>19 be difficult for HCMFA to pay back demand notes</p> <p>20 at that time.</p> <p>21 Q. And it was precisely for that reason</p> <p>22 that you told the retail board that – that the</p> <p>23 retail – that the advisors had the full faith</p> <p>24 and backing of Mr. Dondero; correct?</p> <p>25 MS. DANDENEAU: Objection to form.</p>

<p style="text-align: right;">Page 206</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. I mean, yes, as the mouthpiece, I</p> <p>3 was relaying information.</p> <p>4 Q. Okay. And you relayed that</p> <p>5 information with the knowledge and approval of</p> <p>6 Mr. Dondero; correct?</p> <p>7 MS. DEITSCH-PEREZ: Object to the</p> <p>8 form.</p> <p>9 A. As I stated in the email, I don't</p> <p>10 believe, and I think I testified I don't</p> <p>11 believe I had conversations with Mr. Dondero at</p> <p>12 the time of that board meeting.</p> <p>13 Q. Did you tell the retail board that</p> <p>14 the advisors had the full faith and backing of</p> <p>15 Mr. Dondero without Mr. Dondero's prior</p> <p>16 approval?</p> <p>17 A. Yeah, I – I – yes, I'm – like I</p> <p>18 said, I think I testified earlier, I'm sure I</p> <p>19 qualified it as well.</p> <p>20 Q. What do you mean by that?</p> <p>21 MS. DANDENEAU: Objection to form.</p> <p>22 A. Again – again, like I said in the</p> <p>23 email, it has the full faith and backing of Jim</p> <p>24 Dondero unless that has changed.</p> <p>25 Q. Actually that is not what you said,</p>	<p style="text-align: right;">Page 207</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 so let's put the email back up.</p> <p>3 A. It is – it is – it is in the</p> <p>4 email.</p> <p>5 Q. Let's put the email back up. You</p> <p>6 didn't say unless it has changed. You said you</p> <p>7 believe it hasn't changed; right?</p> <p>8 A. Okay. And to my knowledge that</p> <p>9 hasn't changed, that is what it says.</p> <p>10 Q. That's right.</p> <p>11 A. But, again, I mean, that is – I</p> <p>12 don't know everything. And I'm not in every</p> <p>13 conversation. I'm not – to presume that I am,</p> <p>14 is – and you have to put myself – as you</p> <p>15 started this out, Mr. Morris, I was at home in</p> <p>16 October of 2020 with COVID – or, you know,</p> <p>17 under these COVID times that we described is</p> <p>18 very difficult.</p> <p>19 We have all been working at home for</p> <p>20 really the first time ever, undergoing</p> <p>21 processes, procedures, control environments</p> <p>22 that have been untested, and there is poor</p> <p>23 communication.</p> <p>24 So I am relaying, as I'm telling you</p> <p>25 now, what is in the email. And unless</p>
<p style="text-align: right;">Page 208</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 something has changed – to my knowledge, it</p> <p>3 hasn't changed, but it could have changed.</p> <p>4 Q. When you say that the advisors have</p> <p>5 the full faith and backing from Mr. Dondero,</p> <p>6 did you intend to convey that, to the extent</p> <p>7 the advisors were unable to satisfy their</p> <p>8 obligations as they become due, Mr. Dondero</p> <p>9 would do it for them?</p> <p>10 MS. DANDENEAU: Object to the form.</p> <p>11 MS. DEITSCH-PEREZ: Object to the</p> <p>12 form.</p> <p>13 And, John, we have given you a lot</p> <p>14 of leeway here but this does not seem</p> <p>15 relevant to this case. You seem sort of</p> <p>16 taking a complete sort of diversion into</p> <p>17 the allegations and the complaint just</p> <p>18 filed on Friday, and so I would ask you to</p> <p>19 move on because –</p> <p>20 MR. MORRIS: And I will tell you –</p> <p>21 I will tell you that I have never read that</p> <p>22 complaint cover-to-cover. I have nothing</p> <p>23 to do with the prosecution of those claims.</p> <p>24 And this issue that we're talking about</p> <p>25 right now is related solely to the</p>	<p style="text-align: right;">Page 209</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 promissory notes that your clients refuse</p> <p>3 to pay.</p> <p>4 So I'm going to continue to ask my</p> <p>5 questions, and I would ask the court</p> <p>6 reporter to read back my last question.</p> <p>7 (Record read.)</p> <p>8 MS. DEITSCH-PEREZ: And then I</p> <p>9 believe there were objections to form.</p> <p>10 Q. You can answer the question.</p> <p>11 A. Yes.</p> <p>12 Q. Thank you very much, sir.</p> <p>13 MR. MORRIS: Can we go back to the</p> <p>14 other document, please?</p> <p>15 Q. Mr. Waterhouse, do you know if this</p> <p>16 document was ever shared with the retail board?</p> <p>17 A. I don't recall.</p> <p>18 Q. Did you ever share it with the</p> <p>19 retail board?</p> <p>20 A. I don't recall.</p> <p>21 Q. Did you ever tell the retail board</p> <p>22 about the substance of this document?</p> <p>23 A. I don't recall.</p> <p>24 Q. Did you ever tell the retail board</p> <p>25 that Highland had agreed not to make a demand</p>

<p style="text-align: right;">Page 210</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 against HCMFA until May 2021?</p> <p>3 A. I don't recall.</p> <p>4 Q. Do you know whether anybody on</p> <p>5 behalf of the advisors ever informed the retail</p> <p>6 board that Highland had agreed on April 15,</p> <p>7 2019, not to make a demand against HCMFA under</p> <p>8 the promissory notes?</p> <p>9 A. I don't recall.</p> <p>10 Q. Did you instruct Ms. Thedford or</p> <p>11 anybody else responding to the retail board's</p> <p>12 15(c) inquiry to disclose this document?</p> <p>13 A. Did I instruct Ms. Thedford or</p> <p>14 anyone else to -- to -- to produce this, to</p> <p>15 disclose this document? Is that what you -- I</p> <p>16 just want to make sure.</p> <p>17 Q. Uh-huh.</p> <p>18 A. Yeah, I don't -- I don't recall.</p> <p>19 Q. Did you instruct anybody to inform</p> <p>20 the retail board, in response to their question</p> <p>21 as part of the 15(c) process, to -- to tell the</p> <p>22 retail board about Highland's agreement not to</p> <p>23 make a demand until 2021?</p> <p>24 MS. DANDENEAU: Objection to form.</p> <p>25 A. I don't recall.</p>	<p style="text-align: right;">Page 211</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Did you ever inform PwC that HCMFA's</p> <p>3 liabilities exceeded its assets?</p> <p>4 MS. DANDENEAU: Object to the form.</p> <p>5 A. I don't -- I don't think I told</p> <p>6 them. I mean, they -- they audited the</p> <p>7 financial statements.</p> <p>8 Q. Did -- do you know if anybody on</p> <p>9 behalf of Highland ever informed</p> <p>10 PricewaterhouseCoopers that HCMFA may be unable</p> <p>11 to repay amounts owing to Highland, should they</p> <p>12 become due?</p> <p>13 MS. DANDENEAU: Objection to form.</p> <p>14 A. Yes. Again, I think I testified</p> <p>15 earlier that -- that this was communicated to</p> <p>16 the auditors.</p> <p>17 Q. Ideally --</p> <p>18 A. I don't know who exactly did that.</p> <p>19 I don't recall doing it, but, yeah, it was --</p> <p>20 it was communicated. And that is why -- I</p> <p>21 mean, there is a disclosure in the financial</p> <p>22 statements; right?</p> <p>23 Q. There is, and that disclosure</p> <p>24 relates to the last sentence of this document;</p> <p>25 correct?</p>
<p style="text-align: right;">Page 212</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. Yes.</p> <p>3 Q. Do you recall looking in the</p> <p>4 document and seeing anything that was disclosed</p> <p>5 with respect to the sentence above that?</p> <p>6 A. No.</p> <p>7 Q. Do you know whether anybody on</p> <p>8 behalf of Highland ever informed</p> <p>9 PricewaterhouseCoopers that HCMFA expects that</p> <p>10 it may be unable to repay amounts due and owing</p> <p>11 to Highland should they become due?</p> <p>12 MS. DEITSCH-PEREZ: Object to the</p> <p>13 form. I think that is the third time.</p> <p>14 A. I don't recall. Again, as I said,</p> <p>15 we -- all of this was given to the auditors.</p> <p>16 Q. Do you know if Highland received</p> <p>17 anything of value in exchange for its agreement</p> <p>18 not to demand payment on amounts owed by HCMFA</p> <p>19 prior to May 31st, 2021?</p> <p>20 MS. DEITSCH-PEREZ: Object to the</p> <p>21 form. That is the second time.</p> <p>22 MS. DANDENEAU: Object to the form.</p> <p>23 A. I have answered this question.</p> <p>24 MR. RUKAVINA: Hold on. Object to</p> <p>25 legal conclusion. Go ahead.</p>	<p style="text-align: right;">Page 213</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. I have answered this question</p> <p>3 before.</p> <p>4 Q. And the answer was no?</p> <p>5 A. I'm not aware.</p> <p>6 Q. Now, this acknowledgment can't</p> <p>7 possibly apply to the two notes that you signed</p> <p>8 on behalf of HCMFA because those notes were</p> <p>9 signed on May 2nd and May 3rd, 2019; is that</p> <p>10 right?</p> <p>11 MS. DANDENEAU: Objection to form.</p> <p>12 A. Unless there is a drafting error.</p> <p>13 Q. Okay. Are you aware of a drafting</p> <p>14 error?</p> <p>15 A. I'm not aware. I didn't -- I wasn't</p> <p>16 part of -- I didn't sign this note or this</p> <p>17 acknowledgment. I didn't draft it.</p> <p>18 Q. But you do see it is dated April 15,</p> <p>19 2019; right?</p> <p>20 A. Yes.</p> <p>21 Q. And this was a document that was</p> <p>22 actually included by the advisors in a pleading</p> <p>23 they filed with the Court; right?</p> <p>24 MR. RUKAVINA: Well, I don't know</p> <p>25 that so I object to form.</p>

<p style="text-align: right;">Page 214</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Okay. Let's go to the first page of</p> <p>3 the document and just confirm that.</p> <p>4 MR. AIGEN: Mr. Morris, I just note</p> <p>5 that you already said there was some error</p> <p>6 with the document that is listed as</p> <p>7 exhibit –</p> <p>8 MR. MORRIS: No. No, no, no.</p> <p>9 MS. DEITSCH-PEREZ: Oh, okay.</p> <p>10 MR. MORRIS: What I said is that</p> <p>11 there is a few pages that were mistakenly</p> <p>12 stapled to the end of the document.</p> <p>13 MS. DEITSCH-PEREZ: Okay.</p> <p>14 MR. MORRIS: There is no problem</p> <p>15 with this document.</p> <p>16 MS. DEITSCH-PEREZ: And just so</p> <p>17 we're clear that the document – the pages</p> <p>18 that start with defendant's amended answer</p> <p>19 are not intended to be part of this</p> <p>20 document?</p> <p>21 MR. MORRIS: That's correct.</p> <p>22 MS. DEITSCH-PEREZ: And that the –</p> <p>23 but it is your representation that the rest</p> <p>24 of the document is – is – is correct</p> <p>25 because we don't – we don't have any way</p>	<p style="text-align: right;">Page 215</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 of verifying that, we're just –</p> <p>3 MR. MORRIS: You do, actually. You</p> <p>4 could just go to Docket No. 21-3004.</p> <p>5 MS. DEITSCH-PEREZ: If you want to</p> <p>6 stop this deposition so we can go and pull</p> <p>7 that document up, we're happy to do it. So</p> <p>8 I am just asking you for your</p> <p>9 representation.</p> <p>10 MR. MORRIS: Sure. I gave that.</p> <p>11 MS. DEITSCH-PEREZ: Okay.</p> <p>12 Q. So do you see that this is a</p> <p>13 document that was actually filed with the Court</p> <p>14 by Highland Capital Management Fund Advisors?</p> <p>15 A. No. I get with the first page in</p> <p>16 the section. Maybe I'm looking at the wrong</p> <p>17 thing. It says, Highland Capital Management.</p> <p>18 Q. Don't worry about it. Don't worry</p> <p>19 about it.</p> <p>20 A. Maybe I went back – okay.</p> <p>21 MR. MORRIS: All right. Can we put</p> <p>22 up on the screen Exhibit 2.</p> <p>23 (Exhibit 2 marked.)</p> <p>24 MR. MORRIS: I think it is</p> <p>25 Exhibit 1.</p>
<p style="text-align: right;">Page 216</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 MS. DANDENEAU: I'm sorry, John, did</p> <p>3 you say Exhibit 2 or Exhibit 1?</p> <p>4 MR. MORRIS: It is Exhibit 2 in the</p> <p>5 binders so it is premarked Exhibit 2. And</p> <p>6 now I'm asking – right there – going to</p> <p>7 Exhibit 1 to the document that was marked</p> <p>8 as Exhibit 2.</p> <p>9 MS. DANDENEAU: Got it. In the</p> <p>10 binder there is no –</p> <p>11 MS. DEITSCH-PEREZ: There is no</p> <p>12 Exhibit 1.</p> <p>13 MR. MORRIS: All right. So look at</p> <p>14 the one on the screen.</p> <p>15 Q. Do you see, Mr. Waterhouse, that</p> <p>16 this is a promissory note dated May 31st, 2017,</p> <p>17 in the approximate amount of \$30.7 million?</p> <p>18 A. Yes.</p> <p>19 Q. And do you see that the maker of the</p> <p>20 note is NexPoint?</p> <p>21 A. Yes.</p> <p>22 Q. And that Highland is the payee; is</p> <p>23 that right?</p> <p>24 A. Yes.</p> <p>25 Q. Okay. And do you see in Paragraph 2</p>	<p style="text-align: right;">Page 217</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 this is an annual installment note?</p> <p>3 A. Can you scroll down.</p> <p>4 Q. Sure.</p> <p>5 MR. MORRIS: Can we scroll down –</p> <p>6 yeah, there you go.</p> <p>7 A. Right there, yeah. Yes.</p> <p>8 MR. MORRIS: And can we scroll down</p> <p>9 to the signature line.</p> <p>10 Q. And do you recognize that as</p> <p>11 Mr. Dondero's signature?</p> <p>12 A. Yes.</p> <p>13 Q. And is this the promissory note that</p> <p>14 we talked about earlier where NexPoint had made</p> <p>15 certain payments in the aggregate amount of</p> <p>16 about 6 to \$7 million against principal and</p> <p>17 interest?</p> <p>18 A. I don't recall discussing the</p> <p>19 aggregate principal amounts of 6 to \$7 million,</p> <p>20 but – so I don't – I don't recall that prior</p> <p>21 discussion with those amounts.</p> <p>22 Q. All right. Let's take a look.</p> <p>23 NexPoint always included this promissory note</p> <p>24 as a liability on its audited financial</p> <p>25 statements; right?</p>

<p style="text-align: right;">Page 218</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. Yes.</p> <p>3 Q. And NexPoint had its financial</p> <p>4 statements audited; isn't that correct?</p> <p>5 A. Yes.</p> <p>6 Q. And was the process of NexPoint's</p> <p>7 audit similar to the process you described</p> <p>8 earlier for Highland and HCMFA?</p> <p>9 A. Yes, it is similar.</p> <p>10 Q. Okay.</p> <p>11 MR. MORRIS: Can we put up</p> <p>12 NexPoint's audited financials and let</p> <p>13 everybody know what exhibit number it is,</p> <p>14 La Asia?</p> <p>15 MS. CANTY: It is going to be</p> <p>16 Exhibit 46.</p> <p>17 (Exhibit 46 marked.)</p> <p>18 Q. And do you see, sir, that we've put</p> <p>19 up NexPoint Advisors' consolidated financial</p> <p>20 statements and supplemental information for the</p> <p>21 period ending December 31st, 2019?</p> <p>22 A. Yes.</p> <p>23 Q. Did you participate in the process</p> <p>24 whereby these audited financial statements were</p> <p>25 issued?</p>	<p style="text-align: right;">Page 219</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. I didn't participate directly, as</p> <p>3 I've described before, about the -- the team</p> <p>4 performing the audit.</p> <p>5 Q. Do you recall when the audit of</p> <p>6 NexPoint's financial statements for the period</p> <p>7 ending December 31st, 2019 was completed?</p> <p>8 A. Yes.</p> <p>9 Q. And when do you recall it being</p> <p>10 completed?</p> <p>11 A. In January of 2021.</p> <p>12 Q. Do you know why the 2019 audit</p> <p>13 report wasn't completed until January of 2021?</p> <p>14 A. Yes.</p> <p>15 Q. Why was the NexPoint audit report</p> <p>16 for the period ending 12/31/19 not completed</p> <p>17 until January 2021?</p> <p>18 A. Because we had to deal with working</p> <p>19 from home from -- with COVID, and on top of all</p> <p>20 of our daily responsibilities and job duties</p> <p>21 at -- at providing -- at Highland providing</p> <p>22 services to NexPoint, we had to do all of this</p> <p>23 extra work for a bankruptcy that was filed in</p> <p>24 October of 2019.</p> <p>25 MR. MORRIS: Can we go to the</p>
<p style="text-align: right;">Page 220</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 balance sheet on page 3? Okay. Stop right</p> <p>3 there.</p> <p>4 Q. Do you see under the liabilities</p> <p>5 section, the last item is note payable to</p> <p>6 affiliate?</p> <p>7 A. Yes.</p> <p>8 Q. And is that the note that we just</p> <p>9 looked at?</p> <p>10 MS. DANDENEAU: Objection to form.</p> <p>11 Q. Withdrawn.</p> <p>12 Is that the approximately</p> <p>13 \$30 million note that we just looked at that</p> <p>14 was dated from 2017?</p> <p>15 MS. DANDENEAU: Objection to form.</p> <p>16 A. I believe no.</p> <p>17 Q. Okay. You're not aware of any other</p> <p>18 note that was outstanding from NexPoint to</p> <p>19 Highland as of the end of the year 2019, other</p> <p>20 than that one \$30 million note; right?</p> <p>21 A. I don't recall.</p> <p>22 Q. And as of the end of 2019, the</p> <p>23 principal amount that was due on the note was</p> <p>24 approximately \$23 million; right?</p> <p>25 MS. DEITSCH-PEREZ: Object to the</p>	<p style="text-align: right;">Page 221</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 form.</p> <p>3 A. Approximately.</p> <p>4 Q. And does that refresh your</p> <p>5 recollection that between the time the note was</p> <p>6 executed and the end of 2019, that NexPoint had</p> <p>7 paid down approximately \$7 million?</p> <p>8 A. Yes. If we are just doing the math,</p> <p>9 yes.</p> <p>10 Q. Okay. Did NexPoint complete its</p> <p>11 audit from 2020?</p> <p>12 A. Sorry, you kind of broke up. Do</p> <p>13 NexPoint complete?</p> <p>14 Q. The audit of its financial</p> <p>15 statements for the period ending December 31st,</p> <p>16 2020?</p> <p>17 A. No.</p> <p>18 Q. No, it's not complete?</p> <p>19 A. No, it is not complete.</p> <p>20 Q. Did HCMFA complete its audit for the</p> <p>21 year ending December 31st, 2020?</p> <p>22 A. No.</p> <p>23 MR. MORRIS: Can we go to page 15,</p> <p>24 please, the paragraph at the bottom.</p> <p>25 Q. Do you see that NexPoint has</p>

<p style="text-align: right;">Page 222</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 included under notes payable to Highland a</p> <p>3 reference to the amounts that were outstanding</p> <p>4 as of the year-end 2019 under the note that we</p> <p>5 looked at just a moment ago?</p> <p>6 A. Yes. Are you talking about the</p> <p>7 second paragraph?</p> <p>8 Q. I'm actually talking about first</p> <p>9 paragraph. Do you understand that the first</p> <p>10 paragraph is a reference to the 2017 note, and</p> <p>11 the amounts that were -- the principal amount</p> <p>12 that was outstanding as of the end of 2019?</p> <p>13 MS. DANDENEAU: Objection to form.</p> <p>14 John, do you mean the first paragraph of</p> <p>15 that page?</p> <p>16 MR. MORRIS: No, the first paragraph</p> <p>17 under notes payable to Highland.</p> <p>18 A. Yeah, I see the paragraph, and</p> <p>19 again, this is what I answered earlier. I</p> <p>20 believe so, just because I don't -- again, this</p> <p>21 is a number in a balance sheet, and without</p> <p>22 matching it up and seeing the detail with the</p> <p>23 schedule like I kind of talked about for</p> <p>24 Highland's financial statements, it is a little</p> <p>25 bit more difficult to tie everything in</p>	<p style="text-align: right;">Page 223</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 perfectly together.</p> <p>3 Q. Okay. But you're not aware of any</p> <p>4 note that was outstanding at the end of 2019</p> <p>5 from NexPoint to Highland other than whatever</p> <p>6 principal was still due and owing under the</p> <p>7 \$30 million note issued in 2017; correct?</p> <p>8 A. Well, it -- I don't -- there is</p> <p>9 reference in the second paragraph. I don't --</p> <p>10 I don't -- I don't recall what that is</p> <p>11 referring to, so I don't -- I don't know.</p> <p>12 Q. Well, if you listen carefully to my</p> <p>13 question, right, I'm asking about notes that</p> <p>14 were outstanding at the end of 2019, and if we</p> <p>15 look at the paragraph you just referred to, it</p> <p>16 says that during the year there were new notes</p> <p>17 issued totaling \$1.5 million, but by the end of</p> <p>18 the year, no principal or interest was</p> <p>19 outstanding on the notes.</p> <p>20 Do you see that?</p> <p>21 A. Oh, I do, yes.</p> <p>22 Q. So does that refresh your</p> <p>23 recollection that there were no notes</p> <p>24 outstanding from NexPoint to Highland other</p> <p>25 than the principal remaining under the original</p>
<p style="text-align: right;">Page 224</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 \$30 million 2017 note that we looked at a</p> <p>3 moment ago?</p> <p>4 A. Well, we're at the bottom of the</p> <p>5 page. Is there anything on page 16?</p> <p>6 Q. That is a fair question, sure. That</p> <p>7 is it.</p> <p>8 A. Okay. So it appears that that is</p> <p>9 the only note that is detailed in the notes in</p> <p>10 the financial statement.</p> <p>11 Q. And you don't have any memory of any</p> <p>12 other note other than the 2017 note, right,</p> <p>13 being outstanding as of the end of the year?</p> <p>14 A. I deal with thousands of</p> <p>15 transactions every year. I don't really have a</p> <p>16 very specific memory for what exactly was</p> <p>17 outstanding.</p> <p>18 MR. MORRIS: Why don't we take a</p> <p>19 break now. We've been going for a little</p> <p>20 while. It's 3:26. Let's come back at</p> <p>21 3:40.</p> <p>22 VIDEOGRAPHER: We're going off the</p> <p>23 record at 3:26 p.m.</p> <p>24 (Recess taken 3:26 p.m. to 3:39 p.m.)</p> <p>25 VIDEOGRAPHER: We are going back on</p>	<p style="text-align: right;">Page 225</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 the record at 3:39 p.m.</p> <p>3 Q. All right. Mr. Waterhouse, we -- I</p> <p>4 don't think we have a lot more here.</p> <p>5 To the best of your knowledge and</p> <p>6 recollection, were all affiliate loans and all</p> <p>7 loans made to Mr. Dondero recorded on</p> <p>8 Highland's books and records as assets of</p> <p>9 Highland?</p> <p>10 MS. DANDENEAU: Object to the form,</p> <p>11 asked and answered.</p> <p>12 A. To my knowledge, yes.</p> <p>13 Q. Okay. Can you recall any loan to</p> <p>14 any affiliate or Mr. Dondero that was not</p> <p>15 recorded on Highland's books and records as an</p> <p>16 asset?</p> <p>17 A. Like during my time as CFO? I don't</p> <p>18 recall.</p> <p>19 Q. How about after the time that you</p> <p>20 were CFO? Did you recall that there was a loan</p> <p>21 by Highland to an affiliate or to Mr. Dondero</p> <p>22 that hadn't been previously recorded on</p> <p>23 Highland's books as an asset?</p> <p>24 MS. DANDENEAU: Objection to form.</p> <p>25 A. I guess I don't understand the</p>

<p style="text-align: right;">Page 226</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 question. I left Highland as of – I'm not</p> <p>3 aware of – I left Highland in February –</p> <p>4 probably the last day of February of 2021.</p> <p>5 Q. Okay.</p> <p>6 A. I'm not – I'm not aware of any –</p> <p>7 I'm not aware of anything past that date.</p> <p>8 Q. Okay. While you were the CFO at</p> <p>9 Highland, did Highland prepare in the ordinary</p> <p>10 course of business a document that reported</p> <p>11 operating results on a monthly basis?</p> <p>12 A. Yes.</p> <p>13 Q. And are you generally familiar with</p> <p>14 the monthly operating reports?</p> <p>15 A. Yeah. You are referring to the</p> <p>16 reports that we filed to the Court every month?</p> <p>17 Q. I apologize, I'm not. I'm taking</p> <p>18 you back to the pre-petition period. There was</p> <p>19 a report that I have seen that I'm going to</p> <p>20 show you, but I'm just asking for your</p> <p>21 knowledge.</p> <p>22 MR. MORRIS: Let's put it up on the</p> <p>23 screen, Exhibit 39.</p> <p>24 (Exhibit 39 marked.)</p> <p>25 Q. Do you see this is a document that</p>	<p style="text-align: right;">Page 227</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 is called operating results?</p> <p>3 A. Yeah, that's the title of it.</p> <p>4 Q. Okay. And was a report of operating</p> <p>5 results prepared by Highland on a monthly basis</p> <p>6 during the time that you served as CFO?</p> <p>7 A. No.</p> <p>8 Q. Are you familiar with a document of</p> <p>9 this type? And we can certainly look at the</p> <p>10 next page or two to refresh your recollection.</p> <p>11 A. I'm just looking at the title. I</p> <p>12 don't really – again, as I discussed before, I</p> <p>13 don't have any records or documents or emails</p> <p>14 or appointments or anything that I was able to</p> <p>15 use prior to – prior to this deposition, so</p> <p>16 I'm doing the best I can.</p> <p>17 Q. Okay. You don't need to apologize.</p> <p>18 I'm just asking you if you are familiar with</p> <p>19 the document called Operating Results that was</p> <p>20 prepared on a monthly basis at Highland?</p> <p>21 MS. DEITSCH-PEREZ: Object to the</p> <p>22 form.</p> <p>23 Q. If you're not, you're not.</p> <p>24 A. I don't believe this was prepared on</p> <p>25 a monthly basis.</p>
<p style="text-align: right;">Page 228</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Okay. Do you see that this one</p> <p>3 is – is dated February 2018?</p> <p>4 A. Yes.</p> <p>5 Q. Do you have – do you believe –</p> <p>6 have you ever seen a document that was</p> <p>7 purporting to report operating results for</p> <p>8 Highland?</p> <p>9 MS. DANDENEAU: Objection to form.</p> <p>10 A. Yes.</p> <p>11 Q. Okay. And when you say that you</p> <p>12 don't believe it was produced on a monthly</p> <p>13 basis, was it produced on any periodic bases to</p> <p>14 the best of your recollection?</p> <p>15 A. I believe it was – it was prepared</p> <p>16 on an annual basis.</p> <p>17 Q. Okay.</p> <p>18 MR. MORRIS: Can we look at the next</p> <p>19 page.</p> <p>20 Q. Do you see that there is a statement</p> <p>21 here called: Significant items impacting</p> <p>22 HCMLP's balance sheet?</p> <p>23 And it is dated February 2018.</p> <p>24 A. Yes.</p> <p>25 Q. Do you recall that there was a</p>	<p style="text-align: right;">Page 229</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 report that Highland prepared that identified</p> <p>3 significant items impacting the balance sheet?</p> <p>4 A. A report that was prepared.</p> <p>5 Q. Let me ask a better question: Did</p> <p>6 Highland prepare reports to the best of your</p> <p>7 recollection that identified significant items</p> <p>8 that impacted its balance sheet?</p> <p>9 A. Well, so Highland prepared a – a</p> <p>10 monthly close package. And maybe I'm</p> <p>11 getting – and – and maybe change names at one</p> <p>12 time or maybe I'm just – again, just</p> <p>13 misremembering – but in that, yes, there is a</p> <p>14 page that would detail just changes in – you</p> <p>15 know, just changes month over month on the</p> <p>16 balance sheet.</p> <p>17 Q. Okay. And maybe it is my fault.</p> <p>18 Maybe I didn't know the proper name for it.</p> <p>19 But let's use the phrase "monthly close</p> <p>20 package."</p> <p>21 Did Highland prepare a monthly close</p> <p>22 package in the ordinary course of business</p> <p>23 during the time that you served as CFO?</p> <p>24 MS. DANDENEAU: Objection to form.</p> <p>25 A. Yes.</p>

<p style="text-align: right;">Page 230</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. And did the monthly close package</p> <p>3 that Highland prepared include information</p> <p>4 concerning significant items that impacted</p> <p>5 Highland's balance sheet?</p> <p>6 A. Yes, it had a page like that is –</p> <p>7 that is on the screen that detailed items</p> <p>8 like – of that nature.</p> <p>9 Q. And do you know who – was there</p> <p>10 anybody at Highland who was responsible for</p> <p>11 overseeing the preparation of the monthly</p> <p>12 reporting package?</p> <p>13 A. That would have been – again, it</p> <p>14 varies over time during my tenure as CFO.</p> <p>15 It – it varied over – over time, but – but</p> <p>16 typically a – a corporate accounting manager.</p> <p>17 Q. And who were the corporate</p> <p>18 accounting managers during your tenure as CFO?</p> <p>19 A. It would have been Dave Klos and</p> <p>20 Kristin Hendrix.</p> <p>21 Q. And did the corporate accounting</p> <p>22 manager deliver to you drafts of the monthly</p> <p>23 close package before it was finalized?</p> <p>24 A. Sometimes.</p> <p>25 Q. Was that the practice even if there</p>	<p style="text-align: right;">Page 231</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 were exceptions to the practice?</p> <p>3 A. The practice meaning that they</p> <p>4 sometimes lured them to me?</p> <p>5 Q. That that was the expectation even</p> <p>6 if circumstances prevented that from happening</p> <p>7 from time to time.</p> <p>8 MS. DEITSCH-PEREZ: Object to the</p> <p>9 form.</p> <p>10 A. I – I would say it started out that</p> <p>11 way but over the years it – it was not</p> <p>12 enforced.</p> <p>13 Q. Okay. So you were – you reviewed</p> <p>14 and approved monthly – monthly reporting</p> <p>15 packages for a certain period of time and then</p> <p>16 over time you stopped doing that.</p> <p>17 Do I have that right?</p> <p>18 MS. DANDENEAU: Objection to form.</p> <p>19 A. Yes, I mean, if you're talking about</p> <p>20 a formal meeting where we sit down and go</p> <p>21 through and approve it. I would say that was</p> <p>22 standard practice a decade – you know, early</p> <p>23 on. And as time went on that – that – that</p> <p>24 practice wasn't followed.</p> <p>25 Q. Okay.</p>
<p style="text-align: right;">Page 232</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. And, quite frankly, I don't even</p> <p>3 know if these were – these were sent to me</p> <p>4 even in any capacity.</p> <p>5 Q. What was the purpose of preparing</p> <p>6 the monthly reporting package – withdrawn.</p> <p>7 What was the purpose of preparing</p> <p>8 the monthly close package?</p> <p>9 MS. DEITSCH-PEREZ: Object to the</p> <p>10 form.</p> <p>11 A. The – the original purpose was so</p> <p>12 that it would just – it would be a report that</p> <p>13 was reviewed monthly with senior management.</p> <p>14 Q. Who was included in the idea of</p> <p>15 senior management?</p> <p>16 A. You know, I think originally when</p> <p>17 this was conceived that would have been like</p> <p>18 Jim Dondero and Mark Okada.</p> <p>19 Q. Were monthly reporting – withdrawn.</p> <p>20 Were monthly close packages prepared</p> <p>21 to the best of your knowledge until the time</p> <p>22 you left Highland?</p> <p>23 A. To my knowledge – I don't know,</p> <p>24 actually. I mean, to my knowledge, I believe</p> <p>25 it was being – that was still being done. I</p>	<p style="text-align: right;">Page 233</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 don't know because, again, I wasn't reviewing</p> <p>3 them. I hadn't reviewed a close package for –</p> <p>4 for a long time. But I believe the standard</p> <p>5 practice that was still being carried out.</p> <p>6 Q. Did you ever have any discussions</p> <p>7 with the debtor's independent board concerning</p> <p>8 any promissory notes that were issued by any of</p> <p>9 the affiliates or Mr. Dondero?</p> <p>10 A. I can't – I can't – I can't recall</p> <p>11 specifically.</p> <p>12 Q. Did you speak with the independent</p> <p>13 board from time to time?</p> <p>14 A. Yes, from – from – from time to</p> <p>15 time I had discussions with the independent</p> <p>16 board members, you know, either – either, you</p> <p>17 know, by themselves or wholly, you know, as –</p> <p>18 as a – as a combined work.</p> <p>19 Q. Okay. Before we talk about</p> <p>20 Mr. Seery, do you recall ever having a</p> <p>21 conversation with Mr. Nelms or Mr. Dubel</p> <p>22 concerning any promissory note that was</p> <p>23 rendered by one of the affiliates or</p> <p>24 Mr. Dondero to Highland?</p> <p>25 A. I don't recall any conversations</p>

<p style="text-align: right;">Page 234</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 specifically.</p> <p>3 Q. Do you know if the topic was ever</p> <p>4 discussed, even if you don't remember it</p> <p>5 specifically?</p> <p>6 MS. DANDENEAU: Objection to form.</p> <p>7 A. It – it – it may have. I don't</p> <p>8 know. I don't recall.</p> <p>9 Q. Do you recall ever discussing any</p> <p>10 promissory note issued by any of the affiliates</p> <p>11 or Mr. Dondero with James Seery?</p> <p>12 A. I don't – I don't recall</p> <p>13 specifically.</p> <p>14 Q. Do you recall generally ever</p> <p>15 discussing the topic of promissory notes issued</p> <p>16 by any of the affiliates or Mr. Dondero to</p> <p>17 Highland with Mr. Seery?</p> <p>18 A. Nothing – nothing is really jumping</p> <p>19 out at me.</p> <p>20 Q. Do you recall if you ever told</p> <p>21 Mr. Seery that any of the affiliates or</p> <p>22 Mr. Dondero didn't have an obligation to pay</p> <p>23 all amounts due and owing under their notes?</p> <p>24 A. I don't recall having that</p> <p>25 conversation.</p>	<p style="text-align: right;">Page 235</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Did you ever tell Mr. Seery that you</p> <p>3 had any reason to believe that the amounts</p> <p>4 reflected in the notes issued by the affiliates</p> <p>5 and Mr. Dondero were invalid for any reason?</p> <p>6 A. I don't – I don't recall.</p> <p>7 Q. Did you tell Mr. Dondero – did you</p> <p>8 tell Mr. Seery that you thought the promissory</p> <p>9 notes issued by the advisors and Mr. Dondero</p> <p>10 that were outstanding as of the petition date</p> <p>11 were assets of the estate?</p> <p>12 A. I don't recall having a specific</p> <p>13 conversation about those – you know, those</p> <p>14 notes outstanding as – as of the petition date</p> <p>15 being assets on the estate. I mean, we put</p> <p>16 together – you know, they're in the books and</p> <p>17 records of the financial statements. I don't</p> <p>18 recall having a specific conversation.</p> <p>19 Q. Did you ever prepare any documents</p> <p>20 that were delivered to Mr. Seery that concerned</p> <p>21 the promissory notes issued by any of the</p> <p>22 affiliates or Mr. Dondero?</p> <p>23 MS. DANDENEAU: Objection to form.</p> <p>24 A. Did I produce any that concerned –</p> <p>25 you mean did I just – did I give Mr. Seery</p>
<p style="text-align: right;">Page 236</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 anything that – that said I have concerns over</p> <p>3 these notes?</p> <p>4 Q. No. Let me try again. Maybe it was</p> <p>5 my question.</p> <p>6 Did you ever give Mr. Seery any</p> <p>7 information concerning any of the notes that</p> <p>8 were issued by any of the affiliates or</p> <p>9 Mr. Dondero?</p> <p>10 MS. DANDENEAU: Objection to form.</p> <p>11 A. I don't recall if I did or not. I</p> <p>12 don't – I don't remember. I mean, you have my</p> <p>13 emails. You may have asked. Again, I don't –</p> <p>14 I don't know.</p> <p>15 MR. MORRIS: Can we put up the</p> <p>16 document that has been premarked as Exhibit</p> <p>17 39?</p> <p>18 MS. DANDENEAU: John, that is this</p> <p>19 document, isn't it?</p> <p>20 MR. MORRIS: Oh, yeah, it might be,</p> <p>21 as a matter of fact. Let's go to Number</p> <p>22 40.</p> <p>23 (Exhibit 40 marked.)</p> <p>24 Q. During the bankruptcy,</p> <p>25 Mr. Waterhouse, did you prepare documents that</p>	<p style="text-align: right;">Page 237</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 were filed with the bankruptcy court?</p> <p>3 A. I didn't – I didn't prepare them</p> <p>4 personally.</p> <p>5 Q. Did people prepare them under your</p> <p>6 direction?</p> <p>7 A. Yes. There were members of the team</p> <p>8 that prepared them, and they worked in – you</p> <p>9 know, there were members of DSI that were</p> <p>10 involved in the process as well.</p> <p>11 Q. To the best of your knowledge, did</p> <p>12 DSI rely on the employees of Highland for the</p> <p>13 information that they used to prepare the</p> <p>14 bankruptcy filings?</p> <p>15 A. Yes. The books and records were</p> <p>16 with the Highland personnel.</p> <p>17 Q. Okay. And do you see on the screen</p> <p>18 here, there is a document that we have marked</p> <p>19 as Exhibit 40 that is – that is titled Summary</p> <p>20 of Assets and Liabilities?</p> <p>21 A. Uh-huh.</p> <p>22 Q. Okay. And do you recall reviewing</p> <p>23 any summary of assets and liabilities before it</p> <p>24 was filed with the bankruptcy court?</p> <p>25 A. Yes, I recall reviewing this at a</p>

<p style="text-align: right;">Page 238</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 high level.</p> <p>3 Q. And did you believe that it was</p> <p>4 accurate at the time it was filed?</p> <p>5 A. I didn't have any other reason to</p> <p>6 believe otherwise.</p> <p>7 Q. Okay. Do you see that the total</p> <p>8 value of all properties listed in Part 1 is</p> <p>9 approximately \$410 million?</p> <p>10 MS. DEITSCH-PEREZ: Objection to</p> <p>11 form.</p> <p>12 A. Yes, it is in 1c.</p> <p>13 Q. Yes.</p> <p>14 A. Yes, I see that.</p> <p>15 Q. Okay. If we go to the second page,</p> <p>16 now I think I may just have excerpts here, just</p> <p>17 so everybody is clear, but if we scroll down to</p> <p>18 the second page, you will see that there is</p> <p>19 a – a little further. There you go. You will</p> <p>20 see there is a reference to Item 71, notes</p> <p>21 receivable.</p> <p>22 Do you see that?</p> <p>23 A. I do.</p> <p>24 Q. And that was a reference to the</p> <p>25 notes receivable from the affiliates and</p>	<p style="text-align: right;">Page 239</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Mr. Dondero, among others; is that right?</p> <p>3 MS. DANDENEAU: Objection to form.</p> <p>4 A. Yes. The affiliate notes and the</p> <p>5 Dondero notes were in this amount, but they</p> <p>6 weren't – again, like you said, and among</p> <p>7 others.</p> <p>8 Q. Okay. We will look at the</p> <p>9 specificity because I'm not playing gaming</p> <p>10 here, but do you know if the \$150 million of</p> <p>11 notes receivable was included within the</p> <p>12 \$410 million of total value of the debtor's</p> <p>13 assets?</p> <p>14 MS. DANDENEAU: Objection to form.</p> <p>15 A. I – I – I believe so.</p> <p>16 Q. Right. And so is it fair to say</p> <p>17 that as of the date this document was prepared,</p> <p>18 the notes receivable were more than one-third</p> <p>19 of the value of the debtor's assets?</p> <p>20 MS. DEITSCH-PEREZ: Object to the</p> <p>21 form.</p> <p>22 MS. DANDENEAU: Object to the form.</p> <p>23 A. Again, if you are just taking the</p> <p>24 math, 150 divided by whatever the \$400 million</p> <p>25 number is above, then yes, you get there.</p>
<p style="text-align: right;">Page 240</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Okay.</p> <p>3 A. You know, but as of the time of this</p> <p>4 filing, that is what was put in this filing,</p> <p>5 right, but, you know, I mean, numbers –</p> <p>6 numbers change, facts and circumstances change.</p> <p>7 Q. But as the CFO of Highland, the</p> <p>8 debtor in bankruptcy, did you believe that this</p> <p>9 number accurately reflected the total amount</p> <p>10 due under the notes receivable?</p> <p>11 A. That is what we had in our books and</p> <p>12 records.</p> <p>13 Q. Okay. And did you believe as the</p> <p>14 CFO that the books and records accurately</p> <p>15 reported the then value of the debtor's assets?</p> <p>16 MS. DANDENEAU: Objection to form.</p> <p>17 A. We didn't – as part of this filing,</p> <p>18 there was no fair value measurement or</p> <p>19 anything. These were just accounting entries</p> <p>20 for the promissory notes. There is no analysis</p> <p>21 for impairment or fair market value adjustments</p> <p>22 or anything of that nature. This is purely</p> <p>23 taking numbers and putting them in our form.</p> <p>24 Q. Did you do any impairment analysis</p> <p>25 at any time while you were employed by</p>	<p style="text-align: right;">Page 241</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Highland?</p> <p>3 A. Yes, we did do impairment analysis</p> <p>4 on – on assets.</p> <p>5 Q. Okay. Did you ever do an impairment</p> <p>6 analysis on any of the promissory notes that</p> <p>7 were given to Highland by any of the affiliates</p> <p>8 or Mr. Dondero?</p> <p>9 A. Not that I recall.</p> <p>10 Q. Under what circumstances do you</p> <p>11 prepare impairment analyses?</p> <p>12 A. As – as – if you're preparing</p> <p>13 financials in accordance with GAAP, generally</p> <p>14 accepted accounting principles, if you're</p> <p>15 preparing full GAAP financials, you should be</p> <p>16 preparing – you should be undergoing on a</p> <p>17 periodic basis any fair market value</p> <p>18 adjustments to assets.</p> <p>19 As I was instructed at the time of</p> <p>20 the petition date, we weren't producing GAAP</p> <p>21 financials. So this wasn't something I was</p> <p>22 worried about nor concerned about.</p> <p>23 Q. Okay. Were NexPoint and HCMFA and</p> <p>24 Highland's audited financial statements</p> <p>25 prepared in accordance with GAAP?</p>

<p style="text-align: right;">Page 242</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. The audited financials – yes,</p> <p>3 audited financial statements are prepared in</p> <p>4 accordance with GAAP.</p> <p>5 Q. Do you recall whether any of</p> <p>6 Highland or HCMFA or NexPoint ever made a fair</p> <p>7 market value adjustment to any of the notes</p> <p>8 issued by any of the affiliates or Mr. Dondero</p> <p>9 to Highland?</p> <p>10 A. I do not recall that happening, but</p> <p>11 the – it is because under – under GAAP,</p> <p>12 the – the treatment of liabilities is</p> <p>13 different than assets.</p> <p>14 Q. Okay. So then let's just focus on</p> <p>15 Highland's audited financial statements.</p> <p>16 The last audited financial</p> <p>17 statements were for the period ending December</p> <p>18 31st, 2018; correct?</p> <p>19 A. That is my understanding.</p> <p>20 Q. And you had – you had an obligation</p> <p>21 to disclose anything to PricewaterhouseCoopers</p> <p>22 concerning any subsequent events between the</p> <p>23 end of 2018 and June 3rd, 2019; correct?</p> <p>24 MS. DANDENEAU: Objection to form.</p> <p>25 MS. DEITSCH-PEREZ: Form.</p>	<p style="text-align: right;">Page 243</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. Correct.</p> <p>3 Q. Okay. To the best of your</p> <p>4 knowledge, as Highland's CFO, did Highland ever</p> <p>5 make any fair market value adjustments to any</p> <p>6 of the promissory notes that were carried on</p> <p>7 its balance sheet and that were issued by any</p> <p>8 of the affiliates or Mr. Dondero?</p> <p>9 A. I think I answered that question</p> <p>10 earlier. I don't recall doing that for any of</p> <p>11 the – those – those notes. So it would have</p> <p>12 included the audit for the – for the 2018</p> <p>13 period.</p> <p>14 Q. Okay.</p> <p>15 MR. MORRIS: Can we go to the next</p> <p>16 page.</p> <p>17 Q. Do you see this is a note a list of</p> <p>18 notes receivable? Do you see that?</p> <p>19 A. Yes, I do.</p> <p>20 Q. And do you see that this ties into</p> <p>21 the page that we were just looking?</p> <p>22 A. I'm sorry, can we go back to the</p> <p>23 prior page? I mean, it was at 150,331,222. It</p> <p>24 was on the prior page. Next page. Yes, it</p> <p>25 agrees.</p>
<p style="text-align: right;">Page 244</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Okay. So now let's look at that</p> <p>3 schedule. So this was the face amount of all</p> <p>4 of the promissory notes that Highland held at</p> <p>5 the time this document was filed with the</p> <p>6 bankruptcy court; right?</p> <p>7 A. Yes.</p> <p>8 Q. There is a footnote there that says,</p> <p>9 doubtful or uncollectible accounts are</p> <p>10 evaluated at year-end.</p> <p>11 Do you see that?</p> <p>12 A. I do.</p> <p>13 Q. Okay. And is it fair to say that as</p> <p>14 of the year-end 2018, the year before this,</p> <p>15 that to the extent any of these notes were</p> <p>16 outstanding at that time, they weren't deemed</p> <p>17 to be doubtful or uncollectible?</p> <p>18 A. Yeah. For the 2018 audit, there</p> <p>19 weren't any – there weren't any adjustments to</p> <p>20 fair value.</p> <p>21 Q. Okay. And during the bankruptcy, do</p> <p>22 you recall that Highland subsequently reserved</p> <p>23 for the Hunter Mountain Investment Trust note?</p> <p>24 A. Yes.</p> <p>25 Q. Why did Highland – were you</p>	<p style="text-align: right;">Page 245</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 involved in the decision to reserve the Hunter</p> <p>3 Mountain Investment Trust note?</p> <p>4 A. I was not.</p> <p>5 Q. Do you know why Highland decided to</p> <p>6 reserve for the Hunter Mountain Investment</p> <p>7 Trust note?</p> <p>8 A. I don't know yet decision was made.</p> <p>9 I believe it was made by someone at DSI.</p> <p>10 Q. Okay. I'm just asking if you know</p> <p>11 why.</p> <p>12 Did you ever ask anyone why they</p> <p>13 reserved for that particular note?</p> <p>14 A. I don't recall.</p> <p>15 Q. Do you know whether the debtor</p> <p>16 reserved for any other note on this list during</p> <p>17 the bankruptcy?</p> <p>18 A. Again, I don't recall. I wasn't</p> <p>19 part of any process of – again, like any fair</p> <p>20 value adjustments or anything to that degree.</p> <p>21 Like I said, a lot of that was done by DSI and</p> <p>22 it was kind of out of our court.</p> <p>23 Q. Okay. Do you know if any note</p> <p>24 receivable on this list was ever deemed by the</p> <p>25 debtor to be doubtful or uncollectible?</p>

<p style="text-align: right;">Page 246</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. I don't – I don't have a</p> <p>3 recollection of every filing, so I don't know.</p> <p>4 Q. Did you ever have a discussion with</p> <p>5 anybody at any time about whether any of the</p> <p>6 notes receivable on this list should be deemed</p> <p>7 to be doubtful or uncollectible?</p> <p>8 A. No. As I previously stated, we were</p> <p>9 told we didn't have to keep GAAP financials.</p> <p>10 We weren't having – you know, there is no</p> <p>11 underlying audits being performed, so I mean,</p> <p>12 it wasn't something I worried about.</p> <p>13 MR. MORRIS: I move to strike.</p> <p>14 Q. Did you ever have a conversation</p> <p>15 with anybody about any of the notes receivable</p> <p>16 and whether they should be deemed to be</p> <p>17 doubtful or uncollectible? Did you have the</p> <p>18 conversation, yes or no?</p> <p>19 MS. DANDENEAU: Objection to form.</p> <p>20 A. I don't recall.</p> <p>21 Q. Do you recall ever telling anybody</p> <p>22 that you believed any of the notes receivable</p> <p>23 on this list should be doubtful – should be</p> <p>24 deemed to be doubtful or uncollectible?</p> <p>25 MS. DANDENEAU: Objection to form.</p>	<p style="text-align: right;">Page 247</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. I don't recall. I mean, it may have</p> <p>3 happened, you know, again, when we initially</p> <p>4 getting DSI up to speed and going through</p> <p>5 financials, it may have happened, but I don't</p> <p>6 recall specifically.</p> <p>7 Q. While you were the CFO of Highland</p> <p>8 during the time that the company was in</p> <p>9 bankruptcy, did you have any reason to believe</p> <p>10 that any of the notes receivable on this list</p> <p>11 other than Hunter Mountain Investment Trust</p> <p>12 should have been characterized as doubtful or</p> <p>13 uncollectible?</p> <p>14 MS. DANDENEAU: Objection to form.</p> <p>15 MS. DEITSCH-PEREZ: Form.</p> <p>16 A. I didn't know. I didn't form an</p> <p>17 opinion. Bankruptcy was new to me. It still</p> <p>18 is new to me, even after going through this.</p> <p>19 So I really didn't know what to expect nor</p> <p>20 really – you know, I didn't know.</p> <p>21 MR. MORRIS: I move to strike.</p> <p>22 Q. During the period of Highland's</p> <p>23 bankruptcy when you were serving as CFO, did</p> <p>24 you have any reason to believe any of the notes</p> <p>25 on this list were doubtful or uncollectible?</p>
<p style="text-align: right;">Page 248</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 MS. DEITSCH-PEREZ: This is like the</p> <p>3 fifth time you've asked it. Object to the</p> <p>4 form.</p> <p>5 MR. MORRIS: I'm moving to strike,</p> <p>6 if you haven't noticed, because he's not</p> <p>7 answering the question.</p> <p>8 MS. DEITSCH-PEREZ: He was answering</p> <p>9 the question, you just didn't like it, like</p> <p>10 the answer.</p> <p>11 MR. MORRIS: Good Lord.</p> <p>12 Q. Go ahead, Mr. Waterhouse.</p> <p>13 A. Again, I don't – we brought up a</p> <p>14 myriad of issues at the start of the bankruptcy</p> <p>15 case. I don't recall if this was one of them,</p> <p>16 but, again, there are a lot of things we</p> <p>17 couldn't change. Even, you know, I was told</p> <p>18 status quo, blah, blah, blah, right, there is a</p> <p>19 stay, you can't – you know, I don't recall</p> <p>20 specifically, but that doesn't mean it didn't</p> <p>21 happen.</p> <p>22 MR. MORRIS: I move to strike.</p> <p>23 Q. During the time that Highland was in</p> <p>24 bankruptcy and you served as CFO, did you have</p> <p>25 any reason to believe that any of the notes</p>	<p style="text-align: right;">Page 249</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 receivable on this list were doubtful or</p> <p>3 uncollectible?</p> <p>4 MS. DEITSCH-PEREZ: Object to the</p> <p>5 form.</p> <p>6 A. Potentially.</p> <p>7 Q. Did you ever tell anybody that?</p> <p>8 A. As I just stated like five times,</p> <p>9 yes, we – at the beginning after filing and we</p> <p>10 were getting DSI and others up to speed, you</p> <p>11 know, we had a myriad of discussions of a lot</p> <p>12 of things and this was likely one of them. I</p> <p>13 don't – but I don't recall specifically we</p> <p>14 talked –</p> <p>15 Q. I don't want to know – I don't want</p> <p>16 to know what was –</p> <p>17 MS. DEITSCH-PEREZ: Wait, wait.</p> <p>18 Excuse me. Mr. Morris, you did not let him</p> <p>19 finish his answer.</p> <p>20 A. I spoke – we had – we were</p> <p>21 bringing Fred Karesa and Brad Sharp (phonetic)</p> <p>22 up to speed on all of these items, contracts,</p> <p>23 and investments and going through – we had</p> <p>24 hours and hours and hours of discussion. And</p> <p>25 then not only do I have to repeat this not</p>

<p style="text-align: right;">Page 250</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 once, twice, three, four times with – you</p> <p>3 know, I mean, we – I don't – I don't remember</p> <p>4 the sum culmination of all these discussions.</p> <p>5 They all kind of blend together.</p> <p>6 MR. MORRIS: Okay. I move to strike</p> <p>7 and I will try one more time.</p> <p>8 Q. Did you ever tell anybody at DSI</p> <p>9 that you believed any of the notes receivable</p> <p>10 on this list were doubtful or uncollectible?</p> <p>11 MS. DANDENEAU: Object to form.</p> <p>12 A. Potentially.</p> <p>13 Q. Potentially you told them or</p> <p>14 potentially they were doubtful or</p> <p>15 uncollectible?</p> <p>16 A. Potentially I told them that we</p> <p>17 needed to look at the value of these – of</p> <p>18 these assets.</p> <p>19 Q. Okay. Did you – okay. It is</p> <p>20 potential that you told them and it is</p> <p>21 potentially that you didn't; right?</p> <p>22 MS. DANDENEAU: Objection to form.</p> <p>23 A. I've gone through that. I don't</p> <p>24 recall specifically.</p> <p>25 Q. So you should just – I don't want</p>	<p style="text-align: right;">Page 251</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 to tell what you to do. Do you have –</p> <p>3 MS. DANDENEAU: Good.</p> <p>4 Q. Other than – other than telling</p> <p>5 them that they should look at the values, do</p> <p>6 you have any recollection whatsoever of ever</p> <p>7 having told anybody at DSI that any of the</p> <p>8 notes receivable on this page were doubtful or</p> <p>9 uncollectible?</p> <p>10 MS. DEITSCH-PEREZ: Object to the</p> <p>11 form.</p> <p>12 MS. DANDENEAU: Objection.</p> <p>13 A. I recall having general discussions</p> <p>14 about everything on our balance sheet which</p> <p>15 would have included these – these notes</p> <p>16 receivable.</p> <p>17 Q. Okay.</p> <p>18 A. I don't recall specifically where</p> <p>19 those discussions delved into.</p> <p>20 Q. Do you recall any discussion at all</p> <p>21 on the topic of whether any of these notes on</p> <p>22 this list were doubtful or uncollectible?</p> <p>23 MR. AIGEN: Mr. Morris, how on earth</p> <p>24 is that question different from the</p> <p>25 question that you just asked for the last</p>
<p style="text-align: right;">Page 252</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 five times? I mean, really I thought you</p> <p>3 were – (overspeak.)</p> <p>4 MR. MORRIS: Because he never</p> <p>5 answered it.</p> <p>6 MS. DEITSCH-PEREZ: Are you</p> <p>7 listening to him?</p> <p>8 MR. MORRIS: You know –</p> <p>9 MS. DEITSCH-PEREZ: He basically</p> <p>10 said that he had a conversation with DSI</p> <p>11 that went over all of this stuff and that</p> <p>12 conversation could have included the notes</p> <p>13 but he doesn't recall specifically.</p> <p>14 What more do you want him – to ask</p> <p>15 of him?</p> <p>16 MR. MORRIS: I want him – I would</p> <p>17 love him to say – I would like him to</p> <p>18 testify to the truth, and that is he has no</p> <p>19 recollection.</p> <p>20 MS. DEITSCH-PEREZ: Well, the truth</p> <p>21 as you would like to see it, but – but he</p> <p>22 is testifying truthfully. And I – and, by</p> <p>23 the way, I move to strike that comment –</p> <p>24 MR. MORRIS: Okay.</p> <p>25 MS. DEITSCH-PEREZ: – because it</p>	<p style="text-align: right;">Page 253</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 suggests that he has not testified</p> <p>3 truthfully.</p> <p>4 MR. MORRIS: I will ask my question</p> <p>5 again. And if at any time you want to</p> <p>6 direct him not to answer, that is your</p> <p>7 prerogative.</p> <p>8 Q. Mr. Waterhouse, do you have any</p> <p>9 recollection at all of ever telling anybody</p> <p>10 from DSI that any of these notes were doubtful</p> <p>11 or uncollectible?</p> <p>12 MS. DANDENEAU: Object to form.</p> <p>13 A. I don't remember specifically.</p> <p>14 Q. Do you remember generally that</p> <p>15 specific topic?</p> <p>16 A. We generally talked about assets,</p> <p>17 values. If – we had discussions of that and</p> <p>18 collectability in nature. I mean, of Highland,</p> <p>19 the funds, the CLOs, the entire complex. We</p> <p>20 had discussions like that, which is, you know,</p> <p>21 as you look at a billion dollar consolidated</p> <p>22 balance sheet.</p> <p>23 So I generally remember – this is</p> <p>24 billions of dollars, including these assets –</p> <p>25 having discussions of this – of this type.</p>

<p style="text-align: right;">Page 254</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Do you believe that an affiliate</p> <p>3 loan on this list was doubtful or</p> <p>4 uncollectible? Would you have told that to</p> <p>5 DSI?</p> <p>6 MS. DANDENEAU: Objection to form.</p> <p>7 MS. DEITSCH-PEREZ: Object to form.</p> <p>8 A. If we had, like – again, if we –</p> <p>9 if – if we weren't preparing financial</p> <p>10 statements in accordance with GAAP, and – you</p> <p>11 know, if DSI at that point – they were –</p> <p>12 again, I was new to bankruptcy.</p> <p>13 The CRO is – we are delegating</p> <p>14 everything to the CRO. All the decisionmaking.</p> <p>15 Remember – remember when you and I went into</p> <p>16 Delaware Court and we were saying DSI basically</p> <p>17 does everything, remember this, Mr. Morris?</p> <p>18 You were my counsel at the time, and</p> <p>19 basically we're running everything through DSI.</p> <p>20 That was what this was like in the early part.</p> <p>21 Everything was communicated through</p> <p>22 DSI. So DSI says this. DSI says that. That</p> <p>23 is what we're doing, and we're pointing out</p> <p>24 things to them.</p> <p>25 Now, they decide what direction this</p>	<p style="text-align: right;">Page 255</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 goes.</p> <p>3 Q. Did you point out that any of</p> <p>4 these –</p> <p>5 A. I don't recall specifically.</p> <p>6 Q. Okay. At any time that you served</p> <p>7 as Highland's CFO, did you ever point out to</p> <p>8 DSI that any of these loans were doubtful or</p> <p>9 uncollectible?</p> <p>10 MS. DEITSCH-PEREZ: Object to the</p> <p>11 form.</p> <p>12 MS. DANDENEAU: Objection.</p> <p>13 A. If you're asking me if I had a</p> <p>14 conversation with DSI, if any of these loans</p> <p>15 were doubtful or uncollectible, I don't recall</p> <p>16 specifically.</p> <p>17 Q. Do you recall that the debtor filed</p> <p>18 on the docket monthly operating reports?</p> <p>19 A. Yes.</p> <p>20 Q. You prepared those personally,</p> <p>21 didn't you?</p> <p>22 MS. DEITSCH-PEREZ: Objection to</p> <p>23 form.</p> <p>24 A. I didn't personally prepare them,</p> <p>25 the team did with DSI.</p>
<p style="text-align: right;">Page 256</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. But you signed them; correct?</p> <p>3 A. My signature is on the MORs.</p> <p>4 Q. And you signed them as the preparer</p> <p>5 of the document; correct?</p> <p>6 A. Yes, I did this pursuant to DSI's</p> <p>7 instructions.</p> <p>8 Q. Okay. You wouldn't have signed the</p> <p>9 document if you didn't believe it to be</p> <p>10 accurate; correct?</p> <p>11 A. If I had reason to believe it</p> <p>12 wasn't, presumably I wouldn't have signed it.</p> <p>13 Q. Okay. And do you have any reason to</p> <p>14 believe right now that any monthly operating</p> <p>15 report that has your signature on it was</p> <p>16 inaccurate in any way?</p> <p>17 MS. DEITSCH-PEREZ: Object to the</p> <p>18 form.</p> <p>19 A. My understanding of the monthly</p> <p>20 operating reports is we were filing them in</p> <p>21 accordance with the standards set by the Court.</p> <p>22 It wasn't – you know, again, I don't – you</p> <p>23 know, it wasn't GAAP. It wasn't these other</p> <p>24 standards, so I testified I didn't have</p> <p>25 experience in this. The CRO was running the</p>	<p style="text-align: right;">Page 257</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 show. I followed their advice.</p> <p>3 Q. But you assured yourself that</p> <p>4 everything in the report was accurate before</p> <p>5 you signed them; correct?</p> <p>6 MS. DANDENEAU: Objection to form.</p> <p>7 A. I trusted the guidance from the CRO</p> <p>8 and their team and their experience and their</p> <p>9 guidance for doing this for many, many, many</p> <p>10 years to – to – to categorize and put things</p> <p>11 in ways on the form.</p> <p>12 You know, my team had – had not</p> <p>13 filled out these forms before and needed all of</p> <p>14 this guidance. I'm not an expert in this. I</p> <p>15 have oversight of it. I signed the form. DSI</p> <p>16 told me to.</p> <p>17 Q. And you and your team are the source</p> <p>18 of the information that DSI used to create the</p> <p>19 reports; correct?</p> <p>20 MS. DANDENEAU: Objection to form.</p> <p>21 A. The books and records reside with</p> <p>22 the – with – with the corporate accounting</p> <p>23 team.</p> <p>24 Q. Okay. And the corporate accounting</p> <p>25 team was the corporate accounting team that was</p>

<p style="text-align: right;">Page 258</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 under your direction; correct?</p> <p>3 A. Yes.</p> <p>4 Q. So -- so your team was responsible</p> <p>5 for maintaining Highland's books and records;</p> <p>6 correct?</p> <p>7 A. I'm sorry, my team was responsible?</p> <p>8 Q. Correct.</p> <p>9 A. Yes. They -- they -- they were</p> <p>10 the -- the -- the general ledger of Highland,</p> <p>11 that responsibility was with the corporate</p> <p>12 accounting team.</p> <p>13 Q. The corporate accounting group</p> <p>14 reported to you; correct?</p> <p>15 A. Yes.</p> <p>16 MR. MORRIS: Can we put up 41,</p> <p>17 please.</p> <p>18 (Exhibit 41 marked.)</p> <p>19 Q. All right. You will see that this</p> <p>20 is a report that is dated January 31st, 2020,</p> <p>21 but it is for the month ending December 2019.</p> <p>22 Do you see that?</p> <p>23 A. I do.</p> <p>24 Q. And you signed this report in your</p> <p>25 capacity as the chief financial officer of</p>	<p style="text-align: right;">Page 259</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Highland; correct?</p> <p>3 A. Yes.</p> <p>4 Q. And you're the preparer -- you're</p> <p>5 identified as the preparer of the report;</p> <p>6 correct?</p> <p>7 A. That is correct.</p> <p>8 Q. Do you recall participating in the</p> <p>9 preparation of monthly operating reports?</p> <p>10 A. As I testified earlier, it was put</p> <p>11 together, you know, with the team. The team</p> <p>12 worked with DSI to put these monthly operating</p> <p>13 reports together. We had no experience at this</p> <p>14 time of the monthly operating reports or things</p> <p>15 of this nature.</p> <p>16 MR. MORRIS: Can you turn to the</p> <p>17 next page, please.</p> <p>18 Q. Do you see a line item under assets</p> <p>19 due from affiliates?</p> <p>20 A. Yes, I do.</p> <p>21 Q. Okay. And to the best of your</p> <p>22 knowledge and understanding, as the person who</p> <p>23 is identified as the preparer of this report,</p> <p>24 does that line item include the affiliate loans</p> <p>25 that we've been talking about?</p>
<p style="text-align: right;">Page 260</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. Again, I would have to see, just</p> <p>3 like we did with the financial statements of</p> <p>4 Highland and NexPoint, I would have to see a</p> <p>5 detailed build, but, you know, if you look at</p> <p>6 the other line items, you know, the only other</p> <p>7 place it could be would be in -- in other</p> <p>8 assets.</p> <p>9 Q. Okay. And as a matter of</p> <p>10 arithmetic, is it fair to say that is the value</p> <p>11 of the assets due from affiliates was more than</p> <p>12 25 percent of the value of Highland's total</p> <p>13 assets as of 12/31/2019?</p> <p>14 MS. DANDENEAU: Objection to form.</p> <p>15 A. I'm really not doing the mental math</p> <p>16 right now, so I've been going at this depo for</p> <p>17 hours, so I'm really not -- you know --</p> <p>18 Q. All right. No problem.</p> <p>19 A. -- these are millions of dollars.</p> <p>20 Q. Let's look at the Footnote 1,</p> <p>21 please. Do you see there is a reference to the</p> <p>22 Hunter Mountain note?</p> <p>23 A. Yes, I see that in Footnote 1.</p> <p>24 Q. Okay. And that's the reserve that</p> <p>25 was taken against that note?</p>	<p style="text-align: right;">Page 261</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. Yes, that is what this indicates.</p> <p>3 Q. Okay. And were you aware that the</p> <p>4 reserve was being taken on that it was?</p> <p>5 A. I was -- I was aware, yeah, at some</p> <p>6 point, yes.</p> <p>7 Q. Okay. And are you aware of any</p> <p>8 reserve being taken with respect to any other</p> <p>9 note that was issued in favor of Highland?</p> <p>10 A. Again, as I testified, we didn't go</p> <p>11 through an analysis on -- on -- on the other</p> <p>12 notes.</p> <p>13 Q. Can we turn --</p> <p>14 A. I believe -- I believe it says that</p> <p>15 in Footnote 1, fair value has not been</p> <p>16 determined with respect to any of the notes.</p> <p>17 So this footnote -- footnotes, look,</p> <p>18 there has been no determination.</p> <p>19 Q. Okay. The determination was made in</p> <p>20 the audited financial statements just six</p> <p>21 months earlier; right? We saw that earlier?</p> <p>22 A. That was as of 12/31/18. I mean,</p> <p>23 things -- circumstances -- there's a bank --</p> <p>24 circumstances change, things change -- things</p> <p>25 change over time, you know, facts and</p>

<p style="text-align: right;">Page 262</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 circumstances change. Again, you have to do an</p> <p>3 analysis.</p> <p>4 Q. Okay. And you do recall that in</p> <p>5 Highland's 2018 financial statement, all of the</p> <p>6 notes issued by affiliates and Mr. Dondero that</p> <p>7 were due at year-end had a fair value equal to</p> <p>8 the carrying value; correct? We looked at</p> <p>9 that?</p> <p>10 A. Yes. That was in the -- in the</p> <p>11 disclosure for the -- for the affiliate notes,</p> <p>12 yes.</p> <p>13 Q. And -- and you were obligated to</p> <p>14 share with PwC any subsequent events between</p> <p>15 the end of 2018 and the date that you signed</p> <p>16 your management representation letter on June</p> <p>17 3rd, 2019; correct?</p> <p>18 MS. DEITSCH-PEREZ: Object to the</p> <p>19 form.</p> <p>20 A. Yes. I -- I -- I signed the</p> <p>21 management, you know, my signature is in the</p> <p>22 management representation letter -- I hope I'm</p> <p>23 answering your question -- that is dated in</p> <p>24 June with the representations made in that</p> <p>25 management representation letter.</p>	<p style="text-align: right;">Page 263</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Okay. And there was nothing that</p> <p>3 caused PricewaterhouseCoopers to include in</p> <p>4 subsequent events any adjustment to the</p> <p>5 conclusion that the fair value of the affiliate</p> <p>6 notes and the notes issued by Mr. Dondero</p> <p>7 equaled the carrying value; correct?</p> <p>8 MS. DANDENEAU: Objection to the</p> <p>9 form.</p> <p>10 A. That is correct. That is what was</p> <p>11 in the -- in the -- in the footnotes.</p> <p>12 Q. Okay. So are you aware of anything</p> <p>13 that occurred between June 3rd, 2019 and</p> <p>14 December 31st, 2019 that would have caused the</p> <p>15 fair value of the notes to differ from the</p> <p>16 carrying value?</p> <p>17 A. Yeah. Highland filed for</p> <p>18 bankruptcy, things changed -- I mean, there was</p> <p>19 a bankruptcy filed in October of -- of -- of</p> <p>20 2019, right, the petition date that we've</p> <p>21 described earlier.</p> <p>22 I mean, I had a -- I guess looking</p> <p>23 back naively, I thought we were going to get an</p> <p>24 audit from PwC for year-ended 2019, and when we</p> <p>25 had discussions with PwC, they were like, are</p>
<p style="text-align: right;">Page 264</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 you crazy, we're not auditing this. Values</p> <p>3 change, all these things change, bankruptcy</p> <p>4 changes the entire scenario. I mean -- and</p> <p>5 they're like, we're not -- we're not touching</p> <p>6 this.</p> <p>7 And so, you know, I was like, okay,</p> <p>8 sorry, I get it, okay, no an audit.</p> <p>9 I mean, it is -- you know, and --</p> <p>10 you know, and we weren't preparing GAAP</p> <p>11 financial statements.</p> <p>12 Again, I didn't know what we were</p> <p>13 doing in relation to our financial statements,</p> <p>14 but these were the discussions I was having at</p> <p>15 the time. And yeah, I mean, filing bankruptcy</p> <p>16 from what I got from outside auditors and</p> <p>17 others involved changed things dramatically.</p> <p>18 Q. Okay. Highland wasn't the obligor</p> <p>19 under any of the notes that we're talking</p> <p>20 about; correct?</p> <p>21 A. No.</p> <p>22 Q. So --</p> <p>23 A. That's right.</p> <p>24 Q. So can you identify any fact that</p> <p>25 would cause the fair value to deviate from the</p>	<p style="text-align: right;">Page 265</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 carrying value during the seven-month period</p> <p>3 between June 3rd and the end of the year, 2019?</p> <p>4 MS. DANDENEAU: Objection to form.</p> <p>5 A. No. I mean, I'm putting myself back</p> <p>6 at that time, right. Hindsight is 2020, but we</p> <p>7 didn't do an analysis, but we would have done a</p> <p>8 fulsome analysis and looked at all of the facts</p> <p>9 and circumstances at the time, but asset values</p> <p>10 change. You know, there could have been a</p> <p>11 market crash in hindsight in 2020, which --</p> <p>12 which affected entities' abilities.</p> <p>13 There could have been all of these</p> <p>14 things, right, that -- that happen. It is --</p> <p>15 it is easy to look back in hindsight, but when</p> <p>16 you are looking at this in -- in realtime, the</p> <p>17 analysis is different, and again, we didn't do</p> <p>18 an analysis.</p> <p>19 Q. Okay. You didn't do an analysis.</p> <p>20 Do I have that right?</p> <p>21 A. I don't -- I don't recall doing one</p> <p>22 or maybe -- you know, I don't recall doing one.</p> <p>23 MR. MORRIS: Okay. I'm going to</p> <p>24 take a break. I may be done, so the time</p> <p>25 now is -- is 4:30 your time. Let's just</p>

<p style="text-align: right;">Page 266</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 take a short break until 4:40 your time.</p> <p>3 MS. DANDENEAU: Okay.</p> <p>4 VIDEOGRAPHER: We're going off the</p> <p>5 record, 4:31 p.m.</p> <p>6 (Recess taken 4:31 p.m. to 4:43 p.m.)</p> <p>7 VIDEOGRAPHER: We are back on the</p> <p>8 record at 4:43 p.m.</p> <p>9 MR. MORRIS: I have no further</p> <p>10 questions.</p> <p>11 MR. RUKAVINA: Okay.</p> <p>12 Mr. Waterhouse, I will go next.</p> <p>13 EXAMINATION</p> <p>14 BY MR. RUKAVINA:</p> <p>15 Q. Sir, my name is Davor Rukavina. I'm</p> <p>16 the lawyer for –</p> <p>17 MR. MORRIS: Hey, Davor, just before</p> <p>18 you begin, I just want to put on the record</p> <p>19 Highland's objection to documents that were</p> <p>20 produced to me 10 minutes before the</p> <p>21 deposition began.</p> <p>22 MR. RUKAVINA: What the basis of</p> <p>23 your objection?</p> <p>24 MR. MORRIS: That they were due</p> <p>25 quite some time ago, and the fact that you</p>	<p style="text-align: right;">Page 267</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 had – I just think it's appropriate to –</p> <p>3 to dump documents on somebody 10 minutes</p> <p>4 before the deposition. I just think</p> <p>5 that's –</p> <p>6 MR. RUKAVINA: Well, these are</p> <p>7 documents Highland produced. I'm not aware</p> <p>8 of any rule I have to give you advance</p> <p>9 documents when I know for the record that</p> <p>10 other than the exhibits that you sent to us</p> <p>11 last week, most of the exhibits you used</p> <p>12 today you did not provide to me prior to</p> <p>13 this deposition.</p> <p>14 MR. MORRIS: No, but the documents</p> <p>15 were produced by me in – in litigation,</p> <p>16 right?</p> <p>17 MR. RUKAVINA: I'm going to use</p> <p>18 primarily, John, the documents that you</p> <p>19 produced to me today, but you may.</p> <p>20 MR. MORRIS: Primarily. I've got –</p> <p>21 I've got my objection. You have got your</p> <p>22 response. Proceed.</p> <p>23 Q. Mr. Waterhouse, again, I represent</p> <p>24 the advisors, HCMFA and NexPoint Advisors.</p> <p>25 Do you understand that?</p>
<p style="text-align: right;">Page 268</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. Yes.</p> <p>3 Q. You and I have never met or talked</p> <p>4 before today, have we?</p> <p>5 A. No, I have – I have heard your</p> <p>6 voice on calls before.</p> <p>7 Q. Okay.</p> <p>8 MR. RUKAVINA: Madam Court Reporter,</p> <p>9 I will use a few exhibits today. My</p> <p>10 associate, Mr. Nguyen, will find some way</p> <p>11 to get them to you. I don't know how to do</p> <p>12 that, but it looks like you guys do.</p> <p>13 I am going to use numbers as well.</p> <p>14 But to differentiate them from Mr. Morris</p> <p>15 we're going to mark mine with the prefix A</p> <p>16 for advisors.</p> <p>17 Do you understand?</p> <p>18 COURT REPORTER: Yes.</p> <p>19 MR. RUKAVINA: Okay. Perfect.</p> <p>20 Q. Okay. So, Mr. Waterhouse, let's</p> <p>21 start with those two HCMFA notes that you were</p> <p>22 asked about, one for 5 million and one for</p> <p>23 2.4 million.</p> <p>24 Do you recall those notes?</p> <p>25 A. Yes.</p>	<p style="text-align: right;">Page 269</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Were you ever the CFO of HCMFA?</p> <p>3 A. I don't recall.</p> <p>4 Q. So to the best of your recollection,</p> <p>5 you were still an officer of HCMFA in 2019,</p> <p>6 just that your title was treasurer?</p> <p>7 MR. MORRIS: Object to the form of</p> <p>8 the question. There is no leading here.</p> <p>9 He works for your client.</p> <p>10 MS. DANDENEAU: That is not – that</p> <p>11 is not true.</p> <p>12 MR. MORRIS: He's the treasurer –</p> <p>13 he is the treasurer of your client. I</p> <p>14 don't – I'm going to object every time you</p> <p>15 try to lead, so...</p> <p>16 MR. RUKAVINA: Totally fine to</p> <p>17 object.</p> <p>18 MR. MORRIS: Okay.</p> <p>19 Q. Please answer my question,</p> <p>20 Mr. Waterhouse.</p> <p>21 A. I'm sorry, could you repeat? There</p> <p>22 was...</p> <p>23 Q. Yes. You were – you testified</p> <p>24 earlier that in 2019 you were an officer of</p> <p>25 HCMFA; correct?</p>

<p style="text-align: right;">Page 270</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. Yes, I testified that I was the</p> <p>3 treasurer and I didn't know if that incumbency</p> <p>4 certificate, you know, was one that appointed</p> <p>5 me as a treasurer, but yes.</p> <p>6 Q. I'm just trying to confirm that</p> <p>7 sitting here today, to the best of your</p> <p>8 recollection, at that time you were – your</p> <p>9 title was treasurer. It was not chief</p> <p>10 financial officer.</p> <p>11 A. I don't recall that being my title.</p> <p>12 Q. Okay. And in May of 2019, however,</p> <p>13 I think you testified you were the chief</p> <p>14 financial officer of the debtor; correct?</p> <p>15 MR. MORRIS: Objection to the form</p> <p>16 of the question.</p> <p>17 A. Yes, I was – yes.</p> <p>18 Q. Okay. As such, in May of 2019, did</p> <p>19 you have the authority, to your understanding,</p> <p>20 to unilaterally loan \$5 million or \$2.4 million</p> <p>21 to anyone on behalf of the debtor?</p> <p>22 MR. MORRIS: Objection to the form</p> <p>23 of the question.</p> <p>24 A. Sorry, can you repeat that?</p> <p>25 Q. Yes. So in your capacity as the</p>	<p style="text-align: right;">Page 271</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 chief financial officer of the debtor, Highland</p> <p>3 Capital Management, L.P., in May of 2019, did</p> <p>4 you believe that you unilaterally, just Frank</p> <p>5 Waterhouse, had the authority to loan on behalf</p> <p>6 of the debtor to anyone \$5 million and</p> <p>7 \$2.4 million?</p> <p>8 MR. MORRIS: Objection to the form</p> <p>9 of the question.</p> <p>10 A. No.</p> <p>11 Q. Is it because loans of that amount</p> <p>12 would have had to be approved by someone else?</p> <p>13 A. Yes.</p> <p>14 Q. Who in '20 – in May of 2019, if</p> <p>15 Highland wanted to loan 5 million or</p> <p>16 \$2.4 million to someone, what would have been</p> <p>17 the internal approval procedure?</p> <p>18 MR. MORRIS: Objection to the form</p> <p>19 of the question.</p> <p>20 A. If – if we had loans of that nature</p> <p>21 that needed to be made due to their size, we</p> <p>22 would have gotten approval from the – the</p> <p>23 president of Highland.</p> <p>24 Q. And who that was individual?</p> <p>25 A. It was James Dondero.</p>
<p style="text-align: right;">Page 272</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Okay. Now, I'm going to ask you a</p> <p>3 similar question but for a different entity.</p> <p>4 In May of 2019, as the treasurer of</p> <p>5 HCMFA, did you believe that you unilaterally</p> <p>6 had the ability to cause HCMFA to become the</p> <p>7 borrower of a \$5 million loan and a</p> <p>8 \$2.4 million loan?</p> <p>9 MR. MORRIS: Objection to the form</p> <p>10 of the question.</p> <p>11 A. No.</p> <p>12 Q. What would – what would the</p> <p>13 approval have taken place – strike that.</p> <p>14 What would the approval process have</p> <p>15 been like in May of 2019 at HCMFA for HCMFA to</p> <p>16 take out a \$7.4 million loan?</p> <p>17 MR. MORRIS: Objection to the form</p> <p>18 of the question.</p> <p>19 A. The process would have been similar</p> <p>20 to what we just discussed on – for Highland to</p> <p>21 make a loan to others. So, again, you know,</p> <p>22 we – we would have – either myself or someone</p> <p>23 on the team would have discussed this with</p> <p>24 the – the president and owner of – of HCMFA.</p> <p>25 Q. And who was that individual?</p>	<p style="text-align: right;">Page 273</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. That was James – Jim Dondero.</p> <p>3 Q. So do I understand that in May of</p> <p>4 2019, on behalf of both the lender, Highland,</p> <p>5 and the borrower, HCMFA, Mr. Dondero would have</p> <p>6 had to approve \$7.4 million in loans?</p> <p>7 MR. MORRIS: Objection to the form</p> <p>8 of the question.</p> <p>9 A. Yes.</p> <p>10 Q. You mentioned when Mr. Morris was</p> <p>11 asking you the NAV error, N-A-V error, with</p> <p>12 respect to TerreStar, without writing us a</p> <p>13 novel, unless you feel like you have to, can</p> <p>14 you summarize what that NAV error was? What</p> <p>15 happened?</p> <p>16 A. There was a – in the Highland</p> <p>17 Global Allocation Fund, it owned at the time an</p> <p>18 equity interest in a company called TerreStar.</p> <p>19 And TerreStar is – at the time was a private</p> <p>20 company, and it may still be today. Again, I'm</p> <p>21 putting myself back then as a private company.</p> <p>22 We had – sorry, I don't mean we –</p> <p>23 the fund and the advisor used Houlihan Lokey</p> <p>24 to – to value that investment. And during</p> <p>25 that time there was some trades that were</p>

<p style="text-align: right;">Page 274</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 executed at market levels that were much lower</p> <p>3 than the Houlihan Lokey model.</p> <p>4 And based on information and</p> <p>5 discussions with the portfolio managers and,</p> <p>6 you know, principals that were very familiar</p> <p>7 with TerreStar, it was determined that those</p> <p>8 trades were non-orderly and they were not</p> <p>9 considered in the valuation as consulted with</p> <p>10 Houlihan Lokey and PricewaterhouseCoopers at</p> <p>11 the time.</p> <p>12 Subsequent to a – I can't remember</p> <p>13 the exact circumstances of why the SEC got</p> <p>14 involved. I think it was due to this – this</p> <p>15 investment became a material position in the</p> <p>16 fund. It triggered an SEC, kind of, inquiry.</p> <p>17 And as part of that inquiry, they questioned</p> <p>18 the valuation methodology. "They" meaning the</p> <p>19 SEC.</p> <p>20 And at the culmination of that</p> <p>21 process – this is all summarized – the value</p> <p>22 that was – that ultimately had to be used in</p> <p>23 the fund's NAV was different than – materially</p> <p>24 different than what the original valuation at</p> <p>25 Houlihan Lokey provided.</p>	<p style="text-align: right;">Page 275</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 And given that there was this fund</p> <p>3 was, as we discussed – I don't know if we</p> <p>4 discussed it, but it was an open-ended fund</p> <p>5 that was going – that was converting to a</p> <p>6 close-end fund.</p> <p>7 Due to the fact that it was an</p> <p>8 open-ended fund, you had to recalculate NAV and</p> <p>9 see what the impact was on people – on</p> <p>10 investors coming in and out of the fund and if</p> <p>11 there is a detrimental impact and to calculate</p> <p>12 what that – what that impact was and if there</p> <p>13 was any amounts owed to the fund pursuant to</p> <p>14 the error.</p> <p>15 Q. Were you personally involved</p> <p>16 internally at either Highland or HCMFA with</p> <p>17 these investigations and discussions with the</p> <p>18 SEC?</p> <p>19 A. I was.</p> <p>20 Q. Which other key people or senior</p> <p>21 people at Highland were involved, to your</p> <p>22 recollection?</p> <p>23 A. Myself, Thomas Surgent, David Klos,</p> <p>24 Lauren Thedford, Jason Post.</p> <p>25 Q. Mr. Dondero, was he –</p>
<p style="text-align: right;">Page 276</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. I believe Cliff Stoops. I'm trying</p> <p>3 to think. And maybe that is – that is – that</p> <p>4 is – that is all kind I can recall at the</p> <p>5 moment.</p> <p>6 Q. Do you recall whether it was</p> <p>7 determined that the fund suffered losses as a</p> <p>8 result of this error?</p> <p>9 A. The – the fund – the – the –</p> <p>10 because the open-ended nature of the fund,</p> <p>11 there were losses that were attributable to</p> <p>12 investors. Meaning they – they would have</p> <p>13 redeemed and got a less money or – or they</p> <p>14 subscribed in and maybe because they didn't get</p> <p>15 enough shares and then they later sold and then</p> <p>16 they were harmed in that fashion.</p> <p>17 And there is – there is – there</p> <p>18 were very – there were very detailed</p> <p>19 calculations and, you know, all these different</p> <p>20 scenarios that we had to – I'm sorry, I keep</p> <p>21 saying "we" – that the individuals involved</p> <p>22 had to calculate and quantify.</p> <p>23 Q. Well, do you recall whether HCMFA</p> <p>24 admitted certain fault and liability for this</p> <p>25 error?</p>	<p style="text-align: right;">Page 277</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. I don't recall specifically.</p> <p>3 Q. Do you recall whether HCMFA caused</p> <p>4 any funds to be paid to the investors and the</p> <p>5 fund the subject of the NAV error?</p> <p>6 A. Yes.</p> <p>7 Q. Do you recall the approximate amount</p> <p>8 of funds, moneys paid to the investors and the</p> <p>9 fund?</p> <p>10 A. It was – it was approximately</p> <p>11 \$7 million.</p> <p>12 Q. If I was to suggest 7.8 million,</p> <p>13 would that ring more true or are you sticking</p> <p>14 with your original answer?</p> <p>15 A. It was – it was approximately 7 –</p> <p>16 7 to \$8 million. Again, I don't remember the</p> <p>17 exact number, but it was in that ballpark.</p> <p>18 Q. So regardless of whether HCMFA</p> <p>19 accepted fault or liability, it caused some</p> <p>20 \$7 million or more to be paid out to affected</p> <p>21 investors in the fund?</p> <p>22 MR. MORRIS: Objection to the form</p> <p>23 of the question.</p> <p>24 A. And I want to make sure I'm</p> <p>25 understanding your question because there is a</p>

<p style="text-align: right;">Page 278</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 lot of different entities that are going on to</p> <p>3 my head.</p> <p>4 I think what you are saying is based</p> <p>5 on this error, shareholders were harmed by this</p> <p>6 approximately \$7.8 million – by approximately</p> <p>7 \$7.8 million. Is that what you are asking?</p> <p>8 Q. Yes, sir.</p> <p>9 A. Yes, that was – again, I don't have</p> <p>10 the exact numbers. If I take – it was – it</p> <p>11 was in that ballpark, and there is a detail</p> <p>12 calculation and write-up that could, that –</p> <p>13 that exists someplace.</p> <p>14 Q. Now, at that time, at the time that</p> <p>15 the NAV error occurred, was there a contract in</p> <p>16 place between HCMFA and the debtor pursuant to</p> <p>17 which the debtor was providing services to</p> <p>18 HCMFA?</p> <p>19 MR. MORRIS: Objection to the form</p> <p>20 of the question.</p> <p>21 A. Yes.</p> <p>22 Q. Was that contract generally called a</p> <p>23 shared services agreement?</p> <p>24 A. It was generally called that, but</p> <p>25 there were – there were – I mean, it – it –</p>	<p style="text-align: right;">Page 279</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 it depends on who you talk to, but yes,</p> <p>3 generally, there were – there are multiple</p> <p>4 agreements.</p> <p>5 Q. Pursuant to one or more of those</p> <p>6 agreements, was the debtor providing certain</p> <p>7 services to HCMFA?</p> <p>8 MR. MORRIS: Objection to the form</p> <p>9 of the question.</p> <p>10 A. Yes.</p> <p>11 Q. And can you at a very high level</p> <p>12 summarize in 2018 and 2019 what those services</p> <p>13 were?</p> <p>14 A. Yes, there was a – yes.</p> <p>15 Q. Okay. Please – please go – go</p> <p>16 through a short summary.</p> <p>17 A. There was a – a cost reimbursement</p> <p>18 agreement between Highland Capital Management</p> <p>19 Fund Advisors and Highland Capital Management,</p> <p>20 L.P. That agreement was for what we referred</p> <p>21 to as front office services, so investment</p> <p>22 management, things of that nature.</p> <p>23 There was I think what most people</p> <p>24 refer to as the shared services agreement that</p> <p>25 was – that agreement was between Highland</p>
<p style="text-align: right;">Page 280</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Capital Management Fund Advisors and Highland</p> <p>3 Capital Management for back office services.</p> <p>4 Q. And can you summarize what you mean</p> <p>5 by back office services?</p> <p>6 A. Those services were for accounting,</p> <p>7 finance, tax, valuation, HR, IT, you know,</p> <p>8 legal compliance, things of – things of those</p> <p>9 nature – or things of that nature, excuse me.</p> <p>10 Q. So in the spring of 2019, do you</p> <p>11 recall whether HCMFA took the position that it</p> <p>12 was actually Highland that caused the NAV error</p> <p>13 to occur pursuant to the valuation services</p> <p>14 that Highland was providing?</p> <p>15 MR. MORRIS: Objection to the form</p> <p>16 of the question.</p> <p>17 A. I do not recall.</p> <p>18 Q. Did you ever have any discussions</p> <p>19 with anyone, Jim Dondero or anyone in the first</p> <p>20 half of 2019 as to whether Highland, the</p> <p>21 debtor, that is, had any liability to HCMFA</p> <p>22 related to the NAV error?</p> <p>23 MR. MORRIS: Objection to the form</p> <p>24 of the question.</p> <p>25 A. I do not recall.</p>	<p style="text-align: right;">Page 281</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. And then you mentioned that the fund</p> <p>3 was being closed and some compensation related</p> <p>4 to that. Can you – can you elaborate? What</p> <p>5 were you referring to?</p> <p>6 A. Right. So the advisor, pursuant to</p> <p>7 board approval, put a proposal in front of the</p> <p>8 shareholders of the Highland Global Allocation</p> <p>9 Fund to convert it from an open-ended fund to a</p> <p>10 closed-end fund.</p> <p>11 So an open-ended fund, when</p> <p>12 shareholders subscribe to the fund or redeem</p> <p>13 into the fund, they do it at NAV.</p> <p>14 When it is – when you have a</p> <p>15 closed-end fund, closed-end funds are – are</p> <p>16 publicly-traded, like on the New York Stock</p> <p>17 Exchange, exchanges like that, and – and</p> <p>18 shareholders or investors, they're not –</p> <p>19 they're – they're not subscribing and</p> <p>20 redeeming with the fund. They are like shares</p> <p>21 of Apple.</p> <p>22 Those shares of the Highland Global</p> <p>23 Allocation Fund trade on an exchange, and that</p> <p>24 is how you, you know, that is how, you know,</p> <p>25 you become an equity owner in the fund or you</p>

<p style="text-align: right;">Page 282</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 sell your shares and you are no longer an</p> <p>3 equity owner.</p> <p>4 As part of that proposal, the</p> <p>5 advisor told shareholders if you – if you vote</p> <p>6 for this proposal to – to convert it from an</p> <p>7 open-ended fund to a closed-end fund, we will</p> <p>8 pay you some amounts of money. I forgot – a</p> <p>9 certain number of points. I think it was</p> <p>10 like – it was like two to three points or</p> <p>11 something – something like that.</p> <p>12 Q. Okay. You mentioned when Mr. Morris</p> <p>13 was asking you, going back to those two</p> <p>14 promissory notes, you will recall the 5 million</p> <p>15 and 2.4 million, you mentioned something to the</p> <p>16 effect that Mr. Dondero told – told you to pay</p> <p>17 some moneys out of Highland. Do you remember</p> <p>18 that discussion with Mr. Morris?</p> <p>19 A. I do.</p> <p>20 Q. So, to the best of your</p> <p>21 recollection, did you have a discussion with</p> <p>22 Mr. Dondero about making some payments in May</p> <p>23 of 2019 out of Highland?</p> <p>24 A. I recall, as I testified earlier,</p> <p>25 that I had a conversation with Mr. Dondero</p>	<p style="text-align: right;">Page 283</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 for – for these amounts attributable to – it</p> <p>3 was either the error – you know, the error,</p> <p>4 and in that conversation he said, go get the</p> <p>5 money from Highland. I believe that is what I</p> <p>6 testified earlier, and that – that is my</p> <p>7 recollection.</p> <p>8 Q. Do you recall if that was an</p> <p>9 in-person meeting or some other mode for the</p> <p>10 meeting?</p> <p>11 A. I – I – I recall that being</p> <p>12 in-person.</p> <p>13 Q. Do you recall if anyone else was</p> <p>14 present, or was it just you and Mr. Dondero?</p> <p>15 A. I recall just he and I.</p> <p>16 Q. And the moneys that he told you to</p> <p>17 find from – or get from Highland, was that in</p> <p>18 the amount of \$5 million and \$2.4 million?</p> <p>19 MR. MORRIS: Objection to the form</p> <p>20 of the question.</p> <p>21 A. I believe so, but I would have to go</p> <p>22 back and look and see when those moneys were</p> <p>23 actually paid into the – into the fund and,</p> <p>24 you know, when those transfers were done. If</p> <p>25 they were all done around that same time, then</p>
<p style="text-align: right;">Page 284</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 yes, I would say it was – it was all related</p> <p>3 to that.</p> <p>4 Q. Did Mr. Dondero tell you that those</p> <p>5 funds would be a loan from Highland to HCMFA?</p> <p>6 A. I don't recall.</p> <p>7 MR. MORRIS: Objection to the form</p> <p>8 of the question.</p> <p>9 Q. Now, and forgive me, I'm probably</p> <p>10 the only non-American born here, but I speak</p> <p>11 reasonably well in English. I don't recall,</p> <p>12 does that mean you don't remember or does that</p> <p>13 mean it didn't happen?</p> <p>14 MR. MORRIS: Objection to the form</p> <p>15 of the question.</p> <p>16 A. It – it means I don't – I don't</p> <p>17 remember.</p> <p>18 Q. Did Mr. Dondero tell you to have</p> <p>19 those two promissory notes prepared?</p> <p>20 A. I don't recall.</p> <p>21 Q. When you – again, when you say, I</p> <p>22 don't recall today, that means that sitting</p> <p>23 here today, you just don't remember one way or</p> <p>24 the other. Is that accurate?</p> <p>25 A. Yes.</p>	<p style="text-align: right;">Page 285</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Is it possible that you, having</p> <p>3 heard what Mr. Dondero said and seeing funds</p> <p>4 being transferred, assumed that that would be a</p> <p>5 loan without him actually telling you that</p> <p>6 would be a loan?</p> <p>7 MR. MORRIS: Objection to the form</p> <p>8 of the question.</p> <p>9 A. Sorry, I want to make sure – did I</p> <p>10 ask the amounts that were transferred that I –</p> <p>11 that – that I assumed that that was a loan?</p> <p>12 Q. Well, let me – let me take – let</p> <p>13 me try again.</p> <p>14 So you have established already that</p> <p>15 there were quite a number of promissory notes</p> <p>16 back and forth – I'm sorry, quite a number of</p> <p>17 promissory notes with affiliated companies and</p> <p>18 individuals owing Highland money; right?</p> <p>19 A. Yes.</p> <p>20 Q. And you have established that there</p> <p>21 were many transactions and transfers going back</p> <p>22 and forth over the years; right?</p> <p>23 MS. DANDENEAU: Objection to form.</p> <p>24 A. In – yes, in my capacity as CFO and</p> <p>25 my employment, yes, that is – yes.</p>

<p style="text-align: right;">Page 286</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. And that's part of the reason why</p> <p>3 you just can't remember some of the details</p> <p>4 today because this – this happened years ago,</p> <p>5 and there were a number of transactions. Is</p> <p>6 that accurate?</p> <p>7 MS. DANDENEAU: Objection to the</p> <p>8 form.</p> <p>9 MR. MORRIS: Objection to the form</p> <p>10 of the question.</p> <p>11 A. I mean, I deal with thousands of –</p> <p>12 of – of – of transactions, you know, whether</p> <p>13 it has – the processing of transactions, you</p> <p>14 know, if it has got, you know, more – more</p> <p>15 zeros, you know, behind it than others.</p> <p>16 When you look at thousands of</p> <p>17 transactions over the years for funds and</p> <p>18 advisors and – and, you know, financial</p> <p>19 statements, I mean, it is – it is very hard</p> <p>20 going back in – in – in my – you know,</p> <p>21 14-ish year career at – at Highland to</p> <p>22 remember a lot of those details, especially</p> <p>23 when I don't have any records or books or</p> <p>24 anything like that, and – and going back many</p> <p>25 years.</p>	<p style="text-align: right;">Page 287</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. And that is fine. That – that –</p> <p>3 that is why I asked the question.</p> <p>4 Is it possible in May of 2019 when</p> <p>5 Mr. Dondero told you to transfer the funds from</p> <p>6 Highland, you just assumed on your own that</p> <p>7 those would be loans without him actually</p> <p>8 telling you that those would be loans?</p> <p>9 MR. MORRIS: Objection to the form</p> <p>10 of the question.</p> <p>11 A. I don't know.</p> <p>12 Q. I'm sorry, you –</p> <p>13 A. I said I don't know.</p> <p>14 Q. Okay. Well, as the – as the CFO</p> <p>15 for Highland, if you saw \$7.4 million going</p> <p>16 out, you would feel some responsibility to</p> <p>17 account for that, wouldn't you?</p> <p>18 MR. MORRIS: Objection to the form</p> <p>19 of the question.</p> <p>20 A. Yes.</p> <p>21 Q. Is it fair to say that those would</p> <p>22 be in the range large enough to rise up to your</p> <p>23 level?</p> <p>24 MR. MORRIS: Objection to the form</p> <p>25 of the question.</p>
<p style="text-align: right;">Page 288</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. If – I don't know if I understand</p> <p>3 your question. Those amounts would arise to my</p> <p>4 level where I would be involved or...</p> <p>5 Q. You would want to know what a</p> <p>6 transfer for that amount, \$7.4 million, was all</p> <p>7 about, as the CFO of Highland, wouldn't you?</p> <p>8 MR. MORRIS: Objection to the form</p> <p>9 of the question.</p> <p>10 A. Yes, I make it – I mean, I – I</p> <p>11 review all sorts of payments, I mean, even</p> <p>12 smaller dollar payments on a periodic basis,</p> <p>13 you know, to – to – to understand and to make</p> <p>14 sure that we are paying things in a – you</p> <p>15 know, in – in – in an informed way. And, you</p> <p>16 know – and we're – and we're paying things</p> <p>17 pursuant to vendor contracts and things like</p> <p>18 that.</p> <p>19 Q. So as part of that, is it possible</p> <p>20 that seeing \$7.4 million go out you would have</p> <p>21 promissory notes made in order to keep a paper</p> <p>22 trail, assuming that those were loans, when</p> <p>23 perhaps they were never intended to be loans by</p> <p>24 Mr. Dondero?</p> <p>25 MR. MORRIS: Objection to the form</p>	<p style="text-align: right;">Page 289</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 of the question.</p> <p>3 A. I don't know. As I testified</p> <p>4 earlier, I had conversations with Mr. Dondero</p> <p>5 about – about the – the – the moneys that</p> <p>6 were needed for the NAV error. And I recall</p> <p>7 him saying go get it from Highland – or get it</p> <p>8 from Highland.</p> <p>9 Q. Well, why did you sign those</p> <p>10 promissory notes and why didn't you have him</p> <p>11 sign them?</p> <p>12 MR. MORRIS: Objection to the form</p> <p>13 of the question.</p> <p>14 A. I don't know. I don't know.</p> <p>15 Q. You mentioned earlier that you</p> <p>16 typically don't sign promissory notes. Am I</p> <p>17 remembering your testimony correctly?</p> <p>18 I mean, promissory notes on behalf</p> <p>19 of the entities. Not yourself, obviously.</p> <p>20 A. Yes, that is what I said earlier.</p> <p>21 Q. Do you recall any other promissory</p> <p>22 notes in the million-plus range that you had</p> <p>23 ever signed before on behalf of any entity?</p> <p>24 A. There is – there has been a lot of</p> <p>25 transactions over the years. I don't – I</p>

<p style="text-align: right;">Page 290</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 don't – I don't recall generally. I don't –</p> <p>3 I don't recall.</p> <p>4 Q. So – but to the best of your</p> <p>5 recollection, it was on your initiative,</p> <p>6 following your discussion with Mr. Dondero,</p> <p>7 that you had someone draft those two promissory</p> <p>8 notes; is that correct?</p> <p>9 MR. MORRIS: Objection to the form</p> <p>10 of the question.</p> <p>11 A. Yes, we would have – the team, as I</p> <p>12 stated earlier, we don't draft promissory</p> <p>13 notes. "The team" meaning the accounting and</p> <p>14 finance team.</p> <p>15 So the team would have worked with</p> <p>16 the legal group at Highland to draft any notes.</p> <p>17 Q. Do you believe or do you have any</p> <p>18 recollection as to whether you would have done</p> <p>19 that pursuant to an email or telephone call or</p> <p>20 in-person meeting?</p> <p>21 MR. MORRIS: Objection to the form</p> <p>22 of the question.</p> <p>23 A. Are you asking if I would have – if</p> <p>24 those notes would have been drafted pursuant to</p> <p>25 an email or phone call?</p>	<p style="text-align: right;">Page 291</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Strike that.</p> <p>3 Do you recall whether you sent an</p> <p>4 email to anyone asking them to draft those two</p> <p>5 promissory notes?</p> <p>6 A. I don't recall because, again,</p> <p>7 once – I would have instructed – likely</p> <p>8 instructed the team to – to work with the</p> <p>9 legal group to draft these documents.</p> <p>10 I – I – I – yeah, I didn't – I</p> <p>11 mean, that is more an operational-type</p> <p>12 procedure. So, you know, a manager or a</p> <p>13 controller or working with legal. You know,</p> <p>14 they – they can certainly handle that task to</p> <p>15 get that – you know, to request that from</p> <p>16 legal.</p> <p>17 Q. And who on your team do you think</p> <p>18 you would have asked to do that?</p> <p>19 MR. MORRIS: Objection –</p> <p>20 Q. Who would have been the logical</p> <p>21 person or people, if you don't remember their</p> <p>22 name today?</p> <p>23 MR. MORRIS: Objection to the form</p> <p>24 of the question.</p> <p>25 A. It – it – there is only two</p>
<p style="text-align: right;">Page 292</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 managers of the group. That would have been</p> <p>3 Dave Klos or Kristin Hendrix.</p> <p>4 Dave was the – one of his duties</p> <p>5 was managing the valuation team, and so he was</p> <p>6 intimately involved with this process. So, you</p> <p>7 know...</p> <p>8 Q. Okay.</p> <p>9 A. I don't recall specifically but, I</p> <p>10 mean, my general – you know, I – I – I</p> <p>11 likely would have talked to Dave first about it</p> <p>12 versus someone like Kristin who hadn't been</p> <p>13 intimately involved.</p> <p>14 Q. And – and do you have a view as to</p> <p>15 whether it is most likely that you would have</p> <p>16 done that by email or in-person or how would</p> <p>17 you believe you would have communicated that to</p> <p>18 Mr. Klos?</p> <p>19 MR. MORRIS: Objection to the form</p> <p>20 of the question.</p> <p>21 A. I likely would have done that in</p> <p>22 person. Again, if things of this nature</p> <p>23 that – again, you have to put ourselves back</p> <p>24 to, we have been working on this very stressful</p> <p>25 project for many, many months. And once the</p>	<p style="text-align: right;">Page 293</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 go-ahead was to – you know, we see the light</p> <p>3 at the end of the tunnel with wrapping this up</p> <p>4 and making shareholders whole – sorry to say</p> <p>5 "we" – you know, the – so the folks that are</p> <p>6 involved in it.</p> <p>7 I like to talk to people</p> <p>8 face-to-face and – and – and go to – and go</p> <p>9 to their desk, because that shows if I'm going</p> <p>10 to their desk that – that is something that I</p> <p>11 want done, you know.</p> <p>12 Q. And do you remember, Mr. Waterhouse,</p> <p>13 getting those two promissory notes in paper</p> <p>14 format or by email before they were executed?</p> <p>15 MR. MORRIS: Objection to the form</p> <p>16 of the question.</p> <p>17 A. I don't recall.</p> <p>18 Q. For whatever was the ordinary course</p> <p>19 back then in May 2019, would you expect to have</p> <p>20 received them only on paper or would you have</p> <p>21 expected to have received them in Word document</p> <p>22 or PDF document by email?</p> <p>23 MR. MORRIS: Objection to the form</p> <p>24 of the question.</p> <p>25 A. I – I didn't sign – I signed very</p>

<p style="text-align: right;">Page 294</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 few documents via email. I can't say that it</p> <p>3 never happened, but people either stopped by my</p> <p>4 office and physically walked in documents for</p> <p>5 signature that we discussed face-to-face.</p> <p>6 Or documents were – if – if –</p> <p>7 if – if – let's say I wasn't there or I</p> <p>8 wasn't available, documents were dropped off.</p> <p>9 I had – I had some in- and outboxes in front</p> <p>10 of my – my office there at the Crescent.</p> <p>11 Documents would be dropped off for</p> <p>12 signature. There would be a cover sheet that</p> <p>13 would be – have been applied to those</p> <p>14 documents detailing, you know, who dropped it</p> <p>15 off, the purpose, why, what time.</p> <p>16 And then, you know, as I stated, I</p> <p>17 don't draft documents and I always go to the</p> <p>18 legal group and the compliance group to make</p> <p>19 sure that they're in the loop. And there is</p> <p>20 a – a box or section that says, Has legal</p> <p>21 reviewed or approved, or something to that</p> <p>22 nature.</p> <p>23 Again, I don't – I don't have</p> <p>24 access to that cover sheet anymore, but it</p> <p>25 was – it was something to that effect.</p>	<p style="text-align: right;">Page 295</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 And my assistant, you know, if she</p> <p>3 was there, she would review that – you know,</p> <p>4 whatever was being dropped off. And if that</p> <p>5 has legal, you know, reviewed or – reviewed or</p> <p>6 approved it, if that wasn't – if that stuff</p> <p>7 hadn't been done, it was like she would just</p> <p>8 tell them like, go – go – go to the legal</p> <p>9 group, because –</p> <p>10 Q. Let me – let me pause –</p> <p>11 MS. DANDENEAU: Let him finish.</p> <p>12 MR. MORRIS: Thank you. Go ahead.</p> <p>13 A. I take – go to the legal group</p> <p>14 because that – that was my – you know, I</p> <p>15 didn't – I didn't review anything that – that</p> <p>16 they weren't – you know, or there wasn't some</p> <p>17 representation made to me that they had</p> <p>18 reviewed, approved in some capacity.</p> <p>19 Again, my – my – my goal, as CFO,</p> <p>20 is to provide transparency and make sure that</p> <p>21 groups like compliance and other things – and</p> <p>22 the other group in legal are – are in – you</p> <p>23 know, their – they're made aware of</p> <p>24 transactions of – you know, that are crossing</p> <p>25 my desk.</p>
<p style="text-align: right;">Page 296</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Because I'm not in every</p> <p>3 conversation. They're not in every</p> <p>4 conversation – meaning legal compliance – and</p> <p>5 I just want to make sure that – that everyone</p> <p>6 is in sync to, you know, to – to the extent</p> <p>7 possible.</p> <p>8 Q. So if we summarize, you don't</p> <p>9 specifically remember signing these two notes,</p> <p>10 but most likely it would have been that they</p> <p>11 would have presented – been presented to you</p> <p>12 physically on paper?</p> <p>13 MR. MORRIS: Objection to the form</p> <p>14 of the question.</p> <p>15 A. They would – they would have been</p> <p>16 presented physically on paper most likely or</p> <p>17 someone would have left it. But, I mean,</p> <p>18 again, I don't – I don't recall.</p> <p>19 Q. I understand. Understand.</p> <p>20 When you signed – when you signed</p> <p>21 documents, when you personally signed</p> <p>22 documents, did you typically use a ink pen or</p> <p>23 did you use a stamp?</p> <p>24 A. No, I – I – I use a – an – an</p> <p>25 ink pen.</p>	<p style="text-align: right;">Page 297</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Do you know – was there a file at</p> <p>3 Highland kept anywhere with ink-signed</p> <p>4 originals of a promissory notes in general or</p> <p>5 these two promissory notes specifically?</p> <p>6 MR. MORRIS: Objection to the form</p> <p>7 of the question.</p> <p>8 A. Sorry, I just want to make sure I</p> <p>9 understand your question. Are you saying is</p> <p>10 there a file somewhere that has ink-signed</p> <p>11 originals of these two promissory notes?</p> <p>12 Q. Yes.</p> <p>13 A. I would – I would assume they're</p> <p>14 some place. I mean –</p> <p>15 Q. Well, was there a – was there a</p> <p>16 place where Highland generally kept originals</p> <p>17 of promissory notes owed to it?</p> <p>18 A. I wouldn't – no.</p> <p>19 MR. RUKAVINA: Mr. Nguyen, would you</p> <p>20 please pull up my A7, alpha 7.</p> <p>21 Q. These are the two promissory notes,</p> <p>22 Mr. Waterhouse.</p> <p>23 (Exhibit A7 marked.)</p> <p>24 Q. And please – Mr. Waterhouse, please</p> <p>25 command my associate to scroll down as you need</p>

<p style="text-align: right;">Page 298</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 to, but I want you to take a very close look at</p> <p>3 your two signatures here and tell me whether</p> <p>4 you believe, in fact, that you ink signed them</p> <p>5 or whether you –</p> <p>6 MS. DANDENEAU: Mr. Rukavina,</p> <p>7 Mr. Waterhouse has the copies.</p> <p>8 MR. RUKAVINA: Perfect. Then you</p> <p>9 can take this down, Mr. Nguyen.</p> <p>10 A. These – these – these signatures</p> <p>11 are identical, now that I stare at them, and I</p> <p>12 mean, they are so close – I mean, they're</p> <p>13 identical that, I mean, even with my chicken</p> <p>14 scratch signature, I don't know if I can – you</p> <p>15 know, I do this 100 times, could I do that</p> <p>16 as – as precisely as I see between the two</p> <p>17 notes.</p> <p>18 Q. Well, that is why I ask.</p> <p>19 Mr. Waterhouse, now that you have examined</p> <p>20 them, does it seem like it is more likely that</p> <p>21 you actually electronically signed these?</p> <p>22 MR. MORRIS: Objection to the form</p> <p>23 of the question.</p> <p>24 A. Is – I don't – I don't recall</p> <p>25 specifically. As I said before, my assistant</p>	<p style="text-align: right;">Page 299</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 did have a – an electronic signature, and that</p> <p>3 was used from time to time. It wasn't as</p> <p>4 common practice back in 2019. It definitely</p> <p>5 was more common practice when we had to work</p> <p>6 from home and remotely for COVID because it</p> <p>7 that made it almost impossible to, right,</p> <p>8 provide wet signatures since we're all working</p> <p>9 from home remotely.</p> <p>10 Q. Well, going just for these two</p> <p>11 promissory notes, Mr. Waterhouse, in light of</p> <p>12 your inability to remember any details, are you</p> <p>13 sure you actually signed either or both of</p> <p>14 those notes?</p> <p>15 MS. DANDENEAU: Objection to form.</p> <p>16 A. I don't recall specifically</p> <p>17 signing – actually physically signing these</p> <p>18 notes. As I said before, I don't recall doing</p> <p>19 that. This – this looks like my signature,</p> <p>20 but yet these two signatures are identical.</p> <p>21 Q. So you don't recall physically</p> <p>22 signing them, and I take it you don't recall</p> <p>23 electronically signing them either?</p> <p>24 A. I don't recall. You know, Highland</p> <p>25 has all my emails. If that occurred, you know,</p>
<p style="text-align: right;">Page 300</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 you know, I don't have any of these records is</p> <p>3 what I'm saying. I don't have any of those</p> <p>4 records.</p> <p>5 Q. That is why I'm asking you these</p> <p>6 questions in great detail because I don't have</p> <p>7 those emails. I'm trying to – I'm hoping that</p> <p>8 you will give me some names or some details so</p> <p>9 I can go look for more emails, but again, you</p> <p>10 don't remember any – any individual, other</p> <p>11 than Mr. Dondero that we've discussed, you</p> <p>12 don't remember any individual with whom you</p> <p>13 discussed these promissory notes prior to their</p> <p>14 execution?</p> <p>15 MR. MORRIS: Objection to the form</p> <p>16 of the question.</p> <p>17 A. I don't recall discussing it with</p> <p>18 anybody else.</p> <p>19 Q. Okay.</p> <p>20 A. I mean, prior –</p> <p>21 Q. I understand.</p> <p>22 A. You know, there was no one else –</p> <p>23 there was no one else in that meeting that I</p> <p>24 recall with Mr. Dondero.</p> <p>25 Q. Now, when you established that by</p>	<p style="text-align: right;">Page 301</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 May of 2019 –</p> <p>3 A. And – and from what I recall, and</p> <p>4 the reason why I was by myself is – is, you</p> <p>5 know, I don't – I don't want to speculate, I'm</p> <p>6 sorry.</p> <p>7 Q. Okay. We have established that by</p> <p>8 May of 2019, in your view, the liabilities of</p> <p>9 HCMFA exceeded its assets; correct?</p> <p>10 A. Yeah. I mean, again, I don't have</p> <p>11 financial statements in front of me, but I</p> <p>12 think, if I recall, we'd have to go through the</p> <p>13 testimony with Mr. Morris, I believe that was</p> <p>14 the case.</p> <p>15 Q. In fact, you will recall that in</p> <p>16 April of 2019, Mr. Dondero signed a document</p> <p>17 that extended the demand feature of two prior</p> <p>18 notes to May 31, 2019. Do you recall that?</p> <p>19 MS. DEITSCH-PEREZ: I think you</p> <p>20 might – maybe have the court reporter read</p> <p>21 that back. You might have misspoke.</p> <p>22 (Record read.)</p> <p>23 MR. RUKAVINA: And I did misspeak.</p> <p>24 Q. I meant to say to May 31, 2021. Do</p> <p>25 you recall that, sir?</p>

<p style="text-align: right;">Page 302</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 MR. MORRIS: Objection to the form</p> <p>3 of the question.</p> <p>4 A. Yes.</p> <p>5 MR. RUKAVINA: And, Mr. Nguyen, just</p> <p>6 so that the record is clear, will you please</p> <p>7 pull up my Exhibit Alpha 10, A10.</p> <p>8 (Exhibit A10 marked.)</p> <p>9 Q. You don't have this one in front of</p> <p>10 you, Mr. Waterhouse? This is the one that</p> <p>11 Mr. Morris used earlier. Do you see that</p> <p>12 document, sir?</p> <p>13 A. Yes, I do.</p> <p>14 Q. And this is what you were testifying</p> <p>15 about before when Mr. Morris was asking you.</p> <p>16 Do you remember that?</p> <p>17 A. Yes.</p> <p>18 Q. So here is my question for you,</p> <p>19 Mr. Waterhouse: As the chief financial officer</p> <p>20 of Highland, was it prudent for Highland less</p> <p>21 than three weeks later to be lending</p> <p>22 \$7.2 million to an insolvent entity that</p> <p>23 couldn't even then pay its debts back to</p> <p>24 Highland?</p> <p>25 MS. DANDENEAU: Objection to form.</p>	<p style="text-align: right;">Page 303</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 MR. MORRIS: Objection to the form</p> <p>3 of the question.</p> <p>4 A. Sorry, I just want to make sure –</p> <p>5 are you asking me, did you say, was it prudent</p> <p>6 for Highland to loan \$7.4 million to HCMFA a</p> <p>7 few weeks after this document was executed?</p> <p>8 Q. Yes, and at a time when HCMFA's</p> <p>9 liabilities exceeded its assets.</p> <p>10 MR. MORRIS: Objection to the form</p> <p>11 of the question.</p> <p>12 A. I don't – it is odd. I don't know.</p> <p>13 MR. RUKAVINA: You can take this</p> <p>14 exhibit down, Mr. Nguyen.</p> <p>15 Q. Do you recall asking anyone,</p> <p>16 Mr. Dondero or – or anyone outside as to</p> <p>17 whether Highland ought to be lending</p> <p>18 \$7.4 million to HCMF regarding HCMF's</p> <p>19 creditworthiness?</p> <p>20 MR. MORRIS: Objection to the form</p> <p>21 of the question.</p> <p>22 A. I don't recall.</p> <p>23 Q. Did you receive personally any of</p> <p>24 that \$7.4 million?</p> <p>25 A. No.</p>
<p style="text-align: right;">Page 304</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Did you even –</p> <p>3 MR. MORRIS: I didn't hear that</p> <p>4 question, sir.</p> <p>5 MR. RUKAVINA: The one that he</p> <p>6 answered, John, or my new one?</p> <p>7 MR. MORRIS: No, no, your question,</p> <p>8 Davor.</p> <p>9 MR. RUKAVINA: I had asked him</p> <p>10 whether he received any of the</p> <p>11 \$7.4 million. He said no.</p> <p>12 MR. MORRIS: Yeah. I thought there</p> <p>13 was a question after that. Maybe I was</p> <p>14 mistaken. I apologize.</p> <p>15 MR. RUKAVINA: I had started a new</p> <p>16 question, so here, let me start the new</p> <p>17 question again.</p> <p>18 Q. Did you personally receive any</p> <p>19 direct benefit from those two notes for</p> <p>20 \$7.4 million?</p> <p>21 A. No.</p> <p>22 Q. Did you ever personally consider</p> <p>23 yourself obligated to repay either or both of</p> <p>24 those notes?</p> <p>25 A. No.</p>	<p style="text-align: right;">Page 305</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 MR. RUKAVINA: Pull up those notes</p> <p>3 again, Mr. Nguyen.</p> <p>4 Q. You can have them in front of you,</p> <p>5 Exhibit 7, Mr. Waterhouse, whatever is easier</p> <p>6 for you. If you go to your signature page, my</p> <p>7 question to you is, why did you not include</p> <p>8 your title as treasurer by your name, Frank</p> <p>9 Waterhouse?</p> <p>10 MS. DANDENEAU: Objection to form.</p> <p>11 A. I didn't – I didn't draft this</p> <p>12 document.</p> <p>13 Q. So you relied on whoever drafted it</p> <p>14 to draft it correctly?</p> <p>15 A. Yes.</p> <p>16 Q. Okay. But back then when you signed</p> <p>17 this, did it ever cross your mind that you were</p> <p>18 the maker on these notes?</p> <p>19 A. No.</p> <p>20 Q. Back then when you signed this</p> <p>21 document, did it ever cross your mind that you</p> <p>22 could be a co-obligor on these notes?</p> <p>23 A. No. I didn't receive \$7.4 million,</p> <p>24 I mean...</p> <p>25 Q. But can you say that HCMFA received</p>

<p style="text-align: right;">Page 306</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 \$7.4 million?</p> <p>3 A. I would have to go back and look and</p> <p>4 check in, you know, the – the financial</p> <p>5 records and the bank statements.</p> <p>6 MR. RUKAVINA: You can take this</p> <p>7 exhibit down, Mr. Nguyen.</p> <p>8 Q. Mr. Waterhouse, I'm not trying to be</p> <p>9 a smart-ass, but if the law says that because</p> <p>10 of the way that you signed this promissory</p> <p>11 note, if that is what the law says, that that</p> <p>12 made you personally – personally liable, then</p> <p>13 you would agree with me that that was never</p> <p>14 your intent?</p> <p>15 MR. MORRIS: Objection to the form</p> <p>16 of the question.</p> <p>17 A. That was never – I wouldn't sign a</p> <p>18 note and not get consideration in return.</p> <p>19 Q. So putting all other issues aside,</p> <p>20 if the law – if the law says that you were</p> <p>21 liable for those notes because of how you</p> <p>22 signed them, then would you agree with me that</p> <p>23 these notes are a mistake?</p> <p>24 MR. MORRIS: Objection to the form</p> <p>25 of the question.</p>	<p style="text-align: right;">Page 307</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 MS. DANDENEAU: Objection to the</p> <p>3 form.</p> <p>4 A. Yes.</p> <p>5 Q. So do you agree with me that it's</p> <p>6 odd – I think that is the word you used –</p> <p>7 that Highland would be loaning \$7.4 million a</p> <p>8 few weeks after that extension to an entity</p> <p>9 whose liabilities exceeded its assets, and you</p> <p>10 would agree with me that it was never your</p> <p>11 intention to be in any way liable for these two</p> <p>12 promissory notes; correct?</p> <p>13 MR. MORRIS: Objection to the form</p> <p>14 of the question.</p> <p>15 A. Sorry, you – you asked a lot there.</p> <p>16 MR. RUKAVINA: I will strike it and</p> <p>17 I will move on.</p> <p>18 Let's go to – pull up Exhibit 9,</p> <p>19 please Mr. Nguyen – Alpha 9, I'm sorry, Alpha</p> <p>20 9, A9.</p> <p>21 (Exhibit A9 marked.)</p> <p>22 Q. Sir, take a moment to look at this,</p> <p>23 but this is an email, and you will see attached</p> <p>24 July 31, 2020 affiliate notes.</p> <p>25 Do you see that attachment?</p>
<p style="text-align: right;">Page 308</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. Yes.</p> <p>3 Q. Okay. And do you see an entry for</p> <p>4 Highland Capital Management Fund Advisors?</p> <p>5 MR. MORRIS: I'm sorry, hold on.</p> <p>6 Where are you looking?</p> <p>7 MR. RUKAVINA: Last page, John.</p> <p>8 MR. MORRIS: Is it the page on the</p> <p>9 screen?</p> <p>10 MR. RUKAVINA: Oh, I'm sorry.</p> <p>11 Mr. Nguyen just did it. Yes, the last page</p> <p>12 there.</p> <p>13 MR. MORRIS: Thank you.</p> <p>14 Q. Do you see an entry there for HCMFA?</p> <p>15 A. Yes.</p> <p>16 Q. About \$10.5 million.</p> <p>17 Do you see that?</p> <p>18 A. I do.</p> <p>19 Q. And, now, do you have any</p> <p>20 explanation for why if HCMFA owed \$7.4 million,</p> <p>21 plus the 5.3 million that had been extended,</p> <p>22 why that amount was only 10.5 million?</p> <p>23 A. I don't know. Okay.</p> <p>24 MR. RUKAVINA: Close this one and</p> <p>25 pull up, Mr. Nguyen, the schedules,</p>	<p style="text-align: right;">Page 309</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 schedule of assets. What exhibit is this</p> <p>3 of ours, Mr. Nguyen?</p> <p>4 MR. NGUYEN: This is A11.</p> <p>5 MR. RUKAVINA: Oh, this will be A11.</p> <p>6 (Exhibit A11 marked.)</p> <p>7 Q. You don't have this in front of you,</p> <p>8 Mr. Waterhouse?</p> <p>9 A. Okay.</p> <p>10 Q. This is what Mr. Morris used</p> <p>11 earlier. Do you remember looking at this with</p> <p>12 Mr. Morris?</p> <p>13 A. Yes.</p> <p>14 MR. RUKAVINA: You might have to</p> <p>15 zoom in a little. Okay.</p> <p>16 Q. Now, I see Affiliate Note A, B, and</p> <p>17 C.</p> <p>18 Do you have any recollection as to</p> <p>19 why the names of the affiliates are omitted?</p> <p>20 A. I don't. I testified earlier that,</p> <p>21 you know, the team worked with DSI in providing</p> <p>22 these. I – I don't – I don't know.</p> <p>23 Q. Can we deduce – is it logical to</p> <p>24 deduce that Affiliate Note A would be NexPoint</p> <p>25 given its size of \$24.5 million?</p>

<p style="text-align: right;">Page 310</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 MR. MORRIS: Objection to the form</p> <p>3 of the question.</p> <p>4 A. I mean, it – it is a – it is – it</p> <p>5 is approximate.</p> <p>6 Q. Well, can we – can we deduce – or,</p> <p>7 I'm sorry, strike that.</p> <p>8 Can you, sitting here today,</p> <p>9 logically conclude that Affiliate Note B or C</p> <p>10 represents HCMFA?</p> <p>11 MR. MORRIS: Objection to the form</p> <p>12 of the question.</p> <p>13 A. I don't know. I don't know. I</p> <p>14 can't.</p> <p>15 Q. Okay. As of the petition date, we</p> <p>16 have established that HCMFA, under promissory</p> <p>17 notes, owed \$7.4 million and \$5.3 million to</p> <p>18 the debtor; correct?</p> <p>19 MR. MORRIS: Objection to the form</p> <p>20 of the question.</p> <p>21 A. Yes.</p> <p>22 Q. Okay. And by my reckoning, that</p> <p>23 would be somewhere approaching \$13 million.</p> <p>24 MR. MORRIS: Objection to the form</p> <p>25 of the question.</p>	<p style="text-align: right;">Page 311</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. It would be \$12.7 million. Is that</p> <p>3 generally correct?</p> <p>4 A. Sorry, the amounts were 7.4, 5.3.</p> <p>5 Q. Yes.</p> <p>6 A. Okay. Yeah, that – that – I can</p> <p>7 do that math, yes.</p> <p>8 Q. Do you have any explanation or any</p> <p>9 understanding of why there is no similar entry</p> <p>10 listed here on the schedule of assets filed</p> <p>11 with the bankruptcy court?</p> <p>12 MR. MORRIS: Objection to the form</p> <p>13 of the question.</p> <p>14 A. I don't know. We have to look at</p> <p>15 the supporting schedules, like I talked about</p> <p>16 other – presumably there is – there is a</p> <p>17 build to the schedule that would provide the</p> <p>18 detail.</p> <p>19 Q. Well, that was going to be my next</p> <p>20 question. You anticipated it.</p> <p>21 MR. RUKAVINA: You can – you can</p> <p>22 take this down, Mr. Nguyen.</p> <p>23 Q. Do you believe that whenever you and</p> <p>24 your team provided the underlying data to the</p> <p>25 financial advisor that the actual names of the</p>
<p style="text-align: right;">Page 312</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 affiliates for Affiliate Note A, B, and C would</p> <p>3 have been listed there?</p> <p>4 A. Are you asking we provided the names</p> <p>5 to the financial advisor? I don't – I don't</p> <p>6 understand who the financial advisor is.</p> <p>7 Q. I'm sorry, DSI.</p> <p>8 Let me ask the question this way,</p> <p>9 Mr. Waterhouse.</p> <p>10 Whenever you provided information</p> <p>11 about the affiliate notes to DSI, do you</p> <p>12 believe that you would have included the actual</p> <p>13 names of the affiliates, you or your team, or</p> <p>14 that you would have done the Affiliate Note A,</p> <p>15 Note B, Note C?</p> <p>16 MR. MORRIS: Objection to the form</p> <p>17 of the question.</p> <p>18 MS. DANDENEAU: Objection to the</p> <p>19 form.</p> <p>20 A. We – like I testified earlier, when</p> <p>21 we were – we gave everything to – to DSI. We</p> <p>22 were giving all of our records, all of our</p> <p>23 files, everything to DSI. We weren't redacting</p> <p>24 information or saying, hey, here is a note,</p> <p>25 here is Affiliate Note A or B.</p>	<p style="text-align: right;">Page 313</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 I mean, it was – our job and our</p> <p>3 focus – and I testified in court back in 2019;</p> <p>4 right – was – was to be transparent and, you</p> <p>5 know, get DSI up to speed on – on the matters</p> <p>6 at Highland. So I can't see us redacting at</p> <p>7 that point.</p> <p>8 MR. RUKAVINA: Mr. Nguyen, will you</p> <p>9 please pull up Mr. Morris' Exhibit 36.</p> <p>10 Just the very first page, the very top</p> <p>11 email. You might zoom in a little bit.</p> <p>12 Q. Now, you recall being asked about</p> <p>13 this by Mr. Morris?</p> <p>14 A. Yes, I do.</p> <p>15 Q. And you wrote: The HCMFA note is a</p> <p>16 demand note.</p> <p>17 You wrote that; right?</p> <p>18 A. Yes.</p> <p>19 Q. And, in fact, weren't there by that</p> <p>20 point in time several notes?</p> <p>21 A. Yes, there were. Again, I don't –</p> <p>22 I don't remember everything specifically. I</p> <p>23 mean –</p> <p>24 Q. I understand. I understand.</p> <p>25 So this is an example where – where</p>

<p style="text-align: right;">Page 314</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 you might have made a mistake by referring to a</p> <p>3 singular instead of a plural; right?</p> <p>4 A. Yes.</p> <p>5 Q. Okay. And you – you wrote – a</p> <p>6 couple of sentences later, you wrote: There</p> <p>7 was an agreement between HCMLP and HCMFA the</p> <p>8 earliest they could demand is May 2021.</p> <p>9 You wrote that; right?</p> <p>10 A. Yes.</p> <p>11 Q. But I think you – you agreed with</p> <p>12 Mr. Morris that that can't possibly apply to</p> <p>13 the May 2019 notes, can it?</p> <p>14 MR. MORRIS: Objection to the form</p> <p>15 of the question. That is not what he</p> <p>16 testified to.</p> <p>17 Q. Let me ask – let me ask a different</p> <p>18 question.</p> <p>19 Sitting here today – or if you can</p> <p>20 answer me from your memory on October 6,</p> <p>21 2020 – did the April acknowledgment that</p> <p>22 extended the maturity date apply to the</p> <p>23 May 2019 notes also?</p> <p>24 A. I don't recall specifically.</p> <p>25 Q. Well, you recall that the notes that</p>	<p style="text-align: right;">Page 315</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 you signed were demand notes; right?</p> <p>3 A. Yes.</p> <p>4 Q. Do you find it logical, based on</p> <p>5 your experience, that had they intended to have</p> <p>6 a different or a set maturity date, you would</p> <p>7 have instructed that that set maturity date be</p> <p>8 included instead of a demand feature?</p> <p>9 MR. MORRIS: Objection to the form</p> <p>10 of the question.</p> <p>11 A. Sorry, just want to make sure I</p> <p>12 understand. You are saying that – that the</p> <p>13 \$5 million note, the \$2.4 million note, if</p> <p>14 those were supposed to be a term note, that I</p> <p>15 would have made sure that those were a term</p> <p>16 note?</p> <p>17 Q. I'm saying – I'm saying,</p> <p>18 Mr. Waterhouse, that on May the 2nd and May the</p> <p>19 3rd, 2019, if you intended that those two</p> <p>20 promissory notes could not be called until May</p> <p>21 2021, would you have included such language in</p> <p>22 those two promissory notes?</p> <p>23 MR. MORRIS: Objection to the form</p> <p>24 of the question.</p> <p>25 A. I guess – I'm sorry, I don't recall</p>
<p style="text-align: right;">Page 316</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 putting language in those May notes. I don't</p> <p>3 remember what language you are referring to.</p> <p>4 Q. Well, let's read this again.</p> <p>5 There was an agreement between HCMLP</p> <p>6 and HCMFA the earliest they could demand is May</p> <p>7 2021.</p> <p>8 Do you recall that agreement?</p> <p>9 A. Yes, that was the agreement we</p> <p>10 looked at earlier; correct?</p> <p>11 Q. Okay. Yes.</p> <p>12 Do you – do you understand now that</p> <p>13 that agreement that we looked at earlier also</p> <p>14 applied to the May 2019 notes that you signed?</p> <p>15 A. I don't – I don't know.</p> <p>16 Q. But as of October 6, 2020, you're</p> <p>17 writing that there is one demand note and</p> <p>18 you're categorizing that demand note as not</p> <p>19 being demandable on May 2021; correct?</p> <p>20 A. Yes.</p> <p>21 Q. And you know now that you made at</p> <p>22 least one mistake in this email; correct?</p> <p>23 MR. MORRIS: Objection to the form</p> <p>24 of the question.</p> <p>25 A. Yes.</p>	<p style="text-align: right;">Page 317</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 MR. RUKAVINA: You can pull this</p> <p>3 down, Mr. Nguyen.</p> <p>4 Q. So, Mr. Waterhouse, you don't</p> <p>5 remember Mr. Dondero telling you to make these</p> <p>6 loans or not. HCMLP was loaning \$7.4 million</p> <p>7 to someone that their assets were less than</p> <p>8 their liabilities.</p> <p>9 We don't see on the July list of</p> <p>10 notes, where there is \$12.7 million of notes,</p> <p>11 we don't see that on the bankruptcy schedules,</p> <p>12 and we have this Exhibit 36 where you are</p> <p>13 confused.</p> <p>14 Are you prepared to tell me, sir,</p> <p>15 today that you might have made a mistake in</p> <p>16 executing those two promissory notes?</p> <p>17 MR. MORRIS: Objection to the form</p> <p>18 of the question.</p> <p>19 A. I – I don't know.</p> <p>20 Q. And if it turns out that you're</p> <p>21 personally liable for those promissory notes,</p> <p>22 it would certainly be a mistake, wouldn't it?</p> <p>23 MS. DANDENEAU: Objection to the</p> <p>24 form.</p> <p>25 MR. MORRIS: Join.</p>

<p style="text-align: right;">Page 318</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. Yes.</p> <p>3 Q. If Mr. Dondero testifies that he</p> <p>4 never told you to make these loans, would you</p> <p>5 disagree with his testimony?</p> <p>6 MR. MORRIS: Objection to the form</p> <p>7 of the question.</p> <p>8 A. Like I testified earlier with my</p> <p>9 conversation with Mr. Dondero, all I recall is</p> <p>10 he said, get the money from Highland.</p> <p>11 Q. And if Mr. Dondero testifies that</p> <p>12 he, in consultation with other senior personnel</p> <p>13 at Highland, decided that Highland needed to</p> <p>14 pay HCMFA \$7.4 million as compensation for the</p> <p>15 NAV error and not a loan, would you have any</p> <p>16 reason to disagree with Mr. Dondero?</p> <p>17 MR. MORRIS: Objection to the form</p> <p>18 of the question.</p> <p>19 A. If that was – if that was his</p> <p>20 intent, yes, it would – I would –</p> <p>21 Q. Do you have any reason to disagree</p> <p>22 with him?</p> <p>23 MR. MORRIS: Objection to the form</p> <p>24 of the question.</p> <p>25 A. If that was his intent, I don't</p>	<p style="text-align: right;">Page 319</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 know. I don't know how I disagree with that.</p> <p>3 Q. And just to confirm, you don't</p> <p>4 remember ever asking Mr. Dondero whether you</p> <p>5 should have two promissory notes prepared?</p> <p>6 A. No.</p> <p>7 Q. And you don't remember discussing</p> <p>8 with Mr. Dondero what the terms of those two</p> <p>9 promissory notes should be?</p> <p>10 A. I don't recall – I testified all I</p> <p>11 recall is he said, get the money from Highland.</p> <p>12 I don't – the – the terms of the note, I</p> <p>13 don't recall ever having a discussion around</p> <p>14 the terms of the note, but since I don't draft</p> <p>15 the notes, that – there could have been a</p> <p>16 conversation with other people later.</p> <p>17 Q. Do you have any memory of whether</p> <p>18 after the notes were drafted, but before you</p> <p>19 signed them, that you communicated with</p> <p>20 Mr. Dondero in any way to just confirm or – or</p> <p>21 get his blessing or ratification to signing</p> <p>22 those notes?</p> <p>23 MR. MORRIS: Objection to the form</p> <p>24 of the question.</p> <p>25 A. I don't recall.</p>
<p style="text-align: right;">Page 320</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Again, the only thing you remember,</p> <p>3 sitting here today, was Mr. Dondero said, get</p> <p>4 the money from Highland, and that is it, that</p> <p>5 is all you remember?</p> <p>6 MR. MORRIS: Objection to the form</p> <p>7 of the question.</p> <p>8 A. I testified to that several times.</p> <p>9 This was over two years ago. A lot has</p> <p>10 happened. That is all I recall.</p> <p>11 Q. And help me here. I'm not very</p> <p>12 technologically astute. When you – and I – I</p> <p>13 recognize that you do it rarely, but when you</p> <p>14 sign a document electronically, do you believe</p> <p>15 that there is an electronic record of you</p> <p>16 having authorized or signed a document</p> <p>17 electronically?</p> <p>18 MR. MORRIS: Objection to the form</p> <p>19 of the question.</p> <p>20 A. I – I don't know the tech answer to</p> <p>21 that, but, you know, since I don't have – I</p> <p>22 don't ever attach my signature block</p> <p>23 electronically, my assistant would have done</p> <p>24 that, and if that is done over email like we</p> <p>25 did several times – you know, multiple,</p>	<p style="text-align: right;">Page 321</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 multiple times over COVID, she would attach my</p> <p>3 signature block and then email it out to</p> <p>4 whatever party.</p> <p>5 Q. What was your assistant's name in</p> <p>6 May 2019?</p> <p>7 A. It was Naomi Chisum.</p> <p>8 Q. Is she the only one? I'm sorry, was</p> <p>9 she your only assistant that would have maybe</p> <p>10 facilitated logistically something like you</p> <p>11 just described?</p> <p>12 A. You know, she was out on maternity</p> <p>13 leave at some point. I don't – I don't recall</p> <p>14 those dates where she was out for maternity</p> <p>15 leave. There was – there were folks backing</p> <p>16 her up. I don't recall specifically who</p> <p>17 those – who those, you know, administrative</p> <p>18 assistants were, and I don't recall</p> <p>19 specifically if she was out during this time on</p> <p>20 maternity leave.</p> <p>21 I do know that that she was out for</p> <p>22 a period of time, or who knows, or she could</p> <p>23 have been on vacation that day or, you know, I</p> <p>24 don't know.</p> <p>25 Q. Switching gears now, the two</p>

<p style="text-align: right;">Page 322</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 complaints that have been filed that is against</p> <p>3 HCMFA and NexPoint, did you see any drafts of</p> <p>4 those complaints before they were filed?</p> <p>5 MR. MORRIS: Objection to the form</p> <p>6 of the question, and to the extent that you</p> <p>7 had any communications with counsel or you</p> <p>8 were shown drafts of the complaints by</p> <p>9 counsel while you were employed by</p> <p>10 Highland, I direct you not to answer.</p> <p>11 A. I – I reviewed documents yesterday</p> <p>12 with counsel here. I believe that is the first</p> <p>13 time I have ever seen those.</p> <p>14 Q. Okay. Did you ever discuss with</p> <p>15 Mr. Seery these two lawsuits before or after</p> <p>16 they were filed?</p> <p>17 A. I don't recall.</p> <p>18 Q. Were you ever interviewed by legal</p> <p>19 counsel, to your knowledge, about these</p> <p>20 promissory notes before the complaints were</p> <p>21 filed? Without going into what was said, were</p> <p>22 you ever interviewed by legal counsel?</p> <p>23 MR. MORRIS: Objection to the form</p> <p>24 of the question.</p> <p>25 A. I don't recall.</p>	<p style="text-align: right;">Page 323</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Obviously with COVID, it changed,</p> <p>3 but – but before COVID, did you used to meet</p> <p>4 with Mr. Seery from time to time in-person?</p> <p>5 A. Yeah, I mean, so before COVID – so</p> <p>6 we're talking kind of late March, early April,</p> <p>7 right, there was about – I don't remember the</p> <p>8 specific date when the board for Highland was</p> <p>9 appointed. I believe it was around February of</p> <p>10 2020, so maybe there was a month-and-a-half,</p> <p>11 two-month window where we were meeting</p> <p>12 in-person or, you know, like we were actually</p> <p>13 in the office, excuse me, we were in the</p> <p>14 office.</p> <p>15 And, you know, when they were first</p> <p>16 appointed, the board members and Mr. Seery</p> <p>17 were – were definitely down here more</p> <p>18 in-person.</p> <p>19 Q. Did you ever see Mr. Seery taking</p> <p>20 written notes of – of his meetings with you or</p> <p>21 others?</p> <p>22 A. I don't recall.</p> <p>23 Q. Do you recall on any Zoom or video</p> <p>24 conference with Mr. Seery, seeing him take</p> <p>25 notes, written notes?</p>
<p style="text-align: right;">Page 324</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. The Zoom calls we had, I don't</p> <p>3 recall having seen video or, you know, or if it</p> <p>4 was on Zoom, I just remember it being – well,</p> <p>5 no, you know what, there were some – you know,</p> <p>6 I take that back.</p> <p>7 So there were – there were some</p> <p>8 times that I did remember seeing Mr. Seery</p> <p>9 on – on some of the Zoom calls.</p> <p>10 Q. Well, let me –</p> <p>11 A. I don't – sorry, I'm thinking. I'm</p> <p>12 thinking – I'm going back. I'm trying to</p> <p>13 process this.</p> <p>14 Q. I can make it much quicker,</p> <p>15 Mr. Waterhouse. I have heard – I have heard</p> <p>16 that Mr. Seery is a copious note taker.</p> <p>17 Do you have any knowledge about</p> <p>18 that?</p> <p>19 A. No.</p> <p>20 Q. Okay. Switching gears yet again,</p> <p>21 and this will be last theme. Do you need a</p> <p>22 restroom break, or are you good to go for</p> <p>23 another half an hour?</p> <p>24 MS. DEITSCH-PEREZ: I need a</p> <p>25 restroom break.</p>	<p style="text-align: right;">Page 325</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 MR. RUKAVINA: Can we make it five</p> <p>3 minutes?</p> <p>4 THE WITNESS: Five minutes would be</p> <p>5 great.</p> <p>6 VIDEOGRAPHER: We're going off the</p> <p>7 record at 5:53 p.m.</p> <p>8 (Recess taken 5:53 p.m. to 5:59 p.m.)</p> <p>9 VIDEOGRAPHER: We are back on the</p> <p>10 record at 5:59 p.m.</p> <p>11 Q. Mr. Waterhouse, I had asked you</p> <p>12 earlier about contracts between HCMFA and the</p> <p>13 debtor, and now I'm going to talk about</p> <p>14 contracts between the debtor and NexPoint</p> <p>15 Advisors. Okay?</p> <p>16 A. Okay.</p> <p>17 Q. Now, were there contracts similar to</p> <p>18 the ones with HCMFA that NexPoint had in the</p> <p>19 nature of employee reimbursement and shared</p> <p>20 services?</p> <p>21 A. Yes, they – NexPoint Advisors and</p> <p>22 Highland Capital Management Fund Advisors had</p> <p>23 cost reimbursement and shared services</p> <p>24 agreements with Highland Capital Management,</p> <p>25 L.P.</p>

<p style="text-align: right;">Page 326</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. And was that shared services</p> <p>3 agreement, to the best of your understanding,</p> <p>4 in place as of December 31, 2020?</p> <p>5 A. It was – it was terminated at some</p> <p>6 point, and I remember the contracts had</p> <p>7 different termination dates, but I think the –</p> <p>8 the date of termination was January 31st of</p> <p>9 2021, after the termination was put in.</p> <p>10 So yeah, it would be in place at the</p> <p>11 end of the year of December – it would be in</p> <p>12 place at December 31st, 2020.</p> <p>13 Q. And pursuant to that agreement as of</p> <p>14 December 31st, 2020, was the debtor providing</p> <p>15 what you would describe as back office services</p> <p>16 to NexPoint?</p> <p>17 A. Yes.</p> <p>18 Q. Would those have included accounting</p> <p>19 services?</p> <p>20 A. Yes.</p> <p>21 Q. And as part of those accounting</p> <p>22 services, would the debtor have assisted</p> <p>23 NexPoint with paying its bills?</p> <p>24 MR. MORRIS: Objection to the form</p> <p>25 of the question.</p>	<p style="text-align: right;">Page 327</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. Yes.</p> <p>3 Q. So let's break that up. You were a</p> <p>4 treasurer of NexPoint as well in December of</p> <p>5 2020?</p> <p>6 MR. MORRIS: Objection to the form</p> <p>7 of the question.</p> <p>8 A. Yes.</p> <p>9 Q. Okay. And in December of 2020, did</p> <p>10 NexPoint have its own bank accounts?</p> <p>11 A. Yes.</p> <p>12 Q. And did it use those bank accounts</p> <p>13 to pay various of its obligations?</p> <p>14 A. Yes.</p> <p>15 Q. Did employees of the debtor have the</p> <p>16 ability to cause transfers to be made from</p> <p>17 those bank accounts on behalf of NexPoint?</p> <p>18 A. Yes.</p> <p>19 Q. And is that one of services that the</p> <p>20 debtor provided NexPoint, basically ensuring</p> <p>21 that accounts payable and other obligations</p> <p>22 would be paid?</p> <p>23 A. Yes.</p> <p>24 MR. MORRIS: Objection to the form</p> <p>25 of the question.</p>
<p style="text-align: right;">Page 328</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. You answered yes?</p> <p>3 A. Yes.</p> <p>4 Q. And the payments, though, whose</p> <p>5 funds would they be made from?</p> <p>6 A. From the bank account of NexPoint</p> <p>7 Advisors. If they were NexPoint advisor</p> <p>8 obligations, it would be made from NexPoint</p> <p>9 Advisors' bank account.</p> <p>10 Q. So let's pull up Exhibit Alpha 1.</p> <p>11 You should have that – it is my Tab 1 or my</p> <p>12 Exhibit 1.</p> <p>13 (Exhibit A1 marked.)</p> <p>14 Q. So this is a – this is a series of</p> <p>15 emails, Mr. Waterhouse. Let's look at the</p> <p>16 first page here, November 25, 2020, between</p> <p>17 Kristin Hendrix and yourself.</p> <p>18 Do you see that, sir?</p> <p>19 A. I do.</p> <p>20 Q. And do you see where Ms. Hendrix</p> <p>21 writes: NPA.</p> <p>22 Do you know what NPA stood for?</p> <p>23 A. Yes.</p> <p>24 Q. And what does it stand for?</p> <p>25 A. NexPoint Advisors.</p>	<p style="text-align: right;">Page 329</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. And was that how you-all internally</p> <p>3 at Highland refer to NexPoint Advisors, L.P.?</p> <p>4 A. I mean, yes, amongst other things.</p> <p>5 Q. And she writes at the bottom of her</p> <p>6 email: Okay to release?</p> <p>7 Do you see that?</p> <p>8 A. Yes, I do.</p> <p>9 Q. So what –</p> <p>10 MR. MORRIS: Hold on one second.</p> <p>11 Okay. Go ahead.</p> <p>12 MR. RUKAVINA: Yeah.</p> <p>13 Q. So what is – what is Ms. Hendrix</p> <p>14 here on November 25 asking of you?</p> <p>15 A. She is asking me – so she – these</p> <p>16 are – these are payments – typically we would</p> <p>17 do an accounts payable run every week at the</p> <p>18 end of every Friday. But looking at this date,</p> <p>19 it is Wednesday, November 25th, which means, to</p> <p>20 me, it is likely Thanksgiving weekend.</p> <p>21 So this is the day before</p> <p>22 Thanksgiving, so this is the last kind of –</p> <p>23 kind of day before the holidays and vacation</p> <p>24 and things of that nature. So it is</p> <p>25 effectively the Friday of that week.</p>

<p style="text-align: right;">Page 330</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 So she is – she is putting in all</p> <p>3 the payments for the week because we batch</p> <p>4 payments weekly. And these are the payments</p> <p>5 that go out that week, and she is informing me</p> <p>6 of the payments and – you know, again, at the</p> <p>7 bottom of the email, she is asking for my okay</p> <p>8 to – to release these payments in the wire</p> <p>9 system.</p> <p>10 Q. So these would be accounts payable</p> <p>11 of NexPoint?</p> <p>12 A. I mean, it would be accounts payable</p> <p>13 for all of these entities listed on this email.</p> <p>14 Q. And who was Ms. Hendrix employed by</p> <p>15 in November and December of 2020?</p> <p>16 A. Highland Capital Management.</p> <p>17 Q. Okay. So – so part of the services</p> <p>18 that NexPoint had contracted with was for</p> <p>19 Highland to ensure that NexPoint timely paid</p> <p>20 its accounts payable; is that accurate?</p> <p>21 MR. MORRIS: Objection to the form</p> <p>22 of the question. You have got to be</p> <p>23 kidding me.</p> <p>24 Q. Is that accurate?</p> <p>25 A. Yes.</p>	<p style="text-align: right;">Page 331</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. And did NexPoint rely on employees</p> <p>3 of the debtor to ensure that NexPoint's</p> <p>4 accounts payable were timely paid?</p> <p>5 MR. MORRIS: Objection to the form</p> <p>6 of the question.</p> <p>7 A. Yes.</p> <p>8 MR. RUKAVINA: Let's flip to the</p> <p>9 next page, Mr. Nguyen, if you will please</p> <p>10 scroll to the next page.</p> <p>11 Q. So this is an email similar to the</p> <p>12 prior one, November 30th.</p> <p>13 Do you see where it says, NPA HCMFA,</p> <p>14 USD \$325,000 one-day loan?</p> <p>15 Do you see that, sir?</p> <p>16 A. I do.</p> <p>17 Q. Do you have any memory of what that</p> <p>18 was?</p> <p>19 A. I don't recall what that – what</p> <p>20 that payment was for.</p> <p>21 Q. Did it sometimes occur that one</p> <p>22 advisor would, on very short-terms, make loans</p> <p>23 to another advisor?</p> <p>24 A. Yes. This – this – this occurred</p> <p>25 from – from – from time to time. It actually</p>
<p style="text-align: right;">Page 332</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 looking at – I'm – I'm looking at the date of</p> <p>3 this email. It is November 30th. It is the</p> <p>4 last day of the month.</p> <p>5 HCMFA has obligations it needs to</p> <p>6 pay to its broker-dealer, which is HCFD. And</p> <p>7 it likely was short funds to make those</p> <p>8 obligations under that – under its agreement,</p> <p>9 and so it provided a one-day loan because on</p> <p>10 the next business day on 12/1 – or the next</p> <p>11 business day in December, it would receive</p> <p>12 management fees from the underlying funds that</p> <p>13 it managed and it would be able to pay back</p> <p>14 that loan to NexPoint Advisors.</p> <p>15 Q. So – so here Ms. Hendrix was</p> <p>16 seeking your approval to transfer \$325,000 from</p> <p>17 NexPoint to HCMFA for a one-day loan; is that</p> <p>18 correct?</p> <p>19 A. That is correct.</p> <p>20 Q. Let's flip to the next page, sir.</p> <p>21 MR. RUKAVINA: And, Mr. Nguyen, if</p> <p>22 you will please scroll down.</p> <p>23 Q. Now we have as an entry for</p> <p>24 \$325,000, 11/30 loan payment.</p> <p>25 Do you see that, sir?</p>	<p style="text-align: right;">Page 333</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. Yes.</p> <p>3 Q. And that is probably the loan that</p> <p>4 was approved on the prior page?</p> <p>5 A. Yes, most likely.</p> <p>6 Q. So is it also true, sir, that in</p> <p>7 addition to accounts payable debtor employees</p> <p>8 would be assisting NexPoint with respect to</p> <p>9 paying back its debt?</p> <p>10 MR. MORRIS: Objection to the form</p> <p>11 of the question.</p> <p>12 A. I mean, yes, for loans of this</p> <p>13 nature, yes.</p> <p>14 Q. Well, what about long term loans?</p> <p>15 Was it reasonable for NexPoint to expect debtor</p> <p>16 employees to ensure that NexPoint timely paid</p> <p>17 its obligations under long-term notes?</p> <p>18 MR. MORRIS: Objection to the form</p> <p>19 of the question.</p> <p>20 MS. DANDENEAU: Objection to form.</p> <p>21 A. I mean, that is one of the things</p> <p>22 that the Highland personnel did provide to the</p> <p>23 advisors. Yes, we would – we would – over</p> <p>24 the years, yes, we – we – we – we did do</p> <p>25 that generally. Again, I don't remember</p>

<p style="text-align: right;">Page 334</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 specifically but, yes, generally we – you</p> <p>3 know, we did do that.</p> <p>4 Q. So do you recall – and we can pull</p> <p>5 it up, if need be – that under the NexPoint</p> <p>6 note that Mr. Morris asked you about earlier,</p> <p>7 the one for more than \$30 million, that</p> <p>8 NexPoint was obligated to make an annual</p> <p>9 payment of principal and interest?</p> <p>10 MR. MORRIS: Objection to the form</p> <p>11 of the question.</p> <p>12 A. Yes, it was – yes, it – it was an</p> <p>13 amortizing note. It was – you know, from what</p> <p>14 we reviewed earlier, it was payable by</p> <p>15 December 31st of each year. So – but are –</p> <p>16 are you asking me –</p> <p>17 Q. I'm just asking you, sir, if you</p> <p>18 recall the note.</p> <p>19 A. Yes, the \$30 million note, yes, we</p> <p>20 reviewed it earlier, yes.</p> <p>21 Q. And do you recall Mr. Morris had you</p> <p>22 go through the fact that NexPoint had made</p> <p>23 payments in years prior to 2020 on that note?</p> <p>24 A. I do.</p> <p>25 Q. And do you believe that employees of</p>	<p style="text-align: right;">Page 335</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 the debtor would have played any role in</p> <p>3 NexPoint having made those prior payments?</p> <p>4 MR. MORRIS: Objection to the form</p> <p>5 of the question.</p> <p>6 A. Yes.</p> <p>7 Q. And what role in years prior to 2020</p> <p>8 would employees of the debtor have had with</p> <p>9 respect to NexPoint making that annual payment?</p> <p>10 A. We – we – we would have – I keep</p> <p>11 saying "we." The team would have calculated</p> <p>12 any amounts due under that loan and other</p> <p>13 loans, as – as standard course.</p> <p>14 We would – since we provided</p> <p>15 treasury services to the advisors, we would</p> <p>16 inform the – the – the – we informed</p> <p>17 Mr. Dondero of any cash obligations that are</p> <p>18 forthcoming, whether we do cash projections.</p> <p>19 If, you know, any of these payments</p> <p>20 would have – or, you know, the sum total of</p> <p>21 all of these payments, including any note</p> <p>22 payments, if there were any cash shortfalls, we</p> <p>23 would have informed Mr. Dondero of any cash</p> <p>24 shortfalls. We could adequately plan, you</p> <p>25 know, in instances like that.</p>
<p style="text-align: right;">Page 336</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Or, sorry, we – I say "we" – I</p> <p>3 keep saying "we" – I keep wearing my – again,</p> <p>4 my – my treasurer hat.</p> <p>5 But, yes, it is to – it is to</p> <p>6 inform Mr. Dondero of the obligations of the</p> <p>7 advisors in terms of cash and obligations that</p> <p>8 are – are upcoming and that – and that are –</p> <p>9 are scheduled to be paid.</p> <p>10 Q. And would those obligations that are</p> <p>11 upcoming and scheduled to be paid prior to 2020</p> <p>12 have incurred the annual payment on that</p> <p>13 NexPoint \$30 million note?</p> <p>14 MS. DANDENEAU: Objection to form.</p> <p>15 MS. DEITSCH-PEREZ: Davor, I think</p> <p>16 you misspoke. You might want to just</p> <p>17 repeat the question.</p> <p>18 Q. Okay. Let me repeat the question,</p> <p>19 sir.</p> <p>20 Prior to 2020, those services that</p> <p>21 you just described, would that – on behalf of</p> <p>22 the debtor, would that have included NexPoint's</p> <p>23 payments on the \$30 million note?</p> <p>24 A. Yes.</p> <p>25 Q. So someone at the debtor in treasury</p>	<p style="text-align: right;">Page 337</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 or accounting would have sent some schedule or</p> <p>3 a reminder that a payment would be coming due</p> <p>4 in the future. Is that generally the practice?</p> <p>5 A. Yes, we would – you know, again, I</p> <p>6 didn't – I didn't micromanage the teams, but</p> <p>7 we had a – a corporate accounting calendar</p> <p>8 that we use as kind of a tickler file to keep</p> <p>9 track of payments.</p> <p>10 I actually, you know, don't know how</p> <p>11 actively they're using that in – in prior to</p> <p>12 2020, but it was actively used at some point.</p> <p>13 We did look at NexPoint cash</p> <p>14 periodically and cash for the other advisors as</p> <p>15 well and payments. You know, we – payments</p> <p>16 like this would have appeared in our cash</p> <p>17 projections, in the advisor's cash projections.</p> <p>18 And, again, as like I said earlier,</p> <p>19 they would have appeared there, so there would</p> <p>20 be time to plan for making any of these</p> <p>21 payments.</p> <p>22 Q. And based on your experience, would</p> <p>23 it have been reasonable for NexPoint to rely on</p> <p>24 the debtors' employees to inform NexPoint of an</p> <p>25 upcoming payment due on the \$30 million</p>

<p style="text-align: right;">Page 338</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 promissory note?</p> <p>3 MR. MORRIS: Objection to form of</p> <p>4 the question.</p> <p>5 MS. DANDENEAU: Objection to form.</p> <p>6 A. Yes. Yes, they did. I mean, but I</p> <p>7 mean, but I don't think these – these notes</p> <p>8 were any secret to anybody.</p> <p>9 Q. I understand, and I'm not suggesting</p> <p>10 otherwise.</p> <p>11 MR. RUKAVINA: Please pull up Alpha</p> <p>12 2, Mr. Nguyen.</p> <p>13 (Exhibit A2 marked.)</p> <p>14 Q. Now, this document is similar to the</p> <p>15 ones we've seen before as of December 31, 2020,</p> <p>16 and I don't see under NTA anything there for</p> <p>17 paying the promissory note to Highland.</p> <p>18 Do you see anything like that?</p> <p>19 A. I do not.</p> <p>20 MR. RUKAVINA: You can pull that –</p> <p>21 that exhibit down, Mr. Nguyen.</p> <p>22 Q. You are aware, of course, by now</p> <p>23 that, in fact, NexPoint failed to make the</p> <p>24 payment due December 31, 2020, are you not?</p> <p>25 A. I am aware, and yes, I do understand</p>	<p style="text-align: right;">Page 339</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 it.</p> <p>3 Q. Were you aware that Highland</p> <p>4 accelerated that \$30 million promissory note?</p> <p>5 A. I am aware.</p> <p>6 Q. Were you aware of that acceleration</p> <p>7 at the time that it occurred?</p> <p>8 A. I don't remember specifically.</p> <p>9 Q. Do you recall whether anyone asked</p> <p>10 you – prior to the acceleration, anyone asked</p> <p>11 you at Highland, what Highland should do with</p> <p>12 respect to the missed payment?</p> <p>13 A. Did anyone ask me what Highland</p> <p>14 should do about the missed payment?</p> <p>15 Q. Yes, before acceleration.</p> <p>16 MR. MORRIS: Objection to the form</p> <p>17 of the question.</p> <p>18 A. I mean, what – what I recall is</p> <p>19 there was the – sorry, are you asking me –</p> <p>20 MS. DANDENEAU: Why don't you just</p> <p>21 repeat the question, Mr. Rukavina.</p> <p>22 Q. Let me try again, Mr. Waterhouse,</p> <p>23 let me try again.</p> <p>24 I am saying you're the CFO of</p> <p>25 someone, in this case, Highland, and the</p>
<p style="text-align: right;">Page 340</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 borrower failed to make the required payment.</p> <p>3 Are you with me so far?</p> <p>4 A. I am.</p> <p>5 Q. Did anyone then ask you, what should</p> <p>6 we do with respect to our rights against the</p> <p>7 borrower that missed the payment?</p> <p>8 A. Not that I recall.</p> <p>9 Q. Did you play a role in the decision</p> <p>10 to accelerate that \$30 million promissory note?</p> <p>11 A. I did not.</p> <p>12 Q. Do you recall whether Mr. Seery ever</p> <p>13 asked you before the acceleration as to whether</p> <p>14 he should accelerate the note?</p> <p>15 A. I don't recall.</p> <p>16 Q. And you don't recall when you</p> <p>17 learned of the acceleration itself?</p> <p>18 MR. MORRIS: Objection to the form</p> <p>19 of that question.</p> <p>20 A. It was – it was sometime in</p> <p>21 early – in early 2021. I don't remember</p> <p>22 specifically.</p> <p>23 Q. But do you recall whether it was</p> <p>24 after the acceleration had already been</p> <p>25 transmitted?</p>	<p style="text-align: right;">Page 341</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 MS. DANDENEAU: Objection to the</p> <p>3 form of the question.</p> <p>4 A. I don't recall.</p> <p>5 Q. Do you recall in early to mid</p> <p>6 January of 2021, after the default, discussing</p> <p>7 the default with Mr. Dondero?</p> <p>8 A. I do recall discussing with</p> <p>9 Mr. Dondero after December 31, 2020?</p> <p>10 Q. Yes, the fact of the default.</p> <p>11 A. I don't recall.</p> <p>12 MR. RUKAVINA: Let's pull up my</p> <p>13 Exhibit 6, Alpha 6.</p> <p>14 (Exhibit A6 marked.)</p> <p>15 MR. RUKAVINA: And, Mr. Nguyen, if</p> <p>16 you will please scroll down.</p> <p>17 Q. This email chain begins with you</p> <p>18 writing to Ms. Hendrix on January the 12th:</p> <p>19 NexPoint note to HCMLP.</p> <p>20 Do you see that, sir?</p> <p>21 A. I do.</p> <p>22 Q. Were you discussing this same</p> <p>23 \$30 million note we're talking about right now</p> <p>24 with Ms. Hendrix?</p> <p>25 A. Yes.</p>

<p style="text-align: right;">Page 342</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Okay. Do you recall what prompted</p> <p>3 you to send that email to her?</p> <p>4 A. Yes, I had -- I had a conversation</p> <p>5 with Jim.</p> <p>6 Q. Okay. And what -- what did you</p> <p>7 discuss with Jim that led to this email chain?</p> <p>8 A. He -- he called me and he said he</p> <p>9 wanted to make payment on the NexPoint note,</p> <p>10 and I didn't -- I didn't know the -- the amount</p> <p>11 offhand, so I reached out to Kristin and got</p> <p>12 the details and relayed that to him.</p> <p>13 Q. And you see you sent that email to</p> <p>14 her at 11:15 a.m. Does that help you remember</p> <p>15 when you had this discussion with Mr. Dondero?</p> <p>16 In other words, was it that morning or the day</p> <p>17 before, or can you -- can you --</p> <p>18 A. No, it was -- it was that morning.</p> <p>19 Q. And do you recall how you had that</p> <p>20 conversation with him?</p> <p>21 MR. MORRIS: Objection to the form</p> <p>22 of the question.</p> <p>23 Q. By telephone, by email, in-person?</p> <p>24 A. Yeah, he -- he called me. I was at</p> <p>25 home. We were working from home here in</p>	<p style="text-align: right;">Page 343</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 December of 2020. He called me from home. He</p> <p>3 said he was in court. He wanted to -- he asked</p> <p>4 about, you know, making payment on the note and</p> <p>5 the amount, and so I didn't have those numbers</p> <p>6 in front of me, so I said I would get back to</p> <p>7 him. I wanted all the details, so here is</p> <p>8 this -- so I reached out to Kristin.</p> <p>9 Q. And then she gave you that</p> <p>10 \$1,406,000 figure?</p> <p>11 MR. RUKAVINA: Mr. Nguyen, if you</p> <p>12 will scroll up, please.</p> <p>13 A. Yes. Yeah, she -- the \$1,406,112.</p> <p>14 Q. And do you recall whether you</p> <p>15 conveyed that amount to Mr. Dondero?</p> <p>16 A. Yes. I -- I called him back and</p> <p>17 gave him -- gave him this amount.</p> <p>18 Q. Are you aware of whether NexPoint,</p> <p>19 in fact, then made that 1 million 406 and</p> <p>20 change payment?</p> <p>21 A. Yes, they did.</p> <p>22 Q. Did you discuss with Mr. Dondero at</p> <p>23 that time, either the first conference or the</p> <p>24 second conference that day -- strike that.</p> <p>25 When you conveyed the number to</p>
<p style="text-align: right;">Page 344</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Mr. Dondero, was -- was it also on January</p> <p>3 12th?</p> <p>4 A. Sorry, when I conveyed the</p> <p>5 \$1.4 million number?</p> <p>6 Q. Yes.</p> <p>7 A. Yes, yes, it was that -- it was --</p> <p>8 Q. So you had --</p> <p>9 A. It was that point.</p> <p>10 Q. Well, to the best of your</p> <p>11 recollection, you had a conference with</p> <p>12 Mr. Dondero by the telephone in the morning,</p> <p>13 and then another conference with him by</p> <p>14 telephone after 11:40 a.m. that morning?</p> <p>15 A. Yeah, I can't remember -- yeah, it</p> <p>16 was either that morning or it could have been,</p> <p>17 you know, early afternoon, but again, I</p> <p>18 remember calling him back, relaying this</p> <p>19 information to him, and he said, okay, pay --</p> <p>20 you know, make -- make this payment.</p> <p>21 Q. And during either of those two</p> <p>22 calls, did you tell Mr. Dondero anything to the</p> <p>23 effect that making those -- I'm sorry, making</p> <p>24 that payment would not de-accelerate the</p> <p>25 promissory note?</p>	<p style="text-align: right;">Page 345</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. No.</p> <p>3 Q. Did you tell him anything to the</p> <p>4 effect that making that payment would not cure</p> <p>5 the default?</p> <p>6 A. No.</p> <p>7 Q. Did you discuss that in any way with</p> <p>8 him?</p> <p>9 A. No, I did not.</p> <p>10 Q. Did he say why he wanted to have</p> <p>11 that \$1.4 million payment made?</p> <p>12 MR. MORRIS: Objection to the form</p> <p>13 of the question.</p> <p>14 A. He -- he -- he didn't go into</p> <p>15 specifics.</p> <p>16 Q. Did he say anything to you to the</p> <p>17 effect that if NexPoint makes that payment,</p> <p>18 then the note will be de-accelerated?</p> <p>19 MR. MORRIS: Objection to the form</p> <p>20 of the question.</p> <p>21 A. I don't recall.</p> <p>22 MR. RUKAVINA: You can put this one</p> <p>23 down, Mr. Nguyen.</p> <p>24 Q. And, again, when you say you don't</p> <p>25 recall, you mean you don't remember right now</p>

<p style="text-align: right;">Page 346</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 either way; correct?</p> <p>3 A. Yeah, I don't remember. I don't</p> <p>4 remember us discussing that.</p> <p>5 Q. Now – and we're almost done, I</p> <p>6 promise. I'm just going to – I don't know how</p> <p>7 to ask this question, so I'm just going to try</p> <p>8 to do my best.</p> <p>9 Prior to the default on December 31,</p> <p>10 2020, did Mr. Seery ever tell you any words to</p> <p>11 the effect that you or someone at Highland</p> <p>12 should ensure that NexPoint doesn't make its</p> <p>13 payment?</p> <p>14 A. No.</p> <p>15 Q. Did you have any hint or any belief</p> <p>16 that anyone at NexPoint – I'm sorry, strike</p> <p>17 that.</p> <p>18 Did you have any reason to believe</p> <p>19 that anyone with Highland was actively trying</p> <p>20 to get NexPoint to make that default by not</p> <p>21 paying on December 31?</p> <p>22 MR. MORRIS: Objection to the form</p> <p>23 of the question.</p> <p>24 A. Are you asking, did any Highland</p> <p>25 employees actively work to make – to</p>	<p style="text-align: right;">Page 347</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 somehow –</p> <p>3 Q. Yes. Let me take a step back. Let</p> <p>4 me take a step back.</p> <p>5 So you are aware now that as a</p> <p>6 result of that default, what was still some</p> <p>7 25-year note was accelerated and became</p> <p>8 immediately due. You are aware of that now;</p> <p>9 right?</p> <p>10 A. Yes.</p> <p>11 Q. And can you see how someone at</p> <p>12 Highland might actually have been pleased with</p> <p>13 that development?</p> <p>14 MR. MORRIS: Objection to the form.</p> <p>15 Q. Not that they were – not that they</p> <p>16 were pleased, but you can see how someone at</p> <p>17 Highland might have been pleased with that</p> <p>18 development?</p> <p>19 MR. MORRIS: Objection to the form</p> <p>20 of the question.</p> <p>21 MS. DANDENEAU: Object to form.</p> <p>22 A. I don't know how they would have</p> <p>23 reacted to that.</p> <p>24 Q. Okay. But you're not – you're not</p> <p>25 aware of any instructions or any actions being</p>
<p style="text-align: right;">Page 348</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 given or taken at Highland by Mr. Seery, the</p> <p>3 independent board, DSI, that – that would have</p> <p>4 basically led Highland to ensure that NexPoint</p> <p>5 would fail to make that payment?</p> <p>6 A. I'm not aware.</p> <p>7 Q. In other words, there wasn't a trick</p> <p>8 or a settlement; right?</p> <p>9 MS. DEITSCH-PEREZ: Objection to</p> <p>10 form.</p> <p>11 MS. DANDENEAU: Object to form.</p> <p>12 MR. MORRIS: Object to form.</p> <p>13 A. I'm not aware.</p> <p>14 Look, I'm not aware. I'm not in</p> <p>15 every conversation. I mean, and I'm just –</p> <p>16 again, I'm sitting at home. It is the end of</p> <p>17 the year. Again, I'm not aware.</p> <p>18 Q. That is a perfectly legitimate</p> <p>19 answer. I don't know why – why you think</p> <p>20 otherwise.</p> <p>21 Okay. Just give me one second to</p> <p>22 compose my thoughts.</p> <p>23 MS. DEITSCH-PEREZ: While you're</p> <p>24 taking your one second, why don't we take</p> <p>25 three minutes. I will be right back.</p>	<p style="text-align: right;">Page 349</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 VIDEOGRAPHER: Do we want to go off</p> <p>3 the record?</p> <p>4 MR. RUKAVINA: Yes.</p> <p>5 VIDEOGRAPHER: All right. We're</p> <p>6 going off the record at 6:27 p.m.</p> <p>7 (Recess taken 6:27 p.m. to 6:30 p.m.)</p> <p>8 VIDEOGRAPHER: We are back on the</p> <p>9 record at 6:30 p.m.</p> <p>10 MR. HORN: Is Deb back?</p> <p>11 MS. DANDENEAU: Are you asking about</p> <p>12 me? I'm here.</p> <p>13 MR. HORN: Oh, okay. I don't see</p> <p>14 you, sorry.</p> <p>15 Q. Actually, yeah, Mr. Waterhouse, so</p> <p>16 when you had –</p> <p>17 MS. DANDENEAU: Are you asking about</p> <p>18 Deb Dandeneau or Deborah? I mean, there</p> <p>19 are a lot – as we talked about, a lot of</p> <p>20 Debs. I'm here.</p> <p>21 MS. DEITSCH-PEREZ: I'm here.</p> <p>22 MR. HORN: Yes, I was asking about</p> <p>23 DDP.</p> <p>24 MS. DEITSCH-PEREZ: Oh, DDP is here.</p> <p>25 MR. HORN: Okay. Here we go. I'm</p>

<p style="text-align: right;">Page 350</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 going back on mute.</p> <p>3 MS. DANDENEAU: Get the right</p> <p>4 nomenclature.</p> <p>5 Q. Mr. Waterhouse, on January 12th,</p> <p>6 2021, when you had those talks with Mr. Dondero</p> <p>7 about the \$1.4 million payment, did you have a</p> <p>8 communication or a conversation with Mr. Seery</p> <p>9 about that payment after January 12th, 2021?</p> <p>10 A. I don't recall.</p> <p>11 Q. Well, in response to Mr. Dondero</p> <p>12 reaching out to you, do you recall on that day,</p> <p>13 January 12th, talking to Mr. Seery or anyone at</p> <p>14 Highland other than the email chain we just saw</p> <p>15 about Mr. Dondero's call with you?</p> <p>16 A. Did I talk to – I spoke with</p> <p>17 Kristin – I don't know if I spoke to her. I</p> <p>18 likely spoke to Kristin Hendrix because we had</p> <p>19 to get the wire on NexPoint's behalf to make</p> <p>20 the payment to Highland.</p> <p>21 Q. So it is true, then, that – that</p> <p>22 employees of the debtor did actually cause that</p> <p>23 payment to be made when it was made after</p> <p>24 January 12th?</p> <p>25 A. Yes, I mean, we – we – as I</p>	<p style="text-align: right;">Page 351</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 testified earlier, we provided that accounting</p> <p>3 finance treasury function as – under the</p> <p>4 shared services agreement. And so once I</p> <p>5 got the – I talked to Jim, got the approval to</p> <p>6 make this payment, we have to then make the</p> <p>7 payment, or the team does, and so the payment</p> <p>8 was made.</p> <p>9 Q. Okay. But – okay. And – and</p> <p>10 sitting here right now, after Jim called you,</p> <p>11 you don't remember talking to anyone other than</p> <p>12 the – the couple of people you mentioned,</p> <p>13 talking to anyone about something to the effect</p> <p>14 that, hey, Jim wants to make this payment now?</p> <p>15 MR. MORRIS: Objection to the form</p> <p>16 of the question.</p> <p>17 A. I don't – I don't recall.</p> <p>18 Q. And does that include legal counsel?</p> <p>19 Without going into any detail, on</p> <p>20 January 12th or before that payment was made,</p> <p>21 did you consult with legal counsel about</p> <p>22 anything having to do with the \$1.4 million</p> <p>23 payment?</p> <p>24 A. I don't recall.</p> <p>25 Q. Okay. Thank you, sir, for your</p>
<p style="text-align: right;">Page 352</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 time.</p> <p>3 MR. RUKAVINA: Pass the witness.</p> <p>4 MR. MORRIS: I just have a few</p> <p>5 questions, if I may.</p> <p>6 MS. DEITSCH-PEREZ: Don't you go at</p> <p>7 the end?</p> <p>8 MR. MORRIS: Oh, I apologize. He is</p> <p>9 your witness. I'm surprised you want to</p> <p>10 ask him questions, but go right ahead.</p> <p>11 MS. DEITSCH-PEREZ: Just have a</p> <p>12 couple of things.</p> <p>13 MR. RUKAVINA: And I will just</p> <p>14 object to that, that he's our witness.</p> <p>15 That's not –</p> <p>16 MR. MORRIS: I'm not talking to you.</p> <p>17 I'm not talking to you.</p> <p>18 MS. DANDENEAU: Also, Mr. Morris, it</p> <p>19 is – it is –</p> <p>20 MS. DEITSCH-PEREZ: He is not my</p> <p>21 witness. He's been subpoenaed by you.</p> <p>22 Okay?</p> <p>23 That is no offense, Mr. Waterhouse,</p> <p>24 I'm – I'm not – okay. Anyway.</p> <p>25 EXAMINATION</p>	<p style="text-align: right;">Page 353</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 BY MS. DEITSCH-PEREZ:</p> <p>3 Q. Good evening. I'm very sorry to be</p> <p>4 going last and I know you have had a long and</p> <p>5 taxing day, so I thank you for indulging me.</p> <p>6 The kinds of services that you</p> <p>7 describe that the – that Highland provided for</p> <p>8 NexPoint, did Highland also provide similar</p> <p>9 services to that to HCRE and HCMS?</p> <p>10 A. Yes.</p> <p>11 MR. MORRIS: Objection to the form</p> <p>12 of the question.</p> <p>13 Q. What kind of services did Highland</p> <p>14 provide to HCRE and HCMS?</p> <p>15 MR. MORRIS: Objection to the form</p> <p>16 of the question.</p> <p>17 MS. DEITSCH-PEREZ: What is your</p> <p>18 objection, John?</p> <p>19 MR. MORRIS: It is vague and</p> <p>20 ambiguous. Unlike the advisors and</p> <p>21 NexPoint, they actually had shared services</p> <p>22 agreements.</p> <p>23 MS. DEITSCH-PEREZ: I got – I</p> <p>24 understand your objection. That is fine.</p> <p>25 Q. Let's take them one at a time.</p>

<p style="text-align: right;">Page 354</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 What kinds of services did Highland</p> <p>3 provide to HCRE?</p> <p>4 MR. MORRIS: Objection to the form</p> <p>5 of the question.</p> <p>6 A. HCMS, Highland employees provided</p> <p>7 accounting services, treasury management</p> <p>8 services, potentially legal services. I</p> <p>9 don't – but I wouldn't have been directly</p> <p>10 involved in that. But as far as the teams that</p> <p>11 I manage, it was accounting, treasury, things</p> <p>12 of that nature.</p> <p>13 Q. Okay. And that was for HCM, LLP –</p> <p>14 A. And – and, sorry, it would also be</p> <p>15 any asset valuation if needed as well.</p> <p>16 Q. Okay. We went back and forth on</p> <p>17 each other and I apologize, so just to clarify.</p> <p>18 You were talking about the services</p> <p>19 that Highland Capital Management provided to</p> <p>20 HCMS; is that right?</p> <p>21 A. HCMS. So, again, yes. And</p> <p>22 accounting, treasury, valuation, and also tax</p> <p>23 services too.</p> <p>24 Q. Okay.</p> <p>25 A. Tax services. Look, I'm expanding</p>	<p style="text-align: right;">Page 355</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 this, their HR services as well.</p> <p>3 Q. Okay. And did that include bill</p> <p>4 paying?</p> <p>5 MR. MORRIS: Objection to the form</p> <p>6 of the question.</p> <p>7 Q. Did the services that HCM provided</p> <p>8 to HCMS include bill paying?</p> <p>9 MR. MORRIS: Objection to the form</p> <p>10 of the question.</p> <p>11 A. Yes.</p> <p>12 Q. And did the services that HCMLP</p> <p>13 provided to HCMS include scheduling upcoming</p> <p>14 bills?</p> <p>15 MR. MORRIS: Objection to the form</p> <p>16 of the question.</p> <p>17 A. Yes.</p> <p>18 Q. And did HCMLP regularly pay – cause</p> <p>19 to be paid the payments on loans HCMS had from</p> <p>20 HCMLP?</p> <p>21 MR. MORRIS: Objection to the form</p> <p>22 of the question.</p> <p>23 A. Yes.</p> <p>24 Q. Typically – if there is a</p> <p>25 typically, how far in advance of due dates did</p>
<p style="text-align: right;">Page 356</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 HCMLP cause HCMS to pay its bills?</p> <p>3 MR. MORRIS: Objection to the form</p> <p>4 of the question.</p> <p>5 A. I mean, it – it – it depend – it</p> <p>6 depended on the nature of the payment and the</p> <p>7 vendor, but, you know, if there were – if</p> <p>8 there were larger scheduled payments, you know,</p> <p>9 I would like to give at least 30 days notice.</p> <p>10 And that is – that is kind of my</p> <p>11 rule of thumb so no one is surprised.</p> <p>12 Q. Okay. And was it generally HCMLP's</p> <p>13 practice to timely pay HCMS' bills?</p> <p>14 MR. MORRIS: Objection to the form</p> <p>15 of the question.</p> <p>16 A. It – it – it – that depended on</p> <p>17 the nature of the payment.</p> <p>18 Q. Okay. And can you explain what you</p> <p>19 mean by that?</p> <p>20 A. Yeah, I mean if – if it was – I</p> <p>21 mean – if there was some professional fees</p> <p>22 that weren't – you know, they were due but</p> <p>23 they weren't urgent, those fees may not be paid</p> <p>24 as timely as others that have a due date or –</p> <p>25 or things like that.</p>	<p style="text-align: right;">Page 357</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Okay. Are loan payments the kinds</p> <p>3 of thing that HCMLP would pay on time because</p> <p>4 of potential consequences of not paying on</p> <p>5 time?</p> <p>6 MR. MORRIS: Objection to the form</p> <p>7 of the question.</p> <p>8 A. Yes. As I testified earlier, we</p> <p>9 would want to give, you know, notice on – on</p> <p>10 – on larger payments and – and things of that</p> <p>11 nature so we didn't miss due dates.</p> <p>12 Q. Okay. And over the course of time,</p> <p>13 did HCMLP generally pay HCMS' loan payments in</p> <p>14 a timely fashion?</p> <p>15 MR. MORRIS: Objection to the form</p> <p>16 of the question.</p> <p>17 A. I can't remember specifically, but</p> <p>18 generally, yes.</p> <p>19 Q. Okay. Now, did HCMLP provide</p> <p>20 similar services to HCRE that you have</p> <p>21 described it provided to HCMS?</p> <p>22 MR. MORRIS: Objection to the form</p> <p>23 of the question.</p> <p>24 A. Yes, but I don't think it – it</p> <p>25 provided – I don't think it provided HR</p>

<p style="text-align: right;">Page 358</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 services.</p> <p>3 Q. Can you describe the accounting and</p> <p>4 treasury services that HCMLP provided for HCRE?</p> <p>5 A. Yeah, it – it would provide</p> <p>6 bookkeeping services on a – on a periodic</p> <p>7 basis. It would make payments, you know, as</p> <p>8 needed.</p> <p>9 Q. Okay. So did it provide –</p> <p>10 A. And – and I believe it – it – it</p> <p>11 provided tax services as well.</p> <p>12 Q. Okay. And so did it provide the</p> <p>13 same kind of bill – did HCMLP provide the same</p> <p>14 kind of bill-paying services for HCRE that it</p> <p>15 provided for HCMS and NexPoint?</p> <p>16 MR. MORRIS: Objection to the form</p> <p>17 of the question.</p> <p>18 A. Yes.</p> <p>19 Q. And over the course of time, did</p> <p>20 HCMLP generally cause to be made the loan</p> <p>21 payments that HCRE owed to HCMLP?</p> <p>22 MR. MORRIS: Objection to the form</p> <p>23 of the question.</p> <p>24 A. Yes.</p> <p>25 Q. Did HCMLP make loan payment – the</p>	<p style="text-align: right;">Page 359</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 loan payment that was due from HCMS to HCMLP in</p> <p>3 December of 2020?</p> <p>4 MR. MORRIS: Objection to the form</p> <p>5 of the question.</p> <p>6 A. I don't believe that payment –</p> <p>7 payment was made.</p> <p>8 Q. Okay. And when HCMLP caused HCMS in</p> <p>9 the past to make loan payments, whose money did</p> <p>10 it use to make those payments?</p> <p>11 MR. MORRIS: Objection to the form</p> <p>12 of the question.</p> <p>13 A. It was the – the money in HCMS's</p> <p>14 operating account would be made to that –</p> <p>15 those moneys would be used to make payment to</p> <p>16 Highland Capital Management.</p> <p>17 Q. Okay. And Highland – is it correct</p> <p>18 that Highland Capital Management personnel had</p> <p>19 the access to HCMS's accounts to be able to</p> <p>20 cause such payments to be made?</p> <p>21 A. Yes, Highland personnel had access</p> <p>22 to those accounts.</p> <p>23 Q. Okay. And so now for HCRE, whose</p> <p>24 money was used when HCMLP caused HCRE</p> <p>25 payments – loan payments to Highland to be</p>
<p style="text-align: right;">Page 360</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 made?</p> <p>3 MR. MORRIS: Objection to the form</p> <p>4 of the question.</p> <p>5 A. It was – it was cash in HCRE's bank</p> <p>6 account that would be used to make payments to</p> <p>7 Highland Capital Management.</p> <p>8 Q. Okay. And so did Highland Capital</p> <p>9 Management have access to HCRE's funds in order</p> <p>10 to be able to make such payments?</p> <p>11 MR. MORRIS: Objection to the form</p> <p>12 of the question.</p> <p>13 A. Personnel at Highland Capital</p> <p>14 Management had access to HCRE's bank account to</p> <p>15 effectuate the payments.</p> <p>16 Q. Okay. And was the payment due from</p> <p>17 HCRE to HCMLP due in December of 2020 made?</p> <p>18 A. It –</p> <p>19 Q. In December of 2020.</p> <p>20 A. It was not.</p> <p>21 Q. Okay. And was there money in HCRE's</p> <p>22 account that would have enabled the payment to</p> <p>23 be made had HCM personnel attempted to make the</p> <p>24 payment?</p> <p>25 MR. MORRIS: Objection to the form</p>	<p style="text-align: right;">Page 361</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 of the question.</p> <p>3 A. I – I don't recall.</p> <p>4 Q. Do you have any reason to believe</p> <p>5 that either HCRE or HCMS simply didn't have the</p> <p>6 funds on hand to make the December 2020</p> <p>7 payments?</p> <p>8 A. I don't know.</p> <p>9 Q. I guess I'm asking, do you have any</p> <p>10 reason to believe that they didn't have the</p> <p>11 funds?</p> <p>12 A. We managed cash for so many</p> <p>13 different entities and funds, and I don't</p> <p>14 recall, you know, where the cash position was</p> <p>15 for HCRE and HCMS at 12/31/2020.</p> <p>16 Q. Okay.</p> <p>17 A. I just don't recall, and I don't –</p> <p>18 and I don't remember what the loan payment</p> <p>19 obligations were from HCRE to Highland, and</p> <p>20 from HCMS to Highland. I don't recall. I</p> <p>21 don't recall, I mean...</p> <p>22 Q. Let me come at it a different way.</p> <p>23 Were the – were the payments that would</p> <p>24 otherwise have been due in December of 2020</p> <p>25 made in January of 2021 for HCMS and HCRE?</p>

<p style="text-align: right;">Page 362</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. I believe the HCRE payment was made</p> <p>3 in January of 2021. I don't recall any</p> <p>4 payments being made from HCMS to Highland.</p> <p>5 Q. If it – how is it the HCRE payment</p> <p>6 came to be made? Why did you make it – why</p> <p>7 did HCM make the payment in January of 2021?</p> <p>8 A. Jim – Jim called me and instructed</p> <p>9 me to – to make the payment on behalf of HCRE,</p> <p>10 Jim Dondero – Jim Dondero.</p> <p>11 Q. Did he seem upset that – that the</p> <p>12 payment had not been made?</p> <p>13 A. Yeah. On the note that was, you</p> <p>14 know, that was the term note, yes, he – he was</p> <p>15 displeased that the – that the payment had not</p> <p>16 been made by year-end.</p> <p>17 Q. Okay. And did you make the – cause</p> <p>18 the payment to be made as – as requested?</p> <p>19 A. Yes.</p> <p>20 Q. And did anyone else from HCM</p> <p>21 participate with you in causing the payment to</p> <p>22 be made to – on the HCRE loan?</p> <p>23 A. Yes. It would have been Kristin</p> <p>24 Hendrix. I – again, I don't – as I testified</p> <p>25 earlier, I'm not an officer of HCRE. I don't</p>	<p style="text-align: right;">Page 363</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 believe I'm an authorized signer. So I</p> <p>3 can't – other personnel have to make payment</p> <p>4 from HCRE to – to – to – to Highland.</p> <p>5 Q. Okay. And in the conversation</p> <p>6 that – that you had with Mr. Dondero when he</p> <p>7 requested the payment to be made, did you say</p> <p>8 to him words to the effect, Jim, this loan is</p> <p>9 going to stay in default, what are you making</p> <p>10 the payment for, anything like that?</p> <p>11 A. No.</p> <p>12 Q. In fact, did you have the impression</p> <p>13 from him that he thought that the loan would</p> <p>14 be – the default would be cured by making the</p> <p>15 payment?</p> <p>16 MR. MORRIS: Objection to the form</p> <p>17 of the question.</p> <p>18 A. Did I get the impression from Jim</p> <p>19 Dondero that the loan would be cured if the</p> <p>20 payment from HCRE –</p> <p>21 Q. Yeah, if that is what he thought.</p> <p>22 MR. MORRIS: Objection to the form</p> <p>23 of the question.</p> <p>24 A. I didn't get any impression from him</p> <p>25 on that at the time.</p>
<p style="text-align: right;">Page 364</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Do you know whether there was an</p> <p>3 HCMS term loan that had a payment due in</p> <p>4 December of 2020?</p> <p>5 A. I don't recall.</p> <p>6 Q. Okay. And so the reason you don't</p> <p>7 recall whether or not there was a payment in</p> <p>8 January of 2021 is because you just don't</p> <p>9 remember whether there was such a loan at all?</p> <p>10 MR. MORRIS: Objection to the form</p> <p>11 of the question.</p> <p>12 A. I don't remember. There is – there</p> <p>13 is so many notes, and I mean, demands, and I</p> <p>14 don't – I don't remember. It's a lot to keep</p> <p>15 track in your head.</p> <p>16 Q. I understand, and – and I hear your</p> <p>17 frustration when you have explained that the</p> <p>18 debtor has your documents and you don't, and so</p> <p>19 I fully appreciate it, and this is no knock on</p> <p>20 you. It's a knock on somebody else on this</p> <p>21 call.</p> <p>22 MR. MORRIS: I move to strike. That</p> <p>23 was pretty obnoxious, but go ahead.</p> <p>24 Q. Okay. But so, Mr. Waterhouse, if –</p> <p>25 if a payment on the HCMS loan was made in</p>	<p style="text-align: right;">Page 365</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 January of 2021, do you think it was part of</p> <p>3 the same conversation where Jim Dondero said,</p> <p>4 hey, why didn't that get paid, please make</p> <p>5 that – get that payment done?</p> <p>6 MR. MORRIS: I object to the form of</p> <p>7 the question.</p> <p>8 A. Yes. Likely it would have been – I</p> <p>9 mean, again, I don't recall a payment being</p> <p>10 made, but, you know, again, I don't remember</p> <p>11 everything.</p> <p>12 Q. Okay. Did – at the time you were</p> <p>13 communicating with Kristin Hendrix about the</p> <p>14 payment being made, whichever payments were</p> <p>15 made in January, did she say anything to you</p> <p>16 about the payments not curing the loan</p> <p>17 defaults?</p> <p>18 A. No.</p> <p>19 Q. Okay. All right. So I'm going to</p> <p>20 take you back to very early in the deposition</p> <p>21 when Mr. Morris was asking you about the –</p> <p>22 the – the – the agreement with respect to</p> <p>23 the – the forgiveness element of the loans, so</p> <p>24 that is just to orient you.</p> <p>25 Do you remember that there was a</p>

<p style="text-align: right;">Page 366</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 time that you and Mr. Dondero were</p> <p>3 communicating about potential means of</p> <p>4 resolving the Highland bankruptcy by what was</p> <p>5 colloquially referred to as a pot plan?</p> <p>6 A. Yes.</p> <p>7 Q. Okay. And can you tell me generally</p> <p>8 when that was?</p> <p>9 A. Like mid -- mid 2020, sometime in</p> <p>10 2020, mid 2020.</p> <p>11 Q. Okay. And did the process of trying</p> <p>12 to figure out what the numbers should be</p> <p>13 involve looking at what one should pay for the</p> <p>14 Highland assets?</p> <p>15 MR. MORRIS: Objection to the form</p> <p>16 of the question.</p> <p>17 A. Yes.</p> <p>18 Q. Okay. And did there come a time</p> <p>19 when you were proposing some potential numbers</p> <p>20 and Mr. Dondero said something to you like,</p> <p>21 well, why are you including payment for the</p> <p>22 related party notes, those, you know, were</p> <p>23 likely to be forgiven as part of my deferred</p> <p>24 executive compensation?</p> <p>25 MR. MORRIS: Objection to the form</p>	<p style="text-align: right;">Page 367</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 of the question.</p> <p>3 A. Yes, we did have that conversation.</p> <p>4 Q. Okay. Was that conversation in</p> <p>5 connection with trying to figure out the right</p> <p>6 numbers for a pot plan?</p> <p>7 A. Yeah. I mean, it was -- it was -- I</p> <p>8 mean, Jim -- Jim would ask for, you know,</p> <p>9 most -- most recent asset values, you know, for</p> <p>10 Highland, and -- and myself and the team</p> <p>11 provided those to him, so it was in that</p> <p>12 context.</p> <p>13 Q. Okay. And does that refresh your</p> <p>14 recollection that these communications were in</p> <p>15 2020 rather than 2021?</p> <p>16 MR. MORRIS: Objection to the form</p> <p>17 of the question.</p> <p>18 A. The -- the -- the executive</p> <p>19 compensation discussions were definitely in</p> <p>20 2020.</p> <p>21 Q. Okay. Now, did you ever make</p> <p>22 proposals that took into account Jim's comment</p> <p>23 that the notes were likely to end up forgiven</p> <p>24 as part of his compensation?</p> <p>25 MR. MORRIS: Objection to the form</p>
<p style="text-align: right;">Page 368</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 of the question.</p> <p>3 A. Yes, we -- the team and myself put</p> <p>4 together, you know, asset summaries of Highland</p> <p>5 at various times for all the assets of</p> <p>6 Highland, and not including the notes.</p> <p>7 Q. Okay. And were those presentations</p> <p>8 communicated to -- to Mr. Seery?</p> <p>9 A. No. Well, look, I didn't tell -- I</p> <p>10 didn't tell Mr. Seery. I don't know what</p> <p>11 Mr. Dondero did with the information.</p> <p>12 Q. Okay.</p> <p>13 A. I did not have conversations with</p> <p>14 Mr. Seery.</p> <p>15 Q. Okay. Do you know who saw the</p> <p>16 presentations that you put together that didn't</p> <p>17 include the value of the related party notes?</p> <p>18 A. We're talking presentations -- these</p> <p>19 are -- these are Excel spreadsheets?</p> <p>20 Q. Uh-huh.</p> <p>21 A. I don't know who -- these were given</p> <p>22 to -- to Jim Dondero. I don't know what was</p> <p>23 done with them after that.</p> <p>24 Q. Okay. You also mentioned earlier</p> <p>25 that sometime during your tenure at Highland</p>	<p style="text-align: right;">Page 369</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 you knew of the practice of giving forgivable</p> <p>3 loans to executives.</p> <p>4 MR. MORRIS: Objection to the form</p> <p>5 of the question.</p> <p>6 Q. Can you -- can you tell me what you</p> <p>7 recall about that practice?</p> <p>8 MR. MORRIS: Objection to the form</p> <p>9 of the question.</p> <p>10 A. Yes, so there were -- there were --</p> <p>11 during my tenure at Highland, there were loans</p> <p>12 or -- given to employees that were later</p> <p>13 forgiven at a future date and time.</p> <p>14 Q. Okay. And when the loans were</p> <p>15 given, did the notes, to your recollection, say</p> <p>16 anything about the potential forgiveness term?</p> <p>17 MR. MORRIS: Objection to the form</p> <p>18 of the question.</p> <p>19 A. When you say "did the notes," did</p> <p>20 the promissory notes detail the forgiveness?</p> <p>21 Q. Yes.</p> <p>22 A. Not that I recall.</p> <p>23 Q. And until such time as whatever was</p> <p>24 to trigger the forgiveness occurred, were the</p> <p>25 notes bona fide notes as far as you were</p>

<p style="text-align: right;">Page 370</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 concerned?</p> <p>3 MR. MORRIS: Objection to the form</p> <p>4 of the question.</p> <p>5 A. Yes, similar to – yes.</p> <p>6 Q. Okay. You were going to say similar</p> <p>7 to what?</p> <p>8 A. Mr. Morris earlier today showed</p> <p>9 notes of the financial statements about various</p> <p>10 affiliate loans. I – I – I do recall these</p> <p>11 notes because I – at that time personally</p> <p>12 worked on the – the financial statements of</p> <p>13 Highland. That was, you know, in my role as a</p> <p>14 corporate accountant.</p> <p>15 And there were – those loans</p> <p>16 were – to the partners were detailed in the</p> <p>17 notes to the financial statements, similar to</p> <p>18 what we went through earlier today in the prior</p> <p>19 testimony about what we saw with Highland</p> <p>20 and – and – and the – and HCMFA.</p> <p>21 Q. Is it fair to say that on Highland's</p> <p>22 balance sheet there were any number of assets</p> <p>23 that the value of which could be affected by</p> <p>24 subsequent events?</p> <p>25 MR. MORRIS: Objection to the form</p>	<p style="text-align: right;">Page 371</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 of the question.</p> <p>3 A. Yes. I mean, yes, that – there</p> <p>4 are. And that is – yes.</p> <p>5 Q. Okay. And is it typical accounting</p> <p>6 practice that until there is some certainty</p> <p>7 about those potential future events, that asset</p> <p>8 value listed on – on the books doesn't take</p> <p>9 into account those potential future events?</p> <p>10 MR. MORRIS: Objection to the form</p> <p>11 of the question.</p> <p>12 A. Yeah, if those – yes. If – if</p> <p>13 those future events, you know, at the time of</p> <p>14 issuance are not known or knowable, like I</p> <p>15 discussed earlier with, like, market practice,</p> <p>16 asset dislocation, or, you know, I mean, things</p> <p>17 like that, you – I mean, it – it could affect</p> <p>18 its fair value –</p> <p>19 Q. Okay.</p> <p>20 A. – in the future.</p> <p>21 Q. And am I correct you wouldn't feel</p> <p>22 compelled to footnote in every possible change</p> <p>23 in – in an asset when those possibilities are</p> <p>24 still remote?</p> <p>25 MR. MORRIS: Objection to the form</p>
<p style="text-align: right;">Page 372</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 of the question.</p> <p>3 A. The accounting standard is you have</p> <p>4 to estimate to the best – you know, to – to</p> <p>5 the best of your ability, the fair value of an</p> <p>6 asset as of the balance sheet date under –</p> <p>7 under GAAP.</p> <p>8 Q. Did – strike that.</p> <p>9 Okay. Give me a minute. I'm</p> <p>10 close – I'm close to done. Let me just go off</p> <p>11 and look at my notes for a second. So take two</p> <p>12 minutes.</p> <p>13 VIDEOGRAPHER: We're going off the</p> <p>14 record at 7:02 p.m.</p> <p>15 (Recess taken 7:02 p.m. to 7:03 p.m.)</p> <p>16 VIDEOGRAPHER: We are back on the</p> <p>17 record at 7:03 p.m.</p> <p>18 Q. Mr. Waterhouse, is it generally your</p> <p>19 understanding that people you work with now</p> <p>20 have been asking the debtor for full and</p> <p>21 unfettered access to their own former files?</p> <p>22 MR. MORRIS: Objection to the form</p> <p>23 of the question.</p> <p>24 A. Yes, I am – I am generally aware.</p> <p>25 Q. Okay. And do you think you could</p>	<p style="text-align: right;">Page 373</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 have been better prepared for this deposition</p> <p>3 if the debtor had complied with those requests?</p> <p>4 MR. MORRIS: Objection to the form</p> <p>5 of the question.</p> <p>6 A. I – I – I most certainly – yes.</p> <p>7 I mean, again, these are multiple years,</p> <p>8 multiple years ago, lots and lots of</p> <p>9 transactions.</p> <p>10 You know, we asked about NAV errors</p> <p>11 and, you know, things like that and these</p> <p>12 are – it would make this process a lot more –</p> <p>13 a lot easier and if we had – if we had access</p> <p>14 to that.</p> <p>15 Q. Okay. And has the debtor – is the</p> <p>16 debtor suing you right now?</p> <p>17 A. Yes.</p> <p>18 Q. And is the debtor trying to renege</p> <p>19 on deals that it had previously made with you?</p> <p>20 MR. MORRIS: Objection to the form</p> <p>21 of the question.</p> <p>22 A. Sorry, I need to – it is my</p> <p>23 understanding that the litigation trust is</p> <p>24 suing me. And not being a lawyer, I don't</p> <p>25 know – is that the debtor?</p>

<p style="text-align: right;">Page 374</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Is that – I don't know the</p> <p>3 relationship. So, again, I'm not the lawyers.</p> <p>4 I've said many times. But my understanding is</p> <p>5 the litigation trust is suing me. I could be</p> <p>6 wrong there. I don't know.</p> <p>7 Q. Okay. I understand.</p> <p>8 Someone with some connection to the</p> <p>9 Highland debtor has brought a claim against</p> <p>10 you; is that fair?</p> <p>11 MR. MORRIS: Objection to the form</p> <p>12 of the question.</p> <p>13 A. Yes.</p> <p>14 Q. Okay. And is there also some motion</p> <p>15 practice in the bankruptcy where the debtor or</p> <p>16 someone associated with the debtor is</p> <p>17 attempting to undo something that was</p> <p>18 previously resolved with you?</p> <p>19 A. Yes.</p> <p>20 Q. And so in one action somebody is</p> <p>21 associated with the debtors trying to –</p> <p>22 threatening you with trying to take money from</p> <p>23 you, and then in the other – and trying to –</p> <p>24 and in the other they are threatening not to</p> <p>25 pay you things that had previously been agreed;</p>	<p style="text-align: right;">Page 375</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 is that correct?</p> <p>3 MR. MORRIS: Objection to the form</p> <p>4 of the question.</p> <p>5 A. I want to be – yes, I – there</p> <p>6 is – I'm being sued, again, on – on something</p> <p>7 that was agreed to with Mr. Seery and myself.</p> <p>8 I don't – I don't – I don't own that claim.</p> <p>9 Q. Okay.</p> <p>10 A. To be transparent, I don't own that</p> <p>11 claim. So it is not my personal property.</p> <p>12 Q. Okay.</p> <p>13 A. And – and being the nonlawyer, I</p> <p>14 don't know how I can get sued for something</p> <p>15 that I don't owe or, like, I don't own</p> <p>16 anything. I'm not the lawyer. But, I mean, if</p> <p>17 that is – if I'm understanding the facts</p> <p>18 correctly.</p> <p>19 Q. Okay. And the lawsuit that was</p> <p>20 filed that names you, that was just filed</p> <p>21 this – this past week; is that right?</p> <p>22 MS. DANDENEAU: Ms. Deitsch-Perez, I</p> <p>23 do want to interrupt at this point because</p> <p>24 just as I told Mr. Morris, that this is a</p> <p>25 deposition about the noticed litigation.</p>
<p style="text-align: right;">Page 376</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 I really don't want to go – go</p> <p>3 afield –</p> <p>4 MS. DEITSCH-PEREZ: Yeah.</p> <p>5 MS. DANDENEAU: – and open up a</p> <p>6 whole new line of inquiry about the lawsuit</p> <p>7 or the – the motion and the bankruptcy</p> <p>8 court. We will be here all night.</p> <p>9 MS. DEITSCH-PEREZ: And I</p> <p>10 understand.</p> <p>11 Q. My – my point is: Do you feel</p> <p>12 like – like there is some effort by these</p> <p>13 parties related to the debtor to intimidate</p> <p>14 you – not that you – I'm not saying you are</p> <p>15 or you aren't.</p> <p>16 But do you feel like there is some</p> <p>17 effort to intimidate you and maybe an effort to</p> <p>18 deter you from being as prepared as you might</p> <p>19 be in this deposition?</p> <p>20 MR. MORRIS: Objection to the form</p> <p>21 of the question.</p> <p>22 A. I was – I was surprised by the</p> <p>23 lawsuit, by me being named, because, again, I</p> <p>24 don't own the asset and things like that.</p> <p>25 Yeah, I just – I want to move forward with my</p>	<p style="text-align: right;">Page 377</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 life at Skyview.</p> <p>3 MS. DEITSCH-PEREZ: Thank you.</p> <p>4 THE WITNESS: Thank you.</p> <p>5 FURTHER EXAMINATION</p> <p>6 BY MR. MORRIS:</p> <p>7 Q. If I may, I just have a few</p> <p>8 questions.</p> <p>9 Mr. Waterhouse, we saw a number of</p> <p>10 documents that Mr. Rukavina put up on the</p> <p>11 screen where Ms. Hendrix would send you a</p> <p>12 schedule of payments that were due on behalf of</p> <p>13 certain Highland affiliates.</p> <p>14 Do you remember that?</p> <p>15 A. Yes.</p> <p>16 Q. And in each instance she asked for</p> <p>17 your approval to make the payments; is that</p> <p>18 right?</p> <p>19 A. Yes, she did.</p> <p>20 Q. And was that the – was that the</p> <p>21 practice in the second half of 2020 whereby</p> <p>22 Ms. Hendrix would prepare a list of payments</p> <p>23 that were due on behalf of Highland associates</p> <p>24 and ask for approval?</p> <p>25 A. Yes.</p>

<p style="text-align: right;">Page 378</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. And I think you said that there was</p> <p>3 a – a –</p> <p>4 A. It was – I think I testified to</p> <p>5 this earlier when we talked about procedures</p> <p>6 and policy, you know, again, I want to be</p> <p>7 informed of – of – of – of – of any</p> <p>8 payments that are going out. I want to be made</p> <p>9 aware of these payments, and that was just a</p> <p>10 general policy, not just for 2020.</p> <p>11 Q. Okay. So it went beyond 2020?</p> <p>12 A. Yes.</p> <p>13 Q. Is that right?</p> <p>14 A. Yes.</p> <p>15 Q. Okay. And the corporate accounting</p> <p>16 group would prepare a calendar that would set</p> <p>17 forth all of the payments that were anticipated</p> <p>18 in the – in the three weeks ahead; is that</p> <p>19 right?</p> <p>20 A. I – like I testified earlier, we</p> <p>21 had a corporate calendar that was set up, you</p> <p>22 know, to – to provide reminders or, you know,</p> <p>23 of anything of any nature, whether it is</p> <p>24 payments or – or financial statements or, you</p> <p>25 know, whatever it is, you know, to meet</p>	<p style="text-align: right;">Page 379</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 deadlines.</p> <p>3 I don't know how, as I testified</p> <p>4 earlier, how much they were using that</p> <p>5 calendar.</p> <p>6 Q. Okay. But – but you did get notice</p> <p>7 and a request to approve the payments that were</p> <p>8 coming due on behalf of Highland's affiliates.</p> <p>9 Do I have that right?</p> <p>10 MS. DANDENEAU: Objection to form.</p> <p>11 A. I mean, generally, yes. I mean, you</p> <p>12 know, as we saw with these emails, generally, I</p> <p>13 mean, did that encompass everything, no.</p> <p>14 Q. Okay. Do you know why the</p> <p>15 payment – do you know why there was no payment</p> <p>16 made by NexPoint at the end of 2020?</p> <p>17 A. Yes. There was – there was – we</p> <p>18 talked about these agreements between the</p> <p>19 advisors and Highland, the shared services and</p> <p>20 the cost reimbursement agreement.</p> <p>21 And in late 2020, there were</p> <p>22 overpayments, large overpayments that had been</p> <p>23 made over the years on these agreements, and it</p> <p>24 was my understanding that the advisors were –</p> <p>25 were talking with – like Jim Seery and others</p>
<p style="text-align: right;">Page 380</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 to offset any obligations that the advisors</p> <p>3 owed to Highland as offset to the overpayments</p> <p>4 on these agreements.</p> <p>5 Q. Okay. Did you participate in any of</p> <p>6 those conversations?</p> <p>7 A. I did not.</p> <p>8 Q. Okay. Do you know – do you recall</p> <p>9 that the – at the end of November, the debtor</p> <p>10 did notice to the advisors of their intent to</p> <p>11 terminate the shared services agreements?</p> <p>12 A. Like I testified earlier, there</p> <p>13 was – the agreements weren't identical, from</p> <p>14 what I recall, and there is one that had a</p> <p>15 longer notice period, which I think had a</p> <p>16 60-day notice period. I don't recall which one</p> <p>17 that was, so not all of them were – notice</p> <p>18 hadn't been given as of November 30th, for all</p> <p>19 of the agreements.</p> <p>20 Q. Upon the receipt of the – the</p> <p>21 termination notices that you recall, do you</p> <p>22 know if the advisors decided at that point not</p> <p>23 to make any further payments of any kind to</p> <p>24 Highland?</p> <p>25 MR. RUKAVINA: Objection, form.</p>	<p style="text-align: right;">Page 381</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. No. The advisors – the advisors</p> <p>3 had stopped making payments prior to that</p> <p>4 notice.</p> <p>5 Q. Okay. And how do you know that the</p> <p>6 advisors stopped making – making payments</p> <p>7 prior to the notice?</p> <p>8 A. I had – I had a conversation</p> <p>9 with – with Jim Dondero.</p> <p>10 Q. And did Mr. Dondero tell you that</p> <p>11 the advisors would no longer make payments to</p> <p>12 Highland?</p> <p>13 MS. DEITSCH-PEREZ: Objection to the</p> <p>14 form.</p> <p>15 A. Yes, he – he – again, he said</p> <p>16 they – they – the advisors have overpaid on</p> <p>17 these agreements, to not make any future</p> <p>18 payments, and that there needs to be offsets,</p> <p>19 and they're working on getting offsets to these</p> <p>20 overpayment.</p> <p>21 Q. Do you know if anybody ever</p> <p>22 instructed Highland's employees to make the</p> <p>23 payment that was due by NexPoint at the end of</p> <p>24 the year?</p> <p>25 A. Did anyone instruct Highland's</p>

<p style="text-align: right;">Page 382</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 employees to make that payment?</p> <p>3 Q. Correct.</p> <p>4 A. Anyone – not that I'm aware.</p> <p>5 Q. Were any of Highland's employees</p> <p>6 authorized to make the payments on behalf of</p> <p>7 its affiliates – withdrawn.</p> <p>8 Was any of Highland's employees</p> <p>9 authorized to effectuate the payment on behalf</p> <p>10 of NexPoint that was due at the end of the year</p> <p>11 without getting approval from either you or</p> <p>12 Mr. Dondero?</p> <p>13 A. They had the -- they had the ability</p> <p>14 to make the payment, but they didn't -- you</p> <p>15 know, that -- that payment needed to be</p> <p>16 approved.</p> <p>17 Q. Okay. And it needed to be approved</p> <p>18 by you or Mr. Dondero; is that right?</p> <p>19 A. I mean, I'm not going to make the</p> <p>20 unilateral decision.</p> <p>21 Q. Is that a decision that you</p> <p>22 understood had to be made by Mr. Dondero?</p> <p>23 A. Yes. Sitting back in December of</p> <p>24 2020, the -- that -- there was this off --</p> <p>25 offset negotiation that -- that was happening,</p>	<p style="text-align: right;">Page 383</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 so I mean, until those negotiations were</p> <p>3 resolved, you know, there wasn't any</p> <p>4 payments -- there weren't any payments.</p> <p>5 Q. And -- and there were no payments</p> <p>6 until the negotiations were resolved because</p> <p>7 that was the directive that you received from</p> <p>8 Mr. Dondero; correct?</p> <p>9 A. I don't think he said -- I mean, I</p> <p>10 think -- yeah, I mean -- I'm trying to recall</p> <p>11 the conversation. It was -- you know, there</p> <p>12 is -- there is these negotiations. There's --</p> <p>13 there needs to be these offsets. They're</p> <p>14 talking with the debtor. So, you know, until</p> <p>15 this is resolved, right, I mean, depending on</p> <p>16 how, whatever that resolution was, were we to</p> <p>17 take any action.</p> <p>18 Q. Okay. How about with respect to</p> <p>19 HCMS, did HCMS have a term payment due at the</p> <p>20 end of the year?</p> <p>21 A. Again, I don't -- I don't recall.</p> <p>22 Q. Okay. You discussed briefly two</p> <p>23 payments that were made in January of 2021, one</p> <p>24 on behalf of NexPoint, and one on behalf of</p> <p>25 HCMS. Do I have that right?</p>
<p style="text-align: right;">Page 384</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. No. The two payments I recall were</p> <p>3 NexPoint and HCRE.</p> <p>4 Q. Okay. And those two payments --</p> <p>5 thank you for the correction. And those two</p> <p>6 payments were made because Mr. Dondero</p> <p>7 authorized those payments to be made; correct?</p> <p>8 A. Yes.</p> <p>9 Q. And they hadn't been made before</p> <p>10 that because Mr. Dondero had not authorized</p> <p>11 them to be made?</p> <p>12 MS. DEITSCH-PEREZ: Object to the</p> <p>13 form.</p> <p>14 A. Yes, because of these negotiations.</p> <p>15 Q. Okay. Just a couple of more</p> <p>16 questions.</p> <p>17 Did anybody, to the best of your</p> <p>18 knowledge, on behalf of HCMFA, ever tell the</p> <p>19 SEC that HCMLP was responsible for the mistakes</p> <p>20 that were made on the TerreStar valuation?</p> <p>21 A. Did anyone from Highland on HCMFA's</p> <p>22 behalf tell the SEC that Highland -- that</p> <p>23 Highland was responsible for there -- I just</p> <p>24 want to make sure --</p> <p>25 Q. It was a little bit different, so</p>	<p style="text-align: right;">Page 385</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 let me try again.</p> <p>3 A. These are very long questions, John.</p> <p>4 I'm not trying to be --</p> <p>5 Q. That is good. Do you know whether</p> <p>6 anybody -- do you know whether anybody on</p> <p>7 behalf of HCMS -- HCMFA ever told the SEC that</p> <p>8 Highland was the responsible party for the</p> <p>9 TerreStar valuation error?</p> <p>10 A. Not that I'm aware.</p> <p>11 Q. Okay. Did anybody on behalf of</p> <p>12 the -- on behalf of HCMFA ever tell the retail</p> <p>13 board that Highland was responsible for the</p> <p>14 TerreStar valuation error?</p> <p>15 A. Not that I'm aware.</p> <p>16 Q. Do you know if HCMFA made an</p> <p>17 insurance claim with respect to the damages</p> <p>18 that were incurred in relation to the TerreStar</p> <p>19 valuation error?</p> <p>20 A. Yes.</p> <p>21 Q. And do you know why they made that</p> <p>22 insurance claim?</p> <p>23 A. Because there was an error. I</p> <p>24 mean --</p> <p>25 Q. Was the insured's claim made -- was</p>

<p style="text-align: right;">Page 386</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 the insurance claim made under HCMFA's policy?</p> <p>3 A. Yes.</p> <p>4 Q. Did HCMFA at any time prior to the</p> <p>5 petition date – withdrawn.</p> <p>6 You were asked a couple of questions</p> <p>7 where – where you said that Mr. Dondero told</p> <p>8 you that he was ascribing zero value to the</p> <p>9 notes as part of a pot plan because he believed</p> <p>10 that the notes were part of executive</p> <p>11 compensation.</p> <p>12 Do I have that right?</p> <p>13 MS. DEITSCH-PEREZ: Object to the</p> <p>14 form.</p> <p>15 A. Yes.</p> <p>16 Q. Okay. Have you ever heard that</p> <p>17 before the time that Mr. Dondero told you that</p> <p>18 in the conversation about the pot plan?</p> <p>19 A. Had I heard that prior to my</p> <p>20 conversation with Mr. Dondero?</p> <p>21 Q. Yes.</p> <p>22 A. No, I had not heard that prior.</p> <p>23 Q. Okay. And that was in the context</p> <p>24 of his formulation of the settlement proposal;</p> <p>25 is that right?</p>	<p style="text-align: right;">Page 387</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. I mean, generally, yes. You know,</p> <p>3 we were asked to provide asset values, right,</p> <p>4 and he was having settlement discussions.</p> <p>5 Again, I don't know who those went to</p> <p>6 ultimately. I don't recall.</p> <p>7 MR. MORRIS: I have no further</p> <p>8 questions. Thank you very much for your</p> <p>9 patience. I apologize for the late hour.</p> <p>10 MS. DEITSCH-PEREZ: John, you stay</p> <p>11 on about your email when –</p> <p>12 MR. RUKAVINA: Hold on, I'm not</p> <p>13 done.</p> <p>14 MS. DEITSCH-PEREZ: Oh, okay. Davor</p> <p>15 still has questions. Sorry. I was going</p> <p>16 to say both John and Davor, could you stay</p> <p>17 on afterwards just to talk about the</p> <p>18 requests.</p> <p>19 FURTHER EXAMINATION</p> <p>20 BY MR. RUKAVINA:</p> <p>21 Q. Mr. Waterhouse, you were just now</p> <p>22 testifying about a discussion you had with</p> <p>23 Mr. Dondero where he said something like no</p> <p>24 more payments.</p> <p>25 Do you remember that testimony?</p>
<p style="text-align: right;">Page 388</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. Yes.</p> <p>3 Q. Okay. And was that late November or</p> <p>4 early December of 2020?</p> <p>5 A. It was, I would say, first or second</p> <p>6 week of November.</p> <p>7 Q. Okay. Do you recall whether –</p> <p>8 whenever you had that discussion, whether</p> <p>9 Mr. Dondero had already been fired by the</p> <p>10 debtor?</p> <p>11 A. Yes, I – I believe he was not an</p> <p>12 employee of the debtor anymore at that time.</p> <p>13 Q. And when you were discussing this</p> <p>14 with Mr. Dondero and he said no more payments,</p> <p>15 you were discussing the two shared services</p> <p>16 agreements and employee reimbursement</p> <p>17 agreements we testified – you testified about</p> <p>18 before; is that correct?</p> <p>19 MR. MORRIS: Objection to the form</p> <p>20 of the question.</p> <p>21 A. That is correct.</p> <p>22 Q. And had your office or you – and we</p> <p>23 will talk at a future deposition about the</p> <p>24 administrative claim.</p> <p>25 But had – by that time that you</p>	<p style="text-align: right;">Page 389</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 talked to Mr. Dondero, had your office or you</p> <p>3 done any estimate of what the alleged</p> <p>4 overpayments were?</p> <p>5 MR. MORRIS: Objection to the form</p> <p>6 of the question.</p> <p>7 A. Yes, we had – there was a – there</p> <p>8 was a detailed analysis that was put together</p> <p>9 by David Klos at the time.</p> <p>10 Q. And do you recall just generally</p> <p>11 what the total amount for both advisors of the</p> <p>12 overpayments was?</p> <p>13 A. It was in excess of \$10 million.</p> <p>14 Q. Was it in excess of \$14 million?</p> <p>15 MR. MORRIS: Objection to the form</p> <p>16 of the question.</p> <p>17 A. I – I remember it was an</p> <p>18 eight-figure number. I don't remember</p> <p>19 specifically.</p> <p>20 Q. Okay. And did you convey that</p> <p>21 number to Mr. Dondero when you had that</p> <p>22 conversation?</p> <p>23 A. Yes.</p> <p>24 Q. What was his reaction?</p> <p>25 A. I mean, he wasn't happy.</p>

<p style="text-align: right;">Page 390</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Q. Is it fair to say he was upset?</p> <p>3 A. Yes.</p> <p>4 Q. Did Mr. Dondero ever expressly tell</p> <p>5 you to not have NexPoint make the required</p> <p>6 December 31, 2020, payment?</p> <p>7 A. Yes, I recall him saying don't make</p> <p>8 the payment because it was being negotiated, as</p> <p>9 I discussed with Mr. Morris, this offset</p> <p>10 concept. So there were obligations due by the</p> <p>11 advisors to Highland, they should be offset</p> <p>12 that -- you know, those obligations should be</p> <p>13 offset by this -- by this overpayment.</p> <p>14 Q. And when did he tell you that?</p> <p>15 A. I would say -- I would say around --</p> <p>16 probably December -- December-ish.</p> <p>17 Q. Early December, late December?</p> <p>18 A. I don't recall with as much</p> <p>19 specificity as -- as -- as -- as stopping the</p> <p>20 shared services payments, because we had</p> <p>21 actually made one shared services payment in</p> <p>22 November. So that is why I need to remember</p> <p>23 that one more clearly. I don't remember where</p> <p>24 exactly in December that conversation occurred.</p> <p>25 Q. Did Mr. Dondero expressly use the</p>	<p style="text-align: right;">Page 391</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 word "NexPoint" when he was saying don't make</p> <p>3 these payments?</p> <p>4 MR. MORRIS: Objection to the form</p> <p>5 of the question, asked and answered.</p> <p>6 A. Yeah, we were -- we were discussing</p> <p>7 advisor obligations. So it was -- you know, it</p> <p>8 was just obligations from the advisors.</p> <p>9 And -- and he specifically talked</p> <p>10 about the NexPoint payment as well.</p> <p>11 Q. Okay. And it is your testimony that</p> <p>12 he expressly told you not to make that NexPoint</p> <p>13 December 31 payment?</p> <p>14 MR. MORRIS: Objection, asked and</p> <p>15 answered twice.</p> <p>16 A. Yes, he -- he did, during that</p> <p>17 conversation.</p> <p>18 Q. And did you ever follow up with him</p> <p>19 after that about whether NexPoint should or</p> <p>20 shouldn't make that payment?</p> <p>21 A. I did not.</p> <p>22 Q. Did you ever, on or about</p> <p>23 December 31, 2020, remind him and say, hey,</p> <p>24 this payment is due, what shall I -- what</p> <p>25 should I do?</p>
<p style="text-align: right;">Page 392</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. I did not.</p> <p>3 Q. So sitting here today, you -- you</p> <p>4 remember distinctly that Dondero in December of</p> <p>5 2020 expressly told you not to have NexPoint</p> <p>6 make that payment?</p> <p>7 MR. MORRIS: Objection, asked and</p> <p>8 answered three times.</p> <p>9 A. Yes.</p> <p>10 Q. Can you say categorically it wasn't</p> <p>11 just some general discussion where he told you</p> <p>12 not to make payments?</p> <p>13 MR. MORRIS: Objection, asked and</p> <p>14 answer four times.</p> <p>15 MR. HORN: Four times now. Go for</p> <p>16 five.</p> <p>17 A. Yes.</p> <p>18 Q. Did you tell Mr. Seery that?</p> <p>19 A. I don't believe I did. I don't</p> <p>20 recall.</p> <p>21 Q. And was this an in-person discussion</p> <p>22 or telephone or email? Do you remember?</p> <p>23 A. This was a phone -- a phone</p> <p>24 conversation.</p> <p>25 Q. Okay. Would you have a record of --</p>	<p style="text-align: right;">Page 393</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 on your cell phone of when that conversation</p> <p>3 might have taken place?</p> <p>4 I'm sorry, strike that.</p> <p>5 Was that by cell phone?</p> <p>6 A. I believe -- yes, because we -- I</p> <p>7 was at home. I mean, I don't have a landline.</p> <p>8 All I have is my cell phone.</p> <p>9 Q. Do you know whether your cell phone</p> <p>10 still has records of conversations from</p> <p>11 December 2020 on it?</p> <p>12 A. My call log doesn't go back that</p> <p>13 far.</p> <p>14 Q. Okay. Thank you.</p> <p>15 MR. RUKAVINA: I will pass the</p> <p>16 witness.</p> <p>17 MS. DEITSCH-PEREZ: Just a couple</p> <p>18 quick questions.</p> <p>19 FURTHER EXAMINATION</p> <p>20 BY MS. DEITSCH-PEREZ:</p> <p>21 Q. With respect to HCRE and HCMS, am I</p> <p>22 correct there was -- there was no direction not</p> <p>23 to pay those loan payments?</p> <p>24 MR. MORRIS: Objection to the form</p> <p>25 of the question.</p>

<p>Page 394</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 A. Yes, I don't recall having</p> <p>3 conversations about, you know, those – those</p> <p>4 entities.</p> <p>5 Q. And, in fact, what was the tone that</p> <p>6 Mr. Dondero had when he talked to you about the</p> <p>7 fact that HCRE and HCMS payments hadn't been</p> <p>8 made when he found out that they hadn't been</p> <p>9 paid?</p> <p>10 MS. DANDENEAU: Objection to form.</p> <p>11 MR. MORRIS: Objection to form.</p> <p>12 Q. What was the tone he took with you?</p> <p>13 A. Oh, it was – it was – it was – it</p> <p>14 was very negative. I mean, I think he cursed</p> <p>15 at me and he doesn't usually curse.</p> <p>16 Q. Okay. And in your mind, is that</p> <p>17 consistent with the fact that he was surprised</p> <p>18 that those payments hadn't been made?</p> <p>19 MR. MORRIS: Objection to the form</p> <p>20 of the question.</p> <p>21 A. Yes.</p> <p>22 Q. Okay. Thank you.</p> <p>23 MR. MORRIS: I have nothing further.</p> <p>24 Thank you so much, Mr. Waterhouse.</p> <p>25 MR. HORN: I have no questions.</p>	<p>Page 395</p> <p>1 WATERHOUSE - 10-19-21</p> <p>2 Thank you, Mr. Waterhouse. We appreciate</p> <p>3 your time. Change of Address

Please call us at the telephone number listed on the front of this statement to tell us about a change of address.

Electronic Transfers *(for consumer accounts only)*

In case of errors or questions about your Electronic Transfers, write to BBVA Compass Bank, Operations Compliance Support, P.O. Box 10566, Birmingham, AL 35296. Or simply call your local customer service number printed on the front of this statement. Call or write as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent the first statement on which the error or problem appeared.

- Tell us your name and account number (if any).
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days (20 on claims on accounts opened less than 30 calendar days) to do this, we will credit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

*For Non-Consumer Account customers, please refer to your current Non-Consumer Account Agreement for details regarding Electronic Fund Transfers.

Overdraft Protection

Calculation of Interest Charge and Balance Subject to Interest Rate. The interest charge is computed using your annual percentage rate divided by 365 or, in the case of a leap year, 366, which gives you the "Applicable Rate." Although we calculate the interest charge by applying the Applicable Rate to each daily balance, the interest charge can also be calculated by multiplying the Applicable Rate by the "average daily balance" (Balance Subject to Interest Rate) shown on this statement, then multiplying that sum by the number of days in the billing cycle. To get the "Balance Subject to Interest Rate" shown on this statement we take the beginning balance of your account less any unpaid finance charges each day, add any new advances or debits, and subtract any payments or credits. This gives us the daily balance. Then we add all the daily balances for the billing cycle and divide by the number of days in the billing cycle. This gives us the "average daily balance" shown on the statement as "Balance Subject to Interest Rate".

Payments. Payments to your overdraft protection loan account made through our tellers or deposited at our automated teller machines (ATMs) Monday through Friday before the posted cut-off time will be posted to your account on the date they are accepted. Otherwise, they will be posted on the next business day. Payments made through our ATMs via a funds transfer will be posted on the date they are received or on the next business day if made after 6pm CT (6pm MT for Arizona accounts and 6pm PT for California accounts) Monday through Friday or any time Saturday, Sunday or bank holidays. BBVA Compass Bank business days are Monday through Friday, excluding holidays.

In Case of Errors or Questions About Your Statement (Overdraft Protection Only)

If you think your statement is wrong, or if you need more information about a transaction on your statement, write your issue on a separate document and send it to Bankcard Center, P.O. Box 2210, Decatur, AL 35699-0001. Telephone inquiries may be made by calling your local BBVA Compass branch listed on the front of this statement to speak with a Customer Service Representative. Please note: a telephone inquiry will not preserve your rights under federal law. We must hear from you no later than sixty (60) days after we sent you the first statement on which the error or problem appeared.

- Tell us your name and account number (if any).
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or what you need more information.
- Tell us the dollar amount of the suspected error.

You can stop the automatic deduction of the Minimum Payment from your checking account if you think your statement is wrong. To stop the payment, your letter must reach us three (3) business days before the automatic deduction is scheduled to occur.

Reporting Other Problems

Please review your statement carefully. It is essential that any account errors or any improper transactions on your account be reported to us as soon as reasonably possible. If you fail to notify us of any suspected problems, errors or unauthorized transactions within the time periods specified in the deposit account agreement, we are not liable to you for any loss related to the problem, error or unauthorized transaction.

Electronic Transfers *(for consumer accounts only)*

In case of errors or questions about your Electronic Transfers, write to BBVA Compass Bank, Operations Compliance Support, P.O. Box 10566, Birmingham, AL 35296. Or simply call your local customer service number printed on the front of this statement. Call or write as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent the first statement on which the error or problem appeared.

- Tell us your name and account number (if any).
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days (20 on claims on accounts opened less than 30 calendar days) to do this, we will credit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

*For Non-Consumer Account customers, please refer to your current Non-Consumer Account Agreement for details regarding Electronic Fund Transfers.

Overdraft Protection

Calculation of Interest Charge and Balance Subject to Interest Rate. The interest charge is computed using your annual percentage rate divided by 365 or, in the case of a leap year, 366, which gives you the "Applicable Rate." Although we calculate the interest charge by applying the Applicable Rate to each daily balance, the interest charge can also be calculated by multiplying the Applicable Rate by the "average daily balance" (Balance Subject to Interest Rate) shown on this statement, then multiplying that sum by the number of days in the billing cycle. To get the "Balance Subject to Interest Rate" shown on this statement we take the beginning balance of your account less any unpaid finance charges each day, add any new advances or debits, and subtract any payments or credits. This gives us the daily balance. Then we add all the daily balances for the billing cycle and divide by the number of days in the billing cycle. This gives us the "average daily balance" shown on the statement as "Balance Subject to Interest Rate". Payments. Payments to your overdraft protection loan account made through our tellers or deposited at our automated teller machines (ATMs) Monday through Friday before the posted cut-off time will be posted to your account on the date they are accepted. Otherwise, they will be posted on the next business day. Payments made through our ATMs via a funds transfer will be posted on the date they are received or on the next business day if made after 6pm CT (6pm MT for Arizona accounts and 6pm PT for California accounts) Monday through Friday or any time Saturday, Sunday or bank holidays. BBVA Compass Bank business days are Monday through Friday, excluding holidays.

In Case of Errors or Questions About Your Statement (Overdraft Protection Only)

If you think your statement is wrong, or if you need more information about a transaction on your statement, write your issue on a separate document and send it to Bankcard Center, P.O. Box 2210, Decatur, AL 35699-0001. Telephone inquiries may be made by calling your local BBVA Compass branch listed on the front of this statement to speak with a Customer Service Representative. Please note: a telephone inquiry will not preserve your rights under federal law. We must hear from you no later than sixty (60) days after we sent you the first statement on which the error or problem appeared.

- Tell us your name and account number (if any).
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or what you need more information.
- Tell us the dollar amount of the suspected error.

You can stop the automatic deduction of the Minimum Payment from your checking account if you think your statement is wrong. To stop the payment, your letter must reach us three (3) business days before the automatic deduction is scheduled to occur.

Reporting Other Problems

Please review your statement carefully. It is essential that any account errors or any improper transactions on your account be reported to us as soon as reasonably possible. If you fail to notify us of any suspected problems, errors or unauthorized transactions within the time periods specified in the deposit account agreement, we are not liable to you for any loss related to the problem, error or unauthorized transaction.
